Graduation/Separation:

The superintendent will establish detailed requirements to agree with the goals for our schools as adopted by the Board of Education and the requirements will be published in the student handbook and course of studies guide. The faculty will apply measures of achievement to provide evidence that each student has progressed far enough toward school goals to warrant his/her graduation. Graduation may involve awarding to students a Somers High School diploma or a Certificate of Completion of a Program of Special Studies.

To be considered a full-time student, freshmen, sophomores, juniors, and seniors must carry a minimum of 6 ½ credits ~~6-¾ credits~~ each year. In the areas indicated below, 6 class periods of instruction must be scheduled within the 7 period day over the six-day STRIVE rotation. After consultation with the Guidance Department, approval for a reduced schedule load may be obtained from the Administration for extenuating circumstances.

Such student support and remedial services shall include, but not be limited to, (1) allowing students to retake courses in summer school or through an on-line course; (2) allowing students to enroll in a class offered at a constituent unit of the state system of higher education, allowing students who received a failing score, as determined by the Commissioner of Education, on an end of the school year exam to take an alternate form of the exam; and (4) allowing those students whose individualized education plans state that such students are eligible for an alternate assessment to demonstrate competency on any of the five core courses through success on such alternate assessment.

Beginning with the Class of 2017, one credit of math and/or one credit of foreign language can be earned towards high school graduation upon the successful completion of an Algebra I or world language course in grades six, seven or eight, or an online course successfully completed.

All credits earned toward meeting any of the graduation requirements through the successful completion of online courses must fulfill the requirements established in policy #[6172.6](#), "Virtual/On-line Courses."

Beginning July 1, 2014 the Board shall create a student success plan for each enrolled student, beginning in grade six. Such plans shall include students' career and academic choices in grades six to twelve inclusive.

Graduation shall not be held until 180 days (minimum 900 hours) of actual schoolwork are completed. (CGS [10-16](#))

Executive Summary

Teacher Evaluation Flexibilities for the 2021-2022 School Year

Per the Connecticut State Department of Education:

As the impact of the COVID-19 pandemic continues into the 2021-2022 school year, a balanced approach to returning educators, staff, and students back to in-person teaching and learning, and to support students and educator growth and improvement, will be necessary. As such, the 2021-2022 Educator Evaluation Flexibilities for the 2021-2022 school year prioritize the need to focus on:

- Social and emotional learning and overall well-being of students, staff, and educators
- Equitable learning opportunities for all students
- Culturally responsive teaching and learning practices
- Academic achievement
- Engagement with families

These flexibilities are provided to facilitate support, feedback and growth for Connecticut educators, in order to best meet the needs of students.

Board of Education Administrative Report

Student Learning Indicators (45%):

Teachers will develop *one student learning goal* with a minimum of two indicators or measures of accomplishment focused on:

- Social and emotional learning for students,
- Student engagement,
- Engaging families
- Cultural responsiveness
- Academic achievement

While only one student learning goal is required, teachers are able to develop more than two indicators or measures of accomplishment to expand areas of progress, growth or accomplishment addressed through one student learning goal.

Indicators or measures must be mutually agreed upon between teacher and evaluator during the goal setting process.

Observation of Performance and Practice (40%):

- *One formal observation, two informal observations and one review of practice* for first year, Somers teachers.
- *Three informal observations and one review of practice* for second year teachers, and teachers who demonstrated Developing or Below Standard practice during the 2020-2021 school year.
- *Two informal observations and one review of practice* for teachers with more than two years of experience and who maintained Proficient or Exemplary practice during the 2018-2019 school year and/or maintained Proficient or Exemplary practice during the 2020-2021 school year.

Stakeholder Feedback (10%):

Engaging with families continues to be essential in supporting the social and emotional well-being of students and their academic learning. The CSDE is committed to supporting educators in their support of, and engagement with, the families of our students. It is recommended that educators prioritize the focus on implementing strategies for ongoing communication and engagement with families.

Board of Education Administrative Report

Whole- School Student Learning Indicators/Teacher Effective Outcomes (5%):

For the 2021-2022 school year, completion of the Second Step for Adults Module 1 “Building Trust” during allocated professional development time will be our whole school learning indicator focus.

Educators can focus on one (or more) of the following topics when summarizing the how completion of the Second Step for Adults Module 1 “Building Trust” has impacted:

Social and emotional learning
Providing equitable learning opportunities for all students
Professional learning to improve practice
Professional learning communities

4-Level Matrix Rating System

Summative ratings will be required for the 2021-2022 school year.

- End of year summative reviews shall include teacher/administration self-assessment, supporting documentation/artifact review and an end of year conference.
- Summative Ratings shall be determined by:
 - A holistic view of evidence in each component
 - Combining the rating for student learning goals and whole-school learning indicators/educator effectiveness/special area of focus for an Outcomes Rating,
 - Combining educators practice and stakeholder feedback for a Practice Rating and, Combining the Outcomes Rating and the Practice Rating to a Final Rating aligned to one of the four performance designations:
 - Exemplary (4)
 - Proficient (3)
 - Developing (2)
 - Below Standard (1)

Districts shall report to their local or regional board of education the status of educator evaluations by: June 1, 2022.

