HAPPENINGS AROUND CAMPUS

LUCKY TRAY DAY!

On December 17, 2019 25 lucky kiddos from each of our 9 Elementary schools found a special symbol on their tray (chosen at random). Each student who had that special symbol won a Yukon Millers Rally Towel furnished by Pepsico!

BREAKFAST EXPRESS

In an effort to catch some of the students on later buses we piloted a Breakfast Express Station at

Independence

Elementary— offering grab & go options for those on the run!

Introducing...Blends!

Blends is a smoothie bar concept developed by Chef Patrick Cuevas and Kim Dougherty to provide smoothie beverages for those High School students on the go!

Opened the first week of December, Blends offers 4 standard flavors and 1 rotating special. Students also have the opportunity to add Protein or Vitamin C powder!

In order to engage and include the students in the design of their concept we hosted a day of sampling. During this day students were able to use our student communication app **MyDxT** to text in what their favorite smoothie sample was.

The winning flavors- (now available) are....

Old Faithful (Strawberry Banana)

Sun Kissed (Orange Julius)

Bananas for Chocolate (Chocolate Banana)

Morning Glory (Chocolate & Coffee)

YUKON MILLERS

CHAMPIONSTABLE

Introduced in January 2020, the Yukon Millers Football Team partnered with Performance Dietitian, Justin Klein and the Sodexo Child Nutrition Department to offer a "Champions Table" concept in the Yukon High School Cafeteria. This concept includes a menu developed in consideration of all caloric, carbohydrate and protein needs for a successful athlete. These menu choices integrated with various workout regiments will play an integral role in improved physical performance

In the cafeteria, signage is posted (examples above) to help athletes identify the menu options necessary for their individually crafted nutrition plans.

Currently a Champions Breakfast Menu has been introduced and we will be working towards a lunch menu in the early Spring. The Football Team is piloting this program and the goal is to make it accessible to all athletes in the High School.
