Project: JP 34318(05), STP-241C(121)RW, Lincoln County, Parcel(s) 9

A highway project has been planned for construction in your area. The project will require that the Oklahoma Department of Transportation purchase property which you own or in which you have an interest. Our agent will show you the plans on this project which will depict the area needed for right-of-way purposes. Also attached to this letter, you will find a form which shows what is to be acquired and what is not to be acquired. The agent presenting this letter will explain the project and its effect upon you and your property and is making an offer to buy right-of-way from you in the name of the State of Oklahoma. Our offer is as follows:

To buy land and improvements, the offer is ~~\$41,600.00~~ **Settlement: \$41,600.00 Plus ODOT to fence 266LF of Field Fence** BC

Of the above amount, \$21,925.00 is for damages.

The agent making the offer is not authorized to change any of the amounts. If you do not wish to accept the offer, please read the brochure entitled "Property Rights" which describes condemnation proceedings and gives information about having the amount to be paid decided in a court of law.

If it is necessary for you to move any of your personal property, you will be given at least 90 days from the date shown below to clear the right-of-way. In the event you have a commercial business located within the proposed right-of-way to be acquired, you may be entitled to certain relocation benefits such as moving, re-establishment and search expenses.

Your consideration of our offer to buy your property will be appreciated.

Sincerely,

John E. Gallegos
