Description of Services

Successful adoption of Lexipol Online Training begins with proper setup and configuration. This service ensures your agency's training is deployed efficiently with our Implementation Specialists, helping agencies establish a solid foundation for ongoing training management.

- Law enforcement agencies face evolving challenges that demand continuous skill development, compliance management, and leadership growth. Lexipol Online Training empowers agencies to build field-ready skills while improving operational efficiency and reducing administrative burden. With content developed by trusted law enforcement and industry experts, Lexipol Online Training provides agency leaders and personnel with the tools necessary to enhance compliance, build field-ready skills, and save time and resources.
- 24/7 online and mobile app access that lowers overtime and travel expenses while supporting hands-on training opportunities
- Full-length courses and videos grounded in real-world application
- Automated alerts for overdue assignments and credential gaps, enhancing training oversight
- Intuitive analytics dashboards and automated reporting to reduce paperwork and manual tracking
- Structured learning plans and promotional tracks that guide onboarding, recertification, and career advancement

Policy Manual

Constitutionally sound, up-to-date policies are the foundation for consistent, safe public safety operations and are key to reducing risk and enhancing personnel and community safety. Lexipol's comprehensive policy manual covers all aspects of your agency's operations.

- More than 155 policies researched and written by public safety attorneys and subject matter experts
- Policies based on State and federal laws and regulations as well as nationwide best practices
- Content customized to reflect your agency's terminology and structure

Daily Training Bulletins (DTBs)

Even the best policy manual lacks effectiveness if it's not backed by training. Lexipol's Daily Training Bulletins are designed to help your personnel learn and apply your agency's policy content through 2-minute training exercises.

- Scenario-based training ties policy to real-world applications
- Understanding and retention of policy content is improved via a singular focus on one distinct aspect of the policy
- Each Daily Training Bulletin concludes with a question that confirms the user understood the training objective
- Daily Training Bulletins can be completed via computers or from smartphones, tablets or other mobile devices
- Reports show completion of Daily Training Bulletins by agency member and topic

Policy Updates

Lexipol's legal and content development teams continuously review state and federal laws and regulations, court decisions and evolving best practices. When needed, we create new and updated policies and provide them to your agency, making it simple and efficient to keep your policy content up to date.

- Updates delivered to you through Lexipol's web-based content delivery platform
- Changes presented in side-by-side comparison against existing policy so you can easily identify modifications/improvements
- Your agency can accept, reject or customize each update

Web-Based Delivery Platform and Mobile App (Knowledge Management System)

Lexipol's online content delivery platform, called KMS, provides secure storage and easy access to all your policy and training content, and our KMS mobile app facilitates staff use of policies and training completion.

- Ability to edit and customize content to reflect your agency's mission and philosophy
- Efficient distribution of policies, updates and training to staff
- Archival and easy retrieval of all versions of your agency's policy manual
- Mobile app provides in-the-field access to policy and training materials

Reports

Lexipol's Knowledge Management System provides intuitive reporting capabilities and easy-to-read reports that enhance command staff meetings and strategic planning.

- Track and report when your personnel have acknowledged policies and policy updates
- Produce reports showing completion of Daily Training Bulletins
- Sort reports by agency member, topic and other subgroups (e.g., shift, assignment)

- Reduce the time your supervisors spend verifying policy acknowledgement and training completion

If Professional Services solutions are included in your purchase, the following additional terms apply:

Cancellation and Rescheduling of Meetings

Both the Customer and Vendor recognize that the nature of professional services engagements may necessitate changes to scheduled meetings due to unforeseen circumstances. In the event that either party needs to cancel or reschedule a planned meeting, the following terms shall apply:

