BEFORE YOUR CHILD CAN START PRESCHOOL

We will need the following forms on file at the preschool before your child will be allowed to attend preschool: Registration Form, General Information, Health and Immunization forms, Permission Form, Emergency Card and Bussing Form. **The School District nurse will verify the Health and Immunization forms before school starts. All students must be toilet trained before starting school! **Students that have been identified with special needs may be exempt from this requirement.***

HEALTH & IMMUNIZATION FORMS

State law mandates that all first-year students' Health Summary Form be submitted to us before your child will be allowed to start preschool. ***If we do not have a copy of your child's Health form, your child will not be permitted to begin preschool.*** Second year students DO NOT need to update the Health Summary Form-unless there has been a change to your child's health condition. The Immunization Form must be updated on a yearly basis and the District Nurse will review them.

PARENTAL PERMISSION

Parents will be asked to sign a release form so that the students may be photographed for public relations or for other purposes.

DISTRICT 108 BUSSING

It's important to hand in your child's bussing form as soon as possible to get the bus schedules set up, get bus name tags ready, and let bus drivers know your child's schedule. ***Once school begins, the District's Transportation Director needs two weeks' notice before starting bus service, and it may only be available if it fits into the schedule.*** If your child will not be riding the bus on their scheduled day, please contact the Transportation Department at 467-7009 and teachers.

District 108 provides bus transportation on their regular K-12 routes in the morning pick up and afternoon drop off for Kurious Kids at community bus stops. Mid day transportation will be door to door.

All students will be picked up and dropped off at **ONE** location. This location must remain the same throughout the year. If your schedule changes during the week you will need to make other arrangements to get your child to and from school.

Students identified with special needs may have alternative bussing arranged by staff.

If a permanent change occurs, notify the Community Education, 467-7391, 2 weeks in advance for approval.

CHILD DROP-OFF AND PICK UP

At the Cologne site, please bring your child into the classroom and sign them in. At the NYA site, please drop your child off curb side at Central Elementary (staff will be there to take care of students).

NO PARKING allowed in the Bus Drop-off locations in front of the buildings. If your child is to be picked up by anyone other than the parent, we must have written authorization ahead of time. In an emergency, a telephone message will be accepted.

If your child is not picked up from preschool within 10 minutes after class is over, **you will be charged \$1/minute, payable immediately upon arrival.**

EMERGENCY SCHOOL CLOSINGS

If bad weather forces Norwood Young America School to close, the preschool program will be closed also. If school is 2 hours late, the morning preschool class will not be held. If the school district closes during your child's class time, please pick your child up immediately if they are not riding the bus. Please listen to **WCCO Radio 830 AM** for closing information or call 952-467-7391.

******Students with special transportation needs will follow their regular bussing procedures.***

******If school closes during the morning session, Kurious Kids students will be placed on the regular K-12 busses and will be dropped off at their neighborhood bus stop.***

******If school closes during the afternoon session, Kurious Kids students will ride their regular after school bus to their neighborhood drop off site.***

ABSENT STUDENT

If your child is sick or is going to miss class for any reason, please inform your child's teacher. You may leave a message at any time on voice mail. **Please call the Community Education Office at 952-467-7391 to report an absence and if bus is not needed on a certain day.**

SNACKS

Parents need to provide a snack for their child each school day. We will provide milk or juice for snack time. The classrooms have a refrigerator and a microwave for preparing snacks if needed.

Snack Lists: In conjunction with milk breaks, students may eat healthy snacks brought from home. Healthy snacks are defined as fruits, vegetables, crackers, cheese, etc. Items with high sugar or salt content should be discouraged. These guidelines are part of the school health curriculum to familiarize students to healthy snack foods vs. junk foods. The cooperation of each family and classroom is appreciated. Please make sure what you send with your child is something they can eat and it is cut in pieces they can eat without choking.

ACCEPTABLE SNACK LIST:

Yogurt	Cheese and Crackers	Banana or Date Bread
Sandwich	Unsweetened Cereal	Fruit
Vegetables	Cheese Sticks	Juice (Pure Fruit Juice – Not 10%)
Beef Jerky	Crackers	Graham Crackers
Cold Meats	Muffins	Raisins

PLEASE LIMIT THESE SNACKS:

Peanuts (Due to allergies)	Kool-Aid or Pop
----------------------------	-----------------

Cake
10% Fruit Juice (Example: Hi-C)
Marshmallows
Twinkies or any kind of Snack Cake

Cheese Balls (Munchies in general)
Rice Krispy Bars
Chocolate Covered or Chocolate Chip Granola Bars
Potato Chips

Classroom Treats: On occasion, students bring treats for their classroom. Due to health concerns and policies, the District asks that only food items which are commercially prepared and packaged be brought to school (no home-made goodies!). In addition, treats containing peanut oil, peanut butter, or nuts are not advised due to the allergies of students. This will ensure safe and healthy snacks. Thank you for your cooperation.

CLOTHING

Many of the activities your child will experience will be messy, so please have your child wear washable, comfortable play clothes that will enable him/her to use the toilet independently. Throughout the school year, especially in the winter months, children should dress in several thin, dry layers. Children will be allowed to take off and put back on layers as needed throughout the day. During the winter, boots, hats, snow pants, and mittens must be brought to school, along with shoes to wear in the classroom. ***State Law requires children to wear shoes when they are in school.** Children will go outside daily as weather permits, so proper clothing is very important every day. Each student also needs to have a supply of sunscreen labeled as SPF-15 or higher, with the child's name written on the container. By signing the general release form, you are giving staff permission to apply the sun screen to your child. On hot and sunny days, shaded play areas that will protect children from the sun, will be used. Since children are not usually outside for long periods of times when mosquitos are out, we will NOT apply insect repellents to children at school. If health authorities recommend the use of insect repellents due to a high risk of insect-borne disease parent need to apply it before the child comes to preschool.

SHARING TIME

Each teacher will inform parents about their child's sharing schedule. We follow the District's Violence Policy: NO Pokeman, Ninjas, super heroes, or violent or threatening weapons.

VISTORS & VOLUNTEERS

Parents are welcome to visit any day, although we suggest that you wait until late October so your child has had time to adjust to his/her new environment. We do ask that you notify us when you wish to observe so we might limit the number of visitors. Parent volunteers are always needed to help in the classroom, help with special tasks, or chaperone field trips. Please let the teacher know if you are interested in volunteering! We are also available to meet with you at any time throughout the year to answer questions, deal with concerns and provide you with activities to do with your child at home to help promote their development.

PRESCHOOL SCREENING

Kurious Kids students that are 3 years old or older and have not been screened should contact the Community Education Office, 467-7391 to make an appointment. Screening is offered by the school district free of charge. **This is a requirement for preschool and kindergarten and all students need to be screened within 90 days of the start of preschool.**

EARLY CHILDHOOD SPECIAL EDUCATION

Services are provided by licensed staff to children from 3-5 years of age, who have been identified as needing early intervention. If a student is showing developmental delays, a meeting with parents, staff and other Early Childhood agencies and programs that could benefit the child will be held.

PARENT CONFERENCES

Kurious Kids II will receive 2 progress reports: 1 in the fall and 1 in spring and will have 2 conferences: 1 in the fall and 1 in the spring.

Kurious Kids I, students will receive 1 progress report and have 2 conferences: 1 in the fall and 1 in the spring. However, we welcome your questions or concerns at any time.

Students with IEPs will have conferences as required by the IEP.

