POLICY ADVISORY DISCUSSION

Summary

Section G Revisions

Section G revisions are due to a reorganization that aligns similar policy content and maintains comprehensive information for effective Board governance and District operations. In addition, support staff policy documents coded “GD” have been merged with corresponding “GC” documents to avoid duplication of information. The policy documents listed above have either been removed, added due to recodification, merged with policy documents containing similar topics, or revised (**see Discussions below for specific information regarding each document**). Documents not listed in this comparison document from Section G did not change. The Clean Copy document linked on the Policy Advisory communication provides the revised Section G in its entirety.

Policy Advisory No. 963

Policy GBA — Equal Employment Opportunity Regulation GBA-R — Equal Employment Opportunity Exhibit GBA-E — Equal Employment Opportunity

The titles of the policy, regulation, and exhibit have been updated to include “and Non-Discrimination,” now reading *Equal Employment Opportunity and Non-Discrimination*. Language aligned with Policy AC – *Nondiscrimination/Equal Opportunity* has been incorporated, and additional revisions were made to expand and clarify the policy. In addition, headings were added to the regulation, and the exhibit was revised to include a date line next to the signature line for clarity.

Policy Advisory No. 964

Policy GBAC — Indian Preference in Employment

Legal references have been updated in Policy GBAC.

Policy Advisory No. 965 *DELETED* Policy GBB — Staff Involvement in Decision Making

Language from Policy GBB encouraging employee participation in decision-making has been condensed and incorporated into Policy GB under the heading *Personnel Guidelines*. Therefore, Policy GBB has been removed from the model manual.

Policy GBEA — Staff Ethics *NEW* Regulation GBEA-R Ethics and Code of Conduct *NEW* Exhibit GBEA-E Ethics and Code of Conduct

The policy title has been updated to include “and Code of Conduct,” now reading *Ethics and Code of Conduct*.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Content from former Policy GBEB addressing potential consequences for District employees who violate rules has been incorporated into Policy GBEA. Accordingly, Policy GBEB has been removed from the model manual. Provisions concerning the use of physical force have been cross-referenced in Regulation GBEA-R (M.) and in Policy JLDB, while the reference to unauthorized weapons possession or carry in the opening paragraph has been removed, as this topic is already addressed in Regulation GBEA-R (G.). The legal references have also been updated to include A.R.S. 15-105, relating to restraint, and A.R.S. 13-403, relating to the use of physical force.

Under the new *Code of Conduct* heading in Policy GBEA, the list of staff expectations has been revised for clarity and expanded to include provisions on protecting students (C.) and maintaining confidentiality (M.).

Additional information concerning restraint and seclusion (M.) and inappropriate personal relationships with students (L.) has been added to Regulation GBEA-R. Finally, staff expectation language originally contained in GBEB-R has been updated for clarity and incorporated into Policy GBEA under the *Code of Conduct* section, as well as Policy ECAC under the heading *Observed Weapons and Drug-Free School Zone Violations* and Regulation ECAC-R under the heading *Suspected Crimes or Incidents Reporting*.

Policy Advisory No. 967

Policy GBEAA — Staff Conflict of Interest Exhibit GBEAA-E — Staff Conflict of Interest

Policy GBEAA was revised to add hiring provisions, including the substitute-teacher exception for small school districts in A.R.S. 15-421, for clarity. The policy was also aligned more closely with Arizona conflict-of-interest law, including the substantial-interest framework in A.R.S. 38-502 through 38-509, and the Uniform System of Financial Records (USFR) guidance regarding annual employee conflict-of-interest disclosures and retention of related records. The titles of the policy and exhibit were updated to *Conflict of Interest*. The exhibit was further revised to clarify employee disclosure obligations, where disclosures are to be filed and maintained, and when updated disclosures must be submitted.

Policy Advisory No. 968

***DELETED* Policy GBEB — Staff Conduct *DELETED* Regulation GBEB-R — Staff Conduct *DELETED* Exhibit GBEB-E — Staff Conduct**

Policy GBEBB was reorganized and reworded for clarity to emphasize employee expectations regarding professional relationships with students and appropriate staff conduct. The revised policy consolidates supervision, behavioral, and professional standards into a concise list format and reinforces compliance with A.R.S. 15-105 and Policy JLDB on restraint and seclusion.

Policy Advisory No. 970

**Policy GBEEC — Gifts to and Solicitations
by Staff Members**

Policy GBEEC was reworded for clarity, and existing provisions regarding gifts to employees and gifts to students were separated into distinct sections with new headings for easier reference.

Policy Advisory No. 971

**Policy GBEC — Drug - Free Workplace
NEW Regulation GBEC-R — Drug - Free Workplace
Exhibit GBEC-EA — Drug - Free Workplace
DELETED Exhibit GBEC-EB — Drug - Free Workplace**

Policy GBEC has been updated to incorporate language from Policies GBECA and GBECB; therefore, those policies have been removed from the model manual. To reflect the expanded content, the policy, regulation, and exhibit titles have been revised to *Alcohol and Drug-Free Workplace*. Additional information clarifying the possession of alcohol in an employee's personal vehicle was added under the heading *Exceptions*, and new definitions and subheadings were included to enhance clarity and organization. The accompanying Exhibit GBEC-E was also updated to specify that an employee's notification to their supervisor of a conviction must be made in writing, clarifying the required method of notification. Exhibit GBEC-EB was recodified as Regulation GBEC-R due to its content, and Legal References were updated.

Policy Advisory No. 975

Policy GBEF — Staff Use of Digital Communications and Electronic Devices

Language from Policy GBEFA was incorporated into Policy GBEF; therefore, Policy GBEFA was removed from the model manual. The definition of *social media* was streamlined and modernized for clarity and relevance. References to specific platforms and technologies (e.g., Facebook, LinkedIn, X, YouTube, Android, iPhone) were removed to ensure the policy remains current as technologies evolve. The revised language groups these platforms into broader categories, such as social networking sites, blogs, microblogs, and content or virtual communities, and retains the reference to “successor protocols” to encompass emerging forms of communication. The overall update reduces redundancy, simplifies technical descriptions, and enhances long-term applicability without altering the intent of the policy. Headings were also added to improve organization, and a reference to the Child Internet Protection Act (CIPA) was included under the heading *Guidelines*.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

These topics are now addressed generally through provisions on universal precautions, confidentiality, and reporting/notification, with references to applicable public-health directives. Language from former Policy GBGC regarding District-directed medical tests or examination for employment, retention, or when an employee's condition warranted examination was not carried forward, as GBGA is focused on communicable-disease management, bloodborne-pathogen controls, immunizations, universal precautions, and eye protection. For reference, the Equal Employment Opportunity Commission's (EEOC) [Enforcement Guidance on Disability-Related Inquiries and Medical Examinations of Employees under the ADA](#) provides the applicable standard for employer-required medical examinations. Language under the heading *Threats* from GBGB was also not carried forward because threat-response protocols are generally addressed within the District's safety and security framework. Policy Advisory No. 979 *DELETED* Policy GBGC — Employee Assistance
***DELETED* Exhibit GBGC-E — Employee Assistance**

Language from Policy GBGC was incorporated into Policy GBGA under the headings *Required Compliance Procedures* and *Bloodborne Pathogens Exposure*; accordingly, Policy GBGC has been removed from the model manual. As noted in Policy Advisory 977, the EEOC provides guidance regarding the standard for employers seeking medical examinations of employees. Exhibit GBGC-E has been recodified as GBGA-EA; accordingly, GBGC-E has been removed from the model manual.

Policy Advisory No. 980 *DELETED* Policy GBGCA — Wellness Programs
***DELETED* Regulation GBGCA-R — Wellness Programs**

A general statement from Policy GBGCA was incorporated into Policy GBGA under the heading *Immunization*, and disease-specific immunity information was incorporated into Regulation GBGA-RA; therefore, Policy GBGCA was removed from the model manual. Regulation GBGCA-R was recodified as GBGA-RA; accordingly, GBGCA-R has been removed from the model manual.

<i>Note:</i> This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Exhibit GBGCB-E has been recodified as GBGA-EB; accordingly, GBGCB-E has been removed from the model manual.

**Policy Advisory No. 982 Policy GBGD — Workers' Compensation
Regulation GBGD-R — Workers' Compensation
Exhibit GBGD-E — Workers' Compensation**

The policy and regulation were revised to clarify coverage by replacing “accident” with “personal injury by accident,” aligning the terminology with A.R.S. 23-904. Exhibit GBGD-E was also updated: Item “C.” and the final paragraph were revised to align with EEOC/ADA return-to-work standards.

**Policy Advisory No. 983 Policy GBI — Staff Participation in
Political Activities**

Policy GBI was updated with minor edits, including expanding the prohibition on using District assets to influence elections to include “or any other thing of value of the District,” consistent with A.R.S. 15-511.

**Policy Advisory No. 984 Policy GBJ — Personnel Records and Files
NEW Regulation GBJ-R — Personnel Records and Files
DELETED Exhibit GBJ-E — Personnel Records and Files**

Policy GBJ was reorganized with headings, and teacher confidentiality protections under A.R.S. 15-537 were added for clarity. Exhibit GBJ-E was recodified as a Regulation GBJ-R due to its compliance directive and replaced “bulleted above” with “listed above” in Item 4.a.

**Policy Advisory No. 985 Policy GBK — Staff Grievances

Cross references were also added to the policy, and the regulation and exhibits were revised to specify “business” days for clarity and alignment with the policy.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Policy Advisory No. 986

Policy GBP — Prohibited Personnel Practices

Policy GBP was retitled *Reprisals* to more accurately reflect its scope, improving alignment between the title and the policy's content.

Policy Advisory No. 987

***DELETED* Policy GCA — Professional Staff Positions**

Policy GCA has been removed from the model manual as its provisions are primarily operational and generally covered by HR procedures. Districts may retain the policy locally if it aligns with and supports their internal processes.

Policy Advisory No. 988

Policy GCB — Professional Staff Contracts and Compensation

Policy GCB was reorganized with headings and added definitions to improve clarity. Content from Policies GCBD, GDB, and GDBD was consolidated into GCB; accordingly, GCBD, GDB, and GDBD have been removed from the model manual. The title was revised to *Compensation* to better reflect the policy's scope and contents.

Policy Advisory No. 989

Policy GCBA — Professional Staff Salary Schedules

Policy GCBA consolidates content from GCBC, GDBA, and GDBC; accordingly, those policies have been removed from the model manual. Headings were added for clarity, and the title was updated to *Salaries* to better reflect the policy's scope. The *Advancement on Salary Schedule* criteria (Items A–D) were revised to replace vague phrases with specific, documentable standards tied to job duties, compliance, and professional conduct.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Policy Advisory No. 993

**Policy GCCA — Professional / Support Staff
Sick Leave
NEW Regulation GCCA-RA Types of Leaves
NEW Regulation GCCA-RB Types of Leaves
NEW Regulation GCCA-RC Types of Leaves
NEW Exhibit GCCA-E Types of Leaves**

To improve clarity, reduce redundancy, and centralize statutory references in one place, multiple leave-related policies (GCC, GCCA, GCCB, GCCC, GCCD, GCCE, GCCF, GCCG, GCCH, GCD, GDCG, and GDD) were consolidated into a single, comprehensive policy (GCCA – Types of Leaves). The unified policy organizes all common leave types—sick leave and earned paid sick time (A.R.S. 23-372, 23-373), FMLA (29 U.S.C. 2601–2654; 29 C.F.R. Part 825), banked/voluntary sick-leave transfer, personal and bereavement leave, victim leave (A.R.S. 8-420/13-4439), jury duty (A.R.S. 21-236), voting leave (A.R.S. 16-402), military/USERRA (A.R.S. 26-168; 38-610; 38 U.S.C. 4303), holidays (A.R.S. 15-801), vacation leave, sabbatical leave (A.R.S. 15-510), professional development leave, unpaid leaves of absence, and absent without leave—under clear headings. Districts may localize details, such as the number and use of personal days, leave-request lead times, and vacation-leave provisions, within the updated policy or in accompanying regulations.

Newly created Regulation GCCA-RA includes content on Arizona earned paid sick time previously detailed in Policy GCCA, and consolidates and clarifies the “use,” “accrual,” “notice,” “retaliation,” and “definitions” provisions drawn from A.R.S. 23-371, 23-372, 23-373, and 23-364.

Policy GCCC’s detailed leave-of-absence and FMLA provisions have been reorganized into newly created Regulation GCCA-RB to simplify navigation and separate policy from procedure; accordingly, GCCC has been removed from the model manual. Operational, statute-driven FMLA content, previously in Policy GCCC, aligns process and forms to U.S. Department of Labor guidance; clarifies coverage thresholds; and notes universal posting requirements with links to the DOL resources. Forms provided in Exhibits GCCC-EA, GCCC-EB, GCCC-EC, GCCC-ED, and GCCC-EE may now be accessed via the link provided in GCCA-RB under the heading *Regulations, Process and Forms*, accordingly, Exhibits GCCC-EA through GCCC-EE have been removed from the model manual.

Policy GCCE’s content has been recodified as Regulation GCCA-RC to consolidate leave provisions under GCCA and keep day-to-day procedures in the regulation. In the newly created GCCA-RC, the prior “at least 20 days’ advance approval” requirement was removed to allow districts to set local timelines administratively, while the decision guides for released time/travel (value of event, budget availability, and substitute coverage) were retained.

Exhibit GCCD-E has been recodified as GCCA-E; accordingly, GCCD-E has been removed from the model manual.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Removing GCI avoids prescriptive provisions (e.g., credit-for-salary-advancement language) that are generally managed through local HR procedures and/or regulations. To improve clarity, reduce redundancy, and centralize statutory references in one place, policies GCGB, GCL, GCMC, GDK, GDL, and GDLB were consolidated into a single, comprehensive policy (GCMF – Duties and Responsibilities). The A.–F. list originally in GCMF was removed because its content is addressed more generally in Policy GBEA and Regulation IKE-RA (regarding retention/promotion); taking and maintaining daily classroom attendance was retained in Policy GCMF. In addition, the information regarding sectarian instruction was moved to Policy IHAL – Teaching About Religion. Regulation GDL-R has been revised and recodified as GCMF-RA. For clarity and compliance, the updated regulation includes a direct link to 29 U.S.C. 207(o), which provides the controlling compensatory-time requirements. Policy GCQF now incorporates the “Required” and “Not Allowed” provisions drawn directly from A.A.C. R7-2-1308 (Unprofessional and Immoral Conduct), grounding the listed categories of misconduct in the same rule framework used by the State Board of Education. This revision establishes a unified expectation for all employees (certificated and noncertificated) by applying the same standards of professional conduct across the District. Newly created Regulation GCQF-RA now contains the procedural information for certificated employees that previously appeared in the policy text. Newly created Regulation GCQF-RB consolidates the procedural information for noncertificated employees that was originally contained in Policy GDQD; accordingly, Policy GDQD has been removed from the model manual.

The added policy language addresses the specific immediate reporting duties imposed by law when school personnel observe violations involving weapons, a minor in possession of a firearm, or drug-free school zone offenses. The added regulation language provides the administrative process for documenting, routing, and escalating those reports. Transferring these provisions to ECAC/ECAC-R improves organization, aligns the language with the District's school safety reporting framework, and separates these legal reporting duties from the more general employee-conduct provisions formerly housed in GBEB-R.

INDIAN PREFERENCE IN EMPLOYMENT**

A provision of the 1964 Civil Rights Act allows private and government employers on or near a federal trust Indian reservation to publicly announce and practice a policy giving preferential treatment in hiring to Indian candidates. Indian preference may supersede the equal employment opportunity laws contained in Subchapter VI, Chapter 21 (Civil Rights) of Title 42, U.S. Code.

Therefore, the following exceptions may apply, notwithstanding any other rule, regulation, or policy (e.g., GBA) of the Governing Board.

Indian means, for purposes of the District's Indian Preference in Employment policy, "any person who is presently an enrolled member of a federally recognized tribe."

As used in this policy, the term *Indian preference in employment* shall mean that in the selection process Native American candidates who meet or surpass qualifications for a position shall be given preference for positions established by the Governing Board. The preference standards for each position shall be outlined by the Governing Board prior to opening the position for interested applicants.

The Governing Board may waive any of the above requirements by a formal vote. Such waiver shall apply only to individual employment as determined by the Board on a case-by-case basis. In each case where a waiver of Indian preference occurs, the Board shall make a record of the occurrence, which shall be included in the official minutes of the Board.

Required Compliance
Procedures

The Superintendent shall have procedures for complying with the requirements of the Occupational Safety and Health Administration (OSHA), including an exposure-control plan, methods of compliance, work-practice controls, postexposure evaluation and follow-up, and administering vaccine to employees exposed to Hepatitis B virus.

Communicable Diseases

It is the policy of the District to take reasonable and lawful measures to protect students and staff members from the transmission of communicable diseases. The Superintendent is authorized to adopt such procedures as are necessary to implement this policy in a manner consistent with state and federal laws.

Immunization

The District shall require vaccination against communicable diseases from all employees unless an exception is requested and granted, consistent with state and federal laws.

Bloodborne Pathogens Exposure

All employees who as a result of their employment have had significant exposure to bloodborne pathogens (Hepatitis B/Human Immunodeficiency Virus, HIV-AIDS) are required to report the details of the exposure in writing to the District and are required to follow post-exposure evaluation and follow-up activities in accordance with Arizona and federal laws. An employee who chooses not to complete these reporting requirements will be at risk of losing any claim to rights.

COVID-19

The School District shall not:

- A. Require a resident of this state to receive a vaccination for COVID-19 or any variant of COVID-19.
- B. Impose any requirement to wear a mask or face covering anywhere on the School District's premises, except where long-standing workplace safety and infection control measures unrelated to COVID-19 may be required. See GBGA-RB for a list of long-standing workplace safety control measures.

Universal Precautions

The District shall follow the "Universal Precautions Standard" in Exhibit GBGA-EB to protect employees who are at risk of being exposed to blood and body fluids in the course of their work.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Exclusion from School

A staff member who has a communicable disease shall be excluded from school only if the staff member presents a direct threat to the health or safety of others in the employee's workplace. The outbreak control measures, and other directives of the Arizona Department of Health Services (DHS) and local health agencies shall be acted upon as the best medical knowledge and judgments with regard to the exclusion of a staff member who has a communicable disease that is addressed by DHS regulations. The communicable diseases specifically addressed by DHS regulations are listed at A.A.C. R9-6-203 *et seq.*

A staff member who has a chronic communicable disease, such as tuberculosis or HIV/AIDS, shall not be excluded unless a significant risk is presented to the health and safety of others, which cannot be eliminated by reasonable accommodation. The Superintendent shall consult with legal counsel and health professionals, as necessary, to ensure that exclusion of a staff member with a chronic communicable disease will not violate the staff member's rights under the Americans with Disabilities Act or Section 504 of the Rehabilitation Act.

The school nurse or other person designated by the Superintendent must reassess a staff member who is excluded from school because of a communicable disease before the staff member returns to work. The District may require a physician's written medical release as a condition for the staff member's return to work.

Reporting and Notification

If an outbreak of a communicable disease occurs in a school setting, the Superintendent or the school nurse shall promptly inform staff members who are known to have special vulnerability to infection.

The District does not assume any duty to notify an employee of health risks caused by the presence of a communicable disease in the school setting unless the at-risk employee has notified the District of the conditions when notification is needed.

The District shall report by telephone to its local health agency each diagnosed and suspected case of a communicable disease as set out in Regulation JLCB-R.

Eye Protective Devices

The Superintendent shall establish procedures for every student, teacher, and visitor in public schools that shall require the wearing of appropriate eye protective ware while participating in or when observing vocational, technical, industrial arts, art, or laboratory science activities.

The Board shall equip the schools with eye protective ware.

Schools may receive and expend federal, state, and local monies to provide eye protective devices.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Confidentiality

The District shall make reasonable efforts to maintain the confidentiality of staff members' medical conditions. All medical information relating to employees is confidential. The identity of a staff member who has a communicable disease and/or the nature of the communicable disease may be disclosed only to:

A. Staff members who must have such information to carry out their duties under this policy; or

B. Staff members or students (or their parents/guardians) who must have such information to protect themselves from direct threat to their health or safety.

Inquiries or concerns by staff members or others regarding communicable diseases or a staff member who is known or believed to have a communicable disease shall be directed to the Superintendent or the school nurse.

Food Service Workers

The District shall follow the guidance of the U.S. Department of Health and Human Services concerning infectious and communicable diseases transmitted through the handling of food, and special precautions required for food services workers.

HEALTH

BLOODBORNE PATHOGEN REQUIREMENTS

Exposure Control Plan

Employee(s) with occupational exposure to human blood, human blood components, products made from human blood, or pathogenic microorganisms, including but not limited to Hepatitis B virus or HIV, shall comply with this Exposure Control Plan designed to eliminate or minimize employee exposure.

This Exposure Control Plan contains the following elements:

- A. The exposure determination outlined below.
- B. The schedule and method of implementation.
- C. The procedure for the evaluation of circumstances surrounding exposure.

A copy of this Exposure Control Plan shall be accessible to employees.

This Exposure Control Plan shall be reviewed and updated at least annually and whenever necessary to reflect new or modified tasks and procedures that affect occupational exposure, and to reflect new or revised employee positions with occupational exposure.

This Exposure Control Plan shall be made available to the Assistant Secretary of Labor and the Director of the Occupational Safety and Health Administration upon request for examination and copying.

Exposure Determination

The District has determined that employee positions may involve the following levels of exposure to bloodborne pathogens as a collateral function to the primary job description:

- A. High risk - Coaches, physical education instructors, custodians, certain special education program personnel, playground duty personnel, health services personnel, and security personnel.
- B. Moderate risk - Regular instructional program personnel, other special education program personnel, school level office personnel, maintenance personnel, food services personnel, and special assignment personnel (e.g., counselors, librarians).
- C. Low risk - District level office personnel.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Methods of Compliance

General. Universal precautions shall be observed by all District employees to prevent contact with blood or other potentially infectious materials. Under circumstances in which differentiation between body fluid types is difficult or impossible, all body fluids shall be considered potentially infectious materials.

Engineering and work practice controls:

A. Engineering and work practice controls shall be used to eliminate or minimize employee exposure. If occupational exposure remains after institution of these controls, personal protective equipment shall also be used.

B. Engineering controls shall be examined and maintained or replaced on a regular schedule to ensure their effectiveness.

C. The District shall provide hand-washing facilities that are readily accessible to employees.

D. When provision of hand-washing facilities is not feasible, the District shall provide either an appropriate antiseptic hand cleanser in conjunction with clean cloth/paper towels or antiseptic towelettes. When antiseptic hand cleansers or towelettes are used, hands shall be washed with soap and running water as soon as feasible.

E. The District requires that employees wash their hands immediately or as soon as feasible after removal of gloves or other personal protective equipment. Supervisory personnel shall ensure compliance.

F. The District requires that employees wash hands and any other skin with soap and water, or flush mucous membranes with water immediately or as soon as feasible following contact of such body areas with blood or other potentially infectious materials. Supervisory personnel shall ensure compliance.

G. Contaminated needles and other contaminated sharps shall not be bent, recapped, or removed except as noted below. Shearing or breaking of contaminated needles is prohibited.

1. Contaminated needles and other contaminated sharps shall not be recapped or removed unless no other alternative is feasible or such action is required by a specific medical procedure as determined by a competent medical professional qualified to make such determination.

2. Such recapping or needle removal must be accomplished through the use of a mechanical device or a one-handed technique.

H. Immediately or as soon as possible after use, contaminated reusable sharps shall be placed in appropriate containers until properly reprocessed.

I. Eating, drinking, smoking, applying cosmetics or lip balm, and handling contact lenses are prohibited in work areas where there is a reasonable likelihood of occupational exposure.

J. Food and drink shall not be kept in refrigerators, freezers, shelves, or cabinets, or on countertops or benchtops where blood or other potentially infectious materials are present.

K. All procedures involving blood or other potentially infectious materials shall be performed in such a manner as to minimize splashing, spraying, spattering, and generation of droplets of these substances.

L. Mouth pipetting/suctioning of blood or other potentially infectious materials is prohibited.

M. Specimens of blood or other potentially infectious materials shall be placed in a container that prevents leakage during collection, handling, processing, storage, transport, or shipping.

1. The container for storage, transport, or shipping shall be labeled or color coded according to law and closed prior to being stored, transported, or shipped. When a facility utilizes "universal precautions" in the handling of all specimens, the labeling/color coding of specimens is not necessary, provided containers are recognizable as containing specimens. This exemption applies only while such specimens/containers remain with the facility. Labeling or color coding is required when such specimens/containers leave the facility.

2. If outside contamination of the primary container occurs, the primary container shall be placed within a second container that prevents leakage during handling, processing, storage, transport, or shipping and is labeled or color coded according to the requirements of this standard.

3. If the specimen could puncture the primary container, the primary container shall be placed within a secondary container that is puncture resistant in addition to the above characteristics.

N. Equipment that may become contaminated with blood or other potentially infectious materials shall be examined prior to servicing or shipping and shall be decontaminated as necessary, unless the decontamination of such equipment or portions of such equipment is not feasible as determined by a supervisory employee assigned to make such determination.

1. A readily observable label in accordance with law shall be attached to the equipment stating which portions remain contaminated.
2. This information shall be conveyed to all affected employees, the servicing representative, and/or the manufacturer, as appropriate, prior to handling, servicing, or shipping so that appropriate precautions will be taken.

Personal protective equipment:

A. *Provision.* When occupational exposure occurs, the District shall provide, at no cost to the employee, appropriate personal protective equipment such as, but not limited to, gloves, gowns, laboratory coats, face shields or masks and eye protection, and mouthpieces, resuscitation bags, pocket masks, or other ventilation devices. Personal protective equipment will be considered "appropriate" only if it does not permit blood or other potentially infectious materials to pass through to or reach the employee's work clothes, street clothes, undergarments, skin, eyes, mouth, or other mucous membranes under normal conditions of use and for the duration of time that the protective equipment will be used.

B. *Use.* The District requires that all exposed employees use appropriate personal protective equipment unless the District documents that a specific employee temporarily and briefly declined to use personal protective equipment when, under rare and extraordinary circumstances, it was such employee's professional judgment that in the specific instance its use would have prevented the delivery of health care or public safety services or would have posed an increased hazard to the safety of the worker or co-worker. When the employee makes this judgment, the circumstances shall be reported by the employee and investigated and documented by the District in order to determine whether changes can be instituted to prevent such occurrences in the future.

C. *Accessibility.* Appropriate personal protective equipment in the appropriate sizes must be readily accessible at the work site or issued to employees. Hypoallergenic gloves, glove liners, powderless gloves, or other similar alternatives shall be readily accessible to employees who are allergic to the gloves normally provided.

D. *Cleaning, laundering, and disposal.* The District shall clean, launder, and dispose of personal protective equipment required in this standard, at no cost to the employee.

E. *Repair and replacement.* The District shall repair or replace personal protective equipment as needed to maintain its effectiveness, at no cost to the employee.

F. Any garment(s) penetrated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible.

G. All personal protective equipment shall be removed prior to leaving the work area.

H. When personal protective equipment is removed it shall be placed in an appropriately designated area or container for storage, washing, decontamination, or disposal.

I. *Gloves.* Gloves shall be worn when it can be reasonably anticipated that the employee may have hand contact with blood, other potentially infectious materials, mucous membranes, and nonintact skin; when performing vascular access procedures; and when handling or touching contaminated items or surfaces.

1. Disposable (single-use) gloves, such as surgical or examination gloves, shall be replaced as soon as practical when contaminated or as soon as feasible if they are torn, punctured, or their ability to function as a barrier is compromised.

