BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

(a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.

(b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

restrictions upon, the President. The President-Elect shall perform such other duties as from time to time may be assigned by the President or by the Council.

(c) Past-President. In the absence of the President or the President-Elect or in the event of his or her death, inability, or refusal to act, the Past-President shall perform the duties of the President. When so acting the Past-President, shall have all the powers of, and be subject to all the restrictions upon, the President. The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.

(d) Secretary. The Secretary shall prepare minutes of the meetings of the Council, serve as the custodian of the Council's records, keep a current roster of the physical and e-mail addresses of all Council members, and perform all duties incident to the office of Secretary, and perform such other duties as from time to time may be assigned by the President or by the Council.

(e) Treasurer. The Treasurer shall have charge and custody of and be responsible for, all funds and securities of the Council, receive receipts for all securities and monies due and payable to the Council from any source whatsoever and give such receipts to the Council, deposit all such monies in the name of the Council in such banks, trust companies, or in other depositories designated by the Council, and perform all the duties incident to the office of Treasurer and perform such other duties as from time to time may be assigned by the President or by the Council. If required by the Council, the Treasurer shall give a bond for the faithful discharge of his or her duties in such sum and with such surety or sureties as the Council shall determine.

(f) Executive Committee. The Executive Committee shall meet as needed to prepare for Council meetings, to formulate recommendations for the Council, and for such other reasons as deemed appropriate by the President or as directed by the Council.

Article IV. Administration.

Section 1. Reimbursement for Expenses. Council members and Council employees shall be entitled to reimbursement for actual expenses incurred in the performance of their duties as allowed by NEB. REV. STAT. § 79-1217 and other laws and applicable regulations as they may be amended from time to time. No request for reimbursement shall be submitted by an individual for an expense which has been paid by an educational service unit, other educational agency, or political subdivision. No charge for mileage shall be allowed when such mileage accrues while using an automobile owned by the State of Nebraska or one of its political subdivisions.

Section 2. Budget. The Council shall annually adopt a budget as required by the Nebraska Budget Act. Fiscal agents shall, pursuant to the agency agreement between the fiscal agent and the ESUCC, segregate funds contributed to a project from other funds maintained by the fiscal agent, either by maintaining a separate account of the Council designated for such a purpose or by maintaining a segregated fund within the budget of the educational service unit serving as fiscal agent. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. The purpose of such agreements will be for the Council to delegate to the agent entity the authority and responsibility to oversee particular statewide cooperative projects. The agency agreement shall specify whether the agent entity will also serve as the fiscal agent for the project.

Section 4. Powers. The Council shall have the power to:

(a) Purchase and/or lease supplies, materials and equipment and enter into a contract with any person, firm, corporation or other entity.

(b) Accept for any of its purposes and functions any and all donations, grants of money, equipment, supplies, materials and services, conditional or otherwise from any person or entity, and receive, utilize, and dispose of the same. The nature, amount, and conditions, if any, attendant upon any donation or grant accepted

pursuant to this section shall be detailed in the annual report of Council.

(c) Employ, compensate, evaluate and discharge staff limited only to those persons necessary to carry out its duties and functions;

(d) Establish committees as it deems necessary for the purpose of advising the Council on any and all matters pertaining the Council's duties or activities;

(e) Indemnify or reimburse any person in the same manner as an educational service unit board is authorized to do pursuant to NEB. REV. STAT. § 79-1217 as may be amended from time to time;

(f) Take any other action authorized, either explicitly or implicitly, by Nebraska law, including any action that may be necessary to perform its duties and functions as provided in these Bylaws.

Section 5. Annual Plan. The Council shall develop a written document outlining the programs, services and other projects which the Council will operate each year ("Annual Plan"). The Council will annually review the Annual Plan and may amend it as the Council deems necessary.

Section 6. Advisory Committees. The Council may solicit input from advisory committees comprised of teachers, administrators, board members, staff development staff, and other individuals. The role of these committees shall be advisory only, and no recommendation or proposal by any advisory committee shall be final until acted upon and adopted by the Council.

Article V. Other Matters.

Section 1. Fiscal Year. The fiscal year of the Council shall begin on ~~July 1~~ September 1 and end on ~~June 30~~. August 31. (Amended March 3, 2010)

Section 2. Liability Insurance. The Council shall obtain adequate insurance to cover itself, its members and its agents, employees, volunteers, or other persons in performing duties to the Council. Adequate shall mean an amount, if available, which will satisfy the maximum claims that could be made under Nebraska's Political Subdivision Tort Claims Act.

Section 3. Amendment. These Bylaws may be amended from time to time as deemed necessary by a majority of the Council. All such amendments must be in writing, appended to this document and signed by the Council Secretary.

Section 4. Intellectual Property. All rights to any intellectual property (copyright, trademark, patent, etc.) created in connection with any project reflected in the addenda to these Bylaws shall be owned by the Council.

These Bylaws were adopted by the Educational Service Unit Coordinating Council at a meeting lawfully held pursuant to the Nebraska Open Meetings Act this _____ day of July, 2008.

Nebraska Open Meetings Act

§84-1407 Act, how cited Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

§84-1408 Declaration of intent; meetings open to public It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

§84-1409. Terms, defined For purposes of the Open Meetings Act, unless the context otherwise requires: (1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions. (b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

§84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops (1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster, or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

§84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body (1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) 24 hours before the scheduled commencement of the meeting or (b) 48 hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the educational service unit coordinating council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference; and (e) No more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the educational service unit coordinating council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, or of the governing body of a public power and irrigation district may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which an educational service unit board member, a council member, a member of a community college board of governors, a member of the governing body of a public power district, a member of the governing body of a public power and irrigation district, or a member of the entity's or pool's governing body will be present; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice; (g) The telephone conference call lasts no more than two hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that a governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

§84-1412. Meetings of public body; rights of public; public body; powers and duties (1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested 24 hours in advance; (d) No more than 25% of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least 21 days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

§84-1413. Meetings; minutes; roll call vote; secret ballot; when (1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a municipality, a county, a learning community, a joint entity created pursuant to the Interlocal Cooperation Act, a joint public agency created pursuant to the Joint Public Agency Act, or an agency formed under the Municipal Cooperative Financing Act which utilizes an electronic voting device which allows the yeas and nays of each member of such city council, village board, county board, or governing body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

§84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties (1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within 120 days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than 120 days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and (e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; (g) The telephone conference call lasts no more than five hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified Daily Documentation 1st Quarter in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

CSI, TSI, ATSI School Support
Lane Carr and Shirley Vargus were present to share updates on CSI, TSI and ATSI. They welcome invites to visit schools or join virtual with you. There have been a lot of changes with the AQuESTT and not a lot of shared responsibility for AQuESTT. Please share feedback to help improve their system. Beginning to have really good conversation with schools. They have been working with schools on how to sort data and read it better. What are the questions that need to be asked when looking at data along with NSCAS reports? They help the schools with the act of using the data and shared conversation around the data. We are working to adapt to student needs (classifications). Schools wondering why they went from a good school to needs improvement in one year. The fact is that they did not do anything when the student needs changed. They are working to build a system that works for both small schools and larger schools. How do we continue the growth of the administration as well? Plan to anticipate the changes in advance. Positive examples, they want to find those schools that are setting a positive example. Taking stock of current plans, be clear and clarify. The district needs to do something but they need to have a plan that seamlessly integrates all plans. Create coherence and alignment of plans. Important message for ESUs to share with school that this is not a prescriptive plan. Shine a light on subgroup performance where it is not and should be. This is not a product; they are accessing in a plan. Quality instructional practices and cultural proficiency. Leading for equity in schools that have a library of resources accessible. Demystifying and challenge people's assumption - we all have our values and beliefs, challenge their thinking. Change mindset. NDE also needs to step up their support. Much conversation, learning and growing happening across the state. EBA review process, ESU staff helped with this process. There were six (two from each ESU, NDE, School) reviewing the EBA data. There was a lot of divergence in the data. The average time was 18 hours for each reviewer. Lane will be sharing some of this feedback with their schools. What schools are using for Instructional Framework Model? There is one question on the EBA but aligned to the NE teacher and principal framework. Can share how they responded but not what framework they use. Concern of discrepancy, rubrics were used, did they get more consistency across the board? Not sure if the changes made were the change but in general scores were closer than the past. Continue to get more training around what "excellent" looks like. Schools will be able to see their scores this Friday and they will also share with the ESU. Reviewers will be able to log back in and see where they fit within the scoring process. The most consist score was program evaluation – is what they buy what leads to student achievement outcomes.

First National Capital Markets Presentation
First National Capital Markets were present to share some information on capital markets. Educational Finance Assistance, Support and Training (EFAST). EFAST program offers support to school finance

personnel by providing tools, knowledge and resources through the following services: annual NDE budget assistance, annual itemized budget reviews, expenditures analysis/comparability study, budget efficiency recommendations, capital replacement schedule, budget calendar, Rule 10 Safety-Audit, Federal/State Grant Assistance, essential finance planning, feasibility studies. They do school finance workshops with NASB. They are preparing financial leadership within the schools. They welcome invites to ESU Superintendent meeting to present.

E-Rate Update
Tom Rolfes and Suann Witt were present to discuss E-Rate. On November 14, there was a meeting to help with consolidating state filing. Several ESUs have joined this effort. There are 112 circuit transfers under NITC under eight companies. Four of the eight could not invoice correctly. Four companies are still behind and they will withhold payment until they can invoice correctly. Districts are asking if they should be paying when the OCIO should be making the payment. They will continue to help work through to clean up the process. Vendor accounts and circuit ids are their id, where we look at school names. They are working to find solutions. They will continue to work to make year two go more smoothly. They have new schools coming on this year with the new RFP contract. Discussing the state to take over all filing. Conversations have been better discussing/working through together. They are looking to include Cyber Security, increase advance firewall services. Decision to come this winter. Year three - recommend all applications would happen at state level and not local level (if requested.) If you want your ESUs to file for your schools, they can do that. Cost recovery is different across the state.

