A. Employee of the Month – April, 2013

Employee of the Month  
– April

Wayzata West Middle School Nominated Beth Dougherty for the April, 2013 “Employee of the Month” for the Wayzata Public Schools.

Ms. Dougherty has been a special education teacher at Wayzata West Middle School for the past 16 years. She is a hard-working employee who is frequently seen in her classroom after hours meeting with students, preparing for classes and completing required paperwork. The amount of effort and care she gives her students is truly amazing. When confronted with a complex issue or need, Beth is steady and thoughtful in coming up with possible solutions that could work for all. Every student Beth has ever taught would easily acknowledge that Mrs. Dougherty cares for them and wants them to succeed. She also works hard to help make it happen.

In addition to the amount of patience and concern she gives to her students, Beth has been the

chair or co-chair of our building Sunshine committee. In that role, she reaches out to staff undergoing the tears as well as the cheers that life throws upon them. Beth values supporting her co-workers in this role and she is gifted at brightening anyone's day. (Her permanent smile is contagious!)

We are lucky to have Beth Dougherty as a devoted staff member at Wayzata West Middle School. Congratulations on being recognized for this honor!

RE: 2013 Pavement Rehabilitation for Wayzata Public Schools

Dear Mr. Matson:

On May 2, 2013, competitive bids were received for the above-referenced project. Minnesota Roadways Company submitted the lowest base bid in the amount of \$317,134, as well as the lowest add alternate bid in the amount of \$15,717; however, they did not acknowledge receipt of Addendum No. 1 on their bid form.

Two items were addressed on Addendum No. 1; one item was a clarification to the project schedule and the second item was a material modification, both of which were not expected to have a significant effect on bid price. Our personnel contacted Minnesota Roadways Company and they stated that they did receive the addendum and it was an oversight that the addendum was not acknowledged on their bid form. Minnesota Roadways Company also indicated that they had addressed the addendum items in their bid and that they would be able to perform the work as specified for the submitted bid amount.

We have personal experience working with Minnesota Roadways Company and have found them to be competent and qualified. Based on our past experiences with Minnesota Roadways Company and the above information, we recommend acceptance of their bid.

Please contact our office if you have any questions or comments.

Sincerely,

INSPEC

Re: Independent School District #284

Commission No.122190

Dear Jon:

We request that the following recommendation be presented to the School Board for the award of the Wayzata West Middle School Summer 2013 Renovations project.

On April 30, 2013, nine (9) bids were received for the Wayzata West Middle School Summer 2013 Renovations project. A copy of the bid tabulation is enclosed for your review. The bids received are of an acceptable range and reflect a fair value for the work involved. The apparent low bid has been reviewed and is within the budget established for the project.

The scope of the project includes renovating various classroom areas at Wayzata West Middle School, and is scheduled for construction this summer.

Based on our review of the bids submitted, the selection of alternates does affect the determination of the low bidder. The following is our itemized recommendation for the alternates for your consideration:

**Alternate No. 1 - RM B110 Casework:** **Add \$7,000**  
Alternate No 1 Provides the costs associated with the addition of casework to include wall hung cabinetry and base cabinets in Room B110.

**Recommendation: Accept Alternate No. 1**

**Alternate No. 2 - Sink Island Extension:** **Add \$5,000**  
Alternate No 2 Provides the costs associated with the addition of a third sink, base cabinet, countertop and associated plumbing in Room A10.

**Recommendation: Accept Alternate No. 2**

**Alternate No. 3 – Liquidated Damages:** **Add \$0**  
Alternate No. 2 Provides the costs associated with the addition of liquidated damages in the amount of \$1,000 per calendar day if the project is not completed by August 16, 2013.

**Recommendation: Accept Alternate No. 3**

**COMMENTS BY: Superintendent Anderson**

Wayzata High School's 22<sup>nd</sup> annual Empty Bowls Fundraiser is set for Thursday, May 16 from 5 to 7 p.m. in the high school cafeteria. Tonight we have Wayzata High School students from the high school AP Pottery Program to speak about the event. Please introduce yourselves.

