**VI. Reports**

**VI.A. Activity Director** Discussion: Cross Country Districts is this week in Grant on Thursday with Perkins County hosting. The district meet will begin at 3:00 PM with Varsity Girls and then Varsity Boys. SPVA Volleyball Tournament is Saturday at Sutherland this Saturday October 18th. Chase County is the #1 seed and will play Perkins County the #8 seed at 9:00 AM Mountain Time. Scheduling the lower level games continues to be a challenge as enrollment numbers drop at surrounding schools. We have had two Junior Varsity Football games canceled due to injuries. (Wray, CO and Holyoke, CO) We have also missed out on opportunities with lower level volleyball and JH football and volleyball. The bleachers have continued to provide some issues coming all the way out and getting put back in. We have needed to provide assistance in getting them out. I am hoping to finish the volleyball season on October 28th and see if we can get them looked at before basketball season gets going. I have called Norcon in Aurora, Colorado to see if they are able to come out and look at them. They were not sure if they can work on them in Nebraska. They are going to let me know if this is a possibility.

**VI.B. Principals** Discussion: Region V Principal's meeting (Sept. 17th)

\*Information from Mike Dulaney and Dan Ernst

- a. Legislative update: 11 new lawmakers coming in this year, as well as a new governor.
- b. Education funding is a concern
- c. Retirement will be an issue coming up. Changes to the retirement plan for future generations are very possible.
- d. Charter schools will be back on the table. Pete Ricketts will push for charter schools.
- e. Ag. land values are too high, something will be attempted to address the issue. If agricultural land value goes down, it will greatly impact education funding. School Law Conference in Kearney (Sept. 24th) There were six sessions at the School Law Conference in Kearney. The sessions were interesting, yet at times frustrating to listen to. The first session pertained to Cell Phone Searches for Schools. The bottom line is: The Supreme Court have ruled in two cases related to the search and seizure

of cell phones in gang related crimes. The court has ruled 54 and 63 respectively that cell phones are "a little different". There is so much "personal" information on a cell phone. The search of a cell phone is bigger than searching a house. Phones have every aspect of a person's life on it. Translation: Police need a warrant to search a cell phone. Schools cannot search cell phones.

Another interesting session was the Social Media Update. Does anyone know who Nash Grier is? He has the most followed Vine account in the world, over a billion followers. Today's youth identify online celebrities as being more popular/noticed compared to people such as LeBron James. Youth today see actors/actresses as intelligent people who can save/change the world. Some of the apps presented to the group and possible dangers are:

- a. Vine users post and watch looping 6 second video clips. Potential issues: full of inappropriate videos nudity, drug use, etc.
- b. Kik messenger app based, alternative to standard texting Potential issues no message limits, character limits or fees. Allows communication with strangers who share kik.
- c. Yik Yak free, location aware app that allows users to post/view "anything and everything" anonymously via brief posts. \*posts distributed to geographically nearest 500 people who are also signed in "intimate".
- d. Maskerade Main-Yik Yak competitor. Shares posts and photos within your area. Same function as Yik Yak.
- e. Whisper confessional app post whatever is on teen's mind, paired with an image. Anonymous, often sexual in nature confessions of desire. Dark content depression, substance abuse.

PLC Sessions for teachers at Trenton and who attended. 9/22/14 K12 Music Mrs.Strand, Mr. Hayes 9/23/14 K12 Art Mrs.Zuege 10/6/14 K12 P.E. Mr. Lenner's \*Teachers that have attended the PLC workshops in Trenton have said they are very valuable sessions. Some teachers said they wish the sessions could be longer. Sessions run from 9:00 a.m. to 2:00p.m. CST. RETURN TO LEARN (October 8th) Jamie Garner presented to the K12 staff Return to Learn: Bridging the Gap from Concussion to the Classroom. Information included in the presentation: What is a brain injury, signs and symptoms of a concussion, and recommended best practices for Nebraska schools. As a result of the Nebraska Concussion Awareness Act, each school is to develop a protocol for students returning to the classroom. We are in the process of creating a school wide protocol for concussed students returning to the classroom and field of play.

Mrs Stewart

I. Parent/Teacher Conferences this week and Title One Parent Informational Meeting  
II. Elementary Assembly--a celebration of student success and learning Mrs. Sorensen, Mrs. Fortkamp and Ms. Liess's students presented. The students had an inspirational presentation on making good choices and bully prevention

III. Completed updates on the Lockdown Protocol. The students were informed of the plan through the school counselors. The safety program, called Safety Pup, was presented by the local police department.

IV. The ELL school improvement committee will meet on October 16. Mr. Hansen reported to me that there are 94 ELL students this year. 71 in the elementary, 10 junior high school, 13 high school. Required service for 31 elementary students, 5 junior high students and 6 high school students. New students that are ELL are: 11-K, 1- 1st, 1-2nd, 3-3rd, 1-4th, 3-5th, 1-6th, 1-7th, 3-8th, 1-10th.

V. Title One School Improvement Action Plan

VI. Mrs. Waggoner's bullying prevention curriculum action plan has been approved as meeting all components as described in the ASCA National Model for School Counseling.

