# School Resource Officer Update

July 7, 2020

# Overview

## **School Resource Officer (SRO) Mission Statement:**

School Resource Officers shall work with students, parents and school staff to promote positive relationships, to promote positive choices and activities and to establish rapport and encourage open communications. SRO's shall ensure a safe and secure educational environment for all faculty and students in the Duluth Public Schools.

# Overview of Program

## **Roles of SROs within our schools:**

1. Role Model
2. Mentor
3. Community Liaison
4. Law Related Educator
5. Law Enforcement Officer

## Additional Resources:

[School Resource Officer Manual](#)

[Department of Justice School Resource Officer Manual](#)

# Relationships and Community Building

School Resource Officers connect with students, families and community members in many ways beyond the defined role. Examples include:

- SRO playing floor hockey with kids at Lincoln Park Middle School
- SRO coach for athletic programs at Lincoln Park Middle School
- SRO helping a Denfeld neighbor by covering graffiti caused by students using his own paint and doing it on his own time
- SRO winning a Denfeld student fund raising effort this spring to support a local charity and participating in the Polar Plunge as a result

# How Duluth's School Resource Officer Program Is Different

6

Some districts have considered changes in SRO programming. In Duluth, we have already incorporated many positive changes in our programming that reflect best practices:

## Community policing components include:

- Community partnerships
- Problem solving approaches

The SRO Program is a strategy used as a part of community policing:

*"The School is the Community and the Community is the School."*

# 2019 Minnesota Student Survey

The MSS is the most consistent source of data about the health and well-being of Minnesota's students for the past 30 years.

Students are asked about their activities, opinions, behaviors and experiences.

Students respond to questions on school climate, bullying, out-of-school activities, health, nutrition, emotional and mental health, relationships, substance use and more.

# I think it is a good idea to have an SRO or police officer at our school.

Denfeld H.S.	Gr. 9 M	Gr. 9 F	Gr. 11 M	Gr. 11 F
Agree/Strongly Agree	97%	99%	97%	84%

# I think it is a good idea to have an SRO or police officer at our school.

Lincoln Park M.S.	Gr. 8 M	Gr. 8 F

Disagree/Strongly Disagree	8%	5%

Ordean East M.S.	Gr. 8 M	Gr. 8 F
Agree/Strongly Agree	96%	95%
Disagree/Strongly Disagree	4%	5%

# Contractual Considerations

## **2019-2020 Contract Cost: \$251,906.79**

Includes 4 resource officers for Middle & High Schools  
During Covid-19 Closure we have a carryover credit of approximately \$84,000 to apply to a future contract.

## **Funding Source: Safe Schools Revenue**

This revenue is reserved for safety and security in our schools and on school grounds.

# Next Steps

Continue to focus on professional learning around culturally responsive practices, trauma, and community policing within SRO programming

Review Policies and Procedures for School Interaction with Law Enforcement

Review contract, consider impacts of closure - \$85,000 credit returned to the district towards 2020-21 contract

## **Continue the conversation:**

- SRO student forums on programming and discussion on community and culturally responsive policing
- Greater input from student executive board member, families, and staff. We would use WIN time and class meetings for this purpose
- Consider an additional student survey
- Provide the Board with a mid-year update

Data Includes incidents at East High School, Denfeld High School, Lincoln Park Middle School and Ordean East Middle School during the school year where the responding Officer was an SRO

**District Intended Outcomes of Our Plan & Steps Taken to Comply with Our Plan:**

**Short Term:**

- 1. Identify schools to include a discipline goal on their Record of Continuous Improvement

Steps Taken:

Schools with discipline (or related) goals for 19-20 include: Congdon, Denfeld, East, Homecroft, Laura MacArthur, Lester Park, Lincoln Park, Lowell, Myers-Wilkins, Ordean-East, Piedmont, and Stowe

\*Need to revisit criteria and support for schools and goals, spring 2020

**\*Did not occur, will need to use existing criteria.**

- 2. ISD 709 will improve school and district leadership teams to increase community engagement as part of WBWF planning and DSE District Leadership Team. ISD 709 will utilize information from the MDE and Regional Centers of Excellence to guide this work to incorporate more equity focus on school improvement processes (timeline is based on availability of resources).