2. Disposable (single-use) gloves shall not be washed or decontaminated for reuse.

3. Utility gloves may be decontaminated for reuse if the integrity of the gloves is not compromised. However, they must be discarded if they are cracked, peeling, torn, punctured, or exhibit other signs of deterioration or when their ability to function as a barrier is compromised.

Housekeeping:

A. *General.* The work site must be maintained in a clean and sanitary condition. The District shall establish, attach hereto, and implement an appropriate written schedule for cleaning and the method of decontamination based upon the location within the facility, type of surface to be cleaned, type of soil present, and tasks or procedures being performed in the area.

B. All school activity areas are cleaned daily.

C. In cleaning operations involving human blood, a cleaning solution consisting of ten to one (10:1) ratio of water and bleach will be used.

D. All equipment and environmental and working surfaces shall be cleaned and decontaminated after contact with blood or other potentially infectious materials.

1. Contaminated work surfaces shall be decontaminated with an appropriate disinfectant after completion of procedures, immediately or as soon as feasible when surfaces are overtly contaminated or after any spill of blood or other potentially infectious materials, and at the end of the work shift if the surface may have become contaminated since the last cleaning.
2. Protective coverings - such as plastic wrap, aluminum foil, or imperviously backed absorbent paper used to cover equipment and environmental surfaces - shall be removed and replaced as soon as feasible when they become overtly contaminated or at the end of the work shift if they may have become contaminated during the shift.
3. All bins, pails, cans, and similar receptacles intended for reuse that have a reasonable likelihood of becoming contaminated with blood or other potentially infectious materials shall be inspected and decontaminated on a regularly scheduled basis and cleaned and decontaminated immediately or as soon as feasible upon visible contamination.
4. Broken glassware that may be contaminated shall not be picked up directly with the hands. It shall be cleaned up using mechanical means such as a brush and dust pan, tongs, or forceps.
5. Reusable sharps that are contaminated with blood or other potentially infectious materials shall not be stored or processed in a manner that requires employees to reach by hand into the containers where these sharps have been placed.

E. Regulated waste:

1. Contaminated sharps discarding and containment:

a. Contaminated sharps shall be discarded immediately or as soon as feasible in containers that are:

I. Closable.

II. Puncture resistant.

III. Leakproof on sides and bottom.

IV. Labeled or color coded.

b. During use, containers for contaminated sharps shall be:

I. Easily accessible to personnel and located as close as is feasible to the immediate area where sharps are used or can be reasonably anticipated to be found (e.g., laundries).

II. Maintained upright throughout use.

III. Replaced routinely and not be allowed to overfill.

c. When moving containers of contaminated sharps from the area of use, the containers shall be:

I. Closed immediately prior to removal or replacement to prevent spillage or protrusion of contents during handling, storage, transport, or shipping.

II. Placed in a secondary container if leakage is possible. The second container shall be:

i. Closable.

ii. Constructed to contain all contents and prevent leakage during handling, storage, transport, or shipping.

iii. Labeled or color coded.

d. Reusable containers shall not be opened, emptied, or cleaned manually or in any other manner that would expose employees to the risk of percutaneous injury.

2. Other regulated waste containment:

a. Regulated waste shall be placed in containers that are:

I. Closable.

II. Constructed to contain all contents and prevent leakage of fluids during handling, storage, transport, or shipping.

III. Labeled or color coded.

IV. Closed prior to removal to prevent spillage or protrusion of contents during handling, storage, transport, or shipping.

b. If outside contamination of the regulated waste container occurs, it shall be placed in a second container. The second container shall be:

I. Closable.

II. Constructed to contain all contents and prevent leakage of fluids during handling, storage, transport, or shipping.

III. Labeled or color coded.

IV. Closed prior to removal to prevent spillage or protrusion of contents during handling, storage, transport, or shipping.

3. Disposal of all regulated waste shall be in accordance with applicable regulations of the United States, states, territories, and political subdivisions of states and territories.

F. Laundry:

1. Contaminated laundry shall be handled as little as possible, with a minimum of agitation.

a. Contaminated laundry shall be bagged or containerized at the location where it was used and shall not be sorted or rinsed in the location of use.

b. Contaminated laundry shall be placed and transported in bags or containers labeled or color coded. When a facility utilizes universal precautions in the handling of all soiled laundry, alternative labeling or color coding is sufficient if it permits all employees to recognize the containers as requiring compliance with universal precautions.

c. Whenever contaminated laundry is wet and presents a reasonable likelihood of soak-through of or leakage from the bag or container, the laundry shall be placed and transported in bags or containers that prevent soaking-through and/or leakage of fluids to the exterior.

2. Employees who have contact with contaminated laundry must wear protective gloves and other appropriate personal protective equipment.

3. When a facility ships contaminated laundry off-site to a second facility, which does not utilize universal precautions in the handling of all laundry, the facility generating the contaminated laundry must place such laundry in bags or containers that are labeled or color-coded.

**Hepatitis B Vaccination and Postexposure
Evaluation and Follow-up**

General:

A. The District shall make available the hepatitis B vaccine and vaccination series to all employees who have occupational exposure, and postexposure evaluation and follow-up to all employees who have had an exposure incident.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

B. The District requires that all medical evaluations and procedures, including the hepatitis B vaccine, and vaccination series and postexposure evaluation and follow-up, including prophylaxis, are:

1. Made available at no cost to the employee.
2. Made available to the employee at a reasonable time and place.
3. Performed by or under the supervision of a licensed physician or by or under the supervision of another licensed health care professional.
4. Provided according to recommendations of the U.S. Public Health Service current at the time these evaluations and procedures take place, except as specified in this section on hepatitis B vaccination and postexposure evaluation and follow-up.

C. The District requires that all laboratory tests be conducted by an accredited laboratory at no cost to the employee.

Hepatitis B vaccination:

A. Hepatitis B vaccination shall be made available after the employee has received the training required and within ten (10) business days of initial assignment to all employees who have occupational exposure unless the employee has previously received the complete hepatitis B vaccination series, antibody testing has revealed that the employee is immune, or the vaccine is contraindicated for medical reasons.

B. The District shall not make participation in a prescreening program a prerequisite for receiving hepatitis B vaccination.

C. If the employee initially declines hepatitis B vaccination but at a later date while still covered under the standard decides to accept the vaccination, the District shall make available hepatitis B vaccination at that time.

D. The District requires all employees who decline to accept hepatitis B vaccination that is offered to sign the following statement:

I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to me.

E. If a routine booster dose(s) of hepatitis B vaccine is recommended by the U.S. Public Health Service at a future date, such booster dose(s) shall be made available.

Postexposure evaluation and follow-up. Following a report of an exposure incident, the District shall make immediately available to the exposed employee a confidential medical evaluation and follow-up, including at least the following elements:

A. Documentation of the route(s) of exposure, and the circumstances under which the exposure incident occurred.

B. Identification and documentation of the source individual, unless the District can establish that identification is infeasible or prohibited by state or local law.

1. The source individual's blood shall be tested as soon as feasible, and after consent is obtained, in order to determine HBV and HIV infectivity. If consent is not obtained, the District shall establish that legally required consent cannot be obtained. When the source individual's consent is not required by law, the source individual's blood, if available, shall be tested and the result documented.

2. When the source individual is already known to be infected with HBV or HIV, testing for the source individual's known HBV or HIV status need not be repeated.

3. Results of the source individual's testing shall be made available to the exposed employee, and the employee shall be informed of applicable laws and regulations concerning disclosure of the identity and infectious status of the source individual.

C. Collection and testing of blood for HBV and HIV serological status:

1. The exposed employee's blood shall be collected as soon as feasible and tested after consent is obtained.

2. If the employee consents to base-line blood collection, but does not give consent at that time for HIV serologic testing, the sample shall be preserved for at least ninety (90) days. If within ninety (90) days of the exposure incident the employee elects to have the base-line sample tested, such testing shall be done as soon as feasible.

D. Postexposure prophylaxis, when medically indicated, as recommended by the U.S. Public Health Service.

E. Counseling.

4. Results of the source individual's blood testing, if available.
5. All medical records relevant to the appropriate treatment of the employee, including vaccination status, that are the District's responsibility to maintain.

Health care professional's written opinion. The District shall obtain and provide the employee with a copy of the evaluating health care professional's written opinion within fifteen (15) days of the completion of the evaluation.

A. The health care professional's written opinion for hepatitis B vaccination shall be limited to whether hepatitis B vaccination is indicated for an employee and whether the employee has received such vaccination.

B. The health care professional's written opinion for postexposure evaluation and follow-up shall be limited to the following information:

1. That the employee has been informed of the results of the evaluation.
2. That the employee has been told about any medical conditions resulting from exposure to blood or other potentially infectious materials that require further evaluation or treatment.

C. All other findings or diagnoses shall remain confidential and shall not be included in the written report.

Medical record keeping. Medical records required by this standard shall be maintained.

Communication of Hazards to Employees

Labels:

A. Warning labels shall be affixed to containers of regulated waste, refrigerators and freezers containing blood or other potentially infectious material, and other containers used to store, transport, or ship blood or other potentially infectious materials, except as provided in law.

B. Training shall be provided as follows:

1. At the time of initial assignment to tasks where occupational exposure may take place.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

2. Within ninety (90) days after the effective date of the standard.

3. At least annually thereafter.

C. For employees who have received training on bloodborne pathogens in the year preceding the effective date of the standard, only training with respect to the provisions of the standard that were not included need be provided.

D. Annual training for all employees shall be provided within one (1) year of their previous training.

E. The District shall provide additional training when changes such as modification of tasks or procedures or institution of new tasks or procedures affects the employee's occupational exposure. The additional training may be limited to addressing the new exposures created.

F. Material appropriate in content and vocabulary to educational level, literacy, and language of employees shall be used.

G. The training program shall contain at a minimum the following elements:

A. The District shall establish and maintain an accurate record for each employee with occupational exposure as defined herein.

B. This record shall include:

1. The name and Social Security number of the employee.

2. A copy of the employee's hepatitis B vaccination status, including the dates of all hepatitis B vaccinations and any medical records relative to the employee's ability to receive vaccination.

3. A copy of all results of examinations, medical testing, and follow-up procedures.

COMMUNICABLE DISEASES

**Handling Body Fluids
in School**

The following guidelines are meant to provide simple and effective precautions against transmission of disease for all people potentially exposed to the blood or body fluids of any person (student and/or school employee). No distinction is made between body fluids from persons with a known disease or those from persons without symptoms or with an undiagnosed disease.

The body fluids of all people should be considered to contain potentially infectious agents. The term *body fluids* includes blood, semen, drainage from scrapes and cuts, feces, urine, vomit, respiratory secretions (such as nasal discharge), and saliva.

A. Whenever possible, avoid direct skin contact with body fluids. Disposable gloves are recommended when direct hand contact with body fluids is anticipated. If extensive contact is made with body fluids, hands must be washed afterwards. Gloves used for this purpose should be put in a plastic bag, secured, and disposed of daily.

B. If direct skin contact does occur, hands and other affected skin areas of all exposed people shall be routinely washed with soap and water.

C. Proper handwashing requires the use of soap and water and vigorous washing under a stream of running water for at least twenty (20) seconds.

D. Clothing and other nondisposable items that are soaked through with body fluids should be rinsed and placed in plastic bags. If presoaking is required to remove stains, rinse or soak the item in cold water prior to bagging. Clothing should be sent home with the student for washing, with appropriate directions to parents and teachers (see *laundry instructions* below). Always wear gloves when handling items that have come in contact with body fluids.

E. Contaminated disposable items shall be handled with disposable gloves, put in a plastic bag, secured, and disposed of daily.

F. Body fluid spills on hard surfaces (i.e., floors, countertops, books, et cetera) shall be disinfected with bleach (diluted to ten [10] parts water and one [1] part bleach), and bleach solution should remain on the surface for at least one (1) minute before wiping. Gloves shall always be worn during cleanup.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

G. Cleaning equipment:

1. Nondisposable cleaning equipment (such as dust pans, brooms, and buckets) shall be disinfected by thoroughly rinsing in diluted bleach (ten [10] parts water and one [1] part bleach). Mops shall be soaked in the disinfectant after use and then rinsed with hot water. The disinfectant solution shall be promptly disposed of down a drain pipe.

2. Disposable cleaning equipment (such as paper towels, the vacuum bag, or sweepings) shall be placed in plastic bags, secured, and disposed of daily. No special handling is required for vacuuming equipment. Gloves shall always be used during cleanup.

H. Laundry instructions:

Clothing soaked with body fluids shall be washed separately from other items. Presoaking may be required for heavily soiled clothing. Otherwise, wash and dry as usual. If the material can be bleached, add one-half (1/2) cup of household bleach to the wash cycle. If the material is not colorfast, add one-half (1/2) cup of all-fabric bleach to the wash cycle.

~~EMPLOYEE ASSISTANCE~~

~~BLOODBORNE PATHOGEN REQUIREMENTS~~

~~Exposure Control Plan~~

~~Employee(s) with occupational exposure to human blood, human blood components, products made from human blood, or pathogenic microorganisms, including but not limited to Hepatitis B virus or HIV, shall comply with this Exposure Control Plan designed to eliminate or minimize employee exposure.~~

~~This Exposure Control Plan contains the following elements:~~

- ~~A. The exposure determination outlined below.~~
- ~~B. The schedule and method of implementation.~~
- ~~C. The procedure for the evaluation of circumstances surrounding exposure.~~

~~A copy of this Exposure Control Plan shall be accessible to employees.~~

~~This Exposure Control Plan shall be reviewed and updated at least annually and whenever necessary to reflect new or modified tasks and procedures that affect occupational exposure, and to reflect new or revised employee positions with occupational exposure.~~

~~This Exposure Control Plan shall be made available to the Assistant Secretary of Labor and the Director of the Occupational Safety and Health Administration upon request for examination and copying.~~

~~Exposure Determination~~

~~The District has determined that employee positions may involve the following levels of exposure to bloodborne pathogens as a collateral function to the primary job description:~~

- ~~A. High risk – Coaches, physical education instructors, custodians, certain special education program personnel, playground duty personnel, health services personnel, and security personnel.~~
- ~~B. Moderate risk – Regular instructional program personnel, other special education program personnel, school level office personnel, maintenance personnel, food services personnel, and special assignment personnel (e.g., counselors, librarians).~~
- ~~C. Low risk – District level office personnel.~~

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~Methods of Compliance~~

~~General. Universal precautions shall be observed by all District employees to prevent contact with blood or other potentially infectious materials. Under circumstances in which differentiation between body fluid types is difficult or impossible, all body fluids shall be considered potentially infectious materials.~~

~~Engineering and work practice controls:~~

~~A. Engineering and work practice controls shall be used to eliminate or minimize employee exposure. If occupational exposure remains after institution of these controls, personal protective equipment shall also be used.~~

~~B. Engineering controls shall be examined and maintained or replaced on a regular schedule to ensure their effectiveness.~~

~~C. The District shall provide hand-washing facilities that are readily accessible to employees.~~

~~D. When provision of hand-washing facilities is not feasible, the District shall provide either an appropriate antiseptic hand cleanser in conjunction with clean cloth/paper towels or antiseptic towelettes. When antiseptic hand cleansers or towelettes are used, hands shall be washed with soap and running water as soon as feasible.~~

~~E. The District requires that employees wash their hands immediately or as soon as feasible after removal of gloves or other personal protective equipment. Supervisory personnel shall ensure compliance.~~

~~F. The District requires that employees wash hands and any other skin with soap and water, or flush mucous membranes with water immediately or as soon as feasible following contact of such body areas with blood or other potentially infectious materials. Supervisory personnel shall ensure compliance.~~

~~G. Contaminated needles and other contaminated sharps shall not be bent, recapped, or removed except as noted below. Shearing or breaking of contaminated needles is prohibited.~~

~~1. Contaminated needles and other contaminated sharps shall not be recapped or removed unless no other alternative is feasible or such action is required by a specific medical procedure as determined by a competent medical professional qualified to make such determination.~~

~~2. Such recapping or needle removal must be accomplished through the use of a mechanical device or a one-handed technique.~~

~~H. Immediately or as soon as possible after use, contaminated reusable sharps shall be placed in appropriate containers until properly reprocessed.~~

~~I. Eating, drinking, smoking, applying cosmetics or lip balm, and handling contact lenses are prohibited in work areas where there is a reasonable likelihood of occupational exposure.~~

~~J. Food and drink shall not be kept in refrigerators, freezers, shelves, or cabinets, or on countertops or benchtops where blood or other potentially infectious materials are present.~~

~~K. All procedures involving blood or other potentially infectious materials shall be performed in such a manner as to minimize splashing, spraying, spattering, and generation of droplets of these substances.~~

~~L. Mouth pipetting/suctioning of blood or other potentially infectious materials is prohibited.~~

~~M. Specimens of blood or other potentially infectious materials shall be placed in a container that prevents leakage during collection, handling, processing, storage, transport, or shipping.~~

~~1. The container for storage, transport, or shipping shall be labeled or color coded according to law and closed prior to being stored, transported, or shipped. When a facility utilizes "universal precautions" in the handling of all specimens, the labeling/color coding of specimens is not necessary, provided containers are recognizable as containing specimens. This exemption applies only while such specimens/containers remain with the facility. Labeling or color coding is required when such specimens/containers leave the facility.~~

~~2. If outside contamination of the primary container occurs, the primary container shall be placed within a second container that prevents leakage during handling, processing, storage, transport, or shipping and is labeled or color coded according to the requirements of this standard.~~

~~3. If the specimen could puncture the primary container, the primary container shall be placed within a secondary container that is puncture resistant in addition to the above characteristics.~~

~~N. Equipment that may become contaminated with blood or other potentially infectious materials shall be examined prior to servicing or shipping and shall be decontaminated as necessary, unless the decontamination of such equipment or portions of such equipment is not feasible as determined by a supervisory employee assigned to make such determination.~~

- ~~1. A readily observable label in accordance with law shall be attached to the equipment stating which portions remain contaminated.~~
- ~~2. This information shall be conveyed to all affected employees, the servicing representative, and/or the manufacturer, as appropriate, prior to handling, servicing, or shipping so that appropriate precautions will be taken.~~

Personal protective equipment:

~~A. *Provision.* When occupational exposure occurs, the District shall provide, at no cost to the employee, appropriate personal protective equipment such as, but not limited to, gloves, gowns, laboratory coats, face shields or masks and eye protection, and mouthpieces, resuscitation bags, pocket masks, or other ventilation devices. Personal protective equipment will be considered "appropriate" only if it does not permit blood or other potentially infectious materials to pass through to or reach the employee's work clothes, street clothes, undergarments, skin, eyes, mouth, or other mucous membranes under normal conditions of use and for the duration of time that the protective equipment will be used.~~

~~B. *Use.* The District requires that all exposed employees use appropriate personal protective equipment unless the District documents that a specific employee temporarily and briefly declined to use personal protective equipment when, under rare and extraordinary circumstances, it was such employee's professional judgment that in the specific instance its use would have prevented the delivery of health care or public safety services or would have posed an increased hazard to the safety of the worker or co-worker. When the employee makes this judgment, the circumstances shall be reported by the employee and investigated and documented by the District in order to determine whether changes can be instituted to prevent such occurrences in the future.~~

~~C. *Accessibility.* Appropriate personal protective equipment in the appropriate sizes must be readily accessible at the work site or issued to employees. Hypoallergenic gloves, glove liners, powderless gloves, or other similar alternatives shall be readily accessible to employees who are allergic to the gloves normally provided.~~

~~D. *Cleaning, laundering, and disposal.* The District shall clean, launder, and dispose of personal protective equipment required in this standard, at no cost to the employee.~~

~~E. *Repair and replacement.* The District shall repair or replace personal protective equipment as needed to maintain its effectiveness, at no cost to the employee.~~

~~F. Any garment(s) penetrated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible.~~

~~G. All personal protective equipment shall be removed prior to leaving the work area.~~

~~H. When personal protective equipment is removed it shall be placed in an appropriately designated area or container for storage, washing, decontamination, or disposal.~~

~~I. *Gloves.* Gloves shall be worn when it can be reasonably anticipated that the employee may have hand contact with blood, other potentially infectious materials, mucous membranes, and nonintact skin; when performing vascular access procedures; and when handling or touching contaminated items or surfaces.~~

~~1. Disposable (single-use) gloves, such as surgical or examination gloves, shall be replaced as soon as practical when contaminated or as soon as feasible if they are torn, punctured, or their ability to function as a barrier is compromised.~~

~~2. Disposable (single-use) gloves shall not be washed or decontaminated for reuse.~~

~~3. Utility gloves may be decontaminated for reuse if the integrity of the gloves is not compromised. However, they must be discarded if they are cracked, peeling, torn, punctured, or exhibit other signs of deterioration or when their ability to function as a barrier is compromised.~~

Housekeeping:

~~A. *General.* The work site must be maintained in a clean and sanitary condition. The District shall establish, attach hereto, and implement an appropriate written schedule for cleaning and the method of decontamination based upon the location within the facility, type of surface to be cleaned, type of soil present, and tasks or procedures being performed in the area.~~

~~B. All school activity areas are cleaned daily.~~

~~C. In cleaning operations involving human blood, a cleaning solution consisting of ten to one (10:1) ratio of water and bleach will be used.~~

~~D. All equipment and environmental and working surfaces shall be cleaned and decontaminated after contact with blood or other potentially infectious materials.~~

- ~~1. Contaminated work surfaces shall be decontaminated with an appropriate disinfectant after completion of procedures, immediately or as soon as feasible when surfaces are overtly contaminated or after any spill of blood or other potentially infectious materials, and at the end of the work shift if the surface may have become contaminated since the last cleaning.~~
- ~~2. Protective coverings — such as plastic wrap, aluminum foil, or imperviously backed absorbent paper used to cover equipment and environmental surfaces — shall be removed and replaced as soon as feasible when they become overtly contaminated or at the end of the work shift if they may have become contaminated during the shift.~~
- ~~3. All bins, pails, cans, and similar receptacles intended for reuse that have a reasonable likelihood of becoming contaminated with blood or other potentially infectious materials shall be inspected and decontaminated on a regularly scheduled basis and cleaned and decontaminated immediately or as soon as feasible upon visible contamination.~~
- ~~4. Broken glassware that may be contaminated shall not be picked up directly with the hands. It shall be cleaned up using mechanical means such as a brush and dust pan, tongs, or forceps.~~
- ~~5. Reusable sharps that are contaminated with blood or other potentially infectious materials shall not be stored or processed in a manner that requires employees to reach by hand into the containers where these sharps have been placed.~~

~~E. Regulated waste:~~

- ~~1. Contaminated sharps discarding and containment:~~
 - ~~a. Contaminated sharps shall be discarded immediately or as soon as feasible in containers that are:~~
 - ~~I. Closable.~~
 - ~~II. Puncture resistant.~~
 - ~~III. Leakproof on sides and bottom.~~
 - ~~IV. Labeled or color coded.~~
 - ~~b. During use, containers for contaminated sharps shall be:~~
 - ~~I. Easily accessible to personnel and located as close as is feasible to the immediate area where sharps are used or can be reasonably anticipated to be found (e.g., laundries).~~

~~II. Maintained upright throughout use.~~

~~III. Replaced routinely and not be allowed to overfill.~~

~~e. When moving containers of contaminated sharps from the area of use, the containers shall be:~~

~~I. Closed immediately prior to removal or replacement to prevent spillage or protrusion of contents during handling, storage, transport, or shipping.~~

~~II. Placed in a secondary container if leakage is possible. The second container shall be:~~

~~i. Closable.~~

~~ii. Constructed to contain all contents and prevent leakage during handling, storage, transport, or shipping.~~

~~iii. Labeled or color coded.~~

~~d. Reusable containers shall not be opened, emptied, or cleaned manually or in any other manner that would expose employees to the risk of percutaneous injury.~~

~~2. Other regulated waste containment:~~

~~a. Regulated waste shall be placed in containers that are:~~

~~I. Closable.~~

~~II. Constructed to contain all contents and prevent leakage of fluids during handling, storage, transport, or shipping.~~

~~III. Labeled or color coded.~~

~~IV. Closed prior to removal to prevent spillage or protrusion of contents during handling, storage, transport, or shipping.~~

~~b. If outside contamination of the regulated waste container occurs, it shall be placed in a second container. The second container shall be:~~

~~I. Closable.~~

~~II. Constructed to contain all contents and prevent leakage of fluids during handling, storage, transport, or shipping.~~

~~III. Labeled or color coded.~~

~~IV. Closed prior to removal to prevent spillage or protrusion of contents during handling, storage, transport, or shipping.~~

~~3. Disposal of all regulated waste shall be in accordance with applicable regulations of the United States, states, territories, and political subdivisions of states and territories.~~

~~F. Laundry:~~

~~1. Contaminated laundry shall be handled as little as possible, with a minimum of agitation.~~

~~a. Contaminated laundry shall be bagged or containerized at the location where it was used and shall not be sorted or rinsed in the location of use.~~

~~b. Contaminated laundry shall be placed and transported in bags or containers labeled or color coded. When a facility utilizes universal precautions in the handling of all soiled laundry, alternative labeling or color coding is sufficient if it permits all employees to recognize the containers as requiring compliance with universal precautions.~~

~~c. Whenever contaminated laundry is wet and presents a reasonable likelihood of soak through or leakage from the bag or container, the laundry shall be placed and transported in bags or containers that prevent soaking through and/or leakage of fluids to the exterior.~~

~~2. Employees who have contact with contaminated laundry must wear protective gloves and other appropriate personal protective equipment.~~

~~3. When a facility ships contaminated laundry off site to a second facility, which does not utilize universal precautions in the handling of all laundry, the facility generating the contaminated laundry must place such laundry in bags or containers that are labeled or color coded.~~

~~Hepatitis B Vaccination and Postexposure Evaluation and Follow-up~~

General:

~~A. The District shall make available the hepatitis B vaccine and vaccination series to all employees who have occupational exposure, and postexposure evaluation and follow-up to all employees who have had an exposure incident.~~

~~B. The District requires that all medical evaluations and procedures, including the hepatitis B vaccine, and vaccination series and postexposure evaluation and follow-up, including prophylaxis, are:~~

- ~~1. Made available at no cost to the employee.~~
- ~~2. Made available to the employee at a reasonable time and place.~~
- ~~3. Performed by or under the supervision of a licensed physician or by or under the supervision of another licensed health care professional.~~
- ~~4. Provided according to recommendations of the U.S. Public Health Service current at the time these evaluations and procedures take place, except as specified in this section on hepatitis B vaccination and postexposure evaluation and follow-up.~~

~~C. The District requires that all laboratory tests be conducted by an accredited laboratory at no cost to the employee.~~

Hepatitis B vaccination:

~~A. Hepatitis B vaccination shall be made available after the employee has received the training required and within ten (10) working days of initial assignment to all employees who have occupational exposure unless the employee has previously received the complete hepatitis B vaccination series, antibody testing has revealed that the employee is immune, or the vaccine is contraindicated for medical reasons.~~

~~B. The District shall not make participation in a prescreening program a prerequisite for receiving hepatitis B vaccination.~~

~~C. If the employee initially declines hepatitis B vaccination but at a later date while still covered under the standard decides to accept the vaccination, the District shall make available hepatitis B vaccination at that time.~~

~~D. The District requires all employees who decline to accept hepatitis B vaccination that is offered to sign the following statement:~~

~~I understand that due to my occupational exposure to blood or other potentially infectious materials I may be at risk of acquiring hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to myself. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B, a serious disease. If in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no charge to me.~~

~~E. If a routine booster dose(s) of hepatitis B vaccine is recommended by the U.S. Public Health Service at a future date, such booster dose(s) shall be made available.~~

~~**Postexposure evaluation and follow-up.** Following a report of an exposure incident, the District shall make immediately available to the exposed employee a confidential medical evaluation and follow up, including at least the following elements:~~