VII. Tim Brown In-Service was held on Oct. 13 The Professional Learning Community Process: Creating Schools With High Expectations

VIII. Adequate Yearly Progress Report, Letter to Parents.

IX. Return to Learn: Bridging the Gap from Concussion to the Classroom

**VI.C. Student Board Member** Discussion: Jessica Hartman had nothing to report.

**VI.D. Superintendent** Discussion: Working on finishing up with the audit. Looking into having teachers work together one day per week will be looked at for the following year during the calendar committee. Dr. Schoeppey is going to Bridgeport for a Superintendent meeting on Wednesday, October 15, 2014. We are utilizing the city to collect garbage on Tuesdays and Thursdays. We will closely monitor to ensure the amount of waste is being hauled off in a proper time frame. Two board members will attend the NASB meeting along with Dr. Schoeppey. The new route bus has an arrival date in December and the additional bus in January.

# Activities Director's Report

Fall sports is over and Winter is up and going. We have already had two Junior High wrestling meets Sutherland and Hershey. (17 students participating)

Winter Sports have started conditioning this week and will start practice next Monday on November 17th. Preliminary numbers for High School- 27 Girls Basketball, 31 Boys Basketball, 15 wrestlers, and 28 for One Act with crew members included.

I attended the NSIAAA the conference the last three days in Kearney. The conference went well and there was a lot of great information. Some of the topics included at the conference.

Chris Loofe, Millard West High School presented on Social Media

Jody Redman, Associate Director Minnesota State High School League presented on "Why We Play" and the potential to provide a deep and lasting positive impact on the students who participate.

Karen Haase, Attorney at Law presented on Social Media, Bullying and Sexual Harassment.

The District 5 Meeting is in McCook tomorrow Wednesday November 12 at 12:00 MST. We will be looking at and voting on upcoming proposals. There are not a lot of major issues to be voted on.

Elementary Principal's Report Susie Stewart, November 12, 2014

I.ELL and Migrant family event was held on Nov. 6 at Chase County School, There were twelve parents and about fifteen children.

## II. Professional Development

RTI team leaders went to Des Moines Iowa for an intensive professional development seminar for RTI. Goals have been set: Teachers will establish essential learning standards, provide common assessments and use student friendly, I can, statements and learning goals. Teacher teams will be collaborating to achieve these goals for student learning.

Elementary teachers will participate in a professional development training with team leaders on essential standards and common formative assessment to check for students' understanding of what they are learning. Teachers will take collective responsibility for student learning.

More Powerful Than Poverty, What can be done to close the learning gap?

- rigorous learning goals
- common formative assessment
- corrective feed back
- response to intervention
- self efficacy (When a child believes they can succeed, they will succeed.
- Concentrated instruction-a process of identifying essential knowledge and skills students must master to succeed, while addressing what to do when they don't learn.

# Four Essential Guiding Principles

RTI at Work is defined by four essential guiding principles:

1. Collective responsibility is a shared belief that the primary responsibility of each member of the organization is to ensure high levels of learning for every child.
  2. Concentrated instruction is a collaborative process that focuses teacher teams on the skills and knowledge most important to the student and his or her future.
  3. Convergent assessment is an ongoing process of collecting targeted information to add depth and breadth to the understanding of each student's individual needs, obstacles, and points of learning leverage.
  4. Certain access is a systematic process that guarantees every student will receive the time and support needed to learn at high levels.
- <http://www.youtube.com/v/W26g073Tu2U>
  - Fourth grade teachers attended narrative writing seminar and are working to improve student learning for six traits writing. These teachers will share their learning at our staff meeting.

III. Elementary assembly will be held on Nov. 21 to show case student learning. Awards will be presented to students for lunchroom positive behavior, positive character traits, and academic achievement.

IV. Teacher evaluations are started and will continue, during the months of November. Nebraska Framework for Effective Teaching was referred to for this year's evaluation and teacher reflection.

V. Veteran's Day program was held for elementary students.

VI. National Young Readers Week Nov. 10-14. November 17, Mrs. Stewart will take the principal's challenge to read to students all day.

VII. Art Students learn about famous artist. Wyland is an internationally recognized mural artist based in Hawaii. His work focuses on marine conservation -murals, sculpture, paintings and drawings. Ms. Tomaso had the opportunity to meet with Wyland a few times now. Amazing speaker, very kind man, great with kids! They light up when he's around.

The Art Challenge is a national contest open to schools across the country. We were given a mural canvas (1 of 100 given to schools across the country) to complete this project. The theme this year is "Water is Life", looking at water conservation. For our submission this year I will be photographing and sending individual designs and our completed mural. The winning mural will receive \$250 for art supplies and a grand prize signed Wyland artwork.

On a similar note, Ms. Tomaso has officially submitted our school for the NCCAS (National Coalition for Core Arts Standards) Model Cornerstone Assessment Pilot Program. Will hopefully hear back soon if our school has been accepted.

VIII. I attended the Award ceremony for Mrs. Schuller, PE Teacher of the Year, and I attended the Honor Choir performance at Lincoln.
