Speaker(s): Board
President

After I graduate mid-term, I intend to continue my education in the fall of 2023 at Southeast Community College in Lincoln or Central Community College in Grand Island to get my associate's degree in drafting.

My plan after graduation is to resume work to save money for my future education. I know that graduating a semester early has its advantages and disadvantages. For example, an advantage would be able to work and save some money. This means that I can start earning a full week's salary earlier. A disadvantage would be that I will miss some parts of my senior year. I will also miss the teachers who have helped me to this date. As much as I want to graduate, I understand that I will be a bit stressed with the classes that I have to complete before my midterm graduation.

The next goal that I want to achieve after I graduated mid-term is to help my parents re-build their home back in Mexico. I know this goal is a bit more personal but I want to return all the favors my parents have done for me in order for me to continue my education. Even though I can't do it all at once, I want to return every single favor they did for me. I will work day and night to be able to accomplish my career and my parent's goals.

Preparing for a great finish...

"You can't finish what you don't start and you should never start what you're not committed to finish!" - Gary Ryan Blair

6 weeks...it is what we are down to and it is going to be blur. So many activities going on but many opportunities to make ourselves better. As we move toward the end, we start to look forward to the next year as well.

We have started strong, we have built upon that and we continue to move forward with the momentum we have. We are committed to making our district the best, pushing our students to being their best while making our staff bring their best! Looking forward to finishing this 6 weeks strong and setting our goals for the upcoming year.

Our two goals for this quarter as a staff:

1. Preparing for our next steps for the next school year
2. Making sure our students want to come to school each day

- In a pump sprayer, fill w/ Enviro Care to the necessary application on the product label with water.

- Do not over saturate.
- Thoroughly hose and neutral the Enviro Care solution using warm water with a postulated sector or self contained extractor with a necessary fan.
- Follow to properly treat the Enviro Care can result in preheating of the turf.
- Allow drying and venting, allow the turf to dry.

Questions Continued

1. Head maintenance has said that he would be willing to take out the area of rubber needed. Would the installation cost go down a little bit or is this possible?

-After communicating this to Joe, in order to produce the highest quality outcome our preference would be to have the professional take care of everything. The turf area has to be cut perfectly straight because the turf will be right up against the edge. If it was just taking out a full shot of rubber seam to seam then it's no big deal, but it has to be measured, chalk lined, straight edged and knifed straight up and down so there's no bevel to the edge of the rubber. Then all the glue gets scraped away.

2. Was the turf in these quotes the better of the two we have talked about?

- This is a 12mm nap speed & agility turf with 5mm rubber underlayment. It is the best product for this particular situation due to pile height matching the existing rubber.

3. Was this the turf with lines as well?

There are no lines and adding them will almost double the cost.

4. Just out of curiosity how much would the logo run?

-As mentioned lining or placing a logo on the turf will most likely double the overall cost. Very expensive. To run a quote we will need the logo you want in a high-res print-ready format for the factory to produce a graphic art rendering. We would most likely need another month to receive the final specifications from them.

5. Do you know how much the once yearly solution costs? Please see attached cost estimate for a gallon of EnviroCare which is very economical. There are 6 applications for your size turf area, you could probably afford to deep clean the turf every 6 months.

Shelby-Rising City Schools
Secondary Board Report
May 11, 2022, 7:30 pm

1. Inventure Day- April 11th- Our 8th grade students attended Polk County Inventure Day at Cross County. Students completed a Pre-Assessment lesson prior to April 11th over the type of group role that would fit them best. Students worked in groups throughout the day to design and present a business idea. Judges evaluated and handed out prizes for the best ideas. The majority of the feedback from the students was positive and they really enjoyed the day.

2. Senior Service Project- April 14th- Seniors completed the required service project by helping at The Salvation Army. Seniors assisted in the making of pins and goodie bags for an upcoming Easter event at the nearby park. Seniors also assisted with cleaning the facilities, including the gym and vehicles as well as cleaning up around the building. They did a great job and the folks at The Salvation Army were very appreciative!

3. Middle School NSCAS Testing- Students in grades 6-8 completed NSCAS testing on April 21st and 22nd. Students were tested in the areas of ELA, Math, and Science. We were able to share individual results with students. Cut scores will not be set for science until later this summer. We will be able to share more data after the embargo is lifted.

4. Senior Signing Day- This was held on Monday, April 25th. Mrs. Voss did a great job with this event! Each senior was provided the opportunity to sign if they were going into the workforce or going to a 2 or 4 year college. Great recognition for each senior and very neat for the student body to see what is ahead of them.

5. Grading Committee- The committee met on April 26th in an effort to make progress on our grading belief statements. We split into two group (K-5, 6-12) and focused on paraphrasing statements in each area (late work, behavior, zeros, feedback, etc.). Everyone felt it was a very beneficial session and we will meet again on May 19th to really dig into the belief statements, which will then be presented to the entire staff in August.

6. April Husky Recognition Rally- Our last Husky Recognition Rally was held on Monday, May 2nd and it was a great rally! We celebrated our Middle School Speech participants as they had a great first season. We also celebrated members of our band and vocal programs as many of them had a great District Music Contest. Our April Students of the Month were announced and our monthly PBiS drawing was held. Students were also encouraged to give their best effort on upcoming MAP testing and rock the tests!

Student Council also announced the name of our new Husky mascot. The old mascot duked it out against the new mascot and the new mascot came out on top! The new name is Hercules the Husky!

April Students of the Month

Front Row (left to right): Emma Svoboda (9th), Charlotte Slusarski (6th), Noah Thelen (7th)
Back Row (left to right): Aiden Zimmerman (10th), Lillian Weddle (11th), Kenny Pearson (8th), Hunter White (12th)

7. Spring MAP Testing- All 6-11 grade students completed assessments in the areas of Reading, Math, Language Usage, and Science on Wednesday, May 4th and Thursday, May 5th. We put an incentive on the table for the students to try to encourage them to give their best effort. We still have a few students that need to complete all 4 tests. Looking at the initial numbers, we are going to have a difficult time reaching the incentive goal.

If 60% or higher of the students meet or exceed their RIT goal in 3 out of the 4 assessments we will have a noon dismissal on May 18th for all students. If 80% or higher of the students meet or exceed their RIT goal in 3 out of the 4 assessments, there will be no school for all students on May 18th, making May 17th the last day of school.

8. Senior Trip- The Seniors went to The Mark in Omaha on May 4th. A big thank you to Mr. Stewart and Mr. Trofholz for chaperoning the trip. Class funds paid for bowling, laser tag, arcade games, food and drink. It sounded like it was a great class trip!

9. Staff Appreciation Week- Last week was Teacher and Staff Appreciation Week. Different things were planned for each day. A big shout out to the parents who donated food for lunch and the SRC Grind for providing everyone a coffee and treat. We appreciate everything our staff does for each other and our students! It was a fun week!

BOE Meeting: May 11th, 2022

Neither an end nor a beginning...

"Year's end is neither an end nor a beginning but a going on, with all the wisdom that experience can instill in us."

- Hal Borland

As we approach the end of the year, this quote stuck out to me. We have had many great things happen throughout the year and we have had a few things that stunk. These are great learning experiences that we can

take into the next school year and continue to improve as a team.

I want to continue to stride to have all of our staff that it takes all of us. There is no hierarchy our eyes and it doesn't matter what your position is but we all represent the logo and name across our chest. It will continue to take a group effort to continue to reach our goals. It has been an amazing year and we continue to move forward. I'm excited to use what we learned this year to help move us to bigger and better things!

Our two goals for this quarter as a staff:

1. Preparing for our next steps for the next school year
2. Making sure our students want to come to school each day

NASBO Conference in Lincoln coming up (April 20th-22nd)

This was a great opportunity to attend and learn more about the inner workings of budget, legislation and networking with other districts. I really enjoyed listening about the LB that came through and talking with Dr.

Dulaney of NCSA personally about some concerns about future bills and when to have teacher trained or proper documentation in. We will see how June plays out.

SEARCHES, SEIZURES AND ARRESTS

School district property is held in public trust by the board. School district authorities may, without a search warrant, search students or protected student areas based on a reasonable and definable suspicion that a school district policy, rule, regulation or law has been violated.

The search shall be in a manner reasonable in scope to maintain order and discipline in the schools, promote the educational environment, and protect the safety and welfare of students, employees and visitors to the school district facilities. The furnishing of a locker, desk or other facility or space owned by the school and provided as a courtesy to a student, even if the student provides the lock for it, shall not create a protected student area and shall not give rise to an expectation of privacy with respect to the locker, desk, or other facility.

School authorities may seize any illegal, unauthorized or contraband materials discovered in the search. Items of contraband may include, but are not limited to, nonprescription controlled substances, marijuana, cocaine, amphetamines, barbiturates, apparatus used for controlled substances, alcoholic beverages, tobacco, weapons, explosives, poisons, stolen property and dangerous objects as defined in Policy 504.11. Such items are not to be possessed by a student without specific permission of the building principal while they are on school district property or on property within the jurisdiction of the school district; while on school owned and/or operated transportation; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and welfare of the school district.

Possession of such items will be grounds for disciplinary action including suspension or expulsion and may be reported to local law enforcement officials. The board believes that illegal, unauthorized or contraband materials may cause material and substantial disruption to the school environment or presents a threat to the health and safety of students, employees, or visitors on the school district premises or property within the jurisdiction of the school district.

The superintendent or building principal shall only release minor students into the custody of a law enforcement officer upon presentation of a court order or warrant for the student's arrest, or under conditions for temporary custody of a juvenile without a warrant as provided by state statutes.

The principal or designee will attempt to notify the parent/guardian or responsible relative prior to the student's release and the place to which the student is reportedly to be taken, except in cases of child abuse.

It shall be the responsibility of the superintendent, in conjunction with the administrative team, to implement this policy.

SUSPENSION AND EXPULSION OF STUDENTS

The authority to suspend for a "short term" and to propose an "extended term" suspension and/or expulsion is delegated to the principal or his or her designee. A short-term suspension shall mean the exclusion of a student from school attendance for a period not to exceed five school days. A long-term suspension means the exclusion of a student from school attendance for a period exceeding five school days but less than twenty school days.

The provisions of this section apply to all pupils enrolled in the school district. When considering possible courses of action for special education students in regard to alleged violations of school rules, policies, and regulations, procedural due process rights guaranteed under applicable Federal and State statutes are applicable. The school district is obligated to see that every special education student is provided an appropriate educational program without cost to the parent. Conversely, schools are not required to maintain pupils who are a danger to themselves or others in regular attendance centers.

Suspension from classes or school will not be carried out unless the student while subject to school authority:

1. uses violence, force, threat or intimidation in a manner causing substantial interference with school purposes; or
2. causes or attempts to cause substantial damage to school or private property or steals or attempts to steal school or private property of substantial value; or
3. causes or attempts to cause physical injury to another person except in self-defense; or threatens or intimidates any student for the purpose or intent of obtaining something of value from the student; or
4. possesses or transmits any firearm, knife, explosive or other dangerous object that is ordinarily considered a weapon; or
5. engages in the unlawful possession, selling, dispensing, or use of a controlled substance or an imitation controlled substance, as defined in section 28-401, a substance represented to be a controlled substance, or alcoholic liquor as defined in section 53-103 or being under the influence of a controlled substance or alcoholic liquor; or
6. commits public indecency as defined in Nebraska statute 28-806 if that student is at least twelve years of age but less than nineteen years of age; or
7. commits or attempts to commit sexual assault against any person if a complaint has been filed by a prosecutor alleging the incident as required in Nebraska statute 79-267.8; or
8. engages in bullying as defined in section 79-2,137; or
9. engages in any other illegal activity which constitutes a danger to other students or interferes with school purposes; or
10. repeatedly violates the policies, rules and standards of student conduct established by the district.

Approved _____ Reviewed _____ Revised _____

A given suspension will be for a period of time not to exceed 5 school days. A student will be informed of the charges against him or her and, if the student denies them, an explanation of the evidence will be given and the student will be given an opportunity to refute the charges. No time delay is necessary between the time a pupil is notified of the charges and the time of the hearing before the principal.

Guidelines to ensure that students are afforded due process during a suspension or proposed suspension from school will be developed. The procedural rules, regulations and guidelines will be approved by the Board of Education and made known to students, parents and school staff.

Every report of alleged violations of student conduct policies that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing student conduct investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of student conduct policies.

Administrative procedures complying with the Student Discipline Act shall also be in place to ensure due process to the student should the principal decide to administer a long-term suspension, expulsion, or mandatory reassignment.

Emergency Exclusion: Any student may be excluded from school in the following circumstances:

- 1) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
- 2) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Such an emergency exclusion shall be based upon a clear factual situation warranting it and shall last not longer than is necessary to avoid the dangers described above.

If the emergency exclusion will be for five days or less, the procedures for a short-term suspension shall be followed. If the superintendent or his or her designee determines that such emergency exclusion shall extend beyond five days, a hearing will be held and a final determination made within ten school days after the initial date of exclusion. Such procedure shall substantially comply with the procedures set forth in state statutes 79-266 to 287 for a long-term suspension or expulsion and be modified only to the extent necessary to accomplish the hearing and determination within this shorter time period.

The principal should make a reasonable effort to contact the parent(s) or guardian(s) of a suspended student by telephone or to communicate to them directly regarding the specific

act(s) for which the suspension is ordered and the length of the suspension. If personal contact cannot be made then a notice will be mailed to parents within 24 hours stating the specific act(s) for which the suspension is ordered and the length of the suspension.

All records and documentation regarding suspension will be destroyed within three years of the student's continuous absence from school. No information regarding a suspension will be communicated to any person not directly involved in the disciplinary proceedings.

The right of appeal to the Board of Education in cases involving student suspension described in this policy does not extend to a suspension from a student extracurricular activities program or other disciplinary action affecting participation in an extracurricular activities program.

For the purposes of this policy and as defined in the Student Discipline Act, expulsion shall mean exclusion from attendance in all schools within the district for a period of time as defined in Nebraska statute 79-283.

Students may be expelled for violations of board policy, school rules or the law. It shall be within the discretion of the administrator to discipline a student by using an expulsion for a single offense or for a series of offenses depending on the nature of the offense and the circumstances surrounding the offense.

The superintendent will develop procedural rules, regulations and guidelines governing expulsions. These shall be approved by the Board of Education and made known to students, parents and school staff. The principal shall keep records of all expulsions.

All cases of expulsion shall be preceded by short-term suspension and its related procedures or by the condition of emergency exclusion which applies only when a student (a) has a dangerous communicable disease transmissible through normal school contacts and poses an immediate threat to the health and safety of the school community; or (b) exhibits conduct which presents a clear threat to the physical safety of himself/herself or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

When a student is expelled, the student shall be provided with:

1. Notice of the standard of conduct allegedly violated, acts the student is alleged to have committed and a summary of the evidence to be presented against the student;
2. The penalty, if any, which the principal has recommended in the charge and any other penalty to which the student may be subject;
3. A statement that the student has a right to a hearing, upon request, on the specified charges;

4. A description of the hearing procedures, along with procedures for appealing any decision rendered at the hearing;
5. A statement the principal, legal counsel for the school, the student, the student's parent or representative or guardian has the right;
 - A. to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct and;
 - B. to know the identity of the witnesses to appear at the hearing and the substance of their testimony;
6. A form on which the student or the student's parent/guardian may request a hearing.

Violations of Law Relating to Suspensions or Expulsions

1. Student violations or suspected violations of Nebraska law will be reported to law enforcement as soon as possible. Conduct to be reported for law enforcement referral includes conduct that may constitute a felony, conduct which may constitute a threat to the safety or well-being of students or others in school programs and activities, and conduct that the legal system is better equipped to address than school officials. Student violations of school policy that are not apparent violations of law will be addressed by school administrators without reporting them to law enforcement. Administrators should consider the student's maturity, and known behavioral, emotional or mental disorders, if applicable. It will be the responsibility of the referring administrator to contact the student's parent that a referral to legal authorities has been or will be made, if applicable.

On or before August 1 the school board will annually review the reporting guidelines above with the County Attorney. These shall be distributed to all parents and guardians and their students at the beginning of each school year, or at the time of enrollment if during the school year. The guidelines shall also be posted conspicuously in each school during the school year.

2. Except in instances of suspected child abuse, when a principal or designee releases a minor student to a law enforcement officer for the purpose of removing the minor from the school premises, immediate steps shall be taken to notify the parent, guardian, or other relative having control of the minor about the minor's release to the officer and about the place to which the minor is reportedly being taken. In cases of suspected child abuse, the principal or designee will provide the law enforcement officer with the address and telephone number of the minor's parents or guardian.

Supplemental to these procedures, a special education student must be provided with additional procedures. A determination should be made of whether the student is actually guilty of the misconduct. A staffing team should determine whether the student's behavior is caused by the student's disability and whether the conduct is the result of inappropriate placement. Discussions and conclusions of this meeting should be recorded.

COMPULSORY ATTENDANCE

Any child who will reach six years of age prior to January 1 of the current year and who has not reached eighteen years of age shall meet the requirements of mandatory school attendance. Any such child shall attend the academic program on a regular basis, unless a written request to drop the child from the school rolls is made by the parent, guardian or other person having charge, control or custody of the child.

Any child of mandatory attendance age must by law regularly attend a public, private, denominational, parochial school or a combination of such schools not less than the entire school term of the school(s) which the child attends. This does not apply to a child who has obtained a high school diploma or received a General Equivalency Diploma, completed the program of instruction offered by a non-accredited or non-approved school, has reached the age of 18, or who is at least 16 years old and whose parent or guardian has withdrawn the child from school in the manner prescribed by state statute.

Excusal from the "full-time" requirement of the compulsory education law can be granted by the superintendent for a child between 14 and 16 years of age having completed the work of the eighth grade when legal employment due to necessity has been obtained by the student and such a request has been made by a parent/guardian.

Withdrawal To Age 6

The parent/guardian of any child who will not reach six years of age prior to January 1 of the current school year and who is enrolled, may discontinue that enrollment according to procedures provided by the district.

Minimum Age

The district shall admit any child into kindergarten if:

1. the child will reach the age of five years on or before July 31, or
2. the child will reach the age of five years by October 15, and;
 - a. the parent provides an affidavit stating that the child attended kindergarten in another district, or
 - b. the family will be relocating to another district that allows admission within the current year, or
 - c. the child can demonstrate through recognized assessment procedures approved by the board his/her capability of carrying the work of the beginner grade. Each school board shall approve and make available a recognized assessment procedure for determining if a child is capable of carrying the work of kindergarten.

Approved _____ Reviewed _____ Revised _____

The district will use the Developmental Indicators for the Assessment of Learning (DIAL-4) to meet the requirement for a recognized assessment procedure to determine if a child not 5 years of age on or before October 15 of the current year is capable of carrying the work of kindergarten. The board shall update these procedures as the board deems appropriate.

Early Withdrawal at Age Sixteen

A person who has legal or actual charge or control of a child who is at least sixteen years of age may withdraw the child from school if an exit interview is conducted as required below, or if a signed notarized release form is filed with the Commissioner of Education as required by law for a child enrolled in a school that elects not to meet accreditation or approval requirements.

The exit interview shall be conducted at the time and place selected by the superintendent or the superintendent's designee upon receiving the written request of any person who has legal or actual charge or control of a child who is at least sixteen years of age if the child is enrolled in a school operated by the school district or resides in the school district and is enrolled in a private, denominational, or parochial school.

The exit interview shall be personally attended by:

- The child, unless the withdrawal is being requested due to an illness of the child making attendance at the exit interview impossible or impracticable;
- the person who has legal or actual charge or control of the child who requested the exit interview;
- the superintendent or the superintendent's designee;
- the child's principal or the principal's designee if the child at the time of the exit interview is enrolled in a school operated by the school district; and
- any other person requested by any of the required parties who agrees to attend the exit interview and is available at the time designated for the exit interview which may include other school district personnel or the child's principal or such principal's designee if the child is enrolled in a private, denominational, or parochial school.

At the exit interview, the person making the written request shall present evidence that the person has legal or actual charge or control of the child and that the child would be withdrawing due to either:

- a) financial hardships requiring the child to be employed to support the child's family or one or more dependents of the child, or
- b) an illness of the child making attendance impossible or impracticable.

The superintendent or superintendent's designee shall identify all known alternative educational opportunities, including vocational courses of study, that are available to the child in the school district and how withdrawing from school is likely to reduce potential future earnings for the child and increase the likelihood of the child being unemployed in the future. Any other relevant information may be presented and discussed by any of the parties in attendance.

At the conclusion of the exit interview, the person making the written request may sign the withdrawal form provided by the school district agreeing to the withdrawal of the child or may rescind the written request for the withdrawal.

Any withdrawal form signed by the person making the written request shall be valid only if:

- a) the child signs the form unless the withdrawal is being requested due to an illness of the child making attendance at the exit interview impossible or impracticable, and
- b) the superintendent or superintendent's designee signs the form acknowledging that the interview was held, the required information was provided and discussed at the interview, and, in the opinion of the superintendent or the superintendent's designee, the person making the written request does in fact have legal or actual charge or control of the child and the child is experiencing either:
 - 1) financial hardships requiring the child to be employed to support the child's family or dependents of the child, or
 - 2) an illness making attendance impossible or impracticable.

STUDENT ATTENDANCE RECORDS

As part of the school district's records, the daily attendance of each student shall be recorded and maintained on file with the permanent records of the district. The district will collect information pertaining to secondary attendance at the beginning of each period to calculate the same to the nearest one-fourth (1/4) day. For the elementary students, attendance shall be collected on a daily basis and calculated to the nearest one half (1/2) day.

It shall be the responsibility of the principals to ensure that such reports contain all information required by law and are filed with the administrative office.

ADDRESSING BARRIERS TO ATTENDANCE

Regular attendance by the students at school is essential for students to obtain the maximum opportunities from the education program. Parents and students alike are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center. This policy, developed and annually reviewed in collaboration with the county attorney for the district's principal office location, is an attempt to address the barriers to student attendance. This policy shall include a provision indicating how the district and the county attorney will handle cases in which excessive absences are due to illness and shall state the circumstances and number of absences or hourly equivalent upon which the school shall render all services to address barriers to attendance.

Any superintendent, principal, teacher, or member of the school board who knows of any violation of the state school attendance laws (79-201) shall report that violation to the school attendance officer within 3 days.

The superintendent shall designate an attendance officer. The attendance officer will immediately investigate the report of any child who may be in violation of the state's compulsory attendance statutes.

1. Excessive Absence:

- 1.1 It shall be the policy of the district to report as truant any student enrolled in the district for exceeding the number of non-school excused absences as defined in the student handbook. For purposes of this policy, such reporting shall not be required of any student who is at least 18 years of age at the time excessive absenteeism occurs. The term "excessive absenteeism," as used herein, shall mean non-school excused absences that exceed eight (8) days cumulatively per semester year or the hourly equivalent.
- 1.2 Students are subject to disciplinary action for excessive absenteeism including suspension and expulsion. It shall be within the discretion of the principal to determine, in light of the circumstances, whether a student may make up work missed because of non-school excused absences. Disciplinary action for students receiving special education services will be assigned in accordance with the goals and objectives of the student's Individualized Education Program.
- 1.3 For any semester in which the number of non-school excused absences exceeds eight (8) days or its hourly equivalent, the Superintendent or his/her designee shall see that services which shall include, but not limited to, the following are provided to the student and his/her parent or guardian:
 - 1.3.1 Verbal or written communication by school officials with the person or persons who have legal or actual charge or control of any child; and
 - 1.3.2 One or more meetings between a school attendance officer, school social worker or other person designated by the school administration if such school does not have a school social worker, the person who has legal or actual control of the child, and the student to address the barriers to attendance. The result of the meeting or meetings shall be to develop a collaborative plan to reduce barriers identified to improve regular attendance. The plan shall consider, but not be limited to:
 - 1.3.2.1 Illness related to physical or behavioral health of the child;
 - 1.3.2.2 Educational counseling;

- 1.3.2.3 Educational evaluation;
 - 1.3.2.4 Referral to community agencies for economic services;
 - 1.3.2.5 Family or individual counseling; and
 - 1.3.2.6 Assisting the family in working with other community services.
- 1.4 The school may report to the county attorney of the county in which the person resides when the school has documented the efforts it has made as required by statutes, that the collaborative plan to reduce barriers identified to improve regular attendance has not been successful, and that the child has been absent more than twenty days per year. The school shall notify the child's family in writing prior to referring the child to the county attorney. Illness that makes attendance impossible or impracticable shall not be the basis for referral to the county attorney.
- 1.5 The superintendent shall report to the Commissioner of Education as directed by the commissioner regarding the number of and reason for any long-term suspension, expulsion, or excessive absenteeism of a student; referral of a student to the office of the county attorney for excessive absenteeism; or contacting of law enforcement officials other than school resource officers by the district relative to a student enrolled in the district. The superintendent shall report annually to the Commissioner the required data for the number of students who have dropped out of school.

2. Hearing for the Habitually Absent

- 2.1 The parent or guardian may request a hearing. If a hearing is requested, the recommendation of expulsion will be delayed until the hearing process has been exhausted. The request for a hearing must be submitted, in writing, to the building principal within five (5) school days from the date of receipt of notice of intent to recommend expulsion.
- 2.2 The building principal must schedule the hearing within ten (10) school days of receipt of request for a hearing.
- 2.3 A hearing committee will be formed by the Principal.
- 2.3.1 The hearing committee will consist of the following:
 - 2.3.1.1 The Building Principal
 - 2.3.1.2 The Guidance Counselor
 - 2.3.1.3 Two (2) teachers, who have the student in class during the current semester.
- 2.4 The hearing committee, after hearing all information presented by the student, parent and involved teachers has the following options:
- 2.4.1 Recommend to the Superintendent to continue with the filing of the intent to expel with the Board of Education.
 - 2.4.2 Recommend to the Superintendent to withdraw the intent to expel.
- 2.5 The hearing committee must reduce its finding to writing and submit a copy of the finding to the student, the parent and or guardians, and the Superintendent within five (5) school days of the conclusion of the hearing.

3. Appeal of the Finding of the Hearing Committee

- 3.1 The student or his parents may appeal the finding of the hearing to the Superintendent. The request for a review of the finding must be made in writing and presented to the Superintendent within five (5) school days from receipt of receiving the findings of the Hearing Committee.
- 3.2 The Superintendent will review the minutes of the Hearing Committee, the written comments of the students and his/her parent, and other pertinent information. The Superintendent will reduce his/her finding to writing and mail a

copy of the finding to the student, parent, and the Hearing Committee within five (5) school days from receipt of the request for a review of the finding of the Hearing Committee.

- 3.3 If the Superintendent determines that the absences were unnecessary, the Superintendent will file the intent to expel with the board at the next scheduled board meeting.
- 3.4 The student and/or parent may ask to be on the board agenda for the purpose of appealing the finding of the Superintendent.
- 3.5 The decision of the board will be final.

GRADUATION REQUIREMENTS 2020 Amendment

Class of 2020 Graduation Requirements

Grading and Class Promotion

Course grades and promotion for the Class of 2020 are determined by local school board policies and not by state requirements. The District has latitude in determining what grades to award, if any, for coursework and what coursework is required for credit.

Alternate Learning Environments, Changes in Instruction, and Graduation

Some students in the Class of 2020 may fall in the following categories regarding graduation credits:

- Students who currently have attained the district graduation requirements, which include the state-required credits.
- Students who have completed the state-required graduation credits but have not completed all the district requirements. Local options may include:
 - Local school boards could decide to modify district policy to grant a high school diploma.
 - Local school boards could determine that coursework currently completed is sufficient to award credit for the district-required graduation credits.
 - As part of a Continuity of Learning Plan, districts could provide additional learning opportunities that students could complete in an alternate learning environment to meet district requirements/credits for graduation.
- Students who have not met the minimum state-required graduation credits but were on track to meet those requirements through current coursework prior to entering an alternate learning environment. Local options may include:
 - Local school boards could determine coursework currently completed is sufficient to award credit for the state-required graduation credits.
 - As part of a Continuity of Learning Plan, districts could provide additional learning opportunities students could complete in an alternate learning environment to meet state-required graduation credits.
- Students who are further behind in meeting high school graduation requirements and who would not have been able to meet the state graduation requirements with the normal coursework currently taken prior to the end of the 2019-20 school year. Local options may include:
 - As part of a Continuity of Learning Plan, districts could provide targeted educational opportunities for these students and consider summer educational opportunities to complete coursework.

Requirements Related to American Civics (Nebraska Revised Statute 79-724)

The requirements within Nebraska Revised Statute 79-724 took effect on September 1, 2019, and the NDE considers 2019-2020 a transition year for implementation. Even so, opportunities may exist in an alternate learning environment to meet requirements within 79-724.

- If a district intends to administer the civics portion of the U.S. Citizenship and Immigration Service Naturalization Test, students are required to take the test twice - once prior to completing 8th grade and a second time prior to completing 12th grade. It may be possible for seniors to complete the second testing in an alternate learning environment. For example, the University of Nebraska High School is offering “Citizenship 101” for free (non-credit), and it prepares students to take the naturalization test at the completion.
- For districts that intend to have students attend/participate in a meeting of a public body OR complete a project/paper and class presentation as outlined in 79-724, those requirements may also be met in an alternate learning environment.
- For questions related to these requirements, contact Cory Epler (cory.epler@nebraska.gov).