Association of Education Service Agency's Report
Executive Director shared the Dr. Deturk, Dr. Heimann, and Dr. Lofquist attended the regional meeting in Minneapolis and shared discussions they had at the meeting. The group learned a lot on how other states run their work their AEAs. They discussed the value add for the other AEAs and not sure they had any better solutions that NE. All states presented except NE. We were invited late to the meeting as we should be in a different region but this is a better fit for us. Discussions regarding Fiducious no longer a partner with AESA. Invite Fiducious to Zoom into a ESUCC meeting in near future.

Learning Community Update
Not present to report.

Executive Reports
Executive Director Report
Executive Director shared the NDE Collaboration meetings are in October/April. There was a core group identified to keep processing moving forward. School improvement, leadership effectiveness and instructional materials were the three this group decided were the most important to begin work on. Lottery Funds hearing was last Friday. Kraig Lofquist ask to testify but was denied. Grants fund must be innovative and redesigned to meet student needs. Current funding will help expand after school programs. Bromm's were present yesterday and discuss the report that needs to be done by December 31 on these funds. LB 147 - discipline bill has been revised and looking better that other senators are supporting. State Revenues are up. Redistricting will be a topic for discussion this legislative session. January PDO will have two themes: marketing and mental health. Discuss elevators speeches with staff to be finished in January. PDO workgroup is working to get a training with John Haddies work. Comprehensive Needs Assessment workshop, more information will be coming out soon.

ESUCC Redesign: Update
ESU Standards
Dr. Schnoes gave an update on the standards, their committee is working on draft 3. They received the feedback information from affiliates. Working on the four domains and wordsmithing and redesign. Committee work to be done by December 1, 2019. They will meet sometime in December to finalize. Bring to Executive Committee in January and share out with PDO in January. They will then begin to create indicators for these domains. Kudos to ESU 3 staff that have help shape the vision.

Joint Decision Making Parameters

Chair shared that their group met this to discuss their goal. PDO survey shared that we need spend time on each of the bold steps. We need to keep trying to get at the table during the planning stages of NDE work. Discussed gathering info from PDO groups as to what they are involved in. Find out how NDE roles out new work and to begin to understand their process.

SIMPL Inventory
Chair shared they met on the October 27, 2019 and they plan to meet again before January. Define the group and who is responsible for doing what? Create a guide for ESU so they know when to update inventory, timelines, etc. This communication needs to come through this Bold Step Committee.

Value-Add Metric
Chair shared that they have met a few times to discuss value-add metric. Senators would like information on staff in ESUs (personnel savings). They have had some conversations on technology savings as well. SIMPL is the mechanism to pull some of the data need to tell our story and to be able to defend the cost. The committee tries to meet the last Wednesday of every month.

Value Proposition
Chair shared that they will meeting sometime soon. Find a basic way to find/share our information. Request for this information from Senators.

Executive Committee Report
NPAIT will be making changes to the sweep process with Union Bank. NPAIT will no longer be running a sweep and this will need to be done manually. Executive Committee discussed the Executive Director appraisal. They had thirteen of the seventeen administrators send in responses. Executive Director has three goals including marketing; increase sales for Coop, SRS plan, website/social media. Importance of working together on initiatives and helping to promote each other for each other. Discussing putting evaluation into a Google Form. Discussion on the ESU staff certifications. There is coding that can be used so that they do not need to take classes. (2329 - Administration Assistant and 2324 is for PD Director) Discussion regarding the ESUCC Matrix 2019-20. MSA 2020-21 "draft" process has begun. MSA to be approved in March. SIMPL was discussed as they are trying to sustain as the Innovation Grant will be done as of December 31, 2019.

Perkins V Updates
Katie Graham, NDE was present to share updates on Perkins V. The full draft for NDE is online and open for public comment. Also posted is the Perkins Accountability Targets. They are required by law to include responses. There will be an Executive Summary, hope to be out early next week. Using Perkins funds goes down to the 5th grade. Permissible but not required. Performance Targets to select three targets. Work base learning participation is the target the State Board picked to be used as the target. Main focus on statewide participation. Currently, there is low participation. Provisions/assurances: size, scope and quality of programs in place to meet the needs of all students. Definition of concentrator has changed to accountability. There are 16 career clusters. Students needs to take two courses to be a concentrator. Split of funds

with 85% to flow straight through to participants. Split was 55% to secondary 45% to post-secondary - new split is 60% secondary to 40% post-secondary. There was a required contribution - the state board has change to none/allowable. PFI will continue to be an allowable partnership. Work base learning - Science has been added to the learning. Not sure how PFI will change their structure or if they will stay as a granting body. Perkins may only be utilized on addressing outcomes identified through needs assessment. Special Populations will be addressed through the needs assessment. State Plan clarification on consortiums - once you signed on this year, you are signed on for four years. Not required but suggested. Consortia - they wrote in flexibility for consortia participations. They can be a stand-alone, but need a waiver. If a group of schools wanted to join their own consortia, NDE will give them the option. Needs Assessment ReVision - comprehensive local needs assessment, expanding the process to meet the new need requirements of the law. Based on feedback of pilots, we need to figure out how can we add additional supports without adding more burden. Every eligible recipient has to meaningfully participate in the process. ESUs cannot do it for them. Local needs assessment (district responsibility for aligning/self-assess) and regional assessment (every district has to participate, including ESUs and Community Colleges) NDE has hired a convener. They will know where districts need to be and what to do. They will make local assessments available. The conveners will summarize regional meetings and send back to local. The documentation will be readily available for assessments, summaries, etc. The ESUs role is to participate in the regional meetings, be on hand for local assessments. NDE staff/conveners will be readily available to help out through the process. NDE will not be collecting the local needs assessment, they will only include the summaries. Will there be training for the coordinators so that they can be sure we are supporting them appropriately? There is a guide book that is step by step and a resource manual which will be available next week. The process will need to be done quickly. Would it help to bring in ESU schools in for a training/workshop to get them get them all on the same page? NDE put the burden on the schools to take burden off the ESUS/non-authoritative. Locals needs to own their assessments. Support at the level you are able to and let NDE know how they can help. Who needs to be at the table for local needs assessment? The stakeholders are spelled out in the guidebook and manual. Regional Meetings there are nine economic development regions. Hosting only one per region. Do the best they can, use zoom, etc. Timeline for opening of grant. Launching ReVison in December. Jan/Feb work on local assessments. Feb/Mar host regional meeting and open the intent to participate. Mar/Apr will be the development of four plan. Apr/May when grant due. Can't give allocations until they get the allocations from Feds. Can they keep ESUs in one region and not across several regions? Go where it make sense to join. Conveners - Jan Christianson, Ken Spellman and their team. Let ESUs know who their conveners are so they can begin to have communications. Explanation of local - local school or local consortium. Local is school districts and recipient is the consortia. ESUs serve as the fiscal agent and consortia lead. Districts can consort together. Both would operate the same way. Local Districts is the local recipient. Define the language is very important. ESU 7 is in three economic regions, do they need to create three plans? Suggest they make one combined higher-level plan/broadly specific. Mutually beneficial to all student needs. Student performance data, how are they doing on all indicators, where we want to focus our efforts. Need better reports from NDE to help the local analysis. Begin prior to the reports being available, reports to be available in January. NDE will provide assistance on how to analyze data. What if a district decides to not do needs assessment, what if they want to join later. Writing implementation as creating plan. They would still need to do the needs assessment requirement. They would need

to talk with consortia to see how they can fit into plan. If they choose not to participate in consortia, the funding will stay with consortia. Based off Perkins accountability indicators - ACT, placement, etc. Will the data be more real time data? Data available will be previous years, however, once a concentrator, always a concentrator. Previously only reported concentrator as seniors but now will be whatever grade level they were created. As soon as they are considered a concentrator, they are reported. ReVision has fundamentally changed as well as the process. Don't start over, look at what is done and look at what is required to fill in the holes. The process will keep evolving. There is funding set aside to help schools with their process (subs, etc.) through mini grant. There is required uses for funds (there are 6 elements - can focus across the four-year plan.) Can't be used for all professional development. Perkins requires the funds to be used on the outcomes of processes. Consensus can be reached/allowable. Do not expect perfection this year, make data informed decisions.

ESU Standards (Pilot Draft 1) January 2020

Educational Service Unit Standards of Performance and Practice

Context

Educational service units (ESU) were established in 1965 by the Nebraska legislature to "provide for economy, efficiency, and cost-effectiveness in the cooperative delivery of educational services." Nebraska State Statute *(79-1204)* particularly tasks service units with

- Provision of core services in the following service areas in order of priority:
    - Staff development
    - Technology, including distance education services
    - Instructional materials services
- Provision of other services as requested by member school districts
- Provision of educational services through leadership, research, and development in elementary and secondary education
- Take action in cooperation with and support of the State Department of Education

Rule 84 *(79-318; 79-1204)* further requires that each ESU be evaluated and accredited to assure a level of quality in the educational programs and services provided to school districts by the educational service units.

Purpose

The purpose of the Educational Service Unit Standards of Performance and Practice is to define the knowledge, skills, practices and dispositions necessary for ESUs to provide quality programs and services to Nebraska schools (see Rule 84). The standards promote a common language that fosters an understanding of what it means to be a member of the ESU statewide network and can be used to inform the improvement efforts of individual agencies. The document contains four essential domains: purpose and leadership, programs and services, stakeholder relationships and communication, and resource capacity. The Bold Step 1 committee anticipates that either a rubric or a set of indicators will be developed subsequent to ESUCC approval of a final set of standards.

Process

In February, 2018 the Educational Service Unit Coordinating Council (ESUCC) comprised of administrators from each of the 17 ESUs along with representatives from the Staff Development Affiliate, Teaching and Learning Team Affiliate, Network Operations Affiliate, ESU Special Education Directors Affiliate and the Nebraska Department of Education engaged in an ESUCC organizational redesign process facilitated by Dr. Susan Leddick. The redesign group identified Five Bold Action Steps necessary to enable ESUs to work together effectively, efficiently and equitably to accomplish common goals and deliver high value to the state's education system.

