**JOINT
VILLAGE OF ELM CREEK – ELM CREEK PUBLIC SCHOOLS
AGREEMENT FOR FFA GARDEN SPACE**

This Agreement, made and entered into between the Village of Elm Creek, Nebraska, hereinafter called "Village", and Elm Creek Public Schools, hereinafter called "School".

WITNESSETH:

1. The School provides instruction in agriculture-related fields of study and hosts a chapter of the Future Farmers of America to further such study.
2. The Village has under-utilized green space that would better serve the community in a higher and more active use.
3. The School is desirous of entering into an Agreement to provide for space for and outdoor raised garden in order to compliment classroom instruction.
4. The Village is desirous of entering into an Agreement to establish a parameters for an outdoor raised garden space that will increase public use of existing green space.

NOW, THEREFORE, the parties of the Agreement, in consideration of the mutual covenants and stipulations set out herein, agree as follows:

1. The Village will provide space for three (3) raised metal planter beds measuring ten (10) feet by two (2) feet by no more than thirty-six (36) inches high at 241 N Tyler Street between the Library building and the alley for a period of twelve (12) months beginning October 1, 2019. The Agreement will continue, subject to negotiations between the Village and the School for the subsequent time periods, provided that all said negotiations for the extended term shall be concluded at least thirty (30) days prior to the expiration date of this Agreement.
2. In the event that the parties fail to agree to a negotiations for the additional term subsequent to the initial Agreement, the Agreement will remain in effect under the terms and conditions of the last negotiated Agreement, subject to the following exception:
3. This Agreement may be altered or terminated at any time upon filing of written notice by either party, Village or School, thirty (30) days prior to the effective termination date. Notice of Cancellation may be served by regular mail upon either the Municipal Administrator as representative of the Village or upon the District Superintendent as representative of the School.

4. The School shall be responsible for supplying the metal beds; maintaining the beds in good working order including painting to prevent rust; filling the beds with soil; providing, planting, and maintaining plants within the beds; watering and weeding the beds.
5. The Village shall be responsible for providing access to water and for maintaining the area around the beds.
6. The Village shall determine precise location of the beds upon delivery to the site with input from the School.
7. This instrument contains the entire Agreement between the parties, and no statement, promises, or inducements made by other party or agent of either party that is not continued in the written Agreement shall be valid or binding; and this Agreement may not be enlarged, modified, or altered except in writing signed by the parties and endorsed hereon.
8. This Agreement shall inure to the benefit and be binding upon to the heirs, executors, administrators, assignees and successors of the respective parties.

**JOINT
VILLAGE OF ELM CREEK – ELM CREEK PUBLIC SCHOOLS
AGREEMENT FOR LIBRARY SERVICES**

This Agreement, made and entered into between the Village of Elm Creek, Nebraska, hereinafter called "Village", and Elm Creek Public Schools, hereinafter called "School".

WITNESSETH:

1. The Village of Elm Creek operates a Public Library.
2. Elm Creek Public Schools operates a library for students.
3. The Village is desirous of entering into an Agreement to establish a shared material catalog system that will eliminate duplication of material purchases made by the School and provide a guideline for more efficient use of fiscal resources.
4. The School is desirous of entering into an Agreement to share a material catalog system which will defray the cost to the School of that system and provide for a means of an interlibrary loan program within the Elm Creek community.

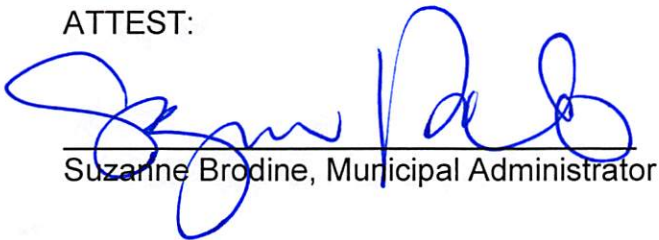

NOW, THEREFORE, the parties of the Agreement, in consideration of the mutual covenants and stipulations set out herein, agree as follows:

1. The School will provide catalog software for one Village computer at the Public Library and initial training to Library staff in exchange for the sum of \$500 for a period of twelve (12) months beginning October 1, 2019 to be paid in one (1) installment by December 1, 2019. The Agreement will continue, subject to negotiations between the Village and the School for the subsequent time periods, provided that all said negotiations for the extended term shall be concluded at least thirty (30) days prior to the expiration date of this Agreement.
2. In the event that the parties fail to agree to a negotiated price for the additional term subsequent to the initial Agreement, the Agreement will remain in effect under the terms and conditions of the last negotiated Agreement, subject to the following exception:
3. This Agreement may be altered or terminated at any time upon filing of written notice by either party, Village or School, thirty (30) days prior to the effective termination date. Notice of Cancellation may be served by regular mail upon either the Municipal Administrator as representative of the Village or upon the District Superintendent as representative of the School.

