- **7.1.3 Gering Musician to Receive Award**

Rationale:

GERING MUSICIAN TO RECEIVE AWARD

Vanessa Woolsey, a junior at Gering High School, has been selected to receive the University of Nebraska Young Artist Award. Vanessa, who plays the alto saxophone, is a junior at Gering High School and participates in the concert, marching, and jazz bands, as well as the saxophone choir. She also performs with the Gering City Band and is captain of the GHS Color Guard. She was also selected to the High Plains Honor Band, the University of Wyoming Rocky Mountain Festival of Winds Honor Band, and as an alternate to the Nebraska Music Educators Association All-State Band this past year.

The Nebraska Young Artist Awards annually recognize Nebraska high school juniors who are talented in art, music, dance, theatre, or film and new media. These students have been selected based on the quality of their art and were selected by the UNL faculty to come to the University of Nebraska-Lincoln with their families as guests for a day of activities and awards ceremony. They see the campus, visit with UNL students and faculty, and get information about what a career in some area of the arts could be like. They are honored at a reception at the end of the day. This year's Nebraska Young Artist Awards Day will be Wednesday, April 3.

Vanessa was nominated by Randy Raines, Director of Bands at Gering High School.

7. Action Items

7.1. Summer 2013 Computer Upgrade

Meisner explained that IT Director Lionel Newberry had met with the Business Committee to review updates regarding workstations for staff and students, as well as an infrastructure wireless upgrade. The department has performed minimal upgrades over the last two years due to higher priority district expenditures. One hundred twenty eight staff members and 133 students will have upgraded equipment, which is expected to cost \$174,756.94. The infrastructure upgrade, which includes switches, routers and cabling, will take place mainly at the High School but will improve connectivity between the High School and the Jr. High. Cost is expected to be \$59,492. The Business Committee recommends the approval of both purchases.

Motion Passed: passed with a motion by Mike Brunner and a second by Brian Copsey.

Mike Brunner	Yes
Brian Copsey	Yes
Alan Doll	Yes
BJ Peters	Yes
Dr. Jerry Upp	Yes
Mary Winn	Yes

7.2. Approval of 2013-2014 School Breakfast and Lunch Prices

Meisner explained that the Business Committee recommends a secondary breakfast and lunch price increase. The implementation of the School Food Authority's Healthy, Hunger-Free Kids Act of 2010 requires the district to serve more fresh foods, vegetables and whole grains, which caused the cost of lunches served to go up over the last year. In order to keep the cafeteria account in good standing, the district needs to increase secondary lunch and breakfast prices by a quarter. Scottsbluff Public Schools are also increasing their prices due to the same issue. Peters confirmed that the Hunger-Free Kids Act has affected budgets nation-wide.

Motion Passed: passed with a motion by Mary Winn and a second by Dr. Jerry Upp.

Mike Brunner	Yes
Brian Copsey	Yes
Alan Doll	Yes
BJ Peters	Yes
Dr. Jerry Upp	Yes
Mary Winn	Yes

7.3. Second Reading of Special Education Board Policies

Doll asked if anyone had any questions and/or changes regarding NDE's recommended Special Education policies.

7.3.16. 612.16 - Over-Identification and Disproportionality

7.3.17. 612.17 - Prohibition on Mandatory Medication

Motion Passed: passed with a motion by Mike Brunner and a second by Alan Doll.

Mike Brunner	Yes
Brian Copsey	Yes
Alan Doll	Yes
BJ Peters	Yes
Dr. Jerry Upp	Yes
Mary Winn	Yes

7.4. Acceptance of Resignation Letter (Beam)

Peters stated that he placed this consent agenda item to the regular action items in order to recognize Beam's years of service at Gering and said that he is looking forward to working with her at ESU#13 in her new role. Doll echoed Peter's comments and stated that Beam's heart has been in the right place and expressed his appreciation for everything Beam has done for the Gering Public School District.

Motion Passed: passed with a motion by BJ Peters and a second by Mary Winn.

8.2. Curriculum Committee Meeting Minutes

Peters explained that the highlight of the Curriculum Committee Meeting was a discussion about changes to the district's High Ability Program. Options are being examined and discussed to prevent school day disruptions for elementary students.

8.3. Personnel Committee Meeting Minutes

Winn explained that the Personnel Committee discussed business that is dependent on enrollment numbers for next year. The committee reviewed information on building secretary hours and duties.

8.4. Facilities Committee Meeting Minutes

Upp explained that the Facilities Committee met at the central office before touring the Jr. High facility. The committee met with Freshman Academy Assistant Principal Kraig Weyrich and Jr. High Principal Dora Olivares. Weyrich presented information regarding security system updates. Weyrich will investigate the success of WNCC's system. Handheld radios are now in use throughout the district. The committee examined the building and helped determine what are immediate needs. The committee then reviewed potential summer projects, as well as short and long term projects. The committee feels that one top priority at the building should be improved ventilation in the boy's locker room, which should be repaired during the upcoming summer months.

8.5. Business Committee Meeting Minutes

Copsey stated that the Business Committee met and reviewed information pertaining to Title IV, district Booster Clubs and their Bulldog accounts. It was determined that communication to coaches has been improving. Activities Director Glen Koski is developing regulations about spending fundraised monies on specific activities or programs. The committee reviewed computer and infrastructure information, reviewed financial reports and discussed increased secondary breakfast and lunch prices.

8.6. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of March, 2013 by specific funds are as follows:

Meisner reviewed March revenues and expenditures in detail. Fund balances were also reviewed.

8.6.4.1. Financial Statement for March 2013

8.7. Student Services Report

Student Services Director Candy Hubbard was not in attendance. A written report was not provided.

9. Superintendent's Report

Hague informed everyone the Cedar Canyon Principal Betty Smith was in Boston during the marathon bombings but is ok. Hague explained that May 1st is the last date that the district can accept resignations without having to find a suitable replacement before acceptance. The district's Administrative Offices will move to a new location on April 25th and 26th. Hague intends on spending the next six weeks planning for next year.

10. Board Comments

Peters said it is an exciting time to be a Gering Bulldog. He is proud of the district's kids and staff. Winn said that the district's musical was outstanding and very unique, which had five leading roles. Copsey reminded everyone that, as spring sports start, it is an exciting time and that academic success is truly laying the path for future success. Copsey stated that he is proud to be from Gering. Upp said he can see how test scores have gone up, along with accomplishments. He feels that this stems from keeping kids active and in successful groups. Brunner reiterated that it is a good time to be a Bulldog and he feels that the year will be finished in a strong manner. Doll stated that he feels Gering has a great group of kids and he feels blessed to have the staff that is in place and expressed appreciation for all that they do for kids. District accomplishments are proof positive of efforts being made at each building. He also feels that district students are humble, which speaks volumes of the work district educators and administrators are doing.

11. Tentative Committee & Meeting Dates

The Personnel Committee Meetings have been changed to the second Tuesday of the month and will be held at 4:30pm. Doll reminded committee members to find a replacement if they are unable to attend a meeting.

6. Patron Comments

6.1. The Board recognizes the importance of citizen participation in school business. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the Board shall set a 3 minute time limit per patron, not to exceed a total of 30 minutes for all comments.

7. Reports & Discussions

7.1. Recognition of Accomplishments

Jr. High School Principal Dora Olivares provided praise for the Jr. High custodians and their hard work at the building over the summer. Olivares stated that the building is the cleanest that she has ever seen it and returning staff noticed the difference, which seems to have boosted staff morale.

7.2. Curriculum Committee Report

Peters informed the Board that the Curriculum Committee discussed test scores. The committee's intent this year is to focus on the Language Arts Program. Superintendent Hastings also shared his philosophy and plans for new district technology with the committee. The committee will be reviewing specific test scores in-depth at their next meeting and will provide a follow up to the full Board.

7.3. Facilities Committee Report

Upp stated that the Facilities Committee met at the Jr. High and Freshman Academy in August. A tour of the facility was provided and summer work was reviewed, including the window project and the boy's locker room ventilation. Doll feels that outsourcing specific summer projects freed up district staff for other projects.

7.4. Business Committee Report

Copsey provided a recap of the Business Committee Meeting, where they reviewed the district's bill listing, financial statements, discussed a custodial contract, and discussed budget goals and long range planning. The Board wishes to involve Administrators during this planning so they can hear first-hand how the budget affects their needs and desires.

7.4.1. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of July, 2013 by specific funds are as follows:

Meisner provided a verbal recap of district revenues and expenditures. He stated that he would review and provide additional information on a different fund each month. This month the cafeteria fund was reviewed in detail. Free and Reduced lunch reimbursements will increase during the 2013-2014 school year and the quantity of free lunches provided to various staff has been reduced.

7.4.1.1. Trial Balance Summary

7.4.1.2. Fund Balances

7.4.1.3. Schedule of Investments Held

7.4.1.4. Financial Statement

7.4.1.5. Revenues: General Fund=\$507,027.38; Depreciation Fund=\$573.83; Cafeteria Fund=\$3.94; Activities Fund=\$8,847.77; Fees Fund=\$0.

7.5. Personnel Committee Report

Winn provided a summary of the Personnel Committee Meeting to the Board. Time was spent reviewing the negotiated agreement. Superintendent Hastings provided a new perspective and suggested removing unnecessary policies from the agreement. Winn asked for suggestions from non-committee members. Meisner provided information on a 2.5% classified staff pay raise. A draft copy of the classified staff handbook was distributed for review.

7.6. Student Services Report

Student Services Director Candy Hubbard distributed an update to the Board prior to the meeting. Specific items covered included information about a secretarial staff meeting regarding student registrations. Hubbard also provided class size estimates.

7.7. Summer School Report

Northfield Elementary Principal Betty Smith shared a Summer School Program summary, including the overall cost of summer school (\$26,235.66) and attendance figures. Smith explained the identification process which is done in March of each year by reading coaches, teachers and/or principals. An invitation is then extended and parents determine if their student will participate or not. Staffing needs are determined by the number of participants. Summer School was held for 3 weeks in June and for 3 weeks in July at Lincoln Elementary this year instead of holding it at multiple sites and it worked well according to Smith. Subjects taught at Summer School include reading and math. A test is provided at the end of the program to determine growth. Smith explained that less than half who are invited actually attend the Summer School Program.

7.8. Superintendent's Report

Superintendent Hastings hosted a Welcome Back Meeting for all staff on August 15th. He mentioned that he was excited to meet and speak with staff. Hastings shared his vision for education in Gering and his plans to integrate more technology. His intentions are to utilize and adopt Google Apps to replace the district's current email system. This switch would provide the district with access to collaboration and free tools that can be used to better develop a 21st Century education. Hastings plans to meet with the Board of Education, community members, staff and students to determine specific district needs.

Hastings stated that the Gering District will continue its support of the TeamMates Mentoring Program. This is a program where adults meet with their mentees at least once a week to help develop the student's strengths and career plans. The Gering District will provide \$6,000 in funding this year. Gering is approaching 50 matches between adults and students.

Hastings reminded board members that the State Education Conference will be held in LaVista on November 20th through the 22nd and asked that they contact Lisa Frahm before Labor Day if they wish to attend.

Discussions about budgets and goal planning have begun. Hastings asked that the Board meet at 5:30pm on Monday, September 9th after the Business Committee Meeting to begin goal setting for a 12 month, and a 3 to 5 year plan.

Hastings reminded the Board that NASB's Marcia Herring will be in Gering in October or November to continue work with the Board and Superintendent to better define roles and to assist in goal setting. This meeting will likely take place during evening hours or on a Saturday morning and is expected to last approximately 4 hours.

8. Recommendation to Enter into a Hearing for Fee Waivers

Hastings explained statutory requirements necessitate that the district have a public hearing to discuss fee waivers on an annual basis. Meisner provided information on fee waivers and distributions, which included the fee fund for various activities. Included in his materials was a listing of waivers for students at the High School and Jr. High. There were no fee waivers at the elementary level.

10.5. Recommendation to Approve the 2013-2014 Classified Staff Handbook

Brunner provided suggestions that he would like to see incorporated into the Classified Staff Handbook. Specific recommendations included language in the "Hiring" section, language pertaining to long term disability insurance and the removal of language in the "Leaves" section. A discussion about the buy-back rate for sick leave from classified staff was held. Meisner stated that he would present information at the next Personnel Committee Meeting regarding this change from a 100% to 60% buy-back rate. The number of paid Holidays was also reduced by two, which makes the handbook more in-line with the Scottsbluff District. Language about severance pay was removed and the Board discussed use of cell phones by both staff and students. Winn provided her suggested changes/updates prior to the Board Meeting.

11. Tentative Committee & Meeting Dates

Winn informed the Board of a VALTS Board Meeting scheduled at 6pm on September 12th at the Harms Center. Dr. Jerry Upp has been added to this Board since Gering is the largest participant now.

It was determined that the Facilities Committee will meet at Cedar Canyon in September.

Doll reminded all Board Members to find a sub if they are unable to attend their committee meeting(s).

12. Board Comments

Upp welcomed Superintendent Hastings and stated that, from what he has heard and seen, he is impressed and appreciates Hasting's efforts.

Brunner said that he has seen a new level of enthusiasm from staff since the Welcome Back Meeting. He feels good, as a Board Member, for hiring someone who can make this district as great as it can be and looks forward to seeing morale and school spirit get back to where it once was.

Winn explained that she had the opportunity to attend the Welcome Back Meeting and enjoyed Superintendent Hasting's message. She appreciates his sense of humor, his spontaneity and how he brings up issues and acknowledges them. Winn also commended Brad Staman of the Gering Courier for their positive coverage of

the district and for assembling another annual calendar that is distributed free of charge.

Doll expressed his gratitude for Superintendent Hastings and informed the Board that he and the Superintendent are having lunch together once a week. He feels that Hastings has outstanding visions for short term, medium term and long term plans.

7.1.6. Four Wrestlers sent to State Tournament in Omaha

7.1.7. High School Art Teacher Ryan Bosche sends high school art students to each After School Program site to do an art project with the students once a month. These art programs occur on Wednesdays and the students and staff LOVE them.

7.1.8. Mike Smith was selected as the Western Nebraska Wrestling Officials Sportsmanship Referee of the Year.

7.1.9. Lincoln Elementary raised \$1,154.04 for the "Pennies for Patients" Program.

7.2. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of January, 2013 by specific funds are as follows:

Meisner explained that the Business Committee met and reviewed bills for the month. Meisner reviewed expenditures and revenues with the full board.

7.2.1. General Fund - \$280,757.41; Depreciation Fund - \$17,301.12; Cafeteria Fund - \$67,176.61; Activities Fund - \$39,551.66; Fees Fund - \$900.00.

7.3. Student Services Report

Candy Hubbard provided information about district programs and the number of students involved in various programs. Hubbard reviewed the total student population, SPED program numbers (birth thru 21) and locations. The referral process was explained. Hubbard explained that there are a total of 14 slots available to Gering in the VALTS program and the district is utilizing 13 of those. The Bridges to Success/TCAP (behavior program) and GAP numbers were reviewed. Hubbard explained that the district has 202 students opting in and 200 opting out. Hubbard stated that the Student Services department performs a file review every 5 years. Information on the NebMAC time study was provided. She also stated that she continues to look for a physical therapist for next year. Hubbard explained that a BIST consultant will be visiting soon. She provided information on Kindergarten and Pre-Kindergarten registration and professional development.

7.4. Curriculum Committee Meeting Minutes

Peters recapped the Curriculum Committee minutes. Specifics covered included a visit with the social studies group, VALTS program changes and ways to improve or restructure the high ability program for next year. The Curriculum Committee also serves as the district's designated Americanism Committee.

7.5. Personnel Committee Meeting Minutes

Winn provided a recap of the Personnel Committee Meeting. Topics of discussion include the signature of a Negotiated Agreement Health Insurance Addendum. Hague distributed projected numbers for elementary classes at the meeting, where it was reviewed and discussed. Winn informed the Board that incoming Superintendent Bob Hastings will be making personnel decisions for next year.

7.5.1. Confirmation of 14 Slots at VALTS (Report by Curriculum Committee)

Doll asked that the Board confirm the number of VALTS slots. Hubbard addressed in Curriculum Committee and said that 14 slots is on track.

7.6. Facilities Committee Meeting Minutes

Upp provided a recap of the Facilities Committee meeting. A Summer Food Service Program will be provided by the district on a trial basis during summer school. Upp provided an update on the purchase of the Western Heritage Facility. KENO funds were also discussed. Activities Director Glen Koski submitted a "wish list" to the committee for review. The committee also prioritized the district's Master Facility Plan for long term projects. Window replacement at the Jr. High was determined to be a top priority. Building security was also determined to be of top priority.

7.7. Business Committee Meeting Minutes

Doll explained that Business Committee questions had been answered. Adjusted lunch costs were also discussed.

