Food Supply Chain issues

Supply chain issues continue to happen weekly. The price for fresh produce is higher than most years at this time. Half pint cartons are the forecasted issue for February, which may limit choices of milk. There will be milk, but possibly not 4 different kinds.

Transportation Report January 2022 Activities

The ISD #709 Transportation department manages both a district owned fleet of vehicles and district employees, including bus drivers, monitors, and mechanics, along with the coordination of contracted transportation services through Voyageur Bus Company.

The Transportation department uses Versatrans as its student transportation software. The department is busy building and/or updating about 430+ routes, many field trips and coordinating with Voyageur. There are *many* updates daily.

- 63 field trips happened in January 2022
- 69 field trips scheduled so far for February 2022

There continues to be a shortage of bus drivers and the department has been very active in its hiring. However, some drivers do not successfully complete training.

COVID is still a valid concern and the Transportation department currently follows all COVID protocols; masks are mandated for students and drivers while on the bus (with exceptions as needed). Drivers have access to a Hudson sprayer with Virex, and 2 electrostatic sprayers to be used between routes for disinfections. Additionally, they have alcohol wipes for their own driving area.

Routine general bus maintenance is ongoing (wiring/electrical, brakes, stop arms, belts, etc.). Also, many jump starts have been needed this month due to very cold weather.

The average fleet age is 6.4 years. Current average mileage is 73,124 (goal is 50,000 – 60,000).

Less than fifty-two (52) week employees shall be prorated according to this formula based on the number of weeks worked.

4.1.1 – Sick Leave Bank - Each August 1, the sick leave bank should be reviewed and one (1) day of sick leave shall be deducted from the yearly sick leave of each employee in the bargaining unit in order to maintain the accumulated total of days in the bank at approximately eight hundred (800) hours (100 days). No deduction should be made, however, from an individual unless a one (1) day deduction from each member of the unit brings the sick leave bank up to but not to exceed eight hundred (800) hours.

4.2 – Professional Leave - An employee covered by this contract may be granted leave to participate in a professional, patriotic or civic duty without loss of salary, provided such leave is approved by the Superintendent or his/her designated representative. Leaves of short duration (less than a week, but usually one (1) or two (2) days) will be provided to employees covered by this contract who are serving on commissions, state boards, etc., provided the leave is approved by the Superintendent or his/her designated representative. Stipends received for any professional leave granted without loss of salary will be given to the School District less necessary expenses incurred during the professional leave.

4.3 – Death In Family - Leave shall be granted to all persons covered by this Agreement to attend a funeral and related needs in their immediate family, according to the following allowances:

- (a) Three (3) days leave - when travel up to one hundred fifty (150) miles is required.
- (b) Five (5) days leave - when travel in excess of one hundred fifty (150) miles is required.

This leave shall be deducted from sick leave.

Family shall constitute members of the immediate family of an employee, spouse or registered domestic partner and for purposes of this Section, “**death in family**” shall include father, mother, brother, sister, husband, wife, child, grandparent, brother-in-law, sister-in-law, daughter-in-law, son-in-law, aunt, uncle, niece, nephew and grandchild. This shall also apply to foster relationships in the above listed categories. A “**registered domestic partner**” shall mean an individual who has been registered through the City of Duluth as a domestic partner of an employee of the District.

4.4 – Personal Leave - All employees within the bargaining unit may take one (1) non-cumulative personal leave day per year at a time approved by the employee’s supervisor and agreeable with the employee. The day will be deducted from the employee’s sick leave balance.

4.5 – Military Leave - Military leave of absence with pay will be granted and administered as required by Minnesota State Statute 192.26, Subd. 1. Where possible, all military leave with pay shall be taken while the employee is not working or under contract to perform services for the School District, and no employee under this Agreement shall request of the military unit to which he/she is assigned, or the commander thereof, that he/she be assigned or authorized military duty for which he/she would be entitled to military leave with pay from the School District during the time the employee is working, or his/her services are under contract to be performed for the School District.

4.6 – Leave Of Absence Without Pay - At the discretion of the School Board, an employee may be granted, upon written request, a leave of absence without pay from the unit for up to one (1) year for purposes other

than those enumerated, provided the employee, upon returning to the unit within the one (1) year period, does not displace any employee nor assumes a position in which he/she has no previous successful experience performing in the District or is not otherwise qualified to perform in the sole discretion of the departmental supervisor.

4.7 – Parental Leave - Up to six (6) months of unpaid parental leave shall be granted to a father or mother in conjunction with the birth or adoption of a child. In order to be eligible for parental leave, the employee must request the parental leave in writing to the Human Resources Manager at least two (2) months in advance of the commencement of the leave and must commence the parental leave no more than six (6) weeks after the birth or adoption of the child, except that in the case where the child must remain in the hospital longer than the mother, the leave may not begin more than six (6) weeks after the child leaves the hospital. Upon expiration of the parental leave and return to work, the employee shall be assigned to the employee's former position unless it has been eliminated.