Steps Taken:

Parents have been invited/added to each Continuous Improvement Team for the 19-20 school year

District staff, school staff, and the RCE reviewed the existing RCI in ISD 709 and revised/updated it to mirror and meet MDEs requirements under ESSA; in addition, ISD 709 added additional components to improve our process

# Anti-bias Training

Trialing training with Principals during monthly meeting

Content is meaningful, format is well developed

Concern with wifi capacity and “buffering”

Trialing as a group lesson next

# Recommendations for Anti-Bias Training

45

1. Need follow up or intentionality so it isn't one and done, individual action or personal plan?
2. Try to do it over the course of a year vs. all at one time
3. Required vs. voluntary
4. Consider using staff development day in Aug and/or Oct
5. Feedback from Principals, appreciated the group lesson and discussion model last trialed

# Recommendations

Aug training may feel rushed and not allow enough focus on content, pending DL training needs

Frame the importance of it so it's a continuous learning, plan how they will incorporate the content into daily work, follow-up coaching and acct. Begin, mid, end of yr structure of goal setting

Will likely need to use training time for delivery method of instruction

General consensus is to consider moving off of Aug day, pending more information from MDE and DL training needs

# Input on “Interventions”

# Standards of Conduct, Statement on OSS<sup>48</sup>

Out of school suspension is used for the purpose of creating separation and safety during investigation and intervention planning in response to a behavioral incident.

At all age levels, use of out-of-school suspension should be paired with environmental, instructional, and/or restorative intervention.

# “Definitions of Disciplinary Actions”

## Definitions of Disciplinary Actions

**DETENTION** - A student may be asked to come before school, stay in during lunch/recess, or remain after school by a teacher or principal for the purpose of correcting a violation. Any student who is instructed to report before or after school but is unable must obtain permission from the teacher or principal. Reasonable attempts will be made to contact parent(s) or guardian(s) prior to implementation.

**EXPULSION OR EXCLUSION** - “Expulsion” means a School Board action to prohibit an enrolled student from further attendance for up to twelve months from the date the student is expelled. “Exclusion” means an action taken by the School Board to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the school year. Expulsion and exclusion proceedings shall be in accordance with M.S. 121A.41, The Pupil Fair Dismissal Act. A School Board may expel for a period of at least one year a student who is determined to have brought a firearm to school. For the purposes of this section, a firearm is as defined in United States Code, Title 18, Section 921. In accordance with M.S. 121A.41, The Pupil Fair Dismissal Act, a student and his/her parent(s) or guardian(s) shall be served personally or by mail with notice of the expulsion hearing. The hearing will be held within ten days of service of the written note, unless continued pursuant to the statute. The recommendation of the hearing officer shall be made to the School Board within two days of the end of the hearing. The decision of the School Board shall be rendered at a special meeting within five days after receipt of the recommendation of the hearing officer. The student shall receive due process as set forth in M.S. 121A.41, The Pupil Fair Dismissal Act.

**OFFICE INTERVENTION** - Any disciplinary intervention resulting from a violation of district standards of conduct applied by building administration.

**PARENT(S) OR GUARDIAN(S) CONFERENCE** - A parent(s) or guardian(s) conference is required if a student has committed a serious rule violation or has been suspended out of school. If a parent or guardian is unable to be present, the principal shall contact the parent(s) or guardian(s).

**REFERRAL TO JUVENILE AUTHORITIES** - If a student’s behavior may be a violation of law, the principal or designated representative may contact juvenile authorities or police. If the officer indicates that he/she is arresting the student, with or without a warrant, he/she shall have complete jurisdiction and responsibility in the matter and the principal shall not interfere with the student’s removal from the building. The student will, in all cases, be accorded the rights of due process.

**RISK SCREENING & REFERRAL FOR ASSESSMENT** - Students deemed to be a threat to themselves and/or others may be asked to undergo a risk screening and/or formal risk assessment by a district approved mental health professional before being readmitted to school.

**REFERRAL TO BUILDING AND DISTRICT RESOURCES** - Referral to building and district resources is to be made by school personnel, parent(s) or guardian(s), or community agencies. The parent(s) or guardian(s) shall be consulted if any special services are to be made available to a student. Reasonable attempts will be made to contact parent(s) or guardian(s) regarding referrals to building and district resources.

**REMOVAL FROM CLASS** - All students have the right to learn and teachers the right to teach. Disruption to the learning process may result in the loss
