VIII. Discussion Items

VIII.A. Wellington Facility

Discussion:

Fire Department is having a safety space issue and the need to move to a new location is upon them. They will need to move vehicles to a different location as they are getting another truck.

They are looking for a location with slower traffic and easy access, and the option for expansion down the road.

Dwight Coleman is not opposed to a new Fire Hall but he is not in favor with the area around the Wellington football field. Dan Thompson agrees that the fire department has outgrown its current location and the location near the library does not allow for additional growth.

Dan Reeves asked if the east side of the Jaycee Hall was available. Nick Schultz had asked on that location and they were opposed as they were thinking about expansion themselves.

JD Reeder agrees that the Fire Department is in need and that the location at the Wellington Football field is the best one available. His concern is the landscape design for water/snow removal.

Dirk Haarberg spoke for the Building committee and said the entire field would have to be utilized and not just the 150 feet the city is asking for. How would we replace the moving of the facilities we would need to move if we are just to donate the land? Jeff Olsen is not in favor of piecing the property off.

Chad Yaw came up with the idea of an interlocal agreement, and the facilities would be maintained by the City.

No bid requirement is needed for us to sell a partial piece of land according to the City Council.

The City Council felt they needed to move into executive session for further discussion on the purchase of the property.

VIII.A.1. Executive Session

Motion Passed: Move into executive session with the City Reps, Dwight Coleman, John Arterburn, Chad Yaw, Dan Thompson, Jr. Reeder, Josh Wendell, Nick Schultz, Doug

VIII.C. 2012-2013 NESAS Test Results

VIII.D. Possible lease of 2 one acre parcels of land owned by the school district

Discussion:

Mike Hodges showed the school that we owned 2 1 acre parcels were deeded back to the school in 1892. The current owner which is the Green family has been paying the taxes on it since they owned it.

5 year lease with a 2 year option. We have been offering people \$20/acre.

They would offer us \$50/acre for the 5 years.

The school board decided to give Dr. Schoeppey permission to deed the land to the surrounding landowners upon legal consultation.

Activities Director's Report

Gym Floor- Finished and looks good. The first Volleyball practice was on Wednesday afternoon September 21st. We needed to give it a full week to set-up before we allowed anyone on the floor. The high school practiced the first two days at the Wellington Gym. We are going to need the bleachers worked on and have the wheels replaced.

Fall Sports are up and going. We have 36 out for football and 20 out for Softball. Volleyball has 24 out. Cross Country has 6 HS girls, 11 HS boys and 6 JH athletes participating. The teams are off to a great start to the season.

We have a busy night tonight with a Junior Varsity double header and C, JV, and Varsity with Wray, CO.

The Chase County Cross Country Invitational is this Thursday with 13 teams participating.

Football is at Sidney this week.

Leslie Nordhausen is helping with Junior High volleyball this year and we have 27 out for the team.
