## **Repeal of the Opportunity Scholarships Act** (*LB 1402 – Operative July 19, 2024*)

LB 1402 repeals the Opportunity Scholarships Act and appropriates funds to the State Treasurer for the purpose of providing education scholarships. Beginning October 31, 2024, the Nebraska Department of Revenue (DOR) will no longer certify any Scholarship- Granting Organizations (SGO) or accept any Forms NSGO-IC/X submitted by an SGO. Taxpayers who contributed to an SGO before October 31, 2024, and received a receipt from an SGO will remain eligible to claim the tax credit on their 2024 Nebraska Income Tax Returns. Any unused credit on the 2024 return may be carried forward for an additional five years.

## **Relocation Incentive Act** (*LB 1023 – Sections 1 through 6, Operative for Taxable Years Beginning on or After January 1, 2025*)

### *Employer Credit*

An employer that pays relocation expenses for a qualified employee may receive a refundable credit. A qualified employee is an individual who moves to Nebraska for the purpose of accepting a position of employment. The credit is equal to 50% of the relocation expenses paid during the tax year and is limited to \$5,000 for each qualified employee. The refundable credit may be used to offset income taxes, franchise taxes imposed under **Neb. Rev. Stat. §§ 77-3801 to 77-3807**, and premium taxes, including retaliatory taxes under **Neb. Rev. Stat. §§ 44-150, 77-908, or 81-523**.

The employer must file an application with DOR requesting credits provided under the Nebraska Relocation Incentive Act (NRIA). DOR will approve the NRIA credits requested if the:

- Employer files a complete application;
- Employee is a qualified employee;
- Employee's annual salary is from \$70,000 to \$250,000 (2025 tax year);
- Employer pays relocation expenses for a qualified employee;
- Credit requested for each qualified employee does not exceed \$5,000; **and**
- Calendar-year credit limitation of \$5 million has not been reached.

For tax years beginning on or after January 1, 2026, the annual salary thresholds will be adjusted each tax year by the same percentage used to adjust the individual income tax brackets.

NRIA credits may be recaptured from the employer if the qualified employee moves out of Nebraska within two years after the employer claimed the credit. The recaptured amount is an underpayment of tax and is due and payable on the tax return due immediately following the qualified employee's loss of residency.

**LB 34 implements the Property Tax Growth Limitation Act and the School District Tax Relief Act (*LB34* – Operative August 20, 2024)**

For fiscal years starting on or after July 1, 2025, the Property Tax Growth Limitation Act places limitations on how much cities, villages, and counties can increase their property tax request authority from year to year. The Act limits increases in property tax request authority for these political subdivisions to the amount of property taxes levied in the prior fiscal year decreased by any property tax request authority limitation exceptions utilized for the amount of property taxes budgeted for approved bonds and declared emergencies in the prior year, increased by political subdivision's growth percentages and the greater of zero or the inflation percentage.

A political subdivision may increase its property tax request authority over the stated increase limitation by the amount of property taxes budgeted for 1) approved bonds, 2) declared emergencies in the prior year, 3) services related to threats to public safety, 4) public safety services, 5) county attorneys and public defenders. This limitation may also be exceeded by the amount of a political subdivision's unused property tax request authority and by increases in property tax request authority which are approved by voters.

LB 34 establishes the School District Property Tax Relief Act and creates the School District Property Tax Relief Credit Fund.

The Act applies to fiscal year 2024-25 and each year after. The total amount of relief granted for each fiscal year under the Act will be as follows:

- Fiscal year 2024-25: \$750 million
- Fiscal year 2025-26: \$780 million
- Fiscal year 2026-27: \$808 million
- Fiscal year 2027-28: \$838 million
- Fiscal year 2028-29: \$870 million
- Fiscal year 2029-30: \$902 million
- Fiscal year 2030-31 and each tax year after: The total amount of relief from the prior year increased by 3 percent.

The relief will be in the form of property tax credits which appear on property tax statements. Property tax credits granted will be credited against the amount of property taxes owed to a school district or multiple-district school system, excluding property taxes levied by a school district for bonds or as a result of a property tax levy override approved by voters.

