13. Independent Contractor Status. Each Party and its employees and agents are independent contractors in relation to the other Party with respect to all matters arising under this Agreement. Nothing herein shall be deemed to establish a partnership, joint venture, association, or employment relationship between the Parties. Each Party shall remain responsible and shall, as allowed by Oklahoma constitution or law, indemnify and hold harmless the other Party, for the withholding and payment of all federal, state and local personal income, wage, earnings, occupation, social security, worker's compensation, unemployment, sickness and disability insurance taxes, payroll levies, or employee benefit requirements now existing or hereafter enacted and attributable to themselves and their respective people.
14. Miscellaneous. This document and the documents incorporated herein constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all other communications, whether written or oral. MAS reserves all rights not specifically granted herein.

Neither Party shall be liable for delays caused by events beyond its reasonable control, except non-payment of amounts due hereunder shall not be excused by this provision. Any provision hereof found by a tribunal of competent jurisdiction to be illegal or unenforceable shall be automatically conformed to the minimum requirements of law and all other provisions shall remain in full force and effect. Waiver of any provision hereof in one instance shall not preclude enforcement thereof on future occasions.

9. Term; Termination.

(a) Term. This Agreement is effective for the fiscal year set forth in the Software Service Order Agreement unless earlier terminated by either Customer or MAS.

(b) Termination Without Cause. Customer may terminate this Agreement by discontinuing use of the Service and paying any remaining charges. MAS may terminate this Agreement by discontinuing its provision of the Service to Customer, in which case Customer is not obligated to pay any remaining charges.

(c) Breach. MAS may terminate this Agreement if Customer breaches any material obligation provided hereunder, including Customer's obligations specified in Section 2(b), which breach is not cured within five (5) days of MAS's notice to Customer.

10. Confidential & Proprietary Information. For purposes of this Section, a Party receiving Confidential & Proprietary Information (as defined below) shall be the "Recipient" and the Party disclosing such information shall be the "Discloser."

(a) Acknowledgment. Customer hereby acknowledges that the Service (including any Documentation, source code, translations, compilations, partial copies, and derivative works used in connection with the Services) is provided using confidential and proprietary information belonging exclusively to MAS or its third-party licensor (as appropriate), and MAS hereby acknowledges that Customer Data contains confidential and proprietary information belonging exclusively to Customer or relating to its affairs (in each case, "Confidential & Proprietary Information"). Confidential & Proprietary Information does not include: (i) information already known or independently developed by Recipient outside the scope of this relationship by personnel not having access to any Confidential & Proprietary Information; (ii) information in the public domain through no wrongful act of Recipient, or (iii) information received by Recipient from a third-party who was free to disclose it.

(b) Covenant. Recipient hereby agrees that during the Term and at all times thereafter it shall not use, commercialize, or disclose such Confidential & Proprietary Information of the Discloser to any person or entity, except to its own employees and agents having a "need to know" (and who themselves are bound by similar nondisclosure restrictions), and to such other recipients as the Discloser may approve in writing; provided that all such recipients shall have first executed a confidentiality agreement in a form acceptable to Discloser. Recipient shall not: (i) alter or remove from any Confidential & Proprietary Information of the Discloser any proprietary legend, or (ii) decompile, disassemble, or reverse engineer the Confidential & Proprietary Information (and any information derived in violation of such covenant shall automatically be deemed Confidential & Proprietary Information owned exclusively by the Discloser). Recipient shall use at least the same degree of care in safeguarding the Confidential & Proprietary Information of the Discloser as it uses in safeguarding its own confidential information, but in any event at least reasonable care. Upon termination or expiration of this Agreement, and regardless of whether a dispute may exist, Recipient shall, upon request by Discloser, return or destroy (as instructed by Discloser) all Confidential & Proprietary Information of Discloser in its possession or control and cease all further use thereof.

(c) Injunctive Relief. Recipient acknowledges that violation of the provisions of this Section would cause irreparable harm to Discloser not adequately compensable by monetary damages. In addition to other relief, it is agreed that injunctive relief shall be available without necessity of posting bond to prevent any actual or threatened violation of such provisions.

