3. BOE APPRECIATION

Rationale: Dr. Galloway will present gifts to the Board members in recognition of Board of Education Appreciation Month.

Discussion: Superintendent Galloway acknowledged Board Appreciation Week and thanked the members of the Somers Board of Education for the significant work they perform throughout the year, much of which is unseen by the public. He noted that Board members are also parents and professionals with other responsibilities, yet they volunteer their time to review and distribute information affecting the district, provide feedback, attend committee meetings, and participate in regular Board meetings. Superintendent Galloway stated that he feels incredibly supported by the Board and that this support yields meaningful benefits for students and families. Board members were presented with vests featuring the Somers Public Schools logo.

Chair Briggs expressed appreciation for the recognition and thanked his fellow Board members for the many hours of unpaid work they contribute behind the scenes. He noted that this work is driven by the shared mission of providing the best possible educational experience for Somers students and families, and he stated that the Board remains committed to that goal. Chair Briggs also thanked the teachers, administrators, custodians, IT staff, and Superintendent for their work on behalf of the district. These individuals are the engine that keeps the district moving forward and while the Board helps provide direction, the schools could not function without the daily efforts of the staff.

8. OLD BUSINESS

9. NEW BUSINESS

9.1. 1st Posting to Modification of Existing SHS Course - Explorations in Algebra I

Rationale: Questions may be directed to the Curriculum Committee.

Discussion: The Board discussed proposed changes to Explorations in Algebra 1 at a recent subcommittee meeting. Board Member Ed DePeau explained that the course is currently taught over two years; however, this structure, has not produced the strongest outcome for students. The proposed modification would change the course from a two-year sequence to a one-year course. This change would allow students to complete more math coursework in high school, cover more content, better prepare for the SAT, improve overall school performance, and create greater opportunities for students to enroll in higher-level math courses. He also noted that the revised curriculum is aligned with the Connecticut model curriculum. The proposed change will not affect students who take Algebra I in eighth grade.

Dr. Jaime Rechenberg explained that the revised course is based on a prioritized set of Algebra I standards designed to best prepare students for Algebra II. The district plans to remove supplementary standards and focus instruction on the most essential content. Under the previous structure, students earned two credits for what was a single course. Access to higher-level math courses has a direct impact on SAT performance and overall readiness. If a student spends both freshman and sophomore years in Algebra 1 and does not take Geometry until junior year, that student is less prepared for the SAT.

District's Other Designees Under Section 504

The Somers Public School District is required not to discriminate on the basis of sex by Title IX and its implementing regulations. Inquiries about Title IX may be referred to the District's Title IX Coordinator, the U.S. Department of Education's Office for Civil Rights, or both.

In keeping with requirements of federal and state law, the District strives to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered to students; in student assignment to schools and classes; in student discipline; in location and use of facilities; in educational offerings and materials; and in accommodating the public at public meetings.

The Superintendent shall appoint and make known the individuals to contact on issues concerning the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1974, Title VI, Title VII, Title IX and other civil rights or discrimination issues. The Board will adopt and the District will publish grievance procedures providing for prompt and equitable resolution of student and employee complaints.

Federal civil rights laws prohibit discrimination against an individual because he/she has opposed any discrimination act or practice or because that person has filed a charge, testified, assisted or participated in an investigation, proceeding or hearing. ADA further prohibits anyone from coercing, intimidating, threatening or interfering with an individual for exercising the rights guaranteed under the Act.

Personal Leaves

Family, Medical and Pregnancy Leave Policy

Family and Medical leaves are provided by the Board as required by the federal Family and Medical Leave Act of 1993, as amended (FMLA) and the Family Medical Leave Act as part of the National Defense Authorization Acts of 2008 and for Fiscal Year 2010 (which expanded certain leave to military families and veterans for specific circumstances) and 2013 Final Rules. This policy and the corresponding regulations will be interpreted to comply with that law, as well as the Connecticut Fair Employment Practices Act (CFEPA) with respect to pregnancy-related disability leave and transfer. Employees should contact the Business Office of the Somers Public Schools if they have any questions regarding how the Board's FMLA policy and regulations apply to their situation, when and how they may take leave or any question regarding family, medical or pregnancy-related disability leave.

Paraprofessionals are also eligible to benefits equal to those under the federal FMLA if such paraprofessional was employed for at least one year and for at least ~~950~~ 1,250 hours over the previous twelve-month period preceding the commencement of the leave. [Under federal FMLA, eligible employees are provided up to 12 weeks of unpaid leave each year.](#)

A paraprofessional is defined as a school employee who performs duties that are instructional in nature or delivers either direct or indirect services to students and/or parents and serves in a position for which a teacher has ultimate responsibility for the design and implementation of educational programs and services.

