**Background Information:**

Students Competing:

David Gomez, Mathew Young, Emma Cooke and Galilea Velazquez Aguilar - District Champs and competed in State for Health Knowledge Bowl.

Emma Cooke placed 3rd in CPR and First Aid.

Students qualified for Health Knowledge Bowl through extensive preparation, dedicating hours to studying medical terminology, disease processes, and a wide range of healthcare concepts. Their commitment to mastering complex material and applying critical thinking skills helped them earn a place in this competitive State event.

The students prepared for several months, consistently reviewing content, practicing questions, and strengthening their ability to think quickly and accurately under pressure.

## BOARD AGENDA ITEM

Through this experience, students developed strong teamwork, communication, and problem-solving skills. They enhanced their ability to recall information efficiently, analyze questions in a timed setting, and collaborate effectively with peers—key skills essential for success in the Health Knowledge Bowl and future healthcare careers.

We are incredibly proud of our students for their dedication, perseverance, and achievement. Their hard work and commitment to excellence truly set them apart.

GHS State Track Recognition

**Background Information:**

Matthew Morales qualified for the State Track Meet after an impressive 2nd-place finish in the 3200m at Regionals, where he ran a new personal record of 9:18. Heading into state, Matthew currently ranks 5th in Texas in the 5A division.

This marks the third sport in which Matthew has qualified for the state level — a testament to his dedication, competitiveness, and work ethic. Alongside his athletic accomplishments, Matthew maintains an outstanding 5.903 weighted GPA and is ranked #1 in his class.

Matthew comes from a family of educators, with his mother, Robin, teaching at Benold Middle School and his father, Lou, teaching at Georgetown High School.

Congratulations to Matthew on all of these incredible achievements. The hard work is paying off. Coach Braun and Matthew put in early morning workouts before most people are even awake, and that commitment continues to show in the results.

Keep working hard, Matthew — the best is still ahead.

**Background Information:**

On May 7th & 8th, Clara Lane and Brinn Brawner traveled to San Antonio to compete in the UIL State Tennis Tournament qualifying in singles. Clara Lane, a junior, finished 3rd @ the regional tennis tournament and this was her 2nd time to compete at the state level. She went last year for mixed doubles. Although it didn't turn out like she wanted, she has one more shot at it next year before she graduates and continues her tennis career at Universtiy of Mary Hardin Baylor pursuing a degree in nursing. Clara finished this year with 45 wins and 14 losses.

Brinn Brawner, a freshman at Georgetown High School, finished runner up at the regional tournament in singles. She lost a tough match @ state but I have a feeling we will be seeing her again in the next 3 years competing at the state level representing GHS. Brinn finished the year with 50 wins and 10 losses.

We are super proud of both of these girls and the way they competed in San Antonio.

In order to advance to state, the team must place high enough in the Area contest. This team placed 2nd in area with senior teammates Wendy Drews placing third highest individually and Gabri Alvarez placing 6th highest individually. The team placed 2nd at state, right behind the team that was first in Area. Freshman Addyson Wolfe placed 10th highest individually. These students have been studying and practicing since October.

Allie has advanced to state for horse judging 3 of the 4 years she has competed. Wendy and Gabri have been on the team 2 years and this is Addyson's first year. They have worked diligently, been very successful at other contests throughout the state, always working towards and striving for excellence.

For students, the recommendation is to increase breakfast prices by \$0.10 and lunch prices by \$0.50. These increases will not impact any students on the Free and Reduced meal plan as all of those students will continue to eat for free. For adults, breakfast prices would increase by \$0.05 and lunch prices by \$0.35.

The increased meal rates are estimated to increase revenue by \$275k which is necessary for Food Service to pay for \$0.5M of its \$1.1M in shared operating costs. The plan is to continue increasing prices over the next 2 years, so that Food Service will ultimately be able to cover all of its shared operating expenses and the General Fund will no longer have to subsidize Food Service.

Michael Thibodeaux with our contracted food service provider (SFE) expects these price increases should increase revenue by roughly \$275k.

**This increase is necessary for Food Service to pay \$0.5M of its \$1.1M of shared operating costs.**

Breakfast is 80% F&R and 20% paid.

Lunch is 58% F&R and 42% paid.

Approval of Staff Development Waiver for Instructional Minutes (Date Correction)

**Background Information:**

The Texas Education Agency (TEA) allows for districts to request a staff development minutes waiver that provides for a maximum of 2,100 total waiver minutes to use for professional development. This waiver is for staff development in place of student instruction; therefore, the waiver minutes are only applicable to staff development provided instead of student instruction during the school year. The Staff Development Waiver may not be used prior to the first day of student instruction or after the last day of student instruction. The 2025-2026 and 2026-2027 approved calendars include these staff development days. Once approved, the waiver will be submitted to TEA and include a request for the maximum 2,100 waiver minutes available.

Consideration and Possible Approval of Eastview High School Performing Arts Center and Athletic Field House Additions and Renovations Guaranteed Maximum Price

**Background Information:**

This project is part of the 2024 Bond program of projects.

It will add a much-needed Performing Art Center (PAC) on the West end of EVHS with a capacity of approximately 760 seats and an addition to the North end of the existing athletic Field House (FH) consisting of a weight room, a wrestling room and additional locker room space for existing programs.

American Constructors provided a Guaranteed Maximum Price (GMP) proposal on April 29, 2026. This GMP includes, but is not limited to, site work, underground utility connections, building foundations, mechanical, electrical, plumbing, roofing, masonry and all interior finishes for both the PAC and FH.

