Garland Independent School District Board of Trustees

Date of Meeting: November 16, 2006

Agenda Item: First Reading-Board Policies

Agenda Section: Discussion

Administrator Responsible: John W. Washington
Assistant Superintendent
Student Services and Community Relations

Summary/Background Information:

The following revised policies are submitted for first reading

FB(Local) Equal Education Opportunity
FNC(Local) Student Rights and Responsibilities: Student Conduct

Administrative Recommendations:

Provided for your consideration only.

EXPLANATORY NOTES FOR FB(LOCAL)

TASB recommends some changes in this policy. The new first paragraph affirms the superintendent's broad responsibility as the district's chief executive officer to ensure compliance with antidiscrimination laws and sets the context for the two exceptions—for Title IX (prohibiting discrimination on the basis of sex) and Section 504 (prohibiting discrimination on the basis of disability)—for which the district has specifically delegated responsibility to others.

The names, positions, addresses, and telephone numbers shown are consistent with Policy Service records. There is a correction in the name of the coordinator of Section 504.

The section regarding COMPLAINTS has been revised to include a pointer to FFH(LOCAL) where policies governing reports and investigations of allegations of prohibited harassment, including sexual harassment, may be found. Such harassment may constitute unlawful discrimination.

At RECORDS RETENTION, we have added a provision on retention of reports alleging discrimination or prohibited harassment (including sexual harassment), investigative reports, and related records. Federal law specifically requires retention of such records; the district will find these records essential in responding to complaints filed with the Office for Civil Rights and in responding to litigation brought by the complainant.

At PARENTAL CONSENT, on page 2, we have added the parental consent requirement commonly affirmed in OCR letter rulings.

Please note that the section on “no pass, no play” exemptions, previously on page 2, has been deleted because Section 504 students must meet the regular academic standards in order to be eligible for extracurricular activities.

RE: Compliance Reporting on Highly Qualified Teachers

Attached is a chart that displays the progress that Garland ISD has made in reaching the mandates of the No Child Left Behind (NCLB) federal legislation in the area of Highly Qualified (HQ) teachers in all core academic subjects.

The goals of NCLB were to have the percentage of teachers listed below meet or exceed the Highly Qualified (HQ) criteria by the end of each school year:

- 80% meet the criteria by the end of 03-04
- 90% meet the criteria by the end of 04-05
- 100% meet the criteria by the end of 05-06