ASSESSMENTS

Students will be assessed three times a year, in the fall (Oct.), winter (Jan.), and spring (May). All assessments will be done within a three-week period. In our program we also assess the children on a daily basis through observations, questions, checklists and portfolios. The basis for doing daily assessments is to be sure that each child is developing and learning as appropriate for their age. Teachers will also use the information to be sure that each child is learning at a pace that is relevant to them. Teachers will observe the children in order to tailor lesson plans and make necessary changes to the classroom environment. The information that we collect is also shared with you during conferences and any time during the school year. Such information may be shared with you in order to suggest a need for further screening or other needs of the child. If staff has a concern with your child's development a meeting will be called with parents and staff and parents will have the opportunity to share any concerns they may have and also complete a questionnaire on their child's behavior and development as seen through the parent's eyes. If the staff and parents still have concerns about the child's development, a full evaluation by ECSE will be completed.

FIELD TRIPS

Field trips help our students explore their world and are a regular part of our curriculum. We'll inform parents of times and dates and any additional fees these trips might require, well in advance. Parents' permission forms will be required for each trip off school property and parents or an adult need to accompany their child on field trips.

FUND RAISERS

Yearly fundraisers may be conducted to raise funds for new equipment. These have included a magazine sale and helping at the annual craft fair in the past.

BOOK ORDERS

Throughout the year the staff will conduct book order opportunities.

OUR 4 RULES TO LEARN BY

Friendly Hands	Listening Ears
Inside Voices	Walking Feet

BEHAVIOR GUIDANCE POLICIES

Every child will be provided with a positive model of acceptable behavior. As each child is a unique individual, the behavior plan will be tailored to the developmental level of the child.

In any behavior guidance, the primary goal is the safety of children and staff. If inappropriate behavior is observed, children will be directed away from the problem and encouraged to be responsible for their own actions by immediate and directly related consequences. Redirection will be utilized.

PROHIBITED ACTIONS

1. Corporal Punishment such as rough handling, shoving, hair pulling, ear pulling, shaking, slapping, kicking, biting, pinching, etc.
2. Emotional Abuse such as name-calling, ostracism, shaming, making derogatory remarks, and threatening language.

DISCIPLINE PROCEDURES

- ☐ Discussion with the child
 - ☐ Separation from the group or classroom will take place if the child's behavior does not improve or affects their safety or the safety of others. All separations will be documented.
 - ☐ The parents will be notified if the child is separated from the classroom three or more times.
- The complete Behavior Guidance Policy is available for parent review upon request.

VIOLENCE POLICY

Independent School District 108 shall take proactive measures to eliminate violence in our schools by protecting children whose health or welfare may be jeopardized through acts of violence. It will be the responsibility of each school to make schools safe by promoting safe and secure learning environments.

GRIEVANCE PROCEDURE

1. Parents go directly to the teacher with a grievance.
2. If not resolved in 3 working days, the teacher takes the grievance to the Program Administrator.
3. If not resolved in 5 working days the teacher and parents take the grievance to the Program Administrator
4. If not resolved in 7 working days, the three parties go directly to the Superintendent of Schools.

NOTIFICATION NUMBERS

Parents that have concerns about their child's care or program may call:
Community Education Director: 467-7391

LEAVING THE PROGRAM

A two-week written notice is required if you intend to withdraw your child from our program. This notice can be given to your child's teacher or to the Community Ed office.

EARLY CHILDHOOD ADVISORY COUNCIL

The Council is made up of parents from the Early Childhood Family Education and Kurious Kids programs. They assist and give program ideas to the staff. The council selects new members in the spring. Let a staff member know if you are interested in serving on this committee.

HEALTH POLICIES AND PROCEDURES

Parents are asked to protect the health of their own children as well as the health of others by keeping a child home when he/she is sick. If a child becomes ill during the school hours, the parent or emergency contact person will be called. The child will be isolated, but at all times be supervised by a staff member, until the parent or designated adult arrives. No medication will be administered!

We ask that you notify us within 24 hours, exclusive of weekends and holidays, when your child is diagnosed by his/her source of medical or dental care as having a contagious reportable disease, i.e., lice, impetigo, chicken pox, strep throat, measles, etc. or an emergency or injury requiring medical attention. The Staff will then immediately notify all families, in writing, of the exposure for proper follow-up.

The goal of the Health Services Program is to promote a high level of wellness in preschool age children in the areas of physical and social-emotional health. Formal screening programs are used to identify specific problems in vision, hearing, and scoliosis. As these and other health problems are detected, a referral for medical care is made. The Health Services Program's philosophy places strong emphasis on health education and preventive health care. Health services staffs the preschool, elementary, middle school, and high school, with a full-time licensed school nurse.

Health Records: Students are required to have an individual health record on file in the Nurse's Office. It contains a cumulative health history, screening results, and immunization history. Parents are expected to keep Health Services informed of current or chronic medical problems (that could affect the student's comfort and ability to learn) and medications, even if they are not administered at school. A complete physical exam is recommended, but not required, prior to school entrance.

Immunizations: Minnesota state law requires parents of all students to present proof that all immunizations are up-to-date at the time of school entrance. Students not meeting the minimum requirements will be excluded from school. Students can be exempted on the basis of religious objection, with parent's signature. The number of immunizations recommended at kindergarten entrance is:

- 5 DPT (Diphtheria - Pertussis - Tetanus)
- 4 Polio
- 2 MMR (Measles - Mumps - Rubella)
- 3 Hepatitis B
- 1 Varicella Vaccination (or illness of chicken pox)

Immunizations should be updated BEFORE school entrance by your family physician or through Carver County Public Health Services (442-4493).

Emergency Forms: At the beginning of each school year, parents are expected to complete the Student Emergency Form, which provides **up-to-date emergency phone numbers** and medical information. It is the parent's/guardian's responsibility to notify the school of any change of address, telephone number, or emergency numbers. Parents are also asked to complete a Health History form. This provides additional health information necessary in making judgments in emergency situations.

Injury: In the case of an injury or medical emergency, the school will attempt to notify the parents first, when possible. In a medical emergency, the local emergency system will be used, and the student will be transported to Waconia Ridgeview Hospital or the nearest emergency facility via ambulance, at parent expense. Student Emergency Forms will be sent with the student to the emergency facility, when the parent cannot meet or accompany the student and a staff member will go with the child on the ambulance.

Illness: In the case of illness, the school will contact the parent at home or at work. The parent will be expected to pick up the child or make arrangements for someone else to do so promptly. If the school is unable to contact the parent, the person identified as a contact on the student's Emergency Form will be contacted. Parents should make sure that the emergency contact person has agreed to assume this responsibility, is available, and has transportation. The parents of each student must establish a workable emergency plan. If the family physician, parent/guardian, or emergency contacts cannot be reached in an emergency situation, "911" will be called, or the student will be transported to the nearest hospital.

Exclusions for Illness: Children will be excluded from school when they show the following symptoms:

- oral temperature over 100 F * undiagnosed rash
- vomiting * breathing difficulties
- diarrhea
- pink eye

Re-admittance to School: Health Services should be notified of any communicable diseases and treatment to assure control in other students. Re-admission to school for the following communicable diseases shall be:

- Chickenpox - all lesions are dry and crusted (5-7 days)
- Impetigo - at least 24 hours after the start of medication
 - If there is no improvement in 48 hours, the child should be reassessed by a physician.
- Conjunctivitis (pink eye) - at least 24 hours after the start of medication
- Lice and Scabies - following medical treatment with an insecticide shampoo or lotion.
- Hepatitis - physician statement required for re-admittance.
- Strep Throat - at least 24 hours after the start of medication
- Ringworm of scalp and skin - following treatment with fungicide.