If during parental leave the District experiences a layoff and the employee would have lost his/her position, pursuant to the layoff provisions of this Agreement, had the employee not been on parental leave, then the employee is not entitled to reinstatement in the employee's former position and, in such circumstances, the employee shall retain all rights under the layoff and re-employment provisions of this Agreement as if the employee had not been on parental leave.

Any leave taken under this Section shall reduce the length of leave for which the employee is eligible under the Family and Medical Leave Act policy for birth or placement of a child and any unpaid leave taken under the Family and Medical Leave Act policy for birth or placement of a child shall reduce the length of leave for which the employee is eligible under this Section.

Employees may request that parental leave be extended beyond six (6) months. Any such extension shall be subject to the mutual agreement of the District.

ARTICLE 7

Grievance Procedure And Arbitration

7.1 - Definitions

7.1.1 - A "***grievance***" is an action instituted under this Article by an aggrieved employee of the Association in the belief that there has been a violation, misapplication, or misinterpretation of the terms of this Agreement by the School District, School Board, its employees, agents or contractors.

7.1.2 - The aggrieved employee is an employee within the appropriate bargaining unit as defined by the terms of this Agreement who has been directly affected by an alleged violation, misapplication, or misinterpretation of the terms of this Agreement.

7.1.3 - The term "***days***" when used in this grievance procedure shall refer to calendar days, except that when the last day for doing any act under this grievance procedure falls on a Saturday, Sunday, or legal holiday, the next calendar day which is not a Saturday, Sunday, or legal holiday shall be the last day for doing that which is required or is to be done under the terms of this procedure.

7.2 – Representation Rights - The aggrieved employee reserves the right to be represented by a representative of his/her choice, including an Association representative, at all steps of this grievance procedure, but the employee must be present at all meetings or hearings except that the Association shall be his/her designated representative in binding arbitration. The Association shall be notified and a representative of the Association may be present and express his/her views at all steps of this grievance procedure.

7.3 – Procedures - Step I. The aggrieved employee shall present his or her grievance in writing to the Human Resources Manager or his/her designee within twenty (20) days of the time the aggrieved employee knew or should have known of the act, event, or default of the School District, the School Board, its employees, agents, or contractors, which is alleged to be a violation, misapplication, or misinterpretation of

the terms of this Agreement. The written grievance shall state the nature and date of the violation to the best of the employee's knowledge, the Article or Sections of this Agreement alleged to have been violated, misapplied, or misinterpreted and the relief or action sought by the aggrieved employee. The Human Resources Manager or his/her designee shall set a hearing date within ten (10) days of the filing of the grievance with the Human Resources Manager or his/her designee and notify the aggrieved employee, his/her designated representative, and the Association. A decision in writing by the Human Resources Manager or his/her designee shall be rendered within ten (10) days of the hearing and communicated to the aggrieved employee and the Association.

7.4 – Arbitration - The Association, through its appropriate officers, may appeal within thirty (30) days of the communication of the written decision of the Superintendent of Schools or his/her designee, or if no decision has been made, then within forty (40) days of the Step I hearing. Such appeal shall be in writing and filed with the Superintendent of Schools. The Superintendent of Schools shall immediately make written request to the Director of the State Mediation Bureau for a list of five (5) arbitrators appointed pursuant to Minnesota Statutes Section 179A.16, Subd. 4. Upon receipt of such list and within five (5) days thereafter, the Association and School District shall alternately strike four (4) names from such list, the first strike to be determined by the flip of a coin, unless the School District and Association can agree on the use of one (1) of the arbitrators from the list. The remaining arbitrator shall be immediately notified of such selection and shall proceed to hearing of the grievance and decision within thirty (30) days of the hearing. His/her written decision shall state the facts and Articles of the Agreement on which his/her decision relies, shall include his/her conclusions and the relief to be given, if any, and shall be final and binding on the Association and School District.

The arbitrator shall first proceed to the question of arbitrability of the grievance if such issue is raised by one of the parties, and shall then proceed to hearing of the evidence and testimony on the grievance. The arbitrator shall not have authority to amend, alter or in any way change the terms of this Agreement or to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement, nor shall he/she have authority to determine whether any of the provisions of this Agreement are unlawful. The Union and School District may present any evidence or testimony or raise any issues before the arbitrator whether or not presented or raised at the prior step of this procedure. Either the School District or the Association may request that a verbatim report of the hearing before the arbitrator be taken. The School District and Association shall share equally in the expenses and cost of the arbitration, but each of them (the School District and Association) shall pay the cost of their own witnesses, the presentation of their own evidence before the arbitrator, and of any copies of a written transcript of the proceedings it shall request from the arbitrator, and the cost of a verbatim report shall be borne by the party requesting the same. The arbitrator shall permit oral arguments if requested by one of the parties and shall determine whether written briefs may be filed and the time therefore.