To determine the amount of property tax credit per parcel, the county treasurer will multiply the amounts disbursed to the county by the ratio of the school district taxes levied in the prior year on the parcel to the school district taxes levied in the prior year on all real property in the county. The amount determined shall be the property tax credit for the parcel.

To determine the amount of property tax disbursed to each county, the Property Tax Administrator will multiply the amount of credits available for each fiscal year by the ratio of the school district taxes levied in the prior year on all real property in the county to the school district taxes levied in the prior year on all real

property in the state. The amount determined shall be the property tax credit amount for the county and such county amounts will be determined by the Property Tax Administrator starting September 15, 2024, and by September 15 of each year after.

If the real property owner qualifies for a homestead exemption, the owner will also be qualified for this property tax credit to the extent of any remaining liability after calculation of the homestead exemption. If the property tax credit results in a property tax liability on the homestead that is less than zero, the amount of the credit which cannot be used by the taxpayer will be turned to the Property Tax Administrator by July 1 of the year the amount disbursed to the county was disbursed. The Property Tax Administrator will immediately credit any funds returned to the School District Property Tax Relief Credit Fund.

If actual General Fund net receipts for the most recently completed fiscal year exceed 103% of the actual General Fund net receipts for the previous fiscal year, the amount transferred to the cash reserve will be reduced by the excess amount and the excess amount will be transferred to the School District Property Tax Relief Credit Fund.

The bill makes changes to the Nebraska Property Tax Incentive Act by removing the definition of allowable growth percentage and sunsets the school district property tax credit after tax year 2023.

The bill removes limits on a transfer occurring regarding the Nebraska Transformational Project Fund where previously the total amount of refundable credits granted annually under the Nebraska Property Tax Incentive Act had to reach \$375 million before such a transfer could take place.

2016

Participation in Insurance Program by Board Members

Members of the board of education may participate in the school district's health and life insurance plans which are provided to school district employees. A board member electing to participate in the insurance program of the school district shall pay both the employee and the employer portions of the premiums to the district in advance of any payments being due from the district to the insurance carrier.

Every three months, the board will place on its agenda a report identifying the board members who have elected to purchase insurance coverage through the district. This report shall be made available in the school district office for review by the public upon request.

2024-2025 Contract

- b. **Article I, Salaries (F)** - Change the words "sit in" to "substitute". **BOTH PARTIES AGREE**
- c. **Article I, salaries (I)** - Teachers who are appropriately certified and teach a dual credit class will receive a stipend per semester. This stipend will be equal to 1/3 of the college's credit hour cost to an enrolled Nebraska-Resident college student (not a dual-credit student ~~rate~~) (excluding fees) per student enrolled in the course. For example, if the tuition is \$96 per credit hour for a 3 credit course ( $\$96 \times 3 = \$288$ ) and 7 students are enrolled ( $\$288 \times 7 = \$2016$ ), the teacher's stipend would be 1/3 of the total tuition amount ( $\$2016/3 = \$672$ ) per semester. **BOTH PARTIES AGREE**
- d. **Article I, Salary Schedule Provisions (C & \*)** - Take out the asterisk statement below C. Change to: Exceptions will be made when a non-qualifying course would permit the teacher to obtain an additional endorsement by contract. **BOTH PARTIES AGREE**
- e. **Article I, Salary Schedule Provisions (D)** - Change D: ~~Graduate classes, including those in administration, that are considered relevant and receive approval from the Superintendent will be eligible for salary schedule advancement.~~ Only graduate courses submitted to the superintendent by the contract renewal date will be eligible for advancement on the salary schedule.
- f. **Article I, Salary Schedule Provisions (E)** - Change E: Teachers will receive their official contract for the upcoming school year at least 7 days before the contract deadline. **BOTH PARTIES AGREE**
- g. **Article II, Health & Dental Insurance (A)** - Add to A: Any teacher requesting cash-in-lieu is required to sign an attestation form to receive the cash payments.- **BOTH PARTIES AGREE**
- ~~h. **Article IV, Leave Policies (A)** - Change PTO to personal leave consistently throughout the document. Wait on this until next year? Also, we need to decide what happens to the 2 unused personal leave days if the employee maxes their 50 sick days & still has unused personal leave days. As well as deciding what happens to extra unused personal leave days upon separation of employment. One solution would be to: Any employee already at the 50 sick day threshold with more than 2 unused personal leave days will be paid \$X for those days (because~~