Medications: In accordance with the Minnesota Department of Health's recommendations, the school WILL NOT provide any medications (including aspirin). Prescription medications will be administered under these circumstances:

1. Medication is accompanied by a signature from a parent/guardian authorizing school personnel to comply with the physician's order. (Physician's written order preferred) A current written physician's order must be received for all controlled medications, i.e., A.D.D. or A.D.H.D. Written notification must include:
 - Student's name
 - dosage and route of administration
 - name of medication
 - termination date for administration
 - time of administration
 - reason medication is needed
 - possible side effects
2. Medication should only be brought to school in a container labeled by the pharmacy. The pharmacy should divide medication for home and school into two bottles with proper labels to avoid the need to transport medication daily. The label should include the following information:
 - name of physician
 - name of medication
 - child's name
 - directions for use
 - name/telephone number of pharmacies
 - date of issue or renewal

3. Parents are encouraged to bring medication (especially controlled substances such as A.D.D. medication) to the school nurse's office or to the principal's office for the health and safety of your child and other students. If parents are unable to bring the medication to school, they should contact the school nurse to set up an alternative plan.
4. Non-prescription medications (Tylenol, cough syrup, antihistamines, etc.) will be given for a maximum of 5 days with parent permission. After that time, orders from a physician will be required. Medication must be accompanied by a parent's signature or it WILL NOT be given in school. It should be accompanied by specific instructions from the parent as to when medication is to be given.
5. Medications must be administered by adult school personnel while the student is at school. Parents should inform the child's teacher when a child is on medication so that the teacher can send the child to the Health Office at the proper time. The school nurse or designated person(s) will initial a chart indicating that the medication was administered. The date and time will also be noted.

Health Education and Consultation: Health Services personnel will attempt to make every Health Service activity an educational experience for the child, parents, and teacher. Because of our commitment to preventive health care, we work closely with the classroom teacher to provide health education. We have an awareness of community resources in the areas of health care and human services, and work cooperatively with them. Please call us if you have questions or concerns about your child.

Instances When We Contact Parents/Guardians:

- Temperature on or greater than 100 degrees
- Vomiting
- Severe persistent coughing
- Upset stomach with flushed cheeks, headache, without fever
- Diarrhea
- Severe sore throat (potential strep) with fever
- Open wounds
- Pink eye with drainage or severe irritation to student
- Head lice
- Recurring headache
- Possible medication reaction

EMERGENCY CARE

The staff is certified in Basic Red Cross First Aid and CPR. A record will be kept in the class of any accidents that may happen. A log of fire drills, lock downs and tornado drills will be kept in the building.

SCHOOL BAG/BACKPACKS

Children are requested to bring a backpack and shoes every day. The backpack is to protect school projects on the way home; it will contain communication from the preschool. **No rolling backpacks, please.**

Please label the bag and folder with your child's name.

EDUCATIONAL PROGRAMS

Students who attend Central Elementary School work hard and consistently achieve above the state average. Because we view our students as individuals, various instructional methods are offered, and we strive to find the best strategies for each child. Reading/Language Arts, Math, and Science are emphasized, and our curriculum's core is rooted in developing a solid foundation.

Reading/Language Arts: Expectations for literacy instruction are defined by the Central Elementary School Literacy Guidelines and utilize a balanced literacy approach focusing on the five literacy pillars. These pillars include phonemic awareness, phonics, fluency, vocabulary, and comprehension. All students will have access daily to grade-level instruction through the core curriculum. Students will also be provided small group or individualized instruction regularly. Additionally, students will receive robust modeling of fluent reading while being encouraged to develop a lifelong love for reading. Grades K-5 use the Amplify CKLA, which was purchased in 2023. This curriculum focuses on the science of reading.

Mathematics Program: Central Elementary students are provided a strong foundation in the standards set by the National Council for the Teachers of Mathematics and the State of Minnesota. All teachers in grades K-5 use Houghton-Mifflin Expressions, which was adopted in June 2016. Students are active participants in their learning and growth through a combination of direct instruction and discovery. Teaching encompasses the exploration of

mathematics and knowledge to discover new and creative ways to approach problems. Real-life problem-solving and group work are emphasized while students learn how to express their mathematical thinking verbally.

Science: emphasizes knowledge and the process of science through a hands-on approach. Scientific attitudes and thinking processes are learned through classroom, field, and lab experiences using various materials to carry out the planned scope and sequence. All students in grades K-5 use the 2020 edition of Foss Next Generation curriculum materials.

Health: instruction uses primary health goals, which include several objective areas. The student goals include developing the ability to make decisions, cope, communicate, solve problems, plan, evaluate, and act to have optimum health. In addition, the program's goals include consumer, dental, mental, and environmental health, health services, fitness, wellness, and nutrition. Also included are safety and first aid, disease prevention, growth and development, and substance use and abuse.

Social Studies: focuses on American history and includes studying the geography, culture, and peoples of the United States and the world. Global and current events emphasis is also recognized. Grades K-5 use the Harcourt Social Studies Curriculum

STEAM: Central's STEAM Lab is a JOY-filled place where students cultivate 21st-century skills using exploration, which leads to lasting community impact. Students visit the STEAM lab regularly to receive hands-on instruction to further their understanding of core concepts. Students can learn coding, robotics, engineering design, digital citizenship, and other important 21st-century skills.

Physical Education: is taught by a specialist to students in grades K-5. Physical activities occur in units of games and cooperative significant group movement. The emphasis in physical education is on lifelong physical fitness and developing skills toward that goal. Students are required to wear athletic shoes to physical education classes for the safety and health of the student and the protection of the floor.

Elementary Music: is taught by a specialist to students in grades K-5. The students address the national standards in music. Some of these experiences will include singing alone and with others, playing classroom instruments, studying masterworks, and playing folk song games. All students in grades K-5 will perform in one program per school year. Some grade levels will perform together. Kindergarten and first grade will perform individually. Second grade is paired with third grade, and fourth grade is paired with fifth grade. (Refer to the school calendar for this year's performance schedule.)

Art: instruction is taught through activities incorporated into another curriculum and in special art studies. Our art curriculum was developed to provide students with an organized, well-balanced introduction to the world of art. In the same lesson, students learn specific art terms, concepts, and skills by combining art appreciation and production. For example, a new art element or principle is often introduced by teaching students to recognize and describe it in the environment and carefully select famous works of art that are clear examples of that concept or skill. Students are then asked to apply their new knowledge to a related art project. These assignments also allow ample room for exploration, creativity, and self-expression. Through this program, students learn how to create art and look at, understand, and appreciate art in the world around them.

Overdue/Lost Books: Students with an overdue book(s) of 60 days or more will no longer be allowed to check out additional library books. The overdue book must be returned, replaced, or paid for if they wish to resume-library privileges. If a student has not returned or paid for a book by the end of the year, s/he will not be allowed to check out books the following school year.

Title I: Students who are not making the expected progress at their grade level may be offered help by (Federally funded) certified teaching staff. This program serves students needing additional reading comprehension support in grades K-5.

Special Education: Services are offered to all students who are determined, through testing, to be physically, emotionally, or academically impaired. Students receive help from specially certified teachers in direct service (individually or in small groups) or supplemental services. Parent decisions are an integral component of the services and programs offered.

Early Childhood Special Education: Children from birth through 5 years of age are identified through screening as needing early intervention. Once identified, licensed special education and speech teachers serve students through a preschool program.

Community Education: offers classes in languages, hobbies, crafts, and varied skills. These classes are offered after school, evenings, and throughout the summer. Please read the available Community Ed. for current offerings.