~~A. Documentation of the route(s) of exposure, and the circumstances under which the exposure incident occurred.~~

~~B. Identification and documentation of the source individual, unless the District can establish that identification is infeasible or prohibited by state or local law.~~

~~1. The source individual's blood shall be tested as soon as feasible, and after consent is obtained, in order to determine HBV and HIV infectivity. If consent is not obtained, the District shall establish that legally required consent cannot be obtained. When the source individual's consent is not required by law, the source individual's blood, if available, shall be tested and the result documented.~~

~~2. When the source individual is already known to be infected with HBV or HIV, testing for the source individual's known HBV or HIV status need not be repeated.~~

~~3. Results of the source individual's testing shall be made available to the exposed employee, and the employee shall be informed of applicable laws and regulations concerning disclosure of the identity and infectious status of the source individual.~~

~~C. Collection and testing of blood for HBV and HIV serological status:~~

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~1. The exposed employee's blood shall be collected as soon as feasible and tested after consent is obtained.~~

~~2. If the employee consents to base line blood collection, but does not give consent at that time for HIV serologic testing, the sample shall be preserved for at least ninety (90) days. If within ninety (90) days of the exposure incident the employee elects to have the base line sample tested, such testing shall be done as soon as feasible.~~

~~D. Postexposure prophylaxis, when medically indicated, as recommended by the U.S. Public Health Service.~~

~~E. Counseling.~~

~~F. Evaluation of reported illnesses.~~

~~Information provided to the health care professional:~~

~~A. The health care professional responsible for the employee's hepatitis B vaccination shall be provided a copy of this document.~~

~~B. The health care professional evaluating an employee after an exposure incident shall be provided the following information:~~

~~1. A copy of this document.~~

~~2. A description of the exposed employee's duties as they relate to the exposure incident.~~

~~3. Documentation of the route(s) of exposure and circumstances under which exposure occurred.~~

~~4. Results of the source individual's blood testing, if available.~~

~~5. All medical records relevant to the appropriate treatment of the employee, including vaccination status, that are the District's responsibility to maintain.~~

~~Health care professional's written opinion.~~ ~~The District shall obtain and provide the employee with a copy of the evaluating health care professional's written opinion within fifteen (15) days of the completion of the evaluation.~~

~~A. The health care professional's written opinion for hepatitis B vaccination shall be limited to whether hepatitis B vaccination is indicated for an employee and whether the employee has received such vaccination.~~

~~B. The health care professional's written opinion for postexposure evaluation and follow-up shall be limited to the following information:~~

- ~~1. That the employee has been informed of the results of the evaluation.~~
- ~~2. That the employee has been told about any medical conditions resulting from exposure to blood or other potentially infectious materials that require further evaluation or treatment.~~

~~C. All other findings or diagnoses shall remain confidential and shall not be included in the written report.~~

~~**Medical record keeping.** Medical records required by this standard shall be maintained.~~

~~**Communication of Hazards to Employees**~~

~~**Labels:**~~

~~A. Warning labels shall be affixed to containers of regulated waste, refrigerators and freezers containing blood or other potentially infectious material, and other containers used to store, transport, or ship blood or other potentially infectious materials, except as provided in law.~~

~~B. These labels shall contain the "biohazard" label.~~

~~C. These labels shall be fluorescent orange or orange-red or predominantly so, with lettering or symbols in a contrasting color.~~

~~D. Labels are required to be affixed as close as feasible to the container by string, wire, adhesive, or other method that prevents their loss or unintentional removal.~~

~~E. Red bags or red containers may be substituted for labels.~~

~~F. Containers of blood, blood components, or blood products that are labeled as to their contents and have been released for transfusion or other clinical use are exempted from the labeling requirements of this section on communication of hazards to employees.~~

~~G. Individual containers of blood or other potentially infectious materials that are placed in a labeled container during storage, transport, shipment, or disposal are exempted from the labeling requirements.~~

~~H. Labels required for contaminated equipment shall be in accordance with this section and shall also state which portions of the equipment remain contaminated.~~

~~I. Regulated waste that has been decontaminated need not be labeled or color coded.~~

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~Information and training:~~

~~A. All employees with occupational exposure shall participate in a training program, which must be provided at no cost to the employees and during working hours.~~

~~B. Training shall be provided as follows:~~

- ~~1. At the time of initial assignment to tasks where occupational exposure may take place.~~
- ~~2. Within ninety (90) days after the effective date of the standard.~~
- ~~3. At least annually thereafter.~~

~~C. For employees who have received training on bloodborne pathogens in the year preceding the effective date of the standard, only training with respect to the provisions of the standard that were not included need be provided.~~

~~D. Annual training for all employees shall be provided within one (1) year of their previous training.~~

~~E. The District shall provide additional training when changes such as modification of tasks or procedures or institution of new tasks or procedures affects the employee's occupational exposure. The additional training may be limited to addressing the new exposures created.~~

~~F. Material appropriate in content and vocabulary to educational level, literacy, and language of employees shall be used.~~

~~10. Information on the appropriate actions to take and persons to contact in an emergency involving blood or other potentially infectious materials.~~

~~11. An explanation of the procedure to follow if an exposure incident occurs, including the method of reporting the incident and the medical follow-up that will be made available.~~

~~12. Information on the postexposure evaluation and follow-up that the District is required to provide for the employee following an exposure incident.~~

~~COMMUNICABLE DISEASES~~

~~Handling Body Fluids in School~~

~~The following guidelines are meant to provide simple and effective precautions against transmission of disease for all people potentially exposed to the blood or body fluids of any person (student and/or school employee). No distinction is made between body fluids from persons with a known disease or those from persons without symptoms or with an undiagnosed disease.~~

~~The body fluids of all people should be considered to contain potentially infectious agents. The term *body fluids* includes blood, semen, drainage from scrapes and cuts, feces, urine, vomit, respiratory secretions (such as nasal discharge), and saliva.~~

~~A. Whenever possible, avoid direct skin contact with body fluids. Disposable gloves are recommended when direct hand contact with body fluids is anticipated. If extensive contact is made with body fluids, hands must be washed afterwards. Gloves used for this purpose should be put in a plastic bag, secured, and disposed of daily.~~

~~B. If direct skin contact does occur, hands and other affected skin areas of all exposed people shall be routinely washed with soap and water.~~

~~C. Proper handwashing requires the use of soap and water and vigorous washing under a stream of running water for approximately ten (10) seconds.~~

~~D. Clothing and other nondisposable items that are soaked through with body fluids should be rinsed and placed in plastic bags. If presoaking is required to remove stains, rinse or soak the item in cold water prior to bagging. Clothing should be sent home with the student for washing, with appropriate directions to parents and teachers (*see laundry instructions below*). Always wear gloves when handling items that have come in contact with body fluids.~~

~~E. Contaminated disposable items shall be handled with disposable gloves, put in a plastic bag, secured, and disposed of daily.~~

~~F. Body fluid spills on hard surfaces (i.e., floors, countertops, books, et cetera) shall be disinfected with bleach (diluted to ten [10] parts water and one [1] part bleach). Gloves shall always be worn during cleanup.~~

~~2. Disposable cleaning equipment (such as paper towels, the vacuum bag, or sweepings) shall be placed in plastic bags, secured, and disposed of daily. No special handling is required for vacuuming equipment. Gloves shall always be used during cleanup.~~

~~H. Laundry instructions:~~

~~Clothing soaked with body fluids shall be washed separately from other items. Presoaking may be required for heavily soiled clothing. Otherwise, wash and dry as usual. Definitions

A *grievance* is a complaint by a District employee alleging a violation or misinterpretation, as to the employee, of any District policy or regulation that directly and specifically governs the employee's terms and conditions of employment. The term *grievance* shall not apply to any matter for which the method of review is prescribed by law, or the Governing Board is without authority to act. The suspension or dismissal of employees is covered by statute and, therefore, is not a grievable matter. Assignment, reassignment, or transfer of an employee to another position or duties is not grievable beyond the Superintendent unless there is a reduction in compensation or the Superintendent requests that it go to the Board.

A *grievant* shall be any employee of the District filing a grievance.

Terms and conditions of employment means the hours of employment, the compensation therefor, including fringe benefits, and the employer's personnel policies directly affecting the employee. In the case of ~~professional~~ certificated employees, the term does not include educational policies of the District.

A *day* is any day during which the District conducts business.

The *immediate supervisor* is the lowest-level administrator having line supervisory authority over the grievant.

Timeline

A grievant must initiate a grievance within fifteen (15) business days of the date of the violation that is the basis for the grievance.

Informal Level

Before filing a formal written grievance, the grievant must attempt to resolve the matter by one (1) or more informal conferences with the immediate supervisor. The first of these informal conferences must be conducted within ten (10) business days after the employee knew, or should have known, of the act or omission giving rise to the grievance. A second or any subsequent conference must occur within five (5) business days after the initial informal conference, or any subsequent conference.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Formal Level

Level I. Within fifteen (15) business days after the employee knew, or should have known, of the act or omission giving rise to the grievance, the grievant must present the grievance in writing to the immediate supervisor.

The grievance shall be a clear, concise statement of the circumstances giving rise to the grievance, a citation of the specific article, section, and paragraph of the policy or regulation that directly and specifically governs the employee's terms and conditions of employment that are alleged to have been violated, the decision rendered at the informal conference, and the specific remedy sought.

The immediate supervisor shall communicate a decision to the employee in writing within five (5) business days after receiving the grievance.

Within the above time limits either party may request a personal conference to attempt to resolve the matter.

Level II. In the event the grievant is not satisfied with the decision at Level I, the decision may be appealed to the Superintendent within five (5) business days after receipt of the decision.

The appeal shall include a copy of the original grievance, the decision rendered, and a clear, concise statement of the reasons for the appeal. The Superintendent shall communicate a decision within five (5) business days after receiving the appeal. Either the grievant or the Superintendent may request a personal conference within the above time limits.

Level III. If the grievant is not satisfied with the decision at Level II, the grievant may, within five (5) business days, submit an appeal in writing to the Superintendent for consideration by the Governing Board.

The decision by the Governing Board is final.

General Provisions

Section 1. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed an acceptance of the decision rendered at that step, and there shall be no further right of appeal. Failure to file a grievance within fifteen (15) business days after the employee knew, or should have known, of the circumstances upon which the grievance is based shall constitute a waiver of that grievance.

Section 2. The filing or pendency of any grievance under the provisions of this policy shall in no way operate to impede, delay, or interfere with the jurisdiction of the Governing Board or the Superintendent.

~~C. Earned paid sick time shall begin to accrue at the commencement of employment or on July 1, 2017, whichever is later. An employer may provide all earned paid sick time that an employee is expected to accrue in a year at the beginning of the year.~~

~~D. An employee may use earned paid sick time as it is accrued, except that an employer may require an employee hired after July 1, 2017, to wait until the ninetieth (90th) calendar day after commencing employment before using accrued earned paid sick time, unless otherwise permitted by the employer.~~

~~E. Employees who are exempt from overtime requirements under the Fair Labor Standards Act of 1938 (29 United States Code section 213(A)(1)) will be assumed to work forty (40) hours in each work week for purposes of earned paid sick time accrual unless their normal work week is less than forty (40) hours, in which case earned paid sick time accrues based upon that normal work week.~~

~~F. Earned paid sick time shall be carried over to the following year, subject to the limitations on usage indicated above for employees of employers with fifteen (15) or more employees and employees of employers with fewer than fifteen (15) employees. Alternatively, in lieu of carryover of unused earned paid sick time from one (1) year to the next, an employer may pay an employee for unused earned paid sick time at the end of a year and provide the employee with an amount of earned paid sick time that meets or exceeds the requirements in statute that is available for the employee's immediate use at the beginning of the subsequent year.~~

~~G. If an employee is transferred, but remains employed by the same employer, the employee is entitled to all earned paid sick time accrued and is entitled to use all earned paid sick time as provided in this section.~~

~~H. When there is a separation from employment and the employee is rehired within nine (9) months of separation by the same employer, previously accrued earned paid time that had not been used shall be reinstated. Further, the employee shall be entitled to use accrued earned paid sick time and accrue additional earned paid sick time at the re-commencement of employment.~~

~~I. When a different employer succeeds or takes the place of an existing employer, all employees of the original employer who remain employed by the successor employer are entitled to all earned paid sick time they accrued when employed by the original employer, and are entitled to use earned paid sick time previously accrued.~~

~~J. At its discretion, an employer may loan earned paid sick time to an employee in advance of accrual by such employee.~~

~~Any employer with a paid leave policy, such as a paid time off policy, who makes available an amount of paid leave sufficient to meet the accrual requirements of this section that may be used for the same purposes and under the same conditions as earned paid sick time under this article is not required to provide additional paid sick time.~~

~~Nothing in statute shall be construed as requiring financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement or other separation from employment for accrued earned paid sick time that has not been used.~~

~~Retaliation Prohibited~~

~~It shall be unlawful for an employer or any other person to interfere with, restrain, or deny the exercise of, or the attempt to exercise, any right protected in statute.~~

~~An employer shall not engage in retaliation or discriminate against an employee or former employee because the person has exercised protected rights. Such rights include but are not limited to the right to request or use earned paid sick time pursuant to the statute; the right to file a complaint with the commission or courts or inform any person about any employer's alleged violation; the right to participate in an investigation, hearing or proceeding or cooperate with or assist the commission in its investigations of alleged violations and the right to inform any person of his or her potential rights.~~

~~It shall be unlawful for an employer's absence control policy to count earned paid sick time taken as an absence that may lead to or result in discipline, discharge, demotion, suspension, or any other adverse action.~~

~~Protections of this section shall apply to any person who mistakenly but in good faith alleges violations of this policy based on the supporting statutes.~~

Leaves may be granted to employees by the Board based on state or federal law, policy, employee agreements and/or employment contracts.

Such leaves may include but are not limited to the following classifications:

Sick Leave

Earned Paid Sick Leave

Per A.R.S. 23-372, each employee shall accrue one (1) hour of earned paid sick time (EPST) for every thirty (30) hours worked. This includes full-time, part-time, and temporary employees. Employees who are exempt from overtime under the Fair Labor Standards Act (FLSA) are assumed to work forty (40) hours per week for EPST purposes, unless their normal week is less than forty (40) hours.

In districts with fifteen (15) or more employees, an employee shall not be entitled to accrue or use more than forty (40) hours of EPST per year, unless the district selects a higher limit.

In districts with fewer than fifteen (15) employees, an employee shall not be entitled to accrue or use more than twenty-four (24) hours of EPST unless the district selects the higher limit.

EPST is carried over to the following year, subject to the forty (40)-hour/twenty-four (24)-hour limits provided above. An employee who separates from employment but is rehired within nine (9) months is entitled to reinstatement of their previously accrued EPST.

A district may provide each employee with an EPST balance for immediate use at the beginning of the year, at the district's sole discretion.

The use of accrued EPST is provided in A.R.S. 23-373.

EPST rights and obligations may be modified pursuant to a valid collective bargaining agreement.

Communicable Disease Exposure/ Outbreak Exclusion

When an employee is excluded from the workplace due to a communicable disease outbreak response, or because the health authorities having jurisdiction determine the employee's presence in the community may jeopardize the health of others due to exposure to a communicable disease, the employee may use available accrued sick leave, consistent with A.R.S. 23-373.

If the employee does not have accrued paid leave available, or chooses not to use available paid leave, the absence shall be addressed under *Leave of Absence Without Pay* or applicable leave provision of this policy, consistent with employment agreements and law.

Family and Medical Leave

The District shall comply with all components of the Family and Medical Leave Act (FMLA). Eligible employees are entitled up to twelve (12) or twenty-six (26) weeks of leave as designated in the FMLA. Any employee seeking to understand rights under FMLA may inquire with the benefits department in Human Resources, review posted materials, and/or review GCCA-RB.

Banked Sick Leave

A district may provide a mechanism for the voluntary transfer of accrued sick leave among employees.

Personal Leave

A district may grant leave for an employee's personal business, bereavement, religious observances, and other approved situations.

Crime Victim Leave

A district with fifty (50) or more employees as determined by law shall allow an employee leave if the employee is the victim of a juvenile or adult crime and is exercising a right to be present at a proceeding as defined in A.R.S. 8-420 and/or 13-4439. While the district is not required to compensate the employee when the employee leaves work to attend such proceedings, the district is prohibited from dismissing the employee or discriminating against the employee in compensation or other terms, conditions, or privileges of employment because the employee exercised their victim leave rights under A.R.S. 8-420 or 13-4439. Leave for this purpose may be limited if the leave creates an undue hardship to the employer's business.

Regardless of the number of employees employed by the District, EPST may also be used for certain absences occasioned by the employee or their family member having been the victim of domestic violence, sexual violence, abuse, or stalking. [A.R.S. 23-373(A)(4), (G), (H), and (I)]

Jury Duty Leave

Jury duty leaves of absence must be provided per A.R.S. 21-236.

Voting Leave

An employee may take time from work to vote in a primary or general election per A.R.S. 16-402.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Military Leave

An employee who is a member of the Military Reserve or National Guard shall be entitled to leave of absence without loss of pay, time, or efficiency rating when engaged in field training up to the statutory limit [A.R.S. 26-168 and 38-610].

An employee who is a member of the uniformed service may use any vacation leave or other accumulated paid time off during their service or may take unpaid leave of absence.

The District must reemploy uniformed service members, as provided in 38 U.S.C. 4301 *et seq.*, after returning from a period of service.

Holiday Leave

Employees shall be entitled to holidays and breaks as established by the Governing Board and noted on each year's school calendar, consistent with Arizona Revised Statutes. Uncompensated days off will be established by the Board and noted on each year's school calendar. When July 4, Veterans' Day, December 25, or Thanksgiving Day, occurs within the school week, the schools shall be closed, and the compensation of the teachers shall not be diminished on that account. The Governing Board may declare a recess during the Christmas holiday season not to exceed two (2) school weeks, and teachers shall receive compensation during the recess. [A.R.S. 15-801]

Vacation Leave

A district may grant vacation leave as it deems appropriate.

Sabbatical Leave

Sabbatical leave may be granted to certificated teaching and administrative personnel for a maximum of one (1) year when conforming to A.R.S 15-510 and other applicable Arizona Revised Statutes.

Professional Development Leave

To attend meetings or conferences, employees must obtain approval from the administration at least twenty (20) days prior to the meeting or conference dates (whenever such prior request is possible).

Leave of Absence Without Pay

The District recognizes that on occasion extenuating circumstances arise that may necessitate absence from duty that is not covered by other specific leave provisions of the District. To address such situations, a leave of absence, without pay, may be granted to certificated or noncertificated personnel for not longer than one (1) year when deemed reasonable, for good cause, and not detrimental to education within the School District.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Requests for Leave

Each request for a leave of absence without pay shall be in a written application stating the purpose of the leave of absence, the starting date and duration of the leave of absence, the facts as to its necessity or advisability, and any other information the applicant deems relevant to the request.

Approval

A leave of absence requested pursuant to this policy may be:

- A. Approved by the Superintendent if the leave period does not exceed twelve (12) weeks; or
- B. Recommended by the Superintendent and approved by the Governing Board if the leave period exceeds twelve (12) weeks.

The leave of absence shall be only for the purpose and duration approved and may not be extended without written approval by the District.

Preservation of Rights for Continuing Certificated Teachers

In accordance with A.R.S. 15-510, all rights of retirement, accrued leave with pay, salary increments and other benefits provided by law shall be preserved and available to the continuing certificated teacher after the termination of the leave of absence.

Absent Without Leave

An employee shall be deemed "absent without leave" when absent from work because of:

- A. A reason that conforms to a policy currently in effect, but the maximum days provided for in that policy will be exceeded; or
- B. A reason that does not conform to any policy currently in effect; or
- C. Failure to report to work without prior notification to the Superintendent.

Employees shall not be compensated for time lost due to being absent without leave.

An employee who is absent from work without prior approval is subject to disciplinary action, up to and including dismissal, in accordance with applicable law, Governing Board policy, and established District procedures.

REGULATION

TYPES OF LEAVES

(Sick Leave/Earned Paid Sick Time)

Use of Earned Paid Sick Time

Earned paid sick time shall be provided to an employee by an employer for:

A. An employee's mental or physical illness, injury or health condition or care for a family member with these conditions; an employee's need for medical diagnosis, care, or treatment of a mental or physical illness, injury or health condition or care for a family member with these conditions; an employee's need for preventive medical care or care for a family member with these conditions;

B. Reasons as described in A.R.S. 23-373 including but not limited to: public health emergency/exposure circumstances (including workplace closure or a child's school/place of care closure), domestic violence, sexual violence, abuse or stalking, and legal services.

Employee Request

Earned paid sick time shall be provided upon the request of an employee made orally, in writing, by electronic means or by any other means acceptable to the employer. When possible, the request shall include the expected duration of the absence.

The employee shall try to provide notice as early as possible and try to schedule the sick time so it disrupts District operations as little as possible.

If an employer requires notice from an employee needing to use earned paid sick time, even when the need was not foreseeable, the employer must provide a written policy of the required procedures for providing such notice. If this is not done, the employer cannot deny earned paid sick time because the employee did not follow the correct procedures.

An employee is not responsible for finding a replacement worker for an absence when using earned paid sick time.

Earned paid sick time may be used in the smallest hourly increments used by the District to account for absences or use of other time.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

If an employee requests paid sick time for three (3) or more consecutive work days, the District may request reasonable documentation (documentation signed by a health care professional) indicating that earned paid sick time is necessary. Reasonable documentation in cases of domestic violence, sexual violence, abuse or stalking, is provided in A.R.S. 23-373(G). An employer may not require that document explain the nature of the health condition or the details of the domestic violence, sexual violence, abuse or stalking.

Accrual of Earned Paid Sick Time

Accrual of earned paid sick time shall be determined in accordance with A.R.S. 23-372(D).

Per A.R.S. 23-372, the following guidelines shall be used in determining accrual of earned paid sick time.

Number of Employees:

A. Employees of a district with fifteen (15) or more employees shall accrue a minimum of one (1) hour of earned paid sick time for every thirty (30) hours worked, but employees shall not be entitled to accrue or use more than forty (40) hours of earned paid sick time per year, unless the District selects a higher limit.

B. Employees of a district with fewer than fifteen (15) employees shall accrue a minimum of one (1) hour of earned paid sick time for every thirty (30) hours worked, but employees shall not be entitled to accrue or use more than twenty-four (24) hours of earned paid sick time per year, unless the District selects a higher limit.

Number of employees should be determined in accordance with A.R.S. 23-372(C).

District Paid Leave

A district with a paid leave policy, such as a paid time off policy, that makes available an amount of paid leave sufficient to meet the accrual requirements listed above that may be used for the same purposes and under the same conditions as earned paid sick time under statute is not required to provide additional paid sick time.

Unused Sick Time

Nothing in statute shall be construed as requiring financial or other reimbursement to an employee from a district upon the employee's termination, resignation, retirement or other separation from employment for accrued earned paid sick time that has not been used.

Notice:

A. A district shall give employees written notice of the following at the commencement of employment: employees are entitled to earned paid sick time and the amount of earned paid sick time, the terms of its use guaranteed in statute, that retaliation against employees who request or use earned paid sick time is prohibited, that each employee has the right to file a complaint if earned paid sick time as required by statute is denied by the District or the employee is subjected to retaliation for requesting or taking earned paid sick time, and the contact information for the Industrial Commission of Arizona where questions about rights and responsibilities under can be answered.

B. The notice required shall be in English, Spanish, and any language that is deemed appropriate by the Industrial Commission of Arizona.

C. The amount of earned paid sick time available to the employee, the amount of earned paid sick time taken by the employee to date in the year and the amount of pay the employee has received as earned paid sick time shall be recorded in, or on an attachment to, the employee's regular paycheck.

D. A district's violation of the notice requirements shall be subject to a civil penalty as prescribed in A.R.S. 23-364.

Retaliation Prohibited

It is unlawful for a district or any other person to interfere with, restrain, or deny the exercise of, or the attempt to exercise, any right protected in statute.

A district shall not engage in retaliation or discriminate against an employee or former employee because the person has exercised protected rights. Such rights include but are not limited to the right to request or use earned paid sick time pursuant to the statute; the right to file a complaint with the commission or courts or inform any person about a district's alleged violation; the right to participate in an investigation, hearing or proceeding or cooperate with or assist the commission in its investigations of alleged violations and the right to inform any person of his or her potential rights.

It shall be unlawful for a district's absence control policy to count earned paid sick time taken as an absence that may lead to or result in discipline, discharge, demotion, suspension, or any other adverse action.

