10. Provide supports/training for parents

This Memorandum of Understanding (MOU) outlines the collaborative relationship between ISD 287 and WILDER in the development, delivery, and evaluation of mental health services for ISD 287 students. It is designed to protect both parties and avoid misunderstandings about our business relationship.

Terms of MOU

This Memorandum of Understanding shall be effective on August 1, 2018 and shall remain in effect and continue through July 31, 2020, unless canceled earlier. This MOU may be canceled by either of the parties hereto, upon thirty (30) days written notice and without showing cause.

ISD 287 Roles and Responsibilities

At North Education Center (NEC), where WILDER and ISD 287 mutually agree to offer services, the school site principal will appoint a school social worker and/or other behavioral health staff to coordinate services with WILDER.

ISD 287 further agrees to the following during the term of this MOU:

- Ensure program site is accessible to designated WILDER staff on specific pre-determined dates and times which will be during normal business hours of the school day; and
- Provide designated WILDER staff access to a private room or office space with use of a phone, a desk, two or more chairs, and a table to meet with participating students for their appointments. The room shall be enclosed, equipped with electricity and access to the internet, lighted, and climate controlled in the same manner as the other rooms of the school; and
- Provide access to multifunction printer with fax and scan capabilities; and
- To abide by the requirements of WILDER with regard to access to and disclosure of protected client health information as established by state and federal law; and
- To limit the use of criminal background checks for designated staff provided by WILDER, at the request of ISD 287, to that which is required by Minnesota Statute 123B.03 and in compliance with obligations under the Fair Credit Reporting Act.

WILDER Roles and Responsibilities

WILDER services will be provided by clinicians who comply with state regulations regarding the credentialing, licensure, and supervision requirements to offer mental health services. If services are provided by a mental health practitioner or clinical trainee, the practitioner/clinical trainee will be supervised by a licensed mental health professional.

WILDER staff will offer services according to the program sites and schedule laid out in Attachment 1, as mutually agreed between ISD 287 and WILDER. Changes to the agreed upon site or schedule will be communicated in writing via email to, the Assistant Director of Mental Health and Crisis Prevention for ISD 287.

WILDER will only exchange student information and other protected client health information with ISD 287 in accordance with privacy requirements contained in the Minnesota Government Data Privacy Act, the Minnesota Health Records Act, Federal HIPAA requirements, and WILDER and ISD 287 policies.

As required and outlined by ISD 287, WILDER will obtain criminal background checks on WILDER staff members prior to such staff member providing any direct service as described in this MOU. Wilder will not employ anyone whose background check raises questions regarding the person's honesty, integrity, ability to act with professionalism regarding sensitive or confidential subject matter, or safety of themselves or others. The results of such background checks will be provided by WILDER to ISD 287 based on the written consent of the staff member whose background check was required.

WILDER will host professional development trainings on relevant mental health and trauma-informed topics for relevant ISD 287 staff outside of their normal scheduled working hours. Acting independent of ISD 287, WILDER will reimburse District 287 for compensation of these staff at their respective hourly rates for the reasonable and mutually agreed upon time spent with WILDER receiving relevant professional development trainings and participating in TTM project teaming time. Invoices are to be paid within 45 days.

Client Eligibility

WILDER will provide mental health services to referred ISD 287 students based on caseload capacity and only as clinically appropriate and guided by parent or guardian written consent.

Payment for Services

WILDER agrees to provide mental health services to eligible ISD 287 students. WILDER will be entitled to payment through billing of all allowable third-party payers, including insurance payers and relevant grant payers.

Similarly, to the extent permitted by applicable law, ISD 287 agrees to hold harmless and indemnify WILDER from and against any and all liabilities, costs or penalties of any nature whatsoever arising from: (i) any breach of any provision of this Memorandum of Understanding by ISD 287; (ii) the violation by ISD 287 or its agents or representatives of any statutes, laws, ordinances, rules or regulations during the performance of this Memorandum of Understanding; and (iii) any torts on the part of ISD 287 or any of its agents or representatives.

Both Parties agree that they will at all times during the term of this Memorandum of Understanding have and keep in force appropriate levels of insurance. Each party will provide a copy of their certificate of insurance to the other party.

Independent Contractor

WILDER is providing the services described in this MOU at ISD 287 as an independent contractor, which means that WILDER and its staff are not acting as employees of ISD 287 and that WILDER may be providing services to ISD 287 and others. Nothing in this Agreement creates a legal partnership, or joint venture between ISD 287 and WILDER.

Amendments

Any changes to this MOU must be written and signed by both ISD 287 and WILDER.

AGENDA SECTION: BUSINESS SERVICES REPORT

ITEM: Approval of Routine Monthly Finance Report

PRESENTED BY: Mae L. Hawkins, Executive Director of Business Services

1. Background Information

The June Budget vs. Actual Reports are presented for Board information and review. These reports indicate that year-to-date revenue in all funds (excluding Funds 06 & 11) total \$89,668,068, or 85.7% of the Revised Revenue Budget of \$104,598,991. Including Funds 06 & 11 year-to-date revenue in all funds total \$107,898,835, or 87.8% of the Revised Revenue Budget of \$122,875,185. The District's monthly revenue will continue to be based upon the cash payments we receive from MDE Special Education Uniform Tuition system and other state aids. Revenue will be made whole at the end of each fiscal year as we calculate all of our receivables and recognize the revenue receivable as part of the audit.

Year-to-date expenditures in all funds (excluding Funds 06 & 11) total \$97,277,154, or 94.1% of the Revised Expenditure Budget of \$103,405,360. Including Funds 06 & 11 year-to-date expenditures in all funds total \$107,671,771, or 88.9% of the Revised Expenditure Budget of \$121,175,088.

These numbers are as of the end of the fiscal year at June 30th, and are preliminary at this point. They reflect the normal month end which is basically on a cash basis without accrual entries. Numerous receivables and payables are calculated after year-end, and the numbers will continue to change up to and through the audit process later this fall.