~~they can't roll into sick); and Any employee with unused personal leave days when they separate from employment with the district will be paid \$Y for those days.~~ **BOTH PARTIES AGREE TO STRIKE THIS CHANGE, WILL BE DISCUSSED FURTHER AT NEXT YEAR'S NEGOTIATIONS.**

- i. **Article IV, Maternity Leave (F)** - Strike this statement. **BOTH PARTIES AGREE**
- j. **Article VI, Grievance Policy (A)** - Change last sentence to: Board policy 4013 is the grievance procedure that governs disputes that arise under this agreement. **BOTH PARTIES AGREE**
- k. **Article VII, ... Non-School Time Workshops (B)** - Change the pay from \$25 per hour to per diem pay. Change the sentence to: ...be paid the employee's per diem rate with a maximum of 8 hours a day. Payment from the district only applies in situations where no other payment is received. **BOTH PARTIES AGREE**
- l. **Add to the Agreement the nondiscrimination clause. BOTH PARTIES AGREE**
  - i. Nondiscrimination. The Board and Association shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his or her race, color, religion, sex, disability, or national origin.
- m. **Add Safety Committee clause BOTH PARTIES AGREE**
  - i. Safety Committee. The Superintendent may appoint members of the staff to serve on the safety committee as appropriate and as required by law.
- n. **Add Joint Preparation & Construction clause BOTH PARTIES AGREE**
  - i. Joint Preparation and Construction. This Negotiated Agreement is the product of a collectively-bargained negotiation, and all parties have cooperated in the drafting and preparation of the Agreement. Thus, this Negotiated Agreement should not be construed for or against any party.
- ~~e. **Add Zipper Clause**~~
  - ~~i. During the negotiations resulting in this Agreement, the District and the Association each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter as to which any state or federal law imposes an obligation to bargain, including but not necessarily limited to, the Industrial Relations Act (NEB. REV. STAT. 48-801 through 48-839). Except as specifically set forth elsewhere in this Agreement, the District expressly waives its right to require the Association to negotiate, and the Association expressly waives its right to require the District to negotiate over all matter as to which state or federal law imposes an obligation to bargain, whether or not: (a) such matters are specifically referred to in this Agreement; (b) such matters were discussed between the District and the Association during the negotiations which resulted in this Agreement; or (c) such matters were within the~~

~~contemplation or knowledge of the District or the Association at the time this Agreement was negotiated and executed. This Agreement contains the entire understanding, undertaking, and agreement of the District and the Association, after the exercise of the right and opportunity referred to in the first sentence of this section, and finally determines all matters of collective bargaining for its terms. Changes to this Agreement, whether by addition, waiver, deletion, amendment, or modification, must be reduced to writing and executed by both the District and the Association. Why? A zipper clause is a clear & express waiver of any bargaining obligation as to non-specified terms & conditions of employment. BOTH PARTIES AGREE~~

- ii. ~~**Admin. Extra Duty Coverage**—Teachers with administrative degrees covering administrative activities will not be a negotiated item, it will go on the Activities Helper Pay List. Kim & Brandon will discuss this further. BOE DECLINES FURTHER NEGOTIATIONS ON THIS ITEM~~

An assistant golf coach will be added, following the same pay schedule as an assistant cross country coach, based on the transportation needs of the number of participating athletes, including one manager. **BOTH PARTIES AGREE**

12-5-24

Association came with the following requests. See purple above.

