 - Specific subject matter – A brief description of the topic to be discussed **and**
 - Stated purpose – A statement of which section of the Nebraska Open Meetings Act applies
 - protection of the public interest; **or**
 - prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting.

- Return to South Campus
- The Presiding Officer declares return to open session,
- The Presiding Officer restates the limitations of the closed session
- Record the time returning to open session
- If necessary, take formal action and vote in open session

Reference/Background Information

Before the Meeting

- Confirm whether the planned subject matter is eligible for a closed session under Nebraska law. (e.g., superintendent or board president consultation with legal counsel).
- Prepare a brief summary of the topic to be cited in the motion.

Identify Lawful Purpose(s) for Closed Session

- Under the Nebraska Open Meetings Act, a public body (such as a school board) may convene in closed (executive) session only for specific, lawful purposes. Closed/Executive Session must be clearly necessary to ensure:
 - protection of the public interest; or
 - prevention of needless injury to the reputation of an individual and if such an individual has not requested a public meeting.
- Common reasons include:
 - Strategy sessions with respect to litigation, real estate purchases, pending or imminent.
 - Discussion regarding collective bargaining negotiations.
 - Discussion regarding the evaluation or job performance of a staff member (like the Board evaluation of the Superintendent), or for the prevention of needless injury to an individual's reputation (if that individual has not requested an open meeting).
 - Discussion concerning security personnel or devices.

Make a Proper Motion in Open Session

- Before moving into a closed session, a board member must make a motion in open session. The motion should include:
 - Specific Subject Matter – A brief description of the topic to be discussed (e.g., “to discuss litigation strategy regarding the [XYZ] lawsuit,” “to discuss negotiations with the local teachers’ association,” etc.) and
 - Stated Purpose – A statement of which section of the Nebraska Open Meetings Act applies (e.g., “to prevent needless injury to the reputation of a staff member” if evaluating job performance).
 - Example: “I move to go into closed session to discuss negotiations (subject matter) for the protection of the public’s interest (reason necessitating the closed session).” “I move to go into closed session to discuss a performance evaluation to protect the reputation of an individual and that individual has been notified and has not requested a public meeting.”

Vote on the Motion (In Open Session)

- Once the motion is made, the board president (or presiding officer) must call for a vote in open session.
- A majority of board members present must vote in favor of the motion for the board to legally enter closed session.

- The vote must be recorded in the meeting minutes.
- If the motion to close passes, the presiding officer shall restate for the record the limitation of the subject matter of the closed session immediately and prior to moving into closed session.
- Make a note of the time the board entered closed session (Board meeting minutes must include the entire motion, the vote of each member, time in which the closed session started and ended.)

Conduct the Closed Session Properly

- Board Members will close/lock any laptops and will leave their cell phones and any other media or recording devices at South Campus.
- The Board will move to another location to conduct closed sessions (typically the school library in the elementary school).
- Admit Only Necessary Individuals: During the closed session, typically, the board members, required staff (e.g., superintendent, board secretary), legal counsel, or others with relevant input may remain present. Anyone not necessary for the closed-session discussion is welcome to remain at South Campus until the board returns to open session.
- Discuss Only the Announced Topic: The board must limit the discussion strictly to the purpose(s) identified in the motion. Venturing into unrelated topics violates the Open Meetings Act.
- No Formal Action: The board cannot take final action (e.g., vote to approve a policy) during the closed session. Any vote or final decision must be conducted in open session.
- If, during the closed session, a member believes the discussion has strayed away from the reason or motion for the closed session, the board member may challenge the continuation of the closed session. If the board member believes the discussion is inappropriate, next steps:
 - If a challenge is made, the board will return to open session, note the time, and vote in public.
 - If a majority of the board members vote against the challenge to terminate [i.e., motion failed], the board will return to the closed session referencing the original motion to enter closed session, note the time, and continue.
 - If the challenge is made, it shall be reflected in the minutes, and it will list how each member voted.
 - If a challenge is made by a member and the board votes against it, the member making the motion should consider leaving the meeting if he/she believes the board is discussing material that is not relevant to the reason for the closed session. The board member may also return to the closed session.

Return to Open Session and Record in Minutes

- When the board finishes its closed-session discussion:
 - Reconvene in Open Session: The board president (or presiding officer) announces the end of the closed session, restates the limitations of the closed session, and reconvenes the open meeting.
 - Record the Time: The start and end times of the closed session must be noted in the minutes.