Form of Member District Governing Board Resolutions

[Note: Each Member District shall insert the following recitals and resolutions into the proper format to be considered and approved by such Member District's Governing Board:]

Ratifying and Approving TIES Reorganization and Definitive Agreements

WHEREAS, _____, School District# _____ (the "District") is a member of Technology and Information Educational Services ("TIES"), which was created in 1965 as a Minnesota joint powers entity under Minnesota Statutes Section 471.59 to provide technology and information services to school administrators, educators, and students; and

WHEREAS, TIES currently operates at a financial deficit which has been determined to be not sustainable by the Joint Board of TIES (the "TIES Board"), which is composed of representatives of the independent school districts who are currently members of TIES (collectively, the "Member Districts") which are identified in Exhibit A;

WHEREAS, on January 24, 2018, at a special board meeting, the TIES Board voted in favor of dissolving TIES and authorized TIES management and the TIES Executive Committee ("EC") to actively pursue potential business opportunities with third parties in order to achieve two objectives for the Member Districts: (1) minimize negative financial impact, and (2) minimize disruption of essential services (the "Objectives"); and

WHEREAS, the "potential business opportunities" authorized by the TIES Board within the scope of the Objectives were comprehensive: "Such opportunities may include a partnership, an asset sale, or a similar business deal with a third party consistent with applicable Minnesota law..."

WHEREAS, in connection with such efforts, TIES and Sourcewell, a service cooperative established pursuant to Minnesota Statutes Section 123A.21 and formerly known as National Joint Powers Alliance ("Sourcewell") entered into a non-binding Letter of Intent ("LOI") effective as of January 23, 2018 with respect to a possible transaction involving Sourcewell's assumption of governance, management, and operational authority over TIES' business operations; and

WHEREAS, after substantial completion of due diligence, on April 17, 2018 and April 19, 2018, respectively, the Boards of Sourcewell and TIES authorized the management team of each organization to proceed with discussions and the drafting and negotiation of all necessary legal agreements to consummate a transaction substantially as described in the LOI; and

WHEREAS, the authorized legal process required significant research and analysis to identify and evaluate options available under applicable law for how to structure the transaction

between Sourcewell and TIES and the Member Districts to best achieve the Objectives; and

WHEREAS, after consideration and discussion with TIES EC, management and District's legal counsel (at District's option), and review of the Definitive Agreements (defined below), and as duly authorized under the resolution template form approved by the EC during a regular meeting on May 16, 2018 and provided thereafter to each Member District for signature, District's superintendent or other representative ("District's Legal Representative") determined that it is in the best interest of the District to structure the transaction as a "Reorganization" of the existing TIES joint powers entity in order to achieve the Objectives; and

WHEREAS, the District Legal Representative's conclusion that Reorganization of TIES is the best structure for the Sourcewell transaction is based on the following findings since the resolution dated April 19, 2018:

- (1) Continuation of Member Districts' levy authority. Under current law (Minnesota Statutes Section 126C.40, subd. 1 (i)), if TIES is dissolved, the Member Districts would lose their legal authority to levy for funds to pay their proportionate share of the debt due through February 1, 2023 pursuant to the financing documents for improvements to the TIES Building with U.S. Bank dated October 1, 2012. Reorganization allows for the Member Districts to remain members of TIES for a limited time and purpose: to levy for and manage the TIES Building until it is sold at which time they will automatically cease to be members;
- (2) Continuity of services to Member Districts. Reorganization allows for continuity of services to Member Districts wanting continuity of services;
- (3) Limits Member Districts' financial obligations. As part of the Reorganization, Sourcewell will assume all TIES operating expenses and debts incurred after July 1, 2018, thereby relieving the Member Districts of their obligation to provide financial support to TIES for regular operating expenses after July 1, 2018 for an unknown period of time (as with dissolution), other than assessed fees for management, operations, and maintenance of the TIES Building Assets and the other limited financial obligations described in the Definitive Agreements, as defined herein. Member Districts' pro rata share of TIES' past debt calculated as of July 1, 2018 based on a per student fee must be paid by July 27, 2018; and

WHEREAS, the purposes of the Reorganization include achieving the Objectives for the Member Districts based on the three (3) findings set forth above (included in the Definitive Agreements defined below); and

WHEREAS, at a special meeting on June 29, 2018, the Sourcewell Board of Directors authorized the proposal of the Reorganization as set forth in the Definitive Agreements; and

WHEREAS, the Reorganization of TIES' membership and governance includes the admission of Sourcewell and Metropolitan Educational Cooperative Service Unit, a service cooperative established pursuant to Minnesota Statutes Section 123A.21 ("Metro ECSU") as Governing Members of TIES, and the reclassification of the Member Districts as Limited Members of TIES for the sole purposes related to the TIES Building described above in Section (1); and

WHEREAS, after consideration and discussion with TIES management and legal counsel, and review of the TIES Reorganization Agreement attached hereto at Exhibit B and the Amended Joint Powers Agreement attached hereto at Exhibit C (the "Definitive Agreements"), each of which is incorporated herein without modification, at a special meeting on July 2, 2018, the EC accepted Sourcewell's proposal and approved the Reorganization of TIES as set forth in the Definitive Agreements, authorized an officer of TIES to execute the Definitive Agreements on behalf of TIES, and approved the submission of such agreements to each Member District for consideration, approval and ratification pursuant to the resolutions herein; and

WHEREAS, the District's Legal Representative has executed the Definitive Agreements on behalf of the District, subject to the approval and ratification of the District's Board; and

WHEREAS, District's Board desires to approve and ratify the Reorganization as set forth in the Definitive Agreements, and to approve and ratify the District's Legal Representative's execution of the Definitive Agreements on behalf of the District.

1. Approval of Reorganization

NOW, THEREFORE BE IT RESOLVED, that Reorganization as described in these resolutions and in the Definitive Agreements is hereby approved and authorized and ratified.

2. Approval of Definitive Agreements

RESOLVED FURTHER, that the Reorganization Agreement executed by the District's Legal Representative, and presented to the District's Board and attached hereto as Exhibit B, be, and the same hereby is, approved and ratified.

RESOLVED FURTHER, that the Amended Joint Powers Agreement executed by the District's Legal Representative, and presented to the District's Board and attached hereto as Exhibit C, be, and the same hereby is, approved and ratified.