Five Bold Steps: ESUCC

1. Develop ESU Standards
2. Develop joint decision-making parameters
3. Complete SIMPL inventory
4. Develop value-add metric
5. Develop ESUCC Value Proposition

The Coordinating Council appointed a Bold Step 1 ESU Standards committee of representative ESU administrators and affiliate membership to develop a draft set of standards of performance and practice specific to Nebraska's ESUs. The process included input from the entirety of the ESUCC, the ESU Affiliate leadership as well as the ESU Affiliate membership. This draft is intended for final review and approval by the ESUCC Board. During 2020-21, several ESUs will pilot the use of the newly created ESU Standards during their Continuous Improvement Process.

Guiding Framework

The Educational Service Unit Standards of Performance and Practice are intended to fill a void. There are no state or national standards of performance for educational service units. They are provided as one definition of effective practice for Nebraska's service units. Use of these standards to guide the continuous improvement efforts of individual ESUs is voluntary. The ESUCC recognizes that while there are common components to providing regional programs and services, the implementation of those components will be specific to the needs of the member districts of each service unit.

Domain 1: Purpose and Leadership

A1: The ESU commits to a vision, purpose, and a core set of beliefs about providing programs and services that meets the expectations of the ESU and its member districts.

A2: The ESU engages in a continuous improvement process that improves professional practice, effectiveness, and results.

A3: ESU leadership establishes a strategic plan, as well as processes, procedures and conditions to support agency effectiveness.

A4: The ESU establishes conditions to support the development of individual and collective knowledge, skills and professionalism.

A5: The ESU provides professional growth opportunities for internal and district staff in leadership positions.

A6: The ESU uses a comprehensive process for staff evaluation.

A7: The ESU demonstrates actions that ensure the achievement of the ESUCC's purpose.

A8: The ESU Board, through board policies, understands and practices its defined roles and responsibilities to maintain an effective agency.

A9: ESU programming and services fulfill the requirements of Rule 84.

Domain 2: Programs and Services

B1: ESUs use a data-driven process to systematically identify the needs of districts to develop an agency service plan.

B2: The ESU ensures its services are developed and delivered, have clear and measurable outcomes, and are aligned with evidence-based practices.

B3: The ESU has established a process to assess implementation of targeted programs and services.

B4: Learning opportunities are provided to ESU staff in order to develop and enhance the skills necessary for delivering the agency service plan.

B5: The ESU fosters an innovative and collaborative culture to optimize program and service delivery.

Domain 3: Stakeholder Relationships and Communication

C1: ESU staff provide internal and external stakeholders with opportunities to collaborate and inform the development of the agency's purpose, programs, and services.

C2: ESU staff communicate efficiently and effectively with internal and external stakeholders.

C3: The ESU provides an induction process to their service agency for new district leadership.

C4: The ESU is an active partner in activities and initiatives of the ESUCC, and formally engages with and collaborates with the Nebraska Department of Education.

Domain 4: Resource Capacity

D1: The ESU utilizes strategic planning to align human, material, and fiscal resources to meet the short and long term goals of the agency.

D2: The ESU allocates human, material, and fiscal resources to optimize agency efficiency and effectiveness.

D3: The ESU recruits, employs and retains highly qualified staff.

D4: The ESU provides induction, mentoring, professional learning opportunities for staff to grow and improve.

Kraig Lofquist
Executive Director
Educational Service Unit Coordinating Council
6949 South 110th Street
LaVista, NE 68128

Dear Mr. Lofquist:

In accordance with Neb. Rev. Stat. Section 84-304, the Auditor of Public Accounts will conduct the fiscal year 2019 and the fiscal year 2020 Educational Service Unit Coordinating Council (ESUCC) audits. Neb. Rev. Stat. Section 84-304 states in part, "To examine or cause to be examined, at the expense of the political subdivision, when the Auditor of Public Accounts determines such examination necessary …"

This letter will serve as official notice to ESUCC that the Auditor of Public Accounts will be conducting the ESUCC Audit for fiscal year 2019 and fiscal year 2020.

We will conduct our audit in accordance with generally accepted auditing standards United States of America and Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. It should be understood that the responsibility for the preparation of financial statements, including adequate disclosure, is that of the management of ESUCC. Our responsibility is to express an opinion on the financial statements based on our audit.

As part of our audit, we will make an assessment of control risk relating to your internal control structure to the extent we consider necessary as required by generally accepted auditing standards. Under these standards, the purpose of such assessment is to establish a basis for reliance on the internal control structure in determining the nature, timing and extent of auditing procedures that are necessary for expressing an opinion on the financial statements.

An audit includes procedures designed to provide reasonable assurance that errors and irregularities that would have a material effect on the financial statements would be detected. Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with GAGAS. Accordingly, a material misstatement may remain undetected.

Likewise, in making our audit, we will be aware of the possibility that illegal acts may have occurred. However, it should be recognized such audit cannot be expected to provide assurance illegal acts will be detected.

The establishment of an internal control structure is an important responsibility of management. Appropriate supervisory review procedures are necessary to provide reasonable assurance that adopted policies and prescribed procedures are adhered to and to detect and correct errors and irregularities or illegal acts in a timely manner.

Our audit is not specifically designed and cannot be relied upon to disclose reportable conditions and/or material weaknesses in the internal control structure. However, during the audit, if we become aware of such reportable conditions and/or material weaknesses in the internal control structure, or ways that we believe management practices can be improved, we will communicate them to you.

May we remind you, the responsibility for the preparation of financial statements, including adequate disclosure, is that of the ESUCC's management. This includes adequate disclosures, the maintenance of adequate accounting policies, and the safeguarding of the assets of the State. As a part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

We understand that you will provide us with your financial statements, footnotes, and supporting documentation, which should include all journal entries, recorded. The financial statements and supporting documentation should be prepared in accordance with auditing standards.

At the conclusion of our audit or audits, we plan on issuing the following reports:

- a report on the financial statements of the ESUCC, on a cash basis;
- a report on the internal control structure based solely on our consideration of the structure made as a part of the audit of the financial statements; and
- a report on compliance with laws and regulations that may have a material effect on the financial statements.

The APA's fee for this service will be sufficient to cover the costs of our work (approximately $76.00/hour for Managers and $33.00/hour for audit staff). At this time, we anticipate the total fee will not exceed $25,000.00 (approximately 700 hours). The APA will bill when the work is completed. The ESUCC will submit payments to the APA accordingly. No additional charges will be made for routine inquiries or requests for information. The fee quoted above is for a financial statement audit, and does not include any bookkeeping or special requests by ESUCC.

A copy of the latest quality control review for the Nebraska Auditor of Public Accounts can be found at: http://www.auditors.nebraska.gov/About_Us/APA%20_Review_Files/2016_NSAA_APA_Peer_Review.pdf. We appreciate this opportunity to be of service and believe this letter accurately summarizes the scope of the audit services to be provided.

Sincerely,

Mary Avery

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

SHOULD AGREE WITH YOUR REGISTER BALANCE AFTER DEDUCTING SERVICE CHARGE (IF ANY) SHOWN ON THIS STATEMENT.

Please examine immediately and report if incorrect. If no reply is received within sixty (60) days the account will be considered correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

3.2. Executive Committee

3.2.1. KSB School Law

3.2.1.1. Is there a need to have at every meeting?

Discussion regarding the presence of KSB Law at Board meetings. KSB to attend at the request of the Executive Director and/or President, possiblity joining via Zoom.

3.2.1.2. Need to have documents on file at KSB (ie: Appraisals, Personnel Contracts, Vendor Contracts - non-Coop)

Discussion on KSB having ESUCC documents on file at KSB. STaff Contracts, originals, appraisal, MSA at ESU 17.

3.2.2. ESUCC Matrix 2019-2020

Move as a link on SPARQ and update in September.

3.2.3. MSA 2020-21

3.2.3.1. MSA/Learn360
Kraig,

As we begin work on drafting the 2020-21 MSA, we need to discuss the renewal of Learn360. Several ESUs indicated this past spring that 2019-20 may be the last time that they renew. This may be the time to change how we bill out the cost for the subscription, moving away from the 50/50 formula and going with a per student cost, especially if other ESUs will end their subscriptions. Currently, we have 12 ESUs participating: 1,3,4,5,7,8,9, 13,15,16,17,18.

I think that this needs to be discussed this month at the council meetings since we won't be meeting again until January. Would it need to be on the agenda for both the Information Services and Executive committees? Learn360 renewal will also be a discussion item at the TLT affiliate work group that will be meeting the same time as the council that week.

I will run a statewide usage report that can be included in the committee meeting minutes. Is there anything else I can do to provide information for those meetings?

Office Location: Beatrice, NE 68310

About half ESUs are continuing with Learn360. The price is set for this year. Discussion if you need to pay for full student count or those students that use. After next year, will possibly available via Coop.

3.2.4. BOLD STEP ONE: ESU STANDARDS 8/27/19

Bold Step Chair shared the revision of the Standards (version 4). Share with Board tomorrow and bring back in Febraury for approval of Pilot Draft and then to be used those pilot ESUs and then bring back for final revision/approvals. Share this document as the pilot draft. Administrators to do one last review.

3.2.5. SIMPL

Executive Directort shared the history of SIMPL and discussed the plan moving forward and funding opportuniites. President shared the different committees that work on SIMPL on the processes in place. The challenges of the process is time and funding. Do we need to do a strategic planning process with SIMPL, similiar to what SRS went through. There are a lot of things that could happen with SIMPL and a broader vision would be good. This would also give us an idea of how much time/money would be needed to keep project moving

forward. Discussion about the process that could be used to discover our needs. We need to invest in our marketing to get gather our information to share with our stakeholders. Would it be benificial to have a one of the board committees give a SIMPL report each month. Go through the strategic planning process to figure out the dollar amount.

