BOARD OF EDUCATION MEETING PUBLIC PARTICIPATION

The purpose of a Board meeting is for the Board to conduct the District's business and to deliberate and act upon matters before the Board unless the Board is specifically conducting a public forum. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public forum is being held for the purpose of receiving public input.

During portions of the Board's regular business meetings an opportunity shall be provided for members of the public to make comments regarding school related matters that appear as an action item on the posted agenda. To make such comments, members of the public are to complete the required form and submit it to the Clerk of the Board no less than 15 minutes before the meeting is called to order. Individuals or groups wishing to speak during the public comment period must provide the following information, in writing on the form provided, in order to speak before the board:

- Name of the individual;
- The agenda action item(s) the individual wishes to address;
- The organization the individual represents or is affiliated with, if applicable.

Persons addressing the Board during the "Public Comments" portion of a regular meeting Board meeting shall be allowed three (3) minutes to address the Board. If a group has requested to address the Board on a particular subject, the group will select one representative speaker for the group and will be allowed ten (10) minutes to speak collectively on behalf of the group's members. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. Generally, a maximum of fifteen (15) minutes will be allowed for the public comment period. If an extremely large number of requests to speak are received, the Board President may extend the total time limit for comments.

The District provides various grievance and complaint procedures for addressing concerns and complaints. Therefore, to avoid circumvention of those procedures and ensure fairness to all parties, no person will be allowed to place an item on the agenda or speak on the following matters:

1. Any issue involved in pending litigation or any investigation filed with an outside agency wherein the District, any employee, or the Board is a party;
2. Any pending grievances or complaints involving employees or students;
3. An employee disciplinary action, including suspension, demotion, non-reemployment or termination;
4. Any student suspension or appeal of a student suspension.

Persons addressing the Board shall not be permitted to engage in defamatory conduct or criticize individuals and shall not engage in disruptive behavior.

Board members and the District's administrative staff shall not respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly on the agenda as an action item or is properly considered new business as defined by law.

Testing Overview Featuring: DIBELS

(Dynamic Indicators of Basic Early Literacy Skills)

Kindergarten-3rd grade

What is the DIBELS test?

The DIBELS assessment is a series of one minute fluency measures designed to detect risk and monitor the development of early literacy and early reading skills.

At Oakdale, we use the DIBELS assessment in kindergarten through 3rd grade.

Students are tested three times a year: September, January & May.

Composite scores are tabulated into four categories:

- **Blue:** No risk, student is performing above grade level
- **Green:** No risk, student is performing on grade level
- **Yellow:** Moderate risk, student is somewhat below grade level, moderate intervention needed)
- **Red:** High risk (student is at least one grade level behind and in need of substantial intervention)

CONTESTING CANDIDACY

With regard to contesting the candidacy of a candidate, the following is the current status of the law in Oklahoma:

1. If there is more than one candidate for a position, any of the candidates may file a petition concerning the candidacy of another candidate.
2. If there is only one candidate, a protest contesting that individual's candidacy may be filed by any registered voter who is eligible to vote for the candidate.

A petition (to contest candidacy) must be filed by 5:00 p.m. on the second day following the close of the filing period. The petition must allege that the candidate was not qualified by law to be a candidate and must contain the reasons why the candidate was not qualified. Any reasons which do not appear on the face of the petition are deemed waived and cannot later be added.

The petition is to be filed with the Secretary of the County Election Board who accepted the declaration of candidacy. The contesting of candidacy requires a \$250 deposit.

Upon the filing of a petition, the secretary of the appropriate election board must set the matter for a hearing. The hearing cannot be held fewer than three (3) days from the filing of the petition.

It is the obligation of the petitioner to have the candidate served with a copy of the petition. The service must be made in person, where possible, within twenty-four (24) hours after the date and place of the hearing has been set by the county election board secretary. Service must be made by the Sheriff of the county of residence of the individual whose candidacy is being contested.

The petition may be heard without formal pleadings being filed in answer or reply to the contesting petition. The election board may serve subpoenas and compel the attendance of witnesses and production of evidence. At the conclusion of the hearing, the board shall render its decision and the vote of the individual members in writing. The decision of the board shall be final.