3. Continuation of TIES Entity

RESOLVED FURTHER, that the District hereby acknowledges and approves the continuation of TIES as a joint powers entity under Minnesota Statutes Section 471.59 pursuant to the Definitive Agreements and recognizes that if the Reorganization is

consummated, TIES will not dissolve except according to the terms of the Amended Joint Powers Agreement.

4. Authorizing Resolution

RESOLVED FURTHER, that District's Legal Representative is hereby authorized and directed to execute any and all other documents necessary to effectuate these resolutions and the Reorganization and to take or cause to be taken any and all other actions (including preparing, executing, issuing, delivering and filing any and all instruments, documents and agreements and amendments thereto) and to do any and all other acts or things in the name of and on behalf of TIES as any of them may deem necessary or appropriate in connection with the Reorganization and carrying into effect these resolutions.

RESOLVED FURTHER, that all actions taken to date by District's Legal Representative that are consistent with the purpose and intent of these resolutions are hereby in all respects authorized, approved, ratified and confirmed.

6.2.3 Integrity of Insurance Policies. All Insurance Policies are in full force and effect and enforceable in accordance with their terms, and have not been subject to any lapse in coverage. TIES is not in default under, or has otherwise failed to comply, in any material respect, with any provision contained in any Insurance Policy.

6.2.4 Maintenance of Policies; Notices. A true and complete copy of each Insurance Policy (including all endorsements thereto) that is currently in force has been made available to Sourcewell. At TIES' expense, TIES will maintain the current Insurance Policies in full force and effect through the Effective Date. TIES will give all notices and present all claims arising prior to the Effective Date under all potentially applicable Insurance Policies in a due and timely fashion.

Section 6.3 Indemnification.

6.3.1 Survival of Representations and Warranties. Except as otherwise provided in this Reorganization Agreement, the representations and warranties contained in this Reorganization Agreement shall survive the Effective Date for a period of twelve (12) months.

6.3.2 Indemnification by TIES (Sourcewell Technology). TIES (Sourcewell Technology) will defend, hold harmless, and indemnify each Member District from any and all claims, liabilities, damages, costs, expenses, penalties, fines or judgments (including, but not limited to, reasonable legal fees) asserted against, imposed upon or incurred by such Member District to the extent not covered by such Member District's insurance, and subject to the limitations of Minnesota Statutes Section 466.04, which the Member District may directly or indirectly incur or suffer by reason of the claim of a third party which results, arises out of or is based upon any liability relating to or arising out of the TIES Assets on or after the Effective Date or TIES's operations on or after the Effective Date which is specifically retained by TIES (Sourcewell Technology) pursuant to this Agreement.

6.3.3 Indemnification by Member Districts. Each Member District will defend, hold harmless, and indemnify each of TIES (Sourcewell Technology), Sourcewell, Metro ECSU, and each of their officers, directors and employees from any and all claims, liabilities, damages, costs, expenses, penalties, fines or judgments (including, but not limited to, reasonable legal fees) asserted against, imposed upon or incurred by TIES (Sourcewell Technology), Sourcewell, or Metro ECSU, respectively, to the extent not

covered by each such Party's insurance, and subject to the limitations of Minnesota Statutes Section 466.04, which TIES (Sourcewell Technology), Sourcewell, or Metro ECSU may directly or indirectly incur or suffer by reason of the claim of a third party which results, arises out of or is based upon (a) the inaccuracy of any representation or warranty made by the indemnifying Member District in this Reorganization Agreement; (b) the failure of the indemnifying Member District to comply with any covenants or other commitments made by it in this Reorganization Agreement; (c) any liability relating to or arising out of the TIES Assets prior to the Effective Date or TIES's operations prior to the Effective Date which is not specifically retained by TIES (Sourcewell Technology) pursuant to this Agreement; or (d) any liability relating to or arising out of the TIES Building Assets. A Party which is indemnified pursuant to this Section 6.3.3 will be entitled to manage the response, including the negotiation of any settlement and shall have the right to select counsel and direct the defense of any claim that results in a lawsuit.

ARTICLE VII

7.1.1 By mutual written consent of the Parties;

7.1.2 By any Party upon written notice to the other Parties upon the occurrence of a misrepresentation or material breach by a non-terminating Party of its obligations or covenants under a Definitive Agreement, which breach is not cured or a plan of cure reasonably satisfactory to the noticing Party is not presented, within twenty (20) days following the receipt of such notice by the breaching Party, which must state the nature and extent of the material breach complained of;

7.1.3 By any Party, if there is a material change in the law that makes consummation or continuation of the Reorganization illegal or otherwise prohibited or if there is any decree, permanent injunction, judgment, order or other action by any court of competent jurisdiction or any governmental entity preventing or prohibiting consummation or continuation of the transactions contemplated by the Definitive Agreements; or

7.1.4 By Sourcewell, if it determines in its reasonable discretion that one or more of the Closing Conditions is impossible or impracticable to be satisfied or achieved as of the Effective Date.

Except as otherwise expressly provided herein, the Definitive Agreements amend, restate, restructure, reconstitute and supersede any prior governance documents of TIES, including without limitation all prior joint powers memoranda, bylaws, membership agreements, all letters of intent and memoranda of intent and understanding among the Parties, and any other contracts among the Parties related to the subject matter herein, except that all services agreements as described in Section 1.8 shall remain in effect.

Section 7.8 Necessary and Indispensable Parties. Therefore, in the event of an action challenging the validity of or any part of this Agreement all parties are deemed necessary and indispensable parties for purposes of Minn. R. Civ. Pro 19.

Section 7.9 Authority to Sign, Counterparts; Signature Location. Each undersigned individual represents that he or she has actual authority to execute this Reorganization Agreement and to bind the respective Parties to the terms and conditions herein contained. The Definitive Agreements shall be interpreted without regard to whether a particular provision uses the term “TIES” or “TIES (Sourcewell Technology).”

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date first written above.

