Possibly Moving to 4 days a Week

These are questions/concerns that we (K & 1st) have discussed, but would also pertain to the whole school when amending our current hybrid schedule.

Questions/Concerns	Suggestions/Solutions
Schedule AM/PM schedule is preferred. Is this a consideration? (This would alleviate a lot of our concerns and problems with having all students at the same time. Also, we will continue to have smaller classes to be able to help more students.)	We feel that this accomplishes our goal of bringing all students back for face to face instruction Mon-Thur, and eliminates most concerns that staff/parents might have. All grades could implement at the same time, less confusion for families with multiple children attending.
Preparation Concern - Finding out that all students will be returning on Thursday, Jan 21st will not work for us. It is not enough time to prepare. We would like at least a week's notice.	Example - Our lesson plans for January 25th will be done and prepped by January 20th in order for Veva to have time to translate and materials to be sent home. Hybrid and Remote Packets will be sent home with students on Jan 21st and Jan 22nd. Finding out that all Thursday, Jan 21st will not work for us.
Seating Tables/desks for this many students - are we going to do a mock set up in Nickie's room? Do we have enough, have they been located and counted?	
Timing Starting this new schedule on Jan. 25th will be right before we are doing 2nd T assessments	Starting at the beginning of 3rd T would allow us to jump right into curriculum instead of trying to test students during the transition time
Recess If it is indoor, there will be an issue with this many students Will there be an aide in each room? otherwise fear it is a safety concern	
Parent Survey Will there be a survey sent to parents or will they just be told? If so, how soon? Several families have only come from remote because of the present smaller class size. We don't want these students to end up going back to remote.	Suggest that we list the teacher name and the number of kids and lunch/recess details for awareness.
COVID safety What are our plans for safety measures with this many more students? What is the maximum amount of students we can have in one space?	

Lunch: We discussed using the art room but will that be enough? Might need the stage too. Are there enough tables?	
Arrival and Dismissal: Where will students go once they arrive? How will breakfast be done? Will more people be taking temperatures? Will they stagger students going down the hall?	
Additional Help: Will there be enough aides to help in class with full class transition.	We would like help to not go backwards with the curriculum and teaching. We need to keep moving forward and will need help with procedures, expectations, keeping kids on task, bathroom breaks(only 3 can go in at one time), etc.(It will be like the beginning of the year all over again). Help during small group time with larger classes will be essential.
Specials: How will students socially distance during specials? *art room does not have enough table space *PE - we presently have classes combined; averaging 18 students on Mon/Wed and 17 Tues/Thur currently. That would change to 36 students per class on average.	
Student count if we return to full in person classes Mon-Thurs (does not include 100% remote students): Brittany -14 Julia - 14 Christy - 18 Nickie - 19 Kristyn - 16 Lois - 17

CASH HANDLING BEST PRACTICES

Overview:

In general, best practices set up for cash handling are meant to give some measure of protection for both the employee and the employer. The practices listed below are not meant to be all-inclusive, but are intended to minimize the risks associated with cash handling. Listed below are the practices that are to be used across the District. Other practices may be added, which will be listed separately, for specific areas, employees or situations.

General Best Practices:

- Cash is kept in a secure, locked area until it can be deposited. Monies collected are to be turned into the office within **24 hours** of receipt.
 - Both LP and ACC are purchasing secured drop boxes for staff to drop off money if Diane and/or Chris are not available.
 - The District will provide deposit envelopes to staff. These are to be used when turning in all monies collected.
- District funds (which may include cash or checks) are not to be co-mingled with personal funds. For example, do not deposit checks/cash into your personal account and then write a check to the District.
- Accurate inventories must be maintained regarding all fundraising activities and/or classroom experiences (i.e., Auto Program, Corner Café, FBLA Coffee Sales, etc.). Staff must keep detailed records of product given to students to sell and students must have clear protocols for documenting each sale. Students must turn in cash/check sales to the sponsor every Friday.
- All fundraisers must be approved by administration before the event occurs.
- Students' handling of funds should be limited to the sale of fundraising product only. Students are to turn in their receipts to the teacher/sponsor **every Friday**.
- Two employees will be involved in a deposit. For example, if a sponsor is turning in T-shirt money, it should be counted and agreed to the documentation. It will then be counted by another employee (most likely Diane, Chris, or Joyce), verified to the documentation and prepared for deposit.
- Back-up documentation should be available for all fund deposits. For example, a reconciliation of the number of tickets sold which agrees to the deposit, a list showing the amounts collected which agrees to the deposit.
- If the Bookstore is to be used as the money drop-off location, please be sure to provide Joyce with prior notification that she will be collecting money. Please provide her with the event, dates, fees and the deadline.
- If a discrepancy is found or funds are missing, the District will take appropriate action including an investigation of the discrepancy, removal of employee from cash handling duties and/or employee discipline up to and including termination from the District.

Athletics & Activities	ACC
Guidelines for Clubs Selling Products: 1. Sponsors must maintain an accurate inventory of products ordered and received. 2. Sponsors must maintain an accurate inventory of products distributed to students to sell. 3. Students are to turn in receipts and inventory update to the sponsor <u>every Friday</u>. 4. Sponsors are responsible for counting the money and verifying inventory. 5. Sponsors must turn in monies collected to Diane Bergagna <u>within 24 hours</u> of receipt. 6. Sponsors fill out and turn in the deposit envelopes provided by the District.	Guidelines for Programs Providing a Service for Fee: 1. Teacher must maintain accurate inventories of all products. 2. Mark-up rates are to be communicated to and approved by the ACC Director. 3. Teachers must maintain accurate records of services provided. 4. Monies collected are to be turned into Chris Wilke <u>within 24 hours</u> of receipt. 5. Teachers must use and complete the provided deposit envelopes when turning in monies. 6. ACC teachers will be provided with a receipt book that is to be used when selling items to students (i.e., safety glasses, etc.). Teachers must keep detailed records of items sold.