1. **Notice of Change:** The party requesting the change must provide email notice to the other party as soon as reasonably possible. A minimum notice period of one (1) business day prior to the scheduled meeting time is required, except in cases of emergency.
2. **Rescheduling Efforts:** Upon receiving a notice of change, both parties agree to make a good faith effort to reschedule the meeting at a mutually convenient time. The party initiating the change shall propose at least two alternative dates and/or times within 5 business days of the original meeting date.
3. **Emergency Cancellations:** Recognizing that emergencies can arise, a shorter notice period may be acceptable at the discretion of the non-initiating party. In such cases, both parties agree to work collaboratively to reschedule the meeting as soon as possible.
4. **Repeated Cancellations:** If either party cancels or requests to reschedule meetings on more than three (3) occasions without adequate notice or justification, it may be considered a breach of the terms of this engagement, subject to review and discussion between the parties to address the impact on the project timelines and deliverables.
5. **Communication:** All notifications regarding meeting cancellations or rescheduling should be communicated through the designated points of contact for each party, using the agreed-upon methods of communication (e.g., email, project management software).

Time is of the essence:

The parties agree that time is of the essence in the performance of the obligations under this Statement of Work (SOW). Lexipol Professional Service shall adhere to the project schedule, milestones, and delivery dates specified herein, recognizing that timely completion is a critical component of the services being provided. Lexipol will recommend a project schedule that has been successful in allowing agencies to complete their policy work within the prescribed timelines. These can be adjusted to fit the needs of the agency/staff availability, but any request by the agency to extend time for performance beyond timeline end dates must be mutually agreed upon by both parties. If Lexipol Professional Services observes that the project is at risk of exceeding the planned duration, an escalation email and conversation will take place with the agency CEO to notify of the schedule concern and discuss a remediation plan to address.

Personnel Changes

Lexipol acknowledges the importance of consistency and continuity in the resources allocated to this project to ensure its successful completion. While we endeavor to maintain the same personnel on the project throughout its duration, we reserve the right to change assigned resources as necessary. Changes in personnel may occur due to unforeseen circumstances such as illness, resignation, or other reasons that may prevent the originally assigned resources from continuing the project. In the event of a change in personnel, Lexipol guarantees that any new resources assigned will possess equivalent qualifications, experience, and expertise necessary to meet or exceed the project's requirements. We are committed to ensuring a seamless transition, minimizing any potential impact on the project timeline and quality of deliverables. Lexipol will provide timely notice to the Customer of any changes in project personnel, along with details of the replacement resource's qualifications and the plan for transition to maintain project continuity.

If personnel changes happen on the Agency side of the project, Lexipol requests that the agency notify the Professional Services Specialist assigned to the project. The Specialist will then work with the agency contacts to determine if there will be a schedule delay while new resources are identified. Once the new resources are onboard, the Specialist will provide a project status overview, training on the KMS Platform, and review of how to view and make any revisions to policies already covered by the project. The project effort will not reset and begin from the beginning, however, to redo any policy decisions that were previously made. The project will resume at the point left off and cover the remaining policies and system functionality.

All services listed in this SOW are services provided in conjunction with other Lexipol subscription services and cannot be ordered as a standalone offering.

Supplemental Publication Service

Lexipol's Supplemental Publication Service (SPS) streamlines the storage of your agency's content, giving you one place to access procedures, guidelines, general orders, training guides or secondary policy manuals.

- Electronically links department-specific procedural or supplemental content to your policy manual
- Provides electronic issuance and tracking for your agency's procedural or supplemental content
- Allows you to create Daily Training Bulletins against your procedural content
- Designed for standard operating guidelines, procedures, general orders or field guides

Law Enforcement Operations Procedures

To ensure consistent, effective and safe operations, a law enforcement agency's procedures should align with its policies and be accessible in an easy-to-understand format. Lexipol's Law Enforcement Procedure Guide and Framework, based on national best practices, gives you the guidance and a template to build such a procedure manual.

- More than 40 procedure guides designed to help you ensure your procedures follow important policy requirements and national best practices
- Each procedure provides an editable template to conveniently author new content and merge existing agency content
- Procedures are aligned with Lexipol policy requirements to address the most important operations of a law enforcement agency
- Well-structured and policy-aligned procedures enhance preparation for accreditation assessments

Terms and Conditions of Service

These Terms and Conditions of Service (the "Terms") govern the rights and obligations of Lexipol, LLC ("Lexipol") and Agency under this Agreement. Lexipol and Agency may each be referred to herein as a "Party" and collectively as the "Parties."