IDEA Considerations

Graduating with a regular high school diploma or reaching the maximum age of eligibility both result in termination of a student's eligibility for Special Education (IDEA) services. Procedurally, the student's Individualized Education Program (IEP) team must meet to review the student's status and issue the appropriate coding for the student, specifically 210 or 211 as described in the ADVISER Data Elements Manual, a reasonable time before the student's eligibility is terminated. These meetings may be held via the telephone or through a virtual platform (e.g. Zoom, Google, etc.) and should include the student (if possible). The school district must also provide the student with a summary of performance prior to graduation or ending services because of age. Some IEP teams may have already provided a Notice of Graduation or Notice of Ending Services Due to Age to certain students. As this is an issue of IDEA eligibility, the Nebraska Department of Education recommends that school districts make every effort to complete these steps in a timely manner. For questions related to these requirements, contact Amy Rhone (amy.rhone@nebraska.gov).

COUNTY OF POLK
SCHOOL DISTRICT 32
% SUPT OF SCHOOLS
PO BOX 218
SHELBY, NE 68662

Dear COUNTY OF POLK:

We have made a preliminary calculation of the Employer Shared Responsibility Payment (ESRP) that you owe.

Proposed ESRP \$8,437.50

Our records show that you filed one or more Forms 1095-C, Employer-Provided Health Insurance Offer and Coverage, and one or more Forms 1094-C, Transmittal of Employer-Provided Health Insurance Offer and Coverage Information Returns, with the IRS. Our records also show that for one or more months of the year at least one of the full-time employees you identified on Form 1095-C was allowed the premium tax credit (PTC) on his or her individual income tax return filed with the IRS. Based on this information, we are proposing that you owe an ESRP for one or more months of the year.

You generally owe an ESRP for a month if either:

- You did not offer minimum essential coverage (MEC) to at least 95% of your full-time employees (and their dependents) and at least one of your full-time employees was certified as being allowed the PTC; or
- You offered MEC to at least 95% of your full-time employees (and their dependents), but at least one of your full-time employees was certified as being allowed the PTC (because the coverage was unaffordable or did not provide minimum value, or the full-time employee was not offered coverage).

This letter certifies, under Section 1411 of the Affordable Care Act, that for at least one month in the year, one or more of your full-time employees was enrolled in a qualified health plan for which a PTC was allowed.

Based on this certification and information contained in our records, we are proposing that you owe an ESRP of \$8,437.50.

What you must do

Review this letter carefully. It explains the proposed ESRP and what you should do if you agree or disagree with this proposal. You must tell us whether you agree or disagree with the proposed ESRP by the Response date on the first page of this letter.

The following items are included:

- An explanation of the employer shared responsibility provisions in Internal Revenue Code (IRC) Section 4980H, which are the basis for the ESRP. See **About the ESRP**;
- An **ESRP Summary Table** itemizing your proposed ESRP by month;
- An **Explanation of the ESRP Summary Table**;

CONSULTING SERVICES AGREEMENT

This Consulting Services Agreement ("Agreement") is made by and between First National Capital Markets, Inc. ("Company") and **Polk County School District 72-0032 (Shelby-Rising City Public Schools)** ("Client") effective _____, _____, 2021 (the "Effective Date").

Whereas, Client desires to purchase and Company desires to provide certain services ("Services").

Now therefore, in consideration of the mutual covenants and promises hereinafter set forth, the parties agree as follows:

1. SERVICES; SOWS; RELATIONSHIP OF PARTIES

During the term of this Agreement, Company will provide Services to Client from time to time as requested by Client. The specific scope of Services to be provided and other details of each project, including staffing expectations, schedule and financial terms, shall be separately documented in each instance in a Statement of Work ("SOW") generally in the form attached hereto as Exhibit A. In the event of any inconsistency between the terms of this Agreement and the terms of a SOW, the SOW shall control. Company's sole compensation shall be as set forth in the applicable SOW.

Company shall at all times be an independent contractor of Client. Neither Company nor any of Company's employees or subcontractors shall be considered employees or agents of Client for any purpose. Company shall be solely responsible for the payment of all salary and benefits to its employees or subcontractors, including but not limited to workers' compensation and unemployment compensation benefits, retirement plan and health plan benefits as adopted by Company from time to time, withholding and reporting of income and payroll taxes, and compliance with immigration and form I-9 requirements.

Company shall determine the specific employees or independent contractors to engage as consultants on projects for Client. If at any time Client has reasonable grounds to object to the placement or continued placement of any individual, Client shall so notify Company and the parties shall consult on a mutually acceptable resolution. If the parties cannot agree on a mutually acceptable resolution within ten (10) business days, Client reserves the right after consultation with Company to require Company to remove the affected individual from Client's premises, provided that no such removal may be based on the individual's race, color, religion, gender, age, national origin, or other legally prohibited basis, including disability if the individual can perform the essential functions of the job with reasonable accommodations. After such removal, the Client will cease being billed for such personnel, and Company shall replace such individual within fifteen (15) business days of such removal upon request by Client.

2. TERM AND TERMINATION

This Agreement will begin on the date set forth above and continue until terminated as provided elsewhere in this Agreement. The commencement date of each project shall be defined in the applicable SOW.

Either party may terminate this Agreement (and all SOWs then operating under this Agreement), or may terminate any specific SOW without terminating this Agreement or other SOWs, for any reason in their sole discretion by providing two (2) weeks' written notice to the other party. Client shall be responsible for payment for all services rendered on or before the effective date of termination. In the event of a material breach of this Agreement by either party, the other party may terminate this Agreement and all SOWs then operating under this Agreement upon five (5) business days' notice to the other party specifying the breach, if the breach is not fully cured to the terminating party's reasonable satisfaction within three (3) business days after the date of the notice.

3. PAYMENT FOR SERVICES

Unless otherwise provided in the applicable SOW Company shall submit itemized invoices to Client on a monthly basis for Services as they are performed. Company shall not invoice Client more than 45 days after Company performs the Services, and if Company does issue such an invoice, Client shall not be obligated to pay it. If expense reimbursements are permitted: (i) the invoice shall be accompanied by supporting receipts or other documentation, as required by Client's corporate expense reimbursement guidelines; and (ii) they shall be reimbursed only to the extent reasonable and necessary in the opinion of Client, and shall be invoiced at cost, without markup. Prices are exclusive of applicable sales taxes which shall be separately itemized on each invoice. If Company's compensation is stated as an hourly rate, Company's invoice must be supported by weekly time sheets signed by an authorized representative of Client. Unless otherwise set forth in the applicable SOW, Company shall not be entitled to any increased rate of compensation due to performance of Services on an overtime basis or on weekends or holidays. Company is solely responsible for all applicable taxes on compensation due hereunder and other taxes (such as, but not limited to, property and excise taxes, taxes on net income, capital or net worth, social security taxes and unemployment insurance), all of which are Company's responsibility. Invoices shall be due and payable in a payment for determined by Client net thirty (30) days after Client's receipt of an undisputed invoice, provided that Client has received the applicable Services and they conform to the applicable SOW. Within thirty (30) days after Client's request, Company will integrate with Client's System, and Company will utilize such Client's System during the term of this Agreement for ordering and invoicing activities in connection with this Agreement. Company will bear any and all costs associated with the foregoing.

4. WARRANTIES

Company warrants that (a) Services provided by Company shall be completed by qualified personnel in a professional and workmanlike manner, in accordance with current industry standards and with reasonable care; and (b) Services will conform to specifications referenced in the relevant SOW and will be provided to the reasonable satisfaction of Client. Company makes no other warranties, express or implied, including but not limited to warranties of merchantability or fitness for a particular purpose.

5. LIMITATION OF LIABILITY

In the event of a breach of this Agreement by Company or any other circumstances giving rise to potential liability from Company to Client, if any such liability is established, Company's liability shall be limited to Client's direct economic damages not to exceed the amount of fees paid by Client to Company pursuant to the specific SOW under which the acts or omissions giving rise to liability occurred. Company will not be liable to Client for any indirect, incidental, consequential or punitive damages or lost profits, or for any liability from Client to any third party.

6. CONFIDENTIAL INFORMATION AND PROPRIETARY RIGHTS

Each party: (a) agrees to protect and maintain in confidence any information that it may obtain from the other party during the term of this Agreement or any SOW; (b) shall use such information solely for the purposes contemplated by this Agreement and any SOW(s) and shall not rent, sell, lease, transfer, provide or otherwise disclose such information to any third party except as required by applicable law or regulation; (c) shall take all reasonable steps to protect the confidentiality of such information, in no event using a standard of care less than the same standard used to protect its own confidential information; and (d) shall give access to such information only to those employees who have a need to know in connection with the performing that party's obligations under this Agreement or any SOW. Upon request by the disclosing party, the receiving party shall promptly destroy such information or return such information to the disclosing party in the same format as such information was provided. To the extent that Company is permitted to retransmit any information it receives from Client, the mode of retransmission must be at least as secure as the mode by which Client transmitted the information to Company. The confidentiality obligations in this section do not apply to information that: (i) is, at the time of disclosure or thereafter becomes, through no act or omission of the receiving party, a part of the public domain; (ii) was in the receiving party's lawful

possession without an accompanying secrecy obligation prior to the disclosure; (iii) is hereafter lawfully disclosed to the receiving party by a third party without an accompanying secrecy obligation or breach of any duty or agreement by which such third party is bound; or (iv) is independently developed by the receiving party. Notwithstanding if such information is or becomes lawfully in the public domain, Company shall maintain according to this section the confidentiality of any information which includes the identities of Client's consumers. This section shall not be deemed to prohibit disclosures: (A) required by applicable law, regulation, court order or subpoena; or (B) to auditors or regulators. Breach of this section shall give rise to irreparable injury, inadequately compensable in damages. Accordingly, the disclosing party may seek injunctive relief against the breach or threatened breach by the other in addition to such legal remedies as may be available, including the recovery of damages.

Except as set forth in a SOW, any and all work product and deliverables produced under this Agreement ("Work Product") shall be the sole and exclusive property of Client, and Company shall not have any right, title, interest or license therein. Company agrees that any and all inventions, works of authorship and other intellectual property (collectively, "Intellectual Property") conceived, developed, originated, or reduced to practice by Company or under Company's direction under this Agreement or pertaining to Work Product shall be the sole, exclusive and complete property of Client, whether as a work made for hire or otherwise. To the extent, if any, that Company may have right, title or interest in or to such Work Product and Intellectual Property, Company hereby assigns and conveys the same to Client in its entirety. Company agrees, at no additional charge, to execute all applications or registrations for patents and copyrights and all other instruments and to otherwise cooperate as reasonably requested by Client to effectuate this Section. Company further agrees promptly and without prior request to disclose to Client all such inventions, works of authorship and other Intellectual Property conceived, developed, originated, or reduced to practice by Company or under Company's direction. Notwithstanding the foregoing, all rights in the methodology, layout, structure, sequence, organization, summary, calculation, or other tools which may be used by Company to produce Work Product are owned exclusively by Company ("Company IP"). To the extent that any such Company IP is incorporated into the Work Product Company hereby grants to Client an irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to use, execute, reproduce, copy, display, perform, distribute copies of, and modify and prepare derivative works based on such preexisting work or know-how and any derivative works thereof and to authorize others to do any or all of the foregoing. The foregoing shall not be deemed to preclude Company from using generalized ideas, concepts, know-how, processes and techniques learned during the course of an engagement and retained only in non-tangible, non-electronic form, provided that Company does so without violation of its confidentiality and privacy obligations contained herein.

7. APPLICABLE LAW; VENUE

This Agreement shall be construed and enforced according to the laws of the state of Nebraska. Jurisdiction and venue for any legal actions between the parties arising under this Agreement shall be exclusively in any state or federal court of competent jurisdiction located in Douglas County, Nebraska, to which exclusive jurisdiction and venue the parties hereby mutually consent.

8. NOTICES

All notices and other communications required or permitted under this Agreement will be in writing, addressed to either party at its address set forth below, and will be deemed effectively delivered (i) upon personal delivery, (ii) upon receipt from a courier service as confirmed by written verification of receipt, or (iii) five (5) days after deposit in the U.S. mail, postage prepaid, by certified or registered mail. Either party may change its address for such communications by giving an appropriate notice to the other party in conformity with this section.

10. NON-EXCLUSIVITY

This Agreement shall not be construed to prohibit either party from entering into an agreement with third parties to offer or obtain similar services.

11. SEVERABILITY

Each provision of this Agreement is severable from all others. If any provision of this Agreement is determined to be invalid or unenforceable by a court of competent jurisdiction, the provision shall be deemed modified only to the extent necessary to render it valid and enforceable and all remaining provisions of this Agreement will remain in full force and effect.

12. WAIVER

The failure of either party to enforce any right or provision in this Agreement shall not constitute a waiver of such right or provision unless acknowledged and agreed to by such party in writing. No waiver shall be implied from a failure of either party to exercise a right or remedy. In addition, no waiver of a party's right or remedy will affect the other provisions of this Agreement.

Activity Director Report: June 2022

1. K-8 Volleyball Camp – July 13-15
2. K-8 Football Camp – July 25-29
3. Jr. Golf Camp @ Ryan Hill – Aug 2-3
4. Student Activities handbook changes (in bold):

IN ORDER TO PRACTICE OR PARTICIPATE IN ANY ACTIVITY HELD OUTSIDE OF SCHOOL HOURS, THE STUDENT MUST BE IN ATTENDANCE ALL DAY ON THE DAY OF THE ACTIVITY. THE ONLY EXCEPTION TO THIS SECTION WOULD BE A PRE-ARRANGED ABSENCE APPROVED BY THE PRINCIPAL/ACTIVITIES DIRECTOR OR **EXTENUATING CIRCUMSTANCES**. (Adding extenuating circumstances to help follow guidelines and regulations set because of CoVid protocols-temperature rules, etc).

Lettering Changes:

TRACK (boys and girls): **A participant can letter if he/she places in 5 meets throughout the season. Relays will be counted as 1 full point.** A participant may also letter if he/she meets one of the following requirements: breaks a school record, scores a total of 8 points for the season in any type of meet. **Seniors who are out for track all four years will letter their senior year automatically. If a conference/district championship is won, all athletes who PARTICIPATED in the track meet will automatically letter.** The above lettering criteria may be deviated from by the coach, with Activity Director approval, if extenuating circumstances exist.

SPEECH: Attend 90% of assigned practices. Place at two or more meets **or** place at the conference or district contests. The above lettering criteria may be deviated from by the sponsor, with Activity Director approval, if extenuating circumstances exist.

Band & Choir

Earning a letter in band and/or choir means demonstrated **excellence** and/or **dedication**. A varsity letter signifies that its winner is considered a qualified varsity team member, awarded after a certain standard is met. The following lettering criteria may be deviated from by the director, with Activity Director approval, if extenuating circumstances exist.

To earn a letter, a member must:

- Attend all required performances (no unexcused absences), **and**
- Maintain an "A" or "B" grade in band, **and**
 - Be selected for and satisfactorily attend an *auditioned* honor ensemble, **or**
 - Earn a rating of I (superior) on a solo or duet at District Music Contest, **or**
 - Demonstrate *consistent, above-and-beyond* helpfulness in the band/choir program *outside of class hours* -- for example, sort or file music, assist in organizing uniforms/equipment/materials, help with data entry, assist with audio/visual/computer equipment, aid fellow students needing extra help, work with beginner or middle school band students under the director's guidance, collect and organize forms or needed paperwork, and the like, **or**
 - Complete your 4th year of band satisfactorily.

5. BOARD POLICY CHANGES PROPOSAL – (MIDDLE SCHOOL CODE OF CONDUCT CHANGES AND WORDING CHANGES)

REASONING FOR CHANGES: Dependent of transportation from parents, most can't drive. Co-parenting has increased to make transportation issues increase and missing practices have increased due to situations that are out of a student's control. Middle school seasons are shorter, therefore when punished, student is missing more of their season than a high school student would.

SHELBY-RISING CITY -RISING CITY HUSKIES ATHLETIC CODE OF CONDUCT

As a member of A Shelby-Rising City High School athletic team, there are certain standards you must live up to. You are expected to attend school regularly, maintain complete and passing grades in all classes, follow all school and team rules, and act in such a manner that represents you, your team, your school, and your community positively. **In order** To make this process as objective as possible, the following point system will be used to determine consequences for failing to live up to these standards.

Every ~~player~~ **participant** starts the season with a clean slate of zero points. The point values assigned to different actions are then added as necessary.

~~When a player accumulates a total of four (4) points, he will be required to sit out the next game he would normally play in. Every multiple of four points (8, 12) after the first missed game will result in another missed game.~~ **When a student in high school accumulates a total of four (4) points, he/she will be required to sit out the next contest he/she will normally participate in. Every multiple of four points (4, 8, 12) will require missed contest. A participant accumulating more than twelve (12) points will be dismissed from the activity, having no chance to letter or earn any post-season honors such as all-district or all-state.**

When a student in Jr. High accumulates a total of six (6) points, he/she will be required to sit out the next contest he/she will normally participate in. Every multiple of six points (6, 12) will require a missed contest. A participant accumulating more than twelve (12) points will be dismissed from the team.

<u>Infraction</u>	<u>Points</u>
Late for game, practice, meeting, lifting, or any activity where time is set.	1 per occurrence
Penalty time such as: detention, stay after school, come in before school, strike.	1 per occurrence
Unexcused absence from game, practice, meeting, lifting session, or activity called by the coach.	2 per occurrence
Suspension - in school or out of school	2 per each day of suspension

Exception: Missing a weight session after missing practice will not be further penalized, as it is considered an extension of practice.

Infractions out of Students Control: If a situation has occurred where it is out of the control of the participant, the activities director and the administration team will determine if the participant is in violation of the control of conduct.

- a. Missing a game due to being ineligible is considered an excused absence, since you are already being punished by the school, and no points will be added for the miss. You will still accumulate the necessary points for being

on the eligibility list. If you are ineligible, you are still expected to attend all practices or games that are outside school hours or points can be assessed.

- b. Missing a game or practice is considered an excused absence, since you are already being punished by the school, and no points will be added for the miss.
~~Missing a game due to accumulating 4, 8, or 12 points is considered an excused absence, and no points will be added for the miss.~~
- c. High school participants missing a game due to accumulating four(4), eight(8), or twelve(12) points is considered an excused absence and no points will be added for the miss.
- d. Jr. High participants missing a game due to accumulating six(6) or twelve(12) points is considered an excused absence and no points will be added for the miss.
- e. Participants are still expected to attend games they are unable to participate in because of the school eligibility policy or this code of conduct if the participant is not missing any of the school day.
- f. Participants are still expected to practice if they are unable to participate in games because of the code of conduct.

- Over the last two years, there have been 7,971 immediate parent contacts via text, phone call, and email.
- The implementation of Advisory has allowed us to dive into the SEL curriculum and build a sense of community and belonging for all of our students. Blitz Days have been incredibly successful in attacking those with multiple assignments on the list and rewarding those students who are not on the list by providing fun activities.
- Continued to add to our menu of supports, which included math interventions and ensuring math help was readily available as that is the most common content area on the list.
- Information about ICU at SRC has been added to the website. It also includes our protocol and parent letter.

MAP Testing Overview- Grades 6-11

- This was the first testing period in which we used the Student Growth Goal worksheets. These reports allow the students to see what they scored in the fall and what they are projected to score in each content area in the spring. The Spring MAP incentive was developed from these goal worksheets.
- We had 78 students who either met their RIT goal on 3 of 4 assessments or remained at the 80%ile or higher on each assessment. These students received a root beer float on the last day of school. Great work!
- See Student Growth Summary Report for Spring results.
- Reading and Language in grades 9-11 demonstrated great growth from the fall.
- Math continues to be an area of concern, particularly in grades 6-8. The need to continue delivering math interventions will be important to close the achievement gap.

We applied for erate category 2 for some replacement/spare switches, Access Points, and battery backups. We have been informed that it was approved. We will pay 30% of the cost and the government will pay 70%. This is based off our free and reduced numbers.

We have ordered some new bags to test with the plan to replace all older student laptop bags next summer.

We have moved the library internet over to our internet. They have their own SSID: Library. The move has increased their speed greatly and will make sure that it is filtered per erate rules.

**SHELBY-RISING CITY -RISING CITY HUSKIES
ATHLETIC CODE OF CONDUCT**

As a member of A Shelby-Rising City High School athletic team, there are certain standards you must live up to. You are expected to attend school regularly, maintain complete and passing grades in all classes, follow all school and team rules, and act in such a manner that represents you, your team, your school, and your community positively. **In order** To make this process as objective as possible, the following point system will be used to determine consequences for failing to live up to these standards.

Every ~~player~~ **participant** starts the season with a clean slate of zero points. The point values assigned to different actions are then added as necessary. ~~When a player accumulates a total of four (4) points, he will be required to sit out the next game he would normally play in. Every multiple of four points (8, 12) after the first missed game will result in another missed game.~~ **When a student in high school accumulates a total of four (4) points, he/she will be required to sit out the next contest he/she will normally participate in. Every multiple of four points (4, 8, 12) will require missed contest. A participant accumulating more than twelve (12) points will be dismissed from the activity, having no chance to letter or earn any post-season honors such as all-district or all-state.**

When a student in Jr. High accumulates a total of six (6) points, he/she will be required to sit out the next contest he/she will normally participate in. Every multiple of six points (6, 12) will require a missed contest. A participant accumulating more than twelve (12) points will be dismissed from the team.

<u>Infraction</u>	<u>Points</u>

Exception: Missing a weight session after missing practice will not be further penalized, as it is considered an extension of practice.

Infractions out of Students Control: If a situation has occurred where it is out of the control of the participant, the activities director and the administration team will determine if the participant is in violation of the control of conduct.

- a. Missing a game due to being ineligible is considered an excused absence, since you are already being punished by the school, and no points will be added for the miss. You will

still accumulate the necessary points for being on the eligibility list. If you are ineligible, you are still expected to attend all practices or games that are outside school hours or points can be assessed.

b. Missing a game or practice is considered an excused absence, since you are already being punished by the school, and no points will be added for the miss.

~~Missing a game due to accumulating 4, 8, or 12 points is considered an excused absence, and no points will be added for the miss.~~

c. High school participants missing a game to due to accumulating four(4), eight(8), or twelve(12) points is considered an excused absence and no points will be added for the miss.

1. K-8 Volleyball Camp – July 13-15
2. K-8 Football Camp – July 25-29
3. Jr. Golf Camp @ Ryan Hill – Aug 2-3
4. Student Activities handbook changes (in bold):

IN ORDER TO PRACTICE OR PARTICIPATE IN ANY ACTIVITY HELD OUTSIDE OF SCHOOL HOURS, THE STUDENT MUST BE IN ATTENDANCE ALL DAY ON THE DAY OF THE ACTIVITY. THE ONLY EXCEPTION TO THIS SECTION WOULD BE A PRE-ARRANGED ABSENCE APPROVED BY THE PRINCIPAL/ACTIVITIES DIRECTOR OR **EXTENUATING CIRCUMSTANCES**. (Adding extenuating circumstances to help follow guidelines and regulations set because of CoVid protocols-temperature rules, etc).

Lettering Changes:

TRACK (boys and girls): **A participant can letter if he/she places in 5 meets throughout the season. Relays will be counted as 1 full point.** A participant may also letter if he/she meets one of the following requirements: breaks a school record, scores a total of 8 points for the season in any type of meet. **Seniors who are out for track all four years will letter their senior year automatically. If a conference/district championship is won, all athletes who PARTICIPATED in the track meet will automatically letter.** The above lettering criteria may be deviated from by the coach, with Activity Director approval, if extenuating circumstances exist.

SPEECH: Attend 90% of assigned practices. Place at two or more meets **or** place at the conference or district contests. The above lettering criteria may be deviated from by the sponsor, with Activity Director approval, if extenuating circumstances exist.

Band & Choir

Earning a letter in band and/or choir means demonstrated **excellence** and/or **dedication**. A varsity letter signifies that its winner is considered a qualified varsity team member, awarded after a certain standard is met. The following lettering criteria may be deviated from by the director, with Activity Director approval, if extenuating circumstances exist.

To earn a letter, a member must:

- Attend all required performances (no unexcused absences), **and**
- Maintain an "A" or "B" grade in band, **and**
 - Be selected for and satisfactorily attend an *auditioned* honor ensemble, **or**
 - Earn a rating of I (superior) on a solo or duet at District Music Contest, **or**
 - Demonstrate *consistent, above-and-beyond* helpfulness in the band/choir program *outside of class hours* -- for example, sort or file music, assist in organizing uniforms/equipment/materials, help with data entry, assist with audio/visual/computer equipment, aid fellow students needing extra help, work with beginner or middle school band students under the director's guidance, collect and organize forms or needed paperwork, and the like, **or**
 - Complete your 4th year of band satisfactorily.

5. BOARD POLICY CHANGES PROPOSAL – (MIDDLE SCHOOL CODE OF CONDUCT CHANGES AND WORDING CHANGES)

REASONING FOR CHANGES: Dependent of transportation from parents, most can't drive. Co-parenting has increased to make transportation issues increase and missing practices have increased due to situations that are out of a student's control. Middle school seasons are shorter, therefore when punished, student is missing more of their season than a high school student would.

BULLYING PREVENTION

The board recognizes the negative impact that bullying has on student health, welfare, safety, and the school's learning environment and prohibits such behavior. Bullying is defined as any ongoing pattern of physical, verbal, or electronic abuse on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or his or her designee, at a designated school bus stop, or at school-sponsored activities or school-sponsored athletic events.

Bullying may constitute grounds for detention, suspension, expulsion or mandatory reassignment, subject to state and federal statutes and the district's student discipline and due process procedures.

Every report of alleged bullying that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing bullying investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged bullying.

It shall be the responsibility of the superintendent to implement appropriate programs or procedures for the purpose of educating students regarding bullying prevention.

STAFF CONDUCT WITH STUDENTS

The Board expects all staff members, including teachers, coaches, counselors, administrators, and others to maintain the highest professional, moral, and ethical standards in their conduct with students. For the purposes of this policy, staff members also include school volunteers. The term “students” excludes a staff member’s immediate family members.

The interactions and relationships between staff members and students should be based upon mutual respect and trust; an understanding of the appropriate boundaries between adults and students in and outside of the educational setting; and consistency with the educational mission of the schools.

Staff members are expected to be sensitive to the appearance of impropriety in their conduct with students. Staff members are encouraged to discuss issues with their building administrator or supervisor whenever they are unsure whether particular conduct may constitute a violation of this policy.

Unacceptable Conduct

Examples of unacceptable conduct by staff members include but are not limited to the following:

- Any type of sexual or inappropriate physical contact with students or any other conduct that might be considered harassment under the Board's policy on Harassment By Employees;
- Singling out a particular student or students for personal attention and friendship beyond the normal teacher-student relationship;
- Associating with students in any situation or activity that includes the presence of alcohol, drugs, or tobacco or that could be considered sexually suggestive;
- For non-guidance/counseling staff, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members are expected to be supportive but to refer the student to appropriate guidance/counseling staff. In either case, staff involvement should be limited to a direct connection to the student's school performance;
- Sending students on personal errands;
- Sexual banter, allusions, jokes, or innuendos with students;
- Asking a student to keep a secret;

Approved _____ Reviewed _____ Revised _____

- Disclosing personal, sexual, family, employment concerns, or other private matters to one or more students;
- Addressing students with terms of endearment, pet names, or otherwise in an overly familiar manner; and
- Permitting students to address you by your first name, nickname or otherwise in an overly familiar manner.
- Being alone with individual students by closing a room door except when dealing with issues of health by appropriate personnel, or being alone with individual students outside of normal school hours;
- Maintaining personal contact with a student outside of school by phone, email, Instant Messenger or Internet chat rooms, social networking websites, or letters (beyond homework or other legitimate school business);
- Exchanging personal gifts (beyond the customary student teacher gifts); and/or
- Socializing or spending time with students (including but not limited to activities such as going out for meals or movies, shopping, traveling, and recreational activities) outside of school sponsored events or except as participants in organized community activities.

Students and/or their parents/guardians are strongly encouraged to notify the principal if they believe a teacher or other staff member may be engaging in conduct that violates this policy.

Staff members are required to notify promptly the principal or superintendent if they become aware of a situation that may constitute a violation of this policy.

Staff violations of this policy may result in disciplinary action up to and including dismissal. Violations involving sexual or other abuse will also result in referral to the Department of Health and Human Services and/or law enforcement in accordance with the Board's policy on Child Abuse Reporting.

Every report of alleged violations of this policy that can be interpreted at the outset to fall within the protections of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of an ongoing investigation of this policy, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged violations of this policy.

This policy shall be included in future employee, student and volunteer handbooks.

The Board and the Association recognize that the development of a quality educational program for the children attending the public schools of Shelby-Rising City is a joint responsibility that can best be achieved by agreement that all parties work toward common goals. The Board and the Association enter in this Agreement with mutual dedication, recognizing that the experience, creativity and judgment of all parties are necessary to reach the educational needs of the community.

A grade report and an official transcript must be provided by the teacher on or before October 1, in order for the schedule advancement to be awarded.