Protections of this section shall apply to any person who mistakenly but in good faith alleges violations of this policy based on the supporting statutes.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

Definitions

As defined in statute (A.R.S. 23-371), "family member" means:

A. Regardless of age, a biological, adopted or foster child, stepchild or legal ward, a child of a domestic partner, a child to whom the employee stands *in loco parentis*, or an individual to whom the employee stood *in loco parentis* when the individual was a minor;

~~Family and Medical Leave Act (FMLA)~~

~~The District shall fully comply with the Family and Medical Leave Act and all interim and final regulations interpreting the FMLA issued by the U.S. Department of Labor. Accordingly, all portions of this policy that pertain to the FMLA shall be interpreted in a manner consistent with the FMLA and its regulations. Subject to the conditions set forth herein, any eligible employee of the District may take up to twelve (12) weeks of leave (FMLA leave) measured backward for each employee from the first time such employee uses leave under FMLA without pay, for any one (1) or more of the following reasons:~~

- ~~A. Because of the birth of a child of the employee and in order to care for such child.~~
- ~~B. Because of the placement of a child with the employee for adoption or foster care.~~
- ~~C. In order to care for the spouse or a son, daughter, or parent of the employee, if such person has a serious health condition.~~
- ~~D. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.~~
- ~~E. Because of any qualifying exigency (as the Secretary shall, by regulation, determine) arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.~~

~~An eligible employee is one who has been employed by the District at least twelve (12) months and who has completed at least one thousand two hundred fifty (1,250) hours of service immediately prior to the time the FMLA leave is to commence.~~

~~Serious health condition means an illness, injury, impairment, or physical condition that involves inpatient care in a hospital, hospice, or residential medical facility, or outpatient care with continuing medical treatment by a licensed physician. Any employee who has been employed by the District at least twelve (12) months and who has completed at least one thousand two hundred fifty (1,250) hours of service immediately prior to the time the leave is to commence shall be eligible for FMLA leave.~~

~~**Special conditions applicable to FMLA.** Entitlement to leave for the birth of a child or the placement of a child for adoption or foster care ends at the expiration of a twelve (12) month period, beginning on the date of the event. An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember shall be entitled to a total of twenty-six (26) workweeks of leave during a twelve (12)-month period to care for the servicemember. The leave described to care for a covered servicemember shall only be available during one (1) single twelve (12) month period.~~

<i>Note:</i> This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~A husband and wife working for the District may be limited to a total of twelve (12) weeks of leave during each applicable twelve (12)-month period for leave for the birth of a child or the placement of a child for adoption or foster care and to care for an employee's parent with a serious health condition. The aggregate number of workweeks of leave to which both the husband and wife may be entitled under covered servicemember family leave combined with leave as described in the previous sentence shall be limited to twenty six (26) workweeks during one (1) single twelve (12)-month period.~~

~~The District shall not require an employee to substitute accrued sick leave for FMLA leave used by reason of a birth, adoption, or foster placement. An employee shall substitute accrued vacation or personal leave for FMLA leave used by reason of a birth, adoption, or foster placement, to the extent available by policy, unless otherwise agreed to by the District. In any other circumstance, an employee's accrued sick, vacation, personal, or other applicable leave shall be substituted for FMLA leave, to the extent available by policy, unless otherwise agreed to by the District.~~

~~**Notice.** An employee must provide at least thirty (30) days notice before the FMLA leave is to begin if the need for the leave is foreseeable based on an expected birth, placement for adoption, or foster care, planned medical treatment for a serious health condition, or military service leave of the employee or family member. If thirty (30) days notice is not practicable, notice must be given as soon as practicable. The notice shall be in the form of a request for leave of absence as specified in this policy. The District may deny FMLA leave to any eligible employee until such time as the employee has provided the required notice.~~

~~**Certification.** All FMLA leave shall be supported by medical certificate provided by the employee's health provider in the form of the exhibit accompanying this policy. In any instance where the FMLA leave must be preceded by thirty (30) days notice, the medical certificate should accompany the request for leave of absence. In any other instance, the medical certificate should be provided within fifteen (15) days after the FMLA leave commences.~~

~~Certification of active military duty or call to active duty in support of a contingency operation for purpose of receiving family leave shall be required under the same conditions as FMLA certification for leave indicated above.~~

~~The employee may be requested (at the District's expense) to provide recertification of medical conditions in support of leave if the District feels that the circumstances so warrant and notice is given. Recertification shall not be required for intervals shorter than thirty (30) days.~~

~~Whenever a medical certification or recertification is required of an employee, notice describing such requirement and providing the form of such certification shall be provided to the employee. An employee shall not be denied FMLA leave or other rights under the FMLA unless a notice required by FMLA in such situation has first been provided to the employee.~~

<i>Note:</i> This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~In the case of continuation, recurrence, or onset of a serious health condition to the employee, covered family of the employee (including a servicemember being cared for by an employee) and the employee is unable to return to work, certification issued by the health care provider of the entity with the serious health condition shall be required to support the inability of the employee to return to work.~~

~~**Intermittent or reduced time (IRT) leave.** FMLA leave may be taken intermittently or on a reduced leave schedule under the following circumstances:~~

- ~~A. If medically necessary to care for a family member or for the employee's own serious health condition;~~
- ~~B. Because of any qualifying exigency the spouse, or a son, daughter, or parent, of the employee is on active duty, or notified of an impending call or order to active duty in support of a contingency operation; or~~
- ~~C. If approved by the District.~~

~~The District may, for the term of the leave, transfer the employee to an alternative position with equivalent pay and benefits.~~

~~If the IRT leave is for an *instructional employee* (one whose principal function is to instruct students in a class, small group, or as individuals), the District can require the employee either to take leave for a period or periods of a particular duration not greater than the duration of the planned treatment or to transfer temporarily to an available alternative position with equivalent pay and benefits that provides better accommodation of recurring periods of leave, provided the leave is:~~

- ~~A. Requested to care for a qualifying family member or as a result of the employee's serious health condition preventing job performance;~~
- ~~B. Foreseeable, based upon planned medical treatment; and~~
- ~~C. For more than twenty percent (20%) of the working days in the leave period.~~

~~The employee may be granted leave under these circumstances, subject to reasonable efforts to schedule treatment so as not to unduly disrupt the educational program.~~

~~**Special end of semester circumstances for instructional employees.** Under each of the following conditions, leave for an instructional employee may be required to continue to the end of the academic semester:~~

- ~~A. Leave begins more than five (5) weeks before the end of the semester, leave is for at least three (3) weeks, and return to employment would occur during the last three (3) weeks of the semester.~~

~~C. Leave other than for the employee's serious health condition begins within the last three (3) weeks of the semester and leave exceeds five (5) working days.~~

~~Employee notification.~~ With each request for FMLA leave, the employee shall be notified:

~~A. About FMLA by provision of the FMLA fact sheet (Exhibit EE).~~

~~B. As appropriate concerning the expectations, obligations, and consequences of taking FMLA leave per 29 C.F.R. 825.300(a) of FMLA.~~

~~C. That FMLA leave may be withheld until a requested notice is provided or the time frame is met.~~

~~D. That if leave is granted to an employee who is unable to perform the work required, restoration may be denied until the employee has complied with the request to provide medical certification of ability to return to work.~~

~~The District will post notices in conspicuous places on the District premises that provide a summary of FMLA and information on how to file a charge for an FMLA violation.~~

~~Health care continuation.~~ An employee taking FMLA leave shall be entitled to have the health care plan in which the employee is participating continue under the same terms and conditions applicable to actively working employees. The District shall require the repayment of any health care premiums paid by the District for continuing coverage during the period of the FMLA leave if the employee fails to return to work after the FMLA leave expires and the failure to return is not due to circumstances beyond the employee's control.

~~Position restoration.~~ Upon return from FMLA leave, an employee shall be restored to the same position held before the FMLA leave commenced or to an equivalent position with equivalent pay, benefits, and working conditions. The District requires an employee to provide a medical certificate from a health care provider that the employee is able to resume work before returning from FMLA leave for a serious personal health condition. The District may delay the return of an instructional employee from FMLA leave at the end of a semester, in accordance with Section 825.602 of FMLA rules. The District may deny restoration of position to any key employee (i.e., one who is among the highest paid ten percent [10%] of all employees of the District), in accordance with Section 825.218 of FMLA rules.

~~YOUR RIGHTS UNDER THE FAMILY AND
MEDICAL LEAVE ACT OF 1993~~

~~The Family and Medical Leave Act of 1993 (FMLA) requires covered employers to provide up to twelve (12) weeks of unpaid, job protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for their employer for at least one (1) year, and for one thousand two hundred fifty (1,250) hours over the previous twelve (12) months, and if there are at least fifty (50) employees within seventy five (75) miles. The FMLA permits employees to take leave on an intermittent basis or to work a reduced schedule under certain circumstances.~~

~~*Reasons for Taking Leave*~~

~~Unpaid leave must be granted for any of the following reasons:~~

- ~~A. To care for the employee's child after birth, or placement for adoption or foster care;~~
- ~~B. To care for the employee's spouse, son or daughter, or parent who has a serious health condition; or~~
- ~~C. For a serious health condition that makes the employee unable to perform the employee's job.~~

~~At the employee's or employer's option, certain kinds of paid leave may be substituted for unpaid leave.~~

~~*Advance Notice and Medical Certification*~~

~~The employee may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met.~~

- ~~A. The employee ordinarily must provide thirty (30) days advance notice when the leave is "foreseeable."~~
- ~~B. An employer may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the employer's expense) and a fitness for duty report to return to work.~~

<i>Note:</i> This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~Job Benefits and Protection:~~

- ~~A. For the duration of FMLA leave, the employer must maintain the employee's health coverage under any "group health plan."~~
- ~~B. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.~~
- ~~C. The use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.~~

~~Unlawful Acts by Employers~~

~~FMLA makes it unlawful for any employer to:~~

- ~~A. interfere with, restrain, or deny the exercise of any right provided under FMLA.~~
- ~~B. discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.~~

~~Enforcement:~~

- ~~A. The U.S. Department of Labor is authorized to investigate and resolve complaints of violations.~~
- ~~B. An eligible employee may bring a civil action against an employer for violations.~~

~~FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.~~

~~MILITARY FAMILY LEAVE~~

The National Defense Authorization Act for FY 2008 (NDAA), Public Law 110-181, Section 585(a), amended the Family and Medical Leave Act of 1993 (FMLA) to provide eligible employees working for covered employers two (2) important new leave rights related to military service:

~~(1) New Qualifying Reason for Leave.~~ Eligible employees are entitled to up to twelve (12) weeks of leave because of "any qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation. By the terms of the statute, this provision requires the Secretary of Labor to issue regulations defining "any qualifying exigency." In the interim, employers are encouraged to provide this type of leave to qualifying employees.

~~(2) New Leave Entitlement.~~ An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered servicemember who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to twenty-six (26) weeks of leave in a single twelve (12) month period to care for the servicemember. This provision became effective immediately upon enactment. This military caregiver leave is available during "a single twelve (12) month period" during which an eligible employee is entitled to a combined total of twenty-six (26) weeks of all types of FMLA leave.

Additional information on the amendments and a version of Title I of the FMLA with the new statutory language incorporated are available on the FMLA amendments Web site at <http://www.dol.gov/agencies/whd/fmla/law>.

~~FACT SHEET NO. 28:
THE FAMILY AND MEDICAL LEAVE ACT OF 1993~~

~~The U.S. Department of Labor's Employment Standards Administration, Wage and Hour Division, administers and enforces the Family and Medical Leave Act (FMLA) for all private, state and local government employees, and some federal employees. Most federal and certain congressional employees are also covered by the law and are subject to the jurisdiction of the U.S. Office of Personnel Management or the Congress.~~

~~The FMLA became effective on August 5, 1993 for most employers and entitles eligible employees to take up to twelve (12) weeks of unpaid, job-protected leave in a twelve (12) month period for specified family and medical reasons. Amendments to the FMLA by the National Defense Authorization Act for FY 2008 (NDAA). Public Law 110-181, expanded the FMLA to allow eligible employees to take up to twelve (12) weeks of job-protected leave in the applicable twelve (12) month period for any "qualifying exigency" arising out of the fact that a covered military member is on active duty, or has been notified of an impending call or order to active duty, in support of a contingency operation. The NDAA also amended the FMLA to allow eligible employees to take up to twenty six (26) weeks of job-protected leave in a "single twelve (12) month period" to care for a covered servicemember with a serious injury or illness.~~

~~**Employer Coverage**~~

~~FMLA applies to all public agencies, including state, local and federal employers, local education agencies (schools), and private-sector employers who employed fifty (50) or more employees in twenty (20) or more workweeks in the current or preceding calendar year, including joint employers and successors of covered employers.~~

~~**Employee Eligibility**~~

~~To be eligible for FMLA benefits, an employee must:~~

- ~~A. work for a covered employer;~~
- ~~B. have worked for the employer for a total of twelve (12) months;~~
- ~~C. have worked at least one thousand two hundred fifty (1,250) hours over the previous twelve (12) months; and~~

<i>Note:</i> This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~D. work at a location in the United States or in any territory or possession of the United States where at least fifty (50) employees are employed by the employer within seventy five (75) miles.~~

~~While the twelve (12) months of employment need not be consecutive, employment periods prior to a break in service of seven (7) years or more need not be counted unless the break is occasioned by the employee's fulfillment of his or her National Guard or Reserve military obligation (as protected under the Uniformed Services Employment and Reemployment Rights Act (USERRA), or a written agreement, including a collective bargaining agreement, exists concerning the employer's intention to rehire the employee after the break in service. See, special rules for returning reservists under USERRA.~~

~~Leave Entitlement~~

~~A covered employer must grant an eligible employee up to a total of twelve (12) workweeks of unpaid leave during any twelve (12) month period for one (1) or more of the following reasons:~~

~~A. For the birth and care of a newborn child of the employee;~~

~~B. For placement with the employee of a son or daughter for adoption or foster care;~~

~~C. To care for a spouse, son, daughter, or parent with a serious health condition;~~

~~D. To take medical leave when the employee is unable to work because of a serious health condition; or~~

~~E. For qualifying exigencies arising out of the fact that the employee's spouse, son, daughter, or parent is on active duty or call to active duty status as a member of the National Guard or Reserves in support of a contingency operation.~~

~~A covered employer also must grant an eligible employee who is a spouse, son, daughter, parent, or next of kin of a current member of the Armed Forces, including a member of the National Guard or Reserves, with a serious injury or illness up to a total of twenty six (26) workweeks of unpaid leave during a "single twelve (12) month period" to care for the servicemember.~~

~~Spouses employed by the same employer are limited in the amount of family leave they may take for the birth and care of a newborn child, placement of a child for adoption or foster care, or to care for a parent who has a serious health condition to a combined total of twelve (12) weeks (or twenty six [26] weeks if leave to care for a covered servicemember with a serious injury or illness is also used). Leave for birth and care, or placement for adoption or foster care, must conclude within twelve (12) months of the birth or placement.~~

~~Under some circumstances, employees may take FMLA leave intermittently—taking leave in separate blocks of time for a single qualifying reason—or on a reduced leave schedule—reducing the employee's usual weekly or daily work schedule. When leave is needed for planned medical treatment, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer's operation. If FMLA leave is for birth and care, or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval.~~

~~Under certain conditions, employees or employers may choose to "substitute" (run concurrently) accrued paid leave (such as sick or vacation leave) to cover some or all of the FMLA leave. An employee's ability to substitute accrued paid leave is determined by the terms and conditions of the employer's normal leave policy.~~

~~"*Serious health condition*" means an illness, injury, impairment, or physical or mental condition that involves either:~~

~~A. Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity (i.e., inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; or~~

~~B. Continuing treatment by a health care provider, which includes:~~

~~1. A period of incapacity lasting more than three (3) consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also includes:~~

~~a. treatment two (2) or more times by or under the supervision of a health care provider (i.e., in-person visits, the first within seven [7] days and both within thirty [30] days of the first day of incapacity); or~~

~~b. one (1) treatment by a health care provider (i.e., an in-person visit within seven [7] days of the first day of incapacity) with a continuing regimen of treatment (e.g., prescription medication, physical therapy); or~~

~~2. Any period of incapacity related to pregnancy or for prenatal care. A visit to the health care provider is not necessary for each absence; or~~

~~3. Any period of incapacity or treatment for a chronic serious health condition which continues over an extended period of time, requires periodic visits (at least twice a year) to a health care provider, and may involve occasional episodes of incapacity. A visit to a health care provider is not necessary for each absence; or~~

- ~~4. A period of incapacity that is permanent or long term due to a condition for which treatment may not be effective. Only supervision by a health care provider is required, rather than active treatment; or~~
- ~~5. Any absences to receive multiple treatments for restorative surgery or for a condition that would likely result in a period of incapacity of more than three (3) days if not treated.~~

~~Maintenance of Health Benefits~~

~~A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance premiums while on leave. In some instances, the employer may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.~~

~~Job Restoration~~

~~Upon return from FMLA leave, an employee must be restored to the employee's original job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment. An employee's use of FMLA leave cannot result in the loss of any employment benefit that the employee earned or was entitled to before using FMLA leave, nor be counted against the employee under a "no fault" attendance policy. If a bonus or other payment, however, is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to FMLA leave, payment may be denied unless it is paid to an employee on equivalent leave status for a reason that does not qualify as FMLA leave.~~

~~An employee has no greater right to restoration or to other benefits and conditions of employment than if the employee had been continuously employed.~~

~~Notice and Certification~~

~~Employee Notice~~

~~Employees seeking to use FMLA leave are required to provide thirty (30)-day advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable. If leave is foreseeable less than thirty (30) days in advance, the employee must provide notice as soon as practicable—generally, either the same or next business day. When the need for leave is not foreseeable, the employee must provide notice to the employer as soon as practicable under the facts and circumstances of the particular case. Absent unusual circumstances, employees must comply with the employer's usual and customary notice and procedural requirements for requesting leave.~~

<i>Note:</i> This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~Employees must provide sufficient information for an employer reasonably to determine whether the FMLA may apply to the leave request. Depending on the situation, such information may include that the employee is incapacitated due to pregnancy, has been hospitalized overnight, is unable to perform the functions of the job, and/or that the employee or employee's qualifying family member is under the continuing care of a health care provider.~~

~~When an employee seeks leave for a FMLA qualifying reason for the first time, the employee need not expressly assert FMLA rights or even mention the FMLA. When an employee seeks leave, however, due to a FMLA qualifying reason for which the employer has previously provided the employee FMLA-protected leave, the employee must specifically reference either the qualifying reason for leave or the need for FMLA leave.~~

Employer Notice

~~Covered employers must post a notice approved by the Secretary of Labor explaining rights and responsibilities under FMLA. An employer that willfully violates this posting requirement may be subject to a fine of up to one hundred ten dollars (\$110) for each separate offense. Additionally, employers must either include this general notice in employee handbooks or other written guidance to employees concerning benefits, or must distribute a copy of the notice to each new employee upon hiring.~~

~~When an employee requests FMLA leave or the employer acquires knowledge that leave may be for a FMLA purpose, the employer must notify the employee of his or her eligibility to take leave, and inform the employee of his/her rights and responsibilities under FMLA. When the employer has enough information to determine that leave is being taken for a FMLA qualifying reason, the employer must notify the employee that the leave is designated and will be counted as FMLA leave.~~

Certification

~~Employers may require that an employee's request for leave due to a serious health condition affecting the employee or a covered family member be supported by a certification from a health care provider. An employer may require second or third medical opinions (at the employer's expense) and periodic recertification of a serious health condition. An employer may use a health care provider, a human resource professional, a leave administrator, or a management official—but not the employee's direct supervisor—to authenticate or clarify a medical certification of a serious health condition. An employer may have a uniformly applied policy requiring employees returning from leave for their own serious health condition to submit a certification that they are able to resume work. If reasonable safety concerns exist, an employer may, under certain circumstances, require such a certification for employees returning from intermittent FMLA leave.~~

~~Unlawful Acts~~

~~Enforcement~~

~~The Wage and Hour Division investigates complaints. If violations cannot be satisfactorily resolved, the U.S. Department of Labor may bring action in court to compel compliance. Individuals may also be able to bring a private civil action against an employer for violations.~~

~~Other Provisions~~

~~Special rules apply to employees of local education agencies. Generally, these rules apply to intermittent leave or when leave is required near the end of a school term.~~

TRANSFER OF ACCRUED SICK LEAVE**

~~The District recognizes the existence of circumstances under which non-job-related, seriously incapacitating, and extended illnesses and injury may exhaust accrued leave of certificated employees. To provide some measure of relief in such situations, a limited mechanism, based upon voluntary transfer of accrued leave, is established. The mechanism will be termed *banked sick leave*, or a *sick leave bank*. It is considered of benefit to the District to establish this mechanism because it will reduce the annual accrued sick leave and promote efficiency by ensuring constant service.~~

Limits:

- ~~A. The value of banked sick leave will be limited to the equivalent of the number of contract days multiplied by the daily base salary of a teacher with a baccalaureate degree and no experience, or less, depending on contributions.~~
- ~~B. No employee shall be entitled to receive banked sick leave by reason of contribution or employment.~~
- ~~C. Each approved applicant is limited to the one (1) time use of no more than one hundred (100) consecutive days of the available limited sick leave from the sick leave bank in any school year.~~
- ~~D. Additional leave will not be earned/accrued during use of banked sick leave.~~
- ~~E. All unused banked sick leave will expire at the end of each contract year.~~

Voluntary contributions:

- ~~A. Certificated staff members may voluntarily contribute a maximum of _____ days of *earned/accrued* sick leave to the sick leave bank annually. Such contribution must be from the current year's sick leave earned/accrued, the value of which will be determined by the number of days multiplied by the daily base teacher salary.~~
- ~~B. Each certificated staff member contributing leave to the sick leave bank must acknowledge an uncoerced, voluntary release of the leave, the value it represents, and that it will not be returned but will expire at the end of the contract year in which it is contributed.~~
- ~~C. In case of contributions exceeding the value of the sick leave bank limit, each contribution will be accepted on a first come, first served basis by date of signature.~~

General Provisions for Discipline Under A.R.S. 15-341

~~General provisions for discipline are as follows:~~

~~A. *Informal consultation.* Nothing contained herein will limit a supervising administrator's prerogative to engage in informal consultation with a certificated employee to discuss matters of concern related to the employee's performance, conduct, et cetera; however, when it is apparent that disciplinary action toward a certificated employee is likely to become a part of the certificated staff member's personnel record as permitted by A.R.S. 15-341, the procedures outlined herein shall be followed.~~

~~B. *Persons authorized to impose discipline.* Any supervising administrator who is the immediate or primary supervisor of a certificated staff member is authorized to impose a penalty or penalties, short of dismissal. Only the Board may dismiss a certificated staff member.~~

~~C. *Notice.* Any person who is required by this policy to give written notice to any other person affected by this policy may do so by any means reasonably calculated to give the recipient actual knowledge of the notice within a~~

~~reasonable amount of time. When time is calculated from the date a notice is received, the notice is deemed to be received on the date it is hand delivered or three (3) calendar days after it is placed in the mail.~~

~~D. *Administrative discretion.* In adopting these policies and procedures, it is the intention of the District that they be interpreted and applied in a reasonable fashion. The policies and regulations are not intended to restrict or eliminate the discretion traditionally afforded to supervising administrators to determine whether discipline is appropriate. Supervising administrators are therefore directed to continue to use reasonable discretion in determining whether a particular alleged violation merits discipline.~~

~~E. *Right not to impose discipline.* The District reserves the right not to discipline a certificated staff member for conduct that violates this policy.~~

~~F. *Definition of work days.* For the purposes of this policy, a work day is any day that the District's central administrative office is open for business.~~

~~G. *Additional reasons for discipline.* A certificated staff member may be disciplined for conduct that has occurred but that, at or near the time of misconduct, was not the subject of or identified as a reason for a specific proceeding under this policy.~~

~~Procedure for Discipline Under A.R.S. 15-341~~

~~The following procedures will be used to impose any discipline that 1) shall become a part of the certificated staff member's personnel record and 2) is permitted under A.R.S. 15-341:~~

~~Step 1—Notice:~~

~~A. Upon the supervising administrator's determination of the existence of cause to impose discipline, the supervising administrator shall notify the certificated staff member of intent to impose discipline. The notice shall be in writing and shall be delivered in person or by first class mail. The notice shall include the following:~~

- ~~1. The conduct or omission on the part of the certificated staff member that constitutes the reason for discipline.~~
- ~~2. A scheduled meeting time between the supervising administrator and the certificated staff member. Such meeting shall be scheduled not more than ten (10) working days after the date the certificated staff member receives the notice.~~

~~3. A statement of the disciplinary action the supervising administrator intends to impose, including, if applicable, the number of days of suspension with or without pay.~~

~~4. Copies of any available relevant documentation, at the discretion of the supervising administrator.~~

Step 2—Discipline Hearing:

~~A. At the hearing, the supervising administrator shall discuss with the certificated staff member the conduct that warrants disciplinary action and shall provide the certificated staff member with any appropriate evidence and a copy of relevant documentation if not previously provided.~~

~~B. The supervising administrator shall conduct the hearing in an informal manner, without adherence to the rules of evidence and procedure required in judicial proceedings.~~

Step 3—Decision (in writing):

~~At the hearing, or within ten (10) working days following the hearing, the supervising administrator shall, in writing, inform the certificated staff member of the decision. If the decision is to impose discipline, written notice of the discipline shall be enclosed. The written notice of the decision shall state that a copy of the notice, decision, and a record of the disciplinary action shall be placed in the certificated staff member's personnel file and shall specify the date the discipline shall be imposed unless the certificated staff member files a written request for appeal within five (5) working days after the decision is delivered to the certificated staff member. If the certificated staff member requests an appeal of the decision, the imposition of any discipline shall be suspended pending the outcome of the appeal.~~

Step 4—Appeal:

~~Discipline imposed may be appealed at the next organizational level, in writing, to the appropriate assistant superintendent or the Superintendent. Only when the discipline is determined by the Superintendent shall the appeal be to the Board, which, at its discretion, may appoint a hearing officer. The appeal shall contain a brief statement of the reasons why the certificated staff member believes the administrator's decision is incorrect. Appeal is limited to one (1) organizational level above the level of the supervising administrator who imposed the discipline.~~

~~The appeal shall specifically describe the part of the determination with which the certificated staff member disagrees:~~

<i>Note:</i> This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~A. Determination was founded upon error of construction or application of any pertinent regulations or policies.~~

~~B. Determination was unsupported by any evidence as disclosed by the entire record.~~

~~C. Determination was materially affected by unlawful procedure.~~

~~D. Determination was based on violation of any statutory or constitutional right.~~

~~E. Determination was arbitrary and capricious.~~

~~F. The penalty was excessive.~~

~~The supervising administrator, the Superintendent, or, when appropriate, the Board or the Board appointed hearing officer may, at the conclusion of the appeal, uphold the discipline, modify the decision, or refer the matter back to the level from which it was appealed for rehearing and additional information. Such decision, along with specific direction as to the effective date of any discipline, shall be communicated to the certificated staff member within a reasonable amount of time following the appeal, not to exceed seven (7) working days.~~

~~The assigned hearing officer shall, by use of a mechanical device, make a record of the appeal hearing.~~

~~This policy, under A.R.S. 15-341, does not apply to dismissal of a certificated staff member except to the extent that the Board may find, subsequent to dismissal proceedings, that a lesser form of discipline as set forth in this policy should be imposed.~~

~~Not all administrative actions regarding a certificated staff member are considered "discipline," even though they may involve alleged or possible violations by the certificated staff member. This policy addresses only discipline and has no application to any of the following:~~

~~A. The certificated staff member evaluation procedure or the resulting evaluations as they pertain to the adequacy of the certificated staff member's classroom performance.~~

~~B. Letters or memorandums directed to a certificated staff member containing directives or instructions for future conduct.~~

~~C. Counseling of a certificated staff member concerning expectations of future conduct.~~

~~D. Nonrenewal of a contract of a certificated staff member employed by the District for less than the major portion of three (3) consecutive school years (noncontinuing certificated staff member).~~

~~C. If the parties cannot mutually agree on a hearing officer, a hearing officer shall be selected by the Governing Board from a list provided by the State Department of Education or the American Arbitration Association.~~

~~D. A hearing held pursuant to A.R.S. 15-541 may not be conducted by any hearing officer having a personal interest which would conflict with the hearing officer's objectivity in the hearing.~~

~~E. The hearing shall be held:~~

- ~~1. not less than fifteen (15) days, nor~~
- ~~2. not more than thirty (30) days.~~
- ~~3. after the request is filed, unless all parties to the hearing mutually agree to a different hearing date.~~

~~F. Notice of the time and place of the hearing shall be given to the teacher not less than three (3) days before the date of the hearing.~~

~~G. The teacher may request that the hearing be conducted in public or private.~~

~~N. Parties to the hearing have the right to object to the findings of the hearing officer and present oral and written arguments to the Governing Board.~~

~~O. The Governing Board has an additional ten (10) days to determine whether good and just cause existed for the notice of dismissal or suspension and shall render its decision accordingly, either affirming or withdrawing the notice of suspension or dismissal.~~

~~Good and just cause does not include religious or political beliefs or affiliations unless they are in violation of the oath of the teacher.~~

~~Additional Provisions and Conditions~~

~~During the pendency of a hearing, neither the certificated staff member nor the supervising administrator shall contact the Superintendent or a Board member to discuss the merits of the supervising administrator's recommendation or charges and proposed discipline except as provided by this policy. No attempt shall be made during such period to discuss the merits of the charges with the person designated to act as hearing officer.~~

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~The State Board of Education, after verifying the official's identity, shall provide the requested information, if available, to the official or designee. If providing the requested information might impede the State Board of Education's investigation of the allegations, the State Board of Education may deny the official's request or provide the information to the official or administrator after the State Board of Education completes the investigation.~~

~~*Amendments.* The District reserves the right to amend this policy in any way at any time. Any amendment shall have prospective application only.~~

~~*Severability.* If any provision of this policy is held to be invalid for any reason, such action shall not invalidate the remainder of this policy. If any provision of this policy conflicts with any provisions in any other policies adopted by the District, the provisions of this policy shall prevail.~~

Teachers Working Under a Short-Term Certification

A teacher who holds a teaching intern certificate, an emergency teaching certificate or another type of nonstandard certificate, that is valid for one (1) year or less, may be dismissed by the Board effective ten (10) days after delivery of the notice of dismissal to the teacher without complying with the requirements of A.R.S. conditions found in 15-537, 15-538, or 15-541. D. *Administrative discretion.* In adopting these policies and procedures, it is the intention of the District that they be interpreted and applied in a reasonable fashion. The policies and regulations are not intended to restrict or eliminate the discretion traditionally afforded to supervising administrators to determine whether discipline is appropriate. Supervising administrators are therefore directed to continue to use reasonable discretion in determining whether a particular alleged violation merits discipline.

E. *Right not to impose discipline.* The District reserves the right not to discipline a certificated staff member for conduct that violates Policy GCQF and this regulation.