Document Compliance:

- The minutes should reflect:
 - The motion to go into closed session, including who made and seconded it.
 - The vote (roll call or otherwise) on the motion.
 - The statutory reason for the closed session.
 - The start time of the closed session and the end time when the board returned to open session.

Formal Action:

- If any formal action (e.g., a decision or vote) results from the closed-session discussion, that action must be taken in the open session so that it is publicly recorded.

HEMINGFORD PUBLIC SCHOOLS

Board Committee Report

Date of Report: April 28, 2026

Committee: Building Committee

Items Reviewed / Discussed:

The Building Committee met with the design and construction team to review updated design development documents, site considerations, exterior material selections, and updated project cost estimates for the proposed addition and renovation project.

The meeting began with a review of the current Design Development (DD) drawing set, including updated floor plans and project scope items that have been incorporated into the current estimate. The design team and construction manager discussed ongoing efforts to refine the design while maintaining alignment with the project budget and operational needs of the district.

Several discussions focused on the Career and Technical Education (CTE) addition and site logistics, including:

- Relocation of the existing maintenance shop building to a location west of the greenhouse
- Coordination with the Village regarding relocation of overhead power lines
- Maintaining sufficient turning radius and clearance near overhead doors to support vehicle and equipment movement
- Investigating the possibility of allowing buses or larger vehicles to maneuver through portions of the west side of the CTE addition area

The design and engineering teams also reviewed stormwater drainage and site utility considerations. Discussions included:

- Potential routing of roof drainage toward existing stormwater infrastructure
- Evaluating the capacity and flow of existing underground storm sewer lines
- Exploring options for directing drainage toward lawn or rock garden areas south of the building
- Retaining existing yard hydrants where practical

A significant portion of the meeting focused on exterior design concepts and material selections. The design team presented updated renderings and discussed:

- Use of phenolic panels on the north and south facades due to their durability, low maintenance requirements, and resistance to weather and hail damage
- Minimizing the use of exposed metal panel systems while maintaining visual interest
- Brick color options, including both red brick and tan brick schemes

Following discussion, the tan brick option appeared to be the preferred direction, as it provides a lighter and more contemporary appearance while remaining compatible with the existing campus aesthetic.

The design team also presented updated 3D renderings of the library and learning commons, including concepts for the stair/ramp configuration and circulation space. The committee expressed positive feedback regarding:

- The taller corridor design
- The inclusion of clearstory windows to bring additional natural light into shared spaces
- The open and collaborative feel of the library area

The construction management team then reviewed updated project cost estimates. Current estimates indicate:

- An estimated project cost of approximately \$10.275 million, compared to an earlier estimate of approximately \$9.9 million
- An overall increase of approximately \$375,000 during the ongoing design refinement process

The team discussed possible strategies for managing project costs, including:

- Evaluating alternate bid items
- Considering whether some items, such as the boiler replacement or ADA field access improvements, could be bid separately or identified as alternates
- Continuing to refine design documents and estimates rather than significantly reducing project scope at this stage

The committee generally expressed support for continuing to refine the current design while working collaboratively with the design and construction team to narrow cost estimates as the project advances.

Information for the Full Board:

The project continues to progress through the design development phase, with increasing attention being given to:

- Site and utility coordination
- Exterior materials and long-term durability
- Construction logistics and operational functionality
- Budget refinement and cost management

The committee continues to prioritize a design that balances:

- Educational functionality
- Long-term maintenance considerations
- Visual quality and campus consistency
- Fiscal responsibility

The updated renderings and material discussions reflect continued progress toward a finalized architectural direction for the project. In addition, the updated cost discussions indicate that the project team is actively monitoring estimates and evaluating options to maintain alignment with budget expectations while preserving key project priorities.

Recommendations to the Full Board:

At this time, the Building Committee recommends that the design team:

- Continue refining the current design development documents
- Proceed with additional evaluation of exterior material selections and site drainage coordination
- Continue collaborating with BD Construction on cost refinement and project budgeting
- Evaluate potential alternate bid items while maintaining the overall integrity of the project design

The committee will continue to provide updates to the Board of Education as the project progresses toward final design and bidding.