ARTICLE V

Leaves

A. Leave Days

At the beginning of each school year, each teacher will be credited with 11 paid leave days. The unused portion of such allowance shall be accumulated from year to year to a total of 30 days.

These accumulated days will be designated as sick days. Each school year, each teacher shall use the 11 paid leave days before being allowed to use the accumulated 30 sick days. The Board shall furnish to each teacher a written statement at the beginning of each school year setting forth the total of sick leave credit.

When using the accumulated 30 sick days and after five days of consecutive absence, the Board of Education through the Superintendent, may request a doctor's written statement outlining any continued need for time off, including the probable time of return to work. After an absence, due to illness, the employee may be asked to sign a statement saying that the absence was due to illness.

Employees will be able to use their accumulated sick leave for illness and/or doctor's appointments in their immediate family. Immediate family shall include spouse, children, mother, father, mother-in-law, father-in-law, grandparents, and grandchildren and anyone living in the household under your care.

B. Emergency Leave Bank

The parties agree that it is in the best interests of the school district's students that certificated staff members miss work only when absolutely necessary. This Emergency Leave Bank is created to address instances in which employees are so ill that they cannot work due to a serious health condition and the employee has accrued inadequate paid sick leave to cover all of his/her absences. Participation in the Emergency Leave Bank is completely voluntary.

Eligibility for Emergency Leave Bank Days

Emergency Leave Bank participants are only eligible to withdraw days from the Emergency Leave Bank if they meet all of the following criteria. Employees must:

1. Be full-time certificated employees.
2. Employed by the school district at the start of the school year. Employees who begin employment in the middle of a school year will not be eligible to participate until they have

- completed that school year.
3. Have a "serious health condition" as defined under the Family and Medical Leave Act (FMLA) and regulations interpreting the FMLA. Emergency Leave Bank days will not be provided for the serious health condition of family members or for other circumstances qualifying for FMLA protection.
 4. Have requested leave through the FMLA/school district's FMLA policy.
 5. Have exhausted all applicable paid leave days and used all accumulated compensatory time.
 6. Not receive Workers' Compensation wage benefits for the days missed. Employees who dispute the denial of Workers' Compensation wage benefits and are ultimately awarded wage benefits will be required to assign back to the district any benefits received equal to the amounts received from the Emergency Leave Bank.
 7. Be deemed ineligible for any short- or long-term disability insurance coverage for which the employee is eligible, regardless of whether that coverage is obtained through the school district or from some other source.
 8. Provide the district with adequate medical certification, from a health care provider supporting the absence. The district may require recertification of the condition in accordance with FMLA recertification procedures. The adequacy of medical certification will be determined in the sole and unfettered discretion of the Committee identified below. All documentation of a serious health condition will be maintained confidentially and separately from the regular personnel file.
 9. Have contributed one day in each consecutive year of employment in order to be eligible for available days over 10 days.
 10. Submit a written application for benefits in writing to the Committee.

Number of Emergency Leave Bank Days

The maximum number of leave bank days employees may receive in any school year is limited in accordance with the chart below:

School Years Completed with District	Emergency Leave Bank Days Available
0-5 years	10 days
6-10 years	15 days
11-20 years	20 days
20 years or more	25 days

Employees who become eligible for Emergency Leave Bank days after the days in the bank have been exhausted will not receive Emergency Leave Bank days. Employees who have received the maximum number of Emergency Leave Bank days in a school year are ineligible for additional Emergency Leave Bank days for the next full school year.

Contributions

1. Donated leave days are irrevocable and nonrefundable.
2. Employees cannot designate the recipient of the donated days.
3. Each employee may donate a maximum of 1 day of accumulated leave to the bank per year.
4. Employees must have a minimum of 10 days of leave available for their own use after their donation to the bank.

Administration

1. The Emergency Leave Bank shall be administered by the Emergency Leave Bank Committee which shall consist of the Shelby-Rising City Superintendent and the President of the SRCEA.
2. Requests for leave will be reviewed by the Committee. The Committee's approval or denial of any Emergency Leave Bank request shall be final and shall not be subject to any grievance procedure or appeal process.
3. The Committee shall be responsible for keeping all records related to the bank, including participants, requests, approvals and denials, account balance, usage, etc. All documentation of a serious health condition will be maintained confidentially and separately from the regular personnel file.
4. The Committee may distribute Emergency Leave days from the bank until it is depleted. In no event may the Committee distribute days in excess of the number available in the Emergency Leave Bank.
Any unused leave days in the bank at the end of the school year will be carried over to the next school year.

Termination or Dissolution of the Bank

In the event that the Emergency Leave Bank is terminated, dissolved, or otherwise discontinued, any days remaining in the bank will be distributed equally among all employees who have contributed Emergency Leave days to the bank to the extent that full days, rather than fractions of days, may be distributed. Any remaining days will be assumed by the district. Participating employees do not have a property right to Emergency Leave Bank days.

C. Bereavement

A teacher shall be entitled to leave with pay for a maximum of three (3) contract days per year in the event of the death of the employee's parent, sibling, child or spouse. A maximum of three (3) additional unpaid contract days shall be allowed each time another listed individual dies within the same contract year. Such leave may be used only during the five (5) calendar day period commencing with the date of death.

D. Professional

Teachers shall be granted professional leave as approved by administration.

ARTICLE VI

Professional Growth

A. Policy

Professional Growth: In accordance with Nebraska state statute 79-830, all permanent certificated employees shall be required, every six years, to give evidence of professional growth. Six semester hours of college credit shall be accepted by the Board of Education as evidence of professional growth, or in the alternative, a point system devised by and jointly administered by the Shelby-Rising City Education Association and the administration will be utilized to show evidence of professional growth. Standards for the point system shall be set and communicated annually to all certificated staff.

B. Professional Growth Chart

Teachers on probationary contracts do not need to work at gaining growth hours. However, probationary teachers will be given credit for all college credit. Tenured (permanent) teachers must begin meeting the requirements established through negotiations for professional growth procedures.

Professional growth activity will be documented by completing a Professional Growth Activity Form (found as a Google document). Administration approval will be required for all activities and a request substantiating evidence of the completion of the activity may, with discretion, be required.

Professional growth may be gained in a variety of ways. Points for college credit and/or meetings, workshops, or other professional hours are totaled. The required six (6) points may be earned in a single year or throughout the reporting period.

C. Professional Growth Period

The Professional Growth Period refers to each six (6) year period during which permanent certificated employees are required to give evidence of professional growth. A permanent certificated employee begins his/her initial six (6) year growth period on September 1 in the year that he/she becomes a permanent certificated (tenured) employee, and ends August 31, six (6) years later. The beginning of the seventh year as a permanent certificated (tenured) employee starts the second six (6) year period.

- b. Auditing Courses – ½ point per college semester hour, undergraduate (approved) or graduate, completed through an accredited college or university
- c. Supervising Student Teachers – One point for having a student teacher. If the student teacher is assigned to more than one cooperating teacher, the points will be assigned on a proportional basis (three point maximum per six-year period)

S-RC Superintendent's Report

BOE Meeting: July 18th, 2022

Let the fun begin...

"Successful people build each other up. They motivate, inspire, and push each other. Unsuccessful people just hate, blame and complain." - Unknown

4 weeks away! Amazing how fast summer has went and the great things that we have accomplished throughout the summer as well. We have had many staff members participate in summer professional development. Admin continue to grow with her professional development and networking. I have continued to grow in my budgetary responsibilities and also growing professionally.

As we get closer, our focus shifts on getting things ready for the first of the year and making sure our dates are organized and ready to go as we get closer. The staff will begin to shift their focus come August and our new staff will be participating in ESU items coming at the beginning of August.

Our goal is to continue to grow together, continue to make leaders and push each other to take responsibility for where we want to go. Our mission remains to provide a quality education through innovation, integrity, accountability and service. When we put this first, we will continue to build upon our foundation. Small steps forward will continue to move us toward our goals.

Goals for before August 10th:

1. Get together with Mrs. Thompson and have a unified direction for our PK-12 when it comes to administration responsibilities
2. Start getting all excited for the best year yet
3. How to put responsibility a priority for all of our staff, students and communities members as we push to being our best both personally and professionally.

PUBLIC COMMENT IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the board shall set time aside for public comment, *[at a specific time during the meeting][and] [prior to the discussion of each agenda item]*. If the pressure of business or other circumstances dictate, the board president may decide to eliminate this practice at a particular meeting and will announce that decision at the beginning of the meeting. The orderly process of the board meeting shall not be interfered with or disrupted. Subjects for comment should involve areas within the board's proper responsibility.

The board has the discretion to limit the amount of time set aside for public comment. The board president shall specify the total amount of time available for public comment prior to opening the public comment period. If public comment is allowed prior to individual agenda items, that limit on the total comment period should also be defined. Individual comments will be limited to 5 minutes for each participant. The board president will recognize these individuals to make their comments at the appropriate time. Only those speakers recognized by the board president shall be allowed to speak. Comments by others are out of order. If disruptive, the individual making the comments or another individual causing disruption may be asked to leave the board meeting.

~~It is helpful if citizens wishing to address the board on a certain agenda item will notify the superintendent prior to the board meeting. Citizens wishing to present petitions to the board relating to that item may do so at this time. However, the board will only receive the petitions and will not act upon them or their contents.~~

The board requires any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the board waives the address requirement to protect the security of the individual.

Individuals who have a complaint about employees or students who have complaints shall follow policies 403.05 and 504.01 respectively. The board will follow policy 1005.01 in handling public complaints.

Any written or printed materials to be circulated for a meeting of the school board must be submitted to the superintendent by the Wednesday preceding a Monday night meeting. ~~Adding~~ and such information will only be added to the agenda packet ~~will be~~ at the discretion of the superintendent after consultation with the board president.

CONSTRUCTION PLANS AND SPECIFICATIONS

The board may engage the services of consultants or other personnel to study the needs of the school district's buildings and sites in providing the education program. The results of these services will be considered in planning the education program and in making decisions about the improvement and acquisition of additional buildings and sites.

In any construction involving architecture or engineering with a cost contemplated to exceed \$~~100~~118,000, and an amount as periodically adjusted by state statute, the board shall engage an architect, a professional engineer, or a person or persons under the direct supervision of an architect or professional engineer to prepare the plans, specifications and estimates for the construction.

It shall be the responsibility of the superintendent to make a recommendation to the board regarding the need for such services and who should perform such services for the board.

Buildings considered for purchase or construction by the board or currently owned by the school district and used for the education program must meet, or upon improvement be able to meet, the specifications set by the board. The board shall make this determination.

Prior to construction or renovation of buildings and sites the board shall make a determination of the method by which it will obtain construction services. If the board elects by a seventy-five percent affirmative vote to use the Construction Management at Risk or Design-Build methods rather than the traditional Design-Bid-Build method, policies for that respective method must be established prior to selecting the construction services provider.

Prior to remodeling or other construction of buildings and sites, the board may appoint a committee of consultants, employees, citizens, or others to assist the board in developing the specifications for the new or improved buildings and sites. These specifications shall be consistent with the education program, and they shall provide the architect with the information necessary to determine what is expected from the facility. It shall be within the discretion of the board to determine whether a committee shall be appointed.

It shall be the responsibility of the superintendent to make a recommendation to the board regarding the specifications of buildings and sites.

Public, competitive sealed bids are required for construction projects, including renovation and repair, with a cost exceeding \$~~100~~109,000 and an amount as periodically adjusted by state statute. This does not apply to the acquisition of existing buildings, purchase of new sites or site expansions by the district. The sealed bids shall be opened in public on the date and hour as advertised.

General Notes

This roof is in fair condition due to the caulking around all the projections and perimeter flashings. There are multiple leaks that are being caused by the type of caulking that was used around the projections not holding. This makes the area not watertight and allows water to be trapped behind caulking.

--YOUR ANNUAL MEMBERSHIP PROVIDES SUPPORT FOR --
Nebraska Rural Community Schools Association

<p><u>STATE LEGISLATIVE ADVOCACY</u> NRCSA is active in representing rural public schools in the Unicameral. The Executive Director is the main spokesperson for NRCSA, but is also represented by the lobbying firm of Nowka and Edwards. NRCSA's Legislative Committee includes 20 Superintendents from member schools and helps to direct the legislative efforts of the organization.</p>	<p><u>RURAL ADVOCACY</u> NRCSA is the only organization that speaks solely on behalf of public rural schools in the State of Nebraska. Other groups do a great job of representing their members, but at times cannot take a stand as they represent both very large and smaller districts. NRCSA is not necessarily tied down along those lines.</p>	<p><u>SUPERINTENDENT SEARCHES</u> NRCSA's Superintendent Search Service is conducted by veteran Superintendents whose professional lives were involved in rural education in Nebraska. The service is available to all Nebraska school districts, with member districts paying a lower rate than non-member districts. A professional cost effective proposal and fee structure is available upon request.</p>
<p><u>PLANNING WORKSHOPS</u> The NRCSA Planning Support Service is an elective service that assists districts in planning and goal-setting. The service is conducted by veteran Superintendents whose professional lives were involved in rural education in Nebraska.</p>	<p><u>NATIONAL ADVOCACY</u> NRCSA is a member of the National Rural Education Advocacy Consortium (NREAC), which represents the interests of rural public schools in national forums where education issues are decided.</p>	<p><u>LEGISLATIVE FORUM</u> During each legislative session NRCSA offers a forum for Board members and administrators. The forum provides the opportunity to hear from Senators as to what is happening in the Unicameral, as well as to provide input to Senators. The forum is held in Lincoln.</p>
<p><u>COMMUNICATIONS</u> NRCSA provides regular updates from the Executive Director to member schools. A more in-depth update is provided to all members just prior to monthly Board of Education meetings. The NRCSA web-page is www.nrcsa.net. NRCSA also has a social media presence on Twitter (@NRCSA1980) and on Facebook (www.facebook.com/nrcsahome).</p>	<p><u>SPRING CONFERENCE</u> NRCSA offers an annual conference in Kearney in March. The conference targets issues and interests of rural schools. An opportunity is created to network with other rural school districts and to interact directly with policymakers and NRCSA leaders.</p>	<p><u>GARY FISHER FINE ARTS SCHOLARSHIPS</u> NRCSA awards two \$2,000 scholarships to high school seniors from NRCSA-member schools who are entering college with the plan to major in a fine arts field.</p>
<p><u>DISTRICT MEETINGS</u> Each fall NRCSA conducts a meeting in each of the six membership districts. These meetings provide an opportunity for rural schools to connect with NRCSA leadership on a face-to-face basis.</p>	<p><u>US BANK ONE CARD PROGRAM</u> NRCSA has partnered with US Bank to provide this unique purchase card program for school districts. Individual school districts decide which staff members receive purchase cards. The district has control over where purchases can be made and for what amounts. This can be especially helpful when sending sponsors out with student groups.</p>	<p><u>NRCSA AWARDS</u> NRCSA annually recognizes individuals who are outstanding at serving member districts. At the Spring Conference each year NRCSA recognizes an Outstanding Elementary Teacher, Secondary Teacher, Classified Staff Member, ESU Staff Member, Music Teacher, Principal, Board of Education Member, and Superintendent/ESU Administrator.</p>
<p><u>NRCSA EXECUTIVE BOARD</u> The 10-member Executive Board provides leadership and direction for the organization. Each of the six NRCSA districts is represented by at least one Superintendent from a district within the district.</p>	<p><u>NRCSA SCHOLARSHIPS</u> NRCSA annually awards 14 \$2,000 scholarships to high school seniors from NRCSA-member schools who are entering college with the goal of becoming school teachers.</p>	<p><u>EXCESS EQUIPMENT CLEARINGHOUSE</u> A free service to member districts and ESUs is the opportunity to post items for sale to all other members. Items such as vehicles, scoreboards, weight equipment, and text books have been posted on behalf of members.</p>
<p><u>NEBRASKANS UNITED</u> NRCSA is a strong member of this group which includes most education and ag-related organizations in the State. The purpose is to work to provide property tax relief, as well as to protect and promote funding to public education.</p>	<p><u>CORONAVIRUS ISSUES</u> Over 100 NRCSA member Superintendents and ESU Administrators worked together to produce NRCSA's Reopening Document to help districts develop their own plans for reopening school in the fall. Over 70 rural educators worked together to develop Remote Learning Assistance sites for teachers and administrators.</p>	<p><u>LEADERSHIP OPPORTUNITIES</u> Each year there are over 70 leadership positions on the Executive Committee or other NRCSA committees that provide opportunities for member Superintendents.</p>
<p><u>EDUCATION ASSOCIATIONS COALITION</u> NRCSA is an active member of this group that is comprised of all of the major education associations in the state. The purpose of the group is to work together on legislative issues facing public education.</p>	<p><u>NATIONAL RURAL EDUCATION ASSOCIATION</u> NRCSA is a strong member of the NREA. The NREA provides leadership on issues facing rural education on the national level. Dr. Jon Habben, former NRCSA Executive Director of NRCSA, has served as the President of NREA the past two years.</p>	<p><u>RURAL TEACHER SHORTAGE</u> NRCSA has started a Rural Teacher Committee that was established to find ways to address the shortage of teachers in rural schools. Twelve member Superintendents work with representatives from Chadron State College, Wayne State College, and Peru State College in this work.</p>

WELCOME

Dear Students and Parents:

On behalf of the faculty, administration and board of education, we welcome you to another school year. We are excited to continue and build upon the successes we've had at Shelby-Rising City! As always, our number one priority remains the same: providing opportunities for student success and excellence in a safe and nurturing environment! Back-to-school time is an exciting time for staff and students, and we hope to keep enthusiasm for learning at a high level throughout the year! The purpose of this handbook is to provide both parents and students with guidelines to maintain an environment conducive to learning.

Please read this handbook carefully. Students and their parents are responsible for knowing the rules, regulations, and procedures covered in this handbook. The student handbook is an extension of school policies and has the force and effect of board policy when approved by the board of education.

There are several forms at the end of this handbook, which you must read, sign and return.

This handbook contains information of value to every student and parent. It contains explanations of school regulations and procedures necessary for our school to run smoothly and efficiently. If you are ever in doubt about what is the right thing to do, ask a classroom teacher, speak with the building principal, or contact my office. We can't wait to see you in our hallways and classrooms as the new school year is here!

Sincerely,

A handwritten signature in black ink, appearing to read 'Tucker Tejkl', written in a cursive style.

Tucker Tejkl, Superintendent

Intent of Handbook

This handbook is intended to be used by students, parents and staff as a guide to the rules, procedures, and general information about this school district. Students and their parents must become familiar with the handbook, and parents should use it as a resource and assist their children in following the rules contained in it. The use of the word “parents” refers to any adult who has the responsibility for making education-related decisions about a child, including, but not limited to biological parents, adoptive parents, legal guardians, and adults acting in loco parentis.

Although the information in this handbook is detailed and specific on many topics, it is not intended to be all encompassing or to cover every situation and circumstance that may arise during a school day or school year. This handbook does not create a “contract” with parents, students or staff, and the administration may make decisions and rule revisions at any time to implement the educational program and to assure the wellbeing of all students. The administrative team is responsible for interpreting the rules contained in the handbook. If a situation or circumstance arises that is not specifically covered in this handbook, the administrative team will make a decision based on applicable school district policies, and state and federal statutes and regulations.

Notice of Non-Discrimination

This school district does not discriminate on the basis of race, color, religion, national origin, sex, marital status, disability, or age or in admission or access to, or treatment of employment, in its programs and activities and provides equal access to designated youth groups. Any person having inquiries concerning this school district’s compliance with the regulations implementing Title VI, Title IX, or Section 504 is directed to contact Superintendent Tucker Tejkl in writing at, 650 N. Walnut, Shelby, NE 68662 or by telephone at (402) 527-5946. For further assistance, you may also contact Office for Civil Rights (Kansas City Office), U.S. Department of Education, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114-3302, Telephone: 816-268-0550, FAX: 816-823-1404; TDD: 877-521-2172, Email: OCR.KansasCity@ed.gov. BASIC SCHOOL RULES AND GENERAL PRACTICES

Attendance

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age for kindergarten. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when temporary illness or severe weather conditions make attendance impossible or impracticable. A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child.

Discontinuing Enrollment – 5-Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17-Year Old Students

Only children who are at least 16 years of age may be dis-enrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form attached to this policy. The district will follow the procedures outlined on the required NDE form in considering requests to dis-enroll.

Only children dis-enrolling to attend a non-accredited school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending non-accredited schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides.

Excused Absences/Not School Excused Absences

The circumstances for all absences from school will be identified as School Excused or Not School Excused. All absences, except for illness and/or death in the family, require advance approval.

- Absent School Excused (ASE)**: The parent must provide the school documentation to demonstrate the absence was beyond the control of the parent or child. This could include, but is not limited to documented illness, pre-arranged college visits, court, immigration, death of a family member, or suspension.
- Absent Excused/Not School Excused (AE)**: Parent acknowledged absences that include but are not limited to undocumented illness, vacations, DMV, and other situations where the parent notifies the school that the child will be gone.
- Absent Unexcused (AU)**: Any non-reported or not confirmed absences. This could include truancy.

Excessive Absenteeism

When a student receives eight (8) Absent Excused (AE) or Absent Unexcused (AU) or the hourly equivalent in any semester, the Building Principal will follow the procedure for addressing barriers to the student's attendance.

When a student is absent more than twenty (20) Absent Excused (AE) and/or Absent Unexcused (AU) days per year or the hourly equivalent, the Building Principal will file a report with the county attorney of the county in which the student resides. At the High School level, 10 days of reported absences from a class during any one semester will constitute justification for an incomplete or loss of credit in that class. Additional information is located in the S-RC School Board Policy.

Absences due to illness

Any student who is absent due to illness has two days from the date of their return to school following an absence to make-up work missed. If a secondary student is absent on the day that an assignment is due, the student will be required to turn in the assignment on the first day of his/her return to school. Any student who has make-up work may appeal the amount of time to make up the work to the principal.

Planned absences

Parents who know in advance that a student will be absent must call the school or send a written note at the earliest possible date. Students who will be absent for reasons that can be anticipated,

such as routine medical appointments and school activities, must complete any work required by the teacher before the absence. Parents should make every attempt to schedule medical and other appointments after school hours when possible.

Juniors and Seniors are allowed up to 3 days total for college visits if the guidance office sets up the visit. These days will count as a school excused. Additional days must be approved by the principal or designee.

Students are obligated to:

1) complete all class work in advance for any absence that can be anticipated; 2) check out of school at the office if leaving school during the school day; and 3) make up any and all work that is assigned by teachers as make-up work for the instructional time that has been missed.

Parents are obligated to:

- 1) call the appropriate building office prior to 9:00 a.m. to inform the school of the reason for each absence; and
- 2) submit a doctor's statement, for each documented illness.

Pregnant and Parenting Students

Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs. Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student to develop a plan to assist the student in participating in district curriculum and extra-curricular activities.

Absences and Activity Participation

Students must attend school a full day before attending practice or participating in a scheduled student activity, except in cases of family emergencies or pre-arranged absences approved by the principal. A full day is defined as being in class within the first fifteen (15) minutes of the school day. Pre-arranged absences are those absences for which the school and teachers are notified a minimum of one day in advance that the student will be absent.

Band

Students may participate in the elementary band and begin taking band lessons in the 5th grade. Students in grades 6-8 may participate in the middle school band; grades 9-12 may participate in the high school band. Instruments will be provided by students or the school as provided by school policy. Fees may be charged as allowed or provided in the Public Elementary and Secondary Student Fee Authorization Act and the school's student fee policy or other applicable policy.

Bicycles and Skateboards

Students are to park their bikes in the appropriate racks. Under no circumstances are students to borrow or tamper with bicycles that are not their own. Bicycles must be parked in the bike rack and left there until dismissal time. After school, the bikes are to be taken home. Roller-skates, rollerblades, or shoes with rollers in them are not to be brought to school, or worn inside of the school building.

Books and Supplies

Students must take care of books and other supplies provided by the district. The school will

assess fines for damage to books and school property.

Students must supply their own consumable items such as pens, pencils, tablets, notebooks, erasers, and crayons. Each classroom teacher will prepare a supply list for students at the beginning of the school year.

Bulletin Boards/Television information Screens

Bulletin boards and Television Information Screens are maintained throughout the building to communicate general information, material, and school announcements.

The following general limitations apply to all posting or publishing:

1. **All postings** must be approved by the appropriate building principal or designee. The Centers for Disease Control and Prevention defines bullying as “any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated.” Nebraska statute defines bullying as “an ongoing pattern of physical, verbal or electronic abuse.” The District’s administrators are authorized to use both of these definitions to determine whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

The disciplinary consequences for bullying will depend on the severity, frequency, duration, and effect of the behavior and may result in sanctions up to and including suspension or expulsion. Students who believe they are being bullied should immediately inform a teacher or the building principal.

Cell phones or other electronic devices must be turned off and kept out of sight during the school day. Exception: cell phones may be used in the classroom if being utilized for educational purposes and under teacher supervision.

Students are personally and solely responsible for the security of their cell phones and other electronic devices. The school district is not responsible for theft, loss or damage of a cell phone or any calls made on a cell phone.

The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, e-mailing, etc.) may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the disciplinary procedures of the student code of conduct. Any student found to be in possession of obscene, pornographic, lewd, or otherwise illegal images or photographs will be promptly referred to law enforcement and/or other state or federal agencies, which may result in arrest, criminal prosecution and possible inclusion on sex offender registries.

- arrive to class on time;

Official transcripts of student progress, grades, and attendance will be sent to other school systems upon the student’s transfer when the district receives a written request signed by the student’s parent or guardian or upon being notified that the student has enrolled in another school.

Computer Network Use by Students

Students are expected to use computers and the Internet as an educational resource. A written parental and student permission and agreement form will be signed prior to the student being granted access to electronic media and District technological devices. The use of the District’s electronic network and technological devices is a privilege, not a right. The Building Principal will make all decisions regarding whether or not a user has violated their agreement and may deny, revoke, or suspend access at any time. 4. The school district staff will monitor students' use of the Internet through direct supervision and by monitoring Internet use history to ensure enforcement of the policy.

B. Consequences for Violation of this Policy

Hazing activities include, but are not limited to whipping, beating, branding, forced and prolonged calisthenics, prolonged exposure to the elements, forced consumption of any food, liquor, beverage, drug, or harmful substance not generally intended for human consumption, prolonged sleep deprivation, or any brutal treatment or the performance of any unlawful act that endangers the physical or mental health or safety of any person.

Lockers and Other School Property

Students should not expect privacy regarding usage of or items placed in or on school property, because school property is subject to search at any time by school officials. Periodic, random searches of lockers, desks, computers and other such property may be conducted at the discretion of the administration. School authorities may seize any illegal, unauthorized, or contraband materials discovered in the search. The assignment of a locker is on a temporary basis and may be revoked at any time. School officials may inspect student lockers without any particularized suspicion or reasonable cause. Students are not to leave items on top of the lockers. Book bags are to remain in lockers during the day.

Lost and Found

All lost and found articles are to be taken to the elementary or secondary offices. Students may claim lost articles there. Unclaimed articles will be donated to a local charity or otherwise disposed of at the conclusion of each semester.

Medications

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled *Methods of Competency Assessment of School Staff Who Administer Medication*), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

Non-prescription medication. (1) Parents/guardians must provide written permission for the administration of the medication. (2) The medication must be brought to the school in the manufacturer's container. (3) The container must be labeled with the child's name and with directions for provision or administration of the medication.

Note: All prescription and non-prescription medications must be kept in the nurse's office.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

Media Center

Students must check out materials from the librarian on duty. Each borrower is responsible for all books checked out in his/her name. A fine of five cents per day per book may be charged for overdue books. Each student is responsible for any fine, which accumulated on a book charged to him/her. If a book is lost and not found by the end of the semester, the student must pay for it. Students must also pay for any damage they cause to library books.

Parent Visitation/Other Visitation

Routine visitation by parents is encouraged by the school. Teachers are encouraged to invite parents to discuss problems regarding students. The Principal should be informed of serious difficulties that require parental involvement and should always be involved when parents come to school with a serious school problem. The Principal is to be given prior notice when patrons or parents visit the school, meet with the Principal, visit classes, etc., to allow school officials time to make necessary preparations.

Students may have visitors to school only if permission has been granted in advance by the building Principal. Visits will be limited to one day or less per year unless special permission is granted by the Principal.

Parties

Elementary classes may have seasonal parties during the year. Parents shall communicate with their student's classroom teacher for the teacher's rules regarding birthday and holiday parties. Although birthday parties, etc. are an "out of school" activity, it is permissible for a student to distribute invitations at school provided all children in the class receive one. If it is an all girl or all boy party, then all of the girls or all of the boys will be provided with an invitation if they are to be handed out at school.

Personal Items

The school provides the necessary equipment for classroom and school day activities. The school is not responsible for ruined or lost personal equipment. Students should not bring items such as athletic equipment, electronic devices, toys, or other similar personal items to school unless they have the prior permission of their classroom teacher or a school administrator.

Pets

Please see that dogs and other pets are kept home and not allowed to follow pupils to school. If children have a special pet that they would enjoy showing to their classmates, they may do so if previous arrangements have been made with their teacher. A parent or guardian must accompany the pet to the classroom for a short visit and take the pet home after the visit.

Physical Exam

Students entering kindergarten and the seventh grade, and those entering school from another state, are statutorily required to show evidence that they have had a physical examination within six months prior to the date of entering school.

