THE BOARD OF COUNTY COMMISSIONERS OF OKLAHOMA COUNTY

THIS MUTUAL COOPERATION AGREEMENT (the "Agreement") is entered into effective July 1, 2026, between the JONES PUBLIC SCHOOLS OF OKLAHOMA COUNTY, OKLAHOMA, a public school organized and existing under the laws of the State of Oklahoma (the "School"), and the BOARD OF COUNTY COMMISSIONERS OF OKLAHOMA COUNTY, a political subdivision organized and existing under the laws of the State of Oklahoma (the "County").

RECITALS:

WHEREAS, 19 O.S. Section 339, paragraph 18, authorizes the County to utilize county-owned equipment, labor and supplies at their disposal on property owned by the county, public schools, two-year colleges or technical branches of colleges that are members of The Oklahoma State System of Higher Education; and

WHEREAS, the School wishes to call upon the County from time to time to use the County's equipment, labor and supplies to assist the School District with parking areas, playgrounds, athletic fields, access roads, drainage areas, and other areas on property that is owned by the School; and

WHEREAS, the School and the County wish to enter into an agreement providing for the County's assistance to the School to the extent permitted by law, and

WHEREAS, the School and the County find that it is to the mutual benefit to both the School and the County to enter into this agreement; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties agree as follows:

1. **COUNTY'S WORK:** The County may, at their discretion, perform the requested work on property that is owned by the School, subject to the terms of this agreement.
2. **SCHOOL'S WRITTEN REQUESTS:** The School must submit written requests to the County regarding particularly described property for which the School District needs assistance in reconstruction, improvement, repair or maintenance. Said requests shall adequately and specifically describe the location and the specific type of assistance needed from the County and describe the anticipated period of time that such assistance shall be needed. If the County approves the School District's request for assistance, said request shall be performed pursuant to the authority of this Agreement and the specific agreement.

3. **SCHOOL'S DUTY**: The School understands and agrees that this Agreement in no way relieves the School from their primary duty to maintain the property which is the subject of any agreement in a safe manner for the welfare of the students and public.
4. **REIMBURSEMENT**: The school shall furnish to the County the funds to pay for 100% of material costs associated with the project as required by Title 19, Section 359 or any other applicable law. Additionally, subject to the Specific Agreement, the School may reimburse the County for all or a portion thereof for labor, equipment, engineering costs.
5. **TORT LIABILITY**: Each party will be solely responsible for the acts or omissions of each party's officials, employees or agents performing this Agreement, subject to the limitations described in the Oklahoma Governmental Tort Claims Act, title 51, Sections 151 *et seq*, and shall not be responsible for the acts or omissions of the other, subject to the provisions of paragraph 3 above. Each party reserves all rights and defenses available at law or in equity.
6. **NO AGENCY**: All persons acting for the County or the School District in performance of this agreement will, at the time of such action, be an official, employee or agent of their respective public bodies. The parties agree that nothing contained in this Agreement will be construed as creating an employment or agency relationship between the parties or between the officials, agents, and employees of either party.
7. **THIRD PARTY BENEFICIARIES**: The parties do not intend to create any rights in any third parties by entering into this Agreement.
8. **OWNERSHIP OF PROPERTY UPON WHICH WORK IS REQUESTED**: The School District avers that the School District owns the property on which the requested work is to be performed.
9. **AMENDMENT OR ASSIGNMENT**: This Agreement may not be amended or assigned by either party without the prior express written agreement of both parties.
10. **ENTIRE AGREEMENT**: It is mutually understood and agreed by the parties that this Agreement contains all of the covenants, stipulations, and provisions contemplated by the parties, and no employee, agent or other person has authority to alter or change the terms hereof, except as provided herein, and no party is or will be bound by any statement of representation not in conformity with this Agreement.
11. **COUNTERPART ORIGINALS**: This Agreement may be executed in counterparts, each of which will be deemed an original document, but all of which will constitute a single document. This document will not be binding on or constitute evidence of a contract between the parties until both parties have executed and delivered the Agreement.

RE: Jones School District

Dear Oklahoma Schools Insurance Group (OSIG) Agent:

Attached is the Oklahoma Schools Insurance Group (OSIG) proposal for your school client. Please review the quotation carefully and let us know if you have any questions or changes.