- **Connections:** an after-school program from 3:00 – 4:15 p.m. / 2 days a week that offers extra help to students in grades K-5 / October through April. Students also have an opportunity to receive assistance in developing their math fact skills with a math program scheduled before school (7:30 a.m.) each day / from October through May.
 - **Kid's Company** offers pre and after-school child care for children in grades K-5.
 - **Kurious Kids Preschool:** an early childhood program designed to promote a child's physical, social, emotional, and cognitive growth. This program fosters curiosity, self-esteem, cooperation, creativity, learning, and fun.
- * **Contact Community Education for more information about any of these programs.**

Student Support Services: Central Elementary has a licensed School Nurse, a School Counselor, and a School Psychologist. This is important for our students' health, education, and special needs. In addition, they can serve as a resource to staff, students, and families in these areas and the areas of abuse, dependency, family life education, testing, truancy/absences, ill health, and injuries.

To assist all of our students in reaching their full potential and maintaining their learning opportunities, we offer a full complement of supplemental and direct service programs to students with various physical, social, emotional, and intellectual needs.

STUDENT ASSESSMENT AND PROGRESS REPORTING

Reporting/Testing: Students in grades 3, 4, and 5 will take the M.N. Comprehensives Tests in April. In addition, students in grades 1-5 will take the Fast Assessment quarterly. The testing results will provide a general assessment of individual student achievement. Data will also report comparisons with state and national averages and indicate the amount of growth our students make. This will help identify successes and needs in curricular areas. In addition, parents may request to look at any material in their child/ren's cumulative record folder. Test results by grade level may also be shared publicly. In addition, student progress is shared with parents at a parent-teacher conference in October and February (see calendar page).

Conferences: Grades K-5 will have parent-teacher conferences in the fall on October 12 and 16 from 3:30-8:00 p.m. Conferences will be held again on February 1 and 5 from 3:30 – 8:00 p.m. Parents or

guardians will visit their child/ren's teacher(s) for a conference at a scheduled time. This will allow the parents and teachers to monitor students' learning and share information. Teachers may call parents/guardians for other conferences, and parents may also request a meeting at any time to discuss their child's progress in school.

Student Record Information: The school district recognizes its responsibility concerning the collection, maintenance, and dissemination of pupil records and the protection of the privacy rights of students as provided in federal law and state statutes.

Student records contain the following information:

- Student's name
- Address
- Telephone number
- Date of birth
- Attendance

Identifying information on a student's religion, race, color, or nationality is omitted.

- The above information shall be public information the school district may disclose from a student's education records.
- Should the parent or the student desire, any or all of the listed information will not be disclosed without the parent's prior written consent except to school officials as provided under federal law.
- To make any or all of the directory information listed above "private" (i.e., subject to consent before disclosure), the parent must make a written request to the building principal within thirty (30) days after the date of the last publication of this notice.

This written request must include the following information:

1. Name of Student
2. Home Address
3. Parent legal relationship to student (if applicable)
4. Specific directory information should not be made public without the parent's prior written consent.

SCHOOL PROCEDURES

Pledge of Allegiance: Elementary students are taught the "Pledge of Allegiance" and flag courtesy. Students begin each day reciting the pledge of allegiance. Anyone who does not wish to participate in reciting the pledge of allegiance for personal reasons may elect not to do so; however, students must respect another person's right to make that choice.

M.N. Statute 121A.11

School Athletic Events: Elementary students may purchase a student activity pass for \$40. This pass is suitable for all school sporting events for the 2022-2023 school year - excluding tournament events. Students will be charged the regular admission fee (\$4.00) if they do not have a pass. Students are expected to display appropriate behavior at all school events.

Classroom Placement: Professional staff members are responsible for forming appropriate instructional groups that reflect students' needs. We aim to create balanced groups to enable every child to achieve the school's educational goals. Parents/guardians may provide information to assist the school in this process. Examples include

- Learning styles (such as interests at home, preference for specific kinds of activities, and interactions with other children, etc.).
- Type of learning environment that is most helpful (less structured, more structured, etc.).
- Unique personality traits of the child (compassionate, talkative, quiet, etc.).
- Specific needs (hearing, vision, speech, etc.)
- Any other relevant information.
- Specific names of staff should not be listed.

The school will attempt to honor this request in the best interest of your child and within the educational program philosophy of the district. The school cannot, however, guarantee the honoring of specific parent/guardian requests.

Input forms are available to all parents/guardians during the spring of the year to allow a scheduling process to make out class lists. Parents/guardians having specific questions should contact the building principal.

School Closing: The school will be in session except as indicated on the calendar. When school is to be closed early or canceled because of an emergency or the weather, the official announcement will be made over radio station 830 AM – W.C.C.O. as well as through local television stations. The district office will also send a courtesy call to all contacts provided. Would you please make arrangements for your child(ren) in advance? This way, your child will know where to go if school should be dismissed due to an emergency or severe weather.

Use of the Telephone: Students must get the teacher's permission to use the school phone. **Approval** will be granted only in cases of emergencies. Phone use will not be permitted for such things as arranging to go home with a friend after school. We would appreciate it if parents would ensure their child/ren has homework, band instruments, lunch money, etc., and know where to go after school before leaving home in the morning.

Cell Phones: Cell phones are **not** allowed during the day. If a student brings a cell phone to school, it is NOT to be used during the school day hours (8:00 – 3:00 p.m.) The phone will be kept in the child's school bag and turned off.

Friends: No school-age friends can visit more than one school day yearly. Prior approval from the principal is required. Visitations during the first or last two weeks of school are discouraged.

Pets: We know pets are essential to our families, and students are excited to share them with their classmates and teachers. Because of allergies and student fears, we do not allow them to visit our classrooms. We do, however, encourage students to share pictures and stories.

Student's Personal Property at School: Students are discouraged from bringing valuable or excessive personal property from home. This includes electronic games, toys, cell phones, etc. These items may be disruptive both on the bus and in the building. There is no provision to ensure their safety.

The school district's policy is that students shall be responsible for their personal property. Therefore, neither the school district nor its employees shall be liable for ensuring a student's property security.

- Central Elementary students cannot *buy, sell, or trade* items on the school bus or property.

Classroom Movies: (Movies, as used in this policy, shall mean full-length commercial movies or made-for-T.V. movies but shall not include educational films whose function is to inform.)

Teachers utilize movies in their classrooms to support and supplement their instruction. To ensure that these movies are not offensive, they are evaluated based on their ratings, age appropriateness, and recommendation. Therefore, no "R" or "PG-13" films will be shown.

- A parent or student may request that the student be excused from viewing any movie. However, the student's grade will not be affected in any way, and the teacher shall ensure that the student will not be embarrassed or discriminated against because they choose not to view a film.

Care of Textbooks/Materials: Materials, such as books and equipment, are the property of the School District. Students use these books on a loan basis. They are responsible for the care and use of the materials. Textbooks and library books will be examined at the end of the school year for damage in the following areas:

- writing in books
- damaged binding
- torn pages
- water damage
- missing pages
- etc.

Upon identification of damage, the student will be responsible for its correction. If the damage to the book cannot be corrected, the student will be required to make restitution. Fines will be based on the following schedule.

Books with two or more missing pages, mutilated or lost.

- **1st year of use:** 100% of the cost
- **2nd year of use:** 75% of the cost
- **3rd year of use:** 50% of the cost
- **4th year +:** 50% of the cost (if the book is still used in the classroom or library)

Classroom Treats: On occasion, students bring treats to their classrooms. Due to health concerns and policies, the District asks that only commercially prepared and packaged food be brought to school (no homemade goodies!). In addition, treats containing peanut oil, peanut butter, or nuts are not advised due to students' allergies. This will ensure safe and healthy snacks. Thank you for your cooperation.