If the board determines that the candidate was not qualified, it may order the candidacy stricken and the individual's name shall not be placed on the ballot. If possible, the board may order the candidate to amend the declaration of candidacy to conform with law.

Should the candidate whose candidacy is being challenged desire to appear in answer to the contest, the candidate is required to deposit with the secretary of the election board a cashier's check or certified check in the same amount as that filed by the petitioner (\$250).

The burden of proof remains on the petitioner to sustain the allegations in the petition. Failure of the candidate to appear or answer shall be deemed default and shall constitute an admission of the allegation in the petition.

In the event the petitioner is successful, his deposit shall be returned to him and all costs of the hearing shall be deducted from the deposit of the candidate whose candidacy was contested. If the candidate does not appear or answer the costs shall be deducted from the deposit made by the petitioner and the balance, if any, shall be returned to the petitioner.

Mission Statement

Oakdale School's vision of success is to provide each student the opportunity to excel, to provide each educator the tools necessary to enable excellence, and to partner with our community to develop responsible citizens who have the ability to positively impact their world now and in the future.

Rationale

Oakdale School is committed to providing appropriate educational services in order to develop the potential gifts within each child. Identification Procedures

Identification and opportunities for placement of gifted students in gifted programming is an ongoing process extending from school entry in pre-kindergarten through grade eight. Procedures used in the identification process will be nondiscriminatory with respect to race, ethnicity, gender, economic background, national origin, sexual orientation, disability, gender identity or expression, and religion. Placement is made in programming options appropriate to the student's educational needs, interest, and abilities with parent/guardian approval. Identification procedures are uniformly implemented and communicated to the entire school staff via distribution of the current Gifted and Talented Policy. The Gifted and Talented Program district website will include but is not limited to the following information: District Gifted and Talented Education Plan, identification criteria and procedures and nomination forms.

Oakdale Public School will have a Gifted and Talented Site Committee consisting of classroom teacher(s), the Gifted Coordinator, administrator(s), parent(s), and other certified personnel. The committee will establish and review the schools' site plan, and only certified personnel will meet to review student records and nominations. After reviewing the criteria for Gifted and Talented identification and reviewing student nominations and records, the committee will make a decision regarding student placement in the Oakdale Gifted and Talented Program. Confidentiality procedures are followed in regard to records of placement decisions and data on all nominated students. Information about individual students obtained during the identification process, and records that may be useful for instruction will be shared with the appropriate members of the instructional staff, regardless of final placement. Records of placement decisions and data on all nominated students are kept on file for a minimum of five years or for as long as needed for educational decisions.

The Gifted and Talented Committee will review available program services and shall make appropriate service options available for individual identified students. Placement letters and documentation on how students qualified for the program are to be kept in the students' Gifted and Talented folder. A copy of the letter sent home and signed by parent(s)/guardian(s), which explains gifted educational programming offered to students, should be in the file as well. All files are to be kept by the Gifted and Talented Coordinator separate from cumulative folders.

Students placed in the Gifted and Talented Program will remain in the program for the student's entire educational experience in Oakdale Public School; therefore, once identified, an annual qualifying process is not required. Parent(s)/Guardian(s) may contact the Gifted Coordinator if they disagree with the Gifted and Talented Site Committee's decision. Further review will be done and parent(s)/guardian(s) will be informed of the results after the review and if still unsatisfied, a written appeal can be presented to the Gifted Coordinator.

Steps in the Identification Process

1. A nationally standardized school ability test shall be administered to all students in grades 2 and 5. For students in pre-kindergarten through grade 2 other evaluation mechanisms such as, but not limited to, teacher referrals will be utilized in lieu of standardized testing measures.
2. Oakdale Public School will utilize a variety of assessments appropriate to the child's skills and abilities and will make those available for any student who has been nominated for the Gifted and Talented Program.
3. Parent(s)/Guardian(s) will be contacted for written permission to assess students who have been nominated for placement in the Gifted and Talented Program when the exam is not part of the entire grade level assessment that is routinely administered.

