I will not receive armor coat bids until March, when they lock oil prices in. NDOR is letting bids on HWY10 this fall. They are planning to hot mix the parking lanes going north through town. This will include the area past the park. If we want to include new curb and gutter we need to get the est. from the contractor later. However no curb and gutter will be added north of Q street. NDOR says it would cause drainage issues in the form of flooding.
