9. Approval for new CTE (Career Technical Education) Courses for 2025-2026 school year.

We will be doing a grand opening on the state-of-the-art-century Welding Shop Center.

It has auto crane, begin learning how to program welding robots. They will be programming plasma tables for different objects and shapes. They have the option for the 3-d certification. This will be able to have up to 250 students.

The more students you bring in for level 3-4 classes, the state will give more funding.

We added a new welding teacher. With this we were able to get all students from last year that wanted welding. We went from 60 to 100 students. We also are bringing AWS welding instruction in AG. They will be able to build and compete.

Business management class. We will be able to do this and also be medical assistants.

We are focusing on web design. He is doing independent study in evolving and emergent technology.

Practicum in Culinary arts.

Offer Junior High CTE courses were students can get CTE high school credit for it.

Approval for new CTE (Career Technical Education) Courses for 2025-2026 school year. This motion, made by Danny Salazar and seconded by JoAnn Rey, Passed.