ESU Standards (Pilot Draft 1) January 2020

Educational Service Unit Standards of Performance and Practice

Context

Educational service units (ESU) were established in 1965 by the Nebraska legislature to "provide for economy, efficiency, and cost-effectiveness in the cooperative delivery of educational services." Nebraska State Statute *(79-1204)* particularly tasks service units with

- Provision of core services in the following service areas in order of priority:
    - Staff development
    - Technology, including distance education services
    - Instructional materials services
- Provision of other services as requested by member school districts
- Provision of educational services through leadership, research, and development in elementary and secondary education
- Take action in cooperation with and support of the State Department of Education

Rule 84 *(79-318; 79-1204)* further requires that each ESU be evaluated and accredited to assure a level of quality in the educational programs and services provided to school districts by the educational service units.

Purpose

The purpose of the Educational Service Unit Standards of Performance and Practice is to define the knowledge, skills, practices and dispositions necessary for ESUs to provide quality programs and services to Nebraska schools (see Rule 84). The standards promote a common language that fosters an understanding of what it means to be a member of the ESU statewide network and can be used to inform the improvement efforts of individual agencies. The document contains four essential domains: purpose and leadership, programs and services, stakeholder relationships and communication, and resource capacity. The Bold Step 1 committee anticipates that either a rubric or a set of indicators will be developed subsequent to ESUCC approval of a final set of standards.

Process

In February, 2018 the Educational Service Unit Coordinating Council (ESUCC) comprised of administrators from each of the 17 ESUs along with representatives from the Staff Development Affiliate, Teaching and Learning Team Affiliate, Network Operations Affiliate, ESU Special Education Directors Affiliate and the Nebraska Department of Education engaged in an ESUCC organizational redesign process facilitated by Dr. Susan Leddick. The redesign group identified Five Bold Action Steps necessary to enable ESUs to work together effectively, efficiently and equitably to accomplish common goals and deliver high value to the state's education system.

Five Bold Steps: ESUCC

1. Develop ESU Standards
2. Develop joint decision-making parameters
3. Complete SIMPL inventory
4. Develop value-add metric
5. Develop ESUCC Value Proposition

The Coordinating Council appointed a Bold Step 1 ESU Standards committee of representative ESU administrators and affiliate membership to develop a draft set of standards of performance and practice specific to Nebraska's ESUs. The process included input from the entirety of the ESUCC, the ESU Affiliate leadership as well as the ESU Affiliate membership. This draft is intended for final review and approval by the ESUCC Board. During 2020-21, several ESUs will pilot the use of the newly created ESU Standards during their Continuous Improvement Process.

Guiding Framework

The Educational Service Unit Standards of Performance and Practice are intended to fill a void. There are no state or national standards of performance for educational service units. They are provided as one definition of effective practice for Nebraska's service units. Use of these standards to guide the continuous improvement efforts of individual ESUs is voluntary. The ESUCC recognizes that while there are common components to providing regional programs and services, the implementation of those components will be specific to the needs of the member districts of each service unit.

Domain 1: Purpose and Leadership

A1: The ESU commits to a vision, purpose, and a core set of beliefs about providing programs and services that meets the expectations of the ESU and its member districts.

A2: The ESU engages in a continuous improvement process that improves professional practice, effectiveness, and results.

A3: ESU leadership establishes a strategic plan, as well as processes, procedures and conditions to support agency effectiveness.

A4: The ESU establishes conditions to support the development of individual and collective knowledge, skills and professionalism.

A5: The ESU provides professional growth opportunities for internal and district staff in leadership positions.

A6: The ESU uses a comprehensive process for staff evaluation.

A7: The ESU demonstrates actions that ensure the achievement of the ESUCC's purpose.

A8: The ESU Board, through board policies, understands and practices its defined roles and responsibilities to maintain an effective agency.

A9: ESU programming and services fulfill the requirements of Rule 84.

Domain 2: Programs and Services

B1: ESUs use a data-driven process to systematically identify the needs of districts to develop an agency service plan.

B2: The ESU ensures its services are developed and delivered, have clear and measurable outcomes, and are aligned with evidence-based practices.

B3: The ESU has established a process to assess implementation of targeted programs and services.

B4: Learning opportunities are provided to ESU staff in order to develop and enhance the skills necessary for delivering the agency service plan.

B5: The ESU fosters an innovative and collaborative culture to optimize program and service delivery.

Domain 3: Stakeholder Relationships and Communication

C1: ESU staff provide internal and external stakeholders with opportunities to collaborate and inform the development of the agency's purpose, programs, and services.

C2: ESU staff communicate efficiently and effectively with internal and external stakeholders.

C3: The ESU provides an induction process to their service agency for new district leadership.

C4: The ESU is an active partner in activities and initiatives of the ESUCC, and formally engages with and collaborates with the Nebraska Department of Education.

Domain 4: Resource Capacity

D1: The ESU utilizes strategic planning to align human, material, and fiscal resources to meet the short and long term goals of the agency.

D2: The ESU allocates human, material, and fiscal resources to optimize agency efficiency and effectiveness.

D3: The ESU recruits, employs and retains highly qualified staff.

D4: The ESU provides induction, mentoring, professional learning opportunities for staff to grow and improve.

SHOULD AGREE WITH YOUR REGISTER BALANCE AFTER DEDUCTING SERVICE CHARGE (IF ANY) SHOWN ON THIS STATEMENT.

Please examine immediately and report if incorrect. If no reply is received within sixty (60) days the account will be considered correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

SHOULD AGREE WITH YOUR REGISTER BALANCE AFTER DEDUCTING SERVICE CHARGE (IF ANY) SHOWN ON THIS STATEMENT.

Please examine immediately and report if incorrect. If no reply is received within sixty (60) days the account will be considered correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Committee Report

PROJECT NAME: BlendEd and Distance Ed

PROJECT DIRECTOR: Beth Kabes

REPORT PERIOD: January, 2020

EXIT COMMITTEE REPORT:

BLENDED: Blended Website: bit.ly/neblend

This project has been in place since 2012. It has gone from a non-funded initiative to a powerful project showing more and more promise each year. In fact, now Perkins V Revision is requiring schools to be implementing blended learning to be eligible for funding. The work by ESU staff has prepared NE schools for this requirement.

I have observed the ESU staff become highly effective at professional development and coaching in blended learning. The beginning stages found all of us learning and lacking knowledge and confidence. In 2020, the staff are exemplary in their knowledge, skills and abilities to provide training and coaches to classroom teachers.

With the continued support from ESUCC for the Special Projects submitted by TLT, the work of these staff members continue to be viable and useful. High quality classroom teachers are building a repository of exemplars, lesson, and instructional units to be shared through Creative Commons licensing.

The most rewarding work that I have been a part of is the observation of these high-quality teachers in their own classrooms. The work, instruction and relationships they are creating is outstanding and most impressive. I appreciate and am thankful for the opportunity to travel across the state to schedule these observations.

DISTANCE EDUCATION: http://bit.ly/nevirtual

NVIS

I would like to see NVIS expand to include online courses that are offered by schools, ESUs and NDE. I believe that the system is already in place to do this, it is up to the originators and those that are facilitating the learning opportunities to

add to NVIS. It will also take leadership from the DL Coordinators to request and support those stakeholders to build this repository.

I believe that with NDE's Asynchronous Professional Learning State Goal, this will be an important strategy to accomplish this goal. This should be possible because of NDE's interest, which is critical to the success of the goal.

Virtual Field Trip Content Providers Partnerships

This work appears to be never done. With the help of the DL Coordinators, increasing and supporting the state providers will be required to build this content providers.

Promotion and Professional Development of Distance Education

NDLA (NE Digital Learning Association)/NAMTC (National Association of Media and Technology Centers)

My involvement with this organization has been rewarding. It will be essential for the statewide person to continue to be involved. This is one avenue that allows for connections between higher education, telehealth and content providers. Again this is a critical piece of building relationships with other parties involved in distance and digital education across the state.

2. Roll call

3. Agenda Item

3.1. DE2TAILS - Innovation Grant

3.2. Equitable Access and Digital Resources Innovation Grant

Executive Director shared that Technology Director report is attached.

3.3. MSA/Learn360
Kraig,

As we begin work on drafting the 2020-21 MSA, we need to discuss the renewal of Learn360. Several ESUs indicated this past spring that 2019-20 may be the last time that they renew. This may be the time to change how we bill out the cost for the subscription, moving away from the 50/50 formula and going with a per student cost, especially if other ESUs will end their subscriptions. Currently, we have 12 ESUs participating: 1,3,4,5,7,8,9, 13,15,16,17,18.

I think that this needs to be discussed this month at the council meetings since we won't be meeting again until January. Would it need to be on the agenda for both the Information Services and Executive committees? Learn360 renewal will also be a discussion item at the TLT affiliate work group that will be meeting the same time as the council that week.

I will run a statewide usage report that can be included in the committee meeting minutes. Is there anything else I can do to provide information for those meetings?

Office Location: Beatrice, NE 68310

Executive Difrector shared an update on Learn360 and the history. The cost is negotiated for this year. Discussions on those that decided to not participate this upcoming year. Do we continue in the statewide project or move it into COOP Purchasing in the future? Do we go with

the $.46/student? Write into MSA that it doesn't matter if you participate or not. Esus reported through the survey those items they would consider instructional materials to meet state statute. Keep under IMAT for this year and move under COOP next year.

3.4. Staff Reports

Bandwith RFP is out and advise do not discuss with schools/vendors.

3.4.1. Scott Isaacson

Executive Director shared Tech Director. Tech Director continues to move information to the ESU servers. SRS continues to use the ticket syste. Anthony Maggio has joined the SRS team. The SRS team has begun to work on their strategic plan/action plans. The December SRS Advisory meeting was successful. Plans to continue to add to the SRS system will continue to move ahead. There was a Powerschool meeting at ESU 3 last week. They are not exempt from problems. The Equitable Access and Digital Resources Grant continues to move forward.

3.4.2. Beth Kabes

Beth Kabes, retired on December 20, 2020. Executive Director shared her final report. Discussions on Perkins V. Distance Education, NVIS repository was discussed. Legislative kept the 3% for Distance Learning, hearing on the lottery funds to be next Tuesday at 1:30 PM. Dr John Skretta will be testifying. Executive Director shared his written testimony to the committee. This funding has been reauthorized though next year.