7.8. GNSA Representative(s)

Hague informed the Board that he has always tried to go to GNSA meetings in Lincoln and if he is unable to attend, Business manager Tim Meisner attends in his place. Board member Winn has also had the opportunity to attend these meetings. Hague explained that this group is comprised of Superintendents but board members are encouraged to attend. Frahm will provide a calendar of events so each member would have the opportunity to sign up and attend the meetings. Hague explained that he normally leaves on Tuesday at noon and returns Wednesday evening.

8. Superintendent's Report

Hague would like to see the Gering district continue with the joint Board suppers. He explained that the recent In-Service was great. The closing date for the new administrative offices is March 15, 2013. Incoming Superintendent Bob Hastings will be in Gering during the last week of March. Hague stated that he is assisting Kimball with their Superintendent search. Hague will be on vacation for the next four days. The Directors will be in charge during his absence.

9. Board Comments

Winn read a letter that she had written for the Star Herald's Editorial page regarding a recent article coving Gering's win at a Speech Meet accompanied by a photo of the Scottsbluff Speech Team.

Peters said he feels the divide between Scottsbluff and Gering is wider than it needs to be and feels that cooperation between neighboring districts should be sought.

Upp said that he heard comments at the join supper that the two Boards should meet on a quarterly basis rather than an annual basis.

Doll said he thought the inter-local meeting was great and provides an opportunity for the two Boards to work collectively.

10. Tentative Committee and Meeting Dates

Hague suggested that committee members who are unable to attend a committee meeting seek a substitute to attend in their place rather than rescheduling committee meetings.

7.3.1. Gering Citizen Submission

Jerry Purvis was present to represent the Gering Citizen.

7.3.2. Gering Courier Submission

Kay Grote, Editor of the Gering Courier and a Gering parent, stated that the Courier is committed to covering the school district as fairly and objectively as possible.

7.3.3. Star Herald Submission

Jim from the Star Herald, which also owns the Gering Courier, reminded the Board that it is a daily paper that covers the entire panhandle. Their

rates are set by the state, and they offer flexibility in publishing. He also added that the Star Herald has more subscribers in the Gering zip code than the other two papers combined.

7.4. Recommendation to Enter into Contract for Real Estate

Miles asked what the status of the Master Facility Maintenance plan was. Doll explained that the district was not actively looking to relocate, but the opportunity to purchase the Western Heritage Credit Union facility was presented. After touring the property, the Facilities Committee reviewed funding to see if the purchase was feasible. The district entered into purchase negotiations and made an offer, which was accepted. The City of Gering declined to exercise their Right of First Purchase. Funding will come from the Special Building Fund, which is levied, and will occur over a lease purchase covering 7 years. The cost per square foot is under \$50. The district would be unable to construct a facility for that amount. Doll explained that this is a good opportunity for the district to improve the face of Gering Public Schools and is in the best interest of the district in the long run. The current central office does not offer the image that the district wishes to put forth. The new location will serve the district for decades. Doll also stated that the district office will be a good neighbor on Main Street since a significant amount of traffic travels through. The Board acknowledged that this is not the best time to purchase real estate, however the Board felt they needed to act on this opportunity. Winn added that the current central office is not ADA accessible and is not conducive to community relations. There is also no storage space available. Staff parking was also addressed. Hague reviewed recent expenditures on other district buildings. Peters stated that he will vote "no" due to the timing of the purchase. Copsey added that the IT department, which is need of additional space, will be moving out of the Freshman Academy and into the current central office area.

Motion passed with a motion by Alan Doll and a second by Brian Copsey.

6. Patron Comments

6.1. The Board recognizes the importance of citizen participation in school business. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the Board shall set a 3 minute time limit per patron, not to exceed a total of 30 minutes for all comments.

7. Reports & Discussion Items

7.1. Recognition of Accomplishments

7.1.1. The Gering Citizen Newspaper has published a 2013-2014 Calendar. These calendars are on sale for \$5 and 100% of the proceeds will be donated to the Gering High School Booster Club.

Lisa Betz of the Gering Citizen presented their 2013-2014 Calendars, which are on sale for \$5 each. All proceeds will be donated to the Gering High School Booster Club. Specifics about the calendar were discussed.

7.2. Activities Eligibility Update

High School Principal Eldon Hubbard distributed an excerpt from the High School Staff Handbook related to eligibility for NSAA student activities. It states that if a student is failing a course, that student must work with their instructor or attend ELO classes. The student must also provide their coach or sponsor with evidence that that procedure has been followed. Failure to do so will result in ineligibility for that week. Activities Director Glen Koski will cross reference the down list to assure those needing help receive it. Koski will also have access to I Campus so that he may review grades for all activity participants and follow up with coaches and/or sponsors. The original Activities Handbook was adopted eleven years ago and has been revised several times. Hubbard indicated that Activity Directors had a difficult time embracing the Activities Handbook, therefore this information is being inserted into the Staff Handbook for easy access for coaches and sponsors. The High School's Student Handbook underwent a significant re-write last year and it now includes activity participation information, thus providing this information to parents as well. Hubbard indicated that this information will now be included in the Staff Handbook also. Non-staff coaches and sponsors will be provided with this information. Hubbard stated that policies and rules have been removed from the handbooks and are now referenced.

7.3. Curriculum Committee Minutes

Peters provided a recap of the Curriculum Committee meeting, where they discussed ordering of language arts materials and reaffirmed that the Curriculum Committee will make language arts a priority.

7.4. Facilities Committee Minutes

Upp informed the Board that the Facilities Committee met at the City of Gering's softball diamonds to discuss the school district utilizing these fields instead of the fields at the Carpenter Center. The City initially expressed interest in the district using the fields east of pool, however after examining these fields the Committee would prefer to utilize fields 4 & 5 just south of the pool, as those fields provide lighting, bleachers, parking and access to public restrooms. Minimal work would need to be done to fields 4 and 5, such as the installation of higher lighting and fencing. The Committee asked that Koski coordinate a meeting between the City's Parks & Recreation Committee and the district's Facilities Committee for further discussion.

Upp also stated that Koski approached the Committee for support in seeding the empty field north of the High School. This area could then be used for soccer and football practice. District staff is looking into sprinkler costs for this location.

Hanson provided an update on summer maintenance projects.

7.5. Business Committee Minutes

Brunner provided a recap of the Business Committee Meeting. The bill list was discussed and the Committee would like to see more detail listed on purchase orders when purchasing curriculum items.

Other topics of discussion included district financial reports and elementary and Jr. High student handbooks. The Committee reviewed annual audit bids, discussed upcoming negotiations and reviewed contracted maintenance projects. The proposed Interlocal Agreement with the City regarding district use of the council chambers.

7.6. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of June, 2013 by specific funds are as follows:

Meisner presented the financial report to the Board. Fund revenues and expenditures were reviewed. Peters inquired about the recently presented school finance workshops, specifically a monthly tracking report that shows balance comparisons and trends. Peters asked the Business Manager to provide that info on a regular basis. Hastings stated that he will develop financial priorities, cash reserves, long term data and future goals.

7.6.1. Trial Balance Summary

7.6.2. Fund Balances

7.6.3. Schedule of Investments Held

7.6.4. Financial Statement

7.6.5. General Fund=\$1,527,587.32; Depreciation Fund=\$381.46; Cafeteria Fund=\$43,407.91; Activities Fund=\$11,677.09; Fees Fund=\$300.

7.7. Student Services Report

Hubbard emailed her report to the Board ahead of time and had Megan Patterson from the high ability program on hand. Patterson said she believes the district is moving in the right direction by providing instruction time and enrichment activities after school. Hastings said the district will identify specific needs to find what works best for students and the community. The process will start with identification of truly high ability students via cognitive assessments.

7.8. Superintendent's Report

Hastings expressed his interest in having contact with community and staff. He is interested in identifying areas of strengths and weaknesses throughout the district and plans to send a survey to all staff, students with emails, parents and community members. Hastings feels this would be a good first step to assist him in identifying goals. Hastings thanked the central office staff for their recent assistance and stated that he is looking forward to his first year.

7.9. Board Comments

Upp expressed his appreciation to High School Principal Hubbard for opening up the High School during Oregon Trail Days so alumni could take a tour while in town for class reunions.

Doll stated that the district support of the City Band and band director Randy Raines means a lot to the people of the community. Platte Valley Companies provided the band with matching shirts this year.

6. Patron Comments

6.1. The Board recognizes the importance of citizen participation in school business. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the Board shall set a 3 minute time limit per patron, not to exceed a total of 30 minutes for all comments.

7. Action Items

7.1. Discussion of Proposed Changes and Recommendation to Approve Changes to 2013-2014 High School Student Handbook

Brunner recapped previous policies regarding extra-curricular activity participation and failing grades. Current policy states that if a student is failing two or more classes, that student is not allowed to participate in extra-curricular activities until at least one grade is brought up. High School Principal Eldon Hubbard explained to the Board that this same policy used to state that students could not participate in activities if they were failing one class. Hubbard also provided background information about the down list and associated rates. Hubbard reviewed the mechanics of making up grades and explained how students became fearful of losing the opportunity to participate in activities and may choose to take less rigorous courses in their class schedule to ensure participation. Hubbard invited the Board to review Scottsbluff Public School's policy, which he briefly recapped. Winn, who was a teacher prior to retirement, explained that she agrees with Hubbard's reasoning behind the decision to have this policy remain as it is and believes that activities urge students to try harder. Copsey stated that he would like to see Infinite Campus updated on a regular to keep grade information current. Copsey stated that he has heard from parents that feel the policy should be more strenuous. Doll agreed, stating that he believes kids rise to the occasion. Brunner deferred to Winn's years of experience and agreed that she would know what is best for the students. Winn also suggested that coaches and sponsors strongly encourage failing students to attend after school learning programs provided by the district. Brunner reminded the board that practice times have been adjusted to allow for after school work/tutoring. Copsey suggested reviewing the activities handbook to accommodate students who need additional assistance with their school work. The suggestion was made to require ELO attendance for students who are on the down list and if they don't attend that student would be ineligible to participate. Winn suggested that failing students should work one on one with the teacher of the class in which they are down either before school or prior to practice. Hubbard will look into offering an ELO class in the morning. Winn brought some grammatical errors in the handbook to Hubbard's attention. Activities Director Glen Koski stated that agrees with Hubbard, stating that he has seen it done many ways but prefers to allow for 2 classes, as he has actually seen students take lesser classes in order to participate in activities. Koski added that the addition of study halls seems to help students get their grades up. Doll reiterated that the Board's goal is to provide an education first. Peters reminded everyone that the Gering grade scale is higher than some others in the area and that this fact should be taken into consideration.

Motion Passed: passed with a motion by Mike Brunner and a second by Mary Winn.

7.2. Recommendation to Designate the Superintendent of Schools to Authorize Option Application Waiver of Deadline Date

Superintendent Hague explained that, by Board policy, the deadline for accepting Option Applications in March 15th. He has identified classrooms that could allow additional students to attend through the Option Program. In order to accept these option applications, the Board designated the Superintendent of Schools as an authorized representative of the Board to waive the deadline date. Class sizes and availability are always examined prior to option application approval.

Motion Passed: passed with a motion by Mike Brunner and a second by Brian Copsey.

8. Reports & Discussion Items

8.1. Recognition of Accomplishments

8.1.1. Rochester Institute of Technology Teacher Recognition

Winn provided additional details about this nomination. This is the 2nd time this teacher has been nominated.

8.2. Curriculum Committee Minutes

Peters provided a recap of the Curriculum Committee meeting, stating that they received a "sneak peak" of the writing scores. All three levels of testing in Gering are above state averages.

8.3. Facilities Committee Minutes

Doll provided a recap of the Facilities Committee meeting, which was held at Lincoln Elementary. A building tour was included on the agenda. The facility has been in use for one year now. The district continues to monitor the air handling unit, as it has not been formally commissioned yet so the warranty has not yet begun. The district is holding summer school at the facility to test the system during the summer months. A

commissioning visit will occur on June 20th and June 21st. Hague will meet with incoming building Principal Pam Barker on the 21st to review the visit.

The Committee reviewed the summer maintenance list and schedule and determined that the district does not have the manpower to accomplish all projects, so the district will enlist the help from local businesses to tackle tasks. Depreciation funds will be used to fund these projects.

8.4. Business Committee Minutes

Copsey provided a recap of the Business Committee meeting. The group approved the distribution list for May and reviewed financial reports, including the cafeteria fund. Thompson Glass is expected to begin work on the Jr. High window replacement project very soon and should be done prior to the beginning of school. The committee also reviewed the proposed changes to the 2013-2014 student handbook for the High School. The committee also made a recommendation to hire a replacement custodian.

8.5. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of May, 2013 by specific funds are as follows:

Meisner provided a recap for the month of May, when real estate tax income was received. Total revenues and expenditures were reviewed in detail and fund balances were discussed.

8.5.1. Trial Balance Summary

8.5.2. Fund Balances

8.5.3. Schedule of Investments Held

8.5.4. Financial Statement

8.5.5. General Fund=\$3,396,134.51; Depreciation Fund=\$147.04; Cafeteria Fund=\$80,896.94; Activities Fund=\$32,456.07; Fees Fund=\$3,520.00.

8.6. Student Services Report

Student Services Director Candy Hubbard submitted her report via email to Board members for their review prior to the meeting. Class numbers were reviewed, student services forms were discussed, submitted reports were reviewed and staff procedures and student assistance teams were discussed. Future topics were also provided.

8.7. Superintendent's Report

Hague provided information about his recent AdvancED training, displayed a plaque that he received and encouraged board involvement with this group. Hague stated that he had received the letter of accredited for the 2013-2014 school year. He reminded the Board that the district is currently advertising for a part time Careers teacher and a district nurse. Hague reviewed his schedule and let the Board know that he would be meeting with incoming Superintendent Bob Hastings this week. Hague thanked the Board for their past and current support as he finishes up his 44+ years in the education field. Hague also wished the Gering Public School District the best in the future.

8.8. Board Comments

Peters stated that the VALTS Board held a meeting and approved next year's budget. ESU has absorbed most of the program's administration. Peters stated that Gering will need to appoint an additional representative to the VALTS Board since Gering will have the most number of slots since

Scottsbluff Public Schools will offer their own program next year. Peters thanked Hague for his years of service to the district.

Winn told Hague that he is the 6th Superintendent she has worked with and expressed her appreciation of how Hague took the time to get to know every employee in the district, no matter what title they held. She also thanked him for his recognition of State Mock Trial participants when they won the State Competition.

Copsey told Hague that is has been a pleasure to work with him, thanked him for all he has done for Gering Public Schools and gave him his best wishes.

Brunner stated that he had been on the School Board for 10+ years and told Hague that he is leaving the district in better shape than it was before his arrival.

Doll said that it is exciting to see former students returning to the district as teachers. Doll expressed his true appreciation for the 12 years of service that Hague put in and told him that he represented Gering Public Schools very well. Doll then presented Hague with a framed photo of Chimney Rock from the Board.

5. Patron Comments

5.1. The Board recognizes the importance of citizen participation in school business. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the Board shall set a 3 minute time limit per patron, not to exceed a total of 30 minutes for all comments.

Tracy Henderson, parent of a Cedar Canyon student, addressed the Board regarding the movement of 5th and 6th grade students to Lincoln Elementary for the 2013-2014 school year. Henderson expressed concerns about district transparency and the lack of communication. She stated that she is disappointed in the lack of parental involvement in this decision. Henderson also feels that it was inappropriate for local media to announce the story prior to parents being notified. She expressed concerns about how this move will affect Cedar Canyon families who have more than one student in the district, citing inconvenience and safety issues. Henderson asked that the move be reconsidered until incoming Superintendent Bob Hastings and parents have input. She suggested

erecting a modular unit to accommodate the needed space so students would not have to transfer to Lincoln.

Katherine Larson, parent of district students, also expressed concern about the decision to move Cedar Canyon 5th and 6th grade students. She stated that parents should have received information and advance notice from the school prior to the public announcement.

Crystal Newton read a scenario about finding out this news from a student's point of view. Newton expressed her appreciation of Cedar Canyon staff and Principal Betty Smith. Newton served on the Board of Education for Cedar Canyon prior to its merge with the Gering Public School District and stated that their Board at that time would seek input from parents whenever a change was made. She reviewed the level of patron participation for the Lincoln Elementary bond. Newton asked how the plan to erect a modular at Cedar Canyon changed to moving students instead.

Doll expressed his appreciation to the parents for their comments and stated that communication in this matter was a colossal failure. Doll acknowledged that the movement of students was not communicated well however it was not a board decision; it was an administrative decision. Doll explained that the Facilities Committee realized that classrooms at Lincoln Elementary were not being fully utilized and that it would be financially prudent to utilize this space instead of spending additional funds on an addition at Cedar Canyon to address space and safety issues. District administration felt that this move would be in the best interest of the students. Doll encouraged parents to speak with Superintendent Hague directly to express their concerns.