1. Definitions. Each of the following capitalized terms will have the meaning included in this Section. Other capitalized terms are defined within their respective sections, below.

1.1 "Agency" means the department, agency, office, organization, company, or other entity purchasing and/or subscribing to Lexipol Services, as may be further denoted on the cover sheet to which these Terms are attached.

1.2 "Agency Data" means all data, information, and content owned by Agency for purposes of identifying authorized users, confirming departmental information, or which are ancillary to receipt of Lexipol Services.

1.3 "Agreement" means the combination of the cover sheet; Exhibit A ("Selected Services and Associated Fees"); Exhibit B (Description of Services); this Exhibit C ("Terms and Conditions of Service"); and any other documents attached hereto and expressly incorporated herein by reference.

1.4 "Custom Agreement Terms" refers to any contractual terms contained within Exhibit A to this Agreement. Custom Agreement Terms override and supersede the Terms contained in this Exhibit C.

1.5 "Initial Term" means the period beginning on the Initial Term Start Date and ending on the Initial Term End Date.

1.6 "Initial Term Start Date" is specified on the cover sheet and represents the first day of the Initial Term.

1.7 "Initial Term End Date" is specified on the cover sheet and represents the last day of the Initial Term.

1.8 "Lexipol Content" means all content in any format including but not limited to written content, images, videos, data, information, and software multimedia provided by Lexipol and/or its licensors via the Services.

1.9 "Services" means all products and services, including but not limited to all online services, software subscriptions, content licensing, professional services, and ancillary support services as may be offered by Lexipol and/or its affiliates.

1.10 "Sponsor Organization" means a governmental or quasi-governmental risk pool, joint powers authority, intergovernmental risk-sharing organization, or similar entity that provides risk management, insurance, claims administration, training, accreditation, policy, loss-control, financial sponsorship or related services to Agency.

2. Term; Renewals; Termination. This Agreement becomes enforceable upon signature by Agency's authorized representative(s), and effective as of the Initial Term Start Date. Unless Agency provides written notice of non-renewal to Lexipol as set forth below or as modified in Exhibit A, following the Initial Term, this Agreement will automatically renew in successive one-year periods (each, a "Renewal Term"). The Initial Term and all Renewal Terms collectively comprise the "Term" of this Agreement.

2.1 Non-Renewal. To avoid renewal of this Agreement or a specific Service, Agency must issue written notice to Lexipol at least sixty (60) days before the end of the then-current Term by emailing customersupport@lexipol.com. If a non-renewal notice is not timely received as required herein, Agency will be obligated to pay all Service fees for the applicable Renewal Term in accordance with this Agreement, regardless of whether Agency later provides notice of non-renewal or notice of termination.

2.2 Renewal Service Updates. At renewal, Agency may add and/or remove one or more Services (a "Service Update") Any Service Update will be documented in an updated Exhibit A (Selected Services and Associated Fees) or other written confirmation issued by Lexipol and accepted by Agency, and the fees for the applicable Renewal Term will be adjusted accordingly. If Agency does not timely provide notice of a Service Update, the Services and fees in effect for the then-current Term will carry forward into the next Renewal Term. For clarity, a Service Update is not a termination of this Agreement.

2.3 Termination. Either Party may terminate this Agreement if (a) the other party materially breaches this Agreement and does not cure the breach within thirty (30) calendar days after receiving written notice, or (b) the other party makes an assignment for the benefit of creditors or becomes the subject of any bankruptcy, insolvency, or reorganization proceeding. For the avoidance of doubt, non-payment of fees owed under this Agreement constitutes a material breach hereof.

