Central Elementary

- Officer McGuinley, Tina Williams, Korey Sedlacek collaborated and came up with a great lesson on digital citizenship for our 5th grade students. Students were very engaged and they made it real to them! Great job!
- Mathmagic kids came and presented to our 4th graders! It was really good and our kids loved it! I was impressed with our high school students making it fun for our kids.
- Our music program will be April 22! We are having it at the Efree church this year. We didn't want to limit people as the last music programs we had filled the auditorium completely full for each grade level. We will see how it goes and may try something different next year! We wanted to have our music program.
- N-SCAS is up and running...it seems as it's a stressful time of year for everyone.
- Mr. Gross and I attended a tabletop exercise (bus accident scenario) hosted by McCook Community hospital on April 6. It turned out to be a good collaborative planning meeting between MPS, hospital, city, fire/rescue, state patrol, etc. It was very important to be at these meetings to see how emergencies are handled by everyone and how we can better prepare and assist in any way for the good of our community.
- H-VAC systems are being upgraded at Central. We are excited to have this done as our old system has not kept up with temperatures in the past.

McCook School Board Report
April 12, 2021
Special Education Dept., John Hanson, Director

- 1) We have hired Rachelle Kotschwar to serve as the new SPED Developmental Learning Center (DLC) Teacher to replace Samantha Shiers as she moves to the Holdrege area. Rachelle is well prepared for this position as she has served as a long term substitute in that classroom a couple of times, in addition to serving as a long term substitute in the Preschool classroom.
- 2) We have hired Marisa Hoins to serve as the new 5th grade SPED/Resource Teacher to replace Rosa Boehm as she retires. Marisa is a Bison graduate, went onto UN-L to participate in a special program that prepares Special Educators, and has a couple years of experience in the Beatrice area.
- 3) We have hired Sandy Bates to serve as the new district SPED Secretary to replace Wendy Hageman as she retires. Sandy has served as a 1:1 paraeducator for a student with an intellectual disability. Wendy has served McCook Schools for 34 years, 22 of which as the sped secretary...she will be missed! Sandy will have a couple of weeks of time spent learning the basics of the position with Wendy before Wendy retires May 31st. We had 14 qualified candidates for the secretary position, interviewed 6 of them. I was very pleased with the pool, but it made for a lot of tough phone calls to let people know they didn't get the job after Sandy accepted the position.
- 4) Mr. Lyons and I are in the process of hiring Mrs. Sandy Bates replacement...who will have some time shadowing Sandy at the JH before Sandy leaves at the end of the school year to become the SPED Secretary.
- 5) The annual nonpublic sped consultation meeting will be held Tuesday, April 27th at 3:30 at the St. Pat's School library. MPS currently serves 24 nonpublic students with disabilities, spread between St. Patrick's School, multiple private preschools, and home school students with disabilities.
- 6) 12 MPS staff (regular and sped/certified and classified) attended the virtual state Autism conference last week. It was a great conference, hopefully next year's will be in person!