Hague stated that the news of the student transfers was not intended to become public knowledge until communication to the public explaining the rationale of the movement had been made from Central Office and/or Cedar Canyon. Hague confirmed that the decision has been made at this point in time. He confirmed that Cedar Canyon will not be closing and will become a K-4 facility.

Brunner explained that the proposal was discussed at the Facilities, Business, Curriculum and Personnel Committee meetings, which are open to the public. It was also explained that the Board does not choose what classes are housed in which buildings. That is a decision made by the superintendent and district administration. Incoming Superintendent Hastings has had input in the movement of students discussions. Hague stated that it is a budgetary issue and the district needs to utilize the space that is already available. This movement of students will also cut down on transportation expenses.

Alan Doll	Yes
BJ Peters	Yes
Dr. Jerry Upp	Yes
Mary Winn	Yes

6.2. Approval of Jr. High Window Project Bid

Copsey informed the group that Thompson Glass was the sole bidder on the Jr. High window replacement project. The bid was more than the architect had projected, however it is due to the use of a different type of glass, which is more energy efficient. Because of this glass, staff won't need shades in the classrooms. Additional costs were also associated with a quantity miscount. These will be the same type of windows that were installed at Lincoln Elementary. The project is expected to be done by the end of summer. Meisner explained that the depreciation account is in good shape but he would like to do an analysis prior to the installation of tiles and/or carpet at other locations. Total project cost is expected to be around \$149,000.00.

7. Reports & Discussion Items

7.1. Recognition of Accomplishments

7.1.1. High School Cheerleader Voice Mail from Sidney Schools (received by S. Seiler)

7.1.2. Gering High School Band members are carrying a consistently high GPA (details to be provided by Band Director Randy Raines)

7.1.3. Gering Musician to Receive Award

7.1.4. Panhandle Coop and Mainstreet Market presented Geil Elementary with a check for \$1,000 after students turned in receipts totaling over \$100,000. An assembly and celebration to honor them and their contribution was held.

7.1.5. Congratulations to the District Speech Team the Bulldog Barkers! They were named Champions at a recent B-6 District Speech Contest. Next stop is the State Competition in Kearney.

7.1.6. Lincoln Elem. hosted a Family Night on February 28th. Families were informed on the different tests their students would be taking and how they could help their students prepare for these tests. On March 12th, the 5th and 6th grades put on the music performance "On the Radio" to a packed house.

7.1.7. National Honor Society Inducts New Members (see attached)

7.1.8. Northfield is recognizing the outstanding efforts of 3rd grade students and Mrs. Rose on the musical performance on 3/7.

7.1.9. Gering DECA will be attending Nationals in Anaheim, CA on April 23-28.

7.2. Curriculum Committee Meeting Minutes

Peters recapped the Curriculum Committee meeting, where social studies materials were reviewed and VALTS information was discussed. Current Lincoln Elementary Principal George Schlothauer will be assuming VALTS leadership next year. The committee also discussed the proposed Purpose & Direction Statements, which were previously called the District's Vision & Mission Statements.

7.3. Personnel Committee Meeting Minutes

Doll recapped the Personnel Committee meeting on behalf of Winn, who was absent from the March Committee meeting. The committee reviewed the proposed Purpose & Direction Statements. Meisner led a discussion regarding the EHA open enrollment. Hague spoke about the LEED Gold Plaque Ceremony at Lincoln Elementary. The committee discussed classified staff benefits and reviewed a local array. A new Classified Handbook with benefits that take effect in September will be developed as a draft for incoming Superintendent Hastings to review. Doll stated that the committee also discussed Administrator raises, the movement of Cedar Canyon students and accepted a letter resignation.

7.4. Facilities Committee Meeting Minutes

Upp recapped the Facilities Committee meeting. The proposed Purpose & Direction Statements were reviewed, the LEED Gold Plaque Ceremony at Lincoln Elementary was discussed and approval for the Jr. High window bid was discussed. Hague recommended the movement of 5th and 6th grade students from Cedar Canyon to Lincoln Elementary to utilize classroom space at the latter building. The committee met with High School Principal Eldon Hubbard and Activities Director Glen Koski and toured the High School facility. The committee reviewed both short and long term plans for the building and may make revisions to the long range plan, as priorities at the High School are locker room renovations and track repair or replacement.

7.5. Business Committee Meeting Minutes

Copsey recapped the Business Committee meeting. The group reviewed the proposed Purpose & Direction Statements, reviewed the distribution listing, financial reports and fund balances. Meisner explained that building budgets would be reviewed by the Administrative staff. The Jr. High window replacement project was discussed, as was activity department equipment and inventory. Mileage reimbursements were discussed and will be sent to the Policy Review Committee for review in March. Staffing recommendations for the 2013-2014 school year were also discussed.

7.6. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of February, 2013 by specific funds are as follows:

Meisner reviewed general fund revenues and expenditures, building fund revenues and expenditures, depreciation fund, qualified capital fund, fee fund & expenditures, employee benefit fund, activity fund revenues and expenses and cafeteria account revenues and expenditures.

7.6.1. General Fund=\$133,269; Depreciation Fund=\$0; Cafeteria Fund=\$53,968; Activities Fund=\$19,503; Fees Fund=\$900.

7.7. Student Services Report

Student Services Director Candy Hubbard shared information regarding kindergarten and preschool registration numbers and section plans were reviewed. Hubbard distributed a handout and shared information about the birth to age two program. The information focused on utilizing the early development network, funding opportunities, Rule 51 guidelines, IDEA, Part

C age ranges, Part B age ranges, areas of development that are behind so interventions can begin, referrals, EDN service coordinators, the notification process, time frame of entire process, coordination, scoring, intervention teams (who they are), determination of areas of evaluation, complete evaluations and the MDT conference. If an IFSP is written, it is reviewed every 6 months and updated. If an IFSP turns into an IEP (Part B) when the student turns age 3, they will continue to be served in our preschool or their home during the school year. Current participation numbers were provided. Future projects include discussions about the HAL program, sharing of a draft plan with the Curriculum Committee in April and the beginning of transition meetings between Elementary and the Jr. High. Hubbard reviewed upcoming reports, professional development and future topics for the Student Services report.

8. Superintendent's Report

Hague displayed the LEED Gold Certificate for Lincoln Elementary. This facility is the first and only LEED Gold school-building in the state. Hague confirmed that he will communicate movement rationale to parents of Cedar Canyon 5th and 6th grade students who are moving to Lincoln Elementary for the 2013-2014 school year. Hague also explained that, due to the budget crunch, the district is looking into a plan to absorb staff so there will be no reduction in force next year. Hague reminded everyone that Severe Weather Week is next week. He is leaving for GNSA and GNS meetings on Tuesday and will return on Friday.

9. Board Comments

Doll stated that he and Brunner attended the VALTS Graduation Ceremony. This program offers students an alternative plan to receive their education. The program will be adjusted to better prepare those students who plan to enter the work force directly after school.

Peters said it was great seeing Gering students excel in the National Honor Society and at the DECA Conference. These are both great career building experiences.

Copsey provided recognition for so many academical strides and hopes to gain community support for upcoming fundraisers.

Brunner mentioned that it was nice to see some different faces in the audience. Several student teachers were in attendance.

Winn stated that she had served as the Director for the B-6 Speech meet and thanked Gering Courier Editor Brad Stamen for his attendance and for writing a great article for the newspaper. Winn stated that the Gering Citizen did a good job of reporting as well. Winn suggested that DECA jackets be purchased before the Gering team heads to the National DECA Competition.

Upp reminded all that Gering students are attending DECA National in only the 2nd year of the program. Upp also expressed his appreciation of local media coverage about the District Speech team. He also expressed his appreciation to the parents who attended the meeting.

Doll expressed his appreciation to those in attendance and thanked them for their comments. Doll admitted that the district failed to adequately communicate to Cedar Canyon parents about the movement of 5th and 6th grade students to Lincoln Elementary. Doll stated that it was a good decision to hold soccer at the high school football field.

10. Tentative Committee & Meeting Dates

Doll reminded board members that if they are unable to attend a committee they should find their own replacement. If a replacement can't be found, they should contact Frahm at Central Office and let her know.

8.1.12. Coach Lisa Freeburg led the Gering Girls Soccer Team to qualify as a #6 seed for the State Tournament.

8.2. Curriculum Committee Minutes

Winn informed the Board that the Curriculum Committee received a great presentation from Media Specialist Annie Boggs. Boggs discussed the utilization of Kindle Readers. It is expected that these readers will eventually replace library and text books.

8.3. Facilities Committee Minutes

Upp stated that the Facilities Committee met with Brian Sweeney regarding bids for concrete and stadium drainage. Drainage bids ranged from \$21,000 to \$42,000. The Committee discussed how this project may affect the Jr. High physical education classes. Discussions will continue at the next committee meeting. Bids to add concrete to the North East corner of the High School for additional staff parking ranged from \$23,000 to \$30,000.

8.4. Business Committee Minutes

Copsey said that the Business Committee had approved the distribution listing for April. The school district has received a request from the City of Gering to help fund projects in the Council Chambers, to include upgrading electronics, video and audio capabilities. Their quote was \$45,000. The Business Committee approved a \$10,000 contribution with the condition that some type of written communication be developed to ensure district use of the facility in the future. The committee also discussed a potential summer food program, district secretary hours and other hours within buildings for budget purposes. The Committee opted to not approve a concrete bid at this time however this project will be listed on the district's Master Facilities Plan. The Committee did approve the bid for drainage at the football/soccer field.

8.5. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of April, 2013 by specific funds are as follows:

Because Meisner was out of town, Hague confirmed that the Business Committee reviewed district financial reports at their most recent meeting. Hague stated that funds are in good shape however there will be a challenge with no state aid coming in during the last two months of the year.

8.6. Student Services Report

Student Services Director Candy Hubbard provided a verbal recap of a packet that was emailed to Board members earlier. Topics of discussion included Special Education program numbers as of May 17, 2013, referral information, home visits, evaluations and testing. Kindergarten numbers were reviewed, as were test scores and grants. Hubbard also shared highlights from her staff about the program's successes.

8.7. Superintendent's Report

Hague invited Board members to attend Friday's Service Awards at the High School. Board members are encouraged to hand out pins and thank staff for their dedication.

8.8. Board Comments

Winn attended an Elks Banquet earlier in the month and stated that they had some great awards and scholarships for Gering students. The VALTS graduation was also very nice. Winn encouraged all to read the article on Jesse Neugebauer.

Brunner thanked district staff for their hard work and dedication this year. He also encouraged all to keep Oklahoma tornado victims in their prayers.

Upp provided kudos to staff who attended graduation parties. He feels that this says something about the staff and their excellent relationship to students. The Gering Graduation Ceremony was awesome. Upp also thanked the track coaches and commended them on their choice for Male Track Athlete of the Year.

Copsey thanked the staff for their hard work during the school year and reiterated that Gering had a great graduating class.

Doll expressed appreciate of staff efforts throughout the whole year. He enjoyed the mass band concert and Freshman Banquet. He also appreciates the Drug Testing Policy that was implemented this year; he sees it making a difference.

7. Reports & Discussions

7.1. Recognition of Accomplishments

7.1.1. High School Construction Class Project

go to: <http://t.co/qVAsEBbS1C> to view video

High School Principal Eldon Hubbard encouraged the Board to visit the High School's web page to check out a local media link that provides information on the High School construction class constructing two houses on the old McKinley Elementary School property as a class project. Vocational Teacher Bob Anderson has participated in these class projects for about twenty years.

7.2. Curriculum Committee Report

Peters explained that the Curriculum Committee held its annual Americanism Committee Meeting in September. Peters explained that state statute requires each district to recognize the role of the constitution and its importance in day to day lives. The committee will review test scores and share information as it becomes available next month.

7.3. Facilities Committee Report

Upp explained that the Facilities Committee met at the High School to review maintenance work that had been done over the summer months, areas of concern and short and long term goals. The committee examined the new weight room floor, new tiles in the hallways and the auditorium sound system. The committee feels that a fundraiser may be a good option to assist in the purchase of new seating in the auditorium. The committee also discussed district-wide technology speeds.

7.4. Business Committee Report

Brunner stated that the Business Committee met on September 9th, however Chairperson Copey was unavailable to attend. Freshman Academy Assistant Principal Kraig Weyrich presented information on a keyless entry/swipe system for security purposes. A system is expected to be installed at the Jr. High over the December student break and the Jr. High will serve as a pilot building for this project. The committee reviewed the August bill listing and financial records.

7.4.1. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of August, 2013 by specific funds are as follows:

Meisner reviewed the fund balances.

7.4.1.1. Trial Balance Summary

7.4.1.2. Fund Balances

7.4.1.3. Schedule of Investments Held

7.4.1.4. Financial Statement

7.4.1.5. Revenues: General Fund=\$232,764.01; Depreciation Fund=\$442.74; Cafeteria Fund=\$26,144.98; Activities Fund=\$8,422.37; Fees Fund=\$0.

7.5. Personnel Committee Report

Winn sent out summary to the Board after the September Personnel Committee meeting. The committee determined that the district should review its human resources department and processes so Administrative Assistant Frahm has been contacting other districts within the state to examine their practices. The committee also discussed employee evaluations.

7.6. Superintendent's Report

Hastings stated that he plans to meet with ESU's Penny Businga to discuss a state pilot program that focuses on employee evaluations. Training will be a big piece of this program.

Hastings informed the Board that a Committee of State Senators is studying the way taxes are implemented in Nebraska. This study will have an impact on state funding. Hastings invited anyone who is interested to a hearing at the Harms Center on September 23rd from 4pm to 7pm.

The Education Committee is working to determine a better way to implement State Aide in education. Hearings will be held in October.

Hastings reminded the Board to let Frahm know if they want to attend the State Education Conference by Wednesday so she can get everyone registered.

9. Tentative Committee & Meeting Dates

Winn recommended that the Personnel Committee meetings be moved to the first Wednesday of each month.

Upp will send out an email to determine the next meeting date for the Facilities Committee.

Doll encouraged everyone to find a substitute if someone is unable to attend a committee meeting.

10. Board Comments

Upp stated that he loves seeing Government class students in attendance and invited them to attend anytime.

Winn asked that district administration inform Hastings or Frahm of any significant items taking place at the building level so that it can be shared with the board. The quarterly VALTS meeting took place and Winn stated that she is excited by the direction VALTS is taking under newly appointed George Schlothauer. Winn informed the board that Schlothauer is available to attend a board meeting if desired to discuss the VALTS program.

Peters reminded everyone that the district's vocational classes provided excellent lessons for students and thanked the vocational class teachers for their contributions and team efforts.

8. Discussion Items

8.1. First Reading of Board Policy 606.06 - Acceptable Use of Computers, Technology and the Internet

The topic of cyber bullying was added. This copy is for the staff to sign off on. The student's copy will be in the student handbook, which is scheduled for approval at the May Board Meeting. Staff is currently attending a workshop to work out the personnel details.

8.2. First Reading of Board Policy 801.06 - Student Transportation for Extracurricular Activities

8.3. First Reading of Board Policy 801.07 - Summer School Program Transportation Service

8.4. Building Committee Meeting Minutes

Doll explained that the Building Committee met and toured the Lincoln building, where construction efforts are going well. The crew will be very close in meeting their May completion deadline.

8.5. Personnel Committee Meeting

Miles stated that the Personnel Committee met and has scheduled NSBA and McPherson & Jacobs to present their Superintendent Search Services proposal at the July work session.

8.6. Facility Committee Meeting

Brunner explained that the Facilities Committee met at Cedar Canyon for a tour of the facility. Possible expansion was discussed.

8.7. Business Committee Meeting

Copsey explained that the Business Committee met and reviewed the bills. The purchase of a replacement dishwasher at the high school was approved. New cafeteria tables at the Jr. High were also approved. The committee recommended approval of a contract for Infinite Campus.

8.8. Curriculum Committee Meeting

Winn stated that the Curriculum Committee reviewed the amount of time spent on language arts, science, math, etc. and compared the time to other elementaries within the state. The committee also met with district elementary principals to review time spent on reading. The committee wants to ensure all teachers are spending equal amounts of time on content areas. High School Principal Hubbard shared information about dual credit classes via Chadron State College. Hubbard also explained that 9th grade classes may be offered at the high school for students to make up credits. Jr. High Principal Olivares reported on how kennel is working, along with schedules. The Elementary principals provided science curriculum information. The committee would like to survey teachers to see how much time is spent on the curriculum. The Committee is also concerned about elementary students having an afternoon recess. Elementaries are currently within 5 to 10 minutes of each other in teaching times.

9. Superintendent's Report

Hague reminded the board that there will be a Policy Review Committee meeting on April 30th. The topic of discussion will be the random drug testing policy, which will have its first reading at the May Board Meeting. Hague explained that student and staff handbooks are also reviewed in May. Although one position at the high school was filled (see consent agenda), staff continues to interview for the remaining open positions.