The reporting of aggregate evaluation ratings will be due to the CSDE by: September 15, 2022

Adopting the Flexibilities 2021-22

Per the Connecticut State Department of Education:

Local education agencies (LEAs) that choose to adopt these flexibilities must do so through the mutual-agreement process of the Professional Development and Evaluation Committee (PDEC) and the local board of education. It is intended that districts adopt the Flexibilities 2021-22 in their entirety for the school year. Districts should follow their most recently approved CSDE educator evaluation and support plan (EESP) for all other areas of the Guidelines 2017 not described in the Flexibilities 2021-22.

The SPS Professional Development and Evaluation Committee met, discussed and approved adopting these flexibilities on: August 10, 2021

COVID-19 STAFF VACCINATION POLICY

The Board of Education's highest priority is ensuring the health and safety of the District's students and their families, the District's employees and their families, and our greater community. Pursuant to this obligation and Connecticut Governor Ned Lamont's August 19, 2021 Executive Order # 13D, the Board mandates that all District employees who perform work within the District's schools be vaccinated against COVID-19 unless otherwise exempt as set forth in this policy.

Definitions

For the purposes of this policy, the following definitions apply:

"Fully vaccinated" means at least 14 days have elapsed since a person has received the final dose of a vaccine approved for use against COVID-19 by the U.S. Food and Drug Administration, or as otherwise defined by the Centers for Disease Control.

"District employee" refers to all Somers Public Schools' employees, both full and part-time, including substitutes and student teachers. This definition applies to all District staff regardless of the amount of student contract time a particular staff member may have. The definition does not apply to District volunteers.

Mandatory COVID-19 Vaccination

1. Prospective District Employees

On or prior to September 27, 2021, the District shall offer employment only to individuals who are fully vaccinated. The exceptions to this rule are as follows:

- (1) The candidate has received the first dose of the vaccine and has either received the second dose (and less than 14 days have elapsed) or has an appointment for the second dose; or
- (2) The candidate is exempt from the vaccination requirement because the vaccine is likely to be detrimental to the individual's health or the person is exempt due to a sincerely held religious belief.

It shall be the responsibility of the candidate to provide proof of vaccination or to obtain and provide documents in support of his or her entitlement to any exemption. The failure to meet any of these conditions will result in the candidate not being offered a position of employment.

2. Existing District Employees

After September 27, 2021, all non-exempt employees must be fully vaccinated against COVID-19 in order to maintain employment with the Somers Public Schools. The Somers Public Schools shall not employ any individual who is not fully vaccinated unless:

1. The employee has received the first dose of the vaccine and has either received the second dose or has an appointment scheduled to obtain the second dose; or
2. The employee is exempt from the vaccination requirement because the vaccine is likely to be detrimental to the individual's health or the person is exempt due to a sincerely held religious belief and the employee undergoes weekly COVID-19 testing and submits such results to the District; or
3. The employee undergoes weekly COVID-19 testing and submits such results to the District.

The Somers Public Schools shall not employ any individual who is not exempt who has received the first dose of a two-dose series COVID-19 vaccination but fails to receive the second dose on the appropriate date as recommended by CDC or at the scheduled appointment without good cause unless such employee undergoes weekly COVID-19 testing and submits results to the District on a weekly basis.

It shall be each employee's responsibility to provide proof of vaccination or to obtain and present documents in support of his or her entitlement to any exemption. The Somers Public Schools shall not pay for the costs associated with weekly COVID-19 testing.

Acceptable Proof of Vaccination

Employees may demonstrate proof of vaccination by providing one of the following:

1. A CDC COVID-19 Vaccination Record Card or photo of the Vaccination Record Card;
2. Documentation from a health care provider or electronic health care records; or
3. State Immunization Information Record.

Personal attestation will not be accepted as an acceptable form of proof of a COVID vaccination.

Exemptions to COVID-19 Vaccination Requirement

1. Disability

District employees seeking to be excused from receiving the COVID-19 vaccination due to a disability must submit a request in writing to the Superintendent or his or her designee, along with any supporting documentation as may be requested by the Administration. Such supporting documentation shall include a statement from a physician, physician's assistant or advanced

practice registered nurse indicating that the administration of the COVID-19 vaccination is likely to be detrimental to the District employee's health.

The Superintendent or his or her designee shall engage in discussion with the employee and make an individualized assessment as to whether the employee (if unvaccinated) will expose others to the virus or otherwise pose a direct threat to safety and health of the school community.

If the Superintendent determines that the unvaccinated employee poses a direct threat to the school community, the Superintendent will consider whether there are reasonable accommodations or mitigation efforts (absent undue hardship, i.e., more than a *de minimis* cost or burden on the District) that would eliminate or reduce this risk so that the unvaccinated employee does not pose a direct threat to others. Such measures may include but are not limited to include greater isolation/social distancing and use of enhanced personal protective equipment (for example, face shields in addition to masks), provided they do not impose an undue hardship on the District.

If the unvaccinated employee poses a direct threat that cannot be reduced to an acceptable level, the Superintendent may exclude the employee from physically entering the worksite.