Filling a bowl with soup for dinner seems such a simple task, but far too many people have neither the bowl, nor the soup and spend the evening listening to their hunger and wondering when they will have their next meal.

Throughout the school year, students in pottery 1, 2, 3, Advanced Pottery and Advanced Placement Pottery, create art bowls to be used at the school's annual Empty Bowls event. The bowl making is part of the curriculum that teaches students pottery skills. The bowls have an additional use to raise awareness of local hunger and help address this issue by providing money and resources to the local food shelf.

All proceeds from this fundraiser benefit Interfaith Outreach and Community Partners and the suggested donation for the event is \$10.

Please join us as we celebrate art and fight hunger this Thursday, May 16 from 5 to 7 p.m. Enjoy some conversation with community members, have a bowl of soup and meet the student artists that created many of the bowls.

## **2013-2014 LEASE AGREEMENT**

THIS AGREEMENT is executed in multiple originals this 1st day of July, 2013, by and between Hopkins School District No. 270, referred to as the "Landlord", and Wayzata Public Schools, referred to as the "Tenant".

1. Leased Premises: Landlord, in consideration of the rents and covenants stated in this Agreement, to be paid and performed by the Tenant, does lease to the Tenant and the Tenant does lease from the Landlord, the following described premises situated at 835 Decatur Avenue North, Golden Valley, County of Hennepin, State of Minnesota, as follows:

**Office Space: entire remodeled office of the second floor (approximately 1258 square feet)**

2. Use: The Leased Premises shall be used by the Tenant solely for the following purposes:

**To provide for offices and meeting spaces of TENANT**

3. Term: To have and to hold said Leased Premises for a term of 12 months, commencing on the 1st day of July (hereinafter called the "Term") upon the rentals and subject to the conditions set forth in this Lease Agreement. Except as hereinafter provided, Landlord shall deliver possession of the Leased Premises in the condition required by this Lease on or before the date hereinabove specified for commencement of the Term, but delivery of possession prior to such commencement date shall not affect the expiration date of this Lease. Failure of Landlord, due to a holding over by a prior tenant or time required for construction or delays due to strikes, acts of God, or any other causes beyond Landlord's control, to deliver possession of the Leased premises by the date hereinabove provided, shall automatically postpone the date of commencement of the Term of this Lease and shall extend the termination date by periods equal to those which shall have elapsed between and including the date hereinabove specified for commencement of the Term hereof and the date on which possession of the Leased Premises is delivered to the Tenant and in such event, Landlord shall not be liable or responsible for any claims, damages, or liabilities in connection therewith or by reason thereof. Should the Term of this Lease commence on a date other than the date hereinabove specified for commencement of the Term, Landlord and Tenant shall execute a ratification agreement which shall set forth the final commencement and termination dates.

4. Rent: Tenant agrees to pay the Landlord as base rental (hereinafter called "Base Rental") for the Leased Premises, without notice, setoff or demand, the annual sum

- for 2012/13 **of Sixteen thousand six hundred eighty one and 08/100 dollars (\$16,681.08) at a monthly rate of One thousand three hundred ninety and 09/100 dollars (\$1,390.09),**

said monthly installments to be due and payable by Tenant in advance at the office of Landlord as set forth in this Lease Agreement or at such other place as Landlord may designate in writing. One monthly installment of rent shall be due and payable on the date of execution of this Lease Agreement by Tenant for the first month's rent and a like monthly installment shall be due and payable on or before the first day of each calendar month during the Term of this Lease Agreement, or any extension or renewal thereof.

In the event the commencement date falls on a date other than the first of a month, the rental for that month shall be prorated and adjusted accordingly.

5. Lease Hold Improvements: Tenant agrees to make no lease-hold improvements or alterations in the premises without first obtaining Landlord's written consent, which written consent shall not be unreasonably withheld. All improvements such as fire-rated carpeting and air conditioning which are affixed to the premises shall remain and become the property of the Landlord in the event of lease termination. Except as otherwise stated in this provision, the Landlord shall not be required to make any alteration or improvements in the leased premises.