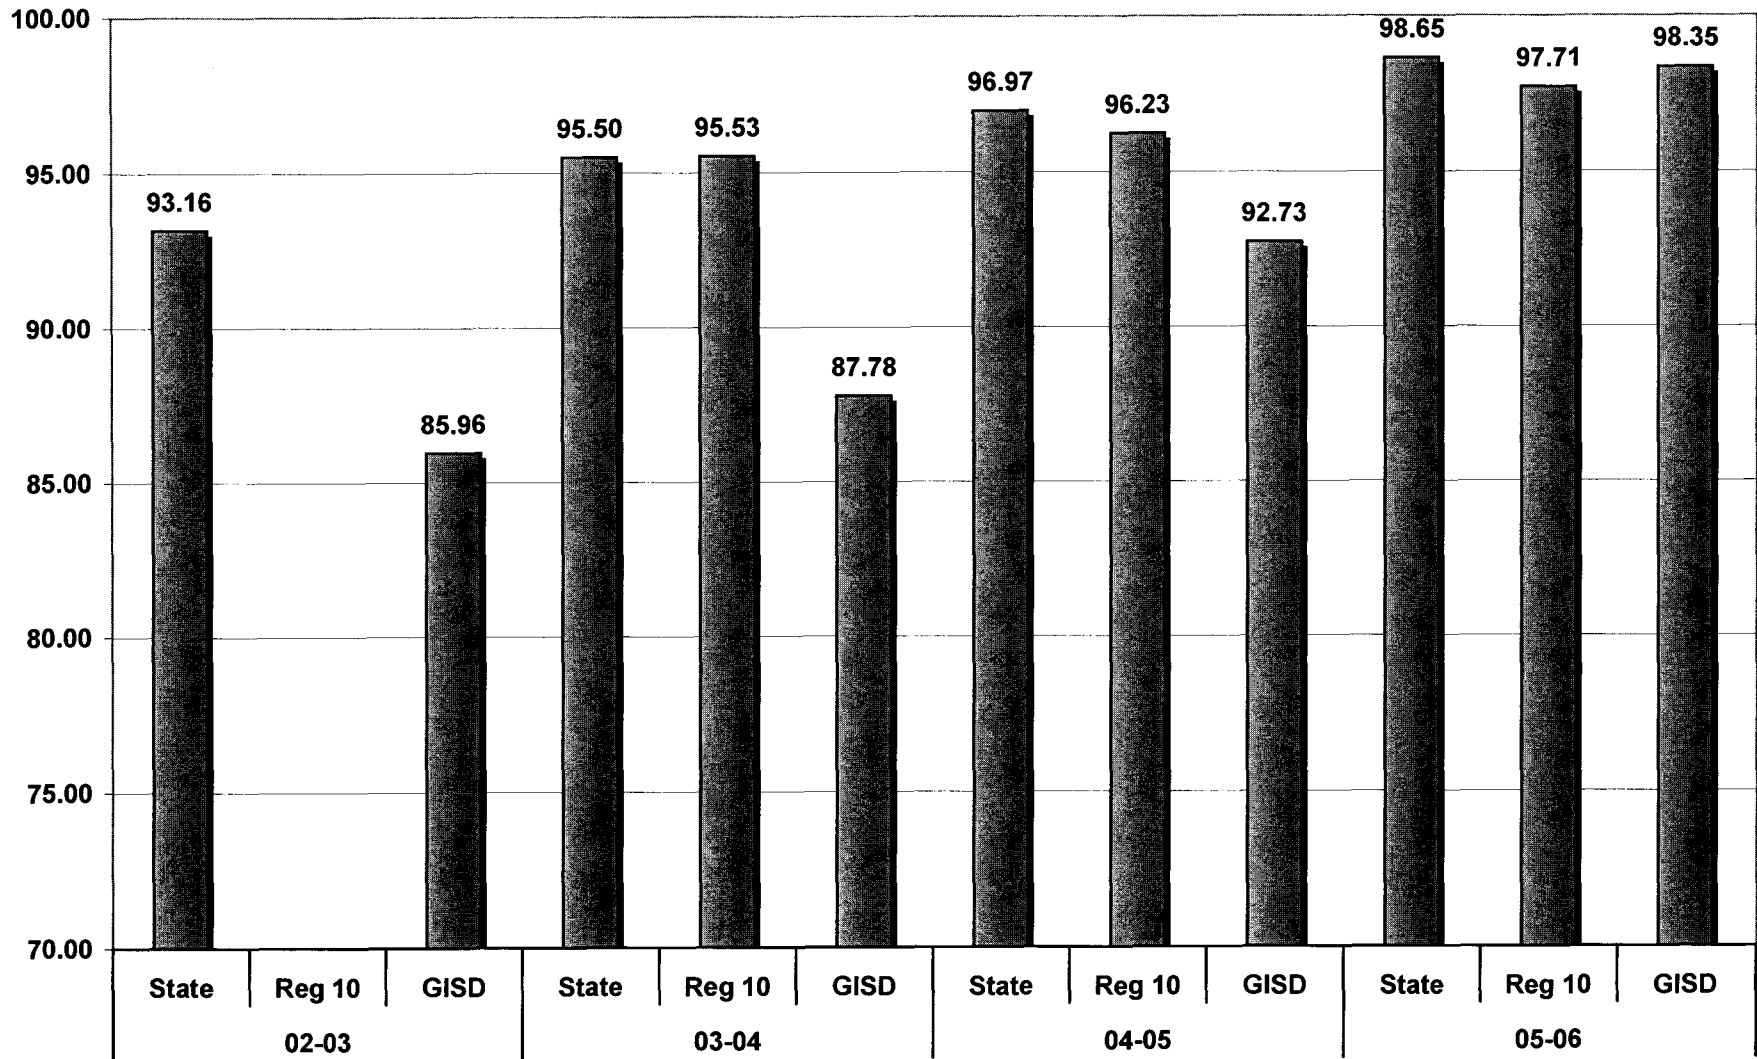

The 02-03 school year listed on the chart was the baseline the year before the NCLB went into effect.

As can be seen in the chart, Garland ISD met or exceeded the NCLB criteria in 03-04 and 04-05. We are slightly below the criteria listed for the 05-06 year, but we are above the Region 10 average and only .30 below the state average for last year.

The U.S. Department of Education has extended the 100% compliance deadline until the end of the 06-07 school year.

Our staff is committed to meeting the criteria established in NCLB. We have made significant progress toward that end.