Section 3. Salary. The Superintendent's salary for the 2026-27 contract year shall be \$160,938, which shall be paid in 12 equal monthly installments beginning in the month of August 2026. The Superintendent's salary for the 2027-28 contract year shall be \$165,766, which shall be paid in 12 equal monthly installments beginning in the month of August 2027. The Superintendent's salary for the 2028-2029 contract year shall be \$170,738, which shall be paid in 12 equal monthly installments beginning in the month of August 2028. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

Section 5. Professional Status. The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

Section 6. Superintendent's Duties. The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, teaching, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

Section 7. Board-Superintendent Relationship. The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and shall be responsible for implementing Board policy. The Superintendent shall organize the

administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period of more than sixty (60) days, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

Section 10. Transportation. The Board shall provide the Superintendent with transportation. If a school vehicle is not available for use, the Board shall

reimburse the Superintendent for mileage required in the performance of official duties at the then-current IRS rate.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

- a. Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the District's carrier at the Superintendent's own expense.
- b. Paid Time Off (PTO).** The Superintendent shall have twenty-five (25) PTO days for the initial contract year which the Superintendent may use at times the Superintendent chooses so long as the absence does not interfere with the proper performance of the Superintendent's duties. PTO leave may be used for any purpose.

The Superintendent can accumulate up to 50 PTO days. After the Superintendent has accumulated 50 PTO days, at the beginning of the school year, the Board shall give the Superintendent the lesser of: (a) twenty-five (25) additional PTO days; or (b) the number of PTO days necessary to restore the accumulated total to fifty-five (55) days. The Superintendent shall develop a system for recording use of PTO days and shall keep such records current and on file in the District's central office. The Superintendent shall keep complete and accurate records of all PTO days and shall provide the Board of Education with a report of accumulated PTO days at least quarterly and upon request.

The Superintendent will not be required to use PTO leave days to attend conferences, seminars, or workshops or to perform other duties requiring the Superintendent's absence from the School District as long as the Superintendent's attendance at the conference, seminar or workshop is for the benefit of the School District. The Board may require the Superintendent to use PTO days and shall compensate the Superintendent for unused PTO days upon the conclusion of employment at a rate of **\$125.00** per day.

- c. Professional Development.** The Superintendent is expected to continue and seek professional development and to participate in relevant learning experiences. With the approval of the Board, the Superintendent may attend appropriate professional meetings at the local, state, and regional level; and the Board will pay for valid expenses of attendance. If the Superintendent

attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District.

- d. Professional Dues.** The District will pay the annual dues for the Superintendent's membership in the following organizations: American Association of School Administrators (AASA), International Academy of Educational Leaders (IAEL), Horace Mann League (HML), Nebraska Council of School Administrators (NCSA), and Western Nebraska Administrators (WNA), and Nebraska Schoolmasters.
- e. Cell Phone.** The Superintendent shall be required to purchase and maintain a cellular phone so that the Superintendent can be reached at all times for work-related emergencies or while away from school grounds during the work day. The District will reimburse the Superintendent up to a maximum of \$100.00 per month for the actual cost of a cellular phone service plan.
- f. Expense Reimbursement.** The Board shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$1,000 or more. The Board requires the Superintendent to inform the Board at each school board meeting of the Superintendent's travel schedule, if any, for the upcoming month. If the travel is unexpected or unplanned and the Superintendent does not have the ability to inform the Board prior to the travel, the Superintendent shall inform the Board President of the travel.
- g. Holidays and Non-Work Days.** The Superintendent shall receive the following paid holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. All days on the District's school year calendar which are designated as non-work days for teachers shall also be non-work days for the Superintendent. Summer break is excluded from this provision. The Superintendent may be required to perform duties on holidays and non-work days.

- h. Optional Benefits.** The Superintendent may participate in the District's optional employee benefit plans such as AFLAC consistent with the terms of that plan. Any contributions will be directed by the Superintendent. The Board does not contribute toward the Superintendent's participation in any plan.
- i. Housing.** The Board shall provide the Superintendent housing in the District-owned home. The utilities will be paid by the District.

Section 12. Residence/Domicile in District. The Superintendent shall establish domicile and principal residence within the boundaries of the District as they exist before the expiration of the first 6 months from the first duty day under the terms of this contract; and, the Superintendent shall maintain domicile and residence within the boundaries of the District during the term of this contract, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. It is the purpose of this paragraph to require the Superintendent to, live and maintain domicile and principal place of residence in the District to encourage the Superintendent: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the District as a legal voter of the District; (3) to be involved in school and community activities bringing the Superintendent in contact with parents and community leaders and be committed to the future of the District and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Superintendent; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which the Superintendent is the educational leader.

Section 13. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 14. Compensation Upon Termination. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract.