2.4 Effect of Expiration or Termination. Upon the expiration or termination of this Agreement for any reason, Lexipol may allow for limited ongoing access to the Services or suspend Agency's access if payments for Service fees remain outstanding. Termination or expiration of this Agreement shall not relieve either party from any obligation or liability that has accrued under this Agreement prior to the date of such termination or expiration, including payment obligations. For clarity, fees for any Renewal Term that begins due to Agency's failure to deliver timely notice of non-renewal are deemed fully earned and payable for that Renewal Term, subject only to any express refund or proration rights stated in this Agreement.

3. Fees; Invoicing. Lexipol will invoice Agency at the commencement of the Initial Term and thirty (30) days prior to the commencement of each Renewal Term, if applicable. Agency agrees to remit payment within thirty (30) calendar days of receipt of Lexipol's invoice. Payments may be made electronically through Lexipol's online customer portal or by mailing a check to Lexipol, LLC at PO Box 676232 Dallas, TX 75267-6232 (Attn: Accounts Receivable). Agency is responsible for all third-party fees (e.g., wire fees, bank fees, credit card processing fees) incurred when paying electronically, and such fees are in addition to those listed on Exhibit A. Lexipol reserves the right to increase fees for Renewal Terms following notice to Agency. All fee amounts stated in Exhibit A are exclusive of taxes. Unless otherwise exempt, Agency is responsible for and will pay in full all taxes related to receipt of Lexipol's Services. If Agency is exempt, it must send its exemption certificate(s) to taxes@lexipol.com.

4. Terms of Service. The following provisions govern access to and use of specific Lexipol's Services:

4.1 Online Services. Lexipol's Online Services include all online services offered by Lexipol and its partners, affiliates, and licensors. Online Services include, without limitation, Lexipol's Policy Knowledge Management System ("KMS"), Learning Management System ("LMS"), Cordico wellness application(s), GrantFinder, Virtual Instructor-Led Training, and the LEFTA Systems suite of solutions (collectively, the "Online Services"). Note: LMS Services include, but are not limited to: PoliceOne Academy, FireRescue1 Academy, EMS1 Academy, Corrections1 Academy, and LocalGovU.

4.2 Professional Services. Lexipol's Professional Services include those Services that are not part of Lexipol's Online Services and which require the direct, hands-on professional expertise of Lexipol personnel and/or contractors, including implementation support for policy manuals and software, technical support for online learning, accreditation consulting, grant writing, and projects requiring regular input from Lexipol's subject matter experts (collectively, "Professional Services"). Professional Services may also be referred to as "One-Time" Services on Exhibit A and may also include the provision of supplemental documentation from Lexipol's Professional Services team, either with this Agreement or during the provision of Service. NOTE: Agency is responsible for submitting all information reasonably required by Lexipol's grant writing team in a timely manner and always at least five (5) days prior to each grant application submission date. Agency is responsible for submissions of final grant applications by grant deadlines. Failure to timely submit required materials to Lexipol's grant writing team will result in rollover of project fees to next grant application cycle, not a refund of fees. Requests for cancellation of grant writing services which have already begun will result in a 50% fee of the total value of the service.

4.3 Account Security. Access to Lexipol's Services is personal and unique to Agency. Agency shall not assign, transfer, or provide access to Lexipol Services to any third party without Lexipol's prior written consent. Agency is responsible for maintaining the security and confidentiality of Agency's usernames and passwords and the security of Agency's accounts. Agency will immediately notify Lexipol if Agency becomes aware that any person or entity other than authorized Agency personnel has used Agency's account or Agency's usernames and/or passwords. Any violation of this Section may be considered a material breach resulting in suspension of Service or termination of this Agreement by Lexipol.

