ITEM: D. Designate MDE Authority

COMMENTS BY: Sarah Johansen, Board Vice-Chair

The Minnesota Department of Education’s External User Access Recertification System provides local education agency superintendents and directors with additional information and control over who has external access to MDE secure systems. The administration recommends that Superintendent Chace B. Anderson, and Director of Research and Evaluation Stacey Lackner, be renewed as “Identified Official with Authority” for the system. MDE has requested that this access be renewed by School Board vote annually.

RECOMMENDED ACTION: Renew Chace Anderson and Stacey Lackner as an “Identified Official with Authority” for the MDE External User Access Recertification System.

**Re: Wayzata Public Schools Outside Fiber Phase V - 2016
EDI Project No. 14-088**

Dear Mr. Phillips:

EDI has reviewed the Prime Contract bids submitted on June 23, 2015 for the Wayzata Public Schools Outside Fiber Phase IV-2016 project, and recommends that Wayzata Public Schools retain the lowest qualified bidder for the work submitted by Castrejon Inc., 9201 Isanti Street NE, Blaine, MN 55449.

In telephone conversations with Castrejon on March 24th, it is our understanding that they are confident that they have submitted a complete and accurate bid with all items included for the project. From our questions and communications, we believe that their bid reflects the work identified in the Construction Documents.

Castrejon has extensive experience working throughout Plymouth and Wayzata and based on our conversations we believe that they have adequate experience working on projects of this size and complexity. They have the ability to start immediately and meet the project schedule and the contractual obligations outlined in the project manual.

If you have any questions or comments regarding this recommendation or require any additional information, please feel free to contact us at your convenience.

Sincerely,

Engineering Design Initiative, Ltd.

AGENDA SECTION: Employee of the Month: Emily Haugh
COMMENTS BY: Sarah Johansen

Wayzata High School's Employee of the Month is Emily Haugh, math teacher at Wayzata High School.

New to Wayzata High School this year is the addition of an Academic Resource Center that is open to students before, during and after school. Students may utilize the "ARC" for such things as test or assignment makeup or additional academic support. Emily has played an integral role in making the ARC an excellent resource for our students.

We have several teachers who have contributed to the success of the ARC but the amount of time and dedication Emily puts into the ARC is really what made her stand out. She works tirelessly to provide students the tools they need regardless of the class or subject, creating a warm and friendly learning environment. She approaches her work with an incredible amount of energy and always portrays a "can do" attitude. We are very lucky to have her at Wayzata High School.

Congratulations, Emily.

AGENDA SECTION: Employee of the Month: Dawn Johnson
COMMENTS BY: Sarah Johansen

Wayzata High School has named English teacher Dawn Johnson as its Employee of the Month. Dawn joined Wayzata High School in 2009 and worked in a variety of roles before becoming a full-time member of the English department in 2014.

Dawn provides lessons that not only teach her students' valuable academic skills, but also skills to be successful people. She is committed to continuous learning and strives to reach each and every student in her class.

One of Dawn's colleagues recently said, "She is one of the most caring, conscientious teachers I know. She puts students first and does whatever she can to help them, including volunteering after school with the tutoring program. If you want to know how students feel about her, just look at all of the notes and cards on her desk. They will tell you everything you need to know. She treats staff the same way-- always willing to help by lending an ear and sharing a kind word."

Congratulations, Dawn!

AGENDA SECTION: SUPERINTENDENT'S REPORTS AND RECOMMENDATIONS

ITEM: Finance and Business Services

COMMENTS BY: Jim Westrum, Exec. Director of Finance and Business Services

Monthly Financial Reports

Enclosed for School Board review and information are the following financial reports as of February 2016:

- Student Activity Fund Report
- Investment Summary
- Analysis of Financial Reports
- Statement of Revenues
- Statement of Expenditures

No School Board action is required.

ANALYSIS OF FINANCIAL REPORTS For the month ended February 29, 2016

Statement of Revenues:

This report reflects revenue received by the month end noted above. Items noted are as follows:

- Starting in Fiscal 2015, the Minnesota Department of Education did not borrow from the School District for prior fiscal years therefore repayment of those moneys was unnecessary.
- Community Service Fund revenue in 2015 was lower than the other two years due to a delay in receiving nonpublic pupil aid in that fiscal year.
- Alternative Facilities, Construction, and Technology Fund increased significantly compared to other years due to recording the transfer of tax levy funds from the General Fund in January of this year while in prior years this entry was made later in the year.
- Interest earnings are reflected in the Building Construction Fund. The investments have been held since the May 2014 proceeds were received.

Statement of Expenses:

This report reflects actual expenditures paid and does not include outstanding encumbrance balances. Overall expenditures are in line with prior years with the exception of the following:

- The General Fund expenditures are in line with prior years through the month of February except in the following areas.
 - Supplies & Materials budget in Fiscal 2014 specifically related to carryover funds was updated later in the year compared to the other years.
 - Capital Expenditures, in July 2013, the District purchased a portion of the Elm Creek Golf Course in anticipation of expansion needs at the High School. This capital expenditure was reimbursed upon the May 2014 receipt of the related bond proceeds.
 - Other expenses reflect the transfer of tax levy funds to the Alt. Fac, Const and Tech Fund as noted above.
- Alt Fac, Const and Tech Fund's fluctuation is due to the timing of projects which vary from year to year.
- A construction budget is not reflected for the Building Construction Fund due to projects spanning over multiple fiscal years. For Fiscal 2016 only, the District adopted a budget for salary and related benefit expenditures. Construction began in Fiscal 2015 and the schools are targeted to open Fall 2016.