10. Board Comments

Winn provided kudos to Activities Director Dave Pauli for attending the State Speech Meet. Winn also informed the Board that The Best of the Best will be airing at 9:00am this Sunday. Winn also stated that the musical was outstanding this year. Copsey expressed his appreciation to Dave Pauli for attending the GNAC Soccer Tournament. Peters provided a "Good Job" to teachers Stobel, Kin and DeMaranville for doing a wonderful job on the musical. Doll congratulated the 8th graders who won the recent Quiz Bowl. Faculty advisors were Kleager and Hadenfeldt. Brunner distributed a page focusing on "10 Tips for Board Members".

11. Tentative Committee & Meeting Dates

The Personnel Committee Meeting is pending at this time. The Facilities Committee will meet at the new Lincoln building. Winn may take Doll's place during that meeting.

11. Discussion Items

11.1. Recognition of Accomplishments

Recognition of Accomplishments is a new item on the agenda and will allow any board member to acknowledge any outstanding performers within the district.

11.2. Curriculum Committee Meeting Minutes

Winn provided a brief recap of the Committee Meeting. A style guide that provides uniformity for style expectations was discussed. Content addition for an English I Honors Class was discussed. The Social Studies

basic curriculum is anticipated to be rewritten by December, 2012. The district will then address pacing and assessments, which should be done by April, 2013. The district will also be utilizing new standards in its common core.

11.3. Personnel Committee Meeting Minutes

Miles led a discussion that focused on the districts open position for an occupational therapist, which is a mandated position. Various options to fill the position were discussed. The Committee examined four different self-assessment forms and opted for an NASB form that was emailed to the full board last week. The Board has been asked to complete the self-assessment and submit their results to Frahm prior to August 31. The Committee reviewed its previous goals and discussed the upcoming superintendent search.

11.4. Business Committee Meeting Minutes

Although Copsey was not able to attend the Business Committee Meeting due to a scheduling conflict, he provided a recap of the meeting via meeting minutes.

11.5. Facilities Committee Meeting Minutes

Doll stated that the Facilities Committee met at high school during August and reviewed recent projects. Doll stated that the high school is "sparkling" right now with the replacement of windows and the addition of concrete for parking on the east side of the building. The concrete is hoped to alleviate moisture issues. Items that still need to be addressed include the ceiling between the school and the gym and a storage building that is scheduled for completion in September. A new sidewalk on west the side of the tennis courts has also been installed. The committee discussed the creation of one cleaning standard throughout the entire district. Hillyard is expected to be in Gering on August 23 to ensure all practices are being implemented at each facility. The summer work orders were also reviewed.

11.6. NASB State Education Conference

November 14-16, 2012

La Vista Conference Center/Embassy Suites

Co-Sponsored by the Nebraska Association of School Boards and the Nebraska Association of School Administrators

Registration for the NASB State Education Conference in November opens on September 11th. Frahm will register the full board plus one spot for the new Board Member on that date.

11.7. Employee Drug Testing

Miles stated that the Personnel Committee discussed random drug testing for students in activities and wanted to see how the other Board Members felt about pursue random testing for coaches & sponsors. The other option would be to implement a pre-employment drug testing policy. If either option is pursued, Gering would be the first district implement such a policy. Copsey said that he firmly believes there should be testing for all coaches and sponsors, even if a coach or sponsor is not employed by the district. Copsey expressed his desire to move forward with such a policy. He feels we should have the same standards for both students and coaches/sponsors. Winn agreed with Copsey but expressed concerns over litigation costs with the current budget. Doll agreed with Copsey and feels it is unfair to hold students to higher standards than we hold coaches, sponsors and teachers. Doll mentioned that there are Legal Foundations that are willing to get involved in the implementation process. Peters stated that, at a minimum, a pre-employment drug test would be a good idea. He suggested having coaches and sponsors submit to a drug test on a voluntary basis. Copsey stated that the cost of

litigation is no more important the student safety. The Personnel Committee will continue to discuss this item.

11.8. Self-Assessment

Each Board Member will complete a self-assessment form and return it to Frahm by the end of August for compilation.

11.9. Goal Setting Session

Each committee has set their own goals. A special work session will be held at 5:30pm in September to review these goals. A Budget Hearing will be held at 6:45pm.

12. Superintendent's Report

Hague reminded everyone that the start of school is on August 21st. The start dates for various grade levels is staggered this year to ease congestion. Enrollment numbers were distributed and reviewed and the Option Program for many grade levels has hit capacity. There will be 8 sections of kindergarten this year. Hague stated that there is a good chance that the Gering will house over 2,200 students during the 2013-2014 school year. This is the first year that the entrance age for kindergarten has been implemented. Hague stated that each committee will be asked to submit their meeting place preference, which will be reviewed by the full Board in September.

13. Board Comments

The Board welcomed back both staff and students and wished all a great year.

9. Discussion Items

9.1. Recognition of Accomplishments

9.1.1. Scott Marsh and his 14-member team were at Geil Elementary on December 5th to work with the After School Program students. He is also donating a Wi System and the Dance game to the school. Everyone will have access to it. Scott and Jill are great supporters of Gering Public Schools!

9.1.2. Mike Smith received the 2011-2012 Western Conference Middle School Male Coach of the Year

9.1.3. Congratulations to 10 seniors for receiving 2011-2012 Western Conference Scholar Athletes Awards.

9.1.4. Congratulations to 9 Athletes for Receiving All-Conference Selection for 2012-2013 in Volleyball, Football and Softball

9.2. First Reading of Board Policy 801.12 - Student Transportation in Private Vehicles

9.3. First Reading of Board Policy 801.14 - Transportation Records

Although the district no longer maintains records on buses, records are still kept on district vehicles, such as the Suburbans and Cars used for travel.

9.4. First Reading of Board Policy 801.15 - Use of Video Cameras on School Buses

The Board recommended changing some language on this policy prior to approval. This policy will be re-submitted for first reading in February.

9.5. First Reading of Board Policy 802.01 - School Food Program

9.5.1. Board Regulation 802.01R1 - Food Services Prices

9.6. First Reading of Board Policy 802.03 - Collection of Money and Food Tickets

9.7. First Reading of Board Policy 802.04 - Food Service Records and Reports

9.8. First Reading of Board Policy 802.05 - Free or Reduced Cost Meals Eligibility

9.9. First Reading of Board Policy 204.9 - Rules of Order

Winn explained that this was a recommended change suggested at the NASB New Board Member Training session.

9.10. New Superintendent Contract Language

Miles explained that the Personnel Committee, with guidance from NASB and a school attorney, is reviewing a new two-year Superintendent Contract. Winn commended Miles for his time and dedication to this project. Copsey suggested setting a limit on district funded due and meetings. This contract will be provided to each candidate during the interview process.

9.11. Superintendent Search Interview Schedule

The Board's Regular Board Meeting in January is scheduled for the 21st. Four finalists are expected to be selected for Superintendent Search interviews. The Board Meeting will be held at an earlier time in January to accommodate these interviews. Each candidate will then interview with Certified Staff, Classified Staff, and Administrators the next morning followed by a community tour led by the outgoing Superintendent and a luncheon with selected community members at the Civic Center. The same process will occur for each candidate.

9.12. Curriculum Committee Meeting Minutes

Winn provided a recap of the Curriculum Committee Minutes.

9.13. Personnel Committee Meeting Minutes

Miles said that their time has been spent on the development of a new Superintendent Contract. Pre-employment drug testing for substitute teachers and volunteer coaches was reviewed. The Committee is in the process of reviewing the Classified Staff handbook. An Addendum to the Negotiated Agreement regarding insurance was developed.

9.14. Facilities Committee Meeting Minutes

Doll explained that the Committee met at the Aurora facility to review surplus sale items that were to be sold at a public auction. The committee reviewed building needs at Cedar Canyon, specifically the placement of the library on the stage. Jr. High lighting and window replacement were discussed. The Committee plans to reprioritize the Master Facilities Plan at their January meeting.

9.15. Business Committee Meeting Minutes

Copsey informed the Board that the Committee reviewed the audit report from Dana F. Cole and company. The results were favorable; however there will be a budget shortfall so the Committee is seeking any suggestions or opportunities to cover this shortfall. The Committee reviewed the district's bill listing and will discuss the cost of sports banquets with the Activities Director at their January meeting. Copsey gave a "shout out" to Anita Russel, who is the warehouse assistant, as she has been finding multiple ways to cut costs in the maintenance and warehouse departments.

10. Superintendent's Report

Hague informed the Board that his next news article will focus on safety in schools. Hague also plans to review the district and individual building safety plans at the next Administrator's Meeting. Hague explained that he will be out of the office on vacation from December 21st until January 3rd.

10.1. GNSA - January & February 16th, 2013

Hague invited anyone who is interested to attend this meeting.

11. Board Comments

Winn stated that the Lincoln Elementary Christmas Show that was held at the High School auditorium was amazingly entertaining. Winn also mentioned that when she subbed for Ryan Bosche, an Art Teacher at the High School, he had included emergency procedures in his sub plan, which was greatly appreciated. Winn encouraged each principal to provide that information to their substitutes.

Peters thanked Russ Hamer, the District's Technology Coordinator, for assisting a parent who was having problems negotiating Infinite Campus.

Doll stated that he spent time monitoring reading groups in progress at Northfield Elementary. He said it was a good visit led by Reading Coach Becky Michaels. Doll reminded the Board that the High School band will perform on Thursday evening at 7:00pm.

Peters reminded the Board that they will host the Annual Board Meeting Supper with the Board from Scottsbluff. The supper will take place at Lincoln Elementary, followed by a tour of the facility. The Board will then head to Central Office to hold their Regular Board Meeting.

Brunner reflected on the recent tragedy in Connecticut.

8. Discussion Items

Winn mentioned that Scottsbluff has set their graduation date and time as the same as Gering and asked if the calendar was adopted by the board if that date would be flexible, and it would. High School Principal Hubbard will work with Scottsbluff district next year to ensure that the times are staggered even if graduation is held on the same day. Lisa will change the 2012-2013 School Calendar to reflect the time as "TBD". It was pointed out that Gering's date has remained consistent throughout the years and that Scottsbluff has changed their date. Miles requested information about early release days.

8.1. Project Extra Mile Presentation

Lynette Richards, Project Coordinator for Project Extra Mile, extended an invitation to the Board to participate in an American Athletic Institute training session. A brief biography of the presenter was given. This is the 3rd year he has been presenting and this year focuses on policy makers. The training will be offered via distance learning on Tuesday, March 20 from 11:30am to 1:00pm. The training can be received through any distance learning room in the school system. Richards reviewed the agenda and encouraged everyone on the board to participate. Brunner stated that he feels this is a timely topic and Richards confirmed that the presenter would be able to answer questions pertaining to the district's new drug testing procedures. There is no cost to attend the training, as funding is provided through Region I Prevention.

8.2. First Reading of Board Policy 502.03 - Entrance Admissions

Brunner referred to Board Policy 205.02 - Policy Adoption - and declared the adoption of Board Policy 502.03 - Entrance Admissions - be considered emergency under 205.02 as it has a deadline of March 1st. The delay on approval stems from a language change in the fourth paragraph. Policy 502.03 will be included on the March agenda for a second and final reading.

Motion Passed: be approved under emergency policy clause of policy 205.02. Passed with a motion by BJ Peters and a second by Mary Winn.

Mike Brunner	Yes
Brian Copsey	Absent
Alan Doll	Absent
Jody Miles	Yes
BJ Peters	Yes
Mary Winn	Yes

8.3. Building Committee Meeting

Peters recapped two building committee meetings. The first meeting consisted of a morning walkthrough for the committee. Peters stated that he is pleased with the progress at the Lincoln construction site. Peters informed the Board that the 2nd floor classroom side is moving along quickly. The ceiling grid is in place and now the data lines are being pulled. Most of the rock work is completed and the crew is now painting. The windows have been installed and there will be lots of color throughout the facility.

8.3.1. Turf Options

Discussions were held pertaining to the playground area at the new Lincoln Elementary. Peters personally prefers real grass but understands that other options may be considered. Used artificial turf, which may be cost effective, is also being examined. Hague stated that the Building Committee could make the decision or the full board could make the call. Concerns in using real grass include traffic, winter maintenance, sprinklers, daily use and wear, maintenance expenses, etc. Concerns in using turf include a lack of warranty, cost of installation and drainage systems. The district may receive a donation from KENO if they work with turf. Buffalo Grass has been considered but has been deemed unable to stand up to the rigors of daily traffic on the playground area but will be utilized in other aspects of landscaping. Miles questioned Principals Mary Kay Haun from Geil and Pam Barker from Northfield, as one has grass and one has turf. Haun stated that the turf is working well and is easy to maintain. The area is primarily used for soccer, but does serve other purposes for students. Barker stated that the grass is a cost issue. The grass has held up to the traffic but required quite a bit of maintenance during the summer months and weeds are also an issue. Brunner determined that the Board will leave the decision up to the Building Committee, but would like the committee to gather advice from outside sources, as well as previously worked with contractors. Winn suggested utilizing the Panhandle Extension Center. Schlothauer expressed his desire for turf, as it would allow for a cleaner entry into the building from the playground, thus avoiding mud, gravel, etc.

8.4. Curriculum Committee Meeting

Winn stated that the Curriculum Committee met twice in February. On February 2, the committee received presentations from Tyler Thompson and Broc Brown. Thompson's topics included essay information and literature coordination with other classes. Brown presented a summary of the first year of marketing class

and DECA. A clearing house report was given by High School Principal Eldon Hubbard. Data on past Gering classes was also examined. The school calendar for 2012-2013 was reviewed, as was the requested movement of 9 third graders from Geil Elementary. The second meeting was held on February 14th, when Curriculum & Assessment Director Terri Martin provided information on interventions at various levels in preparation for numerous tests this spring. District travel and conference attendance was discussed. After a joint meeting with the Scottsbluff Board of Education, the district learned that Scottsbluff may withdraw from VALTS. Winn stated that the committee has asked Hubbard and Assistant Principal Shawn Seiler to determine alternative programs for Gering.

8.5. Business Committee Meeting

Brunner informed the board that the Business Committee received a visit from a Booster Club representative who shared concerns about the Club attaining their own 501(c)3. District auditors have requested these club funds be separated from district finances. An After School Program Quarterly Report was submitted from Cedar Canyon Principal Betty Smith. District bills and financial reports were reviewed. Also discussed was the purchase of playground equipment, furniture, BenQ's, antivirus software and turf. Lincoln change orders and the 2012-2013 school calendar were also examined.

8.6. Personnel Committee Meeting

Miles stated that the Personnel Committee met on February 8th. Brunner sat in for Peters, who was absent that day. Winn has also joined this committee. Miles explained that legal counsel for the district was in attendance to answer questions regarding changes in teacher negotiations and to provide clarification. The sick leave bank was discussed, which may flow thru the Policy Review Committee. Booster Club accounts were discussed and the district is on schedule with staff evaluations.

9. Superintendent's Report

Hague told the Board that there will be some important meetings next week, including Policy Review, and a joint meeting between the Business Committee and the Scottsbluff Board of Education to determine the future of bussing within both districts.

10. Board Comments

Winn enjoyed the joint meeting with the Scottsbluff Board of Education and found it helpful. Winn was a judge at a speech meet in Alliance and encouraged anyone who is interested to tour their fine arts facility.

Miles co-chaired a Lions Club game and thanked both Gering and Scottsbluff districts for their support.

Peters thanked Martin for her work in bringing a climate survey to district parents, staff and students. The last survey was taken approximately two to three years ago. This instrument will assist in gauging how the district is doing "in their eyes".

Brunner expressed his disappointment that Miles did not re-file for another term on the Board. Brunner encouraged anyone who was interested to serve on the Board of Education to file at the courthouse.

6. Patron Comments

Darren Duncan asked the Board to review the district's activities policy regarding meals for students who travel to participate in extra-curricular activities. He explained that his daughter, who is senior, participated in an overnight trip to Holdrege, NE in December of 2011 for sports. The family had been notified the night before the trip that the district did not know if funds would be available for meals or not. Once in Holdrege the students were told that they would be on their own for meals (locating and paying). Duncan explained that over the last three years meals have been provided for similar trips. Duncan feels that the district's policy is obsolete and outdated and asked the Board to review it. Similar districts provide meals under the following conditions: Scottsbluff provides meals if students travel more than 50 miles from home; Sidney provides meals if students travel 100 miles or more; and Alliance does not have an official policy, however the district does provide meals on trips. In the past, booster clubs associated with the sport have provided funds for meals. In addition, Duncan expressed concern about student supervision while on this most recent trip. Board President Brunner told Duncan

that the Board and district administrators will have further discussion on this topic. Activities Director Dave Pauli will also be invited for input.