CT FMLA

[Eligible employees are employees whose position does not require professional certification \(non-certified school personnel\) or certified school personnel whose union has successfully negotiated with the Board to participate in such programs. To be eligible for the program, a certified school employee must be employed for at least three months immediately preceding such employee's request for leave by the employer with respect to whom leave is requested. Non-certified school personnel must be employed by the Board for at least three months during the previous 12 months to be eligible.](#)

[Under CT FMLA, eligible employees can take up to 12 weeks of unpaid leave in a 12 month period for qualifying reasons with an additional 2 weeks available for certain pregnancy-related conditions. An employee may be entitled to leave under the Federal FMLA and/or CT FMLA. To the extent an employee is eligible for and qualifies for leave under both laws, the employee's Federal FMLA and CT FMLA leave will run concurrently.](#)

Definitions

Genetic Information: For purposes of this policy, “genetic information” includes an individual’s family medical history, an individual’s or family member’s genetic tests, and/or the fact that an individual or an individual’s family member sought or received genetic services or participated in clinical research which includes genetic services. “Genetic information” includes information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member utilizing assistive reproductive technology.

Instructional employee: For purposes of this policy, an “instructional employee” is defined as a teacher or other employee of the Board who is employed principally in an instructional capacity and whose principal function is to teach and instruct students in a class, small group, or an individual setting, and includes athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. The term does not include teacher assistants or aides who do not have as their principal function actual teaching or instructing, nor auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers, bus drivers, or other primarily non-instructional employees.

Non-certified employee: For purposes of this policy, “non-certified employee” means an employee employed by the Board in a position that does not require a professional certification under Chapter 166 of the Connecticut General Statutes.

Leave covered by FMLA includes the following:

- incapacity due to pregnancy, prenatal medical care, or childbirth;
- to care for the employee's newborn child;
- the placement of a child with the employee by adoption or foster care;
- to care for the employee's spouse, child, or parent who has a serious health condition; or
- to care for the employee's own serious health condition that renders the employee unable to perform the functions of the employee’s position;
- to serve as an organ or bone marrow donor;
- to care for an injured or ill service member;
- a qualifying exigency arising out of a family member’s military service, including one or more of the following reasons:
 - short-notice deployment;
 - military events and related activities;
 - childcare and school activities;
 - financial and legal arrangements;
 - counseling;
 - rest and recuperation;
 - post-deployment activities;
 - parental care leave for a military member’s parent who is incapable of self-care and care is necessitated by the military member’s covered active duty;
 - additional activities that arise out of the active duty or call to active-duty status of a covered military member, provided that the Board and the employee agree that such leave qualifies as an exigency and agree to both the timing and the duration of such leave.

Leave covered by Connecticut FMLA includes the following:

- upon the birth of the employee's newborn child, and to care for the newborn child;
- upon the placement of a child with the employee for adoption or foster care, and to care for the newly placed child;
- to care for the employee's family member, if such family member has a serious health condition;
- because of the employee's own serious health condition, including any period of incapacity due to pregnancy or for prenatal care, that renders the employee unable to perform the functions of the employee's position;
- in order to serve as an organ or bone marrow donor;
- to care for an injured or ill servicemember who is the employee's spouse, parent, child or next of kin; or
- to address a qualifying exigency arising out of the fact that the spouse, child, or parent of the employee is on active duty, or has been notified of an impending call or order to active duty, in the armed forces.

For purposes of determining whether an employee has a qualifying reason for leave under CT FMLA, "family member" is defined as a spouse, sibling, child, grandparent, grandchild or parent, or an individual related to the employee by blood or affinity whose close association the employee shows to be the equivalent of those family relationships.

If a leave is requested for one of the reasons listed above, each eligible employee may take up to a total of twelve (12) weeks of unpaid family or medical leave in the twelve (12) month entitlement period. This entitlement period is measured on the basis of a "rolling" 12-month period measured backward from the date an employee uses any FMLA leave.\

The Superintendent shall draft administrative regulations to comply with the FMLA and CT FMLA and subsequent updates. In developing these regulations to support policy 4152.6/4252.6, the Superintendent will provide direction and explanations covering the following areas:

- Acceptable reasons for requesting leave under the FMLA;
- Leave scenarios and conditions;
- Leave to care for an injured or ill service member;
- Procedures for requesting leave under the FMLA;
- Leaves under FMLA and medical treatment requirements;
- Required certifications and documentation;
- Use of paid leave
- Medical insurance and other benefits, and
- Reinstatement.