The school nurse or designee will provide health checks for detection of defective sight, hearing, and/or dental conditions as specified by the DHHS. Parents will be notified of any condition requiring additional professional attention.

Parents who want pictures of their students or of their student's class composite may purchase them directly from the photographer.

Playground Rules

Students must follow these rules to keep the playground safe when they are using the playground as part of the school day:

6. Students must use the playground equipment properly and in a safe manner. 7. Students may not leave the playground after they have arrived at school for the day.

Students who violate these rules will be disciplined with the loss of recess or other privileges, detention, and/or other consequences.

The school's playgrounds, equipment, and surrounding areas are generally not supervised. Staff will supervise students when the students are using these areas as part of the school day or as part of a school activity. At all other times and in all other circumstances, the school district does not provide supervision of its playgrounds, equipment, and surrounding areas.

Police/Other Questioning and Apprehension

Police, other law enforcement officers, persons of the court, or DHHS may be called to the school at the request of school administration or may initiate contact with the school in connection with a criminal/neglect/other investigation. The school district shall inform parents when such officials seek access to their student prior to the student being questioned unless the investigating may include charges that the student has been the victim of abuse or neglect. Members of the school district staff will comply with board policy regarding police/other questioning of students. Minor students shall only be released into the custody of law enforcement upon presentation of a court order or warrant for the student's arrest, or under conditions for temporary custody of a juvenile without a warrant as provided by state statutes.

Prom and Banquet

As hosts of the prom and banquet, juniors attending the event are expected to remain in attendance until it is over. All juniors and seniors may invite their dates to the banquet. There will be a charge for any date that is not a Shelby - Rising City Junior or Senior. There will be no charge for any Shelby - Rising City Junior or Senior. There will be no admission charge for anyone who just wishes to view the grand march and coronation.

All students attending the prom and banquet should enter the building through the North front door. Any junior or senior is free to leave and then return to the banquet or prom but all students participating in the dance are asked to be in attendance by 8:30 and then they will be required to remain in attendance. Any arrivals after 8:30 will be handled on a case-by case basis by the Principal.

The school has the right to check purses, coats, etc. for illegal/disruptive items.

All faculty assigned to work with junior or senior students will be invited to the banquet free of charge.

Protection of Student Rights

The Board of Education respects the rights of parents and their children and has adopted a

Protection of Pupil Rights policy in consultation with parents to comply with the Protection of Pupil Rights Amendment (PPRA) and The No Child Left Behind Act (NCLB). The policy is available on the district's website or upon request from the district's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the superintendent. The approximate dates during the school year when a survey requesting personal information as defined in the Protection of Pupil Rights policy is July/August. Public Displays of Affection

Students may not engage in public displays of affection that are disruptive to the school environment or distracting to others. Prohibited conduct includes hugging, kissing, touching or any other display of affection that a staff member determines to be inappropriate.

Retention

It is not ordinarily the practice of the Shelby - Rising City Elementary School to retain a student. However, in situations where a student displays extreme immaturity or has extreme difficulty doing the work expected, retention may be an option. Ordinarily retention, if it should be necessary, would be in Kindergarten or first grade, since immaturity or serious learning problems may best be remediated at the early primary level. Retention will be handled, by the Principal, on a case-by-case basis.

Rights of Custodial and Non-Custodial Parents

The school district will honor the parental rights of natural and adoptive parents unless those rights have been altered by a court.

The term "custodial parent" refers to a biological or adoptive parent to whom a court has given primary physical and legal custody of a child, and a person such as a caseworker or foster parent to whom a court has given legal custody of a child.

The district will not restrict the access of custodial and non-custodial parents to their students and their student's records, unless the district has been provided a copy of a court order that limits those rights. If the district is provided such a court order, school officials will follow the directives set forth in the order.

The district will provide the custodial parent with routine information about his or her child, including notification of conferences. The district will not provide the non custodial parent with such information on a routine basis but will provide it upon the non-custodial parent's request unless it has been denied by the courts.

A non-custodial parent who wishes to attend conferences regarding his or her child will be provided information about conference times so both parents may attend a single conference. The district is not required to schedule separate conferences if both parents have been previously informed of scheduled conference times.

If either or both parents' behavior is disruptive, staff members may terminate a conference and reschedule it with appropriate modifications or expectations.

Self Management of Diabetes or Asthma/Anaphylaxis

The school district will work with the parent or guardian in consultation with a physician to develop a medical management plan for a student with diabetes, asthma, or anaphylaxis subject to school policy. Parents desiring to develop such a plan should contact the school nurse.

Student Assistance

If your child has any learning, behavior, or emotional needs that you believe are not being addressed by the school district under existing circumstances, please contact your child's teacher. If appropriate, the teacher may convene the Student Assistance Team (SAT). The SAT can explore possibilities and strategies that will best meet the educational needs of your child.

Student Fee Policy

The school district shall provide free instruction in accordance with the Nebraska State Constitution and the Nebraska statutes. The district also provides activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction. Under the Public Elementary and Secondary Student Fee Authorization Act, the district is permitted to charge students fees for these activities or to require students to provide specialized equipment and attire for certain purposes. This policy is subject to further interpretation or guidance by administrative or board regulations. Students are encouraged to contact their building administration, their teachers or their coaches, and sponsors for further specifics.

Building administrators will assure that (a) such equipment is available in the appropriate classes and areas of the school buildings, (b) teachers are directed to instruct students in the use of such devices, and (c) students use the devices as required. Students are responsible for using the devices safely and as instructed.

3. Personal or Consumable Items. The district does not provide students with personal or consumable items for participation in courses and activities including, but not limited to, pencils, paper, pens, erasers and notebooks. The district will provide students with facilities, equipment, materials and supplies, including books. Students are responsible for the careful and appropriate use of such property. Students will be charged for damage to school property caused by the student and will be held responsible for the reasonable replacement cost of any school property that they lose.

4. Materials Required for Course Projects. The school district will provide students with the materials necessary to complete all curricular projects. In courses where students produce a project that requires more than minimal cost for materials, the finished product will remain the property of the district unless the students either furnish or pay for the reasonable cost of materials required for the course project.

5. Technological Devices The district is committed to providing student access to technological devices necessary to complete curricular projects/assignments. In grades 6-12 students are permitted to take devices home from school. As with all school property, students will be charged for damage to such devices. To protect against such potential losses, students and parents (Grades 6-12) must pay a lease fee for the devices. The cost of the lease fee is \$25.00 per student or \$50.00 per family. Families must complete a device loan agreement at the beginning of each school year. A student fee waiver and sliding payment scale is available for those who qualify. In the event circumstances require students in grades K-5 to take their technology devices home a lease fee may be implemented to offset the potential cost of damages to those devices.

6. Extracurricular Activities. The school district may charge students a fee to participate in extracurricular activities to cover the district's reasonable costs in offering such activities. The district may require students to furnish specialized equipment and clothing that is required for participation in extracurricular activities or may charge a reasonable fee for the use of district owned equipment or attire. The coach or sponsor will provide students with written guidelines detailing the fees charged, the equipment and/or clothing required, or the usage fee charged. The guidelines will explain the reasons that fees, equipment and/or clothing are required for the activity.

7. Post-Secondary Education Costs. Some students enroll in post-secondary courses while still enrolled in high school. As a general rule, students must pay all costs associated with such post-secondary courses. Students who chose to apply for post-secondary education credit for these courses must pay tuition and all other fees associated with obtaining credits from a post secondary educational institution.

8. Copies of Student Files or Records. The school district will charge a fee for making copies of a student's files or records for the student's parents or guardians. The Superintendent or the

9. Charges for Musical Extracurricular Activities. Students who qualify for fee waivers under this policy will be provided, at no charge, the use of a musical instrument in optional music courses that are not extracurricular activities. For musical extracurricular activities, the school district will require students to provide the following equipment and/or attire:

- Swing choir students must purchase outfits and shoes selected by the sponsor and/or student group.

Waiver Policy.

Students who qualify for free or reduced-price lunches under United States Department of Agriculture child nutrition programs shall be provided a fee waiver or be provided the necessary materials or equipment without charge for (1)

participation in extracurricular activities, (2) materials for course projects, and (3) the use of a musical instrument in optional music courses that are not extracurricular activities. Students are not required to participate in the free or reduced-price lunch program to qualify for the waivers provided in this section. The district is not obligated to provide any particular type or quality of equipment or other material to eligible students. Students who wish to be considered for waiver of a particular fee must submit a completed fee waiver application to their building principal. Application forms are available in each school building office.

Voluntary Contributions to Defray Costs.

When appropriate, the district will request donations of money, materials, equipment or attire from parents, guardians and other members of the community to defray the costs of providing certain services and activities to students. These requests are not requirements, and staff members of the district are directed to communicate that fact clearly to students, parents and patrons.

Student Illness

Students who suffer from a significant illness which has an actual or expected duration of six months or more may be eligible for accommodations and supports under Section 504 of the Rehabilitation Act or under the Individuals with Disabilities in Education Act. The school will provide accommodations to students who are returning to school after a prolonged absence due to illness, including pediatric cancer, through a 504 plan or an IEP, as appropriate. The student's plan will include informal or formal accommodations, modifications of curriculum and monitoring by medical or academic staff as determined by the student's IEP team or 504 committee. Parents and staff will engage in ongoing communication about the needs of a student who is facing these circumstances.

Students who become ill at school will be sent to the building office where the school nurse or other school employee will determine the appropriate response. When a child is too ill to remain at school, a school employee will contact the child's parent(s) and make arrangements for the child to be picked up or sent home. If an illness or injury requires immediate medical attention, school officials shall attempt to contact the child's parent(s) regarding treatment for the child. If the parents cannot be contacted, school officials may have the child treated by an available physician. Students who show symptoms of a contagious disease may be sent home, and the district will require a physician's statement confirming the illness and before allowing such students to return to school.

Student Records

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the School District to amend a record that they believe is inaccurate or misleading. They should write the school principal; clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify them of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District discloses education records without consent to officials of another School District in which a student seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA should be directed to the following:

Student Schedule Changes

Student schedule changes may be made without penalty during the first five school days of each semester. Drop and Add slips are to be obtained from the office of the Guidance Counselor and must be signed by the guidance counselor and building principal before they are presented to the teacher of the class that is to be added or dropped.

Before students are allowed to withdraw from a class, the parents of the student must provide their permission.

Students as Spectators

It is the parent's responsibility to provide supervision for their children while at school activities. Students who are causing disruptions may be asked to sit with their parents or leave if their parents are not in attendance.

Tardiness

Elementary Students

1. Be in the South Gym by 8:25.
2. Students arriving after 8:30 & before 9:15 are tardy. They must report to the office for a pass to class.
3. Students arriving after 9:15 & by 12:00 are considered in attendance for $\frac{1}{2}$ the day.
4. Students arriving after 12:03 or leaving before 11:51 (not returning that day) will be counted as a full day absence.
5. Students leaving after 11:51 without returning will be counted for $\frac{1}{2}$ the day.
6. No absence is counted if students leave after 2:57.

Middle School and High School Students

1. A tardy is defined as not being in your assigned area when the tardy bell rings. Assigned Areas are determined by each teacher.
2. A student reporting to school within the first fifteen (15) minutes of the first period of the school day without a pre-excused absence will be considered tardy. A student that is more than fifteen (15) minutes late for the first period will be considered to be absent or truant for that period. Students must report to the office for a pass to their first period class.
3. For periods two (2) through eight (8), any student who is less than five (5) minutes late to class following the tardy bell will be counted as tardy. A student who is more than five (5) minutes late to class following the tardy bell may be counted as absent or truant. Failure to come to class without an admit slip, when needed, constitutes a tardy or an absence. If an administrator or a teacher keeps a student late, a pass should be written for the student to take to the next teacher.
4. Two (2) tardies per semester will be allowed with no consequences.
5. An office referral with detention time will be assigned on the third tardy (regardless of class or period), and each tardy thereafter for the rest of the semester.

7. Habitual infractions during the semester to the tardy policy may result in additional consequences assigned by the principal.

Telephone Calls

The school's telephone may be used only with permission of staff. Students are not permitted to use

cellular telephones during school hours or on school property without the express permission of a member of the staff.

Threat Assessment and Response

The board of education is committed to providing a safe environment for members of the school community. Students, staff and patrons are urged to immediately report any statements or behavior that makes the observer fearful or uncomfortable about the safety of the school environment.

1. Obligation to Report threatening Statements or Behaviors.

All staff and students must report any threatening statements or behavior to a member of the administration. Staff and students must make such report regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made, or the threatening behavior occurred.

THREATS OR ASSAULTS WHICH REQUIRE IMMEDIATE INTERVENTION SHOULD BE REPORTED TO THE POLICE AT 911.

2. Threat Assessment Team

The threat assessment team (team) shall consist of the superintendent of schools, building principal(s), and local law enforcement. It also could include the school nurse, guidance counselor, members of the mental health profession who would be willing to work with the school. The team is responsible for investigating all reported threats to school safety, evaluating the significance of each threat, and devising an appropriate response.

3. Threat Assessment Investigation and Response

All reports of violent, threatening, stalking or other behavior or statements which could be interpreted as posing a threat to school safety will immediately be forwarded to a member of the team. Upon receipt of an initial report of any threat, the team will take steps to verify the information, make an initial assessment, and document any decision involving further action. This investigation may include interviews with the person who made the statement(s) or engaged in the behavior of concern, interviews with teachers and other staff members who may have information about the individual of concern, interviews with the target(s) of the threatening statements or behavior, interviews of family members, physical searches of the individual of concern's person, possessions, and home (as allowed by law and in cooperation with law enforcement), and any other investigatory methods that the team determines to be reasonable and useful.

At the conclusion of the investigation, the team will determine what, if any, response to the threat is appropriate. The team is authorized to disclose the results of its investigation to law enforcement and to the target(s) of any threatened acts. The team may refer the individual of concern to the appropriate school administrator for consequences under the school's student discipline policy or, if appropriate, report the results of its investigation to the student's individualized education plan team.

4. Communication with the Public about Reported Threats

To the extent possible, the team will keep members of the school community informed about possible threats and about the team's response to those threats. This communication may include oral announcements, written communication sent home with students, and communication through print or broadcast media. However, the team will not reveal the identity of the individual of concern or of

any target(s) of threatened violence if that individual is a minor.

Transportation Services

The district operates school buses as a convenience for students and parents. They represent a substantial investment, and students are expected to care for and respect them.

Transportation to School

Students who ride the bus to school will arrive in time for them to eat breakfast at school. Parents must contact their bus driver if a student will not ride the bus on a given day. Bus drivers endeavor to adhere to their schedule and will wait for riders only a short period of time so as not to jeopardize the time remaining for the rest of their schedule.

Non-resident or option enrollment students may ride the buses. The Transportation Director will schedule bus routes, and questions concerning them should be directed to that office. For routes with drop off points for multiple students where bus drivers wait for parental pick-up and parental contact has been attempted for students who are not picked in a timely manner, law enforcement may be contacted.

Bus Regulations

Riding school vehicles is a privilege, not a right. The bus drivers have the same authority as teachers while transporting students. Students must comply with the following rules and all school conduct rules and directives while riding in school vehicles. In addition, students must also comply with the student code of conduct while riding in school vehicles. If misconduct is recurring, the student will not be allowed to ride the bus.

a) Rules of Conduct on School Vehicles:

- 1) Students must obey the driver promptly.
- 2) Students must wait in a safe place for the bus to arrive, clear of traffic and away from where the vehicle stops.
- 3) Students are prohibited from fighting, engaging in bullying, harassment or horseplay.
- 4) Students must enter the bus without crowding or disturbing others and go directly to their seats.
- 5) Students must remain seated and keep aisles and exits clear while the vehicle is moving.

- 10) Students may not open windows without permission from the driver. Students may not dangle any item (e.g. legs, arms, backpacks) out of the windows.
- 11) Student must secure any item or items that could break or produce injury if tossed about the inside of the vehicle if the vehicle were involved in an accident
- 12) Students must respect the rights and safety of others at all times.

- 13) Students must help keep the vehicle clean, sanitary and orderly.

- 15) Students may not leave or board the vehicle at locations other than the assigned stops at home or school unless approved prior to departure.
- 15) Video cameras are installed to monitor student behavior on the bus.

b) Consequences

Drivers must follow the PBiS protocol for documenting behavior (Behavior Logs). Students who violate the Rules for Conduct will be referred to their building principal for discipline.

This program will promote instant accountability for unsafe behavior. It includes a defined discipline plan to encourage the student to make better behavior choices. Consequences are as follows:

- 1st Offense: Driver/student conference and parent contacted. Student is put on probation and assigned to the front of the bus for 1 week.
- 2nd Offense: Driver/student conference and parent contacted. Student is put on a 2 week bus suspension.
- 3rd Offense: Bus Suspension for the rest of the semester. Upon return the student is assigned the front of the bus. In addition, students and parents must sign a behavior contract.

School officials have discretion to impose any listed punishment they deem appropriate, in accordance with state and federal law and board policy.

Requests to be dropped off at a point **not** on the regular route will not be accommodated, unless extenuating circumstances arise, and the request is approved by the transportation director or administration.

Students who are not regular route riders may not ride the bus home with a friend, unless the parent of the non-route student presents written permission to the bus driver ahead of time. The written permission should include the date, the non route rider's name, the signature of the non-rider's parent, and the place approved for drop off. Such requests may not be granted if they cause overcrowding of buses.

Transportation to Activities

The school district provides transportation to students who are participating in school-sponsored events, and they must ride to those events in a school vehicle. Students who wish to take private transportation home from a school event must submit a release form to the sponsor, which has been signed by that student's parent.

Video Surveillance and Photographs

The Board of Education has authorized the use of video cameras on school district property to ensure the health, welfare and safety of all staff, students and visitors, and to safeguard District facilities and equipment. Video cameras may be used in locations deemed appropriate by the Superintendent. If a video surveillance recording captures a student or other building user violating school policies or rules or local, state, or federal laws, it may be used in appropriate disciplinary proceedings against the student or other building user and may also be provided to law enforcement agencies.

The school district generally prohibits students from taking photographs or making video recordings

on school grounds, in a school vehicle, or at a school event except as provided in this policy or as otherwise required by law. An exception will be made to this policy if photographs or video recordings are necessary to accommodate a student's disability or are required by the student's Individualized Education Plan (IEP) or Section 504 Plan. In no event shall photographs or video recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy. Students who violate this policy may be subject to discipline up to and including expulsion.

Weather-Related School Closing

The Superintendent will occasionally announce an emergency early school dismissal, late start, or cancellation of school due to extreme heat, snow or ice. School closings will be announced on television stations KLKN Channel 8 and KOLN Channel 10 and via Thrillshare by Apptegy, the Mobile Applicant and Notification System. In addition, Facebook and Twitter will be updated with school closing information. Parents should assume that school is open, and a regular schedule is being followed if there is no announcement concerning the school district. Please do not call the school or individual staff members to find out whether school is being canceled. Parents who do not believe it is safe to transport their students to school may keep their students home after contacting the district office; however, the absence will count as a parent excused absence (AE) not as a school excused absence (ASE).

If school is closed due to severe weather conditions, all before and after-school activities and practices will be canceled.

Withdrawal From School

Parents need to notify the school office if they are moving from the district. Students must complete a check-out sheet and return all properties to school prior to departure. If you are 16 or older and are permanently withdrawing from school, it will require completed NDE documentation.

Work Permits

The building principal or other authorized school official shall be responsible for the issuance of work permits for children in accordance with state law.

ACADEMIC INFORMATION

Class Rank

Student class rank shall be determined by using a numeric percentage derived from all classes graded on a percentage basis.

Grades

Students will receive percentage grades for their academic classes.

The grading system for grades 2 - 12 is as follows:

A 100% - 94%

B 93% - 86%

C 85% - 78%

D 77% - 70%

F 69% - 0%

The grading system for grades K – 1 is as follows:

“E” = Excellent

“S” = Satisfactory

“N” = Needs Improvement

“I” = Improving

A student may earn an incomplete score when he or she fails to complete classroom assignments. Any student in grades 6-11 who receives an incomplete will have this grade recorded on his/her permanent record until the required work is completed to the teacher’s satisfaction. If a student does not remove an incomplete by completing the minimum classroom assignments, the incomplete will be calculated as a failing grade in determining the student’s grade point average.

If a student does not remove an incomplete by completing the necessary work within two weeks of the end of the grading period, the incomplete will become a failing grade that the student may make up only by taking the entire course again or enrolling in summer school. The two-week period may be extended by mutual agreement of the teacher, principal, and student.

A student who receives an incomplete during his/her senior year must satisfactorily complete the classroom assignments to participate in the graduation ceremony. Seniors with incompletes will not be dismissed from school attendance until the classroom assignments are completed to the teacher’s satisfaction.

Graduation Awards

The semester grades, by numerical percentage of each student for all scholastic courses shall be averaged to determine Cum Laude status. The students with the highest (98% or higher) shall graduate Summa Cum Laude (Yellow cords). The second highest average (94%-97.99%) shall graduate Magna Cum Laude (White cords). The third highest average (92-93.99%) shall graduate Cum Laude (Blue cords). Students will receive cords for graduation based on their Cum Laude status.

The above averages will be determined, by carrying percentages to the hundredth place. A Senior’s GPA that is calculated for Cum Laude is the cumulative total after 7 semesters. Any student graduating Cum Laude or higher are eligible for the student speaking parts in the graduation ceremony. The High School Principal will determine the process for selecting those speakers.

Graduation Requirements

Students must earn 270 total credit hours in order to graduate from high school.

Required courses and credit hours that students must complete beginning with their Freshman year in order to qualify for the Shelby-Rising City High School Diploma are:

English	40 Semester Hours to include English 9, 10, 11
Social Studies	30 Semester Hours to include: American History, World History and Civics

Mathematics	30 Semester Hours
Science	30 Semester Hours to include:
Visual/Performing Arts	Physical Science and Biology 10 Semester Hours
Electives	90 Semester Hours
Career Education	20 Semester Hours to include: Informational Technology I
P.E. and/or Health	10 Semester Hours
Speech	5 Semester Hours
Personal Finance	5 Semester Hours

Juniors are required to enroll in a math, science, and English course.

Transfer students must meet the minimum hour requirement for graduation both in terms of total number and specific subject areas. Substitutions may be made for deficiencies in required courses, provided that it was not possible to include the courses on the student's schedule while enrolled at this school district.

Parents of students who may not qualify for their high school diploma because of academic deficiencies will be notified of this possibility by the beginning of the second semester of the student's senior year.

Homework

Classroom teachers may assign homework. Parents who have questions about homework or concerns about class work should contact the teacher. Questions not resolved by the teacher should be referred to the building Principal.

Each student is expected to spend some time preparing for studies outside of school hours. The amount of time that is needed will depend upon each student.

Students who struggle to complete assignments or who must spend an inordinate amount of time completing an assignment should seek the help and advice of their teachers.

Honor Roll

To qualify for the Honor Roll, a student must have earned a grade of 86 or above in all subjects. To qualify for the Roll of Excellence, a student must have earned a grade of 94 or above in all subjects.

Any student who receives an "I" Incomplete in any subject is not eligible to be on the Roll of Excellence or Honor Roll.

Mid-Term Graduation

Students are generally required to attend four years of high school to be eligible to receive a diploma from the school district.

The Board of Education, upon receiving administrative recommendation, may grant mid-term exit from high school to students who have completed the requirements for graduation. To be considered for mid-term exit from high school, the student and his/her parents or guardian must apply on or before the April Board Meeting of the student's Junior year. The Board of Education will act on all requests. Any student who is granted mid-term exit from high school forfeits all privileges of high school enrollment, except the right to participate in commencement exercises.

Report Cards

Grades are continually updated and available via the PowerSchool Student Information System. This is a great place for students and parents to monitor academic progress. Please contact the school if you need assistance in setting up your account. Report Cards at the end of each semester will be sent home once grades are finalized for that semester.

STUDENT DISCIPLINE

General Discipline Philosophy

The school district has the authority to discipline students who behave inappropriately on the way to school, at school, during lunch, on the way home, and at all school activities (home and away or any time while on school or district property).

The school district's discipline is guided by the following principles:

1. The school district's discipline policy is intended to ensure that students take responsibility for their behavior.
2. Behavior expectations and the consequences for failing to meet those expectations will be clearly communicated to all students and their parents.
3. The severity of consequences for violating behavior expectations will generally be progressive in nature. That is, sanctions will increase with each instance of misconduct; however, each instance will be assessed on its own facts, and sanctions will be imposed based on the severity of the misconduct.
4. Parents play a vital role in supporting and reinforcing the school district's expectations of their students.
5. Behavior expectations apply to all students; consequences are enforced consistently without regard to a student's academic record or achievement.

Extracurricular activities are governed by the Student Activity Handbook. Students who are involved in extracurricular activities may face consequences related to the activity in addition to the consequences discussed in this handbook.

The school district reserves the right to refer to the appropriate non-school agency any act or conduct of its students which may constitute a crime under federal, state, county, or local law. The administration will cooperate with these agencies in their investigations.

Forms of School Discipline

Administrative and teaching personnel may take actions regarding student behavior which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. The actions may also include in-school suspensions during the day. When in-school suspensions, after-school assignments, or other disciplinary measures are assigned, the student is responsible for complying with such disciplinary measures; and a failure to serve such assigned discipline as directed will serve as grounds for further discipline, up to expulsion from school. District administrators may develop building-specific protocols for the imposition of student discipline.

In this section, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any student who is suspended or expelled from school pursuant to this section may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

After School Sessions and Detentions

Teachers and administrators may require students to stay after school or to serve detention when the student violates any of the rules contained in this handbook or violates classroom-specific conduct rules set by individual teachers.

Students who ride the bus home from school will be given a 24-hour notice of after school time or a detention so that the parents may make plans to pick up the student the following day. A student who has a conflict with an after-school session is responsible for working it out with the teacher or Building Principal.

- A student who fails to attend an after school session may be given detention by the teacher or may face additional disciplinary consequences up to and including long-term suspension and/or expulsion.
- A student who fails to serve their detention may not be allowed to participate in activities.
- Detentions are 30 minutes, served in the office or designated detention room.

In-School Suspension

The Building Principal may require a student to serve in-school suspension. Students not completing the requirements of ISS will face further disciplinary action. The student is expected to complete all work assigned & WILL receive credit for all completed work. Students who earn ISS are not allowed to participate or attend student activities. This includes activities such as NSAA sponsored events. There will be zero tolerance for behavior problems for students placed in ISS.

The Building Principal will make the final determination if a specific activity qualifies.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Short-Term Suspension

The principal may suspend a student up to 5 school days for conduct which constitutes grounds for expulsion under the law or violates the rules of the Board of Education and/or the school.

1. The principal will investigate.
2. The student will receive oral or written notice of the charges and reason for the suspension. They will also be told the basis of the evidence used to make the decision.
3. The student will be given the opportunity to present their version of the story.
4. An attempt to notify parents will be made within 24 hours.
5. A conference for re-entry to school may take place with parents.

The student is expected to complete all work assigned & WILL receive credit for all completed work. Students who earn OSS are not allowed to participate or attend student activities at home or away. Students in OSS are not allowed on school grounds without permission from the Building Principal.

Long-Term Suspension

Students may be excluded, by the Principal, from school or any school function for a period of more than five school days but less than twenty school days (long term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

On the date of the decision, a written charge and a summary of the evidence supporting such charge shall be filed with the superintendent. The school will, within two days after the decision, send written notice by registered or certified mail to the student and his or her parent or guardian informing them of the rights established under State Law 79-254 & 79-296. Refer to board policy for an outline of what will be included in the letter.

Expulsion

1. Meaning of Expulsion. Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

2. Summer Review. Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the

student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise, the student may be readmitted by action of the Superintendent.

3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.

4. **Alternative School or Pre-expulsion Procedures.** The school shall provide either an alternative school, class or educational program for expelled students or shall follow the pre-expulsion procedures outlined in Neb. Rev. Stat. 79-266.

The following procedures shall be followed with regard to any long-term suspension, expulsion or mandatory reassignment.

1. On the date of the decision to discipline, the Principal shall file with the Superintendent a written charge and a summary of the evidence supporting such charge.
2. The Principal shall serve the student and the student's parents or guardian with a written notice by registered or certified mail or personal service within two school days of the date of the decision to recommend long-term suspension or expulsion. The notice shall include the following:
 - a. The rule or standard of conduct allegedly violated and the acts of the student alleged to constitute a cause for long-term suspension, expulsion, or mandatory reassignment, including a summary of the evidence to be presented against the student;

7. If a request for hearing is not received within thirty calendar days following the mailing or delivery of the written notice, the student shall not be entitled to a hearing. In the event a hearing is requested, the hearing, hearing procedures, the student's rights and any appeals or judicial review permitted by law shall be governed by the applicable provisions of the Nebraska Student Discipline Act (Neb. PBiS – Positive Behavioral Interventions and Supports

PBiS is a process to increase student achievement and success while decreasing students' challenging behaviors. By working together, staff, students, and parents help create a safer more effective environment. Behavior expectations are defined, taught, and reviewed with all students. The expectations are posted throughout the school in designated areas. We encourage parents to use the same expectations and rules that the school teaches. This common language creates consistency and a unified support for expected student behavior.