4. A student scoring at or above the 97th percentile on the composite score of a nationally standardized test of intellectual ability shall be identified as Category 1 for the Gifted and Talented Program. These scores are valid for the student's entire educational experience in Oakdale Public School.
5. Nominations from a wide variety of sources are sought to ensure all potentially gifted and talented students have an opportunity to be considered. Parents, teachers, counselors, administrators, students (self or peers), community members, and other professionals may make nominations and/or referrals for screening at any time during a student's school experience. Nominations for Category 2 identification shall be reviewed by the certified staff members who serve on the gifted site committee. All test scores and performance criteria, including talent, will be analyzed for identification purposes.
6. Multiple criteria are used to identify students for placement based on Category 2 including testing methods and non-testing options used as appropriate for specific gifted/talented areas. Those include recommendations, work or performance samples, achievement test scores, nationally standardized tests of intellectual ability, and other options as appropriate. No single criterion or score is used to exclude a student from being identified. A total of twelve points on the district's matrices qualifies students. Students qualifying as Category 2 will be marked in the district's student information system under the gifted category multi-criteria.
7. Parent(s)/Guardian(s) may submit additional standardized test scores that have been generated privately but they must be approved by school officials and administered by a psychometrist or other approved professional licensed by the state of Oklahoma.
8. All students meeting the above criteria will be identified for Gifted Child Count and shall receive program options that best meet their needs through affective support, appropriate pacing of curriculum and instruction, and schoolwide enrichment.

Procedural Safeguards

1. Records are kept confidential and schools will adhere to the Family Educational Rights and Privacy Act (FERPA).
2. Parent(s)/Guardian(s) may request an additional review of their child for placement purposes through an established review process. Students transferring into the district are screened when records of the student have been received from the sending school. Past placement by another district does not guarantee the placement of the student in the program. The student is subject to established local procedures and criteria.
3. A student may be withdrawn from the program at the request of the parent, student, or student's teacher, and requires a review process.

- a. If a parent/guardian wishes to withdraw their student from the GT program, a letter must be submitted to the Gifted Coordinator and will be added to the student's GT folder.
 - b. If a student wishes to be withdrawn from the GT program, the student, parent/guardian, and the Gifted Coordinator must schedule a conference. Upon agreement of withdrawal, the parent/guardian must submit a letter to be added to the student's GT folder.
 - c. A teacher may request a student to be withdrawn from the program. If the principal is in agreement, the Gifted Coordinator will schedule a conference with the parent(s)/guardian(s) to obtain the necessary signatures. If the parent/guardian does not agree, the parent/guardian may follow the district due process procedures.
4. Professional development is provided by the district each year regarding the procedures for the identification of gifted and talented students.

Parent/Guardian Notification and Information

1. Parent(s)/Guardian(s) of all students identified for the State Department of Education Child Count shall be notified in writing on the students' placement in the Gifted and Talented Program. Parents will need to sign and return the permission form for their child to participate in the gifted and talented program. Permission forms are on file with the Gifted Coordinator.
2. A written summary of the gifted educational programming plan is sent annually to the parent(s)/guardian(s) of the identified gifted and talented student.

Review of the Progress

1. An informal review of progress and appropriate program options shall be ongoing by the Gifted Coordinator. Options provided will be coordinated between classroom teachers and the Gifted Coordinator. Components assessed may include, but are not limited to identification, professional development, programming options, curriculum, and evaluation process.
2. Evaluation of the appropriateness of students' placement in gifted educational programming shall be ongoing.
3. A student whose needs are not being met by current placement will be considered for other programming options which may be more appropriate in meeting their needs. Though a student's identification remains effective for the student's tenure, services for the student may change. Parent(s)/Guardian(s) or the Gifted and Talented Committee may initiate a change of services at any time. These changes may include the services a student is receiving or removal from active program participation. If the Gifted and Talented Committee determines changes in services or the removal from participating in

the program is necessary, the committee will notify the parent(s)/guardian(s) of any recommended changes. Both parties must reach an agreement prior to any changes in programming options.

4. Parents may appeal a placement decision with which they disagree. Appeals will be made to the Gifted and Talented Committee.