## BOARD AGENDA ITEM

Pfluger Architects design team, American Constructors team, and GISD staff have analyzed the project's scope to identify areas where cost savings can be realized and these teams participated in multiple meetings to identify potential cost saving items. The realized savings do not alter the student learning environment, the ability to support student needs and maintains the districts vision for teaching and learning.

The PAC project and the FH projects are expected to begin in June 2026 with the FH being complete in summer 2027 and the PAC being complete in summer 2028.

GMP Total \$ 42,275,018.00

Consider Approval of Resolution to Engage MoakCasey, LLC. to Conduct an Efficiency Audit in Compliance with Texas Education Code §11.184

**Background Information:**

The District is currently evaluating the potential use of a VATRE to access additional Tier 2 funding under the state school finance system, with consideration being given to the November 3, 2026 uniform election to align with statutory timelines. This would allow the District to generate additional local revenue, subject to voter approval, to support District operations.

Texas law requires school districts to obtain voter approval to adopt a maintenance and operations (M&O) tax rate above the voter-approval tax rate through a Voter-Approval Tax Rate Election (VATRE), as established under Texas Tax Code Chapter 26.

Additionally, pursuant to Texas Education Code §11.184, a school district must conduct an efficiency audit prior to holding a VATRE. The statute further requires that the District

## BOARD AGENDA ITEM

select an independent auditor to conduct the efficiency audit not later than four (4) months before the date of the proposed election.

### **Attachments:**

YES

### **Superintendent's Recommendations:**

Administration recommends approval of the attached resolution naming MoakCasey, LLC to conduct the efficiency audit in accordance with Texas Education Code §11.184.

RESOLUTION

**WHEREAS**, state law requires that school districts seek voter approval to raise their maintenance and operations tax rate above a prescribed amount. The election is referred to as a Voter-Approval Tax Rate Election (VATRE); and,

**WHEREAS**, the Board of Trustees of Georgetown Independent School District (the “District”) finds and determines that it may be necessary and advisable to call and hold an election for and within the District to seek a VATRE; and,

**WHEREAS**, a VATRE must be held on a uniform election date. Because of the process required to adopt a tax rate, a District would hold a VATRE on the November 3, 2026 uniform election date; and,

**WHEREAS**, pursuant to Texas Education Code Section 11.184, the District must conduct an efficiency audit before holding a VATRE; and,

**WHEREAS**, the District must select an auditor to conduct an efficiency audit not later than four months before the date on which the district proposes to hold a VATRE; and,

***NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE GEORGETOWN INDEPENDENT SCHOOL DISTRICT:***

**SECTION 1.** That the facts and recitations contained in the preamble of this Resolution are hereby found and declared to be true and correct.

**SECTION 2.** The Board selects MoakCasey, LLC to conduct the required efficiency audit in conformance with the mandatory guidelines established by the Legislative Budget Board.

**SECTION 3.** MoakCasey, LLC will complete the audit within three months of its selection by the District to conduct the audit. The District will provide all documents, records, and personnel as needed to conduct the audit in an efficient manner.

**SECTION 4.** Not later than 30 days before the date of the VATRE, the District will post the results of the efficiency audit on the District’s website.

***APPROVED and EXECUTED*** this the \_\_\_\_ day of \_\_\_\_\_, 2026.

Purchasing Cooperative Program Management Fees Report

**Background Information:**

A law added by Acts 2007, 80th Legislature, requires that school districts disclose the amounts spent on purchasing cooperative fees on an annual basis. Specifically, it states:

Sec. 44.0331. MANAGEMENT FEES UNDER CERTAIN COOPERATIVE PURCHASING

CONTRACTS. (a) A school district that enters into a purchasing contract valued at \$50,000 or more under Section 44.031(a)(5), under Subchapter F, Chapter 271, Local Government Code, or under any other cooperative purchasing program authorized for school districts by law shall document any contract-related fee, including any management fee, and the purpose of each fee under the contract.

(b) The amount, purpose, and disposition of any fee described by Subsection (a) must

Approval of the Food Service Management Company Contract Renewal

**Background Information:**

In December 2021, GISD issued a Request for Proposals (RFP) for a Food Service Management Company (FSMC). In May 2022, we received Texas Department of Agriculture (TDA) approval, and Southwest Foodservice Excellence, LLC (SFE) was awarded a one-year contract with the option to extend the contract annually, not to exceed five terms. This will be the district's fourth and final one-year extension for the term July 1, 2026 through June 30, 2027.

RE: Food Service Management Company (FSMC) Renewal Approval for 2026-2027.

Name of Approved Vendor: Southwest Foodservice Excellence, LLC

Dear Devin Padavil,

The Texas Department of Agriculture (TDA) has received and reviewed the FSMC contract renewal documents for the 2026-2027 school year. The contract renewal, as submitted, is approved for execution. Approval does not mean clearance from compliance requirements within the submitted documents. Those will continue to be reviewed and assessed in future administrative and procurement reviews.

Changes to the contract are not permitted unless written approval from TDA is obtained before the contract is executed. Contracts that are altered or amended in any way may result in unallowed costs that require reimbursement from non-federal funds or a rebid of the contract.

Submit a copy of the complete contract, signed by all parties to SFA's Smartsheet dynamic view no later than June 18, 2026.

Contracts and supporting documentation including all procurement documents must be retained and are subject to review by the United States Department of Agriculture and other federal and state agencies. It is the School Food Authority's responsibility to ensure the Food Service operation is in compliance with regulations.

If you have any questions, please contact [FSMC@texasagriculture.gov](mailto:FSMC@texasagriculture.gov) or your Education Service Center (ESC).

Sincerely,

*Stephanie Robinson*