Exhibit C

**JOINT POWERS AGREEMENT
OF SOURCEWELL TECHNOLOGY
(F/K/A TIES)**

(Amendment, Restatement, Restructure and Reconstitution)

THIS AMENDED, RESTATED, RESTRUCTURED, AND RECONSTITUTED JOINT POWERS AGREEMENT (this "Agreement") is entered into between Sourcewell ("Sourcewell") and Metropolitan Educational Cooperative Service Unit ("Metro ECSU"), both of which are public agencies and public corporations established by Minnesota Statutes § 123A.21; and the member school districts ("Member Districts") of TIES which are identified in the attached Exhibit A (each a "Party" and collectively, the "Parties") and is effective as of the Effective Date (as defined in the TIES Reorganization Agreement).

WITNESSETH:-

WHEREAS, Technology and Information Educational Services ("TIES") is a joint powers entity formed under Minnesota Statutes § 471.59 which is governed by a Joint Powers Agreement dated November 5, 1965 (the "Original Joint Powers Agreement"); and

WHEREAS, Sourcewell, TIES, and the Member Districts entered into a TIES Reorganization Agreement ("the Reorganization Agreement") on or about July 27, 2018 describing the reorganization of TIES (the "Reorganization"); and

WHEREAS, in furtherance of the Reorganization, the Parties wish to set forth their agreement with respect to the governance, authority, and other terms pursuant to which TIES will be governed by creating this amended and restated joint powers agreement of TIES which, in relevant part, restructures TIES' membership into two classes of members, vests governance and control of TIES in Sourcewell and Metro ECSU, provides for Member Districts to oversee the maintenance, management and disposition of the TIES Building Assets, provides for capital contributions and financial support, and otherwise governs the authority, structure, and governance of TIES; and

WHEREAS, effective as of the Effective Date and pursuant to the adoption of this Agreement, Sourcewell and Metro ECSU shall be admitted as the sole Governing Members of TIES and all Member Districts shall be reclassified as Limited Members of TIES, as defined herein.

NOW, THEREFORE pursuant to Minnesota Statutes § 471.59 and in consideration of the mutual promises, covenants and agreement herein contained, the Parties hereby agree as follows:

ARTICLE I

RESTRUCTURED AND RECONSTITUTED JOINT POWERS ENTITY

Section 1. Name. As of the effective date of this Agreement, and subject to terms and conditions herein contained, the joint powers entity previously known as TIES shall continue in the name "Sourcewell Technology."

Section 2. Statement of Purpose. This Agreement is made for the purpose of ensuring Sourcewell Technology's continuity and development of informational and technological products, services, programs, solutions, and support, with a primary emphasis on serving the K-12 sector.

Section 3. Powers, Manner Exercised. Sourcewell Technology shall have all powers and authority provided by law including, but not limited to the following:

- a. To sue and be sued in its name;
- b. To adopt bylaws and enter an agreement for management with a member service cooperative, as long as such bylaws and agreements are consistent with the terms of this Agreement;
- c. To approve, enter and execute contracts;
- d. To employ personnel to carry out functions and operations consistent with its purpose;
- e. To adopt operational and administrative policies and procedures;
- f. To set an annual budget based on financial contributions, revenue generated and financial support received;
- g. To approve lawful expenditures;
- h. Determine service offerings and set pricing for the same;
- i. Obtain and enforce intellectual property rights protections (e.g. copyright, trademark) to the extent allowed by law;
- j. To accept other monies from public and private sources, including grants or donations, in accordance with law;
- k. To acquire by purchase, gift, devise, lease or otherwise, any and all personal or real property necessary to achieve the purpose of the Agreement.
- l. To obtain insurance on the private market, through a local government pooled risk entity or both;
- m. To establish any administrative or advisory committee, subcommittee, task force or working group necessary to achieve the purpose of this Agreement.

Care and control of Sourcewell Technology is vested in a Joint Board of Directors as provided in Article I, Section 4. All actions of the Board shall be by majority vote of Board of Directors, except for any addition of a Governing Member which requires a unanimous vote of the Joint Board and approval by the governing bodies of Sourcewell and Metro ECSU. In exercising the foregoing powers, the Board of Directors does not have authority to bind Sourcewell or Metro ECSU to financial obligations in amounts that exceed in total the amount of such member's Contributions and Voluntary Allocations to Sourcewell Technology unless such obligations are expressly approved by the governing body of Sourcewell or Metro ECSU, respectively.

Section 4. Governance, Officers and Management. A Joint Board of Directors (“Joint Board”) is hereby established to exercise all powers enumerated in Article I, Section 3. The Joint Board shall consist of eleven directors, including ten voting directors who must also be duly elected officials, and one ex officio, non-voting director as follows:

- a. Eight (8) voting members who are individuals concurrently serving as members of the Sourcewell Board of Directors; however, to the extent that the Sourcewell Board of Directors has fewer than eight (8) members, the Sourcewell Board of Directors may appoint non-directors to such positions on the Joint Board;
- b. Two (2) voting members appointed by Metro ECSU; and
- c. The Executive Director of Metro ECSU, as an ex officio non-voting director.

Officers of Sourcewell Technology may be established and appointed as provided for in the bylaws. Management of Sourcewell Technology shall be as provided for in the bylaws and any management agreement(s).

ARTICLE II

MEMBERSHIP

Section 1. Governing Members. Sourcewell and Metro ECSU are governing members of Sourcewell Technology (the “Governing Members”) and shall have the rights and authority described in this Agreement.

Section 2. Limited Members. The Member Districts are limited members of Sourcewell Technology (the “Limited Members”) and shall have only the rights and authority described in Article IV of this Agreement.

ARTICLE III

GOVERNING MEMBERS

Section 1. Financial Contributions. Sourcewell is solely responsible for making all financial contributions necessary for the operation of Sourcewell Technology (“Contributions”). Metro ECSU shall have no financial obligation or responsibilities related to the operation of Sourcewell Technology.

Section 2. Defense and Indemnification. Sourcewell shall defend, indemnify and hold harmless Metro ECSU, its current and former members of its governing body, administrators, employees, volunteers or agents, individually and collectively, from all liability, loss, damage, claims, causes of action, and expenses (including attorneys’ fees), which arise out of in any way or are related to the activities, operation or decisions of Sourcewell Technology, including, but not limited to, intentional, willful or negligent acts or omissions of Sourcewell, Sourcewell Technology or their employees, agents, volunteers, subcontractors or anyone employed directly or indirectly by Sourcewell or Sourcewell Technology; but excluding intentional, willful or grossly negligent acts or omissions of Metro ECSU, its current and former members of its governing body, administrators, employees, volunteers or agents. Further, Sourcewell represents and warrants that

to the best of its knowledge, there are not any claims, charges, lawsuits or actions of any kind against TIES that have not been fully resolved as of the Effective Date of this Agreement.