3.4.3. Rhonda Eis

Rhonda Eis shared her report. OverDrive was launched this past week. About half the money has been spent thus far. Continue to look at requested books and order. The order prior to the end of December qualified for a 5% back to our account. There will be a Google Form for people to request books. The site has been currated into different categories. SORA will be the app to get to these resouces. Set-up is done through the NE Cloud. Do we want to add OverDrive to the MSA to add to each year? ESUs need to particpate each year to help to continue to grow our professional development library. Reporting will be available. OER we are waiting for the updated contract and invoice for this coming year. We will continue to use Tier II. ESUCC will be $1000 and NDE will pick up the additional costs. TLT will have a training Feberuary 12-13, 2020 - UNL Lab/MarkerSpace and the other day with industry tours to see what technology skills needed. July 24, 2020 will be a training with Caitlin Tucker.

ESUCC Information Services Update

Scott Isaacson
January, 2020

DE^{2}TAILS

Infrastructure

Database and SSO servers were copied from the Lincoln data center to ESU 3 hosting environment during the Christmas break. I continue to switch live services to the ESU 3 site and shut them down on the Lincoln side. A department of labor site called H3.ne.gov is set to be moved during January and lastly the server controlling the backup jobs.

SRS and AAP

47 development tickets have been resolved since our November report. 15 issues are planned for development, in progress, or in testing for this week. 123 issues are in the developer backlog, which has begun to include new features. Anthony Maggio joined our team as a software developer on December 16th, 2019 and is already making a positive impact on our project. Helpdesk requests and open tickets continue to decline. As of January 12th, 2020, there are 474 open tickets, down about 100 from November. As assessment roster data was needed by January 8th, some tickets were opened for help with ADVISER reporting in late December and early January. The team held a positive and constructive meeting with the SRS advisory board on December 19th, 2019. This group is starting to look toward enhancements now that more of the major existing features are working correctly. Some areas of interest include 504 plan tracking, MTSS support, and an at-a-glance to-do/checklist for school and district SRS administrators.

Equitable Access and Digital Resources Innovation Network

Scott is working to recruit the advisory committee of about 6 people with diversity in roles, locations, and sizes of the districts or areas they represent, such as an administrator, a technical leader, an instructional leader, a professional development leader, from a mix of smaller districts in rural areas and larger districts and urban areas. This advisory board will establish the processes for operating the ongoing innovation network and select and manage two innovation projects to build or buy, implement, and train users on software or software enhancements.

Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and (e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; (g) The telephone conference call lasts no more than five hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified Daily Documentation 1st Quarter in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Memo

To: Special Education Directors and Supervisors

From: The NDE – Office of Special Education

Date: 12/3/2019

Re: Clarification on guidance for 92 NAC 51 – 009.04 and IDEA 60 Day Timeline for School Age Children

The NDE, Office of Special Education, based on a recent clarification letter from OSEP is issuing the following clarification around **initial evaluation timelines** and calculating these timelines including school breaks:

Evaluation Timelines - School Breaks

Under 34 CFR § 300.301(c)(1), the initial evaluation must be conducted within 60 days after receiving parental consent for the evaluation or, if the State establishes a timeframe within which the evaluation must be conducted, ***within that timeframe***. Pursuant to 34 CFR § 300.301(d), the timeframe does not apply if: (1) the parent of a child repeatedly fails or refuses to produce the child for evaluation; or (2) a child enrolls in a school of another public agency after the relevant timeframe in 34 CFR § 300.301(c)(1) has begun, and prior to a determination by the child's previous public agency as to whether the child is a child with a disability under 34 CFR § 300.8. In the regulations, a day is a calendar day unless otherwise indicated as a business day or school day. 34 CFR § 300.11.

Per 92 NAC 51-009.04, Nebraska has established a timeline for completion of the ***initial*** multidisciplinary evaluation for children ages 3-21 within 45 school days of receipt of parental consent.

State-established timeframes generally also incorporates the exceptions in 34 CFR § 300.301(d), as described above. There is no exception in 34 CFR § 300.301(d) that

would permit the applicable initial evaluation timeline to be suspended because of a school break (i.e. summer break, holiday break, etc.). **Based on the above clarification from OSEP, 92 NAC 51 - 009.04 (45 school days) can not supersede the 60 calendar days regardless of school breaks (i.e. summer vacation, holiday breaks, ect.).**

We recognize that this is in contradiction to previous guidance, however, based on the clarification from OSEP, dated 12/2/19, the Nebraska Department of Education – Office of Special Education will be enforcing the current policy clarification and will be updating 92 NAC 51 to be in compliance with the federal regulations.

Attached you will find the rescinded guidance around the 60 day timeline from 8/28/19 for your reference in this matter. If you have further questions, please contact Amy Rhone, Assistant Director at amy.rhone@nebraska.gov.

To lead and support the preparation of all Nebraskans for learning, earning, and living.

2017-2026 STRATEGIC VISION AND DIRECTION

Nebraska State Board of Education and Nebraska Department of Education

12/02/16

Nebraska State Board of Education

The State Board of Education is an elected, constitutional body that is the policy forming and evaluative body for the state school program (79-301(2) R.R.S.) in addition to ensuring the State Department of Education functions effectively within the framework developed by the state Legislature and the Board. The Board is elected on a non-partisan ballot, with one member from each district. Board members serve four-year terms.

District 3: Rachel Wise, President
District 1: Lillie Larsen, Vice President
District 2: Glen Flint
District 4: John Witzel
District 5: Patricia Timm
District 6: Maureen Nickels
District 7: Molly O 'Holleran
District 8: Patrick McPherson

Nebraska Department of Education

The Nebraska Department of Education (NDE) is a constitutional agency comprised of services, programs, Vocational Rehabilitation (Nebraska VR), and Disabilities Determination Section (DDS). The NDE operates under the authority of an elected State Board of Education (Board) and the Commissioner of Education (Commissioner). The NDE is organized into teams that carry out the duties assigned by state and federal statutes and the policy directions of the Board. Teams are organized around distinct functions and responsibilities that encompass leadership and support for Nebraska's system of early childhood, primary, secondary, and postsecondary education; direct services to clients; and internal support to the agency.

The NDE carries out its duties on behalf of Nebraska students and parents involved in public and nonpublic school systems. The NDE staff interacts with schools, parents, businesses, community partners, and institutions of higher education to develop, coordinate, and improve educational programs and services.

Commissioner of Education: Matthew L. Blomstedt, Ph.D.

Strategic Vision and Direction – 2017-2026

Introduction

In January of 2016, the Board and the NDE initiated the development of a Strategic Plan to guide the vision and direction of education in Nebraska for the next ten years. Nebraska's Strategic Plan to be known as ***Nebraska Quality Education Systems for Today and Tomorrow (NEQuESTT)*** represents the evolution of a philosophical and practical approach to supporting education in Nebraska. This commitment unifies and strengthens positive outcomes for each and every Nebraskan through bold and achievable goals. ***NEQuESTT*** not only outlines the critical needs and strengths within the system, but also reflects innovative approaches to ensure each Nebraskan has equitable access to opportunities and are ready for success in postsecondary, career, and civic life. ***NEQuESTT*** is the educational journey that puts forth a new vision and bold agenda for the system of education in Nebraska. This vision will require new and different ways of working together, stretching beyond the status quo, and engaging stakeholders through collaborative processes. The strategic plan defines a direction for accountability and a system of services and supports without losing sight of the importance of ensuring compliance with state and federal policies.

NEQuESTT guides the Board and the NDE to address some of the most urgent priorities within Nebraska. With an intentional and comprehensive focus on ensuring a reduction in educational inequities for the most vulnerable populations, this strategic plan directs focus on student- or client-centered outcomes, high quality opportunities, and a strong system of support **for every student, every day**.

NEQuESTT and AQuESTT

NEQuESTT aligns with Nebraska's accountability system, Accountability for a Quality Education System Today and Tomorrow (*AQuESTT*). The six critical tenets of *AQuESTT* holistically address accountability and quality education in Nebraska. Originally designed to meet statutory accountability requirements, AQuESTT has quickly grown beyond and guides the NDE and its work.

AQuESTT provides a fundamental focus on achievement and opportunity gaps and ensures strategies produce equitable outcomes for each and every learner. As a result, ***NEQuESTT*** includes goals with benchmarks that measure disaggregated data to ensure equity and access.

Roles:

In order to support strategic priorities, a suite of approaches is utilized that reflects the nuance of the work and the many stakeholders, systems, and partners that intersect to support a state education system. The various roles are:

Champion - NDE actively leads the strategic vision, goals, and policy direction to support learning, earning, and living by:

- Engaging key stakeholders and partners on emerging needs in the educational landscape and corresponding policy advocacy approach
- Exercising policy leadership and proactively engaging and partnering with the Unicameral and Governor on priority issues
- Advocating for necessary resources to meet needs and/or address issues to execute the vision

Regulator - NDE leverages policy authority to ensure delivery of high-quality, equitable education and services, beyond compliance with state and federal regulations by:

- Assuring access to fair, equitable, and high-quality education and services
- Monitoring school and districts to ensure adherence to regulations and setting expectations beyond compliance for accountability and growth in learning
- Promoting best practices for leadership and using data and resources to ensure effective continuous improvement

Capacity Builder - NDE directs technical assistance and professional development opportunities and promotes the sharing of best practices by:

- Providing technical assistance and professional development opportunities for educators, staff, and community providers
- Actively engaging with priority and needs improvement schools as well as continuing to support the improvement of all schools
- Identifying schools and districts across the state with effective educational practices to gather data on successful practices
- Acting as a facilitator to connect schools to highlight learnings, share lessons learned, and communicate best practices
- Developing, maintaining, and leveraging strong working relationships with education and community partners to extend and enhance capacity across the state

Connector - NDE helps bridge the divide between learning, earning, and living, connecting schools, families, business, and communities by:

- Connecting, convening, and partnering with schools, businesses, out-of-school programs, postsecondary education, state agencies, and community providers to create a more comprehensive approach to education and service delivery
- Supporting other agencies and organizations in active engagement and relationship building amongst individuals, parents, and families

Change Agent - NDE explores and supports promising new innovations by:

- Researching, promoting, and providing support for promising new initiatives and innovations in education across the state and nation (e.g., promising activities in rural areas, blended learning, personalized learning, adult basic education)
- Providing ongoing training, support, and resources to drive the adoption of new practices and to assure implementation

Strategic Direction:

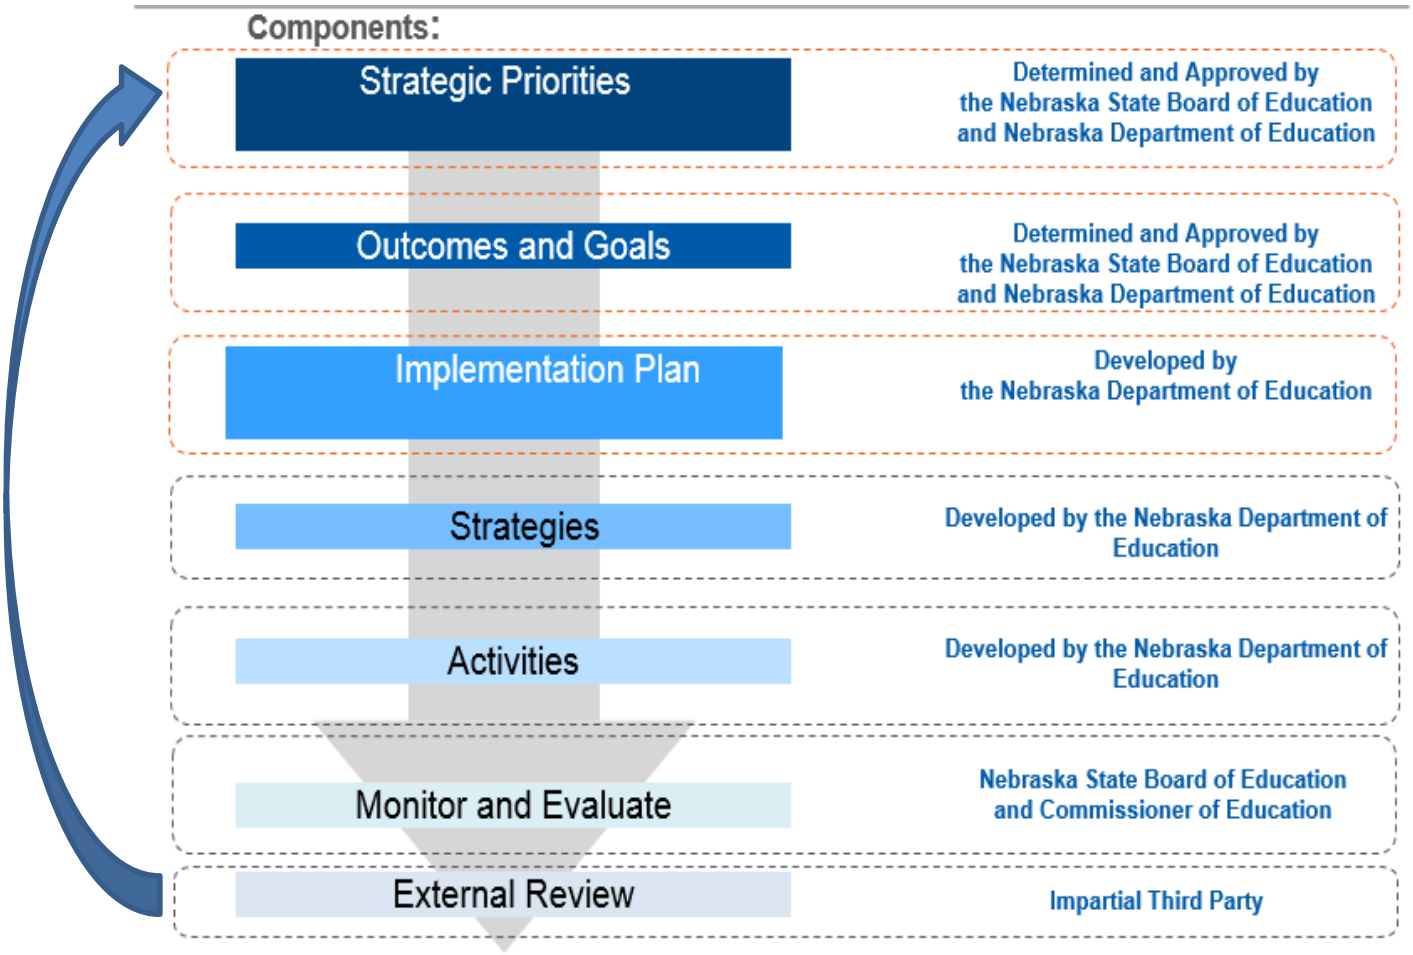
To realize the new strategic vision it can no longer be business as usual.

	FROM	TO
ORGANIZATIONAL STRUCTURE	• Organizational structure primarily oriented around subject area silos • Decision-making authority mostly concentrated in hands of senior agency leadership	• More cross-functional, with collaboration and communication across teams • More distributed decision-making authority, where staff closer to the issue is empowered to make relevant decisions
PERSONNEL & STAFFING	• Staff with very specific skills focused primarily on content knowledge • Traditional focus on regulation and compliance	• Broader staff expertise, including both content knowledge and breadth of experiences (e.g., relationship building, background in business, work with underserved communities) • Focus on leadership, innovation, and learning
STAKEHOLDER ENGAGEMENT	• Sporadic engagement on an as-needed basis • Limited engagement with specific populations or cultural communities	• Consistent and tailored stakeholder engagement plans for specific audiences, allowing authentic relationships and dialogue to develop
DATA & SYSTEMS	• Limited publicly accessible data • Focus on accountability and compliance • Cumbersome website	• Readily available data for all stakeholders from an easy to use, up-to-date platform • Focus on performance management • User-friendly website and an online portal with lessons learned and best practices for practitioners

Moving Forward:

The Board has taken into account the multiple roles of the NDE in the development of this strategic plan and in the expectations set forth for the NDE. This recognition is coupled with the expectation of providing quality, equitable support through a multi-faceted system under the charge of the NDE. The shared responsibility of leadership between the Board and the Commissioner includes developing this plan, monitoring goals, and implementing strategies through the NDE's programs and supports for schools, students, systems and clients across the state. The Board carries out this strategic plan through direction to the Commissioner. The Commissioner has the responsibility to build an implementation plan that makes ***NEQuESTT*** a living document utilizing the aforementioned roles and strategic direction outlined for organizational structure; personnel and staffing; stakeholder engagement; and data and systems.

The strategic plan is multi-layered.



Operational Approach:

NEQuESTT provides a framework for measuring multiple levels and processes to ensure success through standard, quantifiable metrics, artifacts, and evidence-based analyses utilizing a three-tiered approach:

- **NDE Accountability** – Process, regulations, support, interagency collaboration, data systems, fiscal responsibility, and evaluation
- **Service Accountability** – Quality and success of services provided by the agency
- **District and School Accountability** – School and agency progress and improvement

Strategic Priorities, Outcomes, and Goals:

The Board and Commissioner will regularly review these goals as organized by the strategic priorities and outcomes. The NDE goals will include Commissioner and Board activities necessary to build the department's system of accountability and support for services and schools. The NDE will track progress on these goals and other metrics required by state and federal law. The Commissioner will annually report progress on these goals and other measures to report progress and performance to the Board.

Implement, Monitor, and Evaluate:

The Board and the Commissioner share the responsibility to:

- champion and lead the strategic vision and goals.
- serve as change agents and capacity builders.
- ensure progress on the strategic priorities.

The Board and the Commissioner will be responsible for implementing this plan including the development of strategies, and activities, and monitoring on an annual basis. A review will be presented by the Commissioner and appropriate NDE personnel annually or as directed. An objective external review of ***NEQuESTT*** will be conducted by an impartial third-party reviewer two years after adoption and thereafter as determined by the Board with results being presented to stakeholders.

MISSION

To lead and support the preparation of all Nebraskans for learning, earning, and living

GUIDING PRINCIPLES

NDE will:

- Create a dynamic vision that drives change through proactive leadership to support learning;
- Build connections amongst stakeholders to take action in support of success for all learners;
- Provide all Nebraskans significant opportunity to receive fair, equitable, and high-quality education and services to close achievement gaps;
- Allow all learners to achieve their fullest potential in transitioning through phases of school and into civic life;
- Ensure all educators are effective in instructional strategies and monitoring student progress using multiple measures of proficiency; and
- Prepare all learners to be college, career, and civic-ready.

STRATEGIC PRIORITIES

Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success	Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life

OUTCOME STATEMENTS

Leadership

Provide leadership and high quality services in processes, regulations, interagency collaboration, data systems, fiscal responsibility and evaluation that enhance the success of educational systems in Nebraska.

Success, Access, and Support

Positive Partnerships and Student Success – Increase student, family, and community engagement to enhance educational experiences and opportunities.

Transitions – Provide quality educational opportunities for student success through transitions between grade levels, programs, schools, postsecondary institutions, and careers.

Educational Opportunities and Access – Ensure that all students have access to comprehensive instructional opportunities to be prepared for postsecondary education and career.

Teaching, Learning, and Serving

College, Career, and Civic Ready – Ensure every student upon completion of secondary education is prepared for postsecondary education, career, and civic opportunities.

Assessment – Use assessments to measure and improve student achievement and inform instruction.

Educator Effectiveness – Assure that students are supported by qualified/credentialed, effective teachers and leaders throughout their learning experiences.

Leadership

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Strategic Priority: Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life.

Outcome Statement: Provide leadership and high-quality services in processes, regulations, interagency collaboration, data systems, fiscal responsibility, and evaluation that enhance the success of educational systems in Nebraska.