7. Action Items

7.1. Recommendation to Approve Treasurer's Report

7.3. Recommendation to Approve Lincoln Cabling & Wireless Bid & Award Contract

The district received three bids for cabling. Century Link provided a bid for \$80,707.94 for cabling and \$33,119.07 for wireless. Both projects are expected to be complete by April 15, 2012. Brunner questioned the terms of AIA but Meisner assured him that the district can keep current on their payment time line. Doll expressed a desire to include a liquidated damages clause in the actual contract. Meisner confirmed that the bill will not be paid until completion of the project. The bid comes in with a 20 year guarantee.

8. Discussion Items

8.1. Building Committee Meeting

Everyone was invited to drive by the new Lincoln facility, where the limestone sign has been installed. The building is close to being enclosed now that the air exchange equipment has arrived and has been installed.

8.2. Facility Committee Meeting

The Facilities Committee met at the Jr. High in January and toured the building. Also discussed was the draft 2012-2013 school calendar, the installation of water coolers, a window project at the high school, cabling at the new Lincoln site and cafeteria tables that were installed at Northfield Elementary.

8.3. Curriculum Committee Meeting

Doll stated that the Curriculum Committee met and discussed an early graduation request, welcomed a newly hired administrative assistant, and reviewed social studies and language arts adoptions. These will be implemented in 2013-2014. The committee will wait for a full re-write from the state prior to final adoption.

8.4. Business Committee Meeting

Brunner recapped the Business Committee meeting, specifically referring to the payment applications and Title I delinquent funds that will be utilized to purchase computers for the Juvenile Detention Center. Window bids and a potential ConnectEd call regarding a drug policy within the district were also discussed.

8.5. Personnel Committee Meeting

Miles stated that the Personnel Committee reviewed an early graduation request, questions about the district's sick leave bank and its usage, which will be reviewed by a committee. Additional topics included the 2012-2013 draft school calendar. Committee goals were reviewed, as was the evaluation process. Teacher negotiations followed the meeting.

9. Superintendent's Report

Hague distributed accreditation banners that can be displayed at each building.

Hague explained that his January 26th newspaper article will discuss the potential drug testing policy in the district. A ConnectEd call will be made to all secondary students' parents asking their opinion on the subject matter. The

actual call will be made on January 30th at 7:30pm. Results will be given to the Board for their consideration.

Hague has been working on finishing the new Lincoln building. Brunner and Hague will be attending a GNS meeting on January 17th & 18th. Hague reminded the board that they are registered for an NASB workshop on February 1st at the Gering Civic Center.

10. Board Comments

Discussion:

Winn commented that her first year serving on the Board of Education has passed quickly. Miles stated that he is on his last term for the Board but feels reassured that parents are providing more input than in years past.

11. Tentative Committee & Meeting Dates

Discussion:

The next facility committee meeting will be held at Cedar Canyon.

8. Discussion Items

8.1. Personnel Committee Meeting Minutes

Miles recapped the Personnel Committee meeting, including the hiring of two new teachers. The full Board will vote on hiring a superintendent search firm at the August meeting. Hague mentioned that administrator and classified staff pay increases will be recommended at the August meeting. Pre-employment drug testing for all employees is scheduled to be implemented as of 8/1/12. The full board feels that August 1st may be too soon to implement so further discussion will take place at the August meeting. This item will also be placed on the Personnel Committee agenda in August. Winn suggested getting samples of other districts that perform pre-employment tests.

8.2. Business Committee Meeting Minutes

Copsey explained that the Business Committee had met with Business Manager Meisner to review district financial information. The Anderson & Shaw payment was reviewed and a discussion regarding utilizing substitute para educators and their schedules took place.

8.3. Self-Assessment

Although the Board normally holds a self-assessment and goal setting session in July, Hague explained that this year will be very busy with the superintendent search. He suggested continuing with the current goals for the next 6 months. Miles suggested taking the topic to the committees and discussing it at length during the next board meeting. The NASB Self-Assessment form could be utilized. A Special Work Session focusing on the 2012-2013 budget will also be held in August.

8.4. Board Goal Setting Session

Frahm will provide each committee with a list of their current goals and a copy of the last self-assessment.

9. Superintendent's Report

Hague thanked everyone for their assistance on the Lincoln Elementary Open House and building dedication. There was a great turnout and around 1,000 individuals were in attendance. Building staff led tours, and custodian Lee Muhr was on site to assist in maintenance issues. The facility has a one year warranty on everything. The HVAC system is so complex that Hague encouraged the district to obtain and keep a maintenance agreement in effect after the warranty expires next July.

Hague explained that he will meet with Curt Hanson on Tuesday to review summer maintenance projects. John Fertig has also been contracted to perform some jobs within the district.

Hague informed the Board that the Facilities Committee will begin meeting at Northfield Elementary this year and will work south as they visit each building site. The High School hallway work should be completed before school starts. The district is waiting on an insurance report from the recent hail storm. Windows located on the west side of district modulars were broken and need replaced.

Hague stated that the Rotary Club will meet at Lincoln on Tuesday and he expects about 100 people to attend the meeting and then take a tour of the building.

Hague informed the Board that he would be leaving on Wednesday to attend a family reunion and will be back in the office on Monday. Administrator Days takes place later in July in Kearney. The Welcome Back Staff meeting has been scheduled for August 16th and will be held at the new Lincoln facility.

10. Board Comments

Miles personally thanked the Builder's Rep Brian Sweeney, Anderson & Shaw Construction, project Superintendent Paul Frohman, administration and staff, and Principal George Schlothauer for the last two years of attending meetings and coordinating a wonderful building.

Peters said that he feels the new Lincoln Elementary will be a great addition to the community.

Winn stated she had fun and it was exciting being a part of the dedication ceremony. She commended Schlothauer on delivering a wonderful speech. A thank you note will be sent to the City Band Director Randy Raines.

Copsey thanked Schlothauer for his extra work throughout this process and said that the building staff seems excited. He enjoyed participating in the building tours.

Brunner mentioned that his own children were excited to tour the new facility when they return from college. A new level of excitement has been instilled in the staff and Brunner encouraged Schlothauer to grow on that and make this year an excellent one.

11. Tentative Committee & Meeting Dates

The Curriculum Committee will meet on August 2nd. Miles informed the Personnel Committee that a special meeting may be called to discuss teacher negotiations. Copsey stated that he may not be in town on August 13th.

8. Discussion Items

8.1. Building Committee Meeting Minutes

Doll provided a recap of the Building Committee Meeting, which took place at the new Lincoln facility. The gym floor has been completed and the contractors are working on punch lists. Items are currently being moved into the building by staff and movers. This facility will have a one year warranty. There are no future Building Committee Meetings scheduled at this point. Future projects still include landscaping and the parking area. A tree report focusing on two trees near the parking lot has been submitted to the district's attorney and will be utilized in communications with the neighbor about property boundaries. The Commissioning Agent has reviewed all mechanical equipment and lighting. The project is expected to be complete in its totality by July 1st. Brunner expressed his gratitude to the members of the Building Committee for their dedication to the project. Owner's Representative Brian Sweeney and Project Foreman Paul Frohman were also thanked.

8.2. Personnel Committee Meeting Minutes

Miles stated that the Personnel Committee met and reviewed the interview and hiring process for the district's new Activities Director, Glen Koski. The 2012-2013 High School Student Handbook was provided for review. Hague explained that two certified positions, elementary computer teacher and High School English teacher, were offered and accepted and will be presented to the Personnel Committee at their next meeting. These hiring recommendations will be placed on the July agenda. The district continues to seek an Occupational Therapist.

8.3. Facilities Committee Meeting Minutes

Doll explained that the Facilities Committee met at the High School and discussed the possibility of updating the current football field that is located at the Jr. High to include a regulation sized soccer field. This would allow our district to hold games at home under lights if needed. Also reviewed were cleaning projects performed by Service Master, specifically the restrooms. The window project at the High School is underway. The Facilities Committee also received a copy of the High School handbook for their review.

8.4. Business Committee Meeting Minutes

Copsey stated that the Business Committee met and reviewed the distribution listing.

8.5. Curriculum Committee Meeting Minutes

Winn informed the Board that Director of Curriculum & Assessment Terri Martin prepared lesson plans to meet LEED certification requirements. The LEED philosophy is being utilized as building and grounds maintenance plans. Martin also identified state standards for PreK through 6th grade. Martin reported on state writing scores and mentioned that Gering is ahead of the state average. Winn pointed out that students are being evaluated analytically this year, which is different from past year. This year's scores will serve as a base line for future scores. Martin also shared Explore Test scores for this year's 8th graders.

8.6. Lincoln Elementary Open House & Dedication

The Lincoln Elementary Open House is scheduled for July 13th after the Oregon Trail Days Kiddie Parade and the dedication will be held on July 14th. The district is in the process of developing an invitation list,

which was distributed to Board members for their input. The Board determined that professionally printed post cards could serve as the official invitations. Invitations are expected to be sent out via mail on or before July 1st. Hague has met with the Mayor of Gering and is in the process of developing a program for the building dedication. The playground equipment arrives next week, which will be followed by vegetation planting.

9. Superintendent's Report

Hague explained that Frahm will email the Jr. High and Elementary Student Handbooks out to the board for their review. Hague provided information received at a recent GNS meeting regarding the future of technology and IBooks. The Curriculum Committee is reviewing digital book options for the future.

10. Board Comments

Copsey stated that he is very excited to see the new Lincoln Elementary building open. He feels this will be a great addition to the community, students, administrators and teachers.

Winn provided a recap of the VALTS Board meeting. Topic of discussion included the addition to the number of classroom hours offered, updated career programs and classes, increased rigor and preparation of students for life after VALTS. Bayard, Bridgeport and Kimball are all evaluating their participation in this agency.

11. Tentative Committee & Meeting Dates

Hague will designate a building for the Facilities Committee Meeting.

8. Discussion Items

8.1. Second Reading of Board Policy 502.03 - Entrance Admissions

8.2. First Reading of Board Policy 410.09 - SICK LEAVE BANK

The district's Sick Leave Bank was brought to the Personnel Committee's attention during negotiations with certified staff. Winn recently corrected grammatical usage and made the policy clearer to understand. The policy has been reviewed by the Policy Committee and the Personnel Committee and it is now being brought to the full Board for approval. A second reading will occur at the April Board Meeting. Copsey asked that the number of Ad Hoc members referenced in section "e" be clarified.

After discussion, it was determined that the wording would be changed to state "Non-Voting (Ad Hoc) members at the team's request".

8.3. Drug and Alcohol Testing Policy

Brunner inquired as to the testing of coaches according to the draft policy. Miles explained that the Personnel Committee discussed that topic, along with whether it should include grades 7-9, and whether extra-curricular coaches should be included in the pool. Legal Council has advised that, because a coach/sponsor is often the sole individual who supervises, monitors, and ensures that students get where they need to be, it may be considered a safety issue. Miles, as Chairperson of the Personnel Committee, would like to include coaches and sponsors in the policy. The committee would also like to include grades 7-12 in the policy. Many Gering coaches have already volunteered to be included in the testing pool. The full board supports both the inclusion of grades 7-12 and the inclusion of coaches and sponsors in the testing policy. High School Principal Eldon Hubbard and Activities Director Dave Pauli will submit a revised policy to the Personnel Committee, who will recommend action to the full board. A revised draft is expected to be presented at the April Board Meeting.

8.4. Building Committee Meeting

Doll recapped the Building Committee Meeting, which included a review of change orders, turf options and signage. Doll stated that progress is being made at the site and the district is right where it had planned to be at this point. There have been no significant cost overruns. Two tours were offered during the previous weekend and they both went very well.

8.5. Curriculum Committee Meeting

Winn recapped an interventions presentation to the committee by High School Principal Eldon Hubbard. Curriculum and Assessment Director Terri Martin explained the district's testing procedures to the committee. At the meeting Hubbard also discussed a NeSA prep boot camp and testing dates at the High School.

8.6. Business Committee Meeting

Copsey recapped the Business Committee meeting, which included options for turf at the Lincoln Building. Hillyard Custodial Services will be included on the April agenda. The purchase of new round cafeteria tables for the Jr. High was discussed and approved.

8.7. Personnel Committee Meeting

Miles recapped the personnel Committee meeting, where substitute teacher pay was reviewed and analyzed. Minor changes may be made and the procedure for updating the extra duty schedule was discussed. The evaluation schedule procedures and time frame were reviewed. Miles explained that the Board will be looking at a minimum of two Superintendent Search companies in the future.

8.8. Facilities Committee Meeting

Doll stated that the Facilities Committee met at the Freshman Academy in March and received a presentation from Kim Busby's 9th grade Geometry Class on the need for new cafeteria tables at the Jr. High. The master facilities plan was reviewed and prioritized. High School projects, including the track and auditorium seating, were specifically discussed. The upcoming surplus sale was also discussed. Miles suggested contacting smaller panhandle districts to see if they could utilize any of the district's surplus items. Haig will also be cleaned out and returned to the owners at that time.

9. Superintendent's Report

Hague reminded the board that he will be attending the GNSA/GNS meetings later this week. Hague will direct Hubbard to rework the proposed drug policy.

10. Board Comments

Peters said he enjoyed Mary Winn as the guest speaker at the National Honor Society Induction. Copsey gave congratulations to High School Teacher Broc Brown and the DECA class, who had three students qualify for nationals in Salt Lake City in their first year attending. Winn would like to continue board recognition by providing a certificate to Brown and the DECA group. Winn also mentioned that Gering won the District Speech Competition for first time in over 20 years. Also recognized will be Kim Busby and her 9th grade Geometry class for their cafeteria presentation. Winn stated that she enjoyed the tour of Lincoln Elementary and is amazed at the details and how well thought out the designs are.

7. Action Items

7.1. Authorization to Proceed with Refinancing of Build American Bonds

RBC Capital representatives Wes Bradish and Nate Eckloff addressed the board about their consideration of refinancing the district's Build America Bonds. Bradish provided a refinancing analysis to the board members and explained that rates have recently come down and an opportunity to save district tax payer money came to the attention of Business Manager Tim Meisner. Bradish distributed MMD data, explained how rates have recently gone down and also discussed maturities. The Build America Bonds were introduced in 2009 and then sold at the end of 2010. RBC Capital will work with the Bond Council on the legalities and tax issues for refinancing. The Bonds were purchased with 4.5% interest and by refinancing, the district would be in the 2.5% range. Associated fees were also reviewed. If the Board chooses to proceed, RBC Capital will present a parameters resolution for final approval. The district can expect to save approximately \$220,000 in interest payments. Specific topics discussed included sources and uses of funds, savings, a summary of refunding results, bond pricing, bond debt service, bond summary statistics, a summary of bonds refunded, escrow requirements, descriptions, costs, cash flows and statistics.

8. Discussion Items

8.1. First Reading of Proposed Drug & Alcohol Testing Policy

Testing procedures were reviewed with High School Principal Eldon Hubbard. Coaches and Sponsors will initially be in a separate "testing pool", however the Personnel Committee will look at developing one pool for both staff and students. Hague will provide a recommendation to the Personnel Committee at their next meeting. All new coaches and sponsors will have a

pre-employment test and then be entered into the random testing pool. If approved, this policy would take effect for the 2012-2013 school year. The pool size is expected to be around 300, and tests are expected to cost \$38 per test. This policy will also be reviewed at the next policy review committee meeting on May 29th.

8.2. First Reading of Board Policy 406.08 - Certificated Employee Evaluation

This policy was dated incorrectly during its last review so the policy was re-reviewed and the date will be corrected. Updates were also included to bring this policy current.

8.3. Building Committee Meeting Minutes

Doll explained the change order review in detail. A rain delay letter from Anderson & Shaw was discussed. Hague explained future plans and dates.

8.4. Personnel Committee Meeting Minutes

Miles recapped the Personnel Committee Meeting and reviewed the new hires and resignations for the 2012-2013 school year.

8.5. Facilities Committee Meeting Minutes

Doll explained that the committee met at new Lincoln building to discuss summer work. Doll expressed interest in having the district's restrooms, especially the high school, deep cleaned. District staff is able to maintain the facilities, but the stripping and sealing of tile floors may be contracted out with an agency that has the appropriate equipment and can perform this service twice each school year during breaks. The committee also would like to see custodial personnel rotated throughout the entire district so they become more familiar with all building procedures. Hilyard will be providing cleaning standards that will be enforced throughout the district in all buildings.

8.6. Business Committee Meeting

Copsey informed the Board that the Business Committee had approved the distribution listing for April. Additional topics included IT purchase procedures, vendor terms, the Anderson & Shaw Construction application for payment, a bid to re-roof a portion of the high school, textbook purchases, the refinancing of the district's Build America Bond and school lunch prices. IT server issues were also addressed and the committee recommended outsourcing some of the district's IT needs. Hague explained that the district is adding a position to that department to assist with daily tasks. Doll requested that the district develop a summer schedule for the IT department, similar to the one that was developed for building maintenance and summer work. Hague explained how the summer crew will work for two weeks solid at one building before moving on to the next one this summer.