It is the intent of the Parties that Sourcewell Technology is a “single governmental unit” within the meaning of Minnesota Statutes §471.59, subd. 1(a) and (b), and nothing in this Agreement shall constitute a waiver of the statutory limits on liability, as set forth in Minnesota Statutes §466.04, or a waiver of any available immunities or defenses.

Section 3. Liability. Sourcewell Technology shall be considered a single governmental unit and its liability is limited as provided by Minnesota Statutes, § 471.59, subdivision 1(a) and Minnesota Statutes, § 466.04. Subject to Sourcewell’s duty to defend and indemnify Metro ECSU as provided in the preceding Section 2 of this Article, neither Sourcewell nor Metro ECSU agree, or shall be deemed, to be liable for each other’s independent acts or omissions outside the scope of the authority and responsibilities described in this Agreement. Sourcewell and Metro ECSU agree to hold each other harmless for the independent acts of each of their own current and former governing body members, officers, employees, volunteers or agents. For purposes of determining total liability, if any, the parties intend that Sourcewell Technology is a single governmental unit within the meaning of Minnesota Statutes, § 471.59, subdivision 1a (b). If extended insurance coverage is obtained, such procurement constitutes a waiver of governmental liability limits only as provided by Minnesota Statutes, § 471.59, subdivision 1a (c).

Section 4. Insurance. Sourcewell Technology (f/k/a TIES) shall maintain insurance coverage to cover potential claims arising out of the operations of Sourcewell Technology with coverage minimums equal to or greater than the TIES policies in place on July 1, 2018 for at least the following types of insurance: general liability, professional liability, property, employee dishonesty, automobile, network security and privacy, and workers’ compensation. Sourcewell shall also maintain insurance coverage of the same type and minimum coverages as Sourcewell Technology to meet its defense and indemnification obligations to Metro ECSU as set forth in Article III, Section 2 of this Agreement. Insurance maintained by Sourcewell Technology shall be primary to and non-contributory with Sourcewell and Metro ECSU insurance; next, insurance maintained by Sourcewell shall be primary to and non-contributory with Metro ECSU’s insurance. Sourcewell Technology’s insurance must name Sourcewell and Metro ECSU as additional insureds and must provide a certificate of insurance with evidence of such status. Sourcewell’s insurance must name Metro ECSU as an additional insured and must provide a certificate of insurance with evidence of such status.

Section 5. Termination and Dissolution. This Agreement shall be terminated and Sourcewell Technologies dissolved by majority vote of the Joint Board.

Section 6. Distribution of Assets and Liabilities Upon Dissolution. Pursuant to Minnesota Statutes, § 471.59, subd. 5, upon termination and dissolution of Sourcewell Technology, all property, assets, surplus funds or liabilities of Sourcewell Technology shall be distributed between the Governing Members in proportion to their Contributions made, if any, as described in Article II I, Section 1. For purposes of clarity, the Limited Member Districts shall not receive any distribution of property, assets, surplus funds, or liabilities of Sourcewell Technology upon

termination and dissolution of Sourcewell Technology, other than Member Districts' rights to the TIES Building Assets as set forth in Sections 1.5.5 and 1.5.6 of the Reorganization Agreement.

Section 7. Withdrawal. Either Governing Member may withdraw from this Agreement by action of its governing body, provided that withdrawal shall be effective one hundred and eighty (180) calendar days from receipt of written notice of withdrawal, unless withdrawal is due to a material breach of this Agreement by the non-withdrawing Governing Member, in which case the withdrawal shall be effective thirty (30) days from receipt of written notice. Upon withdrawal, Metro ECSU shall have no financial obligations or responsibilities to Sourcewell or Sourcewell Technology.

ARTICLE IV

LIMITED MEMBERS; LIMITED MEMBERS BOARD AND BUILDING COMMITTEE

Section 1. Limited Members' Oversight of TIES Building Assets; Approval Rights. Sourcewell Technology is the record owner (under its prior legal name, TIES) of certain land, buildings, and other improvements located at 1667 Snelling Avenue North, Saint Paul, Minnesota 55108, and legally described on Exhibit E of the Reorganization Agreement (the "TIES Building"). The TIES Building, together with certain fixtures and furniture located therein or thereon as described in Exhibit E of the Reorganization Agreement shall collectively be referred to as the "TIES Building Assets." Except as otherwise set forth in this Article IV, Section 1, the authority of the Limited Members with respect to Sourcewell Technology shall extend only to the oversight of the maintenance, operation, management, and sale and/or disposition of the TIES Building Assets. Subject to any Approval Rights (as hereinafter defined) and subject to the Member Districts' obligations under the Reorganization Agreement with respect to payment of the TIES Building Operating Costs and Extraordinary Expenses, the Limited Members delegate all of their authority under this Section 1 to the Building Committee (as defined in Section 2 below). The Limited Members Board and the Joint Board shall have reasonable approval rights with respect to the following actions by the Building Committee (collectively, the "Approval Rights"), which actions shall not be effective until such approval has been received: (i) the sale or disposition of the TIES Building Assets (including the disposition of any sale, insurance or condemnation proceeds), and (ii) any additional financing or refinancing secured by the TIES Building or any of the TIES Building Assets (each of the foregoing, an "Approval Event"). The Limited Members Board and Joint Board shall not unreasonably withhold their approval of any recommendation from the Building Committee with respect to an Approval Event provided that the terms of such Approval Event are commercially reasonable.