Goal 1.1 **By 2018, the NDE will be organized through personnel and processes to provide leadership in school support systems, regulations, interagency collaboration, data systems, fiscal responsibility, and evaluation that will enhance the success of educational systems in Nebraska.**

Goal 1.3 **By 2020, 100% of teachers, service providers, school leaders and local school board members will have access to quality professional learning opportunities through an NDE facilitated professional learning directory.**

Goal 1.4 **By 2020, the NDE will collaborate with the Governor, Legislature, postsecondary institutions, and the Educational Service Units (ESUs) to create a uniform process to align dual credit opportunities for students across the state.**

Success, Access, and Support

Positive Partnerships, Relationships, and Success

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Outcome Statement: Increase student, family, and community engagement to enhance educational experiences and opportunities.

Goal 2.1 **By 2019, the NDE will develop a system to regularly engage and survey clients, schools, and stakeholders to gather input, and measure engagement and satisfaction.**

Goal 2.2 **By 2026, the dropout rate of all Nebraska students including subgroups will be less than 1%.**

Goal 2.3 **By 2026, 100% of Nebraska schools will have all students in grades 7-12 create and utilize a personal learning plan.**

Goal 2.4 **By 2026, there will be a reduction in the percentage of students who are absent more than 10 days per year from 27.46% to 15%.**

Success, Access, and Support

Transitions

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Outcome Statement: Provide quality educational opportunities for student success through transitions between grade levels, programs, schools, postsecondary institutions, and careers.

Goal 3.1 **By 2018, a baseline and benchmarks will be developed to track all students with a disability having access to participate in career counseling, explorations, self-advocacy training, and work-based learning experiences.**

Goal 3.2 **By 2026, the 4-year cohort graduation rates for all Nebraska students will be greater than 92% and not less than 85% for any one subgroup.**

Goal 3.3 **By 2026, the 7-year cohort graduation rates for all Nebraska students will be greater than 95% and not less than 90% for any one subgroup.**

Goal 3.4 **By 2026, 100% of Nebraska schools will fully implement a systematic process for supporting the needs of highly-mobile students.**

Success, Access, and Support

Educational Opportunities and Access

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Outcome Statement: Ensure all students have access to comprehensive instructional opportunities to be prepared for postsecondary education and career.

Goal 4.1 **By 2020, NDE will develop a statewide digital course and content repository.**

Goal 4.2 **By 2026, 85% of all Nebraska students, upon graduation from high school, will have completed Advanced Placement coursework, earned dual credit and/or obtained industry certification.**

Goal 4.3 **By 2026, 95% of Nebraska elementary schools would be able to identify at least one high-quality early childhood educational program accessible to all of the school's resident preschool age population.**

Teaching, Learning, and Serving

College, Career, and Civic Ready

Strategic Priority: Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life.

Outcome Statement: Ensure every student upon completion of secondary education is prepared for postsecondary education, career, and civic opportunities.

Goal 5.1 **By 2018, the State Board will adopt a comprehensive approach to define and measure civic readiness.**

Goal 5.2 **By 2020, all Nebraska elementary schools will provide evidence-based interventions for any students not on grade level in reading and/or math.**

Goal 5.3 **By 2026, 100% of Nebraska schools will provide all students with a program for career awareness, exploration, and preparation.**

Goal 5.4 **By 2026, at least 50% of all Nebraska high school students from any given cohort year, will have earned a college degree, credential, or certificate within five years of graduating from high school.**

Teaching, Learning, and Serving

Assessment

Strategic Priority: Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life.

Outcome Statement: Use assessments to measure and improve student achievement and inform instruction.

Goal 6.1 **By 2018, utilizing baseline data from the ACT, long-term goals will be developed for 11th grade achievement, including goals for subgroups.**

Goal 6.2 **By 2018, the NDE will implement an assessment system to measure achievement and growth in grades 3-8 that meets the requirements of federal and state law and is timely for instructional purposes.**

Goal 6.3 **By 2026, the percent of Nebraska students in grades 3-8 and 11 proficient in reading will increase from 79% to 89%.**

Goal 6.4 **By 2026, the percent of Nebraska students in grades 3-8 and 11 proficient in math will increase from 72% to 82%.**

SPED Proportionate Share Worksheet for Non-Public Schools - 2020-2021- Due December 15, 2019

All school districts (including districts that do NOT have approved/accredited non-public schools or exempt home schools located within the district's jurisdiction) are required by the Individuals with Disabilities Education Act (IDEA) to complete and submit the 2020-2021 IDEA Proportionate Share application. This collection is found under the "Data Collection" tab in the portal. This collection is based on the October 1, 2019 child count of eligible children with disabilities (ages 3-21) and determines the amount of IDEA funds that must be expended for eligible parentally placed children with disabilities in an accredited/approved nonpublic school and/or an exempt home school within the school district boundaries. NDE Staff Reporting System SPI codes required for GMS Staff Retrieval and SPED Federal and State Reimbursement

When amending the 2019-2020 IDEA Consolidated Application with staff information, "Verified Staff" information will only display with the appropriate SPED SPI codes from NDE Staff Reporting System as identified below. When using federal funds, appropriate Time and Effort documentation must also support the NDE Staff Reporting System SPI codes "I" (**IDEA-federal**) and "7" (**federal/local**).

For 2019-20 Staff Reporting, GMS, and State and Federal Reimbursement, districts will need to use the Specific Position Indicator (SPI) as follows: GMS IDEA 6406 (**federal**) - all sped staff are to be reported with SPI "7" - birth to age five; GMS IDEA 6408/6412 (**federal**) - all sped

staff serving school age students are to be reported with SPI "I" and sped staff serving below age five students are to be reported with SPI "7"
For SPEDRS financial reporting (**federal/state/local**) - all sped staff serving school age students are to be reported using the SPI "I" (**IDEA-federal**) and/or SPI "S" (**state**), and sped staff serving below age five students are to reported using SPI of "7" (**federal/local**).

Targeted Improvement Plan
Remember, the Targeted Improvement Plan is due **Monday, December 2, 2019**. If you have made all necessary updates, please use the submit button on the homepage of the TIP to submit. Alternate Assessment 1% goal
We continue to see districts giving alternate assessments to students that are identified as SLD, SLI, OHI, etc. If you have students taking the alternate assessment that do not meet the definition as a student with the 'Most Significant Cognitive Disability' provided in the guidelines, then please revisit those IEPs and make necessary changes as soon as possible.

We are proud to say that we are getting close to the Federal required 1% of student population taking the alternate assessments. As you make the necessary changes for those students not meeting the definition, we should be able to meet the 1% requirement. If you have any questions, please let us know at any time.

DHHS Reminder to Medicaid Providers - see attached provider bulletin on billing for Speech Therapy services.

Early Childhood Education Competitive Grant Available for New and Expansion Programs
Applications are due by 5:00 CST Monday, February 3, 2020. Eligible applicants are public

school districts, individually or in cooperation with other school districts and educational service units. Districts interested in this funding opportunity are required to work cooperatively with programs that exist within the community, including Head Start and private child care and preschool programs. The grant program may expand, but must not supplant, programs and services within the community or service area that are currently provided using state or federal funds.

Guidelines for writing applications, application forms, budget forms, and additional resource information is available on the NDE Office of Early Childhood website https://www.education.ne.gov/oec/birth-to-age-5-programs/. All forms must be downloaded from the website, completed, and submitted via email.

3.1.2.4. Friday Newsblast - December 20, 2019

Congratulations and Goodbye!

Today we say goodbye to longtime team member, Denise Wright. Thanks for all that you have done through the years. We hope retirement is everything you want it to be.

K12 Student Engagement Project

The student engagement project has a plethora of resources providing evidence based practices to support educators in improving student behavior and reducing exclusionary discipline. There are resources that will help strengthen educators' competence to collect data in order to evaluate and support the students they serve. The materials were created to be used by a variety of professionals with minimal training. Since the project was funded by the Nebraska Department of Education materials can be widely disseminated, free of charge. You will find materials that can be used for individual students, classrooms, school-wide, district-wide and materials can be adapted to any grade level.

As you understand the PBiS has 3 Tiers of support for students with challenging behaviors. You can search briefs based on the level of support your student needs. Check out our behavior briefs at - https://k12engagement.unl.edu/behavior-and-discipline-briefs-tier listed by Tier of support and fill your toolbox with great strategies to start everyone off on the right foot after the long break.

GOLD Users and Administrators - GOLD Inter-rater Reliability (IRR) due December 31:
Teachers/Practitioners who have used GOLD for one year must complete Inter-rater Reliability every 3 years. It is required to be completed by GOLD users who are responsible for finalizing checkpoint data for children from birth to age 5. One year of GOLD experience is necessary prior to completing IRR certification, therefore, IRR is not required for teachers/practitioners new to GOLD in the current school year. GOLD online administrators can run a report under the "Reports" tab and download the report to find out the status of the IRR process for each GOLD user. Please check to see if you need to renew your IRR.

To get started on the IRR process, each person will:
1. Go to MyTeachingStrategies Dashboard and click on the Develop Tab
2. Choose "Inter-rater reliability"
3. Choose "New Certification" and agree to the terms of the test
4. Choose appropriate assessment options (refer to the Results Matter TA document, page 21, item 44 to identify which course applies to you); the course will then be available.

The completion of IRR is critical in ensuring you have accurate and valid data to inform your decision making and program planning.

Enjoy the holiday break with your family and friends and recharge for the new year and new semester. The next Friday News Blast will be January 10th.

2020 NDE Transition Conference - February 18-19
Upcoming 2020 NDE Transition Conference! There will be wonderful keynote speakers and variety of valuable break-out sessions, including a new strand of sessions addressing parent concerns. Registration is now open! Please spread the word and share. See the attached flyer for info and registration.

Verifying Alternate Assessment Students
Yesterday, January 9 was the final day for districts to review their student data for assessment and make any corrections. Next week the upload to DRC for students will begin. This is the process where your students' names and IDs are loaded into the DRC system. This is necessary in order for all of your students' to be in the testing system.
In looking at the preliminary numbers of students' who are flagged in ADVISER we are finding that there are many districts who may not have all of their students coded in this area or who have students who shouldn't be flagged.

Today, please make sure that you have all of your alternate assessment students flagged appropriately so that you will not have to add any missing students, as the testing window gets ready to open. It is important that this review be completed today since the process starts next week.