4. The School shall be responsible for hiring sufficient staff, or recruiting volunteers, to properly perform said training services required by this Agreement.
5. The Village shall be responsible for hiring sufficient staff, or recruiting volunteers, to establish and maintain the digital materials catalog.
6. This instrument contains the entire Agreement between the parties, and no statement, promises, or inducements made by other party or agent of either party that is not continued in the written Agreement shall be valid or binding; and this Agreement may not be enlarged, modified, or altered except in writing signed by the parties and endorsed hereon.
7. This Agreement shall inure to the benefit and be binding upon to the heirs, executors, administrators, assignees and successors of the respective parties.

Transportation Committee – minutes

2018 Bluebird – Bus taken to Sahling's in Kearney. A new module regulating the transmission was installed - **Warranty**

2015 Bluebird – Bus taken to Cummins to check the service codes that C&S could not fix. Codes did not show up on the scan. We will use the bus locally to see if we can get the codes to reappear.

2002 GMC Bus – No change in status.

JC will investigate the potential of acquiring a fuel tank for the district to use during winter months to ensure proper winter mixture of fuel.

Building and Grounds Agenda

October 29, 2019 – 7:00 AM

Agenda (minutes)

1. Fire Alarm System Replacement Update

Installation of the new system is scheduled to begin either the week of Nov. 4th or Nov. 11. We will need to maintain a 'fire watch' during the times students are in attendance.. This means that we will need to create and maintain a log indicating whether there are any fires occurring within the building (on a half hour basis) while the replacement work is being completed. During installation the system will be totally offline. Costs associated with this project will be taken out of the **Depreciation Fund**.

2. ALICAP Inspection /Report

Included in this report is a copy of the ALICAP facility inspection report.

3. North Coaches Exterior Door

We have contacted Platte Valley Glass for a bid. Costs associated with this project will be taken out of the **Depreciation Fund**.

4. Joint Agreement w/Village of Elm Creek – FFA Garden Space

The Committee has approved this agreement

BUILDING OVERVIEW

The PK-12 building is at one site at the east part of town. The football field and track are several blocks north of the educational building. The Industrial Arts room is unattached, but directly adjacent to the K-12 building. One playground is for PK only, a second playground for elementary and a third older playground is also available.

SCHOOL SAFETY GUIDELINES/OVERVIEW

- (1) One set of requirements comes from the Nebraska Department of Education Rule 10. These requirements include that the school district has a safety committee composed of representatives of the faculty, parents, and community. The committee meets at least once a year and keeps accurate documentation of the meeting(s). The school district shall bring in an outside person to conduct an annual safety review and write a report and submit the written report to the superintendent.**
- (2) The other requirement is found in Nebraska law LB-757. The school district is an employer, and as such, all state and federal worker safety laws apply to your school district. The law requires that you have a safety committee that meets quarterly and documents these meetings (keep the records for at least three years). The composition of the safety committee includes representatives from all departments (teachers, maintenance/custodial, secretarial, kitchen, transportation, and para's).**
- (3) 48-443. Safety committee; when required; membership; employee rights and remedies. (1)(a) Not later than January 1, 1994, every public and private employer subject to the Nebraska Workers' Compensation Act shall establish a safety committee. Such committee shall adopt and maintain an effective written injury prevention program. (b) A client of a professional employer organization is not relieved of its obligation to establish a safety committee based on its workers being co-employees of the professional employer organization. A professional employer agreement shall not allocate the client's responsibility to establish a safety committee to the professional employer organization. For purposes of this subdivision, the terms client, professional employer organization, and professional employer agreement shall have the same meaning as in section 48-2702. This subdivision becomes operative on January 1, 2012.**

Follow-up with recommendations made by loss consultant on previous visit:

- 1. INCOMPLETE:*** The gravel landing area on the north playground may not meet minimum standards. The National Safety Council recommends 12" of Pea Gravel in a 6' area around equipment, (the Consumer Product Safety Commission recommends 9" depth). The gravel in this area appeared to be road gravel and it did not meet the minimum depth.
- 2. IN PROGRESS-IMPROVING:*** The maintenance area adjacent to the kitchen was cluttered and the walkway was partially obstructed, but is much better than last year. More shelving could help clear up the walk area.