4.4 Agency Data. Lexipol's use of Agency Data is limited to providing and improving the Services and Lexipol's offerings, retaining records in the regular course of business, and complying with applicable legal obligations. Without limiting the foregoing, Agency acknowledges and agrees that Lexipol may (a) share Agency Data among and between the Services (including across different Lexipol products, modules, and offerings) to enable provisioning, administration, support, analytics, reporting, interoperability, and product improvements; and (b) disclose Agency Data to Agency's Sponsor Organization(s) (if applicable) and their administrators, brokers, consultants, and service providers, solely to support Agency's participation in risk management, training, accreditation, policy, loss-control, claims, or related programs, and for reporting and benchmarking purposes, in each case to the extent permitted by applicable law. Lexipol will use commercially reasonable efforts to ensure the security of all Agency Data, including technical and organizational measures to protect Agency Data against unauthorized or unlawful processing and against accidental loss, destruction, damage, theft, alteration or disclosure. Lexipol will implement and maintain an information security program reasonably designed to protect Agency Data and consistent with prevailing industry standards for similarly situated service providers. Lexipol will notify Agency without undue delay, and in any event within three (3) days, after Lexipol confirms any unauthorized access to or acquisition of Agency Data in Lexipol's possession or control. For information related to Lexipol's information security programs, Agency may contact Lexipol's compliance team.

4.5 Intellectual Property. Lexipol's Services, and all Lexipol Content underlying such Services, are proprietary and, where applicable, protected under U.S. copyright, trademark, patent, and/or other applicable laws. When subscribing to Lexipol's Online Services, Agency and its authorized personnel receive a personal, limited, non-sublicensable and non-assignable license to access and use the Services in conformity with these Terms. Nothing contained in this Agreement, and no course of dealing, shall be construed as conferring any right of ownership to Lexipol's Services or Lexipol Content. Lexipol Content may be incorporated into

Agency's final policy manuals, including beyond the Term of this Agreement, but Agency may not otherwise share Lexipol Content with private, for-profit, or commercial third parties, or commercialize Lexipol Content in any way. Agency acknowledges and agrees that Lexipol shall have no responsibility to update the Lexipol Content used by Agency beyond the Term of this Agreement and that Lexipol hereby disclaims and shall have no liability whatsoever for Agency's reliance on or use of modified or derivative forms of Lexipol Content including, without limitation, any revision, abridgement, condensation, expansion, compilation, or any other form in which Lexipol Content, or any portion thereof, is recast, transformed, adapted, or modified from its original form. NOTE: AGENCY ACKNOWLEDGES AND AGREES THAT, PRIOR TO USE AND FINAL PUBLICATION, ALL AGENCY POLICIES AND DAILY TRAINING BULLETINS (DTBs) HAVE BEEN INDIVIDUALLY REVIEWED AND ADOPTED BY AGENCY. AGENCY ACKNOWLEDGES AND AGREES THAT IT, AND NOT LEXIPOL, IS CONSIDERED THE "POLICY MAKER" WITH REGARD TO EACH AND EVERY SUCH POLICY AND DTB.

4.6 Restrictions on Use of Third-Party Platforms (including AI). Agency will not upload, input, transmit, or otherwise provide any Lexipol Content (including any Agency policy manuals, drafts, DTBs, templates, or other materials that incorporate or are derived from Lexipol Content) to any third-party website, application, platform, or service (including any generative AI or machine learning model, tool, or service), except (a) as expressly permitted herein or separately in writing by Lexipol, or (b) to the extent required to publish Agency's final adopted policies for Agency's internal governmental use or public posting in the ordinary course, provided that such posting does not disclose Lexipol Confidential Information or trade secrets beyond what is embodied in Agency's final adopted policies. Without limiting the foregoing, Agency will not use any third-party platform in a manner that (i) trains, fine-tunes, or improves a third party's models on Lexipol Content, (ii) makes Lexipol Content available to other customers or users of that third party platform, or (iii) enables extraction of Lexipol Content except as part of Agency's final adopted policies. For clarity, this Section does not prohibit Agency from using generally available document storage, email, or collaboration platforms solely for internal operations, provided Agency does not authorize those platforms to train or improve models on Lexipol Content and restricts access to authorized users.