2. Religious Practice or Belief

District employees who assert that they are unable to receive a COVID-19 vaccination because of a sincerely held religious practice or belief must submit a request in writing to the Superintendent, along with any supporting documentation as may be requested by the Administration.

The Superintendent or his or her designee shall engage in discussion with the employee and make an individualized assessment as to whether the employee (if unvaccinated) will expose others to the virus and thus pose a direct threat to the safety and health of the school community, based upon the factors described above.

If the Superintendent determines that the unvaccinated employee poses a direct threat to the school community, the Superintendent will consider whether there are reasonable accommodations or mitigation efforts (absent undue hardship, i.e., more than a *de minimis* cost or burden on the District) that would eliminate or reduce this risk so that the unvaccinated employee does not pose a direct threat to others. Such measures may include but are not limited to include greater isolation/social distancing and use of enhanced personal protective equipment (for example, face shields in addition to masks), provided they do not impose an undue hardship on the District.

If the unvaccinated employee poses a direct threat that cannot be reduced to an acceptable level, the Superintendent may exclude the employee from physically entering the worksite.

3. Weekly Testing

District employees who are not vaccinated by September 27, 2021, must obtain weekly testing for COVID-19 (PCR or antigen only, no home-testing permissible) and present the results of the test to the head nurse every Monday (or the next business day following a Monday holiday). This requirement applies to District employees who are exempt from vaccination pursuant to the disability and religious practice or belief exemptions described above as well as any other District employees who are not fully vaccinated by September 27, 2021.

The procedures for submission of testing results shall be determined by the Superintendent or his or her designee. It shall be the responsibility of the District employee to obtain such testing at his or her cost. Employees are expected to obtain such testing outside of regular working hours. The Somers Public Schools shall not pay for the costs associated with weekly COVID-19 testing.

Compliance and Discipline

District employees who fail to comply with the above provisions will not be permitted to report to work or to enter into any school building or District facility. In addition, failure to produce proof of vaccination or weekly testing results will render Somers Public School employees ineligible for continued employment with the District. Accordingly, such employees may be subject to discipline, up to and including termination of employment. Any District employee who knowingly provides false or misleading information to the District regarding his or her vaccination status, eligibility or qualification to receive the vaccine, and/or in connection with a request for a reasonable accommodation, will be subject to discipline, up to and including termination of employment.

Confidentiality of Medical Information

District employee vaccination information, weekly testing results and other medical information will be kept confidential as required by law. The District will maintain the confidentiality of such information to the most reasonable extent possible, in compliance with applicable laws and regulations. If necessary, medical information may be shared in limited circumstances and subject to appropriate controls to those persons who have a legitimate need to know including but not limited to District administration, first aid and safety personnel, and government officials, as required by law or other relevant guidance.

Bylaws of the Board

Conflict of Interest

Civility Code

As a member of the Somers Board of Education, I will strive to improve student achievement in public education, and to that end I will:

- Remember always that my first and greatest concern must be the educational welfare of the students attending the Somers Public Schools;
- Understand that I have no authority beyond that which is exercised at a Board meeting. A Board member has no authority as an individual and decisions can only be made by a majority vote;
- Attend all Board meetings insofar as possible, review relevant information, and become informed concerning the issues to be considered at those meetings;
- Refrain from using the Board position for personal or partisan gain, and avoid any conflict of interest or the appearance of impropriety;
- Strive for a positive working relationship with the Superintendent, respecting the Superintendent's authority to advise the Board, implement Board policy, and administer the district;
- Recognize my responsibility as an agent of the State to seek the improvement of education throughout the State;
- Focus my attention on fulfilling the Board's responsibilities of goal setting, policymaking, and evaluation;
- Ensure that all sides have a fair opportunity to present their respective positions;
- Ensure that criticism of opposing viewpoints is expressed as criticism of a position, not a person when advocating for a belief or position;
- Arrive at conclusions only after discussing all aspects of the issue at hand with my fellow Board members in a meeting;
- Respect the opinions of others, and abide by each decision of the Board as a whole, regardless of my personal vote;
- Listen respectfully to those who communicate with the Board, seeking to understand their views, while recognizing my responsibility to represent the interests of the entire community;
- Work with other Board members to establish effective Board policies and to delegate authority for the administration of the schools to the Superintendent.

Conflict of Interest

Civility Code (continued)

- Conduct all business in an open and transparent manner, consistent with the intent and spirit of the open meeting law requirements;
- Respect the confidentiality of information that is privileged under applicable law and refrain from unauthorized disclosure of matters discussed in executive session;
- Model civility to students, employees, and all elements of the community by encouraging the free expression of opinion by all Board members and engaging in respectful dialogue with fellow Board members on matters being considered by the Board;
- Present personal criticism of district operations or of any employee directly to the Superintendent;
- Understand the chain of command and refer problems or complaints to the proper administrative office while refraining from actions that could compromise my ability to act if the issue rises to the Board level;
- Take no private action that will compromise the Board and administration.

NOTES: This revision makes the Bylaw consistent with the Town Charter.