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

F. *Definition of business days.* For the purposes of this regulation, a business day is any day that the District's central administrative office is open for business.

G. *Additional reasons for discipline.* A certificated staff member may be disciplined for conduct that has occurred but that, at or near the time of misconduct, was not the subject of or identified as a reason for a specific proceeding under Policy GCQF and this regulation.

Procedures

The following procedures will be used to impose any discipline that 1) shall become a part of the certificated staff member's personnel record and 2) is permitted under A.R.S. 15-341:

Step 1 - Notice:

Upon the supervising administrator's determination of the existence of cause to impose discipline, the supervising administrator shall notify the certificated staff member of intent to impose discipline. The notice shall be in writing and shall be delivered in person or by first-class mail. The notice shall include the following:

1. The conduct or omission on the part of the certificated staff member that constitutes the reason for discipline.
2. A scheduled meeting time between the supervising administrator and the certificated staff member. Such meeting shall be scheduled not more than ten (10) business days after the date the certificated staff member receives the notice.
3. A statement of the disciplinary action the supervising administrator intends to impose, including, if applicable, the number of days of suspension with or without pay.
4. Copies of any available relevant documentation, at the discretion of the supervising administrator.

Step 2 - Discipline Hearing:

A. At the hearing, the supervising administrator shall discuss with the certificated staff member the conduct that warrants disciplinary action and shall provide the certificated staff member with any appropriate evidence and a copy of relevant documentation if not previously provided.

Step 3 - Decision (in writing):

At the hearing, or within ten (10) business days following the hearing, the supervising administrator shall, in writing, inform the certificated staff member of the decision. If the decision is to impose discipline, written notice of the discipline shall be enclosed. The written notice of the decision shall state that a copy of the notice, decision, and a record of the disciplinary action shall be placed in the certificated staff member's personnel file and shall specify the date the discipline shall be imposed unless the certificated staff member files a written request for appeal within five (5) business days after the decision is delivered to the certificated staff member. If the certificated staff member requests an appeal of the decision, the imposition of any discipline shall be suspended pending the outcome of the appeal.

Step 4 – Appeal:

Discipline imposed may be appealed at the next organizational level, in writing, to the appropriate assistant superintendent or the Superintendent. Only when the discipline is determined by the Superintendent shall the appeal be to the Board, which, at its discretion, may appoint a hearing officer. The appeal shall contain a brief statement of the reasons why the certificated staff member believes the administrator's decision is incorrect. Appeal is limited to one (1) organizational level above the level of the supervising administrator who imposed the discipline.

The appeal shall specifically describe the part of the determination with which the certificated staff member disagrees:

A. Determination was founded upon error of construction or application of any pertinent regulations or policies.

B. Determination was unsupported by any evidence as disclosed by the entire record.

C. Determination was materially affected by unlawful procedure.

D. Determination was based on violation of any statutory or constitutional right.

E. Determination was arbitrary and capricious.

Decision

The supervising administrator, the Superintendent, or, when appropriate, the Board or the Board-appointed hearing officer may, at the conclusion of the appeal, uphold the discipline, modify the decision, or refer the matter back to the level from which it was appealed for rehearing and additional information. Such decision, along with specific direction as to the effective date of any discipline, shall be communicated to the certificated staff member within a reasonable amount of time following the appeal, not to exceed seven (7) business days.

The assigned hearing officer shall, by use of a mechanical device, make a record of the appeal hearing.

Actions Not Covered

This regulation, under A.R.S. 15-341, does not apply to dismissal of a certificated staff member except to the extent that the Board may find, subsequent to dismissal proceedings, that a lesser form of discipline as set forth in Policy GCQF and this regulation should be imposed.

Not all administrative actions regarding a certificated staff member are considered "discipline," even though they may involve alleged or possible violations by the certificated staff member. This regulation addresses only discipline and has no application to any of the following:

2. not more than thirty (30) days.
3. after the request is filed, unless all parties to the hearing mutually agree to a different hearing date.

F. Notice of the time and place of the hearing shall be given to the teacher not less than three (3) days before the date of the hearing.

At-will employee, as used in this Section GCQF-RB, means a noncertificated employee whose employment relationship is severable at the pleasure of either the employee or the District unless a written contract or applicable law expressly provides otherwise.

Term employee, as used in this Section GCQF-RB, means a noncertificated employee working under a written employment contract or other written employment arrangement for a specified duration of time or otherwise expressly restricting the District's right to terminate the employment relationship.

Cause, as used in this Section GCQF-RB, means unprofessional or immoral conduct, violation of Policy GCQF, violation of Board policy or regulation, violation of the District's Ethics and Code of Conduct, or other conduct that, in the judgment of the District, warrants corrective/disciplinary action—including, but not limited to: Fraud or misrepresentation in securing appointment; Incompetency; Inefficiency; Neglect of duty; Insubordination; Dishonesty; Being impaired by alcohol or drugs while on duty; Illegal use or illegal possession of a narcotic or habit-forming drug; Unauthorized absence or absence without leave; Commission of any crime classified as a felony or involving moral turpitude; Discourteous treatment of the public or other employees; Improper political activity; Willful disobedience; and/or Misuse or unauthorized use of government property.

Grounds for Discipline

A noncertificated employee may be disciplined for unprofessional or immoral conduct, violation of Policy GCQF, violation of Board policy or regulation, violation of the District's Ethics and Code of Conduct, or other conduct that, in the judgment of the District, warrants corrective/disciplinary action.

Disciplinary Action

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

The District may impose progressive discipline, up to and including dismissal, that may include verbal or written reprimand, suspension without pay, or other appropriate action.

The Superintendent may investigate alleged misconduct and may place an employee on administrative leave, with or without pay as permitted by law, pending investigation.

Suspension Without Pay

At-will employees. An at-will employee may be suspended without pay for conduct that, in the judgment of the Superintendent, warrants such action. Before suspending an at-will employee without pay, the employee shall be informed of the nature of the concerns and given an opportunity to respond, unless immediate action is necessary to protect students, employees, property, or District operations. The Superintendent's decision will be final unless otherwise provided by Board policy.

Term employees. A term employee may be suspended without pay during the term of employment for cause. If the Superintendent recommends suspension without pay of a term employee, the employee shall be given written notice of the recommendation and the reasons for it. The employee may request a hearing in accordance with the hearing procedures set forth below for suspension without pay or dismissal of a term employee. If no hearing is requested within the time provided, the recommended suspension without pay may be imposed.

Minor disciplinary action that does not include dismissal or suspension without pay may be imposed without use of the hearing procedures set forth below unless otherwise required by contract or law.

Dismissal

At-will employees. An at-will employee may be dismissed by the Governing Board at any time, subject to applicable law and any written contract. If the Superintendent recommends dismissal of an at-will employee, the recommendation shall be submitted to the Governing Board in writing and a copy of the recommendation shall be delivered to the employee. The at-will employee may submit a written response to the Governing Board before the Board considers the recommendation. If the at-will employee attends the Board meeting at which the recommendation is considered, the Governing Board may, in its discretion and consistent with applicable law, permit the employee to address the Governing Board concerning the recommendation.

Term employees. A term employee may be dismissed for cause by the Governing Board at any time prior to the expiration of the term of employment.

Term Employee: Process for Suspension Without Pay or Dismissal

If the Superintendent recommends suspension without pay or dismissal of a term employee, a copy of the recommendation shall be delivered to the employee.

The employee may request a hearing within five (5) business days after receipt of the recommendation. If a hearing is requested, the Superintendent shall deliver written notice of the time and place of the hearing and a written statement of the reasons for the recommendation. The notice may also include a list of persons whom the Superintendent expects to testify and a general description of any other evidence that may be presented at the hearing in support of the recommendation.

The hearing shall be conducted by the Governing Board or by a hearing officer designated by the Governing Board within not less than five (5) business days and not more than thirty (30) calendar days after a request for hearing is submitted, unless postponed by agreement of the parties or by the Governing Board or hearing officer for good cause.

The employee may be represented at the hearing by counsel, at the employee's expense. The employee shall have the opportunity to present witnesses and other relevant evidence and to question witnesses presented by the District. Formal rules of evidence shall not apply. A record of the hearing shall be made by mechanical or electronic means.

If a hearing officer is used, the hearing officer shall prepare written findings and a disciplinary recommendation for the Governing Board within ten (10) business days after the conclusion of the hearing. The Governing Board shall review the findings and recommendation and render a final decision whether to accept, reject, or modify the hearing officer's findings and/or recommendation.

If the Governing Board conducts the hearing, it shall render a decision within ten (10) business days after the conclusion of the hearing.

If the employee does not timely request a hearing, the employee shall be deemed to have waived the right to a hearing, and the Governing Board may act on the recommendation.

The Governing Board's decision shall be final.

State Board of Education **Discipline/Duty to Report**

A noncertificated employee who meets the definition of noncertificated person in A.R.S. 15-505 may also be subject to investigation and discipline by the State Board of Education for immoral or unprofessional conduct as provided by law and State Board rules.

Nothing in this regulation limits or replaces any duty to report suspected conduct involving minors, suspected immoral or unprofessional conduct, arrest or charge information, criminal conviction information, or other legally reportable matters to law enforcement, the State Board of Education, the Department of Public Safety, or other authorities as required by law.

The District shall not accept the resignation of a certificated or noncertificated person when there is a reasonable suspicion or allegation of conduct involving minors that must be reported to the State Board of Education as required by law until the required report has been made.

General Matters

None of the procedures of this regulation shall alter the status of an at-will employee.

Failure to timely request a hearing or otherwise timely respond as provided in this regulation shall constitute a waiver of further review under this regulation.

The filing or pendency of a complaint or other form of grievance under another policy shall not limit or delay action authorized by this regulation unless otherwise required by contract or law.

This regulation does not apply to:

- A. nonrenewal of a term employee at the expiration of the employee's contract, unless otherwise expressly provided by contract or law;
- B. ratings, comments, or recommendations made in the course of an evaluation;
- C. placement on administrative leave; or
- D. counseling, directives, or supervisory instructions regarding future conduct or performance.

NONSCHOOL EMPLOYMENT BY
~~PROFESSIONAL STAFF MEMBERS~~**

A regular, full-time employee's position in the District shall be given precedence over any type of outside work or self-employment. ~~Employees are free to carry on individual work or self-employment projects as long as no~~ District facilities, equipment, or school(s) are not to be used, except as provided by policy, and the outside work or self-employment ~~does~~ must not interfere with the employees' performance of District-assigned duties.

The outside work or self-employment by a staff member is of concern to the Board ~~insofar as~~ if it may:

- A. Prevent the employee from performing assigned responsibilities in an effective manner.
- B. Be prejudicial to proper effectiveness in the position or compromise the District.
- C. Raise a question of conflict of interest - for example, where the employee's position in the District permits access to information or other advantage useful to the outside employer.

~~Therefore, a~~An employee may not perform any duties related to outside work or self-employment during regular District working hours or during the additional time that is needed to fulfill the responsibilities of the District position. ~~TRANSFER OF ACCRUED SICK LEAVE~~

~~The District recognizes the existence of circumstances under which non-job-related, seriously incapacitating, and extended illnesses and injury may exhaust accrued leave of support staff employees. To provide some measure of relief in such situations, a limited mechanism, based upon voluntary transfer of accrued leave, is established. The mechanism will be termed *banked sick leave*, or a *sick leave bank*. It is considered of benefit to the District to establish this mechanism because it will reduce the annual accrued sick leave and promote efficiency by ensuring constant service.~~

Limits:

- ~~A. The value of banked sick leave will be limited to the equivalent of one hundred (100) days multiplied by the federal minimum wage rate times eight (8) hours, or less, depending on contributions.~~
- ~~B. No employee shall be entitled to receive banked sick leave by reason of contribution or employment.~~
- ~~C. Each approved applicant is limited to the one-time use of no more than one hundred (100) consecutive days of the available limited sick leave from the sick leave bank in any school year.~~
- ~~D. Additional leave will not be earned/accrued during use of banked sick leave.~~
- ~~E. All unused banked sick leave will expire at the end of each contract year.~~

Voluntary contributions:

- ~~A. Support staff members may voluntarily contribute a maximum of one (1) day of earned/accrued sick leave to the sick leave bank annually. Such contribution must be from the current year's sick leave earned/accrued, the value of which will be determined by the number of days multiplied by the federal minimum wage rate times eight (8) hours.~~
- ~~B. Each staff member contributing leave to the sick leave bank acknowledges an uncoerced, voluntary release of the leave, the value it represents, and that it will not be returned but will expire at the end of the fiscal year in which it is contributed.~~
- ~~C. In case of contributions exceeding the value of the sick leave bank limit, each contribution will be accepted on a first-come, first-served basis by date of signature.~~

~~PROCEDURES AND PRACTICES FOR EMPLOYMENT AUTHORIZATION
AND EMPLOYMENT ELIGIBILITY VERIFICATION~~

~~*Anti-Discrimination Notice.* It is illegal to discriminate against any individual (other than an alien not authorized to work in the U.S.) in hiring, discharging, or recruiting or referring for a fee because of that individual's national origin or citizenship status. It is illegal to discriminate against work eligible individuals. Employers cannot specify which document(s) they will accept from an employee. The refusal to hire an individual because of a future expiration date may also constitute illegal discrimination.~~

~~**Employment Authorization
Procedure**~~

~~Arizona schools must use the federal government's Basic Pilot Program to verify the employment authorization of all newly hired employees.~~

~~The Department of Homeland Security's (DHS) U.S. Citizenship and Immigration Services Bureau (USCIS) and the Social Security Administration (SSA) are jointly conducting E-Verify, formerly known as the Basic Pilot. E-Verify involves verification checks of the SSA and DHS databases, using an automated system to verify the employment authorization of all newly hired employees.~~

~~There are four (4) types of access to E-Verify: As an employer, as a designated agent for employers, as a multi-location corporate administrator, or through a web service.~~

~~Users can access the web-based access methods using any Internet-capable Windows based personal computer and a web browser of Internet Explorer 5.5 or Netscape 4.7 or higher (with the exception of Netscape 7.0).~~

~~To participate, an employer must register online and accept the electronic Memorandum of Understanding (MOU) that sets forth the responsibilities of the SSA, USCIS and the employer.~~

~~The following e-mail address will allow navigation to both instructions and forms for the I-9 for verifying the identity and employment authorization of individuals hired for employment in the United States:~~

~~<https://www.uscis.gov/i-9>~~

Note: This material is written for informational purposes only, and not as legal advice. You may wish to consult an attorney for further explanation.

~~Form I-9 may be completed as soon as the employer has offered the individual a job and the individual has accepted the offer. Each newly hired employee must complete and sign Section 1 of Form I-9 no later than his or her first day of employment.~~

~~If you need assistance in completing the registration process or need additional information relating to E-Verify, please call the Office of Verification toll free at 1-888-464-4218.~~

~~I-9 Form Completion~~

~~The Immigration Reform and Control Act of 1986 (IRCA) requires that all new employees, both regular and casual, establish their eligibility for employment in the United States. This federal law applies to U.S. citizens as well as to foreign nationals.~~

~~The Employment Eligibility Verification (Form I-9) must be completed as follows:~~

~~Section 1. Employee Information and Attestation~~

~~Employees must complete and sign Section 1 of Form I-9 no later than the first day of employment, but not before accepting a job offer.)~~

~~Section 2. Employer or Authorized Representative Review and Verification~~

~~Employers or their authorized representative must complete and sign Section 2 within three (3) business days of the employee's first day of employment.~~

If the hearing officer or the Governing Board finds that there is not cause to suspend the employee without pay for more than five (5) days, the Superintendent may, after reviewing the findings, impose minor disciplinary action.~~

Memorandum

To: KUSD Governing Board

From: Dr. Gretchen Dorner, Superintendent

Re: Non-district online student regulation for participation in KUSD Athletics

FOR AGENDA

- Possible action to allow or deny eligibility to Arizona online charter students to participate in KUSD Interscholastic sports team.

FOR PACKET

Currently, per prior board discussion, KUSD precludes any student enrolled in a public or charter online school from participating with any KUSD interscholastic program. The only students currently eligible to play for KUSD interscholastic teams are home school students. The KUSD Governing Board can annually decide to make an exception for online charter school students. (Article 15, Enrollment Rule)

15.3.1.2 Online Charter School Students – Notwithstanding any other bylaw, a student who is enrolled in an Arizona online charter school and who is domiciled within the attendance zone of a member school, may be allowed to try out for interscholastic athletics and activities on behalf of that member school, **if permitted by the member school's governing board. On an annual basis, prior to the beginning of the school year, the member school governing board shall determine by formal board action whether it will permit online charter school students to try out for interscholastic athletics and activities and said board determination will remain in effect for that school year. If permitted, the member school may charge online charter school students additional fees to participate in interscholastic athletics and activities.**

ARTICLE 15**STUDENT ELIGIBILITY RULES****15.1 STUDENT ELIGIBILITY REQUIREMENTS**

15.1.1 All participants in interscholastic activities must be in compliance with all student eligibility rules. The student eligibility rules are enumerated and presented in detail in Article 15 of the AIA Bylaws.

15.1.1.1 Failure to meet all eligibility requirements by all participants while participating in an interscholastic event may result in forfeiture or disqualification by the offending school and/or such other disciplinary action as the AIA Executive Board may impose. The disciplinary actions authorized in the event of a violation of the AIA rules and regulations are: Advisement, Warning, Probation, Disqualification and Forfeiture. (See Article 16, Section 1) The AIA Executive Board shall consider possible violations of the AIA rules and regulations at its regularly scheduled meeting or at a special meeting. A special meeting to hear a violation report may be called by the President of the AIA Executive Board at any time deemed necessary. The President shall call a special meeting when so directed by a majority of the AIA Executive Board. At the discretion of the AIA Executive Board, said special meeting may be held by telephone conference call.

15.2 APPLICATION OF STUDENT ELIGIBILITY RULES

15.2.1 No part of the student eligibility rules shall be set aside, nor shall any attempt be made to set aside by mutual agreement of any participating schools or their agents, for any contest whatsoever. The student eligibility rules shall not be supplemented or supplanted in any contest under the jurisdiction of the AIA.

15.2.2 The student eligibility rules apply to all interscholastic competition in sports governed by the association and portions thereof to nonathletic activities, as applicable, and as set forth in Articles 36, 37, 38, 39, 40, 41 and 42 of the AIA Bylaws.

15.2.3 Prior to participation, the school principal or his/her designated representative shall have determined that each participant is in compliance with all provisions of the eligibility rules as enumerated in Article 15.

15.3 ENROLLMENT RULE

15.3.1 Only students enrolled at a member school in grades 9 through 12, shall be eligible for interscholastic competition, team practices and tryouts. For purposes of this rule, a student's school of enrollment is defined as the school where the student's permanent grades/records are maintained and from which the student will be eligible to graduate. (**Emergency Legislation – Ex. Brd 3/21/22**)

15.3.1.1 EXCEPTION: A home school student may be eligible if said student is in compliance with A.R.S. §15-802.01.

DETERMINATION: Considering the terms, spirit and intent of ARS §15-802.01, a home school student who has made a full and good faith effort to participate in a particular interscholastic sport or activity at the school in the student's attendance area, but been unsuccessful, may then utilize the provisions and process set out in 15.10.5 and related subsections (Form 550), and obtain eligibility at the receiving school in that particular sport or activity. (Ex. Bd. 8/14/09)

15.3.1.2 Online Charter School Students – Notwithstanding any other bylaw, a student who is enrolled in an Arizona online charter school and who is domiciled within the attendance zone of a member school, may be allowed to try out for interscholastic athletics and activities on behalf of that member school, if permitted by the member school's governing board. On an annual basis, prior to the beginning of the school year, the member school governing board shall determine by formal board action whether it will permit online charter school students to try out for interscholastic athletics and activities and said board determination will remain in effect for that school year. If permitted, the member school may charge online charter school students additional fees to participate in interscholastic athletics and activities.

(Section 15.3 cont'd. on next page)

All other eligibility requirements shall apply to online charter school students consistent with requirements established for students enrolled in that member school, including but not limited to, that the online charter school shall submit to the member school written verification that, in a manner and timeline that is consistent with the member school's policies, the student is both: 1) receiving a passing grade in each course or subject being taught, and 2) maintaining satisfactory progress towards advancement or promotion.

A student who is enrolled in an online charter school and who was previously enrolled in a school that is part of a school district is not eligible to participate in interscholastic athletics or activities for the remainder of the school year during which the student was enrolled in a school that is part of a school district.

- 15.3.2 In order to establish eligibility for that semester, a student's initial enrollment shall be no later than the 14th official school day of the semester. If a student's initial enrollment occurs after the 14th official school day of the semester, he/she is ineligible for that semester.

***DETERMINATION:** The AIA Executive Director, as designee of the AIA Executive Board, may rule on the eligibility of a student who enrolls after the 14th official school day of a session. (Ex. Bd. 4/15/96)*

- 15.3.3 In case of initial enrollment after the first official school day and by the 14th official school day, a student shall have been in attendance for as many days as he/she missed from the opening day of the semester before eligibility can be established.

- 15.3.4 In order to maintain eligibility, a student shall demonstrate regular attendance.

15.4 ACADEMIC RULE

- 15.4.1 A student must be enrolled in a minimum of five courses the first six semesters of high school and a minimum as determined by the district during the seventh and eighth semesters. The configuration and method of course delivery shall be as determined by the member school.

- 15.5.1 Domicile – Except as otherwise stated in Article 15, a domicile is a place where a person has his/her true, fixed and permanent home, and to which, whenever absent, he or she has the intention of returning. A student shall have only one domicile for the purposes of these eligibility rules.

15.5.2 Special Domicile Placements

- 15.5.2.1 Ninth-Grade Enrollment – Except as stated in 15.15, an eighth-grade student graduate enrolling in the ninth grade for the first time may attend any member high school and be eligible for interscholastic activities. This recognizes the concept of open enrollment. Upon any transfer by the student after the initial enrollment in the ninth grade, the Transfer Rule applies.

- 15.5.2.2 Legal Guardian – Except in the case of a foreign exchange student or an international student under 15.15, a student for whom a legal guardian has been appointed by a court of competent jurisdiction may be declared eligible at the school in attendance zone in which said legal guardian is domiciled by petitioning as outlined in the AIA Bylaws under Article 15, Section 15.14 Hardship. For purposes of this rule, a court of competent jurisdiction does not include courts outside the United States.

***DETERMINATION:** The AIA Executive Director, as designee of the AIA Executive Board, may rule on the eligibility of a student for whom a legal guardian has been appointed by a court of competent jurisdiction. (Ex. Bd. 4/15/96)*

- 15.5.2.2.1 EXCEPTION: If a legal guardianship appointment has been in effect for at least two years prior to the student's participation in interscholastic competition, it shall not be necessary to petition the AIA Executive Board for domicile hardship eligibility.

- 15.5.2.2.2 The use in interscholastic competition of a student for whom a legal guardian has been appointed, without compliance with the above requirements, shall constitute the use of an ineligible player.

(Section 15.5 cont'd. on next page)

- 15.5.2.2.3 Where it is determined by the Executive Board or the Executive Director that athletic motivation and/or circumvention of AIA domicile requirements is involved in the legal guardianship, this is sufficient in and of itself for denial of the hardship request (see 15.14.1.4).
- 15.5.2.3 Ward of the Court - A student who is a ward of the court or the state and is placed in a school by court order may become eligible for interscholastic competition at that school by petitioning for and receiving approval of the AIA Executive Board as outlined in the AIA Bylaws under Article 15, Section 14 Hardship.
- 15.5.2.4 Dual Enrollment - A student registered in dual enrollment or in special programs at a school outside the attendance zone within that school district in which his/her parents are domiciled is eligible to participate in interscholastic competition at the school where the student's permanent records are maintained. The student is eligible for interscholastic competition at that school only.
- 15.5.2.5 District Alternative School Students - Students attending a Cognia Commission on Accreditation & School Improvement accredited alternative school that is void of any AIA interscholastic activity programs are eligible to participate in such activities at their home school (school of domicile). All AIA and school district eligibility requirements must be met.
- 15.5.2.6 Deaf and Blind Students
- 15.5.2.6.1 A student enrolled in an AIA member school who also qualifies for enrollment at Phoenix Day School for the Deaf or Arizona State Schools for the Deaf and the Blind shall have primary interscholastic eligibility at the school in which he/she is enrolled. In the event the handicap precludes the student from participating in an activity at the school in which the student is enrolled, the student shall have eligibility at one of the aforementioned special program schools for that activity while maintaining enrollment and attendance at the school where enrolled.
- 15.5.2.6.2 If an Arizona state school for the deaf and blind does not offer a particular AIA sanctioned sport or activity, a student enrolled in said school may participate in that sport or activities at the AIA public member school nearest to the state school for the deaf and blind or at the AIA public member school in which the student's parents or legal guardians are domiciled. The student is not eligible under this provision without the mutual consent of the sending and receiving school principals.
- 15.5.2.7 First Time Enrollment from Out of State – Except as stated in 15.15, an out of state student whose parents/legal guardian have changed their domicile to and is attending high school for the first time in Arizona may attend any member high school without the transfer ineligibility period(s) provided under 15.10.1 and 15.10.2 be eligible for interscholastic activities and shall not be considered a transfer.
- 15.5.2.7.1 If a first time from out of state transfer occurs during the season in which the student has practiced or participated for a team during the current season, the student is ineligible for one year from the date of first attendance at the receiving school in that sport. Excluding any military transfer students. (*Emergency Legislation – 9/19/2025*)
NOTE: The hardship appeal process may be utilized if deemed necessary by the member school.

15.6 AGE LIMIT / BIRTH RECORD RULE

- 15.6.1 Age Limits – If a student becomes 19 years of age on or after September 1, he/she is eligible to compete for the remainder of that school year. If he/she becomes 19 years of age before September 1, he/she is not eligible for any part of that school year.

15.7.1 A student shall not be allowed to practice or compete in interscholastic athletics until there is on file with the principal or his/her designee a record of a preparticipation physical examination (PPE) performed by a doctor of medicine (M.D.), an osteopathic physician (D.O.), a naturopathic physician (N.D., N.M.D.), a certified registered nurse practitioner (N.P.) licensed to practice, a certified physician's assistant (PA-C) registered by the Joint Board Of Medical Examiners and the Osteopathic Examiners in Medicine and Surgery, or a certified chiropractic sports physician (CCSP). The physical examination for the following school year shall be given **on or after March 1**. The physical examination on file shall be signed by one of the aforementioned medical providers and shall state that, in the opinion of the examining provider, the provider did not find any medical reason to disqualify the student from practice or competition in athletic contests. The principal or his/her designee, if deemed advisable, may require a student to be reexamined.

15.7.2 Member schools shall utilize the physical examination forms provided by the AIA. There shall be four parts:

15.7.2.1 **Part One – Annual Preparticipation Physical Evaluation** – To be completed and signed by the parent or guardian and student athlete. This form must also be signed by the examining medical provider. (See Form 15.7-A).

15.7.2.2 **Part Two – Annual Preparticipation Physical Examination** – To be completed and signed by the examining medical provider. (See Form 15.7-B).

15.7.2.3 **Part Three – Annual Preparticipation Acknowledgement** – To be completed and signed by parent or guardian and student athlete. (See Form 15.7-C).

15.7.2.4 **Part Four – Annual Preparticipation Consent to Treat Form** – to be completed and signed by the parent or guardian and student athlete (See Form 15.7-D).

15.8 **PARENTAL OR LEGAL GUARDIAN CONSENT RULE** – Parental or legal guardian consent is required before a student can be eligible to practice or compete in interscholastic competition. All students shall have on file with the principal or his/her designee appropriate permission in which the parent or legal guardian authorized participation.