Cultural Responsiveness in ELA Materials

NDE - Teaching, Learning, and Assessment is partnering with Open Up Resources to host a webinar on culturally responsive practices in English Language Arts Instructional Materials. Open Up Resources has intentional efforts to ensure cultural relevance in their materials, specifically EL Education (K-5). NDE previously hosted a webinar about EL Education and Bookworms last year. If you're interested, the archived webinar is located here.

Here is the information and the registration link:

Implementing a Culturally Responsive ELA Curricula - Wednesday, February 5th at 4:30 p.m. CST

What does cultural responsiveness look like within high-quality instructional materials? This webinar highlights the approach taken by Open Up Resources to design instructional materials with equity in mind. Open Up Resources' two ELA curricula were designed with equity in mind. EL Education Language Arts (K-8), a content-based curriculum with a student-centered approach, provides teachers with embedded supports to meet all learners' needs. Bookworms Reading & Writing (K-5), a high-volume, high-interest approach to literacy, is driven by research and designed to help students develop a love for reading by exposing them to all kinds of texts. In this webinar, we'll highlight how both curricula embed equitable and culturally responsive teaching practices in their philosophy and structure.

Assistive Technology Partnership Education Program:

The Assistive Technology Partnership Education Program (ATP/Ed) continues to work toward helping IFSP/IEP teams build capacity to provide quality assistive technology (AT) services to children/students with disabilities receiving special education services within school systems. Below is information on the ATP/Ed programs services as well as NEW ways to contact them for support.

The ATP/Ed program supports IFSP/IEP teams through the following services:

- **Phone, email and online video (e.g., Zoom) technical assistance** - Supporting IFSP/IEP teams in finding potential AT solutions for children/students.

•**Training for IFSP/IEP teams and school personnel about AT tools/systems and services** - Providing professional development to enable IFSP/IEP teams to effectively and independently deliver quality AT services including:

- How to consider AT
- How to conduct AT assessments
- How to acquire and provide AT tools/systems
- How to implement AT effectively
- How to evaluate the effectiveness of AT for a child/student

•**Access to a Statewide Assistive Technology Equipment Loan Pool (i.e., AT4ALL.com)** - IFSP/IEP teams may (at no cost) borrow AT tools/systems for up to 60 days to use

- for assessing potential AT solutions that would meet child's/student's needs OR
- as a short-term loan while waiting for a child's/student's existing AT to be repaired/replaced.

3.2.3. Monthly Talking Points

3.2.4. High Quality Instructional Materials Fellowship

4. Next Meeting Agenda Items

Brad Best (Heartland Community Schools) is working on a LB759 for DHHS on foster kids. This bill will allow more communications prior to student entering a school district. There are some questions/concerns with this bill.

From Jean Anderson - One measure introduced today, **LB 759**, was introduced by Senator Mark Kolterman on behalf of NCSA. LB 759 relates to communication between DHHS and school districts.

Currently, there is no required consultation with a district from DHHS prior to placing a child within a district's boundaries. While the department's own placement letter states that "it is in (the child)'s educational best interest to attend" a particular school district, the department does not consult with the school to determine the availability of services or consider many other educational factors in making this decision. LB 759 was brought to NCSA by Mr. Brad Best, Superintendent, Heartland Community Schools.

PROVIDER BULLETIN No. 19-16

DATE: December 12, 2019

TO: Speech Therapists participating in School-based Services as well as Community Services through the Nebraska Medicaid Program

FROM: Matthew A. Van Patton, DHA, Director
Division of Medicaid & Long-Term Care

BY: Jennifer Irvine, Program Coordinator

RE: Billing for Speech Therapy services in the community and school-based services.

This provider bulletin is being issued as a reminder to Medicaid providers of billing requirements for providing services in schools. When services are provided in a school and the provider is contracted by the school to provide school-based services for special education children the provider cannot bill Nebraska Medicaid fee-for-service or a Heritage Health Plan.

According to 471 NAC 2-002.03 billing Nebraska Medicaid twice for the same service, or billing both Nebraska Medicaid and another insurer or government program would constitute duplicate billing and is prohibited.

Questions concerning this bulletin should be directed to DHHS.SchoolBasedServices@nebraska.gov.

Provider Bulletins, such as this one, are posted on the DHHS website at http://dhhs.ne.gov/pages/Medicaid-Provider-Bulletins.aspx. Please subscribe to the page to help you stay up to date about new Provider Bulletins.

SRS Update

Scott Isaacson
January, 2020

47 development tickets have been resolved since our November report. 15 issues are planned for development, in progress, or in testing for this week. 123 issues are in the developer backlog, which has begun to include new features. Anthony Maggio joined our team as a software developer on December 16th, 2019 and is already making a positive impact on our project. Helpdesk requests and open tickets continue to decline. As of January 12th, 2020, there are 474 open tickets, down about 100 from November. As assessment roster data was needed by January 8th, some tickets were opened for help with ADVISER reporting in late December and early January. The team held a positive and constructive meeting with the SRS advisory board on December 19th, 2019. This group is starting to look toward enhancements now that more of the major existing features are working correctly. Some areas of interest include 504 plan tracking, MTSS support, and an at-a-glance to-do/checklist for school and district SRS administrators.

ADDENDUM TO 2018-2021 SPECIAL BUY AGREEMENT BETWEEN ESUCC COOPERATIVE PURCHASING AND Impero Inc.

THIS ADDENDUM is made by and between Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Impero Inc. ("Contractor") to the 2018-2021 Special Buy Agreement signed by the Cooperative on November 29, 2018, and by the Contractor on November 20, 2018. The Addendum is as follows:

Exhibit "A" is amended to add the following goods or services:

Impero EdAware is our safe and secure digital student portfolio that provides a holistic view of every student's wellbeing. It's been specially designed to simplify the recording and management of student safety concerns in an education setting. Empowering schools and districts to monitor and audit their student safety practices, and track these concerns in a central record, Impero EdAware helps to flag early warning signs, enable informed intervention and supports the central management of Threat Assessment forms and BIPS (Behavior Intervention Plans).

EdLink is Impero's Mobile device management system, which works cross platform to ensure schools are able to easily deploy applications to devices. EdLink can manage applications and push out updates seamlessly. EdLink includes geo-location tracking for on/off site filtering and tracking devices for anti-theft. EdLink can be used by parents to monitor students at home if the school does have parental involvement in 1:1 or BYOD schemes. This pricing is for EdLink MDM purchase in isolation and is not part of the SaaS Device Bolt On when purchased with our EdPro product.

Exhibit "B" is amended to add the following pricing information:

EdAware $1,800 Per Elementary School - SaaS Per Annum
EdAware $3,000 Per Middle/High School - SaaS Per Annum

EdLink $4.50 Per Device License - SaaS 1 Year

All other terms and conditions of the 2018-2021 Special Buy Agreement shall remain in full force and effect.

Coop Directors report to ESUCC Board
submitted by: Craig Peterson
January 20, 2020

1. **Presentations/Conferences**
    a. Nebraska Association of School Boards – Booth
    b. December 18 – Monthly Zoom meeting – Demo of Impero, with 11 attendees.
2. **Annual/Paper Buy**
    a. **Definition of the Annual Buy:** This is a line item bid were vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.
    b. On December 9-12 the ESUCC Coop staff awarded the Annual Buy items in 9 of the 10 bid categories. The 100 Technology section will be awarded January 13-14.
    c. We saw prices go in both directions on Annual Buy items with some sections having lower prices and others being higher with no pattern or distinguishable reasoning for either.
    d. We did see Paper prices drop for most of the higher volume purchased items, prices stayed the same for lower volume purchased items with some items seeing slight increases.
        i. Examples
            1. 400120 $30.69 compared to $35.08 last year ($4.39 decrease)
            2. 400130 $30.19 compared to $35.08 last year ($4.89 decrease)
            3. 400135 $32.00 compared to $34.12 last year ($2.12 decrease)
            4. 400140 $28.25 compared to $32.60 last year ($4.35 decrease)
            5. 400141-1PLT $1,130 compared to $1,255.20 last year ($125.20 decrease)
            6. 400141-2PLT $2,260 compared to $2,510.40 last year ($250.40 decrease)
            7. 400141-20PLT $20,528.00 compared to $23,328 last year ($2,800 decrease)
            8. 400141-21PLT $21,554.40 compared to $23,328 last year ($1,773.6 decrease)
            9. 400300 $69.05 compared to $69.60 last year ($.0.55 decrease)
            10. 400350 $37.80 compared to $39.96 last year ($2.16 decrease)
            11. 400400 $50.62 compared to $58.08 last year ($7.46 decrease)

12. 400455 $61.00 compared to $48.50 last year ($12.50 increase)
13. 400890 $44.00 compared to $37.50 last year ($6.50 increase)

f. Adobe VIP Named User licenses

i. New Schools coming onboard this last month include Sutherland, Arthur County, ESU 11, Elmwood-Murdock.

ii. Currently we have 17,683 Creative Cloud for Education application licenses purchased and 28,308 licenses of the free Adobe Spark licenses. All users are required to sign in through the Nebraska Cloud Single-Sign-On.

iii. Savings for each District ranges from $2,000 to $12,000 depending on how they would have licensed under a district license, single building or Device license models.

g. Special Buy Contract Considerations

i. **Verkada –** Video Security System. Meeting over Zoom on January 8 to discuss Special Buy.

4. AEPA

a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 28 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.

ved as a package bid rather than a line item bid. It will be the intent of ESUCC to select one vendor tha

at provides the most favorable offering of all line items combined. When a Package/Lot BID is request

ed, a respondent is expected to bid each and every item within the Package/Lot, and the award will be

e made based upon the "Total Package Bid" calculation for the stipulated Package. The calculation for

- **PACKAGE BIDS will be evaluated on a weighted average basis based on the previous years sales vol**

lume. Each bidder will be responsible for the accuracy of each "Total Bid Package. If the package bid

for the current year does not have previous year sales volumes to compare then the package will be a

warded based on low bid of the entire package. Nebraska ESUCC - Cooperative Purchasing reserves

s the right to omit items from the calculation in the event that the removal from the package/ lot is in the

best interest of its members.