8.7. Curriculum Committee Meeting Minutes

Winn stated that the Curriculum Committee met and reviewed results from the Terra Nova test. Next year, the test will be administered in the fall instead of in the spring. Curriculum & Assessment Director Terri Martin provided score comparisons for the committee. A bill for vocabulary textbooks was discussed.

9. Superintendent's Report

Hague thanked everyone for attending the graduation ceremony.

He will be working with Brian Sweeney on Tuesday to review change orders. Hague explained that he spoke with the land owner near Lincoln's new parking lot and her preference is that the district does not clean up debris between her property line and the school's parking area. Information about the proposed parking lot will be shared with the Building Committee at their next meeting. Hague stated that the district should be able to assume possession of the facility around June 18, 2012. At that time, staff may move into the building. The moisture content in the gym has dried so the surface is ready to be laid on the 29th. Hague acknowledged the high quality of guidance Brian Sweeney has provided to the district as the Owner's Representative on this project.

Hague explained that the Governor was at Cedar Canyon on Monday to have lunch with the students. Due to a scheduling conflict, the Lieutenant Governor will attend the Lincoln building dedication.

Hague stated that DIBELS test results were shared and district elementary students performed at the highest level ever. The state writing at the 4th grade level had tremendous scores across the board. The State will assemble a comparison of ACT scores for 8 districts.

The Administrative Retreat has been scheduled for the end of May and beginning of June. District administrators will review data and set targets for next year.

Hague explained that the district is still taking applications for a couple of positions, but that he hopes to have all certified positions filled by the end of June. Wednesday is the last day of school for students and Thursday is the last day for teachers. An end of year assembly will be held on Wednesday at 2:30pm at the high school auditorium. Brunner and Winn have volunteered to hand out service pins. An ice cream social will immediately follow in the high school cafeteria.

Hague thanked the Board for their hard work and dedication during this outstanding year.

10. Board Comments

Doll attended the mass band concert and provided a "hats off" to Mr. Raines and Mrs. Curtis for a terrific job. Doll said he enjoyed the awards convocation last week and reminded everyone that the students are able to accomplish an awesome amount and it is nice to see great kids receiving recognition.

Peters appreciated that the district performs a baccalaureate and acknowledge the professional student attire and decorum. Peters feels this is a tribute to the high standards for our young people within the district.

Winn was proud to be a part of graduation and felt it was well timed and went smoothly this year. Winn was impressed with Dave Lashley and Shawn Seiler's performance.

Copsey feels that the Class of 2012 has set the bar pretty high with their spring activities, including the play production, the speech team and sports teams. Copsey enjoyed the graduation ceremony as well.

11. Tentative Committee & Meeting Dates

The Building Committee will meet on Wednesday, June 6th instead of Tuesday, June 5th. The Personnel Committee will meet at noon on June 6th. The Policy Review Committee meeting will be bumped to May 30th.

Work sessions will be held in June to discuss the Lincoln Building project and a tour of the facility will be offered.

The Regular Board Meeting may also be held at the new Lincoln facility.

A work session will be held in July to meet with Superintendent Search Firms. A work session will be held in August to discuss the district's budget.

12. Executive Work Session

The Board entered into Executive Session with the sole purpose of discussing the 2012-2013 Negotiated Agreement at 8:12pm.

8. Discussion Items

8.1. Recognition of Accomplishments

The district's Harmony team placed third overall in the "Best of the West" choir competition.

8.1.1. Congratulations to the Journalism Class and Janelle Schultz for winning the Cornhusker Award for both the newspaper and yearbook. This is the top award given in each category.

8.1.2. Linda Dutil, an emergency room nurse, spoke to the GHS students on the impact of underage drinking and drug use and their consequences. It was sponsored by Jeff Scheinhost, local businessman, and offered at no cost to the school.

8.1.3. Congratulations to the Gering Bulldog Band for their performance over Old West Weekend: the band received a superior in parade performance and an excellent rating in the field competition.

8.1.4. Veteran's Day Assembly at Northfield

8.1.5. American Education Week

8.2. First Reading of Board Policy 804.03 - E-Mail Retention

This is a new policy.

8.3. First Reading of Board Policy 606.06 - Acceptable Use of Computers, Technology and the Internet

The word "intentionally" was inserted into the language.

8.4. First Reading of Board Policy 801.04 - Vehicle Safety Program

This policy once included district buses. Copsey asked if Gering was in alignment with Scottsbluff's policies now that both districts are utilizing First Student for transportation services. Hague confirmed that both districts are working with First Student to ensure policies are similar.

8.5. First Reading of Board Policy 801.07 - Summer School Program Transportation Service

Hague emphasized that the district MAY use district vehicles for summer school.

8.6. First Reading of Board Policy 801.10 - Transportation in Inclement Weather

8.7. First Reading of Board Policy 801.11 - School-Owned Vehicles

8.8. Curriculum Committee Meeting Minutes

Winn reviewed the minutes from the Curriculum Committee Meeting.

8.9. Personnel Committee Meeting Minutes

Miles explained that the committee is reviewing handbooks and superintendent contracts.

8.10. Facilities Committee Meeting Minutes

Doll explained that the committee met and tentatively set the date for the surplus sale for December 15, 2012. No pre-sales will be allowed. Helberg & Nuss will serve as the auctioneer. Doll also explained that Activities Director would like to remove the platforms in the weight room and replace them with rubber mat flooring. The High School Booster Club may be able to assist with funding that project. Koski is in the process of obtaining bids.

8.11. Business Committee Meeting Minutes

Copsey explained that High School Principal Eldon Hubbard and Freshman Academy Assistant Principal Kraig Weyrich provided feedback to the committee on a recent lockdown event. Because cellular phones do not work properly within the buildings, staff had a difficult time being able to communicate with other buildings and administrators. First Wireless provided information to the committee on hand held radios. Doll added that the district will utilize local grocery stores more beginning December. Specifics of budget discussions were reviewed.

9. Superintendent's Report

Hague stated that he has an upcoming accreditation visit in Alliance and will be there for 3 days. The Annual Holiday Open House is scheduled for December 12th from 11:00am until 4:30pm.

10. Board Comments

Miles congratulated Dr. Jerry Upp on his recent election to the Board of Education. Doll explained that zero compensation is received for serving on the Board of Education. Winn stated that the NASB State Conference was excellent and detailed a breakout session that she attended. She especially enjoyed a presentation on bullying. Frahm will sign Doll and Winn up for NASB's New Board Member Workshops, which are scheduled for December 4th at the Gering Civic Center.

11. Tentative Committee and Meeting Dates

8. Discussion Items

8.1. Recognition of Accomplishments

8.1.1. Walmart has given the Freshman Academy a \$1,000 grant to purchase Kindles to begin a Freshman Academy book club.

Brunner congratulated the Freshman Academy for their accomplishment. Freshman Academy Assistant Principal Kraig Weyrich stated that they will be able to purchase 10 to 12 kindles. The grant was written by Weyrich and Media Specialist Annie Boggs.

8.1.2. The Speech Team had 41 Freshmen sign up and 28 9th graders attended the first meeting.

Many students had prior extra-curricular commitments so they were unable to attend the first meeting.

8.1.3. Gering Girl's Golf Team finished 4th at State.

The board congratulated the girl's golf team on their State Competition.

8.1.4. Gering Boy's Tennis Team is participating in the State Tournament in Lincoln

The State Tournament was held last Thursday. The team played very well during their first year of competition.

8.1.5. All Pro Dads

Northfield Elementary Principal Pam Barker explained the All Pro Dads Program was developed by Matt Janacek. It is a national program and has been implemented at Northfield. The program is held on the 2nd Tuesday of each month and attendance includes students, parents and grandparents. Public and motivational speakers are also utilized in this program.

8.1.6. Walk or Wheel to School Wednesday

Brunner stated that he participated in the International Walk or Wheel to School Day on the first Tuesday of October. Northfield Elementary Physical Education teacher Jennifer Schwartz has promoted the event in our community and has encouraged Gering Public School students to walk or wheel to their school building. Approximately 90% of Northfield students participated this year, compared to 85% last year. Northfield is promoting this practice every Wednesday as weather permits. The newly installed sidewalk in the Preserve area has helped with this endeavor. Geil Elementary began participation in the program this year and Cedar Canyon students are dropped off at their entrance gate and walk to school from that point.

8.1.7. Girls Cross Country Team placed 2nd at Districts

The Board recognized that the girls cross country team performed very well at Districts and will compete at State.

8.1.8. Boys Cross Country Team placed 5th as a team at Districts and qualified two for State

The boys cross country team did a great job at Districts and two individuals will participate at State, which is scheduled for this Friday.

8.1.9. Karen Leis Welsh Visit

Lincoln Elementary Principal George Schlothauer informed the board that a former Lincoln Elementary student and 1976 Gering High School graduate went on to become a teacher in Houston, TX. She has written several children's books and actually returned to Lincoln Elementary to read to current students.

8.1.10. Cedar Canyon Morning Assembly

Cedar Canyon Principal Betty Smith explained that she has received parental input indicating that Cedar Canyon's morning assembly provides a calmness and unity to the student's day.

8.1.11. Cedar Canyon SchoolStore Involvement

Smith explained how parents who shop online at specified sites can donate a percentage of their bill to Cedar Canyon. During its first week of inception, Cedar Canyon received a check for \$160.00.

8.2. First Reading of Board Policy 503.01 - Compulsory Attendance

8.3. First Reading of Board Policy 503.04 - Excessive Absenteeism

8.4. First Reading of Board Policy 403.01 - Release of Employee

Information

8.5. First Reading of Board Policy 407.07 - Negotiations

This is a newly implemented policy brought forth by NASB.

8.6. First Reading of Board Policy 607.02 - School Ceremonies and Observances

8.7. First Reading of Board Policy 404.08.02 - Drug and Alcohol Testing Procedures

This policy is for staff procedures for pre-employment and eligibility for random testing.

8.8. First Reading of Board Policy 801.04 - Vehicle Safety Program

Copsey pointed out that language in this policy needs further discussion so it will go back to the Policy Review Committee for another review.

8.9. Curriculum Committee Meeting Minutes

Winn explained that the committee felt the work session change to November would better allow for information from the state report card. She explained that they received an update on work being done with social studies curriculum, which will align it to the common core. Brunner stated that the Business Committee would like to see that the Curriculum Committee pre-approved purchases of books, etc. Curriculum & Assessment Director Terri Martin said that she provides a budget recap every month.

8.10. Facilities Committee Meeting Minutes

Doll explained that the committee met at Geil and toured the facility, specifically looking at summer work. The facility overall is in pretty good condition, however like other buildings concrete work is needed. Doll suggested creating a district wide concrete master plan and locking in an economical price. One concern that was pointed out included modular door exposure to moisture. The committee then traveled to central office where they met with High School Principal Eldon Hubbard and Activities Director Glen Koski. Topics of discussion included improvements to Memorial Stadium. The biggest issue is drainage, which is expected to cost \$25,000 to repair.

8.11. Personnel Committee Meeting Minutes

Peters provided a recap of the meeting. Discussions focused on classified staff negotiations and comparisons to Scottsbluff District. Both the Classified Handbook and policies will be reviewed.

Peters explained that the district lost a speech therapist but has a new one starting after the 16th.

Miles wants to see more input from the student body by evaluating classroom instructors. Peters would like to see a formal climate survey of staff, students and the community on an annual basis. He believes that AdvancED may offer some tools to assist in the development of this instrument.

8.12. Business Committee Meeting Minutes

Copsey stated that the committee reviewed district bills and financials. Topics of discussion included the Hewgley invoice, a committee goal of being more active in the budget review process, budget concerns for the coming year and the cliff effect, which means the district will need to tighten its budgets.

8.13. Building Committee Minutes

Doll explained that the committee met at Lincoln Elementary to review the function of the air handling unit #1 (AHU1) which has not been operating correctly. The unit has not yet been accepted by the district or the commissioning agent. Once accepted, the district will have a one year warranty. Hague suggested that summer school be held at Lincoln Elementary next year to test the system out.

9. Superintendent's Report

Hague provided an update on Business Manager Tim Meisner's work schedule.

10. Board Comments

Doll stated that he can hardly believe the first quarter is almost over already. Copsey reminded the board that one comment can get a community fired up so the board is relying on district administrators to handle issues as they arise. Winn stated that she hasn't seen much activity for local elections and wondered if there would be any candidate forums. Winn also said that she was pleased to receive an email invitation from Northfield Elementary teacher Brenda Psanka inviting board members to attend their Veterans Day Celebration at Northfield.

11. Tentative Committee & Meeting Dates

It was pointed out that the Personnel Committee Meeting date is during the NASB State Conference. Frahm will check with the committee to see if they want to reschedule or hold the meeting while out of town. A reservation has been made to allow any new board member(s) to attend. The Facilities Committee Meeting was scheduled for November 8th at the Jr. High.

8. Discussion Items

8.1. Recognition of Accomplishments

8.1.1. Blue Prints Live (HS/FA Journalism Newsletter)

The Board has examined the High School/Freshman Academy Journalism newsletter "Blue Prints Live" on the internet and believes it is phenomenal.

8.1.2. Western Conference Golf (Girls Golf Team)

Winn informed the Board that this is the first time in years that the girls golf team has won the Western Conference. Winn congratulated them on a great season.

8.1.3. Tennis Program Upstart

Doll explained that the tennis program is having some success despite this being its first year. He informed the board that they are starting out with good fundamentals and skills.

8.1.4. Girls Softball Team

The board expressed their enjoyment of seeing the success of the girls' softball team this year.

Winn stated that a major fundraising event was held on September 9, 2012 at TLC for Team Ashton. She mentioned that many GPS employees, including teachers, para educators and principals, were present. Winn was impressed that the school system's employees embraced the event. Team Ashton assists families with ill children throughout the entire community.

8.2. Curriculum Committee Meeting Minutes

Winn explained and elaborated on a request for eligibility list numbers. The intent is to hold students who participate in activities to a higher level of accountability. Curriculum & Assessment Director Terri Martin will conduct a special work session in October to review NeSA results.

8.3. Facilities Committee Meeting Minutes

Doll recapped the Facilities Committee meeting, which included a tour of the facility and a review of the Master Plan. Previous goals were reviewed and new committee goals were established. Future priorities were determined to be: window replacement in the central portion of the Jr. High and the locker room renovation at the high school. Also discussed were a district-wide key fob entry system and the hallway between the main building and the gymnasium at the High School.

8.4. Personnel Committee Meeting Minutes

Miles stated that the committee reviewed the self-assessment document. Additional topics of discussion included the NASB Superintendent Search Firm.

8.5. Business Committee Meeting Minutes

Copsey explained that the committee reviewed bills, including the Hewgley invoice, and reviewed the Valts Interlocal Agreement.

9. Superintendent's Report

Superintendent Hague was in attendance at a TEEOSA Hearing for Senator Adams at Lincoln Elementary. Chairman Brunner read a recap of events from him. Hague's recap included information about the TEEOSA Hearing, an upcoming GNS meeting and a report on transportation.

10. Board Comments

Peters complimented the High School counselors on utilizing electronic media, such as Facebook, twitter and texting. The use of these systems allows for open communication between the districts, students and parents.

Winn asked all in attendance that they provide any recognition of accomplishments to Frahm so they can be included on the board agenda.

11. Tentative Committee & Meeting Dates

The rolling calendar was reviewed.

12. Adjournment

Motion Passed: passed with a motion by Alan Doll and a second by Jody Miles.

7.3. Recommendation to Approve Purchase of Laptop Computers with AARA Funds

Motion Passed: Meisner explained that the Directors determined equipment needs for the next couple of years. The District had budgeted AARA funds for computer purchases, which will include computer carts, laptops, licenses, board computers and the secretary to the board laptop. This purchase will be in the amount of \$266,963.34. The AARA fund is the stabilization fund (stimulus dollars) and needs to be spent by the end of September. These funds are granted by the federal government. Brunner inquired as to tax (\$638.19) being charged on the software but not the hardware. Meisner stated that he would make sure that the tax amount is removed. A recommendation to approve the purchase of laptop computers with AARA funds excluding sales tax was passed with a motion by Jody Miles and a second by BJ Peters.

8. Discussion Items

8.1. Budget and Levy Discussion

Discussion:

Meisner stated that he and Hague had been working on the budget over the last few weeks and would like to discuss the tax levy with the board. Meisner displayed a graph that detailed the 2010-2011 tax levy, which was at \$1.05. Meisner explained that next year they may recommend increasing the general fund from ninety six cents to one dollar and reduce the building fund from 8.9 cents to 4.9 cents. If the levy is set at \$1, it will change the formula. Brunner confirmed that the end result will remain the same and Hague stated that it is basically a shift in money only. This year the district kept the money in a special building fund for the Lincoln project. There is a possibility that the State Aide Formula will be changed. The district feels that this change is prudent to protect our state aid, as it may disappear in the next year. Hague recapped by stating that he and Meisner would continue spending time during next month on the budget but wanted board to understand this piece.

