Re: Three-Year Garbage Quote Recommendation

The current three-year garbage service with Uribe Refuse will end of September 30, 2026. We have asked for and received a quotation for either one- or three-year garbage services from the following haulers that serve our City. A breakdown of pricing is provided below:

Hauler	One-Year Total	Three-Year Total
Bel-Con Refuse	\$23,078.22	\$58,849.48
Uribe Refuse	\$16,476.00	\$44,424.00

**Note: Uribe did not quote Recycling Center 2-yard request; therefore, Bel-Con was adjusted to remove this line to allow for complete comparison of prices.*

Based on the quoted prices above, it is our recommendation the City enter into a three-year service agreement (10/1/26 – 9/30/29) with Uribe Refuse Services.

The forecast will not include a summary of significant accounting policies or other required disclosures not related to the significant assumptions.

A forecast presents, to the best of management's knowledge and belief, the City of Seward's expected financial position, results of operations, and cash flows for the forecast period. It is based on management's assumptions reflecting conditions it expects to exist and the course of action it expects to take during the forecast period.