Important Items:

- Coverages available in OSIG: Property, Boiler, Crime, Automobile, General Liability, School Board Legal Liability, Employee Benefit Liability, Cyber Liability, Pollution Liability, and Deadly Weapon Protection
- Optional increased deductible quotes can be provided upon request.
- Members can mitigate risk and increase savings by changing obsolete buildings to Actual Cash Value (ACV) or Debris Removal Only (DRO). DRO is a great option for buildings that would not be replaced if damaged.
- The non-profit structure of our program aids in stabilizing rates. OSIG retains the underwriting profit and investment income, and is designed to be a long term insurance solution for Oklahoma schools.

We urge you to be prepared and understand the importance of OSIG's excellent financial condition.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG in order to bind coverage effective 7/1/2026.

Coverage will not be bound if resolution letter is not received by June 30, 2026

Please feel free to contact us to discuss this proposal and conditions in the marketplace in detail. We are here to assist you in protecting your school's districts.

Sincerely,
OSIG Program Administration

RE: Membership Proposal Effective 7/1/2026

Dear Shawn Blakenship:

We are very pleased to provide you with the attached proposal for insurance coverages with Oklahoma Schools Insurance Group (OSIG).

OSIG is not a conventional insurance program. We are a public entity in the state of Oklahoma formed by an Interlocal Agreement and made up of member public school districts. Our organization is non-profit, **member owned** and controlled by a board of your peers. Our sole mission is to serve our member schools. Our promise is to provide quality insurance coverage and superior service at stable pricing. We are pleased that 541 school districts are members of OSIG. Our membership is strong and committed.

OSIG's financial position is excellent. No other Oklahoma school insurance program can provide you with this security. Our organization is continuously growing, improving and looking for new ways to serve Oklahoma schools. The group purchasing power of OSIG and a non-profit structure provides competitive insurance rates even in tough financial times.

Included in this proposal is information on OSIG's financial condition and summaries of enhanced coverages that only OSIG provides.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG before close of business 6/30/2026 in order to bind coverage effective 7/1/2026. **Coverage will not be bound if resolution letter is not received by June 30, 2026**

Loss control, risk management services and specialized insurance coverages included in OSIG program are:

- Enhanced Property and Liability Coverage
- Cyber Liability, Crime, Pollution, Deadly Weapons Protection
- Loss Control Site Surveys/Safety Inspections
- Vector Solutions online training platform
- On Site Appraisal Service

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with broad insurance coverage through "A" rated insurance carriers and professional risk management services. Over the past 24 years, OSIG's membership has grown to 541 and the program insures more than \$32 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools."

The group purchases insurance and reinsurance from "A"-rated carriers. OSIG's insurance providers are long-term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your school's property, your students and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced **insurance and risk management** services you need to protect your school's assets, your board, your staff and, most importantly, your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/2025 was more than \$21 million and our assets were more than \$105 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share our operating results with our members each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

Statement of Net Assets	
As of 06/30/2025	
Cash	\$67,503,673
Other Assets	\$37,632,794
Total Assets	\$105,136,467
Total Liabilities	\$83,166,312
Total Net Assets/Surplus	\$21,970,155

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at ok.gov/oid. Click on Interlocals under the Quick Links section of the homepage. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power **with an intense focus on controlling member losses**. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$2,000,000,000 for property losses and \$2,000,000 for liability claims in **each and every occurrence subject to a \$10M annual aggregate limit**. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.

The signed Resolution by the member's Board of Education should be returned to OSIG before June 30, 2026 in order to bind coverage effective 7/1/2026.

Where wet pipe system is inspected/tested, Purchaser shall supply and maintain sufficient heat to prevent freezing of the system.

STRUCTURE AND SITE CONDITIONS

While employees of Seller will exercise reasonable care in this respect, Seller shall be under no responsibility for loss or damage due to the character, condition or use of foundations, walls, or other structures not erected by it or resulting from excavation in proximity thereto, nor for damage resulting from concealed piping, wiring, fixtures or other equipment or conditions or water pressure. All shoring or protection of foundations, walls, or other structures subject to being disturbed by any excavation required hereunder shall be the responsibility of the Purchaser unless otherwise specified. Purchaser warrants the sufficiency of the structure to support the fire alarm and/or fire sprinkler system and its related equipment. The purchaser shall have all things in readiness for inspection/test, including, but not limited to, other materials, floor or suitable working base, connections, and facilities at the time technician is onsite. In the event the purchaser fails to have all things in readiness for inspection/test at the jobsite, the Purchaser shall reimburse Seller for any and all expenses caused by such failure to have such things in readiness. Failure to make areas available to Seller during performance in accord with schedules, which are the basis of Seller's proposal, shall be considered a failure to have all things in readiness for erection in accord with the terms of this contract.