Section 2. Limited Members Board; Building Committee. There shall be a Limited Members Board with the authority expressly provided by this Agreement. Each Limited Member shall be entitled to select two representatives to serve on the Limited Members Board, whom may be the chairperson of the Limited Member's school board and its superintendent of schools serving *ex officio*, or any other two representatives appointed by the school board of the Limited Member. For clarity, it is intended that the composition of the Limited Members Board be substantially the same as the composition of the joint board described in the Original Joint Powers Agreement. In

addition, there shall be a Building Committee composed of the nine (9) representatives serving on the TIES Executive Committee as of the Effective Date. Thereafter, the Building Committee shall consist, insofar as is possible, of nine (9) representatives which include an approximately equal number of superintendents of Limited Member districts and representatives who are not superintendents, not more than one of whom shall be from the same Limited Member district. The Limited Members Board and Building Committee shall exist for the sole and limited purpose of representing the Limited Members in their oversight of the TIES Building Assets as described in Article IV, Section 1, including without limitation, negotiating and considering offers and counteroffers, executing necessary documents and all actions necessary and sufficient to effect a sale of the TIES Building (subject to reasonable Approval Rights of the Limited Members Board and Joint Board described in Article IV, Section 1), and otherwise consistent with the terms of this Agreement, to retire the debt owed with respect to the TIES Building. Until such time as the TIES Building is sold (or the debt retired), the Building Committee shall have the authority to retain the facility management services of Sourcewell Technology staff as required to oversee the TIES Building, as described under Article IV, Section 1. As consideration for such services, TIES and the Governing Members shall be permitted to occupy the TIES Building free of any rent or any other similar payment or fee until the TIES Building is sold, subject to maximum reasonable notice under the circumstances.

Section 3. Withdrawal of Limited Members. Within a reasonable period of time, but not to exceed 120 days, following the closing of the sale or transfer of the TIES Building Assets, or full satisfaction of all debt due on the TIES Building pursuant to the financing documents described under Article IV, Section 1, whichever occurs earliest: (1) the Limited Members shall automatically without notice to the Governing Members withdraw and cease to be members of Sourcewell Technology in any capacity, (2) the Limited Members Board and Limited Members Building Committee shall be deemed immediately disbanded, and (3) the Limited Members shall cease to be Parties to this Agreement and shall have no further rights thereunder.

ARTICLE V

GENERAL PROVISIONS

Section 1. Entire Agreement. Except as otherwise expressly provided herein, this Agreement amends, restates, restructures, reconstitutes and supersedes any prior governance documents of TIES, including without limitation all prior joint powers memoranda, bylaws, and membership agreements among the Parties.

Section 2. Amendment. This Agreement may be amended, restated, or modified in writing duly adopted by the Governing Members; provided that any amendments to Article IV must also be approved by the Limited Members.

Section 3. Assignment. Governing Members may neither assign nor transfer any rights or obligations under this Agreement without the prior consent of the other Governing Member and approval by the governing bodies of the Governing Members.

Section 4. Audits. Sourcewell Technology's books, records, documents and accounting procedures and practices relevant to this Agreement are subject to examination by the state auditor or legislative auditor, as appropriate, for a minimum of six years from the end of this Agreement.

Section 5. Signature Locations. The signature locations for TIES, Sourcewell and Metro ECSU follow, subject to approval and ratification by their governing bodies. The signature location for each Member District is found on the separate signature page for each Member District in the form of the template attached to this Agreement, which will serve as each such Member District's signature of this Agreement and the Reorganization Agreement, subject to approval and ratification by each such Member District's governing board.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the date first written above.

ADDENDUM TO TIES REORGANIZATION AGREEMENT

THIS ADDENDUM TO TIES REORGANIZATION AGREEMENT (the “Addendum”) is entered into as of July 27, 2018 by and among Sourcewell, formerly known as National Joint Powers Alliance (“Sourcewell”) which is a public agency and public corporation established by Minnesota Statutes § 123A.21; Technology and Information Educational Services (“TIES”) which is a joint powers entity formed under Minnesota Statutes § 471.59; and the member school districts (the “Member Districts”) of TIES which are identified in Exhibit A to the Reorganization Agreement (each a “Party” and collectively, the “Parties”), and shall be effective as of the Effective Date.

WHEREAS, the Parties have entered into a TIES Reorganization Agreement of even date herewith (the “Reorganization Agreement”) governing the reorganization of TIES’ membership and governance; and

WHEREAS, the Parties desire to supplement and amend the Reorganization Agreement in the manner described herein.

NOW, THEREFORE in consideration of the mutual promises, covenants and agreement herein contained, the Parties hereby agree as follows:

1. Section 1.5.3 of the Reorganization Agreement is hereby deleted in its entirety and replaced with the following:

1.5.3 After the Effective Date, TIES (Sourcewell Technology) will invoice Member Districts a per student fee amount multiplied by student enrollment numbers reported by Member Districts to the Minnesota Department of Education as of October 1, 2017 (the “Initial Building Maintenance Fee,” hereinafter, together with any future invoices to the Member Districts (with the fee amount determined in the same manner based on the most recently available reported student enrollment numbers as of the date of such assessment, collectively, the “Building Maintenance Fee(s)”). The Initial Building Maintenance Fee is anticipated and intended to cover the TIES Building Operating Costs for a period of approximately 12 to 18 months following the Effective Date. The Initial Building Maintenance Fee is an estimate-only and the Member Districts’ liability for the TIES Building Operating Costs shall be based upon the actual TIES Building Operating Costs for such period which are determined by the Building Committee at the time the expense is incurred to be reasonable and necessary, and any additional period, and shall include any Extraordinary Expenses, until the sale of the TIES Building Assets. TIES (Sourcewell Technology) will use reasonable efforts to provide prior notice to the Member Districts of any anticipated additional Building Maintenance Fees or Extraordinary Expenses as soon as and to the extent practical to assist the Member Districts in their budgeting process, provided that such notice period shall not be required to exceed sixty (60) days; and provided, however, that nothing herein shall diminish or reduce the Member Districts’ liability for such Building Maintenance Fees or Extraordinary Expenses.