7.5 – Miscellaneous Provisions

7.5.1 - The Association may file a group grievance on behalf of several employees of the bargaining unit at Step I of this procedure if the act, event or default of the School District, School Board, its employees, agents or contractors is alleged to have violated, misapplied, or misinterpreted this Agreement so as to directly affect at least five (5) employees in the bargaining unit on the same or similar issues under a Article or Articles of this Agreement. The grievance shall be filed in like manner and within the time limits provided under Step I of this procedure. Likewise, the Superintendent of Schools or his/her designee may join for hearing separate grievances by employees involving the same or similar issues under a Article or Articles of this Agreement and shall notify the Association and employees.

7.5.2 - The time limits specified herein may be waived or extended by mutual agreement of the parties, and notice to the Association if not a party, but such waiver or extension shall be in writing and signed by the parties. Failure of the Superintendent or his/her designee to render a decision within the time permitted herein shall be considered a denial of the grievance and permit the aggrieved employee or the Association as the procedure may provide to appeal to the next step within the time limits set, but this shall not apply to the decision of the arbitrator.

7.5.3 – Access shall be given at the expense of the party requesting to all non-confidential information which is exclusively in the possession or available to either of the parties and necessary to the determination and processing of a grievance, but the determination of the confidentiality of the information by the party who has been requested to furnish the same shall be final except at the arbitration level where the decision of the arbitrator shall be final. This shall not apply to information or documents forbidden by law to be disclosed by either party.

7.5.4 - Failure at any step of this grievance procedure to initiate or appeal a grievance within the time limits provided herein shall constitute a waiver of the grievance, but such waiver shall not bind the Association where the Association is not a party. In the case of an event, act or default which is of a continuing nature, the employee and Association shall waive their rights to any retroactive relief for any period during which the grievance has not been filed within the time limits specified within this grievance procedure.

7.5.5 - All documents, communications and records dealing with a grievance shall be filed separately from the personnel files of the aggrieved employee.

7.5.6 - All hearings at Step I shall be held during non-working hours of the aggrieved employee or employees, if possible; but in the event it is desired by the Human Resources Manager or his/her designee to hold the hearing during work hours of the aggrieved employee or employees, such employee or employees and the Association representative shall be given time off without loss of pay to attend such hearing. The Human Resources Manager shall first authorize any hearings at Step I during working hours.

7.5.7 - Any decision, which is mailed, shall be presumed to be communicated within three (3) days of mailing, and the filing or service of any appeal shall be considered timely if mailed and bearing a dated postmark of the United States mail within the time period specified in this procedure.

- **Device Information:** Information about the computers, phones, and other devices children use when interacting with Zoom Products on your account, including device features (like microphone or camera versions and IDs), IP address (which may be used to infer general location at a city or country level) and WiFi information.
- **Meeting, Webinar, and Messaging Content:** If you choose to record meetings or webinars on your account to Zoom Cloud, Zoom will store these recordings, which may contain children's voice, image(s), messages, Q&A, or other content shared by children during the meeting or webinar. Zoom employees do not access this meeting content unless you direct us to do so, or as required for legal, security, or safety reasons.
- **Product Usage:** Information about how children and their devices interact with Zoom Products, such as when they join and leave a meeting, whether they send messages and with whom they message, mouse movements, clicks, keystrokes, or actions (such as mute/unmute or video on/off), and other user inputs that help Zoom understand feature usage, improve product design, and suggest features.

Zoom will only use such personal information collected from children for educational purposes, including facilitating the use of Zoom Products, improving the provision of Zoom Products used by schools or educational organizations, ensuring the safety and integrity of the Zoom Products, and complying with legal processes.

How is this information shared with others?

Zoom does not disclose children's data to third parties, except for service providers who help us provide Zoom Products and technical infrastructure, where required for legal, security, or safety reasons, or to other Zoom affiliates (such as Zoom Voice Communications, Inc., which provides Zoom Phone).

Before using Zoom with children, your organization must consent to Zoom's educational data collection practices.

If you choose to share children's data with third parties when using Zoom Products -- such as when you invite other people to join meetings or webinars hosted on your account, or approve third-party apps for use in meetings or webinars hosted on your account -- you must authorize the sharing of children's data with these third parties and obtain parent or guardian consent to the data practices of such third parties.