1. Negotiations came back with (a) base salary of \$40,200. (Both parties agreed)
2. (e) no wording change, leave as is (some wording changed, both parties agreed)
3. (o) no zipper clause (Both parties agree)

**Negotiated Offer from EC BOE**  
**For 2025-2026**  
**November 19, 2024**  
**December 3, 2024 (updated in red)**  
**December 5, 2024 (changes in purple)**

- a. **Base Salary** - The BOE is offering the base salary for 2025-2026 to be \$40,200. This includes insurance increases. **BOTH PARTIES AGREE**

2024-2025 Contract

- b. **Article I, Salaries (F)** - Change the words "sit in" to "substitute". **BOTH PARTIES AGREE**
- c. **Article I, salaries (I)** - Teachers who are appropriately certified and teach a dual credit class will receive a stipend per semester. This stipend will be equal to 1/3 of the college's credit hour cost to an enrolled Nebraska-Resident college student (not a dual-credit student ~~rate~~) (excluding fees) per student enrolled in the course. For example, if the tuition is \$96 per credit hour for a 3 credit course ( $\$96 \times 3 = \$288$ ) and 7 students are enrolled ( $\$288 \times 7 = \$2016$ ), the teacher's stipend would be 1/3 of the total tuition amount ( $\$2016/3 = \$672$ ) per semester. **BOTH PARTIES AGREE**
- d. **Article I, Salary Schedule Provisions (C & \*)** - Take out the asterisk statement below C. Change to: Exceptions will be made when a non-qualifying course would permit the teacher to obtain an additional endorsement by contract. **BOTH PARTIES AGREE**
- e. **Article I, Salary Schedule Provisions (D)** - Change D: ~~Graduate classes, including those in administration, that are considered relevant and receive approval from the Superintendent will be eligible for salary schedule advancement.~~ Only graduate courses submitted to the superintendent by the contract renewal date will be eligible for advancement on the salary schedule.
- f. **Article I, Salary Schedule Provisions (E)** - Change E: Teachers will receive their official contract for the upcoming school year at least 7 days before the contract deadline. **BOTH PARTIES AGREE**
- g. **Article II, Health & Dental Insurance (A)** - Add to A: Any teacher requesting cash-in-lieu is required to sign an attestation form to receive the cash payments.- **BOTH PARTIES AGREE**
- ~~h. **Article IV, Leave Policies (A)** - Change PTO to personal leave consistently throughout the document. Wait on this until next year? Also, we need to decide what happens to the 2 unused personal leave days if the employee maxes their 50 sick days & still has unused personal leave days. As well as deciding what happens to extra unused personal leave days upon separation of employment. One solution would be to: Any employee already at the 50 sick day threshold with more than 2 unused personal leave days will be paid \$X for those days (because~~

~~they can't roll into sick); and Any employee with unused personal leave days when they separate from employment with the district will be paid \$Y for those days.~~ **BOTH PARTIES AGREE TO STRIKE THIS CHANGE, WILL BE DISCUSSED FURTHER AT NEXT YEAR'S NEGOTIATIONS.**

- i. **Article IV, Maternity Leave (F)** - Strike this statement. **BOTH PARTIES AGREE**
- j. **Article VI, Grievance Policy (A)** - Change last sentence to: Board policy 4013 is the grievance procedure that governs disputes that arise under this agreement. **BOTH PARTIES AGREE**
- k. **Article VII, ... Non-School Time Workshops (B)** - Change the pay from \$25 per hour to per diem pay. Change the sentence to: ...be paid the employee's per diem rate with a maximum of 8 hours a day. Payment from the district only applies in situations where no other payment is received. **BOTH PARTIES AGREE**
- l. **Add to the Agreement the nondiscrimination clause. BOTH PARTIES AGREE**
  - i. Nondiscrimination. The Board and Association shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his or her race, color, religion, sex, disability, or national origin.
- m. **Add Safety Committee clause BOTH PARTIES AGREE**
  - i. Safety Committee. The Superintendent may appoint members of the staff to serve on the safety committee as appropriate and as required by law.
- n. **Add Joint Preparation & Construction clause BOTH PARTIES AGREE**
  - i. Joint Preparation and Construction. This Negotiated Agreement is the product of a collectively-bargained negotiation, and all parties have cooperated in the drafting and preparation of the Agreement. Thus, this Negotiated Agreement should not be construed for or against any party.
- ~~e. **Add Zipper Clause**~~
  - ~~i. During the negotiations resulting in this Agreement, the District and the Association each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter as to which any state or federal law imposes an obligation to bargain, including but not necessarily limited to, the Industrial Relations Act (NEB. REV. STAT. 48-801 through 48-839). Except as specifically set forth elsewhere in this Agreement, the District expressly waives its right to require the Association to negotiate, and the Association expressly waives its right to require the District to negotiate over all matter as to which state or federal law imposes an obligation to bargain, whether or not: (a) such matters are specifically referred to in this Agreement; (b) such matters were discussed between the District and the Association during the negotiations which resulted in this Agreement; or (c) such matters were within the~~