6. Landlord's Covenant: The Landlord hereby covenants and agrees as follows:

- a. Furnish all necessary utilities for the proper functioning of the building, including heat, electricity, including electricity for window air conditioning units, water and sewer and to keep same in good repair.
- b. To provide maintenance and repair services for the leased premises and common areas, including ice and snow removal in accordance with its normal snow removal schedule.
- c. To enter the leased premises at all reasonable times and with minimum disruption for the purposes of inspection and to repair and correct all structural and other defects in the premises and equipment, fixtures, or appliances serving same.
- d. To provide a parking lot which will be available for use by the Tenant and others using the Center.

7. Tenant's Covenants: The Tenant hereby covenants and agrees as follows:

- a. Not to use or permit any activity upon said premises that will increase the rate of insurance thereon or anything that may be dangerous to life or limb.
- b. To provide a certificate of insurance covering its exposure to liability as set forth in Paragraph 8 of this agreement.
- c. Not to deface or injure the leased premises, or the building or surrounding grounds, or to overload the floors, or to do or permit anything to be done upon said premises, or in the building or surrounding area that will amount to or create a nuisance.

- d. Not to erect or permit to be erected on the exterior of the premises of the building any signs, and not to erect or permit to be erected within the interior of the building any sign without having first obtained the written consent of the Landlord. Such consent shall not be unreasonably withheld.
- e. Not to sublet the premises or any part thereof, nor to assign the lease or any interest therein nor to permit such lease to become transferred by operation of law or otherwise without first obtaining the written consent of the Landlord. Any assignment, sale in bankruptcy or insolvency of the Tenant may, at the option of the Landlord, be considered an assignment within the meaning of this lease and as breach of the covenants thereof.
- f. Not to waste nor to misuse water, electricity, heat, or any of the other utilities or services that shall be furnished by the Landlord.
- g. To notify Landlord immediately upon taking possession of or first using the premises or any equipment, plumbing, fixture, appliances and machinery therein, of any defects in the equipment, plumbing, fixture, appliance and machinery therein, otherwise such taking possession of the premises shall be conclusive evidence of the satisfactory condition of the premises and the equipment and other services servicing same.
- h. To quit and deliver up the premises to the Landlord peaceably and quietly at the end of the term of this lease or any previous termination for any cause in as good order and condition and state of repair, reasonable use and wearing thereof excepted, as the same now are or may be put into by Landlord or Tenant.

8. Landlord's and Tenant's Scope of Liability: Landlord and Tenant agree that Tenant shall obtain a policy of insurance providing Landlord and Tenant with coverage against liability resulting from the careless, negligent, or unlawful use of the leased premises by Tenant, its officers, agents, or employees and that the cost of such policy of insurance shall be paid for solely by Tenant. Such coverage will be in an amount not less than Three Hundred Thousand (\$300,000) Dollars per occurrence.

Landlord states that it has and will continue to require all other Tenants of the building to maintain public liability insurance providing such Tenants and Landlord with coverage against liability resulting from the careless, negligent, or unlawful use of the leased premises by each such Tenant, its officers, agents, or employees.

Landlord further states that it maintains and will continue to maintain during the term of the lease its own policy of public liability insurance providing coverage against liability resulting from the careless, negligent, or unlawful use of the premises by the Landlord, its officers, agents, or employees.

The Landlord shall not be responsible or liable to the Tenant for any injury or damage resulting from acts or omissions of third persons occupying property adjoining the leased premises or any part of the building of which the leased premises is a part, or for any injury or damage resulting to the Tenant or its property from bursting, stoppage or leaking of water, gas, sewer, or steam pipes, except where such loss or damage arises from the willful or negligent misconduct of the Landlord, its agents or employees or from the Landlord's failure to make the repairs which it is obligated to make hereunder.

