September 12, 2011

To: Granby Board of Education

From: Kearns & Facilities Staff

Aden Clark passed away on September 3, 2011. His presence is missed by the Kearns & Facilities staff. We have lost a devoted colleague and friend. Aden has worked in the Granby Public School system for the past 30 years.

The Kearns' and Facilities' staff would like to purchase a tree along with a plaque dedicating this tree in Aden's honor. This tree would be purchased and delivered by Bosco's Garden Center. The custodial staff will plant the tree.
