AGENDA SECTION: 6. RECOGNITIONS

ITEM: A. Employee of the Month – January

COMMENTS BY: Superintendent Anderson

It is my pleasure to recognize Linda Fortin, West Middle School, as Wayzata Public Schools District Employee of the Month for January. Linda has been a loyal employee of Wayzata Public Schools since 1987 when she was hired as an office and classroom paraprofessional at Sunset Hill Elementary. She has been at Wayzata West Middle School since 1988 and works as a 10 month secretary for our Student Services office.

Linda coordinates a bustling office with splendid results. She works with many students on a daily basis, assisting them with issues ranging from critical to comical. But regardless of the concern that is brought to her attention, Linda is always attentive. She has an encouraging, soothing spirit that makes everyone feel comfortable around her. Her calming presence and soft-spoken words benefit all who come in contact with her.

Mrs. Fortin is very committed to the mission, vision and values of the Wayzata Schools. She partners with staff and families in order to assist with any problems that are brought to her. Linda is composed, articulate and just the person you hope to talk to if you call or visit Wayzata West Middle School.

We are lucky to have Linda Fortin as a dedicated staff member at Wayzata West Middle School.

BOARD OF EDUCATION

Organizational/Regular Meeting – January 11, 2010

AGENDA SECTION: 8. APPROVAL OF AGENDA AND CONSENT AGENDA ITEMS

ITEM: C. Finance and Business Services

COMMENTS BY: Mr. Westrum

2. **Open Enrollment Non-Resident Agreement**

According to Minnesota Statute 124.03, Subdivision 2, "A Board may, by resolution, limit the enrollment for nonresident pupils in its schools or program according to this section to a number not less than the lesser of:

- 1) One percent of the total enrollment at each grade level in the district; or
- 2) The number of district's residents at that grade level enrolled in a non-resident district according to this section."

Open Enrollment Guidelines for 2010-2011:

For the school year 2010-2011 overall, as a district:

- At the high school we would close any grade whose population exceeds 800 or the overall capacity of the building exceeds 3200.
- At the middle school we would close any grade that exceeds 800.
- At the elementary school we would close any grade that exceeds 750, or if a grade level is below 750, it may be still be closed to open enrollment if the average total enrollment of the sum of all elementary grades exceeds 750.
- At kindergarten we would close if the total enrollment exceeds 700.

New Students

December 1, 2009 projections indicated that we may have only limited open enrollment options. If applications exceed capacity, selection would be made by lottery.

Resident Students who move out of the District

Resident students attending Plymouth Creek and Kimberly Lane elementary schools who move out of the District during the year will be offered continued enrollment at that school for the remainder of the year only. The District commits to place affected students in another elementary school if the capacity guidelines permit in the following year.

Resident students attending Birchview, Gleason Lake, Greenwood, Oakwood and Sunset Hill Elementary Schools, East, Central and West Middle Schools, and the high school, who move out of the District, will be offered continued open enrollment in the District.

RECOMMENDED ACTION: Approve the recommendations to close any grade at Wayzata High School whose population is over 800 (or overall site enrollment is over 3200), close any grade at middle level whose enrollment is over 800, and close any elementary grade (1-5) whose enrollment is over 750, or all elementary grades if the average total enrollment of all elementary grades is over 750, and close kindergarten if over 700. Kimberly Lane and Plymouth Creek are closed to all open enrollment other than younger siblings of students who have already been granted open enrollment status in a previous year.