~~contemplation or knowledge of the District or the Association at the time this Agreement was negotiated and executed. This Agreement contains the entire understanding, undertaking, and agreement of the District and the Association, after the exercise of the right and opportunity referred to in the first sentence of this section, and finally determines all matters of collective bargaining for its terms. Changes to this Agreement, whether by addition, waiver, deletion, amendment, or modification, must be reduced to writing and executed by both the District and the Association. Why? A zipper clause is a clear & express waiver of any bargaining obligation as to non-specified terms & conditions of employment. BOTH PARTIES AGREE~~

- ii. ~~**Admin. Extra Duty Coverage**—Teachers with administrative degrees covering administrative activities will not be a negotiated item, it will go on the Activities Helper Pay List. Kim & Brandon will discuss this further. BOE DECLINES FURTHER NEGOTIATIONS ON THIS ITEM~~

An assistant golf coach will be added, following the same pay schedule as an assistant cross country coach, based on the transportation needs of the number of participating athletes, including one manager. **BOTH PARTIES AGREE**

12-5-24

Association came with the following requests. See purple above.

1. Negotiations came back with (a) base salary of \$40,200. (Both parties agreed)
2. (e) no wording change, leave as is (some wording changed, both parties agreed)
3. (o) no zipper clause (Both parties agree)

[5066](#)  
[Early Graduation](#)

**General Policy.** Students most effectively obtain the skills and experience necessary to graduate from high school by completing grades 9 through 12 over the course of 4 years. Unless otherwise permitted by Board policy or other applicable law, students must finish all 4 grade levels in order to graduate.

**Requirements for Application.** In unique circumstances, the Board may waive the four-year attendance requirement for high school graduation, provided that the student has met the requirements of this policy.

Students must make an application to the high school principal before they may seek permission to graduate early from the Board. The principal may consult with appropriate instructional and guidance staff members in making the determination. The student's application must include:

1. Proof that the student will meet all academic requirements necessary to graduate on or before the proposed graduation date;
2. A transcript showing that the student has no grade lower than "C" in any required course at the time of application;
3. A detailed essay that (a) addresses the reasons for seeking early graduation and (b) articulates the student's post-graduation plans, including goals and objectives justifying the need to graduate early; and
4. A letter from a parent/guardian supporting the application.

The student may submit any additional materials which support the student's efforts to graduate early. Such materials may include, but are not required to include: letters of support from staff and community members; proof of admission in a postsecondary program; and/or any other materials which the student believes to support the student's application.

**Consideration by the Board of Education.** The principal will make a written recommendation to the Board based on the submitted application from the student. The Board will consider but is not bound by the principal's recommendation. **General Policy.** Students most effectively obtain the skills and experience necessary to graduate from high school by completing grades 9 through 12 over the course of 4 years. Unless otherwise permitted by Board policy or other applicable law, students must finish all 4 grade levels in order to graduate.

**Requirements for Application.** In unique circumstances, the Board may waive the four-year attendance requirement for high school graduation, provided that the student has met the requirements of this policy.

Students must make an application to the high school principal before they may seek permission to graduate early from the Board. The principal may consult with appropriate instructional and guidance staff members in making the determination. The student's application must include:

1. Proof that the student will meet all academic requirements necessary to graduate on or before the proposed graduation date;
2. A transcript showing that the student has no grade lower than "C" in any required course at the time of application;
3. A detailed essay that (a) addresses the reasons for seeking early graduation and (b) articulates the student's post-graduation plans, including goals and objectives justifying the need to graduate early; and
4. A letter from a parent/guardian supporting the application.

The student may submit any additional materials which support the student's efforts to graduate early. Such materials may include, but are not required to include: letters of support from staff and community members; proof of admission in a postsecondary program; and/or any other materials which the student believes to support the student's application.