Snack Lists: Students may eat healthy snacks brought from home with milk breaks. Healthy snacks are fruits, vegetables, crackers, cheese, etc. Items with high sugar or salt content should be discouraged. These guidelines are part of the school health curriculum to familiarize students with healthy snacks vs. junk foods. The cooperation of each family and classroom is appreciated.

Acceptable snack examples:

Popcorn

Cheese and Crackers

Banana or Date Bread

Sandwich	Unsweetened Cereal	Fruit
Vegetables	Cheese Sticks	Juice (Pure Fruit Juice – Not 10%)
Beef Jerky	Crackers	Graham Crackers
Cold Meats	Muffins	Pretzels
Raisins		

Unacceptable snack examples:

Cookies/Pudding	Cake	Potato Chips
Cheese Balls	Rice Krispie Bars	Marshmallows
Twinkies or any kind of Snack Cake	Kool-Aid or Pop	Peanuts (Due to allergies)

Appropriate Dress: We ask that students dress appropriately - considering the weather and school program. Rain or snow gear (boots/caps/mittens) should be worn to maintain good health when the weather is inclement. In addition, shirts and caps with inappropriate language are not permitted in school or at school events. Finally, students are not allowed to wear hats inside the building. They should be removed when the student enters the building.

Students play outside before school from 7:45-8:00 a.m. and at noontime. Supervision is provided. When the weather is inclement, students stay inside the building. Inclement weather is rain, snow, temperature, or wind chill below zero. Would you please try to have your child dressed according to weather conditions?

Primary teachers require the marking of a child's boots. This saves time and confusion since many students wear the same type and color. Some students also have trouble recognizing lost items. To encourage wise decision-making in chemical use by students, it is inappropriate to wear clothing promoting alcohol, tobacco, or other chemicals. Students wearing such clothing will be asked to change or sent home.

Noon Recess: will be held outdoors unless the weather is inclement. When it is raining, or the temperature is too cold, noon recess will be conducted in the atrium. If a child is recuperating from an illness and a parent/guardian wishes to have them stay inside, please indicate this by sending a doctor's note with your child. All children will play outdoors ***unless they bring a doctor's note***. Be sure your child/ren is appropriately dressed in cold weather (boots, mittens, scarves, caps, warm jackets, etc.).

Background Checks: According to Minnesota Statute, Central Schools administer a background check for all new employees. In addition, all volunteer coaches and advisors are subject to a background check.

PARENTAL INVOLVEMENT

Parent-Teacher Association (P.T.A.):

Mission: The Central Elementary School Parent-Teacher Association is committed to engaging and connecting students, families, staff, and the community to work together to enhance and enrich student educational experiences.

The P.T.A. consists of any interested parents/guardians from families whose children attend Central Schools.

The P.T.A. meeting schedule is available on the Central Elementary School calendar located on the website.

Central Elementary Volunteers: Volunteers play a crucial role at Central Elementary. They assist classroom teachers and specialists in many areas. If you have some extra time and would like to share it with our school, please contact the elementary office (952/467-7300).

School Visitors (Parents, Volunteers, & Friends): Parents are encouraged to actively participate in their child's education and visit the school frequently. However, all people entering our building must report to the elementary office to sign in and pick up a visitor's badge before entering any classroom. After your visit, please sign out in the office. If a student leaves school before the end of the day, an adult must sign the student out. Staff members will ask anyone not wearing a Visitor's badge to report to the office. Everyone is to enter the building at the main front entrance. All other doors are locked. We hope that any inconvenience this may cause will be offset by knowing that your child's safety is our primary concern.

NOTE: *Only parents/guardians will be allowed to visit a child or pick a child up from school unless the parent/guardian has given specific permission.*

BUS RULES AND PROCEDURES

The District provides transportation for all students in Central Elementary. Bus stops are published in the Norwood Times before the start of the school year. Any student who wishes to get off at a stop other than their regular bus stop must have **written** permission. If your child is bringing friends home on the bus (3 or more), prior approval must be obtained from the bus driver. If you have any questions about busing, please call Luke Wolter at 467-7009 between 8:00-11:00 a.m. Students receive instruction in Bus Safety in the fall of the year.

NOTE: If your child does not ride a bus to school, they **SHOULD NOT ARRIVE BEFORE 7:45 A.M.** *School supervision does not begin until 7:45 A.M.* Please ensure your child arrives promptly. **The school day will start at 8:00 A.M. and end at 8:06.**

Expectations of students riding the bus:

Bus Rules are as follows:

1. The driver is in full charge of the bus and pupils.
2. No inappropriate language will be allowed on the bus at anytime.
3. Students are to remain seated while the bus is in motion.
4. All objects are to remain on the bus at all times.
5. Students may not leave the bus except at their assigned bus stop or school without prior approval and the bus driver's knowledge.

6. Prior approval should be obtained from the bus driver if your child brings friends home on the bus (more than 3).

Students in all grades of the Central Public Schools are expected to obey and follow the rules listed above.

Violations of these rules typically will be dealt with using the following guideline (administrator discretion will be used):

1st Offense: The first note is only a **WARNING** that the bus violation has occurred. This note must be signed and returned to the bus driver for the student to ride the bus the following morning.

2nd Offense: The second note will bring **DISCIPLINARY ACTION** resulting in the suspension of bus riding privileges. Parents must contact the Transportation Director (467-7009) to see if a solution to the problem can be reached. If no contact is made, the student cannot ride the bus.

3rd Offense: The third note will result in **SUSPENSION** from riding the bus. The parents or guardian must meet with the Transportation Director if the student is to be allowed to ride the bus after the suspension period. Then, only if proper corrective measures have been worked out will the student be allowed to ride the bus again.

4th Offense: The fourth note will suspend riding privileges for the remainder of the semester.

HEALTH SERVICES

The goal of the Health Services Program is to promote a high level of wellness in school-age children in the areas of physical and social-emotional health. Formal screening programs identify specific problems in vision, hearing, and scoliosis. As these and other health problems are detected, a referral for medical care is made. The Health Services Program's philosophy strongly emphasizes health education and preventive health care. Health services staff the elementary, middle, and high school with a full-time licensed school nurse.

Health Records: Students must have an individual health record in the Nurse's Office. It contains a cumulative health history, screening results, and immunization history. Parents are expected to keep Health Services informed of current or chronic medical problems (that could affect the student's comfort and ability to learn) and medications, even if not administered at school. A complete physical exam is recommended but not required before school entrance.

Early Childhood Screening: All kindergarten and first-grade children must have a Health and Developmental Screening. If your child has not been screened, contact the Elementary Office. **Screening must be completed before your child will be allowed to attend classes. There are no exemptions.**

Immunizations: Minnesota state law requires parents of all students to present proof that all immunizations are up-to-date at the time of school entrance. Students not meeting the minimum requirements may be excluded from school. However, students can be exempt based on conscientious objection, with a parent's signature and a licensed notary's signature on the conscientious objection form.

Immunizations should be updated BEFORE school entrance by your family physician or through Carver County Public Health Services (442-4493).

General Health: To do good work in school, a child requires regular rest and sleep. The amount of sleep needed for a student to be alert and learn would discourage late-night television or late, away-from-home activities. Students may be excused to keep a dental or doctor appointment during the school day, if necessary, but it is better to schedule visits during vacation, workshop days, etc.