5. Confidentiality. Each Party may disclose information to the other Party that would be reasonably considered confidential, including Agency Data (collectively, "Confidential Information"). Upon receiving such Confidential Information, each Party will: (a) limit disclosure of such Confidential Information to authorized representatives only; (b) advise its personnel and agents of the confidential nature of such Confidential Information and of the obligations set forth in this Agreement; and (c) not disclose any Confidential Information to any third party unless expressly authorized by the disclosing Party. Notwithstanding the foregoing, this section shall not operate to limit Agency's disclosure authority pursuant to a valid governmental, judicial, or administrative order, subpoena, regulatory request, Freedom of Information Act request, Public Records Act request, or equivalent, provided that Agency notifies Lexipol of such disclosure, to the extent practicable, such that Lexipol may seek to make such disclosure subject to a protective order or other appropriate remedy to preserve the confidentiality of Lexipol's Confidential Information and trade secrets.

6. Warranty. LEXIPOL WARRANTS THAT IT SHALL NOT KNOWINGLY INFRINGE THE INTELLECTUAL PROPERTY RIGHTS OF OTHERS; THAT ITS SERVICES ARE PROVIDED IN A PROFESSIONAL AND WORKMANLIKE MANNER IN ACCORDANCE WITH PREVAILING INDUSTRY STANDARDS; AND THAT THEY WILL MATERIALLY CONFORM TO THE APPLICABLE DESCRIPTION OF SERVICES IN EXHIBIT B DURING THE TERM. BEYOND THE FOREGOING, LEXIPOL'S SERVICES ARE PROVIDED "AS-IS" AND LEXIPOL DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED, OR OTHERWISE.

7. Indemnification. Lexipol will indemnify, defend, and hold harmless Agency from and against any and all third-party claims, demands, suits, or proceedings and associated losses, liabilities, damages, judgments, settlements, penalties, fines, and reasonable attorneys' fees arising directly and solely out of Lexipol's acts or omissions in providing the Services. Agency must (a) promptly notify Lexipol in writing of any indemnified claim, (b) allow Lexipol to control the defense and settlement of the claim, and (c) reasonably cooperate with Lexipol. Lexipol will not settle any claim in a manner that imposes any admission of fault or ongoing obligation on Agency without Agency's prior written consent (not to be unreasonably withheld or delayed).

8. Limitation of Liability. Each Party's cumulative liability resulting from any claims, demands, or actions arising out of or relating to this Agreement shall not exceed the aggregate amount of fees paid by Agency to Lexipol during the twelve-month period immediately prior to the assertion of such claim, demand, or action. In no event shall either Party be liable for indirect, incidental, consequential, special, exemplary damages, or lost profits. Nothing in this Section limits a Party's obligation to pay amounts properly due and owing under this Agreement.

9. General Terms.

9.1 Entire Agreement. This Agreement embodies the entire agreement between the Parties and supersedes all prior agreements with respect to the subject matter hereof. No representation, promise, or statement of intention has been made by either party that is not embodied herein. Terms and conditions set forth in any purchase order or other document that are inconsistent with or in addition to the terms and conditions set forth in this Agreement are rejected in their entirety and void, regardless of when received, without further action. No amendment, modification, or supplement to this Agreement shall be binding unless it is made in writing and signed by both parties.

9.2 General Interpretation. The terms of this Agreement have been chosen by the parties hereto to express their mutual intent. This Agreement shall be construed equally against each party without regard to any presumption or rule requiring construction against the party who drafted this Agreement or any portion thereof.

9.3 Invalidity of Provisions. Each provision contained in this Agreement is distinct and severable. A declaration of invalidity or unenforceability of any provision or portion thereof shall not affect the validity or enforceability of any other provision. Should any provision or portion thereof be held to be invalid or unenforceable, the parties agree that the reviewing authority should endeavor to give effect to the parties' intention as reflected in such provision to the maximum extent possible.

9.4 Governing Law. Each party shall maintain compliance with all applicable laws, rules, regulations, and orders relating to its obligations pursuant to this Agreement. This Agreement shall be construed in accordance with, and governed by, the laws of the state in which Agency is located, without giving effect to any choice of law doctrine that would cause the law of any other jurisdiction to apply.

