Friendswood ISD
2026-2027 Conditional One-Time Salary Supplement for Non-Teaching Professional Staff
Proposed Parameters

General Information:

- The purpose of the one-time salary supplement is to provide compensation alignment in recognition of prior placement relative to the teacher salary schedule.
- Conditional one-time salary supplement to be paid after completion of work assignment for 2026-2027
- 8/20/2027 payout
 - Payment will be included in the regular paycheck
 - This amount will be taxed at the same rate as employee annual pay which is determined by employee selections on the W4 form. TRS contributions will be withheld and reported.
- One-time salary supplement is for service rendered by employee and will accrue proportionately as the employee renders the service. If the employee leaves FISD prior to completing their assignment, the services rendered will be deemed unfulfilled and the employee will not be eligible for the supplemental payment.
- The Board may reconsider the conditional one-time salary supplement in Spring 2027 if:
 - 2026-2027 student ADA drops budgeted projections; and/or
 - Unforeseen, significant impacts occur to the general fund

Eligibility Criteria:

- Must be an active employee and complete their 2026-2027 assignment
- Applies only to employees whose position salary was previously based on the teacher salary schedule (banded salaries) or those employees whose salaries are grandfathered above the salary bands during the 2024-2025 school year.

Once an employee working under an at-will agreement achieves certification under Chapter 21, the District may offer to replace the employee's at-will agreement with a Chapter 21 probationary contract for the remainder of that school year. The salary for such probationary contract will be equal to the salary for a certified educator with the same years of experience and service record, as set forth in the Board-adopted salary schedule for the school year. The District may continue to employ such teachers for subsequent school years under probationary contracts until the District's minimum probationary period is met.