We know that when good behavior and good teaching come together, our students will excel in their learning. Our strategies are based on the belief that:

“Positive behaviors from adults and students lead to an improved learning environment and increased learning.”

Our consistent school rules are:

- ◆ Be Responsible
- ◆ Active Learning

◆ Respect Others and school

◆ Keep Safe

These four rules apply to all areas of the school buildings and grounds. Classroom teachers also post their individual rules and expectations for their academic areas.

Students earn '**Positive Paws**' for positive behaviors. '**Paws**' are posted at the entryways and a copy is sent home to parents. Any staff member can give out 'Paws' to students. Drawings are held monthly for the students & staff to win prizes as rewards for their positive behavior!

Consequences are given to student non-compliant behaviors. These fall into 2 groups, Minor and Major according to the definitions within the program guidelines (see Student Behavior Management Process Flowchart). Students who exhibit poor choices that are defined as Minor behaviors are retaught the expectation and acknowledge this choice by signing a Behavior Log. Students who display behaviors identified as Major are referred to the Building Principal for consequences of their actions. Serious infractions that result in suspension (ISS and OSS) or expulsion have been outlined in the "Guidelines for Various Infractions" section of this handbook.

NATIONAL HONOR SOCIETY - (NHS)

Shelby-Rising City Public Schools will sponsor a Chapter of the National Honor Society by developing local procedures that are in accordance with the National guidelines.

Participants

Principal: Appoints a faculty member to serve as sponsor and other faculty to serve as council members for the NHS. The principal is in attendance at all council meetings as a non-voting participant.

Sponsor: Faculty member who is appointed to serve as advocate for the Shelby-Rising City Chapter of NHS. The sponsor is in attendance at all meetings as a non-voting participant. Sponsor duties include, but are not limited to: organize all Chapter activities, including election, disciplinary and dismissal procedures; chair all Faculty Council meetings, and anything else that pertains to NHS.

Faculty Council: A 5-member faculty team is responsible for voting on matters pertaining to the Chapter, including election, discipline and dismissal of members. An individual faculty member serves in two-year blocks of time and membership on the team is rotated through the secondary faculty.

Candidates: Any Shelby-Rising City 11th or 12th grade student who meets the criteria.

Criteria for Membership

Scholarship: The member must maintain a minimum grade point average (GPA) of 93%.

Service: The member upholds scholarship and is loyal to the school, participates in some outside activity (scouts, church, volunteer work in school, home or community), works well with others while assuming difficult responsibilities, cheerfully renders requested service to the school, represents the class or school in inter-class or inter-school activities, does committee work without complaining, shows courtesy by assisting visitors, teachers, and students.

Leadership: The member promotes school activities, influences peers in upholding school ideals, improves civic life in the school, has a positive attitude, inspires positive behavior in others, holds office or other positions or responsibility, is dependable and accepts responsibility, demonstrates leadership at home, school, work, and community.

Character: The member takes constructive criticism willingly, exemplifies desirable qualities of behavior, upholds principles of morality and ethics, cooperates and complies with school regulations, demonstrates honesty and reliability, shows courtesy, concern and respect for others, observes school instructions and rules, is truthful and avoids cheating, actively works to rid the school of negative influences.

Selection Process

Beginning with the class of 2016: At the end of second semester, the guidance counselor will inform the Sponsor of all students (those entering 11th and 12th grade) who have a minimum GPA of 93%. The Sponsor will inform students at the beginning of the next school year, that they meet the scholarship criteria. The student will be asked to complete a questionnaire indicating their desire to be selected as a member of NHS. Once students complete the questionnaire and return it to the Sponsor, the Faculty Council will evaluate the materials. The Faculty Council will conduct an interview with each of the candidates prior to final selection. The Faculty Council then evaluates the student questionnaire, the interview and the faculty responses. The Faculty Council will make their decision on the applicant's candidacy by having each Council member assign a number value from 1 to 10 for each criterion: scholarship, leadership, service, character and the interview for each applicant. The minimum value

given for scholarship has been determined to be 8. Those students whose point total averages 40 or above will receive a letter notifying of their selection for membership. A parent and student meeting will take place prior to the candidate submitting a letter of acceptance or refusal into the organization. Induction will be held during September and students become active NHS members after the initiation ceremony.

Disciplinary Procedure

A member who fails to adhere to all criteria will be subjected to the NHS members predetermined point system that will be used to help the Faculty Council determine when a member needs to receive a warning or possible dismissal from NHS. If a member accumulates less than half the points for dismissal in a year, the points accumulated will be dismissed and a clean slate will occur for the next school year. If a member has accumulated one-half or more of the points that could lead to dismissal, those points will be rolled over into the new school year for returning students.

A member who fails to adhere to all the criteria may be dismissed from the Chapter by a vote of the Faculty Council. Members will not be dismissed from NHS without receiving a written warning from the Sponsor identifying and detailing the deficient criteria. The decision to issue a warning will be by majority vote of the Faculty Council or a predetermined point accumulation. In the case of scholarship, a warning will be issued if a member's cumulative average falls below a 93%. The member must raise the average to 93% or above by the following semester's grading period to remain a member. If other criteria are not being met, a member will not be allowed a second violation of the indicated deficiency, nor would they be allowed other additional deficiencies. A vote for dismissal does not require a second warning before the action of the Council.

Exception: No warning is required if a member is guilty of, or confesses to, violating school rules that require a long term suspension or an expulsion; also, no warning is required if a member is found guilty of, or confesses to, any action of flagrant violation of civil laws or school laws.

The School District will:

All coaches and volunteers are required to complete the NFHS concussion training course annually. A certificate indicating completion of the course will be required to be submitted to the activities director annually.

On an annual basis provide concussion and brain injury information to students and their parents or guardians prior to such students initiating practice or competition. This information will include:

1. The signs and symptoms of a concussion;
2. The risks posed by sustaining a concussion; and
3. The actions a student should take in response to sustaining a concussion, including the

notification of his or her coaches.

A student who participates on a school athletic team must be removed from a practice or game when he/she is reasonably suspected of having sustained a concussion or brain injury in such practice or game after observation by a coach or a licensed healthcare professional. The student will not be permitted to participate in any school supervised team athletic activities involving physical exertion, including practices or games, until the student:

1. has been evaluated by a licensed healthcare professional;
2. has received written and signed clearance to resume participation in athletic activities from the licensed healthcare professional; and
3. has submitted the written and signed clearance to resume participation in athletic activities to the school accompanied by written permission to resume participation from the student's parent or guardian.

- M. The school district will not provide for the presence of a licensed healthcare professional at any practice or game.

- P. The Shelby-Rising City Public Schools provides its participants with the best equipment possible. Therefore, participants will be expected to return the equipment in reasonable condition at the end of the season. If it is not returned or is not in reasonable condition the participant will be expected to pay the replacement cost.
- Q. Participants under school suspension, expulsion, or exclusion from school as established in Board policies are ineligible to practice or participate during the term of the suspension, expulsion, or exclusion.

For example, if a participant is given a suspension for Monday, the participant will not be allowed to participate in any activity on Monday. If a participant is given a two day suspension for Monday, and Tuesday, the participant will not be allowed to participate Monday or Tuesday.

- R. A performance will always have preference over a practice with regard to student participation. The instructor that has the performance will set the times that he/she feels is necessary for the adequate dismissal, transportation, setting up of equipment, and performance of his/her participants. If there is an issue involving dismissal from school or practice, the activities director will make the final decision as to dismissal time.

No current varsity uniforms will be used for this purpose other than All-Star competition.

ANY NON-COMPLIANCE WITH THESE STANDARDS CAN AND WILL RESULT IN PUNITIVE MEASURES BEING TAKEN AGAINST ANY STUDENT FAILING TO COMPLY WITH THESE STANDARDS."

It shall be the policy of Shelby-Rising City School District No. 72-0032 to review biennially its entire program

1. SCOPE

1.1 The following regulations will begin the first day of allowed practice at the start of each school year, (as established by the NSAA) or the first day of an organized activity or practice should the practice or activity start before the NSA established date. They will end on the last day of Student attendance in school except in the case of school sponsored activities that extend beyond the last day of school.

2. PROHIBITED CONDUCT

2.1 The following student conduct shall constitute grounds for imposition of the penalties described in paragraph 3 of these rules.

2.1.1 Use of violence, force coercion, threat, intimidation or similar conduct that constitutes a substantial interference with school purposes. 2.1.2 Causing or attempting to cause physical injury to anyone. Physical injury caused by accident, self defense or other action undertaken on the reasonable belief it was necessary to protect some other person shall not be a violation of this rule.

2.1.3 Threatening or intimidating any student for the purpose of, or with the intent of, obtaining money or anything of value from such student.

2.1.4 Knowingly possessing, handling or transmitting any object or material that is ordinarily or generally considered a weapon, when such activity occurs on school grounds or during an educational function or even off school grounds.

2.1.5 Willfully causing or attempting to cause substantial damage to property, stealing or attempting to steal property.

2.1.6 Engaging in the possession, selling, dispensing or use of a controlled substance, including anabolic steroids, alcohol and tobacco products(including but not limited to cigarettes, cigars, and chewing tobacco, vapor products(such as e-cigarettes).

2.1.7 Public indecency.

2.1.8 Engaging in any other activity forbidden by the laws of the State of Nebraska which activity constitutes as a Class III Misdemeanor or greater.

2.1.9 Engaging in any other activity on school grounds or during an educational function or even off school grounds that constitute a danger to other students, to teachers, and other persons or interferes with school purposes.

2.1.11 If a student attends a party/gathering, where alcohol or drugs are being illegally dispensed, the student must leave the party/gathering immediately (LEAVING MEANS LEAVING IMMEDIATELY) and report their attendance to a coach or administrator before the end of the next school day. Self reporting by the student in this case does not constitute a violation of policy 2.1.6 and a possible two event suspension, as long as the student leaves the gathering immediately.

3. PENALTIES

3.1 The term extracurricular events, used in this and following paragraphs, means a game, performance, contest, or demonstration of an interscholastic or extracurricular activity performed for the public, or in a competition that is not public.

The following penalties shall be imposed by the Principal upon knowledge of a violation or violations of the participation rules. Penalties for first and second violations may be reduced as described in paragraph 4.

3.2.1 For the first violation of participation rules, the student shall not participate in four (4) consecutive extracurricular events. The student shall remain a part of all teams or activities and shall continue to practice as scheduled. (See paragraph 3.2.5 for an example of this rule).

3.2.2 For a second violation of the participation rules occurring in the same school year as the first violation, the student shall not participate in six (6) consecutive extracurricular events. The student shall remain a part of all teams or activities and continue to practice. (See paragraph 3.2.5 for example of this rule).

3.2.3 For a third violation occurring in the same school year as the first and a second violation, the student shall not participate in any extracurricular activities for one calendar year. The student must obtain and complete counseling at the student's expense before participating in any activity in the following school year. A letter from the counselor to the Principal shall be evidence that a course of counseling has been completed.

3.2.4 A student's non-participation in any interscholastic or extracurricular activity after imposition of a penalty will not cancel the penalty. The penalty will resume, when the student next participates in an interscholastic or extracurricular activity which may carry over to the next school year.

3.2.5 Penalties imposed for first and second violations include events in all activities in which the student is eligible to participate. For example a penalty barring participation in four events might include one football game, one marching band contest, one vocal music performance, and one basketball game. Barring from participation in events incurred by the student as a result of an expulsion, suspension, or academic ineligibility do not detract from the total number of events a student is barred from as a result of the disciplinary action outlined by Board Policy 300.32; Sections 3.2.1 and 3.2.2.

3.2.6 For the first violation of prohibited conduct policy 2.1.6 (possession of alcohol, drugs or tobacco) the student shall complete an online drug and alcohol program. Following completion of the program the student will present the principal and activities director a certificate of completion that can be printed at the end of the program. Parents are encouraged to participate in the online program with their son/daughter.

4. PENALTY REDUCTION

4.1 A student who has received a penalty for a first or second violation of the participation rules may have such a penalty reduced by using one of the following procedures.

4.1.1 A student shall have two extracurricular events restored if he or she, or his or her parents have admitted a violation of the participation rules to the Principal, Athletic Director, or Superintendent within two school days or before participating in any scheduled activity.

4.1.2 A student shall have participation in two extracurricular events restored upon completion of an alcohol education or counseling program approved by the school administration. The student shall pay the counseling program expense.

5. SCHOOL KNOWLEDGE OF ALLEGED VIOLATION

5.1 Any adult resident, parent of any student, teacher, or administrator of Shelby-Rising City Public School District may report a violation of the participation rules to the Principal, Athletic Director, or Superintendent in a signed written statement containing his or her first hand observation.

5.2 Any adult may advise the Principal that a student has violated a participation rule where law enforcement personnel may be involved. Upon receipt of such information the principal shall determine whether or not a complaint has been filed in any court. If a complaint has been filed and states that a student has committed acts which violate the participation rules the Principal shall impose the appropriate penalty upon the student. Any student or his or her parents may admit a violation of the participation rules within two (2) school days. If

the Principal determines that a participation rule has been violated the appropriate penalty shall be imposed.

5.3 Cyber Image Policy- Any identifiable image, photo or video which implicates a student to have been in possession or presence of drugs or portrays actual use, or out of character behavior or crime, shall be confirmation of a violation of the code. Since there is no way to establish a timeframe for when or location of where the image was taken, it shall be a responsibility that the student must assume. It must also be noted that there may be persons, who would attempt to implicate a student, by taking such images, to place them in a situation where they might be in violation of this code standard. This is our rationale for demanding that our students not place themselves in such environments.

6. NOTIFICATION

The Principal will send a written statement to the student and his or her parents informing them of any penalty imposed within three (3) school days. A student or the student's parents may, within five (5) school days of the notice of disciplinary action from the principal, may notify the Superintendent in writing of their request for a review of the Principal's determination. The Superintendent, Athletic Director and a coach shall review the situation and render a decision within three (3) school days from the date of the request for review. Their decision shall be in writing and shall be final.

5. These are the steps to be followed for conflict resolution:

SHELBY-RISING CITY HUSKIES ATHLETIC CODE OF CONDUCT

As a member of A Shelby-Rising City High School athletic team, there are certain standards you must live up to. You are expected to attend school regularly, maintain complete and passing grades in all classes, follow all school and team rules, and act in such a manner that represents you, your team, your school, and your community positively. To make this process as objective as possible, the following point system will be used to determine consequences for failing to live up to these standards.

Every participant starts the season with a clean slate of zero points. The point values assigned to different actions are then added as necessary.

When a student in **high school** accumulates a total of four (4) points, he/she will be required to sit out the next contest he/she will normally participate in. Every multiple of four points (4, 8, 12) will require missed contest. A participant accumulating **more than** twelve (12) points will be dismissed from the activity, having no chance to letter or earn any post-season honors such as all-district or all-state.

When a student in **Jr. High** accumulates a total of six (6) points, he/she will be required to sit out the next contest he/she will normally participate in. Every multiple of six points (6, 12) will require a missed contest. A participant accumulating more than twelve (12) points will be dismissed from the team.

Infraction

Points

Late for game, practice, meeting, lifting, or any activity where time is set.

1 per occurrence

Penalty time such as: detention, stay after school, come in before school, strike.

1 per occurrence

Unexcused absence from game, practice, meeting, lifting session, or activity called by the coach.

2 per occurrence

Suspension - in school or out of school

2 per each day of suspension

Exception: Missing a weight session after missing practice will not be further penalized, as it is considered an extension of practice.

Infractions out of Students Control: If a situation has occurred where it is out of the control of the participant, the activities director and the administration team will determine if the participant is in violation of the control of conduct.

- a. Missing a game due to being ineligible is considered an excused absence, since you are already being punished by the school, and no points will be added for the miss. You will still accumulate the necessary points for being on the eligibility list. If you are ineligible, you are still expected to attend all practices or games that are outside school hours or points can be assessed.
- b. Missing a game or practice is considered an excused absence, since you are already being punished by the school, and no points will be added for the miss.
- c. High school participants missing a game due to accumulating four(4), eight(8), or twelve(12) points is considered an excused absence and no points will be added for the miss.
- d. Jr. High participants missing a game due to accumulating six(6) or twelve(12) points is considered an excused absence and no points will be added for the miss.
- e. Participants are still expected to attend games they are unable to participate in because of the school eligibility policy or this code of conduct if the participant is not missing any of the school day.
- f. Participants are still expected to practice if they are unable to participate in games because of the code of conduct.

INTRODUCTION

This handbook provides information to persons who are employed by the school district and are referred to in this handbook as employees, staff, or staff members. It is designed to provide practical information about the daily operation of the schools in the district and contains building and district directories, safety and emergency information, as well as district policies and procedures. Each staff member should carefully review this handbook. The administration and the board of education continually review policies and procedures, so staff members should discuss comments, concerns or suggestions about this handbook with their building principal or another member of the administrative staff.

This handbook does not create a "contract" of employment. Staff positions and assignments that do not require a teaching certificate or are not otherwise governed by the teacher tenure laws may be ended or changed on an at-will basis notwithstanding anything in this handbook or any other publication or statement, except a contract approved by the board of education.

Many situations may arise that are not covered by this handbook. In those instances, staff members should use their own good judgment or consult with the administration. If any information contained in this handbook conflicts with board policy or state statute, the policy or statute will govern.

The provisions in this handbook are subject to change at the sole discretion of the Superintendent and the Board of Education. From time to time, you may receive updated information concerning changes in the handbook. These updates should be kept within the handbook so that all procedures can be kept up to date. If you have any questions regarding this handbook, please ask your supervisor or the Superintendent for assistance.

Your suggestions about ways to improve the school are welcome and will always be considered.

NONDISCRIMINATION IN EDUCATION PROGRAMS AND ACTIVITIES

This school district does not discriminate on the basis of race, color, religion, national origin, sex, marital status, disability, military or veteran status, or age or in admission or access to, or treatment of employment, in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. Any person having inquiries concerning this school district's compliance with the regulations implementing Title VI, Title IX, or Section 504 is directed to contact Superintendent Doug Kluth dkluth@shelby.esu7.org in writing at PO Box 218, Shelby, NE 68662 or by telephone at (402) 527-5946. For further assistance, you may also contact Office for Civil Rights (Kansas City Office), U.S. Department of Education, 8930 Ward Parkway, Suite 2037, Kansas City, MO 64114-3302, Telephone: 816-268-0550, FAX: 816-823-1404; TDD: 877-521-2172, Email: OCR.KansasCity@ed.gov.

DRUG-FREE WORKPLACE REQUIREMENTS

The unlawful manufacture, distribution, dispensing, possession or use (influence) of a controlled substance during working hours is prohibited by personnel of the school district. The use of such substances by the personnel of the school district during working hours poses a danger to the students and other school personnel.

Prohibited drug activity on school premises or at any school-sponsored activity or event shall include engaging in the unlawful possession, selling or dispensing of look-alike drugs, controlled substances or alcoholic liquor. Look-alike drugs are those drugs which are not controlled substances but are represented as such, including chemicals which elicit the same effect such as K2 or spice. Personnel who are guilty of drug abuse violations in the workplace shall be given a list of agencies for drug counseling and rehabilitation. Employees of the school district shall have appropriate personnel action taken against them, up to and including immediate cancellation of their employment, in the event of drug use, as defined herein, on school premises or at any school-sponsored activity or event.

Each employee of the school district shall have available to them a copy of this policy relating to a drug-free work environment. It shall be a condition of employment with the district that all employees abide by the terms of this policy. Any employee of the school district shall notify the administration of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction. Within 30 days of receiving notice from an employee of the school district who has been convicted of any criminal drug statute occurring in the workplace, appropriate personnel action against such employee, up to and including termination, or requiring such employee, at the employee's expense, to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency, shall occur.

The purpose of this policy is to prohibit the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance by any employee of the school district during that employee's working hours or while that employee is on duty. Accordingly, the term "workplace" includes every location where a school district employee may be found during his or her working hours or while he or she is on duty, whether or not such location is on school district property or within the geographic limits of the school district.

POLICIES AND PROCEDURES REGARDING ALL STAFF

Accidents and Injuries

Staff must inform the building office immediately of all accidents and/or injuries to students or staff, and complete the appropriate accident form which is available from the office secretary or on Google Drive - Forms. The accident form must be returned to the office within twenty-four hours.

Activity Accounts and Fundraising

Activity accounts are handled through the superintendent's office. No student or sponsor may make any purchase without a signed purchase order from the activities director, principal, or superintendent. **Purchases made without permission are the personal obligation and responsibility of the purchaser.**

The superintendent is responsible for authorizing any fundraising on the part of student activities. **No fundraising may occur without express administrative permission.** Steps for groups that want to fundraise:

1. Requests should be done annually and do not assume if it was done in prior years it will be automatically allowed again.
2. Make a written request to your Principal with an explanation of the type of fundraiser, dates of sales/event, and purpose for the funds at least four weeks prior to it beginning.
3. Upon approval it will be placed on a fundraising calendar to assist other groups to avoid scheduling over it or duplicating the product.
4. No more than two (2) sales fundraisers may be done by any one organization.
5. Service fundraisers (i.e. Concession Stand, Burger Feed, Community Service, Hired Hand Auction, or any free-will donation event) also need approval, but will not be limited in number.

All club or camp accounts associated with school-sponsored activities or employees that are not directly funded by the school are required to have a district administrator as a co-signee for the account.

Activity Tickets

All certified & classified staff, spouses and their school-age children (PK-5th Grade) will be admitted to home games (athletics only) free of charge. Activity tickets will be issued to staff through the Activities Director per conference rules.

Agents, Salesmen and Other Business Representatives

All business representatives calling on school matters must obtain

permission from the superintendent or building principal before conferring with staff. Staff must determine whether the business representative has been granted permission before discussing business matters. Classroom teachers may not interrupt class work to confer with such representatives.

Staff may not use school time or school facilities for any personal activity for personal financial gain or confer with any business representative for personal business during school time.

Announcements and Circulars

No announcements (verbal, written, or digital) shall be made by any school group without authorization of the principal or superintendent.

Any circulars or advertising displayed within the school shall have the approval of the building principal or superintendent before posting. Outside organizations will be limited to where and how long postings may appear.

Bulletin boards, video/TV displays, and display cases are available for school-related and approved materials to be posted and displayed. Posters to be used in the halls or materials for distribution will need to be approved by the Principal's office. Posters are not to be attached to any painted wall surfaces. The person or organization responsible for distributing the posters is responsible to see that all posters are removed within 48 hours after the event.

Daily announcements are created online and a link to those announcements are available on the District website (www.shelby.esu7.org). You are strongly encouraged to read those daily.

Background Checks

Upon initial hiring, all employees of the District will have a background check conducted as part of the safety and security policy. Anyone who works with students, whether paid or volunteer, will also be subject to initial background check prior to being granted permission to assist or being hired.

As necessary, the Superintendent of Schools may authorize a background check to be conducted on a current employee or volunteer if it is deemed in the best interest of the district.

Bell Schedule

Refer to Appendix A for building bell schedules.

Board Policies

The Board of Education has adopted policies that govern the operation of the school district. A complete policy manual is available on the **district's website** or in the main administrative office. These manuals will be

updated as the board adopts new policies or modifies existing policies. In particular, the 400 series deals with policies that affect personnel. Topics not covered expressly in the Staff Handbook may be addressed in District Policy.

Calendar

Each winter a committee works with the administration to determine the best possible school calendar for the following year that meets Nebraska Department of Education Rule 10 guidelines and creates the best educational opportunities for our students. The yearly calendar is available in **Appendix O** or on the District website.

Child Abuse (Board Policy 403.02)

School employees who have reasonable cause to believe that a child has been subjected to child abuse or neglect or observe a child being subjected to conditions or circumstances which reasonably would result in child abuse or neglect will report the suspected abuse or neglect according to the following procedure.

1. Any school employee who has reasonable cause to believe that a child has been abused or neglected shall report the suspicion to the building Principal immediately.
2. The principal and the school nurse and/or the school guidance counselor shall, whenever possible, investigate the concern within 24 hours of receiving the initial report. The school staff shall endeavor to conduct this investigation in a manner that does not interfere with any current or future investigation by law enforcement. When the principal determines that a report should be made through the district, he or she shall make a report to the office of social services or law enforcement. The principal shall inform the employee(s) who made the initial report whether he or she has made a report to the office of social services or law enforcement. If no such report has been made, the employee(s) shall file such a report if he, she or they have reasonable cause to believe that a child has been abused or neglected.
3. Any doubt or question in reporting such cases shall be resolved in the favor of reporting the suspected abuse or neglect. Consultation between the administrator and school employee is encouraged, keeping in mind that prompt reporting is essential.

Community Organization-Request For Student Participation

Representatives of any community organization wishing to use any students or group of students shall make arrangements through the Principal.

Permission for absence will not be granted to participating students without due consideration as to the student desired and the nature of the program.

Commuters (Staff not living in-district)

Teachers that commute to Shelby-Rising City Public Schools for employment are expected to be subject to the same Board expectations as to extra duty participation, attendance, and arrival and departure etc. as teachers who reside locally. If car pools are used, members of the pool must drive separately on those occasions when one pool member must arrive at school after 8:00 a.m. or leave school before 4:00 p.m. The necessary absence or early departure of one pool member must not affect arrival and departure of others.

Complaint Procedure

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to board members, patrons, students and school staff, unless the staff member is subject to a different grievance procedure pursuant to policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems. When such efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth below:

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant believes speaking directly to the person would subject complainant to discrimination or harassment.
2. The second step is for the complainant to put the complaint in writing to the Building Principal, Title IX/504 coordinator, Superintendent of Schools, or President of the Board of Education, as set forth below.
 - a) Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.
 - b) Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.
 - c) Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.

- d) Complaints involving discrimination or harassment on the basis of race, color, national origin, gender, marital status, disability, or age may also be submitted, at any time during the complaint procedure to the School District's Title IX/504 coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.
3. When a complainant submits a complaint to an administrator or to the Title IX/504 coordinator, the administrator or Title IX/504 coordinator shall promptly and thoroughly investigate the complaint, and shall:
- a) Determine whether the complainant has discussed the matter with the staff member involved.
 - 1) If the complainant has not, the administrator or Title IX/504 coordinator will urge the complainant to discuss the matter directly with that staff member, if appropriate.
 - 2) If the complainant refuses to discuss the matter with the staff member, the administrator or Title IX/504 coordinator shall, in his or her sole discretion, determine whether the complaint should be pursued further.
 - b) Interview the complainant to determine:
 - 1) All relevant details of the complaint;
 - 2) All witnesses and documents which the complainant believes support the complaint;
 - 3) The action or solution which the complainant seeks.
 - c) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the administrator or Title IX/504 coordinator received the complaint.
4. A complainant who is not satisfied with the administrator's or the Title IX/504 coordinator's decision regarding a complaint may appeal the decision to the superintendent.
- a) This appeal must be in writing.

- b) This appeal must be received by the superintendent no later than ten (10) business days from the date the administrator or Title IX/504 coordinator communicated his/her decision to the complainant.
 - c) The superintendent will investigate as he or she deems appropriate. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d) Upon completion of this investigation, the superintendent will inform the complainant in writing of his or her decision. If the complaint involved discrimination or harassment, the superintendent shall submit the decision within 180 days after the superintendent received complainant's written appeal.
5. A complainant who is not satisfied with the superintendent's decision regarding a complaint may appeal the decision to the board.
- a) This appeal must be in writing.
 - b) This appeal must be received by the board president no later than ten (10) business days from the date the superintendent communicated his/her decision to the complainant.
 - c) This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment shall be promptly and thoroughly investigated.
 - d) The board will notify the complainant in writing of its decision. If the complaint involved discrimination or harassment, the board shall submit its decision within 180 days after it received complainant's written appeal.
 - e) There is no appeal from a decision of the board.
 - f) Board Policy 403.05 and 1005.01 may be used as procedural references to the complaint process.
6. When a formal complaint about the superintendent of schools has been filed in writing with the president of the board, the president shall promptly and thoroughly investigate the complaint, and shall:
- a) Determine whether the complainant has discussed the matter with the superintendent.

- 1) If the complainant has not, the board president will urge the complainant to discuss the matter directly with the superintendent, if appropriate.
 - 2) If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should be pursued further.
- b) Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting.
 - c) Respond to the complainant. If the complaint involved discrimination or harassment, the response shall be in writing and shall be submitted within 180 days after the president received the complaint.

The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Computers and the Internet: Acceptable Use by Staff

Internet access is an important tool for keeping up to date with current education issues, for conducting personal research to enhance management, teaching and learning skills, and as a means of communication. Staff members must refer to and comply with the board policy regarding Staff Internet and Computer Use.

1. Acceptable Use

- a) Staff may use the Internet to conduct research for instructional purposes.
- b) Staff may use the Internet for school-related e-mail communication with fellow educators, parents and patrons.
- c) Staff may use the Internet for any other use which serves a legitimate educational purpose.
- d) Classroom teachers are encouraged to integrate the use of electronic resources into the classroom. However, teachers are cautioned that the quality and integrity of content on the Internet is not guaranteed. Teachers must examine the source of the information and provide guidance to students on evaluating the quality of information they may encounter on the Internet.

2. Unacceptable Use

- a) Staff shall not access material that is obscene or pornographic.

