ITEM: Employee of the Month

COMMENTS BY: Nathan Flansburg, Associate Superintendent

WPS Employee of the Month - October 2022

Carrie Freeman
Office Paraprofessional – Meadow Ridge Elementary

Meadow Ridge is pleased to nominate Carrie Freeman, office paraprofessional, as the October Wayzata Employee of the Month.

When Meadow Ridge opened in 2016, Carrie was an active parent, serving on the PTO, and a dedicated volunteer. In 2017, she was hired as the front office paraprofessional and has been an integral part of our community ever since.

As a former science teacher, Carrie understands what “school life” is like from an insider’s perspective. She knows that when teachers are happy, students are happy. She is the first person with whom visitors interact, and she ensures that it is always positive. Visitors are put at ease as she assists them with the sign-in system and directions to where they are going.

It was during the 2020 shutdown when Carrie earned the title of “Copier Queen.” To keep everyone safe, she became the only person who could touch the copier, and that continues to this day. Wouldn’t you know it, her positivity rubbed off on the copier as well, as it rarely goes down anymore! When it was time for the copier to be replaced last year, Carrie made sure it got a proper goodbye, complete with balloons and a cake. It’s the little extras she dreams up that affect the culture in such a positive way.

Nominators had this to say about her:

She goes "above and beyond" to support teachers and complete her work. She always has a positive attitude and treats others with respect. Carrie is incredibly hard working, efficient & does EVERYTHING with a smile! She is such an asset to our community. She does so much for all the teachers to make sure our classrooms can run smoothly, and is always so quick with everything in the office and so willing to help!

In addition, she manages attendance and lunch count, mail, laminating, phone calls, students coming to the office, and always seems to know when we need a little fun, which often includes cake.

We are so grateful for all Carrie does and how her positivity influences the office and the entire building. You are Meadow Ridge!

ITEM: Resolution Providing for Open Enrollment Non-Resident Agreement for 2023-24

COMMENTS BY: DeeDee Kahring, Executive Director of Finance & Operations

Resolution Providing for Open Enrollment Non-Resident Agreement for 2023-2024

According to Minnesota Statute 124D.03, Subdivision 2, a Board may, by resolution, limit the enrollment for nonresident pupils in its schools or program to a number not less than the lesser of:

- 1) One percent of the total enrollment at each grade level in the district; **or**
- 2) The number of district’s residents at that grade level enrolled in a non-resident district.

Administration recommends the following open enrollment guidelines:

- Limit open enrollment in grades K-12 to maintain a minimum of 1% of the class size.
- In accordance with state law, offer and accept enrollment to kindergarten students with a currently enrolled sibling **or** has a parent who is currently employed by the District. The 2023-2024 kindergarten students will be placed at an elementary school that has anticipated capacity.
- District will accept up to five additional siblings beyond the 1% limit at each grade level of either a currently enrolled student **or** children of District staff. The student will be placed at schools with anticipated capacity.
- If the required minimum number of open enrolled students is not met with siblings and/or children of employees, then a lottery will be executed to reach the minimum number to satisfy the one percent of open enrolled students per grade requirement.

Recommended Action: Adopt the resolution for open-enrollment non-resident agreement for 2023-24