Section 15. Evaluation. The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the **regular November meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular October meeting**; if the evaluation will be conducted at a board meeting, make the Superintendent evaluation an agenda item for the regular **November** Board meeting during each year of this contract; and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 16. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the Superintendent acted in good faith and in a manner which the Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

Section 17. Physical or Mental Examination. The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of state and federal law, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

Section 18. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising the Superintendent of the alleged reasons for the proposed action and provided the opportunity to present the Superintendent's version of the facts. Within seven calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a due process hearing under section 79-832. If such a request is not delivered within such time, the action of the Board shall become final.

Section 19. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contact.

Section 20. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

Section 21. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

- Hemingford has been asked to host the summer Preschool Planning Region Team (PRT) meeting again. We hosted here at South Campus last summer, and since we have such a nice space, and are relatively centrally located in our Planning Region, they asked us to host again this summer! Due to this South Campus will be in use for this meeting on Wednesday, June 3, 2026. Early childhood representatives from the Chadron, Bayard, Sioux County, Gordon/Rushville, and Bridgeport school districts will be here, as well as people from the Chadron Community Hospital, Head Start, Western Community Health Resources (WCHR), and the Early Development Network (EDN).
- Natalie Wood and I have started working on the NDE ADVISER Validation Report, which is due June 15th. I enter/review all of our data for Special Education, 504, Title I, High Ability Learners, Option Enrollment, and Early Childhood. If you see Natalie Wood, please thank her for all her hard work in making sure everything is uploaded correctly to the Adviser system.
- This Thursday, May 14, 2026, I will be in Ogallala attending the NDE Early Childhood Special Education Teaching Strategies Gold Child Outcomes Workshop for Part C Indicator 3 & Part B Indicator 7. All Birth-3 and Preschool children (regular education and special education) must be assessed using the TS Gold Assessment with a data checkpoint date of May 31, 2026. Shari McClure and Michelle Hoxworth enter this data into the Teaching Strategies Gold system, and then I finalize the OSEP (Office of Special Education Programs) reports by June 15th. NDE contracts with UNMC to then contact each district to validate the data and make sure all the information is submitted correctly. The workshop in Ogallala is for District Administrators who are responsible for reporting on OSEP Indicator B7 and/or C3. This child outcome/TS GOLD data reporting is federally required by OSEP and impacts our district special education and PRT determinations, so we always want to hear what NDE has to say to make sure our data is submitted correctly.
- Let me know if you have any questions. Thanks so much!!