9. Partial Destruction of Premises: Landlord and Tenant agree that if during the term of this lease the leased premises or the improvements thereon shall be injured or destroyed by fire or the elements, or through any other cause, so as to render the leased premises unfit for occupancy, or to make it impossible to conduct the business of the Tenant thereon, or to such an extent that the premises cannot be repaired with reasonable diligence within (30) days from the happening of such injury, then the Landlord may terminate this lease as of the date of such damage or destruction. The Tenant shall then immediately surrender the leased premises and all interest therein to the Landlord. The Tenant shall pay rent only to the time of surrender. In case of any such destruction or injury the Landlord may reenter and repossess the leased premises described in this lease, and may dispossess all parties then in possession thereof. But if the leased premises can be restored within sixty (60) days from the happening of the injury thereto, and the Landlord within fifteen (15) days from the occurrence of such injury elects in writing to so repair or restore said premises within sixty (60) days from the happening of the injury thereto, then this lease shall not end or terminate on account of such injury by fire or otherwise. In such event the rent shall not run or accrue from the date of such injury through the date of completion of such repairs, except that the Tenant shall during such time pay a pro rata portion of such rent apportioned to the portion of the leased premises which are in condition for occupancy or which may be actually occupied during such repairing period. If, however, the leased premises shall be so slightly injured by any cause aforesaid, as not to be rendered unfit for occupancy, then the Landlord shall repair the same with reasonable promptness, and in that case the rent shall not cease or be abated during such repairing period. All improvements or betterments placed by the Tenant on the leased premises shall, in any event, be repaired and replaced by the Tenant at its own expense and not at the expense of the Landlord. In the event that the Landlord shall fail to make the required repairs or to give the required notice as specified in this provision, the Tenant may, at its option, terminate this lease as of the date of such injury upon furnishing written notice to the Landlord of same. Such right to terminate by the Tenant shall exist from and after thirty (30) days from the date of injury if no notice of repair has been received or from sixty (60) days of date of injury should notice have been received; in either event, the repairs must not have been substantially completed.

10. Breach of Covenants: In the event of the breach by either party of a material covenant of this Agreement and if said breach is not corrected within thirty (30) days - ten (10) days for nonpayment of rent - after written notification to the other party of said breach, the non-breaching party may, at its election, terminate this Lease Agreement upon written notice. In addition to the other covenants contained in this Agreement, the Tenant shall be deemed to be in breach of this Agreement if the Tenant's lease hold interest shall be taken on execution or other process of law, or if the Tenant shall petition to be or be declared bankrupt or insolvent according to law, or if the Tenant shall vacate said premises or abandon same during the term of this lease.

In the event of a breach of this Agreement is not corrected, as above set forth, the Landlord may, at his election and upon written notice to the Tenant, declare this lease forfeited and void, and may thereupon reenter and take full and absolute possession of said premises as the owner thereof, and free from any right or claim of the Tenant, or any person or persons claiming through or under the Tenant; and such election and reentry last mentioned shall be and constitute an absolute bar to any right to enter by the Tenant upon the payment of all arrearages of rent and costs after a disposition under any suit or process for breach of any of the covenants of this lease, and the commencement by the Landlord of any action to recover possession of said premises aforesaid shall be deemed a sufficient notice of election of said Landlord to treat this lease as void and terminated, without the written notice above specified in this subparagraph.

Reentry by the Landlord and declaration of forfeiture shall not work a forfeiture of the rents to be paid and the covenant to be kept by Tenant for the full term of this lease, except that Landlord shall make a good faith and reasonable effort to re-let the leased premises and any monies received therefrom shall be applied to Tenant's rent obligations, provided that the reasonable expenses incurred by the Landlord in any such re-letting may be deducted from any monies received therefrom.