- b) Staff shall not engage in any illegal activities on school computers, including the downloading and copying of copyrighted materials.
- c) Staff shall not use chat rooms or instant messaging – unless it is a secure portal for school use only.
- d) Staff shall not access social networking sites such as (but not limited to) Facebook and Twitter on school computers or during school time unless such access is for an educational activity. Please refer to Board Policy 0403.07 on Employee Use of Social Networks.

Staff must check with the superintendent or his designee prior to posting any student-related information on the Internet.
- g) Staff shall not share their passwords with anyone, including students, volunteers or fellow employees.

3. **Methods of Enforcement**

- a) The school district monitors all e-mail and other Internet communications, as well as Internet usage and patterns of Internet usage. The school district owns the computer system, and staff members have no right of privacy to any Internet communications or other electronic files. As with any school property, electronic files on the system are subject to search and inspection at any time.
- b) The school district uses a technology protection measure that blocks access to some sites that are not in accordance with the policy of the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
- c) Due to the nature of filtering technology, the filter may at times filter pages that are appropriate for staff research. The system administrator may override the technology protection measure that blocks or filters Internet access for staff access to a site with legitimate educational value that is wrongly blocked.
- d) School officials will monitor staff use of the Internet by monitoring Internet use history to ensure enforcement of this policy.

4. **Violations**

Staff members who violate the school policy or rules regarding computer and Internet usage face:

- a) Cancellation, non-renewal or termination of employment;
- b) The filing of a complaint with the Commissioner of Education alleging unprofessional conduct by a certified staff member; and
- c) Other discipline that the school administration and/or the school board deem appropriate.

When appropriate, law enforcement agencies may be involved in investigating and prosecuting wrongdoing by a staff member.

Appropriate Internet Behavior On Social Websites

The district recognizes its responsibility to educate students & staff regarding appropriate behavior on social networking and chat room sites about cyberbullying. Therefore, students & staff shall be provided instruction about appropriate online behavior, including interacting with other individuals on social networking sites and in chat rooms and cyberbullying awareness and response.

Copiers are for school use only.

Copyright and Fair Use

The school district complies with federal copyright laws. Staff members must comply with copyright laws when using school equipment or working

on behalf of the district. Federal law prohibits the unauthorized reproduction of works of authorship, regardless of the medium in which they were created.

The “fair use” doctrine allows limited reproduction of copyrighted works for educational and research purposes. “Fair use” of a copyrighted work includes reproduction for purposes such as criticism, news reporting, teaching (including multiple copies for classroom use), scholarship or research. Staff who are unsure whether their proposed reproduction of copyrighted material constitutes “fair use” should consult with their building principal.

Corporal Punishment

Corporal punishment is the infliction of bodily pain as a penalty for disapproved behavior, and is prohibited by law. Some physical contact is inevitable, and most of it is appropriate. Corporal punishment does not include the use of physical force that is reasonable and necessary to (1) protect school employees; (2) protect students or property; or (3) remove a student from a situation that endangers the student, persons or property. Staff members should promptly report any event that required the use of physical force to their building principal.

Crisis Response Team

Additional information is available in **Appendix B**. Any staff member appointed by the district administration will serve on the Crisis Response Team as outlined in the board policies. The Crisis Response Team serves a vital role in supporting the district’s staff and students. It is the responsibility of the appointed staff member to discuss with the district administration any reasons which may affect the staff member’s ability to perform the tasks required by board policy.

Curriculum

Each teacher is required to maintain an up-to-date curriculum for courses they are responsible for teaching. Curriculum should be articulated in the District’s Curriculum Trak software and be aligned to state and/or national standards where applicable. Selection of curriculum and instructional materials is detailed in **Appendix R**.

Adoption of new curriculum or courses requires approval of the Curriculum Committee, Administration, and then the Board of Education upon recommendation of the Superintendent. (See Appendix R)

The building principal may temporarily suspend all or a portion of the dress code in the event other factors support a lower dress expectation for school employees.

The appearance of professional staff members shall be appropriate to their assigned duties and indicative of their professional standing in the school and community. Dress for professional development activities will be handled on a case-by-case basis, but the general expectation will be to follow dress code expectations.

Custodial, maintenance and transportation staff should dress in attire appropriate to the work they are performing. Jeans are permitted, shorts during school hours, when students are in attendance, are not.

Electronic Communication While Driving

Except as provided below, school personnel shall not use any electronic communication device to read a written communication, manually type a written communication, send a written communication, verbally communicate with others, or otherwise communicate with others while operating a school vehicle or while using a school-issued electronic communication device while operating a private vehicle. This prohibition includes but is not limited to answering or making telephone calls, engaging in telephone conversations, and reading or responding to e-mails, instant messages, or text messages.

The superintendent or building principal may grant exceptions and allow verbal communication on an as needed basis for specific district-related work based upon employees' duties and responsibilities.

All staff should have an updated and signed Drivers Agreement on file before being permitted to drive school vehicles. Form is available on the Google Drive.

Employee Assistance Program (EAP)

The school district recognizes that its staff may need some help at times in dealing with personal difficulties and that problems in their personal lives can affect their job performance. To help staff face and deal with personal difficulties, the district offers an Employee Assistance Program through BlueCross BlueShield Educator's Health Alliance. This voluntary, cost-free program is intended to assist staff in obtaining help to resolve problems in a confidential manner. However, staff must remember that they bear the responsibility to seek assistance and to resolve the problem.

The Employee Assistance Program can address a wide range of problems. Family, marital, legal, medical, drug and emotional problems are all covered, although some limitations do apply. All full-time staff are eligible to participate in the Program at no cost to the employee.

IEP/MDT and the Role of the Teacher

State Law, through NDE Rule 51, requires that the "child's regular teacher(s)" play a participatory role in such educational Special Education conferences as listed and identified by local District administrators.

The Shelby-Rising City Public Schools Board of Education views regular teacher participation in such conferences as a legal and educational necessity. Further, the Board of Education views such regular teacher participation, as defined by its administrative staff, as part of the complete teaching role. Teachers shall conform to the necessary attendance and participation criteria as established by its administrative staff. The legal definition of "resource" programs centers on the concept of a "collaborative" effort between the classroom teacher, Special Ed. teachers, and other necessary staff to provide a "teaming model" for the I.E.P. development of identified students. Special service teachers (Resource, Special Ed., Chapter I, Speech, Counseling, PT, OT) bear no greater responsibility for this effort

than does the classroom teacher. This "collaborative effort" is required in state and federal statute, and is to be supported at the local level.

*This policy is based upon Title 92, Chapter 51, Sections 006.03 and 006.04 and 007.05.

Attendance is mandatory for teachers at any Special Education staffing (Multi-Disciplinary Team Meeting, Student Assistance Team Meeting, Individualized Education Plan Meeting, etc.) which involves his/her students.

Staff are allowed to use their school e-mail accounts for a moderate amount of personal e-mail correspondence. However, sending or receiving personal e-mail during class time is prohibited, regardless of whether that personal e-mail is received on the staff member's school e-mail account or a personal account.

E-mail will be sent to the @shelby.esu7.org as the official e-mail address for each district employee.

Each classroom teacher must check that the doors and windows in his or her room are closed and locked at the end of the school day. Staff must report lost or stolen keys to the building principal immediately.

Leave Requests

Leave is requested using the online system called BambooHR. All staff should use this system to request all leave from contracted time. Please refer to the Classified and Certified sections below regarding the amount and type of leave available to each employee.

Leave should be completed at least five days prior to an absence, unless an emergency or illness occurs. In that case the staff member should enter the leave as soon as possible.

Leave is not permitted until it is approved. You will receive notification of approval/denial through your e-mail. Leave submitted without a reason or substitute may be denied.

Leave will not be granted for dates referred to as "Black Out" dates by administration due to the timing or importance of certain events.

Maintenance & Cleaning Request Forms

Staff members should fill out maintenance requests forms just as soon as they need or see a maintenance problem. These forms are available on-line from a link on the District Website (www.shelby.esu7.org).

Leaves of absence without pay for military or Reserve duty are granted to all employees as required by law. An employee who is called to active military duty or to Reserve or National Guard training or who volunteers for the same should submit copies of the military orders to the Superintendent as soon as is practicable. An administrator, at his or her discretion, may require an employee who requests leave under the Nebraska Family Military Leave Act to provide certification from the proper military authority to verify the employee’s eligibility for the leave requested.

Military Leave under the Federal Family and Medical Leave Act (FMLA) will be governed by the FMLA and the board’s policy regarding the FMLA.

Milk Expression

The district will provide reasonable break time for an employee who wishes to express breast milk for her nursing child in a place, other than a bathroom, which is shielded from view and free from intrusion from co-workers and the public for one year after the child’s birth. Room 117 (former Nurse’s Office) will serve as the milk expression room and will also have a small refrigerator available for that purpose only.

Nebraska Criminal Code Reporting Requirements

Nebraska Statute 79-293 requires reporting violations of the Nebraska Criminal Code by students or employees. Employees should contact their principal or superintendent when the incident occurs on school grounds, in a school vehicle, or at a school-sponsored activity or event. Liability for failure to report falls upon the individual. Nebraska Statute 79-267 defines grounds for long-term suspension, expulsion, or mandatory reassignment for violations. Nebraska Statute 28-902 makes failure to report injury of violence a class III misdemeanor.

News and Press Releases

Positive media coverage of the school district and its activities is good for the school, its staff, and its students. Staff should endeavor to establish and

maintain cordial relationships with local media outlets. The District employs the use of Thrillshare by Apptegy to publish news directly to our website, mobile application, and social media accounts – all certified employees have access to this for publication of school related news.

Activity sponsors and other staff who are involved in newsworthy activity should submit typed press releases to the office for distribution to the media when noteworthy events have occurred. Coaches must communicate with local TV, radio and print media promptly after matches or games to disseminate the results.

Communicating information about our schools to the public is one of our most important tasks. News of important and/or interesting events and activities are usually welcomed by the newspapers.

Please check with the office to determine if some students have restrictions placed on use of their name, picture, or other directory information in press releases, newsletters, or on social/digital media.

Newsletters

The district secretary will inform staff of the relevant deadlines for each newsletter. Staff members are encouraged to submit articles for the newsletter which report recent classroom activities and emphasize positive aspects of the district's mission.

Outside Employment (Board Policy 403.06)

No teacher or other school employee may accept any other employment or carry on any business or activity for profit that interferes with the complete discharge of his or her responsibilities to the School District unless the terms of employment by the Board of Education provide for such other employment during the term the individual is to be on full-time duty with the Board of Education in accordance with the contract of employment. However, provided there is no interference with school duties, school employees may engage in occasional employment or carry on occasional business transactions for profit outside of school hours and on school holidays.

If regular basis or of frequent occurrence, the school employee shall submit a request to the Board of Education, through the Superintendent, to carry on such outside activities. The request shall show the hours and times of the day and week to be devoted to such activities, the rate of pay or expected income, location and nature of the activity, and similar pertinent information. If the Board grants permission, such employment or business activity may then be undertaken by subject to the general requirement that it in no way interferes with full discharge of school responsibilities.

Paid leave may not be taken to conduct work or training related to outside employment or business activity.

School & Personal Vehicles

Staff members who drive school vehicles or volunteer to use their personal automobile to transport students must have a valid driver's license and proof of insurance. Staff members will be provided a Driver's Certification form (Google Drive – Forms) to verify this information. Staff members are not to use cell phones while driving a school vehicle or while transporting students. The District has several vehicles available for transporting students and staff to school activities or professional conferences. Use of a personal vehicle to transport a student requires administrative approval and should not be done when a school vehicle is available. Staff members that choose to use a personal vehicle when a school vehicle is available may not be compensated for mileage or driving expenses.

Political Activities

District employees retain all rights of citizenship, including, but not limited to, engaging in political activities. An employee of the District may participate in the political process, including seeking an elective office,

provided that the staff member does not campaign on school property during working hours, and provided all other legal requirements are met. The District assumes no obligation beyond making such opportunities available.

While the District supports its employees by allowing them to exercise their rights, any impact on the employee's ability to perform his or her functions as required by the district is grounds for discipline. For further guidance regarding political conduct on school grounds, contact the superintendent and consult the board policies.

Post Office/Mail

The district will pay postage for necessary mailings from district personnel for school business. If the mailing is large, the employee should have administrative approval prior to sending. Mail goes out everyday at 3:30pm, if you have mail that needs to go out before the end of the day please let office personnel know. Do not send personal mail from the school.

Principal's Role

A key element of those operations is supervising instruction through the established evaluation procedures of the school district. It is the Principal's responsibility to supervise after school events held with their grade-level students and to work cooperative with other District Administration to properly cover required supervision assignments. Interaction and collaboration with all district stakeholders is expected to accomplish the District Mission. Principals must hold a valid Nebraska Administrative Certificate.

Professional Boundaries Between Staff and Students

All district employees must follow board policy when interacting with students in any way. School district employees are responsible for conducting themselves professionally and for teaching and modeling high standards of behavior and civic values, both at and away from school. District employees must be aware of professional boundaries between students and staff, and they must never blur the boundaries. These standards of behavior apply to social networking sites, such as Facebook, Twitter, Instagram, etc., along with communications and interactions of any kind between staff and students.

Use of social networks is detailed in board policy 403.07.

Examples of unprofessional misconduct include: inappropriate sexual communications or interactions with students, meeting with students in private outside of school, and intruding on a student's personal space. These are a few examples of inappropriate behavior, and is not an exhaustive list. For further guidance, refer to the district's policies regarding professionalism and staff-student interactions.

Any teacher or student who witnesses or knows information about a district employee violating board policy should report the violation to the district administration *immediately*. Minor violations and questionable violations should be reported within 24 hours.

A violation of board policies for professionalism will form the basis for employee discipline up to and including termination or cancellation of employment, filing a report with law enforcement officials, and filing a report with the Commissioner of Education.

Additional information regarding staff contact with students can be found under board policy 402.15.

Professional Development (Outside of the District)

The requisition must include the name of the article being requested, where it may be purchased, how many articles are required and their cost. - all visitors must have the prior approval of the principal or superintendent
- sales people and other such agents will not be allowed to solicit staff members during school hours.
- visitors must wear the visitor's badge supplied by the building office.

Wage and Salary Payments

Staff members are paid on the 15th of each month. The district does direct deposit of paychecks to designated financial institutions. Staff who wish to activate or modify their direct deposits must contact the bookkeeper. Employees shall not be paid in advance under any circumstances.

All required deductions, such as for federal, state, and local taxes, retirement contributions, and all authorized voluntary deductions, such as for insurance or union dues, will be withheld automatically from your paychecks. Garnishments are legal proceedings imposed by a court of law upon the school district requiring payment to a third party of monies earned by district employees. The school district will accept all legal garnishments and tax levies against wages in compliance with state and federal law. An employee's pay will be held upon receipt of a garnishment until a court order is issued indicating satisfaction of the indebtedness or until ordered to surrender the monies to the court or its agent. The school district prohibits improper pay deductions, and employees shall be reimbursed for any improper pay deductions. If you believe that an improper deduction has been made to your pay, you should immediately report this information to your direct supervisor, payroll personnel, or the Superintendent.

Staff members, by their signature on the acknowledgement page of this handbook, authorize the school district to withhold such sums from their paychecks as necessary to cover property damage, cash shortages or other amounts owed to the school district by the employee.

Weather-Related Closings

If school is called off because of bad weather or for any other reason, it will be announced using our **Thrillshare by Aptegey** mobile application and alert system, notifying TV Channel 10/11 (Lincoln), on our social media, and through our school e-mail. Additional postings will be made if time permits.

Parents may decide to keep their children at home in inclement weather because of personal circumstances. Students absent because of severe weather when school is in session will be marked absent. Staff members should treat the absence like any other absence for legitimate causes provided parents properly notify the school of their decision. Parents may pick up their children in inclement weather (except in case of a tornado) at any time during the school day. Students will not normally be dismissed from school during severe weather on the basis of a telephone request.

When a late start is determined, all student activities before school are to be canceled. Staff would report as directed or by the same amount of time in the late start (i.e. two hours). When an early dismissal due to weather is determined all after school and evening activities will be postponed/canceled and staff will be permitted to leave after students are gone. When school is canceled all day due to weather, no activities will be held prior to noon that day and notification of other scheduled activities will be made at the discretion of the Superintendent. (Board Policy 905.08) Notification of which staff are to report will accompany the cancellation information.

Workplace Searches

To safeguard the property and interests of our students, employees, and patrons; to help prevent the possession, sale, and use of illegal drugs on school grounds, and in keeping with the spirit and intent of the district's drug-free workplace policy and other policies, the school district reserves the right to question employees and all other persons entering and leaving our premises, and to inspect any packages, parcels, purses, handbags, briefcases, lunch boxes, or any other possessions or articles carried to and from school when it has reasonable grounds to do so. The school also reserves the right to search any employee's office, desk, files, locker, or any other area or article on school grounds. All offices, desks, files, lockers, and so forth, are school district property and are issued or provided for the use of employees only during their employment with the district. Inspections may be conducted at any time at the discretion of the administration. Employees who refuse to cooperate with this provision will be subject to disciplinary action by the administration that includes discharge.

POLICIES AND PROCEDURES REGARDING CERTIFIED STAFF

Absences and Leave

The definition and accumulation of leave for teaching staff is governed by the Negotiated Agreement between the Board of Education and the Education Association. This handbook sets forth the process for using that leave

1. Paid Time Off Leave

Certified staff members have (11) eleven days of paid time off each school year. In all cases this leave requires administrative permission to use. It is encouraged that certified staff use leave in cases where it would have the least impact on student instruction, except in cases of illness or emergencies that are unavoidable. This leave is used for all absences not listed below and will require an explanation.

PTO leave exceeding three (3) consecutive days will only be granted for medical or emergency situations. Refer to FMLA leave for those circumstances that would be considered.

Staff members are responsible for finding their own substitute from the approved list (Google Drive), filling out the leave form (online), and if less than 48 hours notice, call or talk to your immediate supervisor/principal. Substitutes must hold a valid Nebraska Teaching Certificate and be on our approved list of substitutes.

At the end of each school year, a teacher who has 30 accumulated days will be paid \$25 for any of the 11 unused days for that year. This will be in the employee's June paycheck.

2. Personal Leave

The District does not offer Personal Leave. "Personal" may not be used as a reason for taking leave.

3. Professional Leave

The board and administration recognize the value of continuing education and encourage certified staff to participate in seminars, workshops, and other activities that will continue their professional growth. Certified staff members who wish to take professional leave must submit a leave request to their building principal, along with a description of the proposed event and any written materials about the event. Building principals may deny requests for professional leave if you are unable to secure the services of a qualified substitute or if the

principal determines that the activity will not enhance the certified staff member's effectiveness as an employee of the district.

4. Bereavement Leave

Three (3) days of paid leave per year shall be granted each teacher, each year. If additional leave is required for bereavement, the teacher may apply for additional days from the Emergency Leave Bank (**Appendix M**) or additional days may be granted at the discretion of the superintendent.

5. Accumulated Sick Leave

The unused portion of the 11 leave days shall be accumulated from year to year to a total of 30 days. These accumulated days will be designated as sick days. Each school year, each teacher shall use the eleven (11) paid leave days before being allowed to use the accumulated sick leave.

Employees will be able to use their accumulated sick leave for illness, doctor's appointments in their immediate family that shall include spouse, children, mother, father, mother-in-law, father-in-law, grandparents, grandchildren, and anyone living in the household under your care.

6. Consecutive Absences (Sick Leave)

After five days of consecutive absence, the Board of Education through the Superintendent, may request a doctor's written statement outlining any continued need for time off, including the probable time of return to work. After an absence, due to illness, the employee may be asked to sign a statement saying that the absence was due to illness.

7. Long-Term Absences (Medical/Maternity)

Long-term absences can occur for many reasons and are usually related to medical or maternity. When a long-term absence is likely, you should meet with your immediate supervisor and then contact the Superintendent regarding your available paid leave and accumulated sick leave. You should also refer to the Family Medical Leave Act (FMLA) to be sure you qualify and understand how that impacts your request. The District will allow staff to use their paid leave and accumulated sick leave for up to twelve calendar weeks of long-term leave. If an employee does not have enough paid days, they will be granted a pay deduction equivalent to substitute pay for contract days they are absent during the first six weeks. Long-term leave in excess of six calendar weeks with no PTO will be treated as unpaid contract days.

8. Full-Time Substitute

The District, when employing a full-time substitute, requires that this person be assigned the first substitute position each day one is required for a teacher. It will be the teacher's responsibility to verify and notify the full-time substitute of the assignment. If multiple teacher absences occur, the full-time substitute's assignment can be modified to best fit the assignments needed. If the full-time substitute is not assigned a teacher sub position, they may be used to sub for a paraeducator.

9. Substitute Folders

Each teacher must prepare a substitute folder and keep the completed folder in a reasonable to find location. The folder must contain:

1. Teacher's schedule
2. Class rosters and seating charts
3. Classroom rules, regulations, and daily routine
4. List of helpful, trustworthy students for each period/class
5. Extra activities/assignments in the event that the substitute has extra time
6. Location of lesson plan book, grade book, texts (including name and color)
*Should include detailed Lesson Plans for the substitute to follow.
7. Student aides, times they will report, and duties
8. Substitute teacher checklist
9. Any other information that would be helpful for the substitute
10. Early dismissal and late start schedules
11. Master schedule – including lunch time
12. Classroom procedures
 - a. beginning of class
 - b. tardies and absences
13. Procedures: Fire, Tornado, Evacuation, Lockout, and Lockdown
14. Disciplinary behavior procedure
15. Building contact personnel (Principals, Office, Nurse, etc.)
16. Location of this handbook as a reference

Assemblies

Classroom teachers and paraprofessionals must attend assemblies, pep rallies, or any all grade/school assembly and sit with students to help maintain order.

All certified staff members should attend school assemblies and should try to attend as many of the school functions as possible regardless of whether they have specific assigned duties or not.

Assignment Notebooks / Student Planners

Assignment Notebooks/Student Planners are the students' make-up slips, as well as pass out of class or to see another instructor. They can also be used as a communication tool home to parents. Students may not be in the hallways during class time without his/her assignment notebook signed by the instructor. Every time a student leaves class to go to the bathroom it should be signed. This way, other staff can ascertain where the student has permission to be.

Students may not go to another classroom without a signed pass obtained from that teacher. No student may be in the halls during class or study time without a signed pass for a specific destination. If a teacher retains a student after the period ends, staff must write a note in the student's assignment book stating why the student was late, rather than sending the student to the office for a tardy slip.

Assignment of Teachers

The administration will assign certified staff to individual duties. Certified staff will also be assigned for various forms of hall, extracurricular, recess, traffic, distance learning class supervision, lunch period and other noontime duties, and athletic events.

Benefits (Insurance and Annuities)

Certified staff, per the negotiated agreement, receive health and dental insurance with the District paying 100% of the premiums. Questions regarding the policy should be directed to the District Business Manager.

Certified staff are also eligible for disability insurance, tax sheltered 403B plans, flexible spending accounts, and supplemental insurance products at their own expense. The district will provide payroll deduction options.

Certificates, Teacher Contracts, Salary Information

Teaching certificates must be up-to-date, on file, and registered with the Superintendent before they may legally be paid. It is the certified staff member's responsibility to make sure this is done.

Each certified staff member must provide the superintendent's office with the following information:

- a. social security number,
- b. retirement number,
- c. withholding form W-4, and
- d. authorization to withhold for insurance benefits.

Each new certified staff member must fill out forms for retirement benefits

before the first pay day as well as the family coverage of the district hospital/medical insurance program.

It is the sole responsibility of the certified staff member to inform the superintendent of any changes, including but not limited to changes in certification, endorsements, benefits plans, and salary payment information.

The District will issue contracts or notify teachers of their status for the ensuing year by April 15th annually. Once contracts have been signed and returned for the ensuing year, requests for release from contract shall be handled as follows:

A request received on or before May 1 from a teacher for a release from his/her teaching contract for the upcoming year shall be considered based upon the individual circumstances involved in the request. The Board of Education may elect to approve or deny such requests.

A request received after May 1 from a teacher for release from his/her contract for the upcoming year will be approved only after the hiring of a suitable replacement. Suitability of the proposed replacement shall be at the Superintendent's discretion. The Board may elect to approve or deny any such request.

Cheating

CHEATING: Copying someone's work and passing it off as your own original work or allowing your work to be copied by someone else who then passes it off as their own original work. *(The student may, in writing, appeal any loss of credit due to cheating to the Principal. That decision will be binding.)*

- a. Each Offense: Office Referral Form shall be completed and turned into administration immediately. Student(s) will be responsible for learning and will redo assignments in a timeframe and with parameters provided by administration. Additional administrative action may be taken.

Check-out Forms

All certified staff must complete a check-out form and obtain the building principal's signature on the form prior to departing for the summer. Classrooms must be tidy to allow the custodial staff to clean classrooms and work areas.

Any fees or damages due to the district will be withheld from the June paycheck if not paid.

Teachers may retain their school keys, laptop, and iPad for use over the summer if they intend to return for the following school year.

Class Records

A class record is the school's official record of matters relating to each student in each teacher's class. It will be maintained in electronic form using **Power School** and must be complete in scope and accurately maintained. Teachers should also keep a printed copy for their own records and as a backup. All classroom teachers are required to keep class records that list students in each class in alphabetical order and show the attendance and all grades earned by each student. At the end of each school year, classroom teachers must turn their records into the building office. Records are subject to examination by the building principal or superintendent at any time.

Classroom Management and Student Discipline

Classroom discipline is first and foremost the responsibility of the classroom teacher. Individual teachers are expected to assume responsibility for good discipline throughout the school. However, if a certified staff member needs assistance with student discipline, they should seek the advice and counsel of the principal or superintendent.

Our District uses the PBIS model for discipline. Information is available on pages 58-59 of the Student Handbook. Teachers will be required to follow the consequences and reporting requirements of the program to ensure consistent enforcement and accountability for students in all grade levels.

Teachers may remove a student from the classroom for failure to comply with established rules of conduct. Only an administrator can suspend or expel students from class or school and due process must be followed.

Students may be kept after school for matters relating to discipline or to assist in their academic progress. Certified staff should allow all elementary students and junior/senior high students who ride the bus to arrange parental transportation for the next day with their parents. Students who do not have transportation concerns may be kept without delay. Students may not avoid being kept after school because they have an after school practice or other school activity.

Additional student discipline information is available on pages 48-57 of the Student Handbook.

Classroom teachers may not leave their classrooms unless the students are supervised by a competent adult.

Classroom teachers may not close & lock the door to their rooms until they

have left the building or unless they are sponsoring some other group in other areas. This applies when normal instruction is occurring.

Both elementary and secondary certified staff are responsible for assisting with hallway discipline between classes and in the school lunchroom.

Classes should begin on time and end promptly. Work should continue throughout the period assigned for it. Classroom teachers have no right to waste the pupils' time. Classroom teachers may not dismiss classes early except by permission of the building principal.

Staff members may never send a student off school grounds without the authorization of the building principal.

Classroom teachers may not admit tardy students to class without an admit slip from the principal or the student's teacher from the previous period.

Classroom Sanitation

1. Handling of Body Fluids

All body fluids of all persons should be considered to potentially contain infectious agents (germs). Hand washing after contact with a school child is recommended if physical contact has been made with any child's blood or body fluids. The term "body fluids" includes: blood, semen, drainage from scrapes and cuts, tears, feces, urine, vomit, respiratory secretions and saliva.

2. Infectious Diseases

Certified staff should promptly report any indication of an infectious or contagious disease to the school nurse or building principal. Certified staff should report to the school nurse or the student's parents about any pupil whom they suspect of having been exposed to any infectious or contagious disease.

Coaching Supplies

Coaching supplies will be distributed by the athletic director. Such items include tape, prewrap, heel pads, band aids, ankle braces, game balls, etc. Coaches should request additional supplies from the activities directory only when they have run out of supplies.

Coaches must fill out and submit inventory forms to the activities director immediately after the season is complete.

Collection of Student Money

Staff members must comply with the school district's student fee policy before collecting any funds from students.

Money collected from students should be turned into the office on the day it is collected for deposit in the proper activity or school district fund. Any checks written by students or parents for various payments should be made out to Shelby-Rising City Schools, unless otherwise instructed. Certified staff must submit a financial accountability summary when they turn funds into the office. The summary should include the amount, date, organization, what it is for, and the sponsor's signature.

When students purchase items such as coats, rings, etc., through the school district, they must pay for these and other major items before the order is sent. The sponsor of any school organization may give merchandise to students who have made proper payment only.

Community Involvement

Certified staff are encouraged to take part in civic affairs in the community. Board Policy on Community Involvement can be found in section 1000.

Disclosure of Staff Qualifications

The Every Student Succeeds Act (ESSA) gives parents/guardians the right to obtain information about the professional qualifications of their child's classroom teachers. The District designates the following information as "directory information" and will give parents/guardians such information upon request:

- Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under an emergency or provisional teaching certificate.
- The baccalaureate degree major of the teacher, along with information about other graduate certification or degrees held by the teacher, and the field of discipline of the certification or degree.
- Whether the parent/guardian's child has been assigned, or has been taught for four or more consecutive weeks, by a teacher who does not meet the requirements of the ESSA.