Revised May 2026

Superintendent's Report

May 11, 2026

Mission/Vision/Goals

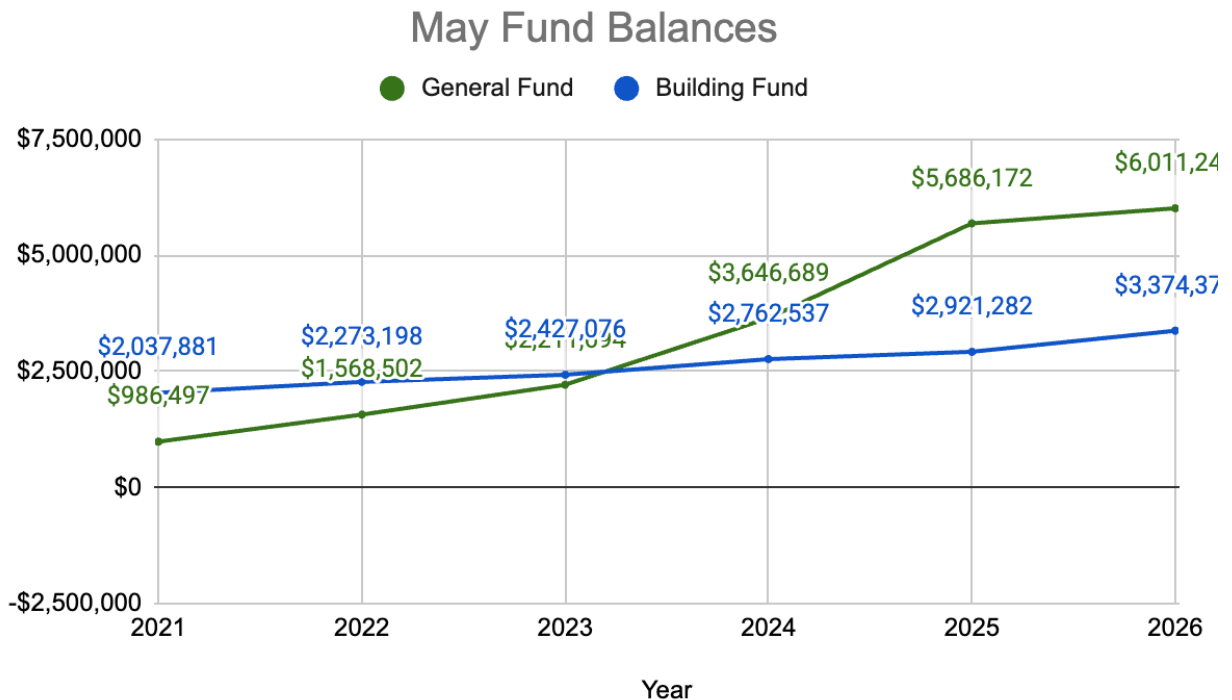

- During our upcoming in-service, teachers will review data from the school year and review progress toward our new goals for student growth in reading and math.

Policy

- The [policy manual](#) will be updated to reflect changes to policy on second reading at the May meeting.

Budget Planning and Management

- There is a significant positive balance in the general fund at this time, largely due to the timing of the school tax credit payments from the State of Nebraska (which reduces property taxes paid at the local level and helps provide state funding for the general and special building funds).
- Financial Data is up to date on the [Strategic Dashboard Indicators Page](#). Here is the monthly fund balance trend report for the General Fund and Building Fund:

Educational Leadership

- Information on dates and points of contact for summer school is attached.

Organizational and Cultural Leadership

- I would like to thank both MS and HS Student Councils and their sponsors, Ms. Katie Failor, Mrs. Bridget Johnston, and Mrs. Sam Gilkerson, along with Dave's Pharmacy and Mobius Communications, for sponsoring The Burger Pit (food truck) to provide meals for staff during Teacher Appreciation Week. The MS Student Council also provided a customizable drink station for staff in the lounge on one day of the appreciation week.

Professional Leadership

- I would like to thank Nurse Katie Kimball for leading a committee to review our wellness policy as part of the ongoing triennial wellness policy assessment.

Community Relations

- We are planning to publish a summer edition of the Bobcat Bits with information about youth opportunities associated with the school and in the community.

Board-Superintendent Relations

- Justin Ansley and I have been working on an updated Board Calendar (attached). Please let us know if you see anything that needs adjustment prior to implementation.

Strategic Plan (Highlights)

- Reporting order on these Principles is based on the Prioritization Summary:
 - **Guiding Principle III: Student and Staff Well-Being**
 - Counselors will be providing training to elementary staff on CharacterStrong Tier I classroom implementation during our inservice days.
 - Sandy Montague-Roes with Western Community Health Resources will be providing training to staff regarding resources available for staff and students.
 - **Guiding Principle I: Student-Centered Learning**
 - This is a busy time of year for our students. Today, staff from WNCC were here to provide an opportunity for students to take the Accuplacer exam, which helps students qualify to take various dual credit courses.
 - **Guiding Principle IV: Communication and Engagement**
 - Remind Conversations and Messages this past month: 39,212 messages. The Remind program will be closed down by the company ParentSquare. As a reminder, due to this change, our school district will be transitioning to the messaging service incorporated into/with PowerSchool.
 - **Guiding Principal II: Personnel Effectiveness**
 - Pending board approval, we will have our regular instructional staff hired for the 2026-2027 school year. We will be looking to fill the JAG program in partnership with JAG Nebraska. We have a couple of excellent potential candidates for the position.
 - **Guiding Principal V: District Resources**
 - We will be working get ready for the 2026-2027 school year budget with an eye on the 2027-2028 school year as the Legislature has created new required procedures for schools and other political subdivisions to follow with regard to budgeting.

Planned Professional Travel

- Panhandle Administrative Law Conference in Scottsbluff (June 1)
- Adaptive Schools Conference in Scottsbluff (June 2-5)
- I plan to attend student activities as my schedule allows.

Board Reminders (from the Contract with the Superintendent)

- **Evaluation.** The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the regular November meeting. The Superintendent shall: remind the Board members in writing of this provision no later than its regular October meeting; make the Superintendent evaluation an agenda item for the regular November Board meeting during each year of this contract; and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.
- **Renewal of Contract.** If a Board representative does not inform the Superintendent in writing on or before the seventh day after the regular December 2024 board meeting (and each December thereafter) of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of one year from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than its regular November meeting of each year of this contract and shall make the renewal of the Superintendent's employment contract an agenda item for the regular December board meeting during each year of this contract.