2. The amount of the Initial Building Maintenance Fee described in Section 1.5.3 of the Reorganization Agreement is \$3.00 per student.
3. Section 1.5.6 of the Reorganization Agreement is hereby deleted in its entirety and replaced with the following:

1.5.6 Upon sale of the TIES Building Assets, the Member Districts shall receive a pro rata share of the Net Proceeds (as hereinafter defined) according to per resident pupil units commensurate with the method by which their pro rata payment amounts under US Bank Financing documents as described in Section 1.5.2 have been calculated. "Net Proceeds" means the net sale proceeds after deduction for payoff of any debt, offset for any outstanding unpaid Building Maintenance Fees and Extraordinary Expenses (allocated only to the extent unpaid by a Member District), and payment of any and all costs associated with the sale of the TIES Building Assets, including without limitation, commissions and brokerage fees, title and survey costs, deed tax, closing fees and any other customary fees paid by a seller in connection with a commercial real estate transaction).

4. The following additional Section 1.5.7 is hereby added to the Reorganization Agreement:

1.5.7 In the event that the debt on the TIES Building is fully satisfied pursuant to the Lease-Purchase Financing prior to the sale or transfer of the TIES Building Assets, the Parties will cooperate in good faith to arrange for the potential transfer of the TIES Building Assets to a joint powers entity controlled by the Member Districts or to take any other actions as the Parties may agree to provide for the ongoing maintenance, operation, and management of the TIES Building Assets. For the avoidance of doubt, satisfaction of the debt on the TIES Building shall not affect or reduce Member Districts' right to receive a pro rata share of the Net Proceeds upon the sale of the TIES Building Assets pursuant to Section 1.5.6 of the Reorganization Agreement.

5. The following additional term is hereby added to the Reorganization Agreement:

Privacy and Security of Member District Data. After the Effective Date, TIES (Sourcewell Technology) shall maintain the privacy and security of Member Districts' educational and student data stored or hosted by TIES (Sourcewell Technology) in connection with the provision of products and services as described in Section 1.8, in accordance with TIES' (Sourcewell Technology) data privacy and security policies as well as the terms of the applicable Master Service Agreement and all other agreements related to the provision of such services by TIES (Sourcewell Technology) to each Member District.

6. Capitalized terms not otherwise defined in this Addendum have the same respective meanings as contained in the Reorganization Agreement.

7. The provisions of the Reorganization Agreement that are not expressly modified by this Addendum shall remain in full force and effect pursuant to their terms.

IN WITNESS WHEREOF, the Parties hereto have executed this Addendum by their duly authorized representatives, as of the date first above written.

MEMBER DISTRICTS

The Member Districts identified on Exhibit A to the TIES Reorganization Agreement have each received this Addendum to the TIES Reorganization Agreement and attached it to such agreement. Execution of the joint signature page to the Reorganization Agreement and the Amended Joint Powers Agreement of Sourcewell Technology (f/k/a TIES), together with approval and ratification by each Member District's governing board, shall constitute evidence of each Member District's intent to be bound by the provisions in this Addendum.

AMSD's Mission

To advocate for state education policy that enables metropolitan school districts to improve student learning.

Association of
Metropolitan School Districts

There is culture change taking place in St. Louis Park High School Athletics thanks to a new initiative focused on equipping student-athletes with leadership skills. After receiving a cold call from St. Louis Park resident Kevin King, Athletic Director Andy Ewald saw an opportunity to create a unique leadership opportunity for captains of St. Louis Park High School's athletic programs.

King is the president of Premier Team Building Solutions, LLC – an agency that trains corporate executives, athletes, coaches, leaders and athletic teams in the areas of leadership, workplace and team culture, media and social media. Prior to starting the company, King spent more than 13 years on the faculty of various colleges and universities.

"When I moved to St. Louis Park, I reached out to Andy to gauge his interest to see if leadership training was being done in St. Louis Park Schools," shared King.

What King and Ewald developed together is right now being called "Captains Leadership Training." Each season, Ewald and King meet once a week for eight weeks before school with the captains of every varsity athletic team.

Captains are challenged with questions that start deeper conversations such as "What are your core values?", "How experienced are you with managing conflict?", "Why do you want to be a captain or leader?", "What is the culture of your team like?", and "What is your vision for your team?" They stress to the students that leadership is not about them – it's about creating an environment so that others can succeed. The captains spend time talking about the principles of good leadership and developing vocabulary so that they can articulate what good leadership is and looks like.

Ewald says that there has been 100 percent buy-in from not only the student-athletes, but from coaches as well. "Coaches have had unanimous support for this and are already seeing instant impact," Ewald said. "There's a language that is being spoken now. The culture of their team has changed and captains are talking and interacting with their teammates in a more purposeful way."

From the Chair

It has been an honor to serve as AMSD chair over the past year. I have enjoyed the opportunity to work with so many dedicated school board members, superintendents and staff to advocate for our common goals. The work we do together is critical to the future of our state and makes a difference for our students, our staffs and our communities.

With an important election on the horizon, I encourage AMSD members to engage with gubernatorial and local legislative candidates to educate them about the issues facing your school district and public education generally. The legwork you do now will pay dividends during the 2019 legislative session when state policymakers adopt the biennial budget. Your voice matters!

Enjoy the remaining weeks of summer and best wishes for a great start to the new school year!

Steve Adams, school board member from Hopkins Public Schools, is chair of AMSD.

St. Louis Park Student-Athletes Gain Leadership Skills

“The students are engaged, they ask questions, and I’ve been happy to see them apply it,” King said. “I’ve also had complete support from coaches. They have given me access to their practices, games and postgame talks. They have not restricted me in any way as far as me interacting with their programs and that’s been exciting and rewarding.”

Dave Breitenbucher coaches girls tennis in the fall, boys basketball in the winter, and boys tennis in the spring at the High School. He says he has seen a number of positive changes on his teams.

“At first I wondered what the training was going to look like and if there was going to be conflict with what King was teaching and with what I was teaching, but it’s just been great,” Breitenbucher said. “I’ve seen a real willingness from my captains to go to the next level with leadership that I haven’t seen before. During the basketball season I saw a willingness of the captains to step in and help the coaches when there were issues. Something has definitely changed here.”

The conversations around leadership have also caused St. Louis Park coaches to rethink how they select captains for their teams. Ewald said that several years ago he attended a workshop where it was stated that 85 percent of athletic team captains are selected for the wrong reasons, including popularity, seniority and skill in a specific sport. “We want our head coaches to be more intentional and more purposeful and take more time with how we’re selecting these leaders (captains) for our programs,” Ewald said.