Display of Classroom Work in the School and the Community

Classroom teachers are encouraged to display student work for public viewing. Students and parents enjoy viewing the display and may be even more supportive of their school because the display shows them many of the

things the students do. Classroom teachers may use the window area of the central office or the commons area to display student work or they may use it during a night activity. Certified staff must contact the principal before displaying student work at an evening activity.

Duties of Certified Staff

The duties of certified staff include, but are not limited to, the following:

- a) Becoming acquainted with board policies, district rules and regulations, and the state laws concerning teachers and pupils.
- b) Attending such education conferences as are required by law or administrative directives.
- c) Attending school assemblies unless excused by the principal.
- d) Instructing pupils in the proper use of equipment and instructional supplies.
- e) Reporting in writing to the principal any injury to any child while under the jurisdiction of the school, including athletic injuries.
- f) Complying with the Teachers Professional Code of Ethics which has been promulgated by the Nebraska Department of Education (92 Neb. Admin. Code § 27) and adopted by the Board of Education of the district.
- g) Discussing a student only with the child's parents/guardian, the superintendent, principal, guidance counselor or classroom teachers who may know the circumstances and have a need to know. It is unprofessional and inappropriate to discuss students or other staff members in the staff lounge.
- h) Being responsible for students whom they keep in school at times other than during regular school time. Certified staff will be responsible for any special work done by their students, including field trips, joint assemblies, school programs, etc.
- i) Refraining from joining book clubs or film strip clubs using the school name.
- j) Turning in all monies collected to the main office by the end of the school day.
- k) Clearing all class meetings or trips through the principal's office.
- l) Participating in Student Assistance Teams pursuant to board policy.
- m) Assisting with the administration of standardized testing as assigned by the administration.
- n) Provide homebound instruction as assigned by the administration.
- o) Performing additional duties as assigned by the administration.

Eligibility Grades 7-12

For the 2020-2021 school year the Eligibility Policy will be set forth by the Building Principal in collaboration with the secondary certified staff and will be reflected in Board Policy 506.01R1.

Extracurricular Activities

Classified staff must schedule all events and other extracurricular activities at the activity director's office to avoid conflicts. Activities must be put on the school calendar located in the activity director's office at least one week before the activity. Staff should avoid or shorten practices and activities on Wednesday evenings and Sundays, in order to give students sufficient time away from school for family-related activities.

Certain activities require time to be scheduled outside regular school hours. Any school sponsored activity involving students must have approval of the principal prior to the activity, including all fund raising activities.

Regular classroom work in all grades will have precedence over any other activity. Students will not be dismissed from classes to participate in extracurricular activities without permission from the principal. Make up slips must be completely signed and returned to the sponsor of the activity prior to dismissal from class. All evening activities, except practices, must have no less than two school sponsors. Non school sponsors must be approved by the administration. If personal vehicles are used for transportation, the drivers must be adults who have been approved by the school.

The activities director has the responsibility for all activities. Therefore, any ruling or handbook decision he/she makes will be school regulation in lieu of further board action.

A student may participate in an educational field trip off school property without written permission from his or her parent or guardian. A parent may withdraw a student from participation in educational field trips with no penalty to the student.

Staff are strongly encouraged to attend and support student participation in a variety of school activities, games, and contests.

Student Safety Drills

Early in the semester review instructions for leaving the classroom with all of your students. Classroom teachers should periodically review with each class about what to do in case of fire, tornado or other emergency. Additional information is available in the Safety and Security Plan.

1. Fire Drills (Evacuation)

Fire drills will be held on a regular basis. Certified staff may or may not be notified in advance. These drills are important exercises that help insure the safety of students in case of an emergency.

Evacuation information should be posted by the door of your classroom or office.

2. Tornado Drills (Shelter)

When a tornado warning has been issued, the school will evacuate classrooms and move students to the basement (or lowest level) of the building. Tornado alerts will be given via the intercom system. When a tornado alert is given, all students and staff must cease the activity in which they are engaged immediately and leave the building at once.

Shelter information should be posted by the door of your classroom or office.

3. Protocol for all Evacuation From Site

Upon evacuation signals, all students and staff must exit each building. Classroom teachers should do the following:

- 1) Take the class roster;
- 2) Lock the classroom door after all occupants have exited the room;
- 3) Keep the class together and move promptly in an orderly fashion; and
- 4) Upon arriving at the evacuation point, take roll, maintain order, and supervise students.
- 5) The appropriate informational sign outside the classroom door.

4. Lockout / Lockdown

A **lockout** is called when an exterior threat exists in the area of our school. No one will be permitted to enter or exit the building during this time. Classes and other activities will be conducted as normal inside the building. Law Enforcement will be present on campus during a lockout.

A **lockdown** is called when a treat exists on our school campus or inside the building. All students and staff should seek immediate shelter in their room or nearest room, lock the door, turn off lights, and secure window shades.

Evaluations

The appropriate district administrator will evaluate tenured and probationary teachers and staff members as required by law and district policy. Additional evaluations, both formal and informal, may be conducted as the district

administration deems appropriate. The teacher evaluation rubric aligned with the Nebraska Framework and Marzano Instructional Strategies is available in **Appendix F**.

An additional resource is available in *Board Policy 406.08*.

Examinations

Teachers are allowed but not required to give comprehensive quarter and semester tests. Teachers will determine an appropriate way to measure student learning at the end of a grading period. Ideas could include but not be limited to the following: Tests, Projects, Reports, Papers, Essays, etc. The administration can agree with the teacher's decision, or require a different plan be followed.

Faculty Meetings

Grade level (PK-5 and 6-12) staff meetings will be held on Monday's each week prior to the start of school. The superintendent and/or principals will call additional meetings as needed. Certified staff are required to be present at all faculty meetings unless excused by the administration.

Field Trip Requests

Certified staff who wish to take students off school property must submit a request to the building principal at least ten calendar days prior to the date of the requested activity and follow board policy 607.05 listed below:

The principal may authorize field trips and excursions when such events contribute to the achievement of education goals of the school district. The school district will provide transportation for field trips and excursions. Excursions are defined as brief educational trips beyond the boundaries of the school grounds beginning and ending in a single class period.

In authorizing field trips and excursions, the principal shall consider the financial condition of the school district, the educational benefit of the activity, the inherent risks or dangers of the activity, and other factors deemed relevant by the superintendent. Parents should be given the option to withdraw their student from participation in the field trip. The superintendent's approval will be required for field trips outside the state. Board approval will be required for field trips which involve unusual length or expense.

Field trips and excursions are to be arranged with the principal well in advance. A detailed schedule and budget must be submitted by the employee. The employee will be responsible for obtaining a substitute

teacher if one is needed. Following field trips and excursions, the teacher may be required to submit a written summary of the event.

Grading Policy

Grades are kept using PowerSchool. At no time should a student's course grade be more than five (5) days behind. Teachers should keep regular, detailed assignments and scores entered into the grading program.

Grades should be updated each Monday by 8:00am.

Students who are receiving a cumulative course grade of a "D" or "F" for more than a week should have their parent(s)/guardian(s) contacted by the teacher and such communication should be documented.

Grades are given as a letter or percentage as requested by the building principal. No incomplete or conditional grades will be given, but grades may be changed by request of the classroom teacher to the principal.

A student is to be graded on academic performance (authentic assessment). **A student's grade is not to be reduced for discipline or attendance.** Prejudice or favoritism has no place in grading a student. All grading should be explained in simple, understandable terms to the student. Starting with the school year 1997-98 it will no longer be acceptable to determine a student's grade in a required class by his/her participation in a performance held outside the normal school hours. All grades will be determined by the teacher using an appropriate procedure based on class objectives met by the student during the scheduled class time and the completion of all homework assignments. ***Students will not be required to make up (or penalized for) "participation" grades when absent for school activities. This does not include a project deadline or assignment.***

Dual credit courses are graded on the Districts Grading Scale and included on your transcript and GPA. College credit only courses are not reflected on a student's transcript or GPA.

At the conclusion of each quarter, students will receive an end-of-quarter report card that is generated from grades entered into PowerSchool.

The District Grading Scale and Grade Point Average calculations can be found in Appendix G. *Board Policy reference 611.05 and 611.06.*

Guest Lectures

Guest lecturers must be approved by the administration before they are asked to address a class. The guest lecturer must have a specific, relatable objective in his/her lecture.

Hall Duty

Every classroom teacher is on hall duty before school in the morning and between classes. Classroom teachers are responsible especially for the part of the hall adjacent to their classrooms.

Homework Policy

Homework is an important part of student learning and should follow the best practices guidelines adopted by the District. When parents, teachers and students work together, out-of-class assignments are a valuable part of the instructional program. Homework should provide opportunities for students to practice acquired skills, develop initiative, form independent study habits, and use community resources. Staff is discouraged from assigning "busy" work as homework in order to fill the grade book.

Instructional Materials

Instructional materials are made available through the Education Service Unit. A catalog and order forms will be made available to all members. Films, videos, and online content should be used as instructional materials. All media must be previewed for suitability by the classroom teacher before being shown to students. Use of full-length movies for instructional purposes is discouraged.

Lesson Plans

Each teacher will prepare and complete a proper lesson plan. These plans must be written so that they are clear to any substitute teacher. An up-to-date seating chart of the class or classes shall be part of the lesson plan book. The lesson plans of all classroom teachers are subject to review by the administration at any time.

Curriculum Trak should be used to create all lesson units and daily plans. Alternatives to Curriculum Trak, relative to lesson plans, may be made by individual building principals.

Curriculum Trak must identify instructional objectives, instructional methods, assessments, resources, and alignment to standards. Additionally, teachers may be asked to include general direction that might be followed by anyone who might be called upon to teach the classes.

Weekly lesson plans are due the first day of school week.

Media Center - Library

The media center is set up to serve the needs of certified staff and students. Certified staff who need assistance with textbooks, literature sets,

magazines and other reference materials should consult with the media specialist assigned to their building.

Students may use the media center within the guidelines set forth for each building. The media staff may send disruptive students back to class or may exclude unruly students from the media center for a specified period of time. Classroom teachers who send their entire class to the media center must accompany and supervise the students, unless prior arrangements have been made with the media specialist.

Classroom teachers may send individual students to use the media center during class time with a written pass. Guidelines:

- A. Each library pass should indicate the student's purpose for going to the library.
- B. The librarian may request students to return to class when they have completed their tasks.
- C. Students should request to visit the library no more than once during a period.
- D. Students are not to come to the library unsupervised to:
 1. Do make-up work
 2. Work in groups
 3. Make-up tests
 4. Do daily homework

Audiovisual materials are available to certified staff through the media center. Certified staff may obtain these materials by contacting the media specialist.

The Media Center is also shared with our community. Be mindful of activities you schedule for the media center that may impact those patrons. For security reasons do not prop open the blue door between the media center and the school.

Mentor/Mentee Program

The District conducts a formal program for new employees, who are assigned a mentor from our experienced staff. Teachers new to the profession are mentored for two years and those new to the District are mentored for one year. Mentors are provided training and guidance prior to the school year.

Multicultural Education Requirements

Teachers are required to provide evidence of multicultural lessons that meet the philosophy and goals set in Board Policy 604.04. Each teacher will submit evidence of those lessons by completing the form available on the district's website under the "Staff" tab.

Paraeducators

Paraeducators provide valuable assistance in the educational process and allow teachers to carry out their responsibilities in a more efficient and effective manner. A paraeducator must not, however, assume sole teaching responsibilities. The classroom teacher must maintain the role of leadership and responsibility for the students, with the teacher aide in a supportive role. Paraeducators may be used to assist the classroom teacher by, among other tasks, assisting with instructional activities under the direction of the teacher, helping to supervise students, copying tests and other written material, organizing class materials, preparing bulletin boards, grading tests or class work. Para-educators are to work only on their assigned workdays and within their assigned hours. If the classroom teacher desires the paraeducator to work hours other than the assigned work hours or assigned work day, he or she must contact the administration for approval. (Additional Information under "Classified Only Section")

Appendix Q details legal provisions regarding the use of teacher aides (Para-educators).

Parent-Teacher Communication

Students' academic success has been closely linked to parental involvement in school. Certified staff should strive to develop open and supportive relationships with parents and guardians. Each classroom teacher is responsible for keeping a student's parents informed about the student's progress. This may be done by letter, telephone, e-mail or personal conference. Certified staff must attend parent teacher conferences, promptly return phone calls, participate in teacher events for students and parents, and document any areas of concern. Certified staff who need additional support in communicating with parents should contact their building principal or guidance counselor.

Students who are receiving a cumulative course grade of a "D" or "F" for more than a week should have their parent(s)/guardian(s) contacted by the teacher and such communication should be documented.

Parking

Staff members have designated parking areas on campus. Staff should not park in the Library/Fitness Center parking area during the school day. If attending activities please park and use an alternate entrance to the building to free up parking near the door for others attending the event.

No parking in the bus drop off and pick up areas located directly in front of the building or on the south side of the competition gym. Those are designated bus zones and handicap drop off areas.

Parties

1. No activities or picnics shall be held by an organization of the school without the presence of the sponsor or sponsors.
2. The number of activities and the closing hour for activities will be determined by the building principal and organization sponsor.
3. In making arrangements for activities and picnics, staff must avoid disturbing the routine of the school.
4. Cleaning up after the activity is the responsibility of the sponsor and students.
5. Review the Board Wellness Policy before allowing food or treats to be brought or served at the party. *Board Policy 508.13*

Personnel Files

Any employee of Shelby-Rising City Public Schools shall upon his/her request have access to his/her personal file but may not have access to letters of recommendation or to sets of confidential credentials which are a part of his/her file. No other person except school officials while engaged in their professional duties shall be granted access to such files nor shall the contents thereof be divulged in any manner to any unauthorized person. Official personnel files for all District employees are kept in the office of the Superintendent.

Planning Time

Each classroom teacher is provided with duty-free time for planning, preparation of school-related materials, and a brief respite from the duties of the day.

The Board defines planning time as time for educational planning and other task-related functions that cannot normally be accomplished during instructional periods. Planning time should not be confused with personal time. **Planning time is not to be used for running personal errands, conducting personal business, using the Fitness Center or pursuing non-school hobbies and/or interests. If you must leave the building during this time you must sign out and may be required to use leave.**

PowerSchool and PowerTeacher

All teachers/classroom aides will be required to use PowerSchool and PowerTeacher. Attendance will be taken as follows: Elementary – at the beginning of the morning; and Secondary – at the beginning of every period. Attendance must be taken within the first five minutes of each period / beginning session.

Certified staff who have trouble/problems with PowerSchool/PowerTeacher,

should contact Matt Carley, our technology director.

Teachers are only permitted to share student information from PowerSchool with certified district employees, custodial parents, or individuals with educational rights.

Private Tutoring

Classroom teachers must provide individual assistance to students as a part of their duties. Any certified staff member who engages in private tutoring for pay (compensation of any kind from a source other than the District) is subject to the following rules:

- Certified staff may not arrange to provide private tutoring for any child enrolled in the staff member's class.
- Certified staff are not to provide private tutoring in the school building.
- Certified staff are not to provide private tutoring during duty time.
- Certified staff are prohibited from advertising or promoting the private tutoring services in the school or in the school's communications systems except with the express permission of the Superintendent or designee.

Pupil Records

1. Each classroom teacher must keep accurate records of daily class activities which may include recitations, assessments, daily work, notebook, etc. This serves as a justification of the final grade in case of dispute between teacher and pupil, or teacher and parent, and assists in making out the final grades. This book must be turned into the principal at the end of each school year.
2. Report cards will be issued within one week following the end of the quarter unless otherwise announced.
 - a) Reports should be conscientiously and accurately made because they are a serious estimate of the degree of success of the pupil.
 - b) Each classroom teacher should be adequately prepared to defend all decisions given on the report card.
 - c) Each classroom teacher is responsible for distribution of class cards on time.
 - d) Classroom teachers must confer with the principal before recording any incomplete, failing, or conditional grades on report cards.

Reporting When School is Closed

When school is closed due to inclement weather, certified staff should be prepared to be in attendance if requested. This will be determined on a case-by-case basis.

Building Principals, the Superintendent, and other designated employees should expect to report, if possible, to ensure students are not brought and dropped off at school inadvertently.

Rights of Certified and Probationary Teachers

Certified and probationary teachers are entitled to the legal and procedural rights outlined in the board policies and state and federal law with regard to the amendment, cancellation, or termination of the teacher's employment contract. For specific questions relating to those procedural or legal rights, please refer to the district's board policies. (Refer to Board Policy – 400 Section)

Salary Schedule and Placement

The salary of each teacher covered by the Negotiated Agreement shall be determined by the salary schedule (**Appendix N**). Teachers employed full-time under this agreement will be required to work per *Board Policy 400.01*.

When hired teachers shall be credited with all previous teaching experience and placed on the schedule according to their degree level. All pre-existing hours that are allowed for schedule placement must be declared and verified at the time of initial employment.

Horizontal movement on the salary schedule is done based on approved and completed graduate credit hours toward a Master Degree program (beyond BA+9). To apply for graduate hour approval and movement, you must submit the form (Google Drive – Forms) to the superintendent by May 1st of the prior year. Official transcripts are required before salary placement will be completed.

Vertical movement is in direct accordance with experience in the district plus credited prior teaching experience.

School / Contract Day

All certified staff must be on duty between the hours of **8:00 a.m. and 4:00 p.m., Monday through Friday**. On duty is defined as (1) accessible to staff/students/parents in your classroom or office, (2) attending a school meeting, (3) supervision duties, or (4) attending to other professional duties not covered above.

On Fridays and days preceding certain holidays or vacation periods, certified staff may be permitted to leave 10 minutes after the students are dismissed. Under special circumstances, certified staff may seek permission from their building principal to vary these duty hours. In addition, certified staff may be assigned responsibilities at other hours by the principal or superintendent

for supervising or directing school activities or affairs or for participation in affairs under the direct sponsorship of the school.

Each teacher will be in his or her classroom and ready to teach prior to 8:30 a.m. each day. Classroom teachers will stand at their doors when class is dismissed and must be outside their classroom doors before each class period. Classroom teachers must be physically present in their classrooms at all times during class periods and conference periods.

Personal work may not be done on school time.

Sponsors

Certified staff members are assigned by the superintendent or designee as class and club sponsors. Sponsors must be present at all meetings and activities of the sponsored group. The procedure for activity accounts and meetings can be found in the student activity handbook. Purchasing of supplies must be approved by the activities director and/or superintendent.

Student Activities

Staff members who sponsor extracurricular activities such as athletics, class plays and class activities may leave the school building only after making sure that all students and other individuals have left the building. No student is to be left unattended in (or outside) the school building at any time.

School-owned clothing or equipment that is checked out to students remains the property of the school. The clothing or equipment is not to be used or worn by the student except for its intended use. Each piece of equipment or clothing is to be returned to the instructor or coach when the season or the use for such clothing or equipment is over. Certified staff will be held responsible for clothing and equipment that is not returned.

Student aides are to be directly supervised by the certified staff member and are not to leave the building or be in the halls or anywhere they are not being supervised. Student aides are not to be used to assist the certified staff member by helping supervise another student, grade tests or class work, calculate student grades or record grades. Keys will NEVER to be given to students, whether they are student aides or not. A student aide should not be present and assisting a certified staff member without another adult present after the end of regular teacher duty hours.

Student Attendance

Students are expected to arrive at each class, be seated and ready for instruction prior to the beginning of the class day or class period, as

appropriate. Student tardiness is the classroom teacher's professional responsibility. Classroom teachers must insist that students be on time.

Each teacher must maintain an accurate record of student attendance each day. Classroom teachers must carefully check and record attendance information at the beginning of each school day, and in upper grades, at the beginning of each period. Students and student assistants are not permitted to check attendance. Excessive absenteeism should be reported to the building principal or guidance counselor.

Students returning from an absence must report to the office prior to going to class. A returning absentee must show each classroom teacher the admittance pass that was issued by the school office. No student should be accepted back into class after an absence without this pass.

A student who departs school during the school day must report to the office and sign out before leaving the building. A student who returns during the school day must sign in at the building office before returning to class.

Additional reference on *pages 6-9 of the Student Handbook*.

Student Attire

Students must come to school dressed in clean, neat and appropriate clothing to conform with educational standards. In addition to the above guidelines, the school will not approve the following items and/or method of grooming. This list is not inclusive of all items that may be excluded:

1. Clothing which is soiled, torn or ragged.
2. Bare feet
3. See-through clothing or clothing that is excessively revealing such as bare back, low cut or mid-riff, tank top with deep armholes, shirt unbuttoned to show sport bra underneath, muscle t-shirts, halter tops, mesh tops, strapless tops, and abbreviated miniskirts or shorts or any other type of clothing that exposes undergarments.
4. Articles which could cause damage to individuals (ie. chains).
5. Printed wording or pictures on clothing that advertise or promote alcohol, tobacco or drugs, logos and trademarks, or carry derogatory or sexual connotations, or shirts with emblems, wording or phrases which are considered to have "double meanings" or other objectionable material.
6. No hats, caps or sunglasses will be worn in the school building school hours.
7. Coats intended to be worn as outerwear may not be worn inside the classroom.

8. No undergarments are to be showing.
9. Clothing identified by police and other law enforcement agencies that are associated with gang's i.e. sagging pants, long baggy coats, specific colors associated with a gang, or bandanas.

Students who are not in compliance with the dress guidelines will be sent to the office. In instances of inappropriate dress, students will be asked to change into a school appropriate garment provided by the school or will be sent home to change. Violation of the dress code will result in the following disciplinary action:

- 1st Offense - Written warning and school-provided change of clothing
- 2nd Offense - Notification of Parents and a 30 minute detention
- 3rd Offense - One (1) day In-School Suspension and Parents notified

Student Illness

In the event of student illness or injury, classroom teachers should notify the building principal or office immediately. Staff should never send a pupil home without notifying school officials and checking to see if his/her parents are home.

Student Medication

Student medications should not be dispensed by staff members unless they follow the following procedures.

No staff members other than the school nurse or trained personnel may dispense medications (prescription or over-the-counter) to students at any time. Students may, with written parental or guardian permission, self administer medications such as aspirin and cough syrup or cough drops.

Staff members are not authorized to dispense prescription medicine without an agreement with a parent or guardian to provide a prescription container for the medicine that includes a pharmaceutical label, the physician's name, a child guard cap and directions for administering the medication.

After receiving the medication, the school employee should lock the medication in a cabinet or place it in an area where access is restricted to school employees only.

Additional rules regarding Medications can be found in the *Student Handbook on pages 26-27* and *Board Policy 508.02*.

Student Searches

Certified staff members may not search students or their belongings. If a staff member suspects that a student is in possession of contraband, he/she

should immediately contact a member of the administration and supervise the student until the administrator arrives. Students who are suspected of having an item in violation of school rules may be directed to wait with a staff member.

Substitute Teaching During Planning Period

Certified staff may be required to substitute during their planning period. The District will pay a Shelby-Rising City staff member to take a class period or study hall if a substitute teacher cannot be employed. The District will pay the amount of the number of class periods as determined by the Board before each school year. The Principal will make and approve necessary arrangements for Teachers to take another's class or study hall. Teachers will submit their bill for teaching additional classes at the February and June Board of Education meeting. **Note:** This applies to teachers with one (1) assigned planning period only. (Board Policy 411.01)

Teaching Controversial Issues

Teachers may teach or lead discussions about controversial issues if they comply with the following criteria:

- The issues discussed must be relevant to the curriculum and be part of a planned educational program.
- Students must have free access to appropriate materials and information for analysis and evaluation of the issues.
- The teacher must encourage students to consider and discuss a variety of viewpoints.
- The topic and materials used must be within the range, knowledge, maturity, and competence of the students.
- The teacher must inform parents and the building principal before discussing sensitive or controversial issues.
- The teacher must keep detailed, documentary evidence to prove that both sides and/or all facts available were presented.
- Teachers must refrain from advocating partisan causes, sectarian religious views, or selfish propaganda through any classroom or a school device; however, a teacher shall not be prohibited from expressing a personal opinion as long as the student is encouraged to reach his/her own decision independently.

Prior to incorporating or teaching controversial topics or resources the teacher should review *Board Policy 606.01* and seek council of the building Principal or Superintendent.

Textbooks

Classroom teachers will issue textbooks to the pupils when required for class, keeping a record of the number and condition of the book assigned to each pupil. If the books are new, classroom teachers must make sure the

books are stamped and numbered before distribution.

Textbooks are to be stored in the classroom or storeroom. Textbooks are to be checked out to the students with teachers keeping an accurate record of each book by number in the place provided in grade books. Pupils are to pay for lost or damaged books. Student textbooks must be covered with a book cover.

Workbooks do not become the property of the students and in most cases should be retained by the school.

Selection of new textbooks requires a review of the board of education, curriculum committee, and the district administration. Selection of new textbooks rotates by content area and teachers will be notified in advance of adoption years and cycles.

Textbooks are defined as either a copyrighted bound physical book or an electronic form of a textbook available online or downloaded to a digital device.

Additional references can be found in Board Policy 302.04, 402.03, and 1005.03.

POLICIES AND PROCEDURES REGARDING CLASSIFIED STAFF

At-Will Employment

Classified staff members are employed "at-will." Either you or the school district may terminate your employment at any time, for any reason, with or without cause or notice. This handbook is not a contract, express or implied, guaranteeing employment for any specific duration. The duties to be performed by an employee with the District shall be subject to assignment by the superintendent. Job descriptions, where available, provide additional information about the position duties. An employee will be expected to devote full time during days of school to the employee's position and to diligently and faithfully perform the assigned duties to the best of the employee's ability.

Benefits

12-Month full-time employees are eligible for Tier One (Single) Health/Dental Insurance equivalent to the single insurance offered to certified staff and 100% of the premium will be paid by the District.

9 and 10-Month full-time employees are eligible for the Tier One (Single) Health/Dental Insurance equivalent to the single insurance offered to the certified staff. The District will pay 33% (9-Month) 50% (10-Month) of the premium cost and the remaining amount will be equally deducted from the employee's payroll over the months they receive a paycheck from the District.

Full-time is defined as an employee who works on average 30 or more hours per week over any three-month window of employment.

Insurance benefits end the same day an employee or the district terminates employment.

Category Definition

Each classified staff person falls into a defined category that determines certain working requirements, benefits, and hours.

9-Month Employee: Paraprofessionals, Kitchen Staff, and Bus Drivers
10-Month Employee: Elementary Office, Lunch/Activities Bookkeeper
12-Month Employee: Maintenance/Custodial, Main Office Staff
Temporary Employee: Substitutes and Summer Staff

Holidays

9, 10 and 12 Month Employees will receive paid time off on the following holidays that fall during their contracted time frame: New Year's Day, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas Day.

Holidays falling on a Saturday are normally observed on the preceding Friday. Holidays falling on a Sunday are normally observed on the following Monday.

Classified employees will generally be required to work their regularly scheduled hours the workday preceding and workday following the holiday in order to be eligible to receive holiday pay.

Hours & Dual Duties

Work hours vary with the classified staff member's department and position. Meetings will occasionally be scheduled before or after normal working hours.

It is vital that the district's employees arrive at work punctually and consistently. Staff members who are chronically late or excessively absent will be disciplined, up to and including discharge.

Non-Exempt employees cannot be compensated for more than one paid assignment during any block of time. (Example – a Custodian who drives a bus: while performing the bus driver duties can not count hours toward custodial work time or be compensated for both during the same block of time.)

Route/Activity Drivers – A Driver cannot be paid for both duties at the same time. However, a route driver who drives an activity (at the request of the school) during their "normal" route time may be paid the *route rate* for the first 1½ hours of the activity trip and the remainder of the time will be compensated at the *activity rate*.

Overtime and Compensatory Time

Classified staff should not work more than forty hours in a given week without the express permission of their immediate supervisor and the superintendent. Those who accrue more than forty hours in a given workweek will receive overtime or compensatory time, pursuant to board policy.

Non-exempt employees will be expected to accurately report hours worked. Falsification of time cards is a serious offense.

Non-exempt employees must receive prior approval from their supervisor to work additional hours beyond their regular work schedule. Non-exempt employees will be paid for each hour worked in excess of 40 hours in a workweek and are expected to accurately and timely report overtime hours to their supervisor. The regular workweek for overtime purposes is from 12:00 a.m. on Sunday through 11:59 p.m. on Saturday. The administration may establish a different 7-day period workweek from time to time for specified employees or employee groups.

Overtime pay for non-exempt employees will be paid at the rate of not less than 1½ times the employee's regular rate of pay for hours worked in excess of the 40 hour workweek. Employees with two or more non-exempt positions may be eligible for overtime pay based upon the total number of hours worked in one workweek. If applicable, the employee and the Superintendent will agree upon the overtime rate, in compliance with FLSA regulations.

A non-exempt employee may request compensatory time in lieu of overtime pay, with approval of the employer, with the rate figured as 1½ times the number of hours worked in excess of 40 hours in any work week. Compensatory time may be accumulated up to 40 hours upon approval by their supervisor. Any accumulation of compensatory time over 40 hours must be approved by the Superintendent and may not exceed 80 total hours per contract year.

Compensatory time must be used in the contract year it is accumulated and may not be accrued or carried over to future contract years. Unused compensatory time is not eligible for payment and the time is forfeited.