9.5 Assignment. This Agreement may not be assigned by either party without the prior written consent of the other. Notwithstanding the foregoing, this Agreement may be assumed by a party's successor in interest through merger, acquisition, or consolidation without additional notice or consent.

9.6 Waiver. Either party's failure to exercise, or delay in exercising, any right or remedy under any provision of this Agreement shall not constitute a waiver of such right or remedy.

9.7 Notices. Any notice required hereunder shall be in writing and shall be made by certified mail (postage prepaid) to known, authorized recipients at such address as each party may indicate from time to time. In addition, electronic mail (email) to established and authorized recipients is acceptable when acknowledged by the receiving party.

PROJECT OBJECTIVES

Goal #1

Create a visual identity that communicates safety, professionalism, and authority while remaining **welcoming and approachable** to students, families, and staff. The logo should feel protective and credible without appearing intimidating.

Goal #2

Develop a logo that **works seamlessly** across uniforms, vehicles, signage, digital platforms, and printed materials—ensuring the department is immediately recognizable and visually aligned with the school's overall identity.

Goal #3

Design a **timeless logo** rooted in the department's values—service, integrity, and community—so it remains relevant as the department grows and evolves, avoiding trends that could quickly date the identity.

PROJECT STAGES

1. Onboarding

Once the first payment is received, I'll officially begin the creative process. At that point, we'll schedule presentation dates to review concepts and brand directions as the project progresses. These presentations are an important part of the process and allow us to collaborate, gather feedback, and refine the work intentionally.

2. Presentation

The next step will be our initial concept presentation, where I'll walk you through 15 distinct logo concepts and explain the thinking behind each direction. During this presentation, we'll discuss what's working, what resonates most with your brand, and you'll select three logo concepts to move forward into deeper development and full brand exploration. From there, we'll schedule additional presentation dates to review refinements and expanded brand concepts as the project progresses.

3. Brand Design

Using the approved concepts from the previous stage, I'll work on developing and designing your visual identity. This includes designing three responsive logo suites, vehicle graphics and complementary font pairings.

PROJECT STAGES

4. Presentation

You will be presented with three distinct logo suites, each developed from the selected concepts and expanded into complete visual directions. Each suite will include refined logo marks, supporting variations, color and typography exploration, and real-world mockups to show how the identity lives across applications. This presentation allows you to compare directions, discuss what resonates most, and move forward with a visual identity that best represents your organization.

5. Guidelines

Once the final logo direction is approved, I'll create a Brand Guidelines Document. This guide is your go-to for all things brand identity and assets, offering an in-depth understanding of how to make the most of your freshly crafted image and ensure consistency across all touchpoints.

Offboarding

After the brand guidelines are finalized and approved, I'll package and deliver all brand assets in a clean, organized, production-ready file system. This includes all approved logo files and supporting files in multiple formats for print, digital, and apparel use, so everything is ready to use moving forward.

DON'T JUST LISTEN TO ME

Past clients consistently share how I helped turn their ideas into something tangible and lasting—and how the work actually made an impact for their business. I take pride in listening first, then building visuals that truly reflect their vision.

If you'd like a refresher on my style and approach, here's a look at some of my recent work.

PILLAR WEALTH

Pillar Wealth Financial Advisors required a refined brand identity that communicates stability, trust, and long-term growth. The goal of this project was to create a visual system that felt established and credible while remaining modern and approachable for a wide range of clients.

The identity centers around a custom pillar icon, symbolizing strength, structure, and a solid financial foundation.

“

It was helpful that you could understand our industry and the message we wanted to communicate. Then use your skills to make designs that aligned with that without us needing to make a ton of adjustments. It can be hard to find a designer that can put the business logic ahead of what is “good art”. You make that judgement really well!

”

JOHNSON COUNTY HISTORY MUSEUM

Created to celebrate 250 years of Johnson County's history, this award-winning logo combines modern design with historical symbolism. The design honors the county's heritage while showcasing its growth and community pride, using clean lines, balanced typography, and timeless colors that reflect both tradition and progress.