Emergency Care: Emergency care is provided to students who experience illness or injury at school.

Emergency Forms: At the beginning of each school year, parents must complete the Student Emergency Form, which provides **up-to-date emergency phone numbers** and medical information. It is the parent's/guardian's responsibility to notify the school of any change of address, telephone number, or emergency numbers. Parents are also asked to complete a Health History form. This provides additional health information necessary for making judgments in emergencies.

Injury: In the case of an injury or medical emergency, the school will attempt to notify the parents first when possible. In a medical emergency, the local emergency system will be used. The student will be transported to Waconia Ridgeview Hospital or the nearest emergency facility via ambulance at the parent's expense. Student Emergency Forms will be sent to the emergency facility with the student when the parent cannot meet or accompany the student.

Illness: In the case of illness, the school will contact the parent at home or work. The parent will be expected to pick up the child or make arrangements for someone else to do so promptly. If the school cannot contact the parent, the person identified as a contact on the student's Emergency Form will be contacted. Parents should ensure that the emergency contact has agreed to assume this responsibility, is available, and has transportation. The parents of each student must establish a workable emergency plan. If the family physician, parent/guardian, or emergency contacts cannot be reached in an emergency, "911" will be called, or the student will be transported to the nearest hospital.

Exclusions for Illness: Children will be excluded from school when they demonstrate any of the following symptoms:

- oral temperature over 100 F
- undiagnosed rash
- vomiting
- breathing difficulties
- diarrhea
- pink eye with fever

Re-admittance to School: Health Services should be notified of any communicable diseases and treatment to assure control in other students. Readmission to school for the following communicable diseases shall be:

- Chickenpox - all lesions are dry and crusted (5-7 days)
- Impetigo - at least 24 hours after the start of medication and sores are drying or improving
 - If there is no improvement in 48 hours, the child should be reassessed by a physician.
- Hepatitis - physician statement required for re-admittance.
- Strep Throat – until 12 hours after antibiotic treatment begins and the child is without fever
- Ringworm of scalp and skin - following treatment with fungicide.

- Hand, Foot, and Mouth Disease- until the fever is gone and the child is well enough to participate in routine activities

Excusing Students from Physical Education: All students must take physical education through the 10th grade. Following an injury or illness, physician's orders are needed for any student to be excused from physical education classes for more than one day.

Medications: In accordance with the Minnesota Department of Health's recommendations, the school WILL NOT provide any medications (including aspirin). Prescription medications will be administered under these circumstances:

1. A signature accompanies medication from a parent/guardian authorizing school personnel to comply with the physician's order. (Physician's written order preferred) A current written physician's order must be received for all controlled medications, i.e., A.D.D. or A.D.H.D. Written notification must include:
 - Student's name
 - dosage and route of administration
 - name of medication
 - the termination date for administration
 - time of administration
 - reason medication is needed
 - possible side effects
2. Medication should only be brought to school in a container labeled by the pharmacy. The pharmacy should divide medication for home and school into two bottles with proper labels to avoid transporting medication daily. The label should include the following information:
 - name of physician
 - name of medication
 - child's name
 - directions for use
 - name/telephone number of pharmacy
 - date of issue or renewal
3. Parents are encouraged to bring medication (especially controlled substances such as A.D.D.) to the school nurse's office or the principal's office for their child's and other students' health and safety. However, if parents cannot bring the medication to school, they should contact the school nurse to set up an alternative plan.
4. Non-prescription medications (Tylenol, cough syrup, antihistamines, etc.) must be sent in the original container. Non-prescription medications will be given for a maximum of 5 days with parental permission. After that time, orders from a physician will be required. For example, aspirin will not be given without a doctor's order. A Medication Authorization Form must be completed and signed, or medication WILL NOT be given in school. It should be accompanied by specific instructions from the parent regarding when the medication will be delivered.

When suspected health problems are detected, a referral for a medical evaluation is made. Parents should contact the School Nurse at 467-7110 if financial assistance with medical care is needed.

Health Education and Consultation: Health Services personnel will attempt to make every Health Service activity an educational experience for the child, parents, and teacher. Because of our commitment to preventive health care, we work closely with the classroom teacher to provide health education. FOOD SERVICE

Breakfast: Central Elementary will be offering breakfast at school this year. Breakfast will be served:

7:20 – 7:40 a.m. for children attending Kids Company

7:40 – 8:00 a.m. for all other students

The cost of breakfast will be \$1.45 for students on regular lunch. Breakfast will be *free* for students who are generally on Free and/or Reduced Lunches and students enrolled in kindergarten.

Lunch Program:

Taher Inc provides lunch and breakfast to our students in the Central Public Schools. They aim to provide a healthy, tasty, reasonably priced breakfast and lunch option.

Lunch account balances are kept for each family, and students are given a unique student number to deduct the appropriate amount from their family account. Computer software monitors account balances, and balance amounts can be checked through the Parent Portal. Students can add to their account balances by bringing money to the kitchen between 8:00-8:30 a.m. This money is credited to their lunch account within the next business day. Checks should be made payable to ***CENTRAL PUBLIC SCHOOLS***. Prices for school lunch are as follows:

Regular lunch: \$2.75

Milk/Juice: \$0.75

If you feel your child would qualify for free or reduced lunch, you must fill out the appropriate form (which can be found in the District Newsletter, sent out to all District residents at the end of August). Forms can also be obtained in the District Office. The completed form is to be returned to the Superintendent's Office. Students must pay for their lunch until the Superintendent's Office notifies the elementary office that they have qualified for free or reduced lunches.

It would help if you planned to send money with your child on the first day of school to be deposited in their account. We recommend you send at least ten days' worth of lunch money (\$23.00) and/or milk money (\$4.50) and then habitually add it to the account consistently. We ask that money be placed in a sealed envelope with the student's name and grade printed on the front.

When a student's account falls below \$10.00, an e-mail and text will be sent.

Lunch Schedule:

- Grade K: 11:00 a.m.
- Grade 1: 11:30 a.m.
- Grade 2: 11:20 a.m.
- Grade 3: 12:00 p.m.

- Grade 4: 12:10 p.m.
- Grade 5: 12:20 p.m.

Milk/Juice: Milk or juice can be purchased for milk break at \$40 a semester. (Kindergarten students can receive free milk for their break. If they prefer to have juice, they will have to pay the semester rate.) If your child has milk or juice for the break, the money must be paid annually or at the beginning of each semester. Students on free or reduced lunches must pay for milk or juice if they wish to have it for a break or with their bag lunch.

Snack: Snacks can be purchased at \$25 a semester for a snack break or brought from home. If your child has a school snack, the money must be paid annually or at the beginning of each semester. Students on free or reduced lunches must pay for snacks if they wish to have them for the break.

If you have questions regarding your child's lunch account, please contact Taher, Inc. at 467-7349.

STUDENT DISCIPLINE

Roles and Responsibilities Related to Student Behavior and Discipline

Students: Students are responsible for how their rights are exercised and for not violating the rights of others and must accept the consequences of any actions they take that are outside the boundaries of their rights or that violate the rights of others.

Parents and Guardians: Parents and Guardians are legally responsible for their children's behavior as determined by the law and community practice. They are expected to promote their child's self-discipline and educational progress and discourage their children from disrupting the school's educational program.

Parents and guardians are responsible for ensuring that their children attend school regularly and supporting district and school policies, regulations, and rules. In addition, parents and guardians are expected to notify the school through a telephone call or written note whenever their children will be absent because of illness, a medical appointment, or other excused absences.