Hague discussed the bond schedule payment with Russ Inbody. The district is borrowing money from other funds to get the new Lincoln Elementary project going. Over these first two years a hefty bond payment of almost \$700,000 will be paid. A large balloon payment will be due in ten years; therefore the district is trying to build up the balance. When the district sold the bond issues they referred to a dime. Although Inbody recommends going to 12 cents, Brunner feels that since the public told 10 cents, that's what the district should honor. It may take 4 to 5 years to pay off at the lower amount. If the assessed valuation goes up, which is driven by property values, there will be less money in the bond to make a payment. Gering District is no in a position to walk away from state aid at this time. The Special Building fund will still generate funds. The Building Committee was told to be prudent for another year until the Lincoln costs are in. The wild card will be the four alternate classrooms at the Lincoln site. A budget hearing and a hearing on the levy will occur during September. The next Board Meeting is scheduled for September 19th. The budget will be reviewed during a special work session and a recommendation to approve will be presented at the full board meeting. The budget will then be

filed the next day (September 20, 2011). This year is Meisner's first school budget and Hague stated that he is still learning, with help from Inbody.

8.2. Building Committee Meeting

Discussion:

Peters recapped the Building Committee meeting minutes. The committee received an update from Brian Sweeney. Approximately \$85,000 was saved by dropping the FEMA requirements, but the gym area is still considered a safe area that can withstand tornados. FEMA items in the kitchen and restroom areas were eliminated. The savings from the deducts will be spent on a revamped drainage system. The new building will have a cost effective keyless entry at the main doors. This type of technology may be looked at district wide. Discussions about the playground, specifically turf or grass, are ongoing. The color scheme will also be determined soon. The steel is scheduled to arrive this week and will go up quickly. Shaw indicated that he wants to be done in May of 2012. Hague invited the board to drive by and view the recent changes.

8.3. Facility Committee Meeting

Discussion:

Brunner recapped the Facility Committee meeting minutes by detailing summer projects and the master facilities plan, which is a list of items that need to be addressed in the next 1 to 5 years. This plan was shared with the full board and they were asked to share their comments with committee members Doll, Brunner or Winn. The original High School Window Project was estimated at \$1.2 million dollars and included 5 phases, three of which have been completed.

8.4. Curriculum Committee Minutes

Discussion:

Doll recapped the Curriculum Committee meeting minutes. Doll stated that the committee received an update on the Gap Program from Eldon Hubbard and Kraig Weyrich. This program will be delivered differently than in past and Weyrich will administer the program while utilizing a para in the classroom. An opportunity to purchase Saxon math consumable materials that can be used in years down the road was presented. A good discussion and presentation from Dave Pauli about his sports philosophy was given. Pauli provided his expectations for people involved in activities. Pauli stated there were parents at meeting that provided feedback to him. The Board is excited about Pauli's ideas and what he brings to the district. Doll stated that the committee talked about travel updates, specifically who is going where and why. The committee also reviewed budget items.

8.5. Business Committee Meeting

Discussion:

Brunner recapped the paid expenditures and specifically asked that all IT purchases be pre-approved through the IT department to remain consistent with what the district already has on hand. Various balances were discussed, as were purchasing and travel requests. A discussion about the levy was held at the committee level. Gering's portion of the swim team coop was reviewed.

8.6. Personnel Committee Meeting

Discussion:

Miles discussed district wide need for para educators who will focus on instruction only and will be evenly distributed throughout the district. Additional work and development on the classified staff handbook needs done so it will be presented to the full board for approval in September. Teacher negotiations are on-going at this time.

9. Superintendent Report

Discussion:

Hague informed the board that there will be 12 new certified staff on board this year. This is the smallest group of new hires in long time. Hague will accompany them as guests at the next Rotary Meeting. Hague reviewed the employee training schedule with the board. The Welcome Back breakfast is scheduled for 7:30 am to 8:30 am on the 16th, with a meeting in the auditorium from 8:30 am to 9:00 am. Hague invited the board to attend any or all of the events. A Recognition Certificate was developed for presentation to Jennifer Schwartz for her work on obtaining a grant to purchase Wii Fit equipment at Northfield Elementary. Hague stated that he will recognize her at the Welcome Back meeting. Hague informed the board that the busses had started on their routes, both new and returning staff is trickling in, an update on district computers has been installed, the elementary staff will be in air conditioned facilities this year and there will be no early dismissals. He will talk to staff tomorrow about the Aurora building and where we're at on that project. The City of Scottsbluff has committed to making this environment safe and the construction of the new Lincoln School is on schedule and should be ready to go next fall. The kindergarten enrollment, as well as 1st grade, is high this year, although 2nd grade enrollments are down.

10. Board Comments

Discussion:

Winn felt that the Wii Fit Grant presentation at the mall on Friday was wonderful. A check was given to Jennifer Schwartz for her efforts in getting a Blue Cross/Blue Shield Wellness Grant on behalf of Northfield Elementary. Winn said that several staff members from Northfield were present. This grant will greatly benefit Gering children. Winn also felt that an article in the Gering Citizen detailing how Lincoln Elementary students folded cranes and raised over \$1200 for Tsunami victims should be reviewed. Winn feels that this is a great example of the district's multicultural activities and community service. A recognition certificate will be created and presented to Principal Schlothauer, along with all of the teachers and students at Lincoln.

Copsey wondered where the summer went. Peters stated that the school already looks busy according to the number of cars in the parking lots and that the new scoreboard at Bulldog Stadium would be going up soon. Peters expressed his appreciation to local businesses that helped get this project going. Doll indicated that is looking forward to the year ahead and feels the new additions to the staff are great. Miles congratulated Jennifer Schwartz on her Grant. Brunner stated that this is the 2nd time in 3 years that Schwartz has applied for a grant on behalf of the district and got it. He mentioned that this was a great help to both the students and the district's budget. He also expressed his appreciation to Blue Cross/Blue Shield and the individuals who created the Wellness Program. Winn asked if anyone who attended the Model Schools Conference year had made presentations to their fellow staff. Shawn Seiler is ready to make his presentation at the September Board meeting. There will be a BIST presentation in October.

11. Tentative Committee & Meeting Dates

Discussion:

The next Board meeting will be held on September 19th. The next Business Committee meeting was scheduled for September 12th. The Steering Committee was scheduled for September 7th at 4:00pm. The Board is invited to attend. The Facility committee will meet at the Aurora building for their September meeting.

The Advisory Committee meetings will be held at 4pm and will consist of teachers selected as representatives of each building. The first meeting will focus on organizational needs to determine what they want address. The Personnel Committee will be on September 14th at 4:30pm. Teacher negotiations have been scheduled for 5:30pm on September 14th.

8. Discussion Items

8.1. First Reading of Board Policy 502.03 - Entrance-Admissions

Hague detailed the updates to this policy, which pertains to the entrance age for kindergarten. District staff will provide assessment testing when requested. This change is expected to affect approximately 20 children.

8.2. First Reading of Board Policy 503.01R - Early Admission Assessment Procedures

8.3. First Reading of Board Policy 503.01F - Behavioral and Emotional Screening System Summary

8.4. First Reading of Board Policy 503.01F2 - Young Children's Achievement Test Summary

8.5. Student Drug Testing

Miles stated that both the Facilities and Personnel Committees had recently discussed student drug testing. High School Principal Eldon Hubbard and Activities Director David Pauli were in attendance to answer questions and concerns. Miles explained that Gering would be one of only five districts who provide this service. Those who currently test students include Scottsbluff, Mitchell, Chadron and Gordon/Rushville. An attending patron stated that Bridgeport provides these tests as well. The board believes that student drug use is a concern of everyone, especially parents, and should be seriously examined, however the district realized that significant time and work will need to take place in order to implement the new policy. The board would like to see a program in place that would follow the student through the process until recovery. The board also realizes that implementation of a policy may create changes and/or additions to staff in order to handle the follow up process should a student test positive. Students who participate in extracurricular activities will be included in the pool of students to be tested. Students who participate in the Sea Cat program are already included in the testing pool since this is a cooperative activity with the Scottsbluff district. Brunner requested that Hubbard and Pauli gather information and provide guidelines and policies that will take effect next school year. This proposal is to include recommendations for staffing and lab work cost estimates. Any non-credited activity **in** considered extracurricular. Peters stated that there was nobody in attendance the last time the district considered this policy and the board wants to hear from patrons and citizens prior to making decisions. The board also wants to confirm that this is not a program to punish, but to place students on the right path. Winn expressed her appreciation for input and correspondence received from parents. Hubbard stated that over 80% of high school students participate in extracurricular activities. Twelve patrons provided comments that included reasons why the district needs this policy, support in identifying who needs help and encouraging prevention, discouraging experimentation and suggestions for the process of testing and potential consequences. Nebraska State Patrol personnel were in attendance and informed the board that most districts have modeled their policies after Scottsbluff Public School District. Parents will also have the chance to option their children into the program even if they do not participate in qualifying activities. Additional topics discussed included the pros and cons of testing and parental knowledge and involvement. Hubbard suggested offering an incentive program to encourage non qualifying students to voluntarily participate in the pool. He will also seek community support to provide resources for the program. Law enforcement also warned the board about prescription medication abuse among students. Brunner suggested utilizing grant funding to help offset costs associated with the new policy.

Brunner thanked everyone who attended and provided input on this topic and explained that the program would be ran with utmost

confidentiality and hopes that the district and parents can work together to develop Gering's Student Drug Testing Policy.

8.6. Building Committee Meeting

Peters recapped the Building Committee meeting of December 6th. An update on the Lincoln Elementary construction was provided.

8.7. Facility Committee Meeting

Brunner stated that the Facility Committee met on December 8th and toured Geil Elementary, where carpet replacement is a priority. Additional topics of discussion for the committee included student drug testing, water fountains at the high school, window replacement, cabling needs at Lincoln and cafeteria tables at Northfield. The committee will meet at the Jr. High in January.

8.8. Curriculum Committee Minutes

Doll explained that the Curriculum Committee met and reviewed state report card data. The committee also discussed travel and conference requests, reviewed the budget and discussed student drug testing.

8.9. Business Committee Meeting

Brunner stated that the Business Committee received a presentation from Dennis Hadden of Dana F. Cole and Company on the 2010-2011 School Year audit. Additional items discussed included applications for payment from Anderson & Shaw and Hewgley & Associates. The committee was told that the heating system needs to be replaced at the high school's vocational building. The committee authorized the replacement of the heating system, not to exceed \$27,000. This project will be completed over the district's holiday break.

8.10. Personnel Committee Meeting

Miles stated that the Personnel Committee met and received a brief presentation from High School Principal Eldon Hubbard and Activities Director David Pauli on student drug testing. Additional topics of discussion included evaluation process goals and timelines, job descriptions and coordinating next year's pay increases with employee evaluations.

9. Superintendent's Report

Hague informed the board that the LEED Commissioning Agent will be in town on Thursday for a tour of the Lincoln construction site at 10:00am and a conference call at 1:00pm. The M.E. Group out of Omaha will also visit for a tour of the facility. Hague stated that construction is on target for the LEED targets but will go through a punch list to see where they're at. Hague is working with Principal Schlothauer on furniture purchases for the new Lincoln building. The district's Central Office will be closed on December 26th and January 2th for their holiday break. A rough draft of the 2011-2012 school calendar will be distributed to district administration on January 4th. The calendar will also be included on January committee agendas. Hague would like to finalize the calendar in February or March so the transportation plan can be re-worked. The bussing RFP is expected to be received in March and will be based on our current routes. Scottsbluff and Gering will cooperate in participation on this RFP.

10. Board Comments

Miles said that he was happy to see the great turnout of supporters of student drug testing from parents and tax payers. Hague said that he could do a ConnectEd survey to each parent to determine the level of support. He will be working with Hubbard and Paulie after the first of the year to get the survey out.

Doll also thought there was a great turnout, and provided a "Hats Off" to the high school musicians and Mr. Raines for their Holiday Pops concert. Doll also mentioned that their sound system is now in good working order.

Peters also stated that the vocal concert was very good.

Winn stated she also enjoyed the concert and reminded everyone that she will be following up on the installation of water coolers at the high school.

Copsey expressed his appreciation for the turnout and stated that the Jr. High vocal concert very good. He also informed the board that the Jr. High band students meet every day and it shows.

11. Tentative Committee & Meeting Dates

The Facilities Committee meeting date was pushed back a week in January to avoid being on the same day as the Curriculum Committee meeting. Hague also mentioned that the Building Committee plus one board member may need to meet at noon or 4:30pm to take action to approve the cabling bid.

A work session will be held in January with the purpose of continuing the review of state testing data.

7.3. Recommendation to Approve 10 Cent Increase on Lunch Prices

Discussion:

The Business Committee determined that lunch prices need to be increased to meet the Federal Guidelines. The committee is recommending that breakfast prices remain the same, with a ten cent increase for current lunch prices. A second 10 cent increase will occur next school year. This is a government mandated issue since they subsidize the lunches.

7.5. Approve purchase of Two (2) San Servers

Discussion:

MEISNER explained that the district is running out of disc space at the Junior and Senior High Schools. The IT Department came across a promotional item for first time buyers: San Servers normally run around \$160,000 each, however this deal enables the district to do a one time purchase of these units at \$33,500 each, which would provide substantial savings for this department. Funding for these units can come from AARA funds. San servers hold student and staff data. Outside backup off-site has been considered. The current servers are approximately four to five years old and the district is not longer to obtain maintenance agreements for them. The new servers will come with a three year warranty, which MEISNER will get in writing.

8. Discussion Items

8.1. Building Committee Meeting

Discussion:

PETERS explained that the committee had toured the Lincoln Elementary construction site. Termite control has been applied which is required by code. In addition, the first of the footings are done, the gym floor has been poured, the walls are beginning to go up and Snell Services is working on the plumbing in the kitchen. There may be a delay in the delivery of the first load of steel, but everything else is moving along well.

8.2. Facility Committee Meeting

Discussion:

BRUNNER pointed out errors in the minutes of the Facility Committee meeting which will be corrected. He explained that the committee had most recently met at Cedar Canyon Elementary school for their meeting. The modular has been set and is ready for the electrical connections to be completed. The committee reviewed a North Platte Resources District hazard mitigation plan, which came with a 444 page document on a CD if anyone would like to view it in detail. In

addition, conversations were held to discuss a possible sustainability policy or resolution and board goals. BETTY SMITH provided the tour and gave input on the building's needs.

8.3. Curriculum Committee Meeting

Discussion:

DOLL provided a recap of the committee's discussions about the GAP program, which is where High School students go to recover credits. Terra Nova data was reviewed, trends were examined and student and faculty issues were addressed. An update on the white board installation, projectors and BenQ arms was given. Also discussed was sustainability within the district and the budget was reviewed.

8.4. Business Committee Meeting

Discussion:

BRUNNER explained that the Business Committee had met on July 11th in the board room. Items discussed included Booster Club finances, where their funds are kept and if they should obtain their own federal tax ID number. COPSEY would like to see the district obtain a list of Booster Clubs with contact names/list of officers. MEISNER stated that FLORES had already started a spreadsheet for tracking purposes.

8.5. Personnel Committee Meeting

Discussion:

MILES stated that he had reviewed the Classified Handbook, including the pay schedule. He will be making some changes and recommendations and will provide that list for consideration. The changes will then be submitted to the full board for review. The NRD Hazardous Mitigation Plan will be included on the August agenda for approval. Discussions about the expectations for the new Activities Director were held. An internal audit of classified staff personnel files will take place during July and August to verify that all staff is placed on the correct step on the pay schedule. It was also determined that classified staff need not wait until negotiations are done for their annual merit increases to occur as the Personnel Committee will be looking at their wages and benefits separately. Insurance fees will also be examined for full time classified staff.

8.6. First Reading of Policy 701 - Fiscal Management Goals & Objectives.

Discussion:

WINN informed the board that the Fiscal Management Goals and Objectives are stipulated by the state. Gering Public School District mimics these goals and objectives in their policies.

8.7. First Reading of Policy 702.01 - Fiscal Year

8.8. First Reading of Policy 702.02 - Budget Planning, Preparation and Schedules

Discussion:

It was determined that this should be the responsibility of the District Superintendent and/or Business Manager. In addition, the Business Manager will be specified as the individual who will prepare the budget for review by the Board.

8.9. First Reading of Policy 702.03 - Budget Adoption Process

8.10. First Reading of Policy 703 - Management of Capital Reserves

- 8.11. First Reading of Policy 704-01 - Deposits and Transfers**
- 8.12. First Reading of Policy 704.02 - Financial Records**
- 8.13. First Reading of Policy 704.03 - Inventories**

Discussion:

It was asked if the District keeps a current inventory and who is responsible for keeping it accurate. Each department has their own inventory. The Business Manager is in charge of reviewing their records. The board suggested that a master copy of all inventoried items be kept at the Central Office.