Paid Time Off Leave

9, 10, and 12 Month Classified employees (Except Bus Drivers) will receive **1 (one) paid leave day, or the hourly equivalent thereof, per full month of employment each school year** for illness or personal business that cannot be taken care of outside regular business hours and other events of personal significance. Employees must use the online leave system (BambooHR) to request leave. Leave must be approved in advance by the employee's immediate supervisor or the Superintendent. Each employee is responsible for finding their own substitute when necessary. There shall be no carryover (or accrual) of Paid Time Off Leave days from year to year. Classified employees shall be paid \$32 a day or \$4 per hour for any unused Paid Time Off Leave days at the end of the school year. PTO can only be taken on a regularly scheduled school or contract day. If an employee is terminated or resigns, Paid Time Off is accrued proportionate to the number of full months worked for that school year. An employee would have to pay back the District for paid leave they did not earn, but used.

PTO leave exceeding three (3) consecutive days will only be granted for

medical or emergency situations. Refer to FMLA leave for those circumstances that would be considered.

Classified employees do not have bereavement leave and are not entitled to compensation for a leave of absence exceeding remaining paid time off.

Professional leave will follow the same guidelines as certified staff. Classified staff are compensated a maximum of 8 hours for off-site professional leave regardless of travel or training time.

Additional leave covered in Board Policy: Military (415.07), FMLA (415.03R1), and Jury Duty (415.06).

Reporting When School is Closed

When school is closed due to inclement weather, classified staff should report to work based on their positions:

- a) **Secretaries/Clerical staff** should not report to work unless specifically directed to do so by their supervisor or the superintendent.
- b) **Paraprofessionals** should not report to work.
- c) **Food Service staff** should not report to work.
- d) **Bus Drivers** should not report to work.
- e) **Custodians/Maintenance staff** should report to work.

School cancellations will be communicated through our Thrillshare by Aptegey Communications Program, Channel 10/11 (Lincoln), District Social Media, and through District E-Mail.

Unpaid Leave

Every position in our School District plays a vital role in the effective operation of the school and in most cases directly impacts the educational services offered to students. The purpose of leave is to allow staff members to attend to unforeseen illnesses or unavoidable circumstances that can arise during the school year. Excessive absences of qualified and trained employees negatively impacts the School and students.

Unless the absence circumstances qualify under the Family Medical Leave Act, unpaid leave is not an option for employees without permission of the Superintendent.

Vacation

Eligible classified employees will receive paid vacation each school year. Employees should consult with their immediate supervisor for vacation information.

New employees will not be entitled to any vacation leave for the first six months of employment. After the completion of the last day of the sixth month of employment, new employees will be awarded **5 paid days** of vacation leave provided for their job assignment.

All eligible classified employees will receive **5 paid days of vacation leave** at the conclusion of every sixth calendar months of employment beginning August 1st.

Employees may accrue up to **10 days** of vacation per 12-month period. Once vacation days are accrued, they may be carried forward from year to year. If an employee carries forward accrued vacation days, he/she shall receive additional vacation days for the next contract year (**not to exceed 10 total days**) to bring the total of accrued vacation days to the maximum number of days allowed for his/her particular job assignment. In no event shall any employee receive additional days beyond the maximum accrual cap listed above. Classified employees shall be paid \$32 a day (or \$4/Hour) for any unused vacation days in the event of termination or resignation of employment.

Use of vacation days requires approval of the Superintendent.

The purpose of the Crisis Response Team at our school is to promote rational forethought as to how we might best respond to a crisis event. It is the goal of our Crisis Team to help both students and staff overcome difficulties they may face during times of emotionally high stress crisis situations. It is our goal to help reduce potential opportunities for additional crises to develop when tragedy strikes our school. The team will continually look for the best ways to serve the students and staff at Shelby - Rising City Public Schools during times of crisis.

For our purposes, crisis is defined as:
A generally unanticipated event that profoundly and negatively affects a significant segment of the school population and often involves serious injury or death.

The person first knowing of a CRISIS will notify the Superintendent, Principal or a Crisis Team Member.

Before moving on the reliability of the report must be verified. A determination will be made, based on the evidence, whether or not to proceed with activating the Crisis Response Team's protocol.

Appendix D – Professional Growth

Policy:

Professional Growth: In accordance with Nebraska law, all permanent certificated employees shall be required, every six years, to give evidence of professional growth. Six semester hours of college credit shall be accepted by the Board of Education as evidence of professional growth, or in the alternative, a point system devised by and jointly administered by the Shelby-Rising City Education Association and the administration will be utilized to show evidence of professional growth. Standards for the point system shall be set and communicated annually to all certificated staff. A report of the status of each certificated employee, including a listing of growth activities submitted, with regard to points awarded and required shall be presented by a representative of the SRCEA to the Superintendent on or before September 1 annually.

Professional Growth Chart

Teachers on probationary contracts do not need to work at gaining growth hours. Tenured (permanent) teachers must begin meeting the requirements established through negotiations for professional growth procedures.

A teacher must record any workshops or college credit hours accumulated. These workshops must be above and beyond the in-service hours held as an outgrowth of a contractual requirement.

Professional growth may be gained in a variety of ways. Points for college credit and/or meetings, workshops, or other professional hours are totaled. One college credit has been assigned a value of sixteen (16) growth points; therefore the total number hours needed to meet the professional growth requirement has been established as ninety-six (96) points. Any combination of college credit hours and other allowed hours that total ninety-six (96) points shall be considered as satisfying the professional growth requirement. The required ninety-six (96) points may be earned in a single year or over a period of six (6) years.

Professional Growth Period

The Professional Growth Period refers to each six (6) year period during which permanent certificated employees are required to give evidence of professional growth. A permanent certificated employee begins his/her initial six (6) year growth period on September 1 in the year that he/she becomes a permanent certificated (tenured) employee, and ends August 31, six (6) years later. The beginning of the seventh year as a permanent certificated (tenured) employee starts the second six (6) year period.

Approval and Verification of Professional Growth Activities

Formal Class Work: Six (6) hours of college credit, graduate or undergraduate, earned at an accredited college or university shall be accepted as evidence of professional growth. The college credit should be closely related to teaching, and should enhance the skills of the teacher within his/her classroom. A transcript shall serve as evidence of credit earned and shall be maintained within the employee's personnel file. A college credit shall be the equivalent of sixteen growth points.

Other Activities: At least five (5) working days prior to attending or participating in a professional growth activity, the employee shall notify his/her respective principal of the employee's intent to participate in that activity by completing a Professional growth Activity Form (a copy is attached as Appendix D). All professional growth activity requests must be approved and signed by the respective principal prior to the start of the activity. The Professional Growth Activity Form will include the number of growth points allowed for the specific activity. The respective principal may, upon discretion, request-substantiating evidence of the completion of the activity. This requirement may be accomplished in a variety of ways such as: written reports, presentations, etc.

Acceptable Professional Growth Activities:

- Auditing Courses - One semester hour equals eight (8) points.
- Professional Meetings/Service (10 points per full day of service prorated for partial days)
- Curriculum Conferences and Conventions (related to reaching assignment)
- Workshop, externally sponsored and not a contractual requirement
- Service on Nebraska Department of Education Advisory Committee, on school or college accreditation teams, or other professionally related commISS1011S
- Demonstration teaching and/or presenting in-service programs to colleagues within or outside the district Enrollment in adult education classes, if the subject is relevant to the employee's teaching area - 10 points per completion of class.

Other Approved Activities:

- Supervision of student teachers -Nine (9) points per student teacher
- POINTS PER ACTIVITY -Actual points awarded determined by mathematical average of points requested by the teacher and points recommended by the principal.
- Research
- Educational travel directly related to teaching area and college or professional organization sponsored
- Publications in professional journals or other educationally related publications.
- Special voluntary school district activities and/or in-service programs, which occur before or after the school day or the school year.

 - b. Local meeting of all teachers.
 - c. Meetings called by the principal(s) or by other administrative members.
 - d. Workshops and in-services attended which are part or required in-service days or is an outcome of a contractual requirement.

Appendix F – Teacher Evaluation Rubric

Can be found on the Google Drive under Staff Forms-SRC and the folder Teacher Evaluation Rubric.

The rubric identifies the performance level, description, example behaviors, and evidence used to support the administrators decision in your formal and informal evaluations.

You can also find the evaluation aligned to the Marzano elements in that same folder as a way of assisting teachers with identifying instructional strategies.

Appendix G – Grading Scale and Grade Point Average

Grades

Students will receive percentage grades for their academic classes.

The grading system for grades 2 - 12 is as follows:

A	100% - 94%
B	93% - 86%
C	85% - 78%
D	77% - 70%
F	69% - 0%

The grading system for grades K – 1 is as follows:

- "E" = Excellent
- "S" = Satisfactory
- "N" = Needs Improvement
- "I" = Improving

If a student does not complete assignments marked as incomplete, the incomplete assignment will be calculated as a zero (0) in determining the student's grade for that class.

Dual Credit courses will be graded on the College Scale and a grade adjustment will be made for equivalent letter grade placement on the S-RC scale and transcript.

Class Rank

Student class rank shall be determined by using a numeric percentage derived from all classes graded on a percentage basis.

Grade Point Average

Is calculated on the scale below. Cumulative GPA is the number of points earned divided by the number of classes taken. The percent is taken from the final semester grade. This is the GPA that will appear on the transcript and be used for college, scholarship, and award criteria.

Percent	Letter	4-Point
98-100	A+	4.00
94-97	A	4.00
92-93	B+	3.50
86-91	B	3.00
84-85	C+	2.50
78-83	C	2.00
76-77	D+	1.50
70-75	D	1.00
00-69	F	0.00

Appendix H – 4 P’s of Supervising Students

Proper Supervision

- Report to all duty assignments on time.
- Circulate through your duty area. Pay particular attention to areas and activities that pose an increased risk of injury.
- Be vigilant while supervising students. Never leave students unattended; the need to make a copy is not greater than the need to supervise your students. If an emergency requires that you leave students who you are supervising, request that another nearby staff member provide supervision for you, or notify the office so someone can provide assistance. If you are assisting with recess duty, your responsibility is to supervise the students in your assigned area. When talking with other adults or students, remember that your primary duty is supervision and make sure you are aware of what all students who you are to be supervising are doing.
- Be accountable for students who are assigned to you from the beginning of the supervision assignment to the end. Do not dismiss students early. If a student needs to leave class, make sure they have a hall pass. If the student is to report to the office, inform the office to be expecting the student. If the student is to be returning to your class after a brief absence (e.g., after using the restroom), contact the office if the student has not returned by the time expected.
- If you have seen or have been informed that a particular student has a propensity to act dangerously or in an unpredictable manner, your supervision of that student must increase with the known risk of injury. (Remember, though, that this type of information may be confidential—do not share confidential information about students except with other staff who need to know the information to perform their jobs).
- Be careful with touching students. Use of corporal punishment is prohibited in our school district. Touching students should be limited to that necessary to protect the student from harm (e.g., falling from playground equipment) and that which professional educators determine appropriate for purposes of proper student relationships.
- Be careful with your language. Profanity or abusive language is not acceptable. Be a good role model for students. If a student uses such language, you should make a report to the student’s teacher or administration.

Proper Instructions

- Proper instructions are important to reduce the risk of injury when students undertake an activity, especially an activity that has an increased risk of harm to students.
- Repeat the instructions on how to complete a task that has a heightened risk of danger as often as needed. Do not assume because students heard the directions once that they will be remembered.
- When you go over safety rules with students, note it in your written records. If any students are absent when you review the rules contact the student(s) to review the same information and also note that contact in your written records.

Proper Maintenance of Buildings, Grounds, and Equipment

- Conduct periodic inspections of equipment under your control or in your area of supervision.
- If equipment is broken and presents a risk of injury, immediately take it out of service. If it can’t be moved, tape a “Do Not Use” sign and notify the office so those repairs may be undertaken.
- Check your communication device (whether it be a school phone in your supervision area, a walkie--talkie, or a cell phone) periodically to make sure you can communicate with

the office immediately in the event of an emergency.

Proper Warnings

- If you have knowledge of a hazard that can likely cause injury, take steps to warn other staff and students.
- Tell the office so additional warnings may be given.

Contact the Office for Assistance

The office administration should be contacted immediately when a situation exists which could cause injury to students or others. Examples include:

- student fight
- student health problem (fainting, bleeding, high temperature, difficulty breathing, etc.); if the office can not be immediately located, call 911 if the problem appears to be of immediate and serious concern
- a report or a suspicion that a student has a weapon or other dangerous item or drugs, alcohol, or other illegal substances
- presence of an intruder (a non--student or staff member who refuses to go to the office)

Violations of student rules which are also violations of state law are required to be reported to law enforcement. Make a report of such conduct to the Principal so this law may be followed.

- Laptops should always be within the protective case when carried.
- Some carrying cases can hold other objects (such as folders and workbooks), but these must be kept to a minimum to avoid placing too much pressure and weight on the laptop screen.
- The laptop must be turned off before placing it in the carrying case.
- Do not throw, toss or slide laptops.

Periodic checks of laptops will be made to ensure that students have deleted software that is no longer required in class and that the school has not exceeded its licenses.

6.3 Additional Software

It is the responsibility of individual faculty to be aware of additional software programs and files loaded onto their laptop. Students are responsible for maintaining the integrity of software required for facilitating academic activities.

Appendix P – Lunch Room Procedures

Please escort your students to the lunchroom and remind your students that others are still in class and they are to pass quietly to and from the lunchroom. Teacher aides may be used to assist teachers with lunchroom supervision.

General Guidelines For The Lunchroom:

1. **All students who eat lunch here at the school are to eat in the lunchroom. Those who bring lunch to school are to eat in the lunchroom also.** Sack lunches or fast food is not to be brought in for anyone other than themselves. Student lunches are to be paid for in advance of their consumption.
2. Students are to leave the area where they were seated as they found it. Return trays and silverware to the proper area. Have students check the area where they were seated to ensure that it is clean for the next person. If someone spills, have them clean it up immediately!
3. Students are not to leave the gym/lunch room without permission.
4. Students should move quietly and quickly through the halls when returning from lunch.
5. Students should be supervised at all times anywhere about the building.

Teachers and Staff

Unless you are assigned lunch supervision, you are not required to stay on campus for your assigned lunch period. However, you must not leave early or return late.

It is strongly encouraged that if you stay on campus to eat that you do so in the lunch room or staff room. The goal is to eliminate food and drink from academic areas such as the classroom, library, or office.

Remember that every teacher is responsible for supervision. If you see something happen or about to happen, please take care of it. A lot of problems can be avoided if everyone works together.

Appendix Q – Use of Teacher Aides (Paraeducators)

LEGAL PROVISIONS REGARDING TEACHER AIDES STATUTES AFFECTING TEACHER AIDES

In 1969, the Nebraska Unicameral enacted legislation permitting Nebraska schools to employ non-certificated Teacher Aides:

Neb. Rev. Stat. Section 79-1233. Nebraska certificate or permit; prerequisite to teaching; exception; employment of teacher aides; requirements;

1. No person shall be employed to teach in any public, private, denominational, or parochial school in this state who does not hold a valid Nebraska certificate or permit issued by Commissioner of Education legalizing him or her to teach the grade or subjects to which he was elected,....
2. Public, private, denominational, or parochial schools in the state may employ persons who do not hold a valid Nebraska teaching certificate of permit issued by the Commissioner of Education to serve as aides to a teacher or teachers. Such teacher aides may not assume any teaching responsibilities. A teacher aide may be assigned duties which are non-teaching in nature if the employing school has assured itself that the aide has been specifically prepared for such duties, including the handling of emergency situations which might arise in the course of his or her work.

In 1971, the legislation defined "teaching". Since the earlier law specified that teacher aide shall not assume teaching responsibilities, the responsibilities which teacher aides CANNOT assume were clarified:

Neb. Rev. Stat. Section 79-101....(12) teach shall mean and include, but not be limited to, the following responsibilities: (a) The organization and management of the classroom or the physical area in which the learning experiences of pupils take place; (b) the assessment and diagnosis of the individual educational needs of the pupils; (c) the planning, selecting, organizing, prescribing and directing of the learning experiences of pupils; (d) the planning of teaching strategies and the selection of available materials and equipment to be used; and (e) the evaluation and reporting of student progress.

The legislature also gives direction regarding training and supervision of teacher aides.

Neb. Rev. Stat. Section 43-625. **STATE BOARD OF EDUCATION; REVIEW SPECIAL TRAINING AND EDUCATIONAL PROGRAMS; QUALIFIED TEACHER DEFINED.** The State Board of Education shall review special training and educational programs offered by or in conjunction with any public school District, combination of public school Districts, educational service unit, or combination of educational service units subject to the following:

1. The teacher or teachers in any such program shall be qualified;
2. Teacher aides, working with any such program, shall have such qualifications as the governing body of the school shall prescribe and shall participate in appropriate in-service activities, and
3. Each qualified teacher shall be responsible for the direct supervision of teacher aides, whose duties shall be limited to those prescribed in section 79-1233.

STATE BOARD OF EDUCATION POLICIES (Teacher Aide)

NDE Rule 51 gives specific regulations regarding the use of teacher aides in special education programs:

NDE Rule 51 on School age Special Education Programs (adapted pursuant to Sections 43-660 and 43-607.01)

003 Definition of Terms

003.26 A teacher aide shall mean an individual who serves under the supervision of a certificated staff member as an assistant in the educational process or residential care staff under the supervision of certificated staff as defined in 92 NAC 51-010.

005.05 Utilization of special education teacher aides in instructional settings shall include:

005.05A The development and maintenance by the District of written procedures regarding special education teacher aides that reflect their: job description, preservice and inservice training, supervision and evaluation.

005.05B A teacher aide shall not teach, as defined in Neb. Rev. Stat. 79-101.

Teacher Roles as Defined by the Nebraska State Department of Education

The teacher's primary role is one of managing the learning environment. Teaching, as defined by statute, includes these responsibilities:

- organizing and managing the classroom,
- assessing and diagnosing student needs,
- planning and directing learning experiences,
- planning teaching strategies and selecting teaching material, and
- evaluating and reporting student progress. (Neb. Rev. Stat. 79-101)

When the program includes the use of a teacher aide, the teacher has a number of additional roles to fulfill. The teacher plans for the teacher aide's duties, supervises the completion of tasks, and provides guidance and evaluation about the teacher aide's performance. The examples below indicate specific teacher responsibilities and roles involved in managing teacher aides.

Teacher Responsibilities in Managing Teacher Aides

- Set an example of professionalism in teacher responsibilities
- Establish the criteria for acceptable job performance
- Assure teacher aides are adequately trained for their duties
- Prepare the teacher aide for and assign instructional and non-instructional tasks and activities
- Communicate the needs of each student to the teacher aide
- Establish and communicate the para educator's role in classroom behavior management
- Assign non-instructional duties
- Provide consistent feedback to assist in refining skills
- Monitor the teacher aide's performance in carrying out instructional activities

-Assist in evaluating the teacher aides overall performance

Note: Adapted from Guide for Effective Utilization of Paraprofessionals in Special Education. (1983). Lincoln, NE: University of Nebraska-Lincoln.

Teacher Aide Roles as Defined by the Nebraska State Department of Education

Although Nebraska Statutes allow teacher aides to carry out only "nonteaching" duties, teacher aides must be prepared for the duties assigned and must be adequately supervised. The example below further clarifies duties and other tasks often assigned to teacher aides.

Teacher Aide Responsibilities

The following illustrates duties which a teacher aide may perform when properly trained and supervised:

- Supervise student in the hallway, lunchroom, or playground
- Monitor supplementary work and independent study
- Reinforce learning in small groups or individuals while teacher works with other students
- Assist in educational demonstrations for the class or groups
- Provide assistance with individualized programmed materials
- Score objective tests and papers and maintain appropriate record for teachers
- Performs clerical tasks, i.e., typing, duplicating, attendance
- Observe, record, and chart students' behaviors
- Assist in production of student instructional materials
- Carry out instructional programs designed by the teacher
- Tutor students under the direction of the teacher
- Operate and maintain classroom equipment

Note: Adapted from Guide for Effective Utilization of Paraprofessionals in Special Education. (1983). Lincoln, NE: University of Nebraska-Lincoln.

To the casual observer, it might appear that a teacher and a teacher aide working side by side in serving students are performing identical tasks; however, the roles of teachers and teacher aides differ. In defining responsibilities, it is helpful to compare and contrast the roles appropriately performed by teachers and teacher aides. Duties which may not be performed by the teacher aide are illustrated below:

Duties the Teacher Aide May Not Perform

The following illustrate tasks which should not be assigned to the teacher aide:

- Diagnostic testing of students' strengths and weaknesses
- Preparing lesson plans
- Grading subjective papers and assigning grades to students
- Taking full responsibility for supervising and planning students' activities
- Selecting educational activities and materials for students
- Reporting student progress to parents

Teacher Aide (Paraeducator)

The teacher aide may perform these instructional duties:

1. Assist in organizing field trips.
2. Read aloud or listen to children read.

3. Assist students in performing activities that have been initiated by the teacher.
4. Hand out papers and collect paperwork.
5. Assist with supplementary work for advanced pupils.
6. Provide special help such as drilling with flash cards, spelling, and play activities.
7. Assist in preparing instructional materials.
8. Reinforce learning with small groups.
9. Assist children in learning their names, addresses, telephone numbers, birthdays, and parents' names.
10. Supervise free play activities.
11. Prepare flash cards and charts.
12. Prepare art supplies and other materials.
13. Hear requests for help, observe learning difficulties of pupils, and report such matters to teachers.
14. Score objective tests and papers and keep appropriate records for teachers.

Instructional duties the teacher aide may not perform:

1. Be solely responsible for a classroom or a professional service.
2. Be responsible for the diagnostic functions of the classroom.
3. Be responsible for preparing lesson plans and initiating instruction.
4. Be responsible for assigning grades to students.
5. Be used as a substitute for certified teachers unless he or she possesses the appropriate substitute teacher's certificate.
6. Assume full responsibility for supervising assemblies or field trips.
7. Perform a duty that is primarily instructional in nature.
8. Be assigned work with the most "difficult" students the majority of the day.

Non-instructional duties the teacher aide may not perform:

1. Shall not assume full responsibility for supervising the planning activities.
2. Shall not take children to clinic, dental, or medical appointments unless permission is granted by authorized personnel.
3. Shall not prescribe educational activities and material for children.
4. Shall not grade subjective or essay tests.
5. Shall not regulate pupil behavior by corporal punishment or similar means.
6. Shall not be responsible for medical needs of children.

In keeping with guidelines and local philosophy the Shelby-Rising City Public Schools Board of Education had adopted this policy with regard to role and assignment of aides:

Teacher aides are employed at an hourly rate. Aides are under the immediate supervision of their respective teacher. The appropriate Principal is their administrative supervisor. Aides shall not be the primary catalyst in any subjective diagnostic or prescriptive activities involving student program planning or evaluation. The specific role played by aides is at administrative discretion. Roles may change from time to time and aides must be prepared to perform in a variety of settings.

It is the expectation of the Shelby-Rising City Public Schools Administration and Board of Education that teachers will utilize teacher aide time in such a manner that maximizes direct appropriate instructional time under the teacher's supervision in tutoring as appropriate. Other

modes of teacher aide's time (clerical, custodial, and lunch) should be secondary to usage which involves direct student contact in a tutorial model.

Appendix R – Curriculum Selection Process

1. INSTRUCTIONAL MATERIALS SELECTION AND PROCEDURES FOR REVIEW

A. RESPONSIBILITY FOR SELECTION OF INSTRUCTIONAL MATERIALS:

1. The Schools Board of Education is legally responsible for all matters relating to the operation of schools.
2. The responsibility for the selection of instructional materials is delegated to the professionally trained personnel employed by the school system.

B. CRITERIA FOR SELECTION OF INSTRUCTIONAL MATERIALS:

It is the policy of the Board of Education to require that instructional materials selected for our schools be in accord with the following:

1. The basic factors which shall be considered in the selection of instructional materials (including printed and audio-visual materials), are as follows: factual accuracy, authoritativeness, balance, integrity, quality of presentation, imagination, vision, creativeness, and style.
2. Instructional materials shall be examined to select those in which the presentation and the subject matter are suitable for the grade and the interest level at which they are to be used.
3. Instructional materials shall be selected to provide for the interest and needs of the school community and the school program. Instructional materials shall be selected cooperatively by teachers and administrator, with administration having the final decision.
4. The selection process shall include the reading, examination, and checking of standard evaluation aids...i.e., standard catalogues and review digests.
5. Instructional materials shall be judged on their own merits not on the merits of authors, publishers, or series.
6. Every effort shall be made to provide materials that present all points of view concerning the problems and issues of our times.

C. PROCEDURES OF REVIEW

The Board of Education has adopted the following policy when dealing with censorship of books or other instructional materials:

1. That the final decision for controversial instructional materials shall rest with the Board of Education after careful examination and discussion of the instructional materials with school officials or anyone else the Board may wish to involve.
2. That no parent or group of parents has the right to determine the instructional materials used for students other than their own children.
3. The Board does, however, recognize the right of an individual parent to request that his/her child not have to read a given book or see a given film, provided a written request is made to the appropriate building level Principal. Teachers will substitute comparable materials in specific cases when a parent makes such a request. This applies to both print and audio-visual materials.
4. Any resident of the school District may formally challenge instructional materials used in the District's educational program on the basis of appropriateness. This procedure is for the purpose of considering the opinions of those persons in the community who are not directly involved in the selection process.
5. Any resident who wishes to request reconsideration of the use of any learning materials used in the school must first contact the building level Principal and request that a meeting be scheduled with the Teacher involved to discuss the questioned material.
6. If the resident is not satisfied with the result of such conference, he/she may make a formal written request for reconsideration on a Reconsideration Request form which is available in the Superintendent's office. The Reconsideration Request form shall be signed and filed with the Superintendent.
7. Within two school days after the filing of such form, the Superintendent shall distribute copies of the challenged materials, as available, to the Reconsideration Committee for their review.
8. Generally, access to challenged material shall not be restricted during the reconsideration process. However, in unusual circumstances, the material may be removed temporarily by a four-fifths vote of the Reconsideration Committee. Special meetings may be called by the Superintendent.
9. The Reconsideration Committee shall be made up of five members:
 - a. Superintendent
 - b. Principal
 - c. Librarian
 - d. The teacher using the challenged material

- e. A second teacher selected by the appropriate building level Principal

The Superintendent shall serve as the chairperson of the committee.

10. The Reconsideration Committee member directly associated with the material being challenged may at his/her request be excused from serving on the committee. If such a request is made, the building level Principal shall select another teacher from within the building as his/her replacement.
11. The procedure for the first meeting following receipt of a Reconsideration Request Form is as follows:
 - a. Distribute copies of the written request form.
 - b. Give the complainant or a group spokesperson an opportunity to talk about and expand on the request form.
 - c. Attempt to obtain and distribute reputable, professionally prepared reviews of the material.
12. The complainant shall be kept informed by the Superintendent concerning the status of his/her complaint throughout the committee reconsideration process.
13. At a subsequent meeting, the committee shall make its decision in closed session and prepare a written report supporting the decision. The committee's final decision will be, (a) to take no removal action, (b) to remove all or part of the challenged material from the total school environment, or (c) to limit the educational use of the challenged material. The sole criteria for the final decision is the appropriateness of the material for its intended educational use. The vote on the decision shall be by secret ballot.
14. The Reconsideration Committee will issue its written decision within 14 calendar days of the date in which the Reconsideration Request Form was filed.
15. The Superintendent will inform the complainant of the committee's decision and the intent of the school District.
16. A decision to sustain a challenge may not be interpreted as a judgment of irresponsibility on the part of the professional(s) involved in the original selection or use of the materials.
17. If the complainant is not satisfied with the decision of the Reconsideration Committee, he/she may request that the matter be placed on the agenda of the next regularly scheduled meeting of the Board of Education.

18. If such a request is made, the Superintendent shall place the item on the agenda of the next regularly scheduled meeting and shall review the written report of the Reconsideration Committee. The complainant shall also be permitted to address the Board of Education following the "Procedures for Addressing the Board of Education" as outlined in School Board Policies.
19. The Board of Education will give the matter due consideration and take appropriate action as deemed necessary.
20. Requests to reconsider materials which have previously been before the Reconsideration Committee must receive approval of a majority of the committee members before the materials will again be reconsidered.
21. The "Citizen's Request for Reconsideration" form which follows is also approved as part of the total Board policy:

S-RC Superintendent's Report

BOE Meeting: August 15th, 2022

And....they're off!

"Every success and every bit of progress, is a building block for your next step" - Auliq Ice

The first week of school was a complete success in my eyes. Our students had great attitudes and fed off of what the staff was offering. It was great to see so many smiles and so many interacting from bell #1. We had a lot of great things that were said and the expectations were set high. I'm confident all will continue to rise up and push each other to bigger and better growth.

Goals for the start of the year:

1. Organize the goals for our PLC's with Mrs. Thompson
2. ICU Focus team meeting that will then align with our grading committee
3. Making sure that our new staff is feeling supported and that their mentors are doing what they do best.

Administration Days (July 22nd-29th)

Mrs. Thompson and I had an amazing time again at Admin Days. They had great speakers who really energized us to look inward and continue to question what we can do for our staff and our school. There were many breakout sessions that were worth the time and even Mrs. Thompson held her own presentation during one of sessions! It was great to connect with other administrators and continue to grow as professionals.