11. Notices. Notices sent to either Party shall be effective when delivered in person or transmitted electronically, one (1) day after being sent by overnight courier, two (2) days after being sent by first class mail postage prepaid to a physical address provided by the Customer, or five (5) days after being sent by email from MAS to the address in the Customer account. A copy of this Agreement and notices generated in good form shall be treated as "original" documents admissible into evidence unless a document's authenticity is genuinely placed in question.
12. Survival. Termination shall have no effect on the Parties' rights or obligations under Section 8 ("Privacy and Personal Information"); Section 10 ("Confidential & Proprietary Information"), Section 13 ("Independent Contractor Status"), any payment obligations or any provision which by its nature should survive.
13. Independent Contractor Status. Each Party and its employees and agents are independent contractors in relation to the other Party with respect to all matters arising under this Agreement. Nothing herein shall be deemed to establish a partnership, joint venture, association, or employment relationship between the Parties. Each Party shall remain responsible and shall, as allowed by Oklahoma constitution or law, indemnify and hold harmless the other Party, for the withholding and payment of all federal, state and local personal income, wage, earnings, occupation, social security, worker's compensation, unemployment, sickness and disability insurance taxes, payroll levies, or employee benefit requirements now existing or hereafter enacted and attributable to themselves and their respective people.
14. Miscellaneous. This document and the documents incorporated herein constitute the entire agreement between the Parties with respect to the subject matter hereof and supersede all other communications, whether written or oral. MAS reserves all rights not specifically granted herein. Neither Party shall be liable for delays caused by events beyond its reasonable control, except non-payment of amounts due hereunder shall not be excused by this provision. Any provision hereof found by a tribunal of competent jurisdiction to be illegal or unenforceable shall be automatically conformed to the minimum requirements of law and all other provisions shall remain in full force and effect. Waiver of any provision hereof in one instance shall not preclude enforcement thereof on future occasions.

Dear Sterling Public Schools Board of Education,

I would like to submit my letter of resignation effective July 1, 2022. I have enjoyed my time here and am appreciative that I had the opportunity to serve this school and community. I will be retiring after five years here, and we will be moving to the Wichita Falls area to be closer to grand babies. I love Sterling Schools and wish you all nothing but the best. Thank you again.

Sincerely,

To the Accreditation Standards Division:

The Sterling District plan for library services from 2021-2024 is to continue providing all current programs and classes with the supervision of a full-time library assistant for both libraries located in our one school building. This same staffing management has been used since 2016. Our circulation remains high due to the efforts of our library assistant. We are a small rural district and it is difficult to hire a certified librarian to meet the State mandate regulation for our school. With this deregulation we will continue to employ our full-time library assistant, also we benefit from volunteer help from a couple of retired certified media specialists.

Please, let me know if more information is needed.

Sincerely,

A handwritten signature in black ink, appearing to be 'K. Lemons', written in a cursive style with a long horizontal flourish extending to the right.

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

The Sterling District plan for library services from 2021-2024 is to continue providing all current programs and classes with the supervision of a full time library assistant for both libraries located in our one school building. This same staffing management has been used since 2016. Our circulation remains high due to the efforts of our library assistant.

We are a small rural district and it is difficult to hire a certified librarian to meet the State mandate regulation for our school. With this deregulation we will continue to employ our full time library assistant, also we benefit from volunteer help from a couple of retired certified media specialists.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We will continue allowing access to the library the entire school day and using the Accelerated Reader program.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

The deregulation has been in effect since 2016. The deregulation allows us to have the library open to use the entire school day, increasing the students interest in reading and increasing our scores on State Exams and the ACT.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

School starts at 8:00 am and lasts through 3:45 pm with the library open during the entire school day. The library is open from the first day students are in school until the last day students are in attendance, and serves all grades during the school day.

Tiffany Johle will serve as the library assistant

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The deregulation provides a positive financial impact allowing us to hire a dedicated and energetic library assistant who can promote and expand the library without having to employ a certified media specialist.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The library assistant will be under the direction of the elementary principal. The principal will provide feedback and evaluations of their performance throughout the school year.

** You will be contacted if more information is needed to process this request.