Leadership Consultant Kevin King meets with student athlete captains.

and resources to undertake an initiative like this that positively impacts our athletic teams and gives students an opportunity to learn critical life skills.”

“It’s easy to say I want to see all of our programs win state championships. The competitive aspect is part of it, but I think what’s more important is our student athletes are developing as young men and women,” Ewald said.

“I think a lot of schools would like to do something like this, but just haven’t been able to figure out the logistics of it,” King said. “What we are doing here shows that it can be done, that it is being done, and that St. Louis Park is really on the cutting edge of forward thinking as it relates to leadership.”

This month’s member spotlight was submitted by Sara Thompson, director of communications and community relations, St. Louis Park Public Schools.

“We’re learning really basic life skills such as listening, communication, patience, and opening yourself up and finding vulnerabilities.”

-Maddie Lund, class of 2018 captain, tennis & lacrosse

Class of 2018 Seniors Maddie Lund and Jonny Sorenson were both multi-sport athletes and captains. Lund played tennis and lacrosse, while Sorenson was quarterback of the football team that made the school’s first state tournament appearance last fall, and also played hockey and baseball.

“I think he (King) connects with us because he’s a down to earth guy and he really wants us to improve, not only as captains of our athletic teams, but using these qualities in life and becoming better people,” Sorenson said.

The initiative’s value extends beyond athletics; it also falls in line with key parts of the district’s mission which strives to “prepare all students to contribute to society; offer high quality opportunities for lifelong learning; provide multiple pathways to excellence; and challenge all learners to meet high standards.”

“We’re learning really basic life skills such as listening, communication, patience, and opening yourself up and finding vulnerabilities,” Lund said. “Whether it’s with starting a family, building a career, or continuing with athletics later in life, all of these skills we are learning are really important with anything you do.”

High School Principal Scott Meyers commends Ewald for starting this initiative.

“Athletic directors like Andy already have a full plate to ensure that our athletic programs run smoothly,” Meyers said. “I really applaud him for finding the time

Special Education Enrollment, Costs Continue to Rise—and Shift

Senate on E-12 Policy Committee held hearing July 24 on special education enrollment and spending trends

Special education enrollment has steadily increased across Minnesota since 2003 — from nearly 116,000 students to more than 142,000 in FY2018 — and now accounts for more than 16 percent of the state’s student population.

In that same timeframe, the average special education expenditure per student has increased from \$9,200 in 2003 to more than \$14,000 in 2017.

Those figures were among the highlights from a July 24 Committee on [E-12 Policy](#) hearing on special education enrollment and spending trends, with presentations from Jody Hauer of the [Office of the Legislative Auditor](#), and Dr. Tom Melcher, director of the [Program Finance Division at the Minnesota Department of Education](#).

The cost increases, and the growth in numbers, are no surprise to members of AMSD, of course. It’s why special education funding has been among AMSD’s most significant legislative priorities for several years.

But for AMSD members, that growth isn’t the only statewide trend worth noting.

The enrollment is also shifting.

That is, the number of special education students enrolling outside of their home districts is also showing an upward trend, with parents across Minnesota more frequently taking their children out of their home districts for special education.

Statewide, an estimated 20 percent of special education students are served outside their home districts with 57 percent of those students enrolling in neighboring districts, 27 percent enrolling in a charter school and 16 percent being served in an intermediate or cooperative district. In the metro, the percentage of total enrollment now outside their home district for special education in Minneapolis and Saint Paul is at 6 percent — an upward trend that is seen in all district types. Suburban and non-metro districts have seen enrollments out of their home districts grow between 2 to 4 percent.

Trend: Special Education Students Enrolled Outside Home Districts On Rise

Continued from page 3

While data doesn't provide the reasons *why* parents are leaving their home districts, much of this trend can likely be traced to the provision of services. Improvements in special needs diagnoses, for example, often allow parents to target the best resources for their children — basically allowing them shop around for the best services.

Data shows that students categorized with "Specific Learning Disabilities" account for the greatest percentage of students across Minnesota: nearly 23 percent — more than 32,000 students in 2017.

Among specific diagnoses, students with Autism showed the greatest increase overall, seeing a 555 percent increase between 2000-2011 — and a jump from 15,378 students enrolled in 2011 to 19,386 in 2017.

Data shows most special education enrollments peak at or around age 10, with needs for services often decreasing as children become older or more independent. The greatest growth in special education has come in the age group of 6-year-olds, with an enrollment increase of nearly 1,500 between 2012-2018.

Source: [Program Finance Division Minnesota Department of Education](#)

The number of students of color enrolled in special education increased by 75 percent between 1999-2011 — which is noteworthy given that the number of students of color in general education increased in that same timeframe by only 44 percent. (The Program Finance Division presentation did not include updated numbers for 2012-2018).

As for the shift of higher special education enrollments outside of home districts, the trend does not appear to be slowing.

Partly as the result of more students enrolling outside of their home districts, Minneapolis and Saint Paul specifically have also seen their overall special education enrollment decrease. Special education enrollment has decreased in these metro districts by approximately 1,000 students (from 18 percent to 16 percent of student population) between 2012-2018, but has increased in the inner and outer suburbs by approximately 5,000 students (from 13 percent to 14 percent).

Still, costs for Minneapolis-Saint Paul will likely continue upward, Melcher said. The volume of students in the metro will still require more specialists in both districts, which almost always come at a higher cost. Districts such as Minneapolis and Saint Paul are spending more than \$17,000 per student on average.

Staffing data also indicate students in Minneapolis and Saint Paul receive more specialized services than students in smaller districts, who often receive assistance from lower-cost nonlicensed personnel or paraprofessionals (an indication of more general care and less specialized services).

Moving forward, members of the Committee on E-12 Policy asked for additional details, namely whether Minnesota — which has many special education mandates that exceed federal requirements — could better align with federal requirements to contain costs.

The Committee meets again Aug. 21 at 9 a.m., with specific focus on the funding formula, the reimbursement impact on the cross subsidy, and a 50-state comparison of state funding for students with disabilities.
