The Board and Supt. Poppert discussed the CTE remodel, the timing of a potential bond issue, and various options for interior remodeling of and/or adding on to the school.

The Board would like to see the following in the new building project:

New commons area and expanded cafeteria

New 4-6 addition

Updated elementary entrance on the North side

Possible remodeling of the 1951 Building (Elementary classrooms)

Remodelling of the CTE area and creating a "gymnasium" will be done within the school's general budget.

The Board members felt that waiting until January to have community meetings, with an election in May, was the best option. It is anticipated that the new Superintendent would then be involved throughout the process.

The meeting adjourned at 7:04pm.

The meeting was adjourned at \_\_\_\_\_.