Since cooperation between parents and guardians and school staff is essential in helping students work to the best of their ability and have a good school experience, parents and guardians are responsible for helping maintain communication with the school by participating in school-community activities such as orientation events and parent-teacher conferences and to bring questions and matters of concern to the attention of the teacher, principal or appropriate staff member.

Board of Education: The Board of Education sets policies for the District. It manages and controls the school district acting through the superintendent. The School Board holds school employees responsible for supervising student behavior and student safety while the students are legally under school supervision. It has the authority to expel and exclude students from school. The Board of Education is an avenue of appeal for parents and students who have appealed their concerns through the appropriate channels.

Superintendent: The superintendent establishes necessary regulations, rules, and procedures to efficiently implement Board of Education policies relating to standards of student behavior, is responsible to the Board for discipline in the schools, gives support to principals and staff, as needed; keeps the Board informed about serious behavior problems in the school and assistance which has been given principals in correcting such issues and recommends student expulsion and exclusion to the Board of Education. The superintendent is also an avenue of appeal for parents and students who have appealed their concerns through the appropriate channels.

Principals: Principals are responsible to the superintendent for effectively implementing administrative regulations, rules, and procedures on student behavior in support of board policy, and for the total operation of the school, within the framework of rules and procedures established by the superintendent.

Principals are responsible for providing the best possible education by creating and maintaining an atmosphere conducive to learning, respecting all students, parents, and staff, and effectively communicating with staff, parents, students, and the community.

Principals have the responsibility and authority to formulate, establish, and implement fair and objective rules and regulations that govern students' conduct for the school, consistent with state statutes, board of education policies, and administrative management. The principal will discuss rules and rights with the instructional staff before the beginning of each new school year and with new instructional staff when they are hired.

Principals have the authority to suspend students, consistent with the Pupil Fair Dismissal Act guidelines, for failure to comply with district and school policies, regulations, and rules. In addition, principals may recommend excluding or expelling a student to the superintendent.

Teachers: Teachers are responsible to the principal for effectively implementing administrative regulations, rules, and procedures on student behavior in support of board policy, for knowing school and district regulations, rules, and procedures on student behavior, and for making sure that all students are informed of the standards of conduct required by the teacher, the school and the district. Teachers are responsible for providing the best possible education by creating and maintaining an atmosphere conducive to learning, respecting all students, parents, and staff as individuals, and effectively communicating with staff, parents, students, and the community.

Teachers have the authority to use such reasonable measures as are necessary to maintain student control in school buildings, on school grounds. At school events, including removal of a student for up to three class periods, consultation with the principal, denying a student certain classroom privileges, assigning a student extra classroom obligations, giving a student particular tasks related to the misbehavior, and requesting a parent conference.

Teachers are responsible for recording and reporting severe behavior problems to a school administrator and referring a student to a school administrator if the teacher's efforts to resolve the behavior problem are unsuccessful.

Other School District Personnel: All school district personnel shall contribute to the atmosphere of mutual respect within the school. Their responsibilities relating to student behavior shall be as authorized and directed by the superintendent. A school employee, school bus driver, or another agent of a school district in exercising their lawful authority, may use reasonable force when it is necessary under the circumstances to restrain a student or prevent bodily harm or death to another.

REMOVAL OF A STUDENT FROM CLASS

Teachers are responsible for modifying disruptive student behavior by conferring with the student, using positive reinforcement, assigning detention or other consequences, or contacting the student's parents. When such measures fail or the teacher determines it is otherwise inappropriate, based on the student's conduct, the teacher shall have the authority to remove the student from the classroom according to the procedures established by this discipline policy. "Removal from Class" and "removal" mean any actions taken by a teacher, principal, or other school district employee to prohibit a student from attending a class for a period of time not to exceed five (5) days, according to this discipline policy.

Grounds for removal from class shall include any of the following:

Responsibility for and Custody of a Student Removed from class:

1. Any student removed from class must report to the office immediately.

3. The student will complete assigned work While in the office for removal from class. Teachers will have work available for the student during this time.
4. While the student is removed from class, the principal/designee will be in charge of the student.

Procedure for Student to Return to Class:

If the student has been removed for 1 or 2 days, the student, teacher, and principal will meet to discuss a readmission plan. If the student has been removed for 3-5 days, the student, parent, teacher, and principal must meet to discuss a readmission plan.

Procedures for Notification:

1. At the beginning of each school year, all students receive the Parent/Student Handbook, which explains the rules of conduct and associated procedures. In addition, during the year, disciplinary notices, phone calls, and letters will be used to contact parents about violations.
2. Any violation that results in a student being removed from class will result in the parent being notified by the teacher and principal/designee.

Disabled Students – Special Provisions

Any consideration as to whether there is a need to review procedures for assessment, current I.E.P.'s, or appropriate referral of a student in need of special education services will be done by the school's Student Assistance Team (S.A.T.). Any parent or staff member may make referrals to the S.A.T. for child study to determine appropriate services.

DISCIPLINE PLAN

Statement of Purpose: Every child has a right to a climate conducive to learning. The school's discipline plan is intended to be fair and equitable for all children. The plan will be viewed as a tool that seeks to maximize student growth and nurture each student's healthy self-respect. All of us - parents, students, and school staff - must share the responsibility of working toward this belief.

Student Expectations:

Listed below are the five main student expectations. The specific behavior related to each expectation will be discussed with students periodically by the school's staff.

- 1) Positive words and actions
- 2) Responsibility for self
- 3) Integrity and honor
- 4) Display self-control
- 5) Excellence in everything

Principal Involvement: The principal shall be involved with a student's positive or negative behavior upon conferring with the classroom teacher.

Distribution of Policy: The school district will notify students and parents of the existence and contents of this policy in such a manner as it deems appropriate. Copies of this discipline policy shall be made available to all students and parents at the commencement of each school year and all new students and parents upon enrollment. This policy shall also be available upon request in each principal's office.

Overview: The consequences for misbehavior described on the following pages are designed to be fair, firm, and consistent for all students. They apply to students in any school or other district building, district property, district vehicles, and school or district events. (District vehicles are defined as school buses and vans owned or leased by the school district, and cars and other vehicles owned by district staff and authorized by the district for transporting students.)

Student Behavior Expectations: Please read and discuss this information with your child. A Positive Behavior Intervention and Support Plan was developed per District Policy 108: Student Discipline. The purpose of this plan is to ensure that students are aware of and comply with the school district's expectations for student conduct. At Central Elementary School, we have high expectations for our community and call it "Raider Pride." We need a positive, safe, and orderly school for learning to thrive. School is a social setting in which students learn individual and group responsibilities. Students learn to make decisions about their behaviors. Clear expectations help students know appropriate behaviors for school and other public places. This includes halls, bathrooms, playground, cafeteria, and bus. Proper behavior is expected everywhere on school property as well as on the bus.

Central Elementary School has two types of Behavior Management tools in use. They are as follows:

Fix-It Ticket: All staff members may use this slip to help alleviate what constitutes "minor" behavior problems. Staff will give 1 – 2 verbal warnings about appropriate behavior choices. A "Fix It Ticket" will be issued after the warnings. The homeroom teacher and parents will document Fix-It Ticket offenses will be notified after the third offense.

Office Referrals: After the 3rd Fix-It Ticket in a month or if more serious behavior occurs, it will result in an office referral. A student may be sent to the office for hitting, kicking, pushing/shoving, stealing, swearing, or any other behavior deemed inappropriate or dangerous to themselves or others.