Due Process Procedures

- Recent standardized ability test scores provided by other school districts will be accepted in accordance with the identification procedures outlined above.
- No test scores are released outside the school except to the parent(s)/guardian(s) or by written permission by the parent(s)/guardian(s)
- Parent(s)/Guardian(s) may appeal the decision of the Gifted and Talented Committee. The appeal must be requested in writing within 10 days of receiving the placement decision letter. The Gifted Coordinator must review the appeal and notify the parent(s)/guardian(s) within 45 school days of receipt of the written request. New information from any source may be considered.

ADDITIONAL COMMENTS:

Please list your child's advanced abilities.

Acquiring a skill, understanding advanced concepts, applying knowledge, and making connections at a very young age all key indicators of giftedness. These could include reading fluently before kindergarten, using math in real-life situations before kindergarten, playing an instrument, having artistic ability, and/or athletic talents beyond other children in the same age group.

What special lessons, training, and/or learning opportunities does the student have outside of school?

What, if any, other information not addressed above would be helpful in planning a program option for the student?

*We encourage you to attach any work samples, photos, or projects that your child has completed on their own as evidence.

Oakdale Public School:

Safe Return and Continuity of Services Plan

Approved: June 8, 2021

Our Safe Return & Continuity of Services plan addresses the nine components as required in the OSDE guidance. Oakdale previously developed a plan in 2020 with the feedback and guidance of the Oakdale Public Health Advisory Team.

The Advisory Team met multiple times during the FY21 school year to review, modify, and offer additional feedback to the school. Additionally, each plan revision was presented publicly to the Board of Education at a regularly scheduled meeting that included the opportunity for public comment.

Oakdale School successfully navigated 2020 -21 while keeping school open five days per week! Numerous lessons were learned and teachers were able to navigate numerous challenges successfully.

The administrators and faculty persevered through many changes while learning new skills and protocols. Through those challenging times, the staff has begun reflecting on new learning and best practices.

Finally, we will continue to monitor data and best practices over the course of this school year. We ask for your support and cooperation as we modify plans and perhaps progressively increase (or decrease) layered procedures as permitted by state law, health department regulations, and/or other local guidelines.

Dr. Joe Pierce, Superintendent

Introduction & Review

At this time, Oakdale plans to return to normal operations in August 2021... with a back-up plan ready, should it become necessary.

During the most recent 2020-21 legislative session, a new state law (SB 658) was created that will influence our plans in succeeding school years. We acknowledge our duty to comply with state law and will modify our plan as necessary.

The following slides review our 2020 Return to Learn Plan. The plan has been revised based on our reflections, our experiences, and best practices learned during the global pandemic of 2020.

Oakdale Public Health Advisory Team

The Oakdale Public Health Advisory Team is a group of parents and medical and/or public health experts. The team is advisory in nature and does not make policy. It responds to specific questions posed by the Board or by the Administration and reviews, from time to time, particular matters as are helpful to the conducting of school business.

- **Paul Dasari, MD, MPH:** Pediatric endocrinologist at Oklahoma City Indian Clinic
- **Jennifer Lepard, PhD, MPH:** With a doctorate in Public Health, Jennifer is the Chief Operating Officer at the Oklahoma State Department of Health
- **Lynn Mitchell, MD, MPH:** Chief Medical Officer, Chief Wellness Officer, OU Physicians Associate Dean for Clinical Practice, OU Health Sciences Center. Dr. Mitchell is the former Prevention and Preparedness Director for the Oklahoma State Department of Health
- **Brian Plaxico, DO:** Emergency Medicine physician at Oklahoma ER & Hospital

Masks

The 2021-22 school year will begin with no masks required:

- Mask mandates may only be enacted under certain conditions as provided in [SB658](#).
- Any student or employee may wear a mask at any time, even if masks are not mandated.
- If a mask is worn, students must provide their own clean mask each day and must be able to use it appropriately and independently.
- If a mask mandate is issued, additional appropriate procedures and regular breaks will be created in each classroom.

School Nurse

- Our new full-time school nurse is **Mrs. Peggy Cain, RN**
- She is the point of contact for all health-related issues at Oakdale.
- Mrs. Cain will maintain data/documentation related to all contract tracing, in combination with isolation and quarantine, in cooperation with the OCCHD.
- As in previous years, on-site vaccination clinics (e.g. flu shots) for staff and community may be coordinated by the nurse.
- The nurse has numerous resources posted on our website, including information about diagnostic and screening testing.
- Nurse Cain may be reached at [**pcain@oakdale.org**](mailto:pcain@oakdale.org)

Social-Emotional Health

Oakdale has two main points of contact for assistance with students' social-emotional learning, mental health assistance, as well as other needs such as health and/or food services.