NOTES FROM ADMINISTRATIVE INTERVIEW

ALICAP's 'SafeSchools' online training programs: There were 43 Active Users and 73 total completed online trainings. This is much improved over last year.

There is a good cross-section of people serving on the safety committees (staff, parents, community). One committee serves as the Rule 10 committee and the LB 757 Safety Committee and they meet quarterly. There are a few different members serving on the Crisis Team. An annual Rule 10 Safety Inspection is conducted by an outside party.

Safety drills are conducted, including lock-down, fire, tornado, evacuations, etc. An Active Shooter Drill is scheduled in the near future. The school is working closely with the Buffalo County Sheriff's office and the local fire department.

Most school employees who have contact with students have taken the NDE required suicide awareness/prevention online training. Staff members working with athletes had taken the Concussion Protocol Training.

INTERIOR WALK THROUGH SUMMARY:

COMMENDATIONS:

1. The science room had all the safety equipment, GFI outlets, and the chemicals were locked in a separate room.
2. The boilers were inspected on 9/18/19-the day before my arrival.
3. The kiln in the art room was in a separate and locked room and was properly vented.
4. All mechanical and janitorial rooms were locked.
5. All classrooms were locked when occupied.
6. All exterior exits and controlled by electronic entry devices.
7. Classrooms were clean and free from obstructions or trip hazards. The walls in elementary classrooms met all fire code safety standards. Hallways were also clean and clear of obstructions.
8. The district does have sprinklers throughout the entire building.

9. The building hallways and classrooms were very clean and free of obstructions.
10. Exit lights were visible and in working order.
11. The upper floors of the three-story building are accessible by elevator and two separate stairways.

RECOMMENDATIONS:

1. The industrial arts room had two electrical cords on the floor. I recommend more drop cords for this room.
2. The bathroom on the third floor of the elementary building has a step immediately inside the door and then another step to the urinals. These are definite trip or fall hazards, especially the one directly inside the door. I don't know how these can be fixed. The room is not handicap accessible.
3. One elementary classroom had mold detected earlier this year and a company was hired to abate the mold. However, there may still be mold hidden behind one of the walls. The room is not currently used and the administration is monitoring the situation.
4. The maintenance area adjacent to the kitchen was cluttered and the walkway was obstructed, but is much better than last year.
5. Be sure to continue monthly checks of fire extinguishers with the date attached to each extinguisher.
6. The Tech Prep room on the second floor was cluttered, but it is much better than last year. The carpet in this room has some ridges and will become a trip hazard in the future.

EXTERIOR WALK THROUGH SUMMARY

COMMENDATIONS

1. The building and grounds were very clean and well maintained.
2. The sidewalks/concrete areas are in good condition with no apparent tripping hazards.
3. The football bleachers appeared to be in good condition. Be sure to check the handicap ramp when it is wet to be sure it is not too slick.

RECOMMENDATIONS

1. The gravel landing area on the north playground may not meet minimum standards. The National Safety Council recommends 12" of Pea Gravel in a 6' area around equipment, (the Consumer Product Safety Commission recommends 9" depth). The gravel in this area appeared to be road gravel and it did not meet the minimum depth. I highly recommend that this be addressed soon. Some gravel had been added to

one area, but appeared to be larger road gravel rocks and not the CPSC recommended Pea Gravel.

2. Regular monthly inspection of the playground equipment is recommended (and document).
3. A bicycle as laying on the ground about 10 feet from the front entry. I recommend purchasing a bike rack for kids to park their bikes.

TRANSPORTATION FLEET:

1. The new Blue Bird bus had all safety equipment (fire extinguishers, body fluid clean up kit, first aid kit, emergency markers).
2. Bus #08 had all the necessary safety equipment.

ALICAP BILLING STATEMENT:

\$2.15 Million Dividend statewide: This is the most ever declared by ALICAP. The Board of Trustees declared another \$2.15 Million Dividend for the 2019-2020 year which was credited on your statement.

Finance Committee Meeting – minutes

October 29, 2019

8:00 AM

Agenda

1. Revenue/Expenditure Update

Copies of the YTD revenue and expenditures reports are provided within the Board packet under financial reports. While we are in little better financial condition than was earlier projected, we will still need to access a line of credit to meet our obligations.

2. Depreciation Fund CD recommendation from the Auditors

It is recommended by the auditors that we liquidate the Certificates of Deposit in the Depreciation Fund which in turn will provide more readily available access to those funds.

3. Blue Cross/Blue Shield Insurance increase information

A copy of the 2019 and 2020 rate comparisons are attached.

4. Negotiations Meeting recap