The following process will take place if this happens;

- 1) An office referral slip will be generated by the appropriate staff.
- 2) The student is called to the office to discuss the behavior with the administrator.
- 3) One or more of the following steps are then taken:
 - The administrator calls the parent and explains the behavior.
 - The student calls the parent and explains the behavior.
 - A parent conference is required

Suspension/Expulsion: A student may be suspended or expelled depending upon the severity of the situation, on the following grounds:

- 1) Willful violation of any reasonable school regulation
- 2) Willful conduct which disrupts the rights of others
- 3) Willful conduct which endangers the student or others or property

The school supports the terms of The Pupil Fair Dismissal Act of 1974.

Severe Clause: More severe Behaviors (i.e., when the student's behavior endangers themselves or others, or chronic repeat offenders) may require further action. The actions we have in place are the following:

- In-School Suspension.
- After School Detention (parent or guardian will be responsible for picking the student up after detention).
- Out of School Suspension (followed by a Re-entry Meeting).

District Policies and Guidelines

*A complete District Policy Manual can be found in the District Office or the Central Elementary Principal's Office.

Bullying/Cyberbullying

For purposes of this policy, the definitions included in this section are derived from Minnesota State Statute. For a complete copy of this policy, contact the district office.

"Bullying" means intimidating, threatening, abusive, or harmful conduct that is objectively offensive and:

1. there is an actual or perceived imbalance of power between the student engaging in prohibited conduct and the target of the behavior, and the conduct is repeated or forms a pattern; or
2. materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges.

"Cyberbullying" means bullying using technology or other electronic communication, including, but not limited to, a transfer of a sign, signal, writing, image, sound, or data, including a post on a social network Internet Web site or forum, transmitted through a computer, cell phone, or other electronic devices, that causes a substantial disruption to the educational environment at Central Public Schools.

ATTENDANCE REGULATIONS / POLICY

Enrollment: Under the existing school policy, a child must be five years of age before September 1st of the current school year to be enrolled in Kindergarten. A child must be six years of age before September 1st of the current school year to register in first grade.

Withdrawals: If you are moving out of the District, the school should be notified at least a week in advance to prepare the proper transfer of records and the child's supplies collected before the transfer. Parents are requested to sign a "Release of Records" form to transfer the records to the correct school.

Attendance: The Board of Education, administration, and faculty believe that all students should benefit from the educational opportunities, programs, and activities available at school. Minnesota state law and the Department of Education require daily attendance. The student's obligation for regular and continuous attendance is the joint responsibility of the parent, the student, and the school. If attendance is irregular, the student loses the benefits of constant instruction, allowing for steady and meaningful growth.

All students at Central Elementary School will be expected to be diligent and punctual in their attendance. All students will be held accountable for missed days of school. Students in our elementary school will be considered absent for a half-day if they arrive after 9:00 a.m. or leave before 2:00 p.m. Classes for grades K-5 will start at 8:05 a.m. and end at 2:45 p.m.

If your child is picked up during the day, it is the person's responsibility to pick up the child to sign them out in the office. Likewise, when a student returns to school or arrives late, they sign in at the office and give the classroom teacher their tardy slip when returning to class. The policy provided herein shall apply to individual class attendance.

Absence Reporting Procedure: When an absence is necessary, the parent/guardian should notify the school by 8:30 a.m. stating the reason for the student's absence. Our Attendance Line (467-7304) is available 24 hours a day for your convenience. Contact the office if there are extenuating circumstances. Parents will be

required to write an excuse when a student returns to school or send a doctor's note if the student has been absent for more than three days due to an illness. A reason for absence must be given to determine if the absence is excused.

Make-up Work: If your child is absent for a day, make-up work will be taken care of upon return to school. If the absence is for a more extended period, we suggest that a parent calls for the make-up work before or after school. Two days will be allowed for the completion of make-up work unless the classroom teacher provides an extension.

General Statement of Policy:

Responsibilities:

1. **Student's Responsibility**
It is the student's right to be in school. 3. **Teacher's Responsibility**
The teacher's responsibility is to take daily attendance and maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and apply them uniformly. It is also the teacher's responsibility to provide any student who has been absent with any missed assignments upon request. Finally, the teacher's responsibility is to work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.

 - b. In accordance with the regulations of the Minnesota Compulsory Instruction Law, Minn. Stat. 120A.22, the students of the school district are **REQUIRED** to attend all assigned classes and/or study halls every day school is in session unless the school board has excused the student from attendance because the student has already completed the state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

5. Truant absence is any absence of part or all of one or more days from school during which the school secretary, principal, or teacher has not been notified of the reason for the student's absence by a parent or guardian.

Tardy Procedure: Students are expected to be in their classroom at the beginning of the day. Failure to do so constitutes tardiness. Families will receive a letter from the school reminding them of the importance of being at school on time if/when tardiness becomes a pattern.

Communications & Enforcement: The principal will review student attendance records monthly or at the teacher's request.

1. Upon a student's absence of 3 consecutive days, the school nurse will contact the parent/guardian to review with the parent the reason for such absence.
2. When a student's unexcused absenteeism reaches three days, a letter will be sent to the family.
3. When the student's unexcused absenteeism reaches seven days, the student and family will be referred to the Carver County Social Services for truancy referral.

Section 7. Pupil Fair Dismissal Act: All school personnel will abide by the "Pupil Fair Dismissal Act" of 1974, M.S. 127.26-127.39, which is in keeping with the due process for students.

2022-2023 HANDBOOK CHANGES

High School Handbook Change Proposal:

Page 24: Strike Current Language around open study skills.

Study Skills for Seniors

1. Seniors who have a study hall during 1st or 7th period and are in good academic standing may be excused by a parent (unless the student is 18). Students should sign in/out at the HS main office. Good academic standing is defined as:
 - a. On track to graduate.
 - b. No unexcused absences.
 - c. No more than six (6) absences from any classes.
 - d. No excessive unexcused tardies (no more than 3 in a quarter).
 - e. All detention hours made up.
2. Seniors who are enrolled in a study skills class during periods 2-6 are expected to report to the assigned classroom where attendance shall be taken.
3. To the extent possible, we want students to be in school all day every day. We believe this is best for students and for the culture/climate of the school. However, there are exceptions: Students who are in PSEO (Post-Secondary Enrollment Options) or OJT (On the Job Training) may leave school during the periods these are assigned. These students must sign in/out at the high school main office.
4. Starting in the 23-24 school year, a student enrolled in a Plato/Edmentum class anytime throughout the school day must attend their assigned study skills class where attendance will be taken.

Activities Change Proposal

1. As it relates to grades, a student must have no failing grades in any class at the end of each grading period (quarter in Middle School/semester in High School) in order to be

eligible to participate. Following confirmation of an academic violation, the student shall lose eligibility for the next two (2) consecutive interscholastic contests or two (2) weeks of a season ***in the next grading period***, for which the student is a participant, whichever is greater. Students with Individual Education Plans (IEPs) who are meeting goals and objectives of their program will be eligible to participate in any and all activities.

Exceptions

- a. Due to shortened length of Football, Knowledge Bowl, Speech, and FFA seasons and the number of games/events, the academic violation consequence will be one week or one event whichever is greater
 - b. Wrestling triangular or tournament will serve as 2 events.
2. Throughout the term, a student must maintain passing grades (D- or above) in all his/her courses.
 - a. Grades will be checked bi-weekly. Any student with a failing grade will have one week to raise it. A failing grade beyond one week will result in loss of eligibility for all events until the grade is raised to a passing level.
3. Students must participate and be in good standings the entire season to fulfill academic and MSHSL violations.
4. Any student that has an academic or MSHSL violation is not eligible to leave early with their team.