- **Counselor:** **Ms. Gina McCarty, LPC** gmccarty@oakdale.org
- **Dean of Students:** **Mr. Charlie Burns** cburns@oakdale.org

The Dean is a new part-time position designed to address student's S/E health and foster relationships at school. These two educators work together on a variety of projects and services to benefit all students and staff:

- Cohort Team Time (gr. 4-8)
- Guest speakers and visits
- Book study, monthly themes, events, activities

The following slides review Oakdale's 2020 Plan:

Updated: June 2021

Risk Levels: Original Plan

What will happen if there is another increase in COVID-19, or a variant?

Our decision-making framework includes consideration of state law, input from our Oakdale Public Health Advisory Team, the epidemiologist assigned to Oakdale from the OKC-County Health Department, as well as any current guidance from the CDC, the State Department of Education, and other state/local government orders. Data trends, patterns of community spread, and school transmission rates influence our decision-making, if we must reinstitute our original plans from 2020-21.

- The success of our framework is contingent on the degree to which our community complies with the layered precautions outlined in the plan.
- In each case, we will take extra steps to learn about the timeframe, the context, the type of contacts, etc. which will inform our next steps.
- Full consideration is given to our ability to have adequate staff and employees at the school.
- Teacher availability and our ability to secure substitute teachers, bus drivers, and other personnel is critical if school is to remain open.

**GREEN LEVEL:
0.0 - 1.43**

This risk phase means positive cases are presently at a manageable level.

All students attend school in-person 5 day/week as normal.

Masks & physical distancing are *encouraged*, but not required.

YELLOW LEVEL

1.44 - 14.29

All students attend school in-person with added precautions:

- Masks & physical distancing begin under certain conditions
- Teachers teach in-person in their classrooms
- Multiple layers of precautions
- Students rotate to other classes, if applicable.
- Teachers have consistent seating charts for all classes and students may rotate
- Athletics and activities offered only per governing body or organization recommendations. Spectators at 50% capacity of facility.

ORANGE LEVEL - 1

13.3 - 25.0

In-person instruction in cohorts and block schedule:

- Attend in person every day
- Masks & social distancing under certain conditions
- Students in PreK-5th attend cohort groups all day.
- Only teachers rotate to the students.
- Cohort groups for lunch/recess.
- Middle school implements block scheduling
- All identified special needs populations attend in-person daily for services
- Extracurricular activities and athletics only if able to physically distance.

ORANGE LEVEL- 2

25.1 - 50.0

Family Cohort Model:

- Attend in person every day.
- Masks & physical distancing under certain conditions..
- Teachers maintain physical distance from students and wear masks.
- Parents monitor symptoms at home.
- All students attend in cohort groups including specials, lunch, and recess.
- Middle school students stay in their advisory teacher's classroom (their cohort).
- Athletics: Practice in cohort groups of 5 or less, but competitions are on hold until back on Orange 1.
- No spectators until yellow.
- Bus seating charts will be implemented
- This model provides better contact tracing when there is an exposure, diagnosis, or quarantine.

RED LEVEL

>50.0

or School Outbreak

School closed. Students switch to Oakdale Distance Learning:

- All students pivot to Distance Learning using Google Classroom or SeeSaw.
- Teachers report to school for Distance Learning and provide instruction.
- Limited special needs populations may attend in-person on campus.
- No extra curricular activities or athletics.

Classrooms & Hallways

If we are required to revert to our original 2020 mitigation plans, we have a successful plan in place. It includes:

- Teachers will physically distance classroom seating/desks and face them in the same direction as much as feasible and practical.
- Students will not share common school supplies.
- Until class begins, classroom doors will remain open to minimize touching handles and door knobs.
- Students will clean/wipe off their own desks and chairs before leaving a classroom.
- Amplification systems are available in every classroom.

Teacher Face Coverings & Masks:

Will teachers wear a face covering?