15.8.1 It is recommended that such authorization state:

I/We give our permission for _____ to participate in organized interscholastic athletics, realizing that such activity involves the potential for injury, which is inherent in all sports. I/We acknowledge that even with the best coaching, use of the most advanced protective equipment and strict observance of rules, injuries are still a possibility. On rare occasions, the injuries can be so severe as to result in total disability, paralysis, quadriplegia or even death.

I/We acknowledge that I/we have read and understand this warning.

15.9 **MAXIMUM PARTICIPATION RULE** – After a student first enrolls in the ninth grade, he/she has a maximum of eight semesters of opportunity and a maximum of four seasons of opportunity in each sport or activity. **Semesters 1-8 must be consecutive.**

15.9.1 Enrollment for at least fifteen school days during any semester, or participation in any interscholastic contest, constitutes a semester of opportunity and a season of opportunity.

15.9.2 A student's ineligibility during any semester or season does not affect application of the Maximum Participation rule and does not extend the number of semesters of opportunity or seasons of opportunity.

15.9.3 During a school year a student shall be eligible to participate in only one season of competition per sport, except freshman tennis.

15.9.4 Absence for Reason Other Than Confinement or Disabling Illness of Self or Immediate Family – A student absent from school for a period of more than ten consecutive school days for reasons other than a disabling illness or injury of himself/herself or a member of his/her immediate family shall be ineligible for the remainder of the semester or until he/she has been in attendance for the same number of days as he/she was absent. (See *Article 15, Section 3, Paragraph 5*).

15.9.5 Any period during which a student is not enrolled or is out of school due to suspension, expulsion or removal for disciplinary reasons shall be included for purposes of the Maximum Participation Rule.

15.10 TRANSFER RULE – Except as stated in 15.10.6, after enrolling and attending one or more classes, a student changing enrollment from one school (sending school) to another school (receiving school) shall be considered a transferring student. For information and record keeping purposes, the receiving and sending school shall reasonably cooperate and complete Form 550.

15.10.1 In team sports, a student shall be ineligible for all power ranked contests at the varsity level until after the first 50% of the maximum allowable Power Rankings regular season contests in those sports in which the student participated during the twelve (12) months immediately preceding the season in which the student is seeking eligibility. In sports permitting invitationals/tournaments, the student shall be ineligible for the first invitational/tournament. Participation is defined as a student participating in the sport during a regular season game as is specified by the AIA standardized calendar.

15.10.2 For individual sports, the student will be ineligible for 50% of scheduled opportunities, including invitationals/tournaments for that school.

15.10.3 In case of any subsequent transfer by the student, the student is ineligible for one year from the date of first attendance at the receiving school.

15.10.4 A transfer student who plays only in sub-varsity competitions shall have immediate eligibility but is ineligible to participate at the varsity level in regular season, tournaments, and post-season competitions for the season in that sport. A decision to participate only at sub-varsity levels must be made prior to the season of competition.

15.10.5 If a transfer occurs during the season in which the student participated during the twelve (12) months immediately preceding the season in which the student is seeking eligibility, or in which the student has practiced or tried out for a team during the current season, the student is ineligible for one year from the date of first attendance at the receiving school in that sport.

15.10.6 A transfer from an AIA member school (sending school) to a non-AIA member school that does not offer any interscholastic athletics, will not be considered a transfer.

15.10.6.1 A subsequent transfer from that non-AIA member school back to the sending school will also not be considered a transfer under 15.10.

15.10.6.2 A subsequent transfer from that non-AIA member school to an AIA member school other than the sending school will result in a subsequent transfer rule period of ineligibility.

15.10.7 (Form 550) - The sending school administration shall provide to the receiving school, via Form 550, the verification of activities in which a transferring student has participated. The receiving and sending school(s) shall **reasonably cooperate and complete Form 550**. Upon receipt by the receiving school of a completed Form 550, assuming all other eligibility requirements are met, the student becomes eligible for all interscholastic activities except for those activities in which the student has competed during the current or previous school year.

"Statement of Philosophy / Rationale for Transfer Rule"

- Promotes the educational philosophy that participation in interscholastic athletics is a privilege, which should not take a dominant role over academics;
- Recognizes the overwhelming administrative difficulty in attempting to determine the motives or reasons for each and every transfer, and, therefore, adopts a uniform objective standard to be followed by all member schools.
- Helps to protect opportunities for participation by students who attend school in the attendance zone of their domicile;
- Helps to protect and promote continuity of school programs;

(Section 15.10 cont'd. on next page)

- Serves as a deterrent to students running from or avoiding an athletic discipline that has been or may be imposed;
- Except as otherwise stated, this rule is intended to and shall encompass any and all transfer situations and shall apply to any and all member schools, be they public, private or parochial.
NOTE: The fact that a student may or may not have paid tuition has no bearing on the applicability of transfer rules.

15.10.8 Transfer Rule Exceptions – A student who transfers from one high school (the “sending school”) to another high school (the “receiving school”), where there has been no change in domicile of parents or legal guardian, shall be eligible to participate in interscholastic activities at the receiving school when the following eligibility requirements has been fulfilled:

15.10.8.1 Ethnic Balance – In case of a transfer within a school district by a student under an approved compliance plan for racial balance (ethnic transfer), the period of ineligibility subsequent to such a transfer, if any, shall be determined by the district.

15.10.9 For the purposes of 15.10.6, a student enrolled at an AIA member school, who chooses to participate on a different team that competes in high school games during the AIA season of sport is considered a transfer. **This rule applies to the 12 months immediately preceding the season in which the student is seeking eligibility.**

15.10.9.1 A transfer back to the student’s original AIA member school shall be considered a **first** transfer with an ineligibility period the same as described in 15.10.1.

15.10.9.2 A subsequent transfer of eligibility to an AIA member school other than the original school will result in the student being ineligible for one year from the date of first attendance at the receiving school.
(Emergency Legislation – Ex Board – 12/12/2022)

15.10.10 School Closures / Drop of AIA Membership – Upon closure or drop of AIA membership by the governing board, students may transfer at the beginning of the following semester to another school in the district as approved by the governing board, to the public high school of another district closest to the domicile of the parents, or to a private, parochial or BIE school and be automatically granted athletic eligibility.

15.10.11 When Sport or Nonathletic Activity Is Dropped by an AIA Member School – When a sport or nonathletic activity is dropped by a governing board, a student may transfer to a school that offers that sport or nonathletic activity and shall be eligible only in the sport or nonathletic activity that has been dropped at the school from which the student transferred. Said eligibility will be granted when the student enrolls in one of the following schools:

15.10.11.1 A private or parochial high school in the county in which the parents are domiciled.

15.10.11.2 The public high school within the same school district closest to the domicile of the parents.

15.10.11.3 In the event the district does not offer the sport or nonathletic activity in any of its schools, the student may transfer to the public high school of another district closest to the domicile of the parents.

15.10.11.4 The transfer rule shall apply to other interscholastic sports and activities in which the student participates.

15.10.12 Disciplinary Removal - A student suspended, expelled or otherwise removed for disciplinary reasons, **athletically and/or academically as imposed by the school or state association**, including revocation or non-renewal of open enrollment, from one high school shall be ineligible for interscholastic competition in any other high school for one year or until all conditions for re-admittance have been fulfilled at the high school where the suspension, expulsion, open enrollment revocation or removal for disciplinary reasons occurred, whichever occurs first.
(Emergency Legislation – 9/19/2025)

15.11 **AMATEUR RULE**

15.11.1 Each student, in order to represent his/her school in any AIA sanctioned contest, shall be and shall remain an amateur.

(Section 15.11 cont'd. on next page)

15.11.1.1 **Name Image and Likeness (NIL):** A student-athlete may benefit from the use of their name, image and likeness (NIL) provided the NIL is not connected to his/her AIA sanctioned high school team or activity program. NIL activities consistent with the guidelines in AIA bylaw 15.11.1.2 will not result in loss of amateur status. NIL activities may not be utilized to violate AIA bylaw 15.12 (Recruitment Rule). A student that is in violation of this bylaw ~~and~~ shall immediately lose eligibility if that student, his/her family member, or anyone else on behalf of that student, enters into an agreement with an individual, corporate entity, partnership, association, or any other party or organization which violates the guidelines in AIA bylaw 15.11.1.2.

15.11.1.2 **NIL Guidelines:** A student-athlete may benefit from the use of their name, image, and likeness (NIL) provided:

- 15.11.1.2.1 The compensation is not contingent on athletic performance or achievement
- 15.11.1.2.2 The compensation is not an incentive to enroll in or remain enrolled at a specific school.
- 15.11.1.2.3 The compensation is not provided by the school, a booster club, a collective, or any person/entity acting as an agent on behalf of the school or athletic program.

- No student-athlete may be a member of nor receive compensation or any other benefit from a Collective or NIL Club. A Collective is defined as any group organized or existing for the purpose of compensating or benefiting an individual student athlete or a group of student athletes of a member school. NIL Clubs are defined as a group of student athletes organized or existing for the purpose of soliciting funds or other benefits from fans, members or other sources, managing or promoting NIL activities of student athletes or otherwise providing funds or other benefits to an individual student athlete or group of student athletes.
- Booster Clubs are not considered Collectives or NIL Clubs if such Booster Club is operated under the supervision of a member school and provides monetary or other benefits to school athlete facilities, school athletic equipment, school team meals or other school team benefits rather than to an individual student athlete or group of student athletes.

(Emergency Legislation – Ex Board – 9/10/2024)

- 15.11.1.2.4 Intellectual property - No “marks” may be used including, but not limited to, school or district name, logo, uniforms, mascots, or any AIA logo
- 15.11.1.2.5 No school or district apparel or equipment shall be worn or used that includes school or district name, logo, uniforms, mascots, or any AIA logo.
- 15.11.1.2.6 No AIA member school facility may be used for the purpose of NIL activities.
- 15.11.1.2.7 No activities in conflict with a member school’s district policy may be endorsed. (Examples include, but are not limited to, tobacco products, alcohol products and controlled substances).
- 15.11.1.2.8 Within five (5) school days of entering into any NIL contract/agreement, a student, or the student’s parents/guardians, must notify the school’s Athletic Director of the agreement.
- 15.11.1.2.9 Students and their families should seek professional guidance regarding collegiate financial aid, NCAA clearinghouse, legal and/or tax implications, among other concerns.

15.11.2 An amateur athlete is one who has never used or is not using his/her knowledge of athletics or athletic skill in an athletic contest for financial gain.

DETERMINATION: *The AIA Executive Board determined that an amateur may receive merchandise awards that do not exceed the limit as set forth in Article 13, Section 1.*

15.11.3 A person who has lost his/her amateur standing in any AIA sanctioned sport loses his/her amateur standing in all sports in interscholastic competition for a maximum of one full calendar year from the date of discovery of the infraction or until reinstated by the AIA Executive Board.

15.11.4 Amateur athletes shall retain their amateur standing even though they participate during the summer vacation in schools or clinics sponsored by professionals. *(See Article 14, Section 9).*

15.11.5 Individual students may receive monetary rewards for participation in luck-of-the-draw or lottery-type programs. This type of competition must be limited to individual type competition and not put one contestant against another. There is no limit on the amount of monetary award for this type of competition. (Examples: Shooting baskets at half-time at professional basketball games; shooting hockey pucks at goals during intermissions at hockey events).

(Section 15.11 cont'd. on next page)

15.11.6 Amateur athletes shall participate and always have participated under their own name

15.11.7 An amateur athlete shall not compete for money or other monetary compensation.

15.11.7.1 Amateur athletes may receive actual expenses for participating in out-of-town games. This amount shall not exceed the state of Arizona per diem.

15.11.7.2 Amateur athletes may receive a fee for officiating non-interscholastic high school and non-intercollegiate sports without jeopardizing their amateur standing.

15.11.7.3 Amateur athletes shall retain their amateur standing even though they receive compensation from private clubs for instructing students not enrolled in high school.

15.11.7.4 Amateur athletes shall retain their amateur standing even though they receive compensation from state, county, city, parks or recreation departments.

15.11.7.5 Amateur athletes may enter a tournament with or against professionals without jeopardizing their amateur standing providing they do not receive, or anyone receives for them, any monetary awards, gift certificates or merchandise awards which exceed the limits as set forth in Article 13.1.4.

15.11.8 Except for a Letter of Intent to attend a college or university, amateur athletes shall not enter into any agreement with any corporation, association, partnership or individual for their services as an athlete until they have terminated their attendance in high school. This includes professional clubs and/or teams for training and competition.

15.11.9 An amateur athlete, or any member of his/her family, shall not receive remuneration, either directly or indirectly; such remuneration being given to influence the student or the family to reside in a given high school district for purposes of establishing the student's eligibility on a team and/or participation with a club and/or team in the form of a scholarship and/or room and board. *(See also Article 15, Section 12).*

15.11.10 A student may participate and receive monetary awards in non-interscholastic and/or non AIA sanctioned activities/contests (such as rodeo, boxing, bowling, judo) and be classified as an amateur under AIA rules. *(See Article 11, Section 1, Paragraph 2).*

15.12 RECRUITMENT RULE – There shall be no recruitment of athletes. Recruitment is defined as the act of influencing a student to enroll in a school or to transfer from one school to another in order that the student may participate in interscholastic athletics. No school administrator, athletic coach or employee of a high school district shall engage in recruitment either by direct contact with a student or indirectly through parents, legal guardians, common school employees, directors of summer athletic programs or other persons who are in a position to influence the student's choice of a school.

15.12.1 If the recruitment rule is violated, the student will not be eligible at a member school until reinstated by the AIA Executive Board.

15.12.2 If school personnel condone or actively engage in recruitment or a school uses a recruited student, the school shall be subject to disciplinary action by the AIA Executive Board. *(See Article 16, Section 1).*

15.12.3 Contact procedures used in the soliciting of students to enroll in any public, private or parochial school shall be the same for all students.

15.12.4 Interpretations

15.12.4.1 Funds which have been donated to schools by clubs and individuals may be given as financial aid to students through the normal financial aid program of the school for all students, without regard to athletic potential. Financial aid based even partially on athletic potential or performance is not permitted from the school or from groups that exist because of or for the benefit of the school (e.g., booster clubs).

15.12.4.2 Individuals not exclusively representing athletic interests of a high school may make general presentations (not just athletic) to eighth grade students (not just athletes). There should be a variety of presenters, speaking on a variety of topics to students of all interests.

(Section 15.12 cont'd. on next page)

- 15.12.4.3 It is a violation of this section for a coach or any other unauthorized representative of a school to suggest or promise that any part of tuition will be waived for a prospective student for any reason, including financial need. The only person who may address the possibility of fee reduction is that person who has specific responsibility for admissions and financial aid policies and procedures.
- 15.12.4.4 If it is a faculty member's responsibility to recruit students (not just athletes) and that person makes such contact irrespective of athletic eligibility, such contact is permitted. However, anything done for an athlete that is not done in a comparable fashion for all students is a violation of the Recruitment Rule.
- 15.12.4.5 When a student at a junior high/middle school or other high school, or the parents of that student, contacts the coach about attending the coach's school, the coach shall refer the student or parent to the appropriate school personnel (those who have the responsibilities for seeking and processing prospective students).
- 15.12.4.6 A high school coach may not initiate contact with a student at a junior high/middle school or other high school, or the parents of that student, about attendance at the school. It is not a violation for a coach to have normal community contact with a student who attends a junior high/middle school of the same system, which is a feeder to the high school.
- 15.12.4.7 It is a violation of the Recruitment Rule if coaches or their representatives call, send questionnaires, cards or letters or visit prospective athletes and their families for the purpose of evaluating and recruiting specific prospective athletes.
- 15.12.4.8 High school coaches or their representatives may not attend grade school or youth sports games (e.g., Pop Warner) for the purpose of evaluating and recruiting specific prospective athletes.
- 15.12.4.9 High school coaches and administrators may not request booster clubs, parents, players, former players or alumni from the high school to discuss the merits of their athletic program with prospective athletes or their parents by phone, in person or through letters.
- 15.12.4.10 Any high school may allow all students of any junior high/middle school to attend its athletic events without charge.
- 15.12.4.11 Persons "indirectly associated with the school" include, but are not limited to, parents of players and booster club members. Such persons are prohibited from providing or performing any of the examples of recruitment listed in this section and its interpretations.
- 15.12.4.12 Examples of recruitment shall include, but are not limited to:
 - 15.12.4.12.1 Offer or acceptance of money or other valuable consideration such as free or reduced tuition during the regular year or summer school by anyone connected with the school.
 - 15.12.4.12.2 Offer or acceptance of room, board or clothing or financial allotment for clothing.
 - 15.12.4.12.3 Offer or acceptance of pay for work that is not performed or that is in excess of the amount regularly paid for such service.
 - 15.12.4.12.4 Offer or acceptance of free transportation by any school connected person.
 - 15.12.4.12.5 Offer or acceptance of a residence with any school connected person.
 - 15.12.4.12.6 Offer or acceptance of any privilege not afforded to non-athletes.
 - 15.12.4.12.7 Offer or acceptance of free or reduced rent for parents.
 - 15.12.4.12.8 Offer or acceptance of payment of moving expenses of parents or assistance with the moving of parents.
 - 15.12.4.12.9 Offer or acceptance of employment of parent(s) in order to entice the family to move to a certain community if someone connected with the school makes the offer.
 - 15.12.4.12.10 Offer or acceptance of help in securing a college athletic scholarship.
- 15.12.4.13 **OPEN HOUSE** – The intent of an open house is to allow incoming students to gather information regarding curriculum, programs, and the admissions process. Coaches may provide general information to prospective incoming students but no specific details or enticements as to participation if they were to enroll.

(Section 15.12 cont'd. on next page)

- 15.12.4.14 **PRIOR CONTACT** – Prefatory statement: In an effort to preserve and promote competitive fairness, and consistent with the AIA’s mission to ensure that academics remain the primary focus of its member schools, the Prior Contact rule is an effort to deter recruiting of student-athletes and minimize athletically motivated transfers. However, the rule applies regardless of whether there is any evidence of athletic motivation or recruitment.

Despite compliance with the other provisions of AIA Bylaws, a student who transfers from one school (sending school) to another school (receiving school) is ineligible in the sport involved for one year from the date of attendance at the receiving school, if any of the following circumstances existed during the one year preceding the transfer:

- The student participated or practiced as an individual, on a school team, or on a non-school team coached, directed, supervised, managed, coordinated, owned or operated by any of the receiving school’s coaches (in the sport involved), administrators or parents.
- The student participated or attended an open gym, open weight room, or open athletic facilities at the receiving school. For this circumstance, the sport involved is deemed to be any interscholastic sport in which the student has participated or practiced during the current or previous school year.
- A coach at the receiving school has served as a personal trainer, coach, conditioner or instructor for the student. For this circumstance, the sport involved is deemed to be any interscholastic sport in which the student has participated or practiced during the current or previous school year.
- The student participated or attended a camp, clinic, combine, showcase or similar event where a coach, trainer, or instructor in the sport involved at the receiving school worked, whether on a paid or volunteer basis.

As used in this rule, the term “coach” includes any person who coaches, volunteers, manages, administers, or assists in any capacity with the coaching or training of the school or non-school team, regardless of compensation or contract status. No personal relationship, individual instruction or direct contact between the coach and the student is required for application of this rule. For example, a coach of a football team, regardless of position or group he/she coaches, is considered to be a coach of the entire football team, at all levels (freshman, junior varsity, varsity), and this rule applies. **(Emergency Legislation – 3/1/2019)**

- 15.12.4.14.1 **During Summer Enrollment** – Beginning with the week identified in the AIA calendar as summer and ending with the week that begins fall practice, a student is considered to have transferred when the student has demonstrated intent to enroll in the receiving school. Intent is identified by the school or school district.

15.13 ELIGIBILITY APPEAL PROCEDURES

- 15.13.1 In the case of an alleged hardship, a member school may appeal on behalf of a student his/her ineligibility by utilizing the process provided in AIA Bylaw 15.14, Hardship. (Form 15.10)
- 15.13.2 In all other cases, a member school may appeal on behalf of a student his/her ineligibility by notifying the Executive Director of the appeal in writing, setting out fully and completely the basis for the appeal. The Executive Director, utilizing the authority under AIA Bylaw 7.1.3.7, shall respond in writing within a reasonable time. Should the member school disagree with the determination of the Executive Director, it may ask that the matter be considered by the Executive Board (AIA Bylaw 7.1.3.7).
- 15.13.3 **Review of Prior AIA Hardship Appeals Decision** - The AIA Executive Board may review prior decisions regarding eligibility of a student at any regular or special meeting provided:
- 15.13.3.1 Substantially new and different information has been submitted in written form to the AIA Executive Director.
- 15.13.3.2 If, in the opinion of the AIA Executive Director, the information is not new and different, the item will not be placed on the agenda.

15.14 HARDSHIP (Form 15.10) - In individual hardship cases the AIA Executive Board or the Hardship Appeals Committee may, at their discretion and upon such terms and conditions as may be imposed, waive or modify the Enrollment Rule (Article 15, Section 3, Paragraph 4 only), Domicile Rule (Article 15, Section 5), Maximum Participation Rule (Article 15, Section 9, Paragraph 1 only), Transfer Rule (Article 15, Section 10), and/or Recruitment Rule (Article 15.12.4.14 only), and/or the International Student Eligibility Rule (Article 15.15.2 only). The appeal shall initially be heard and decided by the Hardship Appeals Committee. The decision of the Hardship Appeals Committee shall be final unless appealed to the AIA Executive Board within five business days from the date of said decision. AIA Executive Board consideration of such appeals will take place only at regularly scheduled monthly meetings, unless otherwise scheduled by the Board. (See *Article 6, Section 3 regarding procedures for meetings of the AIA Executive Board.*) Procedures for appeals to the Hardship Appeals Committee shall be as determined by the AIA Executive Board.

15.14.1 Hardship Defined - Each case is dependent upon its facts, but as a general guideline, the Executive Board will use the following criteria:

- 15.14.1.1 An unforeseeable, unavoidable, and uncorrectable act, condition, or event, over which the student and his/her family has no control; and
- 15.14.1.2 Which has caused a severe burden upon the student or his/her family; and
- 15.14.1.3 Which has caused the student's noncompliance with the eligibility rule(s) involved.
- 15.14.1.4 Whether athletics plays a role in the circumstances involved in the hardship request.
NOTE: Where it is determined that athletic motivation is present; this would be sufficient, in and of itself, for denial of the hardship request.
- 15.14.1.5 Loss of eligibility in itself is not to be considered a hardship.

15.14.2 Burden of Proof - The burden of providing evidence of hardship shall be on the student. Full particulars must be given by the student and the school principal must certify that the information given is correct to the best of his/her knowledge and belief.

15.14.3 Enrollment Limitation Hardship - A ninth grade student applying for admission or a student transferring who is denied enrollment because of lack of space may be declared eligible.

15.14.4 Age Rule Exemption - In individual cases the AIA Executive Board may, at their discretion and upon such terms and conditions as may be imposed, waive or modify the age rule (15.6.1), utilizing the information and process set out in Form 15.14.

15.14.5 Upon request by the Executive Director or designee, the sending school shall provide a representative during the hardship appeal hearing(s) before the Hardship Appeals Committee and/or the Executive Board. Failure of the sending school representative to attend shall not prevent or otherwise delay any hearing or decision on the appeal, but the failure to appear SHALL be considered a violation of the AIA Bylaws and may result in sanction as determined by the Executive Board.

15.15 INTERNATIONAL STUDENT ELIGIBILITY – Prefatory Statement: In an effort to preserve and promote interscholastic competitive opportunities for Arizona students and further the goals of competitive fairness, and recognizing the concerns of AIA member schools related to displacement of Arizona students by students from foreign countries, the following bylaw addresses the interscholastic eligibility status of international students attending an AIA member school:

15.15.1 Foreign Exchange Students – A foreign exchange student is a student that is in the U.S. under a J-1 Visa, and who is placed in a school by an educational exchange program approved by the Council on Standards for International Educational Travel (CSIET). A foreign exchange student is eligible at a school in the attendance zone of the home in which the student is placed. A foreign exchange student must meet all other eligibility requirements and is eligible for a maximum of one school year.

15.15.2 International Students – An international student is a student who is in the U.S. under any Visa or document other than a J-1 Visa and who is attending an AIA member school. Except as stated below with regard to domicile, an international student must meet all eligibility requirements of any regularly enrolled student. An international student is eligible only for non-varsity level competition, which may include only 9th through 11th grade, and is not at any time of enrollment eligible for varsity level competition. With regard to domicile, an international student's non-varsity eligibility shall be at a school in the attendance zone of the home in which the student is placed.

MEMORANDUM

To: Governing Board of Education

From: Vicki Trujillo, Special Education Director

Date: May 6, 2026

Subject: Registered Behavior Technician (RBT) Stipend Program Proposal – IDEA Grant Funding

Kingman Unified School District is seeking Governing Board approval to implement a Registered Behavior Technician (RBT) Stipend Program. This initiative is designed to build internal capacity for behavioral support services while investing in the professional growth of existing special education paraeducators. The proposed stipend of \$400 per quarter will total approximately \$12,800 annually, representing a cost-effective investment in expanding district-wide support for students with behavioral needs.

This initiative is designed to strengthen district-wide behavioral support services across multiple campuses by investing in the training and certification of existing special education paraeducators as Registered Behavior Technicians (RBTs). Rather than relying on external staffing models, this program builds internal capacity, allowing the district to retain and elevate current employees while expanding access to specialized behavioral support for students.

All special education paraeducators will have the opportunity to apply for participation in this stipend-based program. Interviews will be conducted to determine the best fit based on qualifications, interest, and alignment with program needs and student support demands. Due to the intensive nature of the training and supervision model, participation will be limited.

The training will be conducted over the summer during a four-day intensive session under the supervision of the district's Board Certified Behavior Analyst (BCBA) and the Special Education Director. This training will prepare selected staff to complete the RBT competency assessment and become fully prepared to serve in the role of Registered Behavior Technician within the district.

Following the training, participants will continue to receive ongoing supervision and support from the district's BCBA to ensure fidelity of implementation and high-quality behavioral services. This structure will allow the district to expand behavioral supports across multiple campuses, increasing access to services while maintaining consistent oversight and professional standards.

This model reinforces KUSD's ability to meet the growing needs of students by expanding targeted supports and ensuring the district is equipped to respond effectively to increasing service demands within our schools. It also allows the district to continue strengthening support for both staff and students in the areas of safety and emotional well-being, in alignment with the district's strategic plan.

Key benefits of the program include:

- Increased access to qualified behavioral support across campuses
- Retention and professional growth of current staff

- Cost-effective use of IDEA grant funding
- Expansion of services to meet growing student behavioral needs
- Improved alignment with individualized student support models

This proposal supports the district's commitment to providing high-quality special education services while maintaining fiscal responsibility and strengthening our internal workforce.

We respectfully request Governing Board approval to proceed with the implementation of the RBT Stipend Program.

Special Education Paraeducators RBT Stipend

Purpose

Kingman Unified School District will offer a stipend opportunity for selected special education paraeducators who complete the requirements to become and serve as Registered Behavior Technicians, commonly referred to as RBTs.

The purpose of this stipend is to build district capacity to support students with intensive behavioral needs by increasing access to trained staff who can assist with behavior skill instruction, data collection, behavior intervention plans, and implementation of evidence-based practices under the supervision of the district-contracted BCBA and the Special Education Director.

Program Overview

KUSD may provide up to 8 RBT paraeducator stipend positions for the school year. Selected staff will be required to attend the 40-hour paid training at Lasenita, June 15- June 18. The District's BCBA will work with paraeducators on completing the course. Paras will be required to complete the competency assessment with the BCBA and pass the RBT assessment within the first 30 days of school.

Paraeducators who work as an RBT will be able to receive a stipend of up to \$400 per quarter, contingent on data collection and evidence of working with designated students. The \$400 stipend will equate to approximately \$1.23 per hour more than the employee's current hourly rate.