INTERFERENCE'S

Purchaser shall be responsible to coordinate the work of other trades (ducting, piping, electrical, etc.) and Purchaser shall be responsible for additional costs incurred by Seller arising out of interferences to Seller's work caused by such other trades.

LIMITATIONS OF LIABILITY

The Seller makes NO WARRANTIES, EXPRESS, OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE. No promise not contained herein or affirmation of fact made by any employee, agent or representative of the Seller shall constitute a warranty by the seller or give rise to any liability or obligation. Seller's liability to Purchaser for personal injury, death, or property damage arising from the performance under this contract shall be limited to the contract price. Purchaser shall hold Seller harmless from any and all third-party claims for personal injury, death or property damage, arising from Purchaser's failure to maintain these systems or keep them in operative condition, whether based upon contract, warranty, tort, strict liability or otherwise. In no event shall Seller be liable for any special, indirect, incidental, consequential or liquidated, penal or any economical damage of any character, including but not limited to loss of use of the Purchaser's property, lost profits or lost production, whether claimed by the Purchaser or by any third party, irrespective of whether claims or actions for such damages are based upon contract, warranty, negligence, tort, strict liability or otherwise.

Notwithstanding anything contained herein to the contrary, Firetrol Protection Systems, Inc. shall not be liable for any indirect, incidental or consequential damages, or for the negligence of others. Firetrol shall not be liable for, nor shall Owner make claim for, consequential, incidental or special damages, or for loss of profits or revenues resulting from the failure of Firetrol to perform as provided in this contract. In no event shall Firetrol be liable for any damage for performance under this contract in any amount exceeding the total compensation provided to Firetrol under this Contract.

SEVERABILITY

Should any part, term, or provision of this contract be found by the courts to be illegal or in conflict with any law of the state where made, the validity of the remaining portions or provisions shall not be affected thereby.

ASSIGNMENT

Any assignment of this contract by Purchaser without the written consent of Seller shall be void. Seller may assign this contract to its subsidiaries and affiliates.

CHANGES, ALTERATIONS, ADDITIONS

Changes and alterations for this contract shall be invalid unless approved in writing by Seller. Changes approved by Seller, which increase or decrease the cost of work to Seller, shall constitute a corresponding increase or decrease in the contract price as herein provided. The value of additional work shall be agreed upon in writing prior to the performance of said work. However, if no agreement is reached prior to the performance of additional work approved in the manner herein described, and Seller elects to continue performance so as to avoid delays, then the estimate of Seller's Estimating Department as to the value of the work shall be deemed accepted by the Purchaser.

PRICES

In addition to the prices specified herein, Purchaser shall pay for all extra work requested by Purchaser or made necessary because of incompleteness of or inaccuracy in plans or other information submitted by Purchaser with respect to location, type of occupancy, or other details of work to be performed hereunder. In the event the layout of Purchaser's facilities has been altered, or is altered by Purchaser prior to completion of this contract, Purchaser shall advise Seller, and prices, delivery, and completion dates quoted herein shall be changed by Seller as may be required.

LEGAL NOTICE

For the purposes of any notice permitted or required to be given hereunder, such notice or notices shall be deemed given when received.

CLAIMS

Any claims against Seller arising hereunder shall be deemed waived unless they are presented in writing, with particulars, within ten (10) days after they arise.

TERMS AND CONDITION/TECHNICAL SPECIFICATIONS

The terms and conditions specified herein shall be in addition to those put in Seller's technical specifications and Seller's authorized representative shall resolve any inconsistencies.

All specifications, descriptive matter, and other data furnished by Seller to Purchaser pertaining to the work proposed herein shall be deemed proprietary and shall be kept in confidence by Purchaser and shall not be disclosed to any third party except as may be necessary in the performance of any contract with the Seller. In the event Seller requests the return of any such proprietary material and/or any reproductions thereof, Purchaser shall promptly return the same to Seller.