- 8.14. First Reading of Policy 704.04 - Audits**
- 8.15. First Reading of Policy 705.01 - Local, State, Federal, or Miscellaneous Revenue**

Discussion:

"The Business Manager or designee" was listed in addition to the Superintendent.

- 8.16. First Reading of Policy 705.02 - Usage Fees, Admissions and Royalties**

Discussion:

It was asked if Gering Up usage fees for the use of the gyms was figured into this section. Meisner stated that there is a Facility Usage Form that is required to be pre-approved by the Business Manager. Any users are also required to provide proof of insurance.

- 8.17. First Reading of Policy 705.03 - Free Admissions Passes**
- 8.18. First Reading of Policy 705.04 - Gifts, Grants and Bequests**

Discussion:

The dollar amount was increased from \$1,000 to \$10,000.

- 8.19. First Reading of Policy 706.01 - Purchasing Procedures**
- 8.20. First Reading of Policy 706.02 - Petty Cash**
- 8.21. First Reading of Policy 706.03 - Bidding Procedures**
- 8.22. First Reading of Policy 706.04 - Vendor Relations**
- 8.23. First Reading of Policy 706.05 - Purchasing on Behalf of Employees**

Discussion:

BRUNNER clarified that any purchases made by the district on behalf of employees must be pre-paid by that employee prior to the receipt of the purchase. BRUNNER provided an example: the Board will be receiving coats that identify Gering Public Schools on them. The offer was made to central office employees to purchase the same item at cost. One individual placed an order and their payment must be received prior to the coats coming into possession by the District.

The decision was made to change the language from "Board decision" to "Superintendent or designee" in the first paragraph. The second paragraph was eliminated in its entirety which specified that employees were required to pay in advance.

- 8.24. First Reading of Policy 706.06 - Payment for Goods and Services**
- 8.25. First Reading of Policy 707.01 - Payroll Procedures**
- 8.26. First Reading of Policy 707.02 - Salary Deductions**
- 8.27. First Reading of Policy 707.03 - Expense Authorization and Reimbursement**

Discussion:

COPSEY asked if all building principals were using the same form. He was told that they are and that they are required to be submitted to the Business Manager.

- 8.28. First Reading of Policy 708.01 - Insurance Program**
- 8.29. First Reading of Policy 709 - Cash in School Buildings**
- 8.30. First Reading of Policy 710 - Disposition of School Property**
- 8.31. North Platte Natural Resources District Hazard Mitigation Plan**

Discussion:

HAGUE explained that the North Platte Natural Resources District (NRD) has requested that the District approves and adopts a Multi-jurisdictional Hazard Mitigation Plan. Details were provided on a disc that contained a 444 page document of support. HAGUE stated that had this resolution been in place, the FEMA application may have been processed faster. This plan covers all governmental agencies, not just schools. This plan will be presented to the board in August for adoption.

8.32. 2011-2012 Classified Staff Handbook

Discussion:

MILES asked the full board to provide him with any recommended changes and he will discuss them at the next Personnel Committee meeting. Updates will be done and it will be presented to the committees once again.

8.33. Sustainability Resolution

Discussion:

WINN drafted a District wide Sustainability Resolution for board review. BRUNNER said that the board would support the Resolution, which is concise and to the point. The Resolution will appear on the August agenda for board adoption.

9. Superintendent Report

Discussion:

HAGUE informed the board that Brian Sweeney is back in town after being in Lincoln for a couple of weeks. He will get an update on Tuesday morning. HAGUE encouraged the board to visit the construction site to see the progress.

HAGUE stated that an official Letter of Accreditation a certificate were received from the State and are displayed at central office.

The classrooms at the Aurora facility have been construction and are being moved into now. Blue Ox will be sealing off the basement area and will provide air quality testing prior to school beginning.

Progress on summer projects include the removal of the High School parking lot fence. HAGUE informed the board that he would be out of the office on Tuesday to travel to Lander, Wyoming and would be back in on Wednesday. HAGUE and MEISNER will be working on the budget that afternoon with Travis Miller, who is the new Superintendent at Bayard.

HAGUE stated that he would be on vacation from July 26th through August 2nd so he will not be able to attend Administrator Days. MARTIN will be attending this year.

10. Board Comments

Discussion:

MILES reminded everyone that school start in August already. There were no other board comments.

11. Tentative Committee & Meeting Dates

Discussion:

The Business Committee meeting was scheduled for 4:30pm on August 8th.
The Personnel Committee meeting was scheduled for 7:00am on August 3rd.
The Policy Review Committee meeting was postponed until August 29th.

7. Action Items

7.1. Recommendation to Adopt a Boys and Girls Tennis Team Proposal as a Student Extracurricular Activity

Patron comments were allowed with five individuals speaking in support of a Gering tennis program. Matt Palomo of the Gering Junior Tennis Club, who has unofficially voluntarily coached local students in the sport, also addressed the board with his recommendation of support. President Brunner asked Activities Director David Pauli to address concerns that Winn has. Those concerns included pre-existing coaching positions being cut, which was determined to be due to lack of student participation rather than the budget. The Board expressed its appreciation of Palomo's past contributions; however, because he is not a Gering certified employee, he would need to be accompanied by a certified employee from the district when traveling, thus adding to costs. Pauli stated that non-certified staff can obtain coaching certification by participating in a two year process to complete three available classes. Winn also inquired as to the status of the district's budget and asked if the district can afford another sport? Pauli explained that, in comparison to whole budget, tennis would require a very small percentage that would fund all travel expenditures, as well as expenses related to coaching. Winn then asked if the City of Gering would

continue their maintenance contributions. Hague confirmed that the courts are property of the school district; however, the City does contribute financially to their upkeep. Peters informed the attendees that he was vocally against the tennis program proposal last year due to spending scenarios within the legislature, but he will be voting in support of it this year. Peters informed the patrons that by district policy the coaching position would be offered internally first. Hague reminded the Board that this is a sport where the district already owns the needed facilities so there would be no added costs in that area.

10. Discussion Items

10.1. First Reading of Board Policy 503.03 - Student Absences - Excused

A brief conversation took place regarding the language of this policy update.

10.2. First Reading of Board Policy 503.04 - Excessive Absenteeism

10.3. Building Committee Meeting

Doll provided a recap of the Building Committee meeting, which was held at the Lincoln Elementary construction site. December delivery dates were confirmed, enclosure goals were explained and the project is on schedule. Playground specifics were also discussed.

10.4. Facility Committee Meeting

Brunner stated that the group met at the High School at the last meeting. The recently remodeled commons area was discussed. The window phase and locker rooms were discussed, as well as the staff parking lot and wireless microphones. The new DECA store at the High School has opened and is very successful.

10.5. Curriculum Committee Meeting

Doll provided an overview of the meeting, which included information about the BIST program. The new Kindergarten entrance age was also discussed. A review of the district report card was also provided. A work session is scheduled in December to discuss the report card in more detail.

10.6. Business Committee Meeting

Brunner recapped the business committee meeting, which included a report on the After School Program from Betty Smith.

10.7. Personnel Committee Meeting

Miles stated that the items discussed at the last personnel meeting were action items at tonight's meeting, such as the tennis program and administrator salary increases.

11. Superintendent's Report

Hague informed the board that Cedar Canyon had a break in recently and it took responders 6 minutes to arrive. Hague recapped his meeting at the Lincoln site and displayed an award of appreciation to the District's Wellness Committee from the Worksite Wellness Program.

12. Board Comments

Doll congratulated Mr. Raines on his award receipt. Peters gave a verbal kudos to Mrs. King for the choir's gold medal performance at the Best in the West competition. Winn stated that she had attended the performance of A Midsummer's Night Dream and said it was excellent. Copsey said a great job was done by the harmony kids, and he is excited for the new tennis program to be offered in Gering. He also offered his condolences to the Reyes family.

13. Tentative Committee & Meeting Dates

The Board reviewed the rolling calendar. It was determined that there would be a special Work Session at 5:30pm in December on the State Report Card.

9. Discussion Items

9.1. Building Committee Meeting

Miles deferred the recap of the Building Committee meeting to Hague, who explained that the committee met at the first part of month to get an update on the construction at the Lincoln site. All projects remain on schedule and Stearns will be here this Wednesday. Stearns is coming twice a month now to monitor the site first hand. Roofers, plumbers and electricians are all busy working at the site. On the west side of the building, one can see what the exterior of the facility will look like (ground face block, stone, brick and white mantle) and the concrete roof will go on soon over the gym. On October 24th the foam spray will be installed on the remainder of the building and then the brick can be laid. The goal is to have the facility boxed in by the end of the month but it really depends upon the weather.

9.2. Facility Committee Meeting

Brunner told the Board that the Facility Committee had met at Northfield Elementary. The committee discussed the 2011-2012 proposed Classified Handbook, held a conversation that focused on bussing options and spoke about the window project at the High School.

Principal Barker led a tour of Northfield and pointed out specific damages received from rain leaks, as well as a broken pipe. Teacher Dawn Sabo provided a brief demonstration on how BenQ's are utilized in the classroom.

9.3. Curriculum Committee Meeting

Doll explained that the Curriculum Committee had met and discussed scheduling and instructional time, which has percolated to the Board level. Doll encouraged both teachers and administrators to work on this issue together. He reiterated that our goal is to make sure we're doing what is best for the kids. Doll encouraged the group to make adjustments and changes to better serve all district children. Doll wants them to discuss their issues and let the Board know what options are best. When comparing block schedules to non-block schedules it is hard to get an accurate picture. Each administrator should deal with their staff to handle scheduling and instructional time.

9.4. Business Committee Meeting

Brunner gave a brief recap of the Business Committee meeting. Topics included a presentation from ACE, discussion of district bills, balances in various funds and the Anderson and Shaw application for payment.

9.5. Personnel Committee Meeting

Miles explained that the Personnel Committee had met and had action items that were dealt with earlier in the agenda.

9.6. First Reading of Board Policy 103 - Equal Educational Opportunity

9.7. First Reading of Board Policy 402.01 - Equal Employment Opportunity

The second paragraph of this policy was reviewed and it was determined that it may be eliminated. This policy will be reviewed at the district's next Policy Committee Meeting.

9.8. First Reading of Board Policy 501 - Objectives for Equal Educational Opportunities for Students

9.9. First Reading of Board Policy 503.01 - Compulsory Attendance

Hague explained that this policy deals with the age change for entering kindergarten.

A type was pointed out in #2 under Minimum Age that will be corrected. Peters asked if a time limit should be specified on 2b. The Board was told that the district has already determined which assessment procedures are used in 2c.

10. Superintendent's Report

10.1. NASB Conference

Hague reminded the Board that the NASB Conference has been scheduled for November 11th, 2011 and asked who was planning to attend. The entire Board, along with Curriculum & Assessment Director Terri Martin will be attending the event in La Vista, NE. Hague encouraged Board members to attend breakout sessions provided by activity associations. Hague asked anyone who finds they are unable to attend to contact Frahm and she will cancel their reservation and registration.

10.2. GNSA Report

Hague let the Board know that the first GNSA meeting is scheduled for November 17th, which is the Thursday after the School Board Convention. Brunner has volunteered to attend. Hague provided future meeting dates of 1/8/12, 2/15/12 and 3/21/12. Hague stated that both Brunner and Winn have attended and that more than one representative is welcome to attend, as it is a short legislative session.

10.3. Lincoln Update

Hague covered the update on the Lincoln construction during his recap of the Building Committee Meeting.

11. Board Comments

Doll let everyone know that the cross country team did well at districts and wished them good luck at State. Winn stated that she had recent opportunity to spend time at the High School and said that taking the seats out of the hallways provided much better traffic flow. The tables and chairs in the commons area

where the lockers once stood also provides a great area for students to do homework.

12. Tentative Committee & Meeting Dates

The Policy Review Committee Meeting was changed to 4:30pm to accommodate Board Member's schedules. The Advisory Committee Meeting was moved to the 9th of November. If the BIST team is available, a work session will be scheduled for November.

13. Adjournment

8. Discussion Items

8.1. Building Committee Meeting

Peters recapped the minutes from the building committee meeting, adding that an additional meeting was held at noon on September 19th. The minutes of that meeting will be included in the October board packet. Peters focused on activity occurring at the Lincoln Elementary building site. Cement has been poured on the second floor now and they are starting to spray foam on the gym walls. The new building will allow for keyless entry, which may be adopted district wide. Also discussed was an RFP for network cabling. Board President Brunner encouraged meeting attendees to drive by and look at the fast-paced progress.

8.2. Facility Committee Meeting

Brunner recapped a facility committee meeting that was held at the Aurora building in Scottsbluff. Topics discussed included the facility priority list and associated costs. A tour was then led by Principal Schlothauer of the Aurora facility. The air quality test has come back clear. The prioritizing process was then discussed. The window project at the high school is the top priority at this time. This project is being completed in phases, as time and funds allow.

8.3. Curriculum Committee Meeting

Doll explained that Eldon Hubbard and Shaw Seiler spoke to the curriculum committee about one to one technology and the use of I pads and teacher evaluations. Teacher training was also discussed. Betty Smith reported on summer school to the committee and included statistics and the number in attendance. Next year Lincoln Elementary may be utilized for summer school. A discussion regarding a change in elementary recess times was held and Doll explained that the board did not have input in that decision. It was made by the building principal. Travel requests and Nesa scores were reviewed and areas

that need improvement were discussed. This was the first year of the test so comparisons are difficult.

8.4. Business Committee Meeting

Brunner reviewed the business committee meeting agenda and topics of discussion from that meeting. The committee approved an invoice from a roofing job. Fund transfers were also discussed.

8.5. Personnel Committee Meeting

Miles stated that the board will do a full review of the classified handbook in an executive session later in the evening.

Equality in teacher planning time was discussed and the committee recognizes the fact that it is different throughout the district. Block schedule advantages and disadvantages were reviewed. More discussions will need to take place on this item. Gering's block scheduling is a stumbling block when it comes to coordinating schedules with Scottsbluff's district.

8.6. First Reading of Board Policy 801.01 - Student Transportation

It was determined that the district provides bussing to more students than is required. The quantity of riders should decrease drastically after the new Lincoln structure is operating. Hague stated that he wrote an article about walking to school that will be published soon and will encourage those within walking distance to do so.

8.7. First Reading of Board Policy 801.02 - Special Education Student Transportation

8.8. First Reading of Board Policy 801.03 - Bus Scheduling and Routing

A meeting on October 14th is scheduled to meet with a bussing company to discuss cooperative bussing with Scottsbluff and ESU 13.

8.9. First Reading of Board Policy 801.04 - Bus Safety Program

Copsey asked why the fourth paragraph was stricken in this policy. Winn stated that Gering's policies are compared to the Nebraska Department of Education's recommended policies and if NDE changes and/or adopts something, the district follows suit. Doll asked to see the safe pupil transportation plan.

8.10. First Reading of Board Policy 801.05 - Bus Driver Supervision

Copsey asked what a "satisfactory" driving record is and what the parameters are. Winn also felt the wording pertaining to "drivers passing physical exams" is too vague. Copsey stated that, according to policy, the burden to report tickets is on the driver. He suggested setting up a better monitoring system.

9. Superintendent's Report

Hague said that he tries to keep the policies down to 5 to 10 policies per meeting. The school year is off to a good start and he is working on keeping the community informed about happenings within the district. The last article that he writes for the newspapers each month will be about the new Lincoln building. Hague stated that he received input from the Advisory Committee about the teacher orientation process this year. Hague intends to begin work on the 2012-2013 school calendar soon.

10. Board Comments

Doll commended Dave Pauli, the district's new Activities Director, for being on top of all of the district's activities and being visible at a variety of functions. Pauli's efforts have been appreciated by all. Doll stated that he has heard good comments about Pauli being at so many activities and feels that he is a nice addition to the district.

Peters thanked Mr. Seiler, Mr. Weyrich and the group of teachers who went to the Model Schools Conference. He expressed appreciation of their making a point of relationships between teachers and students, as this relationship contributes to student success.

Winn has also heard comments from staff and coaches about how approachable Pauli is. She also informed the board that Lincoln Elementary holds their recess prior to lunch, which calms the kids down and encourages them to eat a healthier lunch.

Copsey added that kids have noticed Pauli's visibility at functions and stated that he is actively getting to know the kids. He is doing a very good job. Winn also said that Mr. Schlothauer gave her a little tour of the BIST program at Lincoln.

Brunner read a quote from an email that he received.

11. Tentative Committee & Meeting Dates

The Superintendent's rolling calendar was reviewed. The Curriculum Committee meeting has been moved to the 11th and will be held in the central office board room. Copsey will be gone on October 5th so Winn will sit in for him during the Personnel Committee meeting. Hague informed the group that there is a meeting tomorrow night, September 20th about the BIST program. The meeting will be held in the auditorium at the High School at 7:00pm. The next Facility Committee meeting will be at Northfield Elementary on October 13th.

12. Executive Session