Stipends will only be paid after the paraeducator has met all required eligibility, training, competency, and certification requirements. At the end of each quarter, the paraeducator will complete an attestation, have the BCBA and Special Education Director sign off on it, and submit it to the special educator coordinator for processing payment.

Anticipated District Program Sites

Based on master staffing and district program needs, one RBT paraeducator may be assigned or identified at each of the following sites:

Site	District Program	Anticipated Positions

Black Mountain	SOAR/Preschool	1
La Senita	SOAR/Preschool	1

Information from teachers about online usage: The amount of time students spend online varies by classroom. There are some classes that are 100% paper and pencil while others spend up to 30% of their time online. Teachers use the online resources for lesson planning and administering assessments.

Information from April Board meeting:

StudySync was presented to the Curriculum Committee on March 24, 2026. After reviewing information from the multi-year pilot at KHS & LWS, the Curriculum Committee voted to bring the curriculum to the KUSD Governing Board for possible approval after the required 60 day public display.

Summary of information from the Curriculum Committee:

StudySync has been piloted at KHS & LWS since SY24-25. This curriculum was identified for pilot by the KUSD Curriculum Department & HS English Department Chairs. Feedback from teachers during the pilot is that there is a need for a consistent English curriculum that supports teachers new to the classroom, new to the subject, or anyone needing instructional support. Experienced teachers like the curriculum because it gives them the freedom to provide instruction using the standard curriculum or novels which follow the same standards map as the curriculum. It is important to note that optional novels must be approved by the KUSD School Board prior to instruction. See 2nd page for approved novels.

In reviewing student performance on the Reading benchmarks and state assessments (Aspire & ACT) there is a pattern of growth.

The Privacy Report from KUSD's IT Cybersecurity Administrator states StudySync meets all of the requirements for a high school privacy focused platform. They follow all federal regulations and only use the PII provided by KUSD.

Summary of information from the Curriculum Committee:

NoRedInk has been piloted in KUSD high schools since SY23-24 as there was not a consistent grammar curriculum at the time. During the pilot, it has been used consistently as practice for the English section of the ACT which assesses grammar skills. When looking at student performance on the English benchmark & state assessments (Aspire & ACT) there is a pattern of growth. Summary of information from the Curriculum Committee:

Encuentros was piloted during SY25-26 at KHS & LWHS because the campuses were using 2 different textbooks which were 15-20 years old and no longer in print. After reviewing 3 textbooks from 3 different companies, Spanish teachers selected this textbook to pilot. Teachers have been happy with the curriculum in the physical textbooks and have been troubleshooting issues with the online platform. To: Elizabeth Albin <ealbin@kUSD.org>

Really appreciate you sharing the context, that's super helpful.

Short answer: Panorama can support many of the needs you described, though we are not a direct 1:1 replacement for Ellevation as an EL-specific compliance platform.

Here's how we align to what you're looking for:

- **Student data + grouping:** Panorama Student Success brings together assessment, attendance, and other student data in one place. Educators can filter and group students (including EL students) by skill level or need to inform instruction and supports.
- **Instructional strategies:** Educators have access to a large library of research-based strategies (Playbook), and with our AI tools (Solara), can generate tailored instructional approaches and supports based on student needs.
- **Professional learning:** We provide ongoing professional development and strategic support to help teams implement these practices effectively.
- **Family communication:** Panorama supports multilingual engagement (30+ languages in surveys), and our AI tools can help draft and translate family communications to better connect with families in their home language.

Where we differ from platforms like Ellevation is that we are not designed for EL-specific compliance tracking (e.g., WIDA monitoring, reclassification workflows). Instead, districts typically use Panorama to support instruction, MTSS, and whole-child insights across all student groups, including multilingual learners.

If that general approach aligns with what your team is considering, I'd be happy to connect you with our Arizona partnership team as a next step on a virtual call.

Let me know how you'd like to proceed!

Hello-

Before I schedule a meeting, in an effort to save time for both of us, are you able to tell me if Panorama can provide this service?

I am looking for a quote from platforms that support EL students similar to [Ellevation](#). We are looking for a platform that hosts student assessment data allowing teachers to group EL students by skill/ability level and provides best instructional practices for EL students based on their needs along with PD about how to implement the strategies. Additionally, the platform should provide a means for communication with the families of EL students in their home language.

Does Panorama have a product that meets those needs? If so, I would like a quote prior to scheduling a meeting so our team can determine if it fits in with KUSD's FY27 grants budget.

Thank you-

Liz

Hi Liz,

I wanted to introduce myself as your point of contact here, and also connect you with Ariel, who oversees our partnerships across Arizona for next steps. She'll be the best person to walk through how districts in the region are approaching this work and what it could look like in Kingman.

Before we schedule, I wanted to make sure we tailor the conversation to what prompted your request. Are you primarily exploring MTSS / Student Success, or something else?

Either way, we can make sure the time is relevant to your priorities.

Hello Liz!

I was able to connect with our supplemental rep, [@Jeannie Keisler](#) to see if Imagine Language and Literacy might be able to support your ELL needs. While we do not have a program similar to Ellevation, we do have a program that *might possibly* (when paired with our professional development and Customer Success support) meet the instructional goals you are currently addressing across various tools.

Jeannie has uncovered that districts often find that, while Ellevation meets EL program planning and compliance, Imagine Language & Literacy provides the direct, student-facing instruction needed for Tier 2, Tier 3, and ELL students, while also reducing instructional silos. With embedded training and ongoing partnership, schools are able to strengthen literacy outcomes without adding complexity for staff.

Jeannie took the liberty of creating a resource hub for [Imagine Language and Literacy](#). If you are still interested after exploring the resources or would like her to walk you through the resource hub, we can certainly arrange time with Jeannie. I have included her on this e-mail so you have her contact information.

We truly value Kingman's partnership and would love nothing more than to be able to support more of your instructional needs. 😊

Best,

Mackenzie

Subject: Re: Ellevation?

Hi again-

After talking to Mackenzie yesterday, it sounds like I had incorrect information about Ellevation being hosted by Imagine Learning. I am still getting quotes for EL platforms similar to Ellevation and am wondering if Imagine Learning has anything similar. This is what we are looking for:

A platform that houses student assessment data for teachers to be able to create groups based on EL student skills/abilities. The platform should provide instructional strategies with PD that teachers can implement with their EL students. Additionally, it should provide a means of communication with families of EL students (digital & paper) in their home language.

Hello Imagine Learning Team-

I recently learned that Imagine Learning might host [Ellevation](#). We use Ellevation through Curriculum Associates and are getting quotes for the procurement process. If Imagine Learning does have Ellevation, I'm interested in a quote.

RE: Ellevation Education as Sole Source

FOR AGENDA

Approve recommendation to enlist Ellevation Education as a sole source for EL student assessment platform.

FOR PACKET

Ellevation Education provides a platform that houses student assessment data for teachers to be able to create groups based on EL student skills/abilities. The platform provides instructional strategies with professional development that teachers can implement with their EL students. Also provides a means of communication with families of EL students (digital & paper) in their home language.

The district has used this program for the last 3 years successfully. Annual price increases and also the vendor releasing the platform from Curriculum Associates LLC to Ellevation Education has required the district to change procurement for this purchase. Two other vendors are unable to provide the same options. At this time, we are asking for sole source approval for Ellevation Education.

FY 27 spending will be just over \$10k.

NONDISCRIMINATION/EQUAL OPPORTUNITY

Nondiscrimination & Equal Opportunity/Harassment

1. *Nondiscrimination & Equal Opportunity*: The Governing Board is committed to a policy of nondiscrimination and providing equal opportunity to all staff members in relation to race, color, religion, sex, age, national origin, and disability. Employees are expected to conduct themselves in a manner that does not represent any form of discrimination or that compromises equal opportunity toward other staff members, students, the public, educational programs and services, and individuals with whom the Board does business.

2. *Sexual Harassment*: All staff members employed by the District including, but not necessarily limited to, the administration, professional staff, and support staff, part or full time, are expected to conduct themselves at all times so as to provide an atmosphere free from any form of sexual harassment. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when made by a member of the school staff to a student or to another staff member.

Anyone who is subject to sexual harassment, or who knows of the occurrence of such conduct, should inform the compliance officer, as provided in administrative regulation ACAA-R.

A substantiated charge against a staff member in the District shall subject such staff member to disciplinary action.

All matters involving sexual harassment complaints will remain confidential to the extent possible.

EMPLOYMENT REQUIREMENTS, CONTRACTS AND PERSONNEL RECORDS

Fingerprinting

As a condition of employment, KUSD staff members must have a valid Identity Verified Print (IVP) Fingerprint Clearance Card from the Arizona Department of Public Safety (DPS). IVP Fingerprint Clearance Card costs are the responsibility of the applicant/staff member.

Immunization Requirements

The Arizona Department of Health Regulation (R9-6-350, R9-6-353, and R9-6-365) requires an immunization record showing measles and rubella immunity for each school employee born after January 1, 1957. In the event of an outbreak, staff members without immunity documentation, including those who utilize the exemption, must be excluded from school and put on leave without pay during the period of exclusion.

Driver's License

Persons employed in positions which require them to drive District vehicles are required to have or obtain the appropriate Arizona driver's license for the vehicle operated, before or immediately following employment and must maintain a valid license while the driving of District vehicles remains a job requirement. Volunteers may not drive District vehicles.

Contracts (Certified Staff)

Before the end of the current school year, employment contracts for certified staff are offered by the Governing Board for the following school year. Certified teachers are required to sign and return the contract within 15 business days of receipt or the offer of employment is revoked. School administrators and school psychologists are required to sign and return the contract within 30 calendar days of the date on the contract or the offer of employment is revoked.

For probationary and continuing teachers, preliminary written notice of the Governing Board's intention not to reemploy a teacher for reasons of inadequate classroom performance is given before the start of the statutory forty-five (45) instructional day period of time the teacher is given to correct the inadequacy and overcome the grounds for the charge.

Personnel Files

The Human Resources Department maintains a complete and current official personnel file for each District employee. Employees may review materials placed in their file upon written request to the Superintendent. An employee's review of his/her file must be done in the presence of a Human Resources representative. Employees will be advised of, and will be permitted to review and comment on, all information of a derogatory nature to be placed in their respective personnel files. An employee may prepare a written reply to such information; any such rebuttal or explanation shall become part of the employee's file.

Reference: Governing Board Policy [GBJ](#) and Exhibit [GBJ-E](#)

Release of Information

All documents within a personnel file are confidential. Access to personnel files will be limited to authorized District officials and employees authorized to handle personnel files. Documents within a

personnel file may be reviewed by the public only to the extent that disclosure is compelled as a public record.

All inquiries or requests from outside the District for information regarding employees or former employees of the District must be submitted in writing and forwarded to the Human Resources Department. A signed statement from the employee authorizing the release of such information, and stating to whom it should be released, must accompany each request for information, other than verification of position and dates of employment.

Reference: Governing Board Policy [GBJ](#) and Exhibit [GBJ-E](#)

Record Information

Any changes which may occur after commencement of employment, i.e., change of name, address, phone number, marital status, number of dependents for tax withholding purposes, person to notify in case of emergency, etc., should be submitted electronically through the iVisions portal.

Public Right to Know/Freedom of Information

The Board recognizes the right of the public to information concerning its actions, its policies, and the details of its educational and business operations. Any staff or community member may request access or inspection of public records for a noncommercial purpose.

Requirements of access and inspection apply only to existing records and do not require creation of new records. Governing Board Exhibit KDB-E, Request for Public Records of the School District, must be completed and submitted to the District Office to obtain any records. A.R.S 38-431 to 38-431.09, 39-101, 39-103

ASSIGNMENTS, TRANSFERS & REASSIGNMENT

Job Postings

In most cases, at the discretion of the administration, positions may be posted for a minimum of three (3) days. However, in order to fill critical needs vacancies, some positions may be advertised as “open until filled.”

Internal applicants seeking to apply for another position within KUSD must submit an electronic transfer request **and** resume, during the time the position is open, in order to be considered.

Transfers & Reassignment

All transfers and reassignments are at the discretion of the Superintendent and, where applicable, the Governing Board. It is the policy of the Board that professional staff be assigned on the basis of their

qualifications, the needs of the District, and their expressed desires. When it is not possible to meet all three conditions, personnel shall be assigned first in accordance with the needs of the District based on instructional programming. Assignments may be changed to serve the best interests of the District and students. The Superintendent is responsible for the assignment of all personnel throughout the District. No right to school, grade, or subject assignment shall be inferred from the standard teacher's contract. Qualified applicants among current employees are encouraged to apply for new or existing positions.

Certified and classified staff members may apply for transfer or reassignment. Transfer requests of certified staff, outside of transfer season, will not be approved during the school year unless the needs of the District dictate such approval and the supervisors of impacted employees agree.

PAY PRACTICES AND ADMINISTRATION

Wages Upon Hire

Newly hired staff will be offered wages commensurate with the placement schedule applicable to the position for which they are being hired. Salaries and hourly wages will not be negotiated on an individual basis. Rather, wages will be determined by position and, depending upon the placement schedule, may factor in experience, higher education and certification(s).

Initial placement on the salary schedule for all new certified teaching staff, school counselors, school social workers, teachers on assignment, instructional coaches, and career coaches will be based upon the following. The maximum placement shall be Tier 2.

1. The highest degree conferred from an accredited institution.
2. The number of qualifying graduate credits earned after the conferring of the last degree and related to education and/or the field they are teaching.
3. Any previous teaching experience in a public school or accredited private school.

Staff returning to employment with KUSD, in the same classification, within 12 months or less, will be hired at the hourly wage or salary at which they left employment. Exceptions to this include any decisions made by the Governing Board that would affect and/or reduce salaries and wages, or if the placement schedule allows the rehired employee to return at a higher wage.

Pay Periods & Explanation of Pay

The finance department establishes a payroll-processing schedule each year providing the employee with scheduled pay dates. All wages shall be paid every two weeks in accordance with individual work schedules and the payment option selected by each employee.

For non-exempt (hourly) staff, pay will be calculated hourly, based on the number of hours an employee works during the pay period, and in accordance with their work calendar.

For contractual personnel (administrative, certified, and other exempt staff) salaries are prorated over a maximum of 27 payments. An employee's first contractual payment of the fiscal year is always based on the actual hours worked during that pay period. The balance of the contract is then spread equally over the remaining contract payments unless the employee fails to fulfill the terms of the contract. Payment will then be based on the completed portion of the contract.

Classroom Site Fund

The Classroom Site Fund provides additional teacher compensation from funds generated through state sales taxes. The total amount of the distribution varies according to the total sales tax collected, the plan, and eligibility criteria. Please see the current Classroom Site Fund Plan for complete information.

Overtime Pay

No overtime is permitted without the prior approval of your administrator/supervisor **and/or** the Superintendent or her designee. Also, by law, non-exempt employees must be compensated for all hours worked. Non-exempt employees are required to get pre-approval from their supervisor and/or the Superintendent or her designee before working any hours beyond their normal schedule. Accumulation of overtime without prior approval and/or failing to record all hours worked may result in disciplinary action.

Leave and paid holidays cannot be used to create an overtime situation. In accordance with Federal labor law, an employee must physically work more than 40 hours in a week in order to earn overtime.

In accordance with the Fair Labor Standards Act, certified and exempt staff are not eligible for overtime pay.

Extra Duty

Exempt employees are eligible to apply for all extra duty opportunities offered by the District, regardless of funding. Classified (hourly) employees, because of federal overtime laws, may only apply for those extra duty opportunities which qualify as occasional and sporadic. Such applicants must be pre-approved by the District Office prior to the performance of any said duty. Failure to do so may subject both the employee and the (extra duty) hiring supervisor to disciplinary action, up to and including termination.

Flex Time

Non-exempt employees may be permitted **on an occasional basis** to flex their work time. An employee can flex their schedule at their principal/supervisor's request or with their principal/supervisor's approval. Flexing work time is when an employee works more than the assigned number of hours during one day, and less during another day occurring in the same week. The employee's total weekly work hours must remain as assigned. Employees are expected to routinely work their normal schedule and to maintain regular, predictable hours of work.

Example: A 40-hour per week employee works a regular 10-hour shift on Monday and Wednesday, 9 hours on Tuesday, then works 11 hours on Thursday of the same week. The total working hours for the week still total 40 hours.

Federal and State Tax Withholding (W-4 and A-4 Forms)

The Withholding Allowance Certificate, or W-4 form, must be completed prior to beginning work for Kingman Unified School District No. 20. This form determines the amount of Federal tax withheld from each paycheck. Employees can update W-4 forms when the number of withholding allowances that can be claimed changes by visiting iVisions. The W-4 and A-4 forms remain in effect until the employee submits new forms. If the employee elects "exempt" status, new forms must be filled out at the beginning of every calendar year. State Withholding Percentage Election, effective for wages paid after June 30, 2010, is also completed when an employee commences work or chooses to change the amount of Arizona withholding desired. The deadline for payroll changes is 9:00 am on the Monday of payroll week.

Please note that the District cannot offer advice on tax matters, including how much withholding an employee should elect. Employees should contact their tax professional if they are unsure of which election is appropriate for their personal situation.

W-2 forms will be posted to the iVisions KUSD portal where employees can print them at their convenience for tax needs. Form 1095-C will be provided in a manner allowable by law.

Payroll Deductions

Standard paycheck deductions include Federal and State income tax withholding and Arizona State Retirement contributions. Your pay stub itemizes each of these deductions every pay period. In addition, you may authorize the payroll department to withhold voluntary deductions, in amounts you designate, for such items as medical insurance for yourself and/or your dependents and tax-sheltered annuities. These are also itemized on your pay stub.

FICA Tax (Social Security & Medicare)

Every Kingman Unified School District No. 20 employee is required to have a Social Security number. In addition to Federal and State income tax, employers must withhold a FICA tax from the employee and pay an amount that is equal to the employee's tax on behalf of the employee. There are two components of FICA tax: Social Security tax and Medicare tax. Nonresident teachers working in the United States on a J-1 visa may be exempt from paying U.S. Social Security and Medicare taxes.

TIMEKEEPING

Timekeeping Procedures

Non-Exempt (hourly) employees and teachers doing extra duty work are required to use TimeClock Plus or (TCP) for all time worked. Your login for TCP on the iPad is your Badge Number. The password is the last four digits of your social security number.

Every employee has a regular work schedule and hours that they are expected to adhere to on a weekly basis. For hourly employees, any time worked over your daily scheduled hours must be pre-approved and signed off by your supervisor/administrator. The timekeeping system cannot be used to manipulate work hours or to modify pay amounts for any given work schedule.

Example: An employee clocks in early every day so that they may reduce their number of hours on Thursday or so they can earn overtime. This constitutes abuse of the time clock system, and the employee may be subject to disciplinary action up to and including termination.

Staff working under a certified employment contract are expected to report for work a minimum of thirty (30) minutes before school starts, unless otherwise approved by an administrator. Full-time certified employees are contracted to work the days indicated on their contract. Requests for a half-day off of work by salaried employees working a four-day schedule, would put in a leave request for five hours. Exempt, full-time professionals may be required and expected to work in excess of forty (40) hours per week. Certified and classified staff are expected to attend school and district required meetings as required by their job.

Long-term substitute teachers filling a vacancy are expected to work 10 hours per day, the same hours as regular teachers. Substitute teachers working daily assignments or covering long-term absences of teachers will work less than 10 hours per day; a half-day for these substitute teachers is four hours.

Time Clock Procedures

Missed Punch: You are responsible for any missing punches; you must write the information on the exception sheet for your site administrator to enter your time. If you fail to do so before the pay period end date you will not be paid for those hours until the next regularly scheduled paycheck. Excessive use of the exception sheet may result in disciplinary action.

Lunch and Other Breaks: The District assures every full-time employee a 30-minute lunch break. Classified employees paid hourly must punch in and out for their lunch break. The length of your lunch break is in accordance with your working schedule.

For any breaks less than 30-minutes in duration, employees must remain on campus, unless specifically approved by the employee's supervisor.

Breaks and the timing of lunch periods are at the discretion of the immediate supervisor based upon workload and business needs.

Holiday Pay: Compensation for holidays is paid in accordance with the employee's calendar. Employees are not eligible for Holiday pay if in unpaid leave status, or will be separating from employment with the last day worked being prior to the Holiday(s).

Time Clock Misuse

Employees are not permitted to punch in and out for each other. Misuse of the time clock in this manner is cause for disciplinary action up to and including termination of both employees. Every employee is responsible for their own timekeeping. You must punch in and out every day. You may not use the exception sheet to regularly report your time. Continued violation of the procedure will subject the employee to termination of employment. Falsifying time records will subject the employee to disciplinary action up to and including termination.

All support staff will be responsible and accountable for their work time. Each non-exempt employee will be required to clock in and out each day at their designated site. Also, lunch breaks must be indicated with a clock out and clock in time. Time clock procedures have been established and are posted at each site.

TIME OFF

Leave Procedures

Classified staff are to request time off through the TimeClock Plus (TCP) system; certified staff are to request time off through Aesop. Employees unable to access TCP or Aesop should contact their site administrator or school's office coordinator.

If you feel there is an error in your leave postings, you must report the discrepancy to payroll within **14 days** of the applicable pay date in order for a change (correction) to be made (for actual leave used). This does not apply to corrections to accruals or adjustments.

Absence Reporting

Requests for pre-planned absences must be made through TCP or Aesop. Time off for unplanned absences due to illness or emergency are also to be entered into TCP or Aesop. Employees needing unplanned time off and who are unable to log on to TCP or Aesop should contact their site administrator or school's office coordinator. Staff are to make appropriate notifications if a substitute teacher is needed to cover their absence.

Staff leaving early during the day, must notify their site administrator before leaving so the absence list can be updated.

Failure to follow these procedures will result in the following:

- If you are absent and the absence has NOT been recorded in the appropriate system it is considered falsification of time records and can result in disciplinary action up to and including termination.
- IT IS THE EMPLOYEE'S RESPONSIBILITY TO NOTIFY THE DISTRICT OF AN ABSENCE. A No-Call/No-Show will result in an unpaid day being entered into the system by the site administrator.

Personal Leave

Eligible employees will be granted personal leave not to exceed 30 hours in a year. Full-time certified and 12-month staff will receive up to 30 hours of personal leave in a year. Full-time classified staff working a 9, 10 or 11-month calendar will receive up to 24 hours of personal leave. Part-time staff working less than 40 hours or less per week will receive leave based on the hours worked. Requests to use personal leave must be received at least two (2) working days prior to the first day of leave and must be pre-approved by the Superintendent or her designee. Personal leave will not be granted without prior approval from the Superintendent or her designee on the day immediately preceding or following a holiday or vacation or during the first two weeks or the last two weeks of school. The granting of personal leave is at the discretion of the principal/supervisor based on the educational needs of students and the District's needs.

Any accumulated personal leave from the preceding year can be rolled into the following year up to a maximum of 80 hours. Any balance over 80 hours will be rolled into sick leave on July 1. Employees separating from service are not compensated for unused personal leave.

Employees hired after January 1 will be granted prorated personal leave hours once their probationary period is completed. No personal leave will be granted to employees hired after March 1 until the next fiscal year.

Vacation Leave

The granting of vacation leave is at the discretion of the principal/supervisor based on the educational needs of students and the District's needs.

Professional Staff: Twelve (12)-month certificated administrators and directors, and non-certificated administrators and directors, earn one hundred twenty (120) hours of vacation per fiscal year, or an amount in accord with the provisions of their respective employment agreements, whichever is greater. Vacation accrual will be at the rate of ten (10) hours per month, or an amount in accord with the provisions of their respective employment agreements.

Support Staff (Classified exempt and non-exempt twelve [12] month employees only): After one (1) year of continuous service as an exempt or non-exempt 12-month employee, an employee shall have earned eighty (80) hours of vacation at the rate of 6.667 hours per month. After six (6) years of continuous service, the 12-month employee will earn one hundred twenty (120) hours of vacation at the rate of 10 hours per month. Continuous service is calculated beginning with the date hired.

An employee in a twelve-month position will accrue vacation leave between July 1 and June 30. Vacation accrues the first pay period of each month for the month prior.

Accrued vacation time must be used before the end of the following fiscal year in which the time was earned or it will be forfeited. An employee who terminates employment with the District will be paid for unused vacation. There will be no compensation paid for vacation days if an employee terminates within the first year of employment.

Vacation leave will not be earned during a leave of absence or other extended period of inactive pay status and is subject to appropriate adjustment in accordance with established procedures.

Sick Leave

Employees may use earned paid sick time in the following circumstances (See Arizona Revised Statute 23-373 for further details concerning authorized uses for earned paid sick time):

- Medical care or mental or physical illness, injury, or health condition of the employee or any of the employee's family members.
- A public health emergency affecting the employee or a family member of the employee.
- An absence due to domestic violence, sexual violence, abuse, or stalking involving the employee or any of the employee's family members.

Family, for the purpose of using sick leave, means:

1. Regardless of age, a biological, adopted or foster child, stepchild or legal ward, a child of a domestic partner, a child to whom the employee stands in loco parentis, or an individual to whom the employee stood in loco parentis when the individual was a minor;
2. A biological, foster, stepparent or adoptive parent or legal guardian of an employee or an employee's spouse or domestic partner or a person who stood in loco parentis when the employee or employee's spouse or domestic partner was a minor child;
3. A person to whom the employee is legally married under the laws of any state, or a domestic partner of an employee as registered under the laws of any state or political subdivision;
4. A grandparent, grandchild or sibling (whether of a biological, foster, adoptive or step relationship) of the employee or the employee's spouse or domestic partner; or

5. Any other individual related by blood or affinity whose close association with the employee is the equivalent of a family relationship.

Sick leave begins accruing upon hire and may be used upon completion of the probationary period. Certified, classroom teachers who are new to the District will be credited with a one-time allocation of twenty (20) hours of paid sick time that can be accessed as of the first day of their employment contract. This allocation is in addition to paid sick time that will accrue throughout the year.

Each regular staff member shall be credited with a sick leave allowance at a rate based on hours worked per week. Sick leave is awarded once per month based on how many months the employee works.

Each temporary staff member (substitute teacher, driver trainee, substitute caregiver, etc.) shall be credited with a sick leave allowance of one (1) hour per thirty (30) hours worked.

To use earned paid sick time for a foreseeable leave, employees may make such a request orally, in writing, through TCP or Aesop, or by any other means acceptable to the employee's supervisor. When possible, the request shall include the expected duration of the absence. Employees are asked to make a good faith effort to provide KUSD with advance notice of the need for leave to minimize disruption to KUSD operations.

To use earned paid sick time where the need is not foreseeable, employees are to follow the Leave Procedures within this Handbook.

The use of sick leave must be approved and reported in hourly increments. Sick leave shall not be earned during a leave of absence or other extended period of inactive pay status and is subject to appropriate adjustment in accordance with established procedures.

For earned paid sick leave of three or more consecutive work days, KUSD may require reasonable documentation that the earned paid sick time has been used for one of the aforementioned purposes. Documentation signed by a health care professional indicating that earned paid sick leave is necessary shall be considered reasonable documentation. In cases of domestic violence, sexual violence, abuse or stalking, see A.R.S. § 23-373 for types of reasonable documentation.

Any employee who can be shown to have willfully violated or misused the District's sick leave policy or misrepresented any statement or condition, will be subject to discipline, up to and including termination of employment.

Donated Sick Leave

Kingman Unified School District's Sick Leave Donation Program is designed to work on an as-needed basis for staff on a District-approved leave of absence. Employees may voluntarily donate leave according to guidelines of this plan and dictates of conscience.