Under certain conditions (SB658), a mask mandate may be reinstated.

Any student or employee may wear a mask, even if they are not required.

Will teachers wear a badge to identify themselves?

All teachers and staff will wear an Oakdale School badge to identify themselves.

Can teachers wear something other than a mask?

Face shields WITH a mask are acceptable. See [CDC guidelines for masks](#).

All classrooms have a sound amplification device, so that teachers may be more easily heard through a mask.

IF students are required to wear masks...

What does teacher discretion mean?

At the teacher's discretion, they may give students a mask "break," if conditions make it safe.

All teachers will require students to wear masks at school.

Most classrooms are large and provide adequate room to social distance.

What about recess and lunch?

Students will not be required to wear masks on the playground, if they are physically distanced or while eating in the cafeteria.

They **will** wear them going to/from these areas and in common or congested spaces.

What if my child does not want to? Or I don't want them to?

In order to attend school, students are expected to comply with school policy. They will not be "shamed" or punished for not wearing a mask, but will be provided with one and educated about the importance of wearing masks. The principals will handle repeated violations.

Health Screenings:

Why isn't Oakdale checking student temps?

As always, parents should monitor their child's health symptoms and should check temperatures at home before children are sent to school.

Are teachers required to check their temperature?

Staff members are expected to self-monitor their health symptoms and take temperatures at home before coming to work.

What is the temperature limit?

100 degrees fahrenheit

Students or teachers with 100 or higher will be referred to the school nurse and sent home with an information flowchart of steps to take prior to returning to the school.

Symptoms & Exposures

Temperature checks will not be required for students to enter the school. We must balance the practicality of performing these checks for large numbers of students and staff with the information known about how children manifest COVID-19 infection, the risk of transmission in schools, and the possible lost instructional time to conduct the screenings

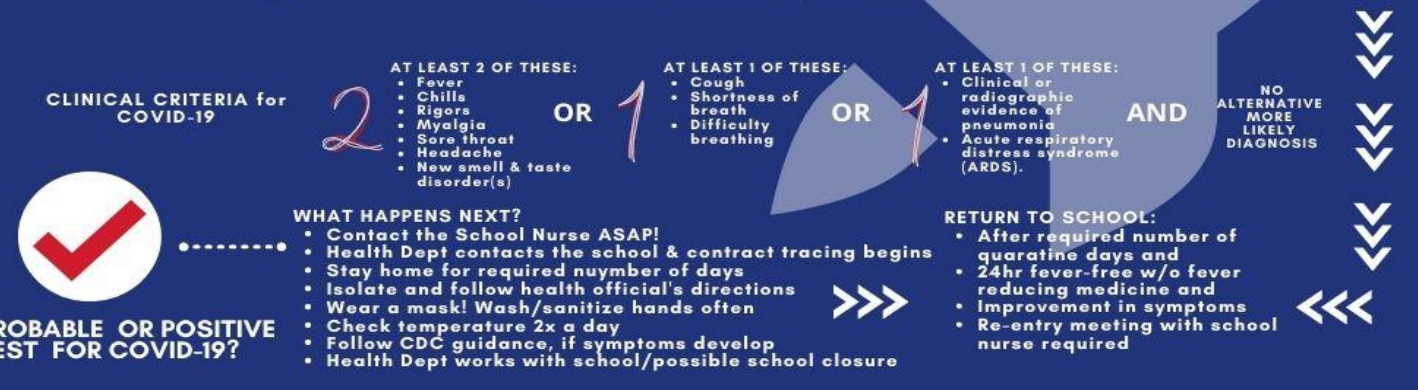

Therefore, we ask PARENTS to monitor their children's health and other symptoms *before* coming to school.

- The OCCHD determines the extent to which we must quarantine our Rockets, not the school nurse or administrators..
- Plans are in place for confirmed exposure or diagnosed with the virus.
- Additional PPE supplies are available.
- Various communication letters are created and ready to use if/when an exposure or quarantine occurs.

Oklahoma has been allocated nearly \$1.4 billion in federal funds and its American Rescue Plan Elementary and Secondary School Emergency Relief (ARP ESSER) allocation.

How can these funds be used?