11. Termination of Lease: Tenant and Landlord agree to give the other party written notice three (3) months prior to the expiration of this Lease of its intention to vacate the premises or to demand vacation of the premises. Unless either party gives notice that the premises shall be vacated at the end of the lease term, or any extension by option thereof, the lease shall be extended for successive one-month periods commencing as of the date of the end of the Lease, or any extension by option thereof, and continuing until terminated upon a one-month written notice delivered to the other party. Rent payable during such period shall be at the same rate as that paid during the original term, or any extension by option, which rent shall be paid on a monthly basis. If for any reason the Tenant does not promptly vacate the premises at the end of the term, or any extension by option thereof, the Tenant agrees to pay the Landlord, for such time as elapses between the end of the term of the lease as same may be extended by this provision of the Agreement and the time when the Tenant actually vacates the premises, a pro rata rental equal to one and one-half (1-1/2) times the rent, provided to be paid during the term of the lease, if Landlord has previously given notice of termination.

12. Common Spaces: Common spaces include but are not limited to hallways, restrooms, building entry areas. In the event the TENANT occupies 100% of the facility, there will be no spaces considered to be common in nature.

13. Interpretation and Amendment: The terms of the Lease Agreement shall be interpreted in accordance with the laws of the State of Minnesota. The parties agree that no assent, express or implied, by the Tenant or the Landlord to any breach of any of the covenants or agreements contained therein shall be deemed or taken to be a waiver of any succeeding breach of such covenant.

This Agreement is binding upon the parties hereto and their successors in interest and it contains the complete agreement of the parties. This Agreement can only be amended in writing signed by both parties.

14. Real Estate Taxes: If the current tax exempt status on the leased property changes due to any tenant's occupancy, the Tenant shall pay all real estate taxes on said property and all payments required to be made in lieu of taxes, including payments required by Minn. Stat. 272.68, Subd. 3, and shall pay any expenses incurred in connection with such obligation.

The Landlord and Tenant have executed this Lease Agreement on the day and year first written, each party retaining an executed copy for its records.

**ITEM: A. Employee of the Month – May 2013**

**COMMENTS BY: Superintendent Anderson**

It is my pleasure to present the Wayzata Plymouth Creek Elementary School nominee for “Employee of the Month” for the Wayzata Public Schools, Mary Brandshaug.

Mary, or Mrs. B, has been a first grade teacher at Plymouth Creek for the last 15 years. She describes herself as a transitional teacher, as she began her career teaching with chalkboards, then overheads and now is using iPads. Although technology has changed, Mary’s reasons around teaching have remained constant. She is motivated daily by the students’ smiles, braids and bows, and morning bedhead. She knows each and every one of her students as individuals and accepts and appreciates all of their uniqueness. Mary also knows where each of her students’ needs are academically, and moves them to perform at their best. During the first weeks of school, Mrs. B’s room was infested with bees. She was able to keep all of the students calm and safe, and even grew to appreciate the new “classmates.”

Mary is a constant leader and role model not only for her students, but also for the staff at Plymouth Creek. We are pleased and honored to recognize Mary and all the efforts and talents that she brings to so many on a daily basis!

**3. CONTINENTAL MATH LEAGUE**

Continental Math League is a problem solving mathematical competition, which asks students to use advanced thinking to solve a variety of multi-step problems. Students participating in the Continental Math League in grades two through five work diligently on their math skills throughout the year to prepare for the six question, word problem challenge each month. Second and third graders take three tests, and fourth through eighth graders take five tests during the year. The scores are cumulative and those with the highest number correct are being honored tonight. At this time I'd like to ask Brenda Ferrens, Kimberly Lane Vision 21 teacher, to come forward and introduce the students.

Our students consistently score well in this nationwide competition and their problem solving skills and hard work throughout the year have earned medals. The following students scored the highest at their grade level.

Celebrating its 25th year, The **Minnesota High School Music Listening Contest** is an independent not-for-profit competition providing an ideal opportunity to enrich students' experiences with classical, ethnic, and popular music in a fun and competitive environment.

The contest is open to all Minnesota high school students, 9-12th grade, from public, private, home schools, or music studios. During the fall, students form teams of three; participants receive a study guide and repertoire compact discs that contain all the musical selections they will need to compete effectively. All teams participate in regional competitions throughout the state in January; first- and second-place teams from each region advance to the state competition in February.

The following students won second place at the state competition:
