## **BOARD OF EDUCATION MEETING PUBLIC PARTICIPATION**

The purpose of a Board meeting is for the Board to conduct the District's business and to deliberate and act upon matters before the Board unless the Board is specifically conducting a public forum. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public forum is being held for the purpose of receiving public input.

During portions of the Board's regular business meetings an opportunity shall be provided for members of the public to make comments regarding school related matters that appear as an action item on the posted agenda. To make such comments, members of the public are to complete the required form and submit it to the Clerk of the Board no less than 15 minutes before the meeting is called to order. Individuals or groups wishing to speak during the public comment period must provide the following information, in writing on the form provided, in order to speak before the board:

- Name of the individual;
- The agenda action item(s) the individual wishes to address;
- The organization the individual represents or is affiliated with, if applicable.

Persons addressing the Board during the "Public Comments" portion of a regular meeting Board meeting shall be allowed three (3) minutes to address the Board. If a group has requested to address the Board on a particular subject, the group will select one representative speaker for the group and will be allowed ten (10) minutes to speak collectively on behalf of the group's members. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. Generally, a maximum of fifteen (15) minutes will be allowed for the public comment period. If an extremely large number of requests to speak are received, the Board President may extend the total time limit for comments.

The District provides various grievance and complaint procedures for addressing concerns and complaints. Therefore, to avoid circumvention of those procedures and ensure fairness to all parties, no person will be allowed to place an item on the agenda or speak on the following matters:

1. Any issue involved in pending litigation or any investigation filed with an outside agency wherein the District, any employee, or the Board is a party;
2. Any pending grievances or complaints involving employees or students;
3. An employee disciplinary action, including suspension, demotion, non-reemployment or termination;
4. Any student suspension or appeal of a student suspension.

Persons addressing the Board shall not be permitted to engage in defamatory conduct or criticize individuals and shall not engage in disruptive behavior.

Board members and the District's administrative staff shall not respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly on the agenda as an action item or is properly considered new business as defined by law.

**STUDENT TRANSFERS FOR  
CHILDREN OF EMPLOYEES**

Children, grandchildren, or wards of individuals employed by the school district may be allowed to transfer into the school district without regard to capacity. The administration shall review the student’s attendance and disciplinary records prior to approval of the transfer. Continuation of the transfer for future school years will be contingent upon attendance and discipline records for future school years as per Policy FE.

A student who enrolls pursuant to this policy shall not be eligible to participate in school-related extramural athletic competition governed by the Oklahoma Secondary School Activities Association for a period of one (1) year from the first day of attendance unless the transfer is from a school district which does not offer the grade the student is entitled to pursue. Eligibility requirements are governed by the Oklahoma Secondary School Activities Association.

**EMERGENCY STOCK INHALER**

The Oakeale Public School Board of Education recognizes asthma is a chronic, life threatening condition. Over 7 million children in the United States have asthma. Asthma is the third leading cause of hospitalization of children and is responsible for 10.5 million missed school days every year. Students with a diagnosis of asthma who are prescribed a bronchodilator (fast-acting inhaler) are strongly encouraged to self-carry and selfadminister their medication, if appropriate. Students who are unable to self-carry and self-administer their medication should bring their inhaler to school and follow Policy FFACA, *Administering Medication to Students*, and have a completed *Medication Authorization Form*, on file.

70 O.S. 1-116.3 regarding stock asthma rescue medication policies authorizes Oakdale Public School District and any Oklahoma school district to obtain and administer asthma medication. By this policy, the board of education allows trained personnel to administer or instruct students how to administer the school stock inhaler in the event the student is experiencing "respiratory distress." A stock inhaler means a bronchodilator with albuterol, or another bronchodilator that is approved by the FDA for treatment of respiratory distress and is written by a physician, physician assistant, advance practice nurse, or other medical professional with prescribing authority in Oklahoma.

The school nurse or school employee trained by a health care professional may administer an inhaler to a student whom the school nurse or trained school employee in good faith believe is having "respiratory distress." All nurse and/or other authorized school staff must undergo training yearly to administer stock asthma rescue medication. Training must include identification of symptoms, emergency response procedure, and how to administer the medication in accordance with law.

Only Oakdale Public School students and staff can receive an administration of any stock emergency asthma rescue medication.

The stock medication (Brochodilator) shall be stored in a secure accessible location, such as in the school clinic or school office area for quick access.

Administration of the stock asthma rescue inhaler medication can be administered by the nurse or school staff who has had the appropriate training. The medication can only be administered in school and/or any school sponsored trip and activities, as well as before or after normal activities or on a school bus.

Oakdale Public Schools, its employees, agents, and the prescribing physician shall incur no liability as a result of any injury arising from administering, not administering, or stocking an inhaler.
