Kenesaw 7-12 MAP Testing

Precisely Measure Growth and Performance

MAP® Growth™ measures what students know and what they're ready to learn next. By dynamically adjusting to each student's performance, MAP Growth creates a personalized assessment experience that accurately measures performance—whether a student performs on, above, or below grade level. Timely, easy-to-use reports help teachers teach, students learn, and administrators lead

Growth Over Time

MAP Growth reveals how much growth has occurred between testing events and, when combined with our norms, shows projected proficiency. Educators can track growth through the school year and over multiple years.

Kenesaw 7-12 MAP Testing

How it Works

MAP Growth is a computer-adaptive test. If your child answers a question correctly, the next question is more challenging. If they answer incorrectly, the next one is easier. This type of assessment challenges top performers without overwhelming students whose skills are below grade level.

How to use it

Teachers can use the score to inform instruction, personalize learning, and monitor the growth of individual students. Principals and administrators can use the scores to see the performance and progress of a grade level, school, or the entire district.

Kenesaw 7-12 MAP Testing

7th Grade

- Summary

MAP Growth uses a RIT scale to accurately measure what students know, regardless of their grade level. It also measures growth over time, allowing you to track your child's progress throughout the school year and across multiple years. Once your child completes a MAP Growth test, they receive a RIT score.

Principal's Monthly Report for School Board

Kenesaw Preschool and Elementary School

Joe Wiechman - Elementary Principal

My Goal: High Reliability Schools:

- 1.7 : The success of the whole school, as well as individuals within the school, is appropriately acknowledged.
- 1.8 : The fiscal, operational, and technological resources of the school are managed in a way that directly supports teachers.

Curriculum, Instruction, Student Achievement:

Goal: High Reliability Schools

- 1.2 : Students, parents, and the community perceive the school environment as safe and orderly.
- 1.4 : Teachers teams and collaborative groups regularly interact to address common issues regarding curriculum, assessment, instruction, and the achievement of all students.
- 1.6 : Students, parents, and the community have formal ways to provide input regarding the optimal function of the school.

Preschool:

Specific Goal: Unestablished at this time. Principal, Leadership Team, and Preschool group will determine goals at the beginning of the year.

Preschool playground wood chips were added to the play area, the wood chips were donated by Trade Well Pallets. The shed for scooters and playground equipment was moved to the cement pad by the play area. We are waiting on the installation of the fence around the play area.

This is the second year of our preschool grant, the application is in process. We have an open area in the preschool playground we would like to have turfed during this second year.

I am currently enrolled in a 7 month PK-3 class offered by NDE. The course is helping establish a knowledge base and skill set for supporting and leading the preschool.

Reading:

Specific Goal: Unestablished at this time. Principal, Leadership Team, and PLC groups will determine goals at the beginning of the year.

Nebraska Reading Improvement Act LB1081: Goal: All students reading at or above grade level by the end of 3rd grade. Districts are required to provide intervention or remediation to students.

- Key components: School Board Policy, Teacher Effectiveness, Early Identification and Assessment of Skills, Individual Reading Improvement Plan, Parent Engagement, and Summer Reading Opportunities.
- ESU 9 has provided the district with documentation samples and timeline information.

Math:

Specific Goal: Unestablished at this time. Principal, Leadership Team, and PLC groups will determine goals at the beginning of the year.

We are currently reviewing new curriculum resources, we have two choices at this moment, and are in the process of weighing the pros/cons of each to determine which will be the most effective resource for our students and teachers.

Social Emotional Resources:

Specific Goal: Unestablished at this time. Principal, Leadership Team, and PLC groups will determine goals at the beginning of the year.

- Second Step program used in preschool will continue in Kindergarten.
- Second Step principal program will also be incorporated throughout the year.
- 2x10 relationship building process will be used in classrooms with the support of the principal.

Parent/Community Involvement:

Goal: High Reliability Schools

- 1.2 : Students, parents, and the community perceive the school environment as safe and orderly.
- 1.6 : Students, parents, and the community have formal ways to provide input regarding the optimal function of the school.

Specific Goal: Unestablished at this time. Principal, Leadership Team, and PLC groups will determine goals at the beginning of the year.

Initiatives:

- High Reliability Schools: Level 1: Establish a Safe, Supportive, Collaborative Culture --- Level 1 is composed of eight leading indicators.
- Administration Training in Multi-Tiered Systems of Support processes.
- Weekly school message with important announcements for the week.

Instructional Technology:

Specific Goal: Unestablished at this time. Principal, Leadership Team, and PLC groups will determine goals at the beginning of the year.

Personnel:

Goal: High Reliability Schools

- 1.1 : The faculty and staff perceive the school environment as safe and orderly.
- 1.3 : School leaders ensure teachers have formal roles in the decision making process regarding school initiatives.
- 1.4 : Teachers teams and collaborative groups regularly interact to address common issues regarding curriculum, assessment, instruction, and the achievement of all students.
- 1.5 Teachers and staff have formal ways to provide input regarding the optimal functioning of the school.

Specific Goal: Unestablished at this time. Principal, Leadership Team, and PLC groups will determine goals at the beginning of the year.

Preschool Para position interviews have been completed and an offer made to first choice candidate, waiting on acceptance/declination.

Handbook Changes for 2019-20 School Year

1. Update Administrative Staff and Teaching Staff Sections
2. Insert 2019-20 School Calendar
3. Attendance Article 4– Section 2, sub heading 2 Unexcused Absences **change** working from “student may receive zeros for any class work missed during the absence” to “student may receive zeros for any class work missed during the absence if not completed in the allotted time provided (see Section 4. Make-up Work).”
4. Attendance Article 4– Section 4. Make-up Work, **eliminate** “For unexcused absences, the student will receive a failing mark for or in each class period missed.”
5. Student Conduct Rules Article 8 – Section 3 Electronic Devices part C, **add** “During class time students will place electronic devices in a designated area at the beginning of class and may retrieve the device at the end of class.” Non-compliance will result with electronic devices turned into the office. For the 1st and 2nd offense the parent/guardian must request that the electronic device be returned to the student at the end of the school day. Each offense after that the parent/guardian will be required to pick up the device and return it to the student after the school day has ended.” Subsequent offenses will result in the revocation of right to process personal electronic devices. A notification will be sent to parent/guardian.

3.3. Corresponding MAP Growth and NSCAS Cut Scores

Table 3.4 and Table 3.5 present the NSCAS scale scores for each achievement level and the corresponding MAP Growth RIT cut scores and percentile ranges by content area and grade. These tables can be used to predict a student’s likely achievement level on the NSCAS test when MAP Growth is taken in the spring, fall, or winter. For example, a Grade 6 student who obtained a MAP Growth Reading RIT score of 222 in the spring is likely to reach On Track proficiency on the NSCAS test. A Grade 3 student who obtained a MAP Growth Reading RIT score of 200 in the fall is also likely to reach On Track proficiency on the NSCAS spring test.