Criteria to request leave:

- An employee on a District-approved leave of absence may request donated sick leave hours for their own serious health condition or to care for a family member with a serious health condition. Donations may also be requested for the birth of a newborn child of the employee; such donations are limited to six weeks post-delivery or eight weeks in case of a C-section.
- An employee requesting donations must exhaust all accrued paid leave (i.e., sick, vacation, and personal leave) prior to becoming eligible to receive a donation.
- No requestor will be eligible to receive a donation after qualifying for long- or short-term disability coverage or if his/her illness or injury is covered by workers' compensation.

Donation limits:

- A requestor may receive up to a limit of 480 donated sick leave hours per fiscal year (based on work calendar).
- A requestor may receive a lifetime benefit of 960 donated sick leave hours (based on work calendar).
- Donated sick leave will be converted into the appropriate number of hours based on the requestor's daily wage.
- Donated sick leave hours will be applied to the requestor's account as needed.
- Donated sick leave shall not affect FMLA policies and procedures.

Criteria to donate leave:

- An employee must have a minimum of 200 hours of sick leave accumulated to donate.
- An employee may donate a maximum of 40 hours total per school year through the Sick Leave Donation Program.

Unpaid Leave

It is expected that all employees will manage their accrued paid leave in such a way that they have available time to use when they need it and wish to use it. Employees may not take unpaid leave as a means to increase their time away from work over and above what they accrue as a result of working. Unpaid time off for reasons beyond the employee's control, in conjunction with an approved leave of absence, or as otherwise permitted by law is permissible. Employees taking time off for reasons other than what is stated above may be subject to disciplinary action.

A payroll dock (or unpaid leave) will occur if an employee is absent from work and does not have appropriate accrued leave available to use. The dock amount will be calculated based on the employee's daily rate.

LEAVES OF ABSENCE

FMLA Leave (Family and Medical Leave Act of 1993)

FMLA requires Kingman Unified School District to provide up to 12 weeks of unpaid leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have been an employee with the District for at least one year and worked at least 1,250 hours in the 12 months preceding the leave.

Employees are required to provide advance leave notice, for foreseeable absences, and medical certification. Employees requesting FMLA leave will be required to meet with the District's HR Manager 30 days in advance of the requested leave.

For the duration of FMLA leave, Kingman Unified School District will maintain the employee's health coverage under any "group health plan." Any medical premiums owed by the employee will be the responsibility of the employee upon their return to work. Failure to return to work will result in the employee being billed for owed premiums.

At the District's option, certain kinds of paid leave may be substituted for unpaid leave. Paid leave is provided based on the eligible employee's earned leave time.

Reference: Governing Board Policy [GCCC](#) and Exhibits [GCCC-EC](#), [GCCC-ED](#) and [GCCC-EE](#)

Non-FMLA Leave of Absence

Employees who do not qualify for a leave of absence under the Family and Medical Leave Act, may request a leave of absence for reasons specified in Policy GCCC. All leave of absence requests must be made through Human Resources and be approved by the Superintendent or Governing Board, depending upon the duration of the requested absence. A request for leave of absence shall not be denied by the District if the employee is entitled to the leave under the Family and Medical Leave Act. All other applications for leave of absence may be granted or denied by the District, in its sole discretion.

Employees are required to provide advance leave notice, for foreseeable absences, and may be required to provide medical certification. For foreseeable absences, employees are to contact the District's HR Manager no later than 30 days in advance of the requested leave.

Once an employee goes to unpaid status – at any point during the leave of absence – the employee's medical insurance will terminate at the end of the month in which their accrued leave is exhausted

(e.g., if the employee goes into unpaid status on November 10th, their medical insurance will terminate on November 30th). At that point, the employee will be offered COBRA in order to continue their medical insurance. Upon return to active duty, the employee's medical insurance will be reinstated on the first of the following month.

Bereavement Leave

In case of a death in the family (spouse, children, parents, siblings, grandparents, grandchildren and like relations created by marriage), regular employees in budgeted positions who have completed their probationary period may be absent for up to forty (40) hours in accordance with their work calendar without loss of salary or use of personal leave. The forty (40) hours of bereavement leave is the maximum cumulative amount available during the fiscal year for all qualifying deaths and is not granted separately for each occurrence.

Bereavement leave does not have to be taken at one time. However, all bereavement hours must be taken within 60 days. Requests to take a portion of bereavement leave beyond the 60 days must be made in writing to the Superintendent. If approved, all such extensions of bereavement leave shall be deducted from the employee's accrued sick leave.

Reference: Governing Board Policy [GCCH](#)

Military Leave

Kingman Unified School District recognizes the fact that its employees have citizenship responsibilities. In order to make it possible for employees to carry out their responsibilities to the state, county or nation, the Board will grant leave when necessary to fulfill these duties.

An employee who is a member of the Military Reserve or National Guard shall be entitled to a leave of absence without a reduction in their rate of pay, time or efficiency rating when engaged in field training.

Persons volunteering for military service, except in time of declared war, will not be considered for long-term military leave.

Reference: Governing Board Policy [GCCD](#) and [Exhibit GCCD-E](#)

Civic Duty

If an employee is called for jury duty, he/she will be excused for such service and shall notify his/her supervisor by providing a copy of the summons. It is the responsibility of the employee to reimburse the District for jury duty pay when such payment is made directly to the employee by submitting a copy of the check received from the court to payroll. Failure to reimburse the District at the completion of the jury duty service will result in a full deduction equal to the number of contract days missed.

An employee excused from jury duty shall report for regular duty as soon as possible. Failure to report for duty will result in a deduction equal to that portion of a contract day missed (A.R.S. § 21-236).

If an employee is absent to appear in a trial without being summoned or subpoenaed, personal leave or vacation (if applicable) may be used with the approval of the supervisor and the Superintendent. If the employee has no leave available, the time absent will be unpaid.

If an employee is summoned or subpoenaed to appear in a trial on a school-related issue, the absence will be charged to school business.

Reference: Governing Board Policy [GCCD](#)

Victim Leave

Statute provides an employee leave if the employee is the victim of juvenile or adult crime and is exercising a right to be present at a proceeding as defined in A.R.S. § 8-420 or 13-4439. Compensation may be provided if the employee has available vacation, personal, or sick leave to the extent other leave may be available by policy. If paid leave is unavailable, the employee must request an unpaid leave of absence in accord with policy.

Before an employee may leave work for this purpose, the employee shall provide the employer with a copy of the form provided by law enforcement and, if applicable, a copy of the information the law enforcement agency provides the employee pursuant to either A.R.S. § 8-386 or 13-4405. Leave for this purpose may be limited if the leave creates an undue hardship to the District.

Drug Free Workplace

The use of illegal drugs or intoxicants in the workplace can have serious safety and security repercussions for both students and staff. Therefore, it is the District's intent and obligation to provide a drug-free workplace whereby employees are prohibited from manufacturing, distributing, dispensing, possessing, or using intoxicants or illegal drugs on or in the workplace or at District-sponsored events. See Exhibit GBEC-EA for a full definition of what is defined as the workplace.

Every employee shall be furnished a copy of the District's Drug-Free Workplace policy and will receive a Drug Free workplace notice attesting to receipt and understanding of the policy.

As conditions of employment, (1) employees must comply with Governing Board Policy GBEC, and (2) notify their supervisor of a conviction under any criminal drug statute for a violation occurring in the workplace, not later than five (5) days after such conviction. Employees taking medication prescribed by their doctor who feel impaired by the effects of the medication while at work, or are unable to perform the essential functions of their job as a result of the prescribed medication, should notify their supervisor so reasonable accommodations can be discussed.

If there is just cause, an employee may be subject to a reasonable suspicion drug test at the District’s request and expense. Transportation employees are subject to random testing in accordance with standards set by the Arizona DPS Student Transportation Unit.

Employees who violate the terms of the District’s drug-free workplace policy in any manner are subject to discipline, which may include, but is not limited to, dismissal and/or referral for prosecution.

Staff Dress Code

District employees shall ensure that their dress and grooming present a professional image for students, parents, and the community while at work or while conducting District business. It is important to remember that good public relations and the professional image presented by an employee are an important part of building confidence in our schools. Each Kingman Unified School District employee has an important role to play in building this positive image.

To this end, employees are required to maintain a neat and clean appearance that is appropriate for the workplace setting and for the work being performed. Acceptable personal appearance, like proper maintenance of work areas, is an ongoing requirement of employment with KUSD. Employees occupying positions with uniform requirements shall follow directives and procedures as may be required.

The Superintendent, Administrators, and Directors may determine and enforce guidelines for workplace-appropriate attire and grooming for their areas; guidelines may limit natural or artificial scents that could be distracting or annoying to others. If a staff member comes to work in inappropriate dress, the staff member will be required to go home, change into conforming attire or properly groom, and return to work. Hourly paid staff members will be required to take accrued personal or vacation time, or unpaid leave, for any work time missed because of failure to comply with designated workplace attire and grooming standards.

The examples below are not intended to be all-inclusive, but serve as a **guideline**.

Examples of Appropriate Attire: • Dresses, skirts and tailored shorts (no shorter than 3 inches above the knee)	Examples of Inappropriate Attire: • Tattered, faded or worn clothing • Shirts revealing bare midriff

● Collared shirts; shirts with sleeves ● Casual dress slacks ● Jackets	● Low cut tops, tops with spaghetti straps worn alone ● Form-fitting Spandex pants

Special occasions (e.g., field day, instructional purposes, and outdoor education activities) may necessitate exceptions as authorized by the immediate supervisor. On these occasions, staff members are still expected to present a neat appearance and are not permitted to wear ripped, frayed or disheveled clothing. Likewise, tight, revealing or otherwise workplace-inappropriate dress is not permitted.

KUSD recognizes the importance of individually held religious beliefs of persons within its workforce. KUSD will reasonably accommodate a staff member’s religious beliefs in terms of workplace attire unless the accommodation creates an undue hardship. Accommodation of religious beliefs in terms of attire may be difficult in light of safety issues for staff members. Those requesting a workplace attire accommodation based on religious beliefs should contact the Human Resources Department.

Staff Conflict of Interest in Business Relations

Any employee who had, or whose relative has, a substantial interest in any decision of the District shall make known this interest in the official records of the District and shall refrain from participating in any manner as an employee in such decision. Violations could result in disciplinary or possible legal action. For additional information see Governing Board Policy [GBEAA](#). Staff members needing to disclose a conflict of interest should refer to Governing Board Exhibit [GBEAA-E](#).

Use of Technology

The District provides technology resources to teachers and staff. The District has a strict policy on the proper use of these resources. The use of technology resources shall support education, research, and the educational goals of the District. Every employee shall be furnished a copy of the District’s use of technology policy and will receive a Computer Use Notice attesting to receipt and understanding of the policy.

We recognize that web-based and mobile technologies (cellular telephones) are a part of our world and assist us with our endeavors. It is equally recognized that the misuse of such technologies can be potentially damaging to the District, employees, students, and the community. As such, employees are expected to adhere to Governing Board Policies GBEF and GBEFA with regard to the use of such technologies.

Excessive use of personal cell phones during class time and/or work time may be considered an unprofessional act. De minimis use of personal cell phones during work time is permissible.

Weapons

In accordance with A.R.S. § 13-3102, employees are not permitted to carry and/or possess firearms/weapons on school premises. School premises means the school, school grounds (including parking lots), school buses or any premises, grounds or vehicles used for school purposes. Employees violating this policy will be subject to discipline, up to and including termination of employment.

Reporting Child Abuse

Any school official or employee who has reasonable cause to know or suspect that a child has been subjected to abuse or neglect, or who has observed a child being subjected to circumstances or conditions which would reasonably result in abuse or neglect, will immediately report or cause a report to be made to the Arizona Department of Child Safety, as required by law.

If the school authority (e.g., teacher, school nurse, principal, counselor) has firsthand knowledge of the facts of abuse or neglect, he/she shall immediately report or cause reports to be made of such information to protective services of the Arizona Department of Economic Security. Such report shall be made forthwith by telephone or in person and shall be followed by a written report within 24 hours.

Per A.R.S. § 13-3620, a person who fails to report abuse is guilty of a class 1 misdemeanor, except if the failure to report involves a reportable offense, the person is guilty of a class 6 felony.

Notification of Criminal Charges

Should an employee of Kingman Unified School District No. 20 be formally charged by legal authorities or convicted of any criminal offense, including a felony or misdemeanor, but excluding minor traffic-violations, the employee must notify the Director of Human Resources within five (5) working days. Failure to do so could result in termination.

Notification of Subpoena Summons or Legal Complaint

Any employee who is served with a subpoena, summons, or legal complaint on a matter relating to his/her employment or any other matter relating to Kingman Unified School District No. 20 must notify their immediate supervisor as soon as possible, but no later than the next regular business day for the District Office. Supervisors are to notify the Director of Human Resources of the subpoena, summons, or legal complaint.

Political Activities

The Board recognizes and encourages the right of its employees, as citizens, to engage in political activity. However, school time, personnel, equipment, supplies, materials, buildings, or other resources may not be used to influence the outcomes of elections. In addition:

- Employees may not use the authority of their position to influence the vote or political activities

of any subordinate employee.

- District employees who hold elective or appointive office are not entitled to time off from their school duties for reasons incident to such offices, except as such time may qualify under the leave policies of the Board.
- The discussion and study of politics and political issues, when such discussion and study are appropriate to classroom studies, are not precluded under the provisions of this policy.
- District employees shall be permitted time as provided in statute, if required, to vote in the primary or general election.

Reference: Governing Board Policy [GBI](#)

Protection of Personal/District Property

The District is not responsible for the loss of an employee's personal property in classrooms, offices, work areas, school vehicles, or school grounds.

Schools/Departments Rules & Regulations

Schools and departments are expected to establish and publish rules, regulations and procedures designed to meet educational and/or operational needs. Copies of these rules will be filed with the Office of the Superintendent at the beginning of each fiscal year. Lunch periods, rest breaks, hours of work, safety practices, work methods, etc., may vary between schools. Employees will comply with established work schedules. Employees may direct questions about school or department rules and regulations to their immediate supervisor or the Human Resources Department.

School Purchases

Kingman Unified School District conducts the business of purchasing merchandise and/or services through the issuance of preauthorized purchase order numbers. This practice is strictly enforced. Ordering merchandise and/or services without a pre-authorized purchase order number puts both the employee who placed the order and the vendor at risk. Violation of this procedure can result in loss of purchasing privileges, a corrective action plan submitted to the employee's supervisor, and an official record of discipline attached to the employee's record with the District.

Proper procedure: Submit purchase request to site assistant or supervisor in charge of overseeing the funds to be used for the purchase. Once the request is submitted, the next level should conduct its due diligence (is there budget, is this appropriate, is there an accounting code) and then officially submit the request to accounts payable. Once at the AP level, the request will be checked for proper procurement, proper accounting, and whether or not there is budget to support. Once this step is complete (could take several days depending on the nature of the purchase), AP will turn the request into an official pre-authorized purchase order. At this point, items and services can officially be ordered and ultimately paid for once received.

Please refer all questions to Purchasing in the finance department.

Additionally, in situations where Finance cannot correct the purchase of services without a pre-authorized purchase order, payment for services and/or merchandise will be the personal responsibility of the employee who placed the order, and the vendor will ultimately need to seek payment from that individual. After the fact purchase orders are a violation of School District Policy and as such they may result in disciplinary action and/or be subject to an employee's annual evaluation.

District Credit Card Usage

District credit cards can be used by employees in select situations. First, vendors receiving payment through credit cards need to be registered with the District, and there needs to be a pre-authorized purchase order in place before any funds are exchanged (see proper purchasing procedure in previous paragraph). Credit card purchases made without a purchase order are the responsibility of the cardholder, and the District reserves the right to seek repayment of inappropriate charges.

Additionally, any employee using a District credit card must first read the District's official credit card usage rules, sign a credit card authorization form acknowledging receipt and understanding of the usage rules, and return it to the Finance Department. This form will be sent to all employees annually.

PERFORMANCE EXPECTATIONS

Attendance

The Governing Board believes that the continued success of the Kingman Unified School District is based on the cumulative performance of each and every staff and support member. To foster a thorough and efficient education for all students and to provide a sound model for students to emulate, the Board believes that good attendance is essential. Employees are expected to maintain regular, predictable attendance. Excessive absences could result in disciplinary action up to and including termination of employment.

Staff Conduct

All employees of the District are expected to conduct themselves in a manner consistent with effective and orderly education and to protect students and District property. No employee shall, by action or inaction, interfere with or disrupt any District activity or encourage any such disruption. Acts of insubordination, unlawful or improper conduct, uncooperative behavior, refusal to comply with orders or perform work, or other on-the-job conduct that adversely affects the operations of KUSD may result in disciplinary action up to and including termination of employment. All employees shall at all times attempt to maintain order, abide by the policies, rules, and regulations of the District and carry out all applicable orders issued by the Superintendent.

The District pays insurance premiums for all employees one month in advance. These payments are made in good faith of continuing employment. If an employee terminates employment during the summer months, he/she will be liable for insurance premiums for the months the District has paid unless the employee returns and completes a minimum of four (4) weeks of employment. All premiums must be re-paid at current applicable rates.

Employee-paid medical insurance premiums and HSA contributions are deducted from your paychecks based on your work calendar. For salaried and 12-month hourly employees, these deductions follow the 25-pay deduction schedule according to your work calendar. For hourly employees (9-month, 10-month, or 11-month) these deductions follow the 16-pay deduction schedule. Dental and vision insurance premiums follow the 16-pay deduction schedule. Employer contributions to Health Savings Accounts follow the 16-pay deduction schedule.

Arizona State Retirement System

Arizona law requires that public school employees working 20 hours or more per week for 20 or more weeks per year (20/20) participate in the Arizona State Retirement Plan. This plan is designed to provide employees with a source of income to supplement Social Security benefits at retirement.

Employees are encouraged to seek confidential assistance if they have concerns about alcohol/drug usage or other matters which may affect job performance.

An employee who must be referred to an employee assistance program may be placed on some category of leave until the District receives medical and/or professional certification of the employee's ability to resume job responsibilities. Counseling is short-term and confidential.

HEALTH AND SAFETY

Safety/Accident Reporting

All employees have the responsibility of maintaining safe conditions in their work areas and making safety a part of their normal work routine. All employees should promptly report – to the principal of the school or immediate supervisor – any events or situations which may cause increased air pollution within the school or on the campus and any defects in buildings, grounds, or equipment that might prove injurious to the safety, health, or comfort of students, employees, or other persons. Employees should also take reasonable precaution for the safe use of buildings, grounds, and equipment by students.

If an accident occurs while you are on duty, you are protected under Workers' Compensation of Arizona. Injuries sustained on school property must be reported to your supervisor and/or school nurse within 24 hours on the Incident Report Form. **You must also contact** The Alliance on-call triage nurse at 1-888-252-4689, option 2, to file a report as soon as possible after the injury occurred and prior to receiving medical attention.

Injuries requiring immediate emergency attention will be referred to the nearest hospital emergency room or call 911.

In order to establish possible rights to Workers' Compensation Insurance, a prompt reporting of any accident or injury occurring on the job should be made to your supervisor who will advise you on the proper procedures. Failure to do so can delay or prevent you from receiving benefits.

All employees will be required to observe the following safety rules:

- Know the locations of fire extinguishers and how to use them correctly. Always alert emergency response personnel in the event of a fire.
- Watch out for recently waxed floors, loose carpeting, floorboards and tiles. Wipe all spills immediately.

- Wear proper footwear and clothing at all times.
- Keep all legs of the chair in use on the floor. Tilting back in a chair may result in falls. Never use a desk or chair as a ladder or standing platform.
- Beware of telephone and electrical cords lying across the floor.
- Avoid obstructing your vision when carrying large loads. Don't hurry; especially around corners.
- Don't store boxes where people might trip.
- Store heavy or breakable items on lower shelves.
- Avoid risk of rupture, internal injury or back injury in attempting to lift or push excessive loads. If an object is too heavy to move or lift without strain, ask for help.
- Observe the correct position for lifting. Stand with your feet slightly apart, assume a squatting position with knees bent and tuck your chin. Tilt head forward, lift with both hands and gradually push up with your legs, keeping your back straight. Avoid any abrupt movement.

Employees are responsible for the proper care of all District facilities, equipment, and property in their custody or control. Damage to District property caused by carelessness or negligence, could result in disciplinary action.

Protection of Staff (Threats)

An employee who is threatened with bodily harm by an individual or group while carrying out his/her assigned duties shall immediately notify their building principal or supervisor. The principal or supervisor shall immediately notify the Superintendent's office of the threat, and together they shall take immediate steps in cooperation with the employee to provide every reasonable precaution for his/her safety. Precautionary steps including any advisable legal action, shall be reported to the Superintendent's office at the earliest possible time.

Personal Health

The Kingman Unified School District Governing Board recognizes that employees with chronic communicable diseases have a reasonable right to work. The Governing Board also recognizes their responsibility to assure a safe environment for all students and staff.

If a District employee learns that he/she has a chronic communicable disease, the employee shall notify the Superintendent immediately. The employee shall not be excluded from school unless a significant risk is presented to the health and safety of others which cannot be eliminated by reasonable accommodation. The Superintendent shall consult with legal counsel and health professionals, as necessary, to ensure that exclusion of a staff member with a chronic communicable disease will not violate the staff member's rights under the Americans with Disabilities Act or Section 504 of the Rehabilitation Act.

The District nurse or other person designated by the Superintendent must reassess an employee who has been excluded from school because of a communicable disease before the employee returns to

work. The District may require a physician's written medical release as a condition for the staff member's return to work.

Kingman Unified School District, in compliance with OSHA standards for Occupational Exposure to Bloodborne Pathogens (29 CFR 1910), has established standards and administrative procedures to prevent employee exposure to bloodborne infectious diseases from contact with blood or body fluids. Each District location shall have a provision of equipment and supplies necessary to minimize the risk of HIV and other bloodborne pathogens. All employees shall be required to complete bloodborne training annually. Eligible employees shall sign off on a pre-exposure form annually to accept or decline the Hepatitis B vaccination at the District's expense.

For more information, please contact your school nurse or District nurse.

Liability Coverage

Kingman Unified School District purchases general and automobile liability coverage for District vehicles to cover claims made against the negligent acts of all employees and volunteers acting in the scope of their assigned duties.

Employees who use their own vehicle for school business must comply with Arizona State automobile insurance requirements. The District's liability coverage is secondary coverage to the driver's personal auto insurance, which would be the primary coverage in the case of an accident. Employees who use their personal automobiles while on school business do not have physical damage (i.e., collision or comprehensive) coverage in the event an accident occurs.

It is important that employees check their personal insurance policies to ensure they have the proper coverage to use their vehicles for official business. Please refer questions in this area to the District's Finance Director.

COMPLAINTS AND GRIEVANCES

A "grievance" is a complaint by a District employee alleging a violation or misinterpretation of any District policy or regulation which specifically governs employees' terms and conditions of employment.

A "grievant" may be any employee of the District filing a grievance.

"Terms and conditions of employment" means the hours of employment and compensation, including fringe benefits.

To resolve any disputes you may have, the District has established procedures. You are urged to discuss the dispute informally with your immediate supervisor, any member of the administration and/or the Human Resources Department before filing a formal grievance or complaint. Any grievance must be signed by the employee.

SEPARATION OF EMPLOYMENT

Support staff voluntarily terminating their employment with the District are expected to give advance notice of not less than ten working days. This notice should be submitted in writing to their supervisor and the District Office and should specify the last day of work.

Employees leaving KUSD employment must complete EXIT paperwork, which is to be signed by the school administrator and brought to the District Office. Paperwork is to be done in advance of receiving the final paycheck.

Benefits end on the last day of the month following an employee's date of separation.

Breach of Contract

Resignations or requests to be released from contract by professional staff must be approved by the Governing Board in advance. A certified employee who resigns or terminates employment without the advance approval of the Board, is deemed to have committed an unprofessional act as provided by law at A.R.S. § 15-545. The employee may be reported to the State Board for disciplinary action. The employee may also be assessed a fee for the reasonable costs for recruitment and related expenses, as determined by the Governing Board. This sum will be taken out of the employee's final paycheck or any other amount owed to the employee by the District on termination. The Board may, in its sole discretion, waive this fee if resignation is based upon circumstances beyond the control of the employee, is a resignation in lieu of dismissal, or based on other circumstances in the Board's discretion.

Reimbursement for Unused Sick Leave

Employees who are leaving the District after working ten (10) or more consecutive full years will be eligible for reimbursement of unused sick leave. Note: This reimbursement pertains to sick leave only, and does not include personal leave.

Sick leave accumulated will be paid out on a per hour basis. Though sick leave can be accumulated without limit, a maximum of 1,800 hours is established for the determination of any payout for unused sick leave.

Unemployment Benefits

Under the provisions of A.R.S. § 23-750 E, school employees are not eligible to receive unemployment benefits between two successive academic years, or between customary break periods, if there is a contract or a reasonable assurance, they will perform services in any capacity within KUSD in the next academic year or term.

Reemployment Following Retirement

At the Board's discretion, the District may choose to reemploy individuals who have qualified for retirement under the Arizona State Retirement System, have retired, and are requesting reemployment with the District the following fiscal year. To request reemployment, individuals should submit a letter of interest and recommendation to the Superintendent and Director of Human Resources no later than April 1. Individuals who notify the District of their interest in reemployment through Educational Services, Inc. (ESI) after April 1 are ineligible for reemployment in the upcoming fiscal year.

Employees seeking to retire, pursue employment with ESI, and enter the program mid-year on January 1, should submit a letter of interest and recommendation to the Superintendent and Director of Human Resources on or before October 1.

Retirees hired, if any, will be selected for employment based upon their overall qualifications and on the needs and best interests of the District. Retired employees have no right to be rehired by the District, and if hired, have no right to renewal of their employment.

Certificated employees will be required to complete the affirmation of a retired employee upon return to employment as required by A.R.S. § 38-766.01. In addition, all retired employees will have contributions at the alternate contribution rate pursuant to A.R.S. § 38-766.02 retained from their compensation and sent to the Arizona State Retirement System.

3. A former spouse of an employee if that spouse was covered under the plan before the divorce.
4. Spouses and dependents of Medicare-eligible employees.
5. Terminated employees.
6. Covered employee’s dependents whose age or status have rendered them ineligible for coverage.
7. Employees whose reduced-hour status affects their eligibility.

Participants in categories 5 and 7 (above) are eligible for continued coverage for 18 months; individuals in all other categories may participate for 36 months.

Eligible employees and/or dependents will be responsible for premiums at COBRA rates.

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%¹ of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.^{1,2}

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution - as well as your employee contribution to employment-based coverage - is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

¹ Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

² An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit [HealthCare.gov](https://www.healthcare.gov) or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

Memorandum

To: KUSD Governing Board

From: Margot Jones, Executive Director of Business and Finance

RE: FY 2026-2027 Employee Handbook

FOR AGENDA

- Possible action to approve the FY26-27 Employee Handbook

FOR PACKET

District staff internally audit the Employee Handbook on an annual basis, more frequently if changes in Governing Board policies, laws, or practices occur. While the Governing Board policies take precedence over all information in the Employee Handbook, the handbook provides a summary of many of the key policies, procedures and benefits of the District.

Many of the changes were housekeeping in nature and intended to further clarify existing policies or practices. Some of the more significant changes include:

1. Updating staff roles and contact information to reflect current names, numbers, and roles
2. Updated policy regarding sick leave payout when employees leave the District to include classified, hourly staff payout with less than ten years with the District.
3. Updated policy regarding sick leave payout when employees leave the District to set minimum years of employment for eligibility for payout.
4. Updated language to Bereavement Leave to clarify that leave is a total of 40 hours for all qualifying occurrences.

Staff recommend the Governing Board approve the FY26-27 Employee Handbook as presented and to authorize the Superintendent or the Superintendent's designee to make additional changes during the school year and policies, laws, practices, or personnel change.
