Trimester 3 Pines Pride Assembly

Eagle River Elementary School wrapped up the third trimester with its final Pines Pride Assembly, celebrating the character traits of cooperation, courage, and creativity. Individual students and grade-level teams were recognized for demonstrating these traits throughout the school year. A special thank you goes to the Climate and Culture Committee and our Sixth Grade Ambassadors for their outstanding work organizing and leading the event. We also took time to honor the 250th Anniversary of the signing of the Declaration of Independence, helping students reflect on our nation's history and the values that unite us.

The assembly also featured recognition of several Northland Pines High School track student-athletes who qualified for State Track and Field Championships. The athletes shared how character traits such as cooperation, courage, creativity, perseverance, and dedication contribute to success both in athletics and in life, reinforcing the lessons our students have focused on throughout the year.

The celebration concluded with our annual Pines Pride Tug-of-War Challenge, a favorite tradition that brought plenty of excitement and laughter. One of the highlights was the participation of families, who joined students and staff in several friendly competitions, including staff and families versus sixth grade and even a parent-versus-staff matchup. It was a joyful way to end the school year and celebrate the strong family partnerships and positive school culture that make ERES such a special place.

4K Families Celebrate a Wonderful Year Together

To celebrate the last day of school and a successful year of learning, our 4K students and families gathered for an end-of-year family picnic. The event was a wonderful opportunity to reflect on the many memories and accomplishments of the school year while spending time together as a school community.

The picnic was a tremendous success and showcased the strong partnerships between our families and school. Students, parents, siblings, and staff enjoyed a meal of hot dogs, chips, fresh fruit, and sweet treats while visiting and celebrating the conclusion of an exciting year in 4K.

We are grateful for the support and involvement of our families throughout the year and wish our 4K students all the best as they take their next steps toward kindergarten!

Kindergarten Graduation

On the last day of school, families filled the Northland Pines Middle and High School auditorium to celebrate one of the most memorable milestones in a child's educational journey: Kindergarten Graduation. Students proudly wore their tiny caps and gowns as they marked the successful completion of their first year of school surrounded by family, friends, and staff.

Mrs. Olson, Ms. Nimsgern, Mrs. Lorenz, and Mrs. Anderson worked hard to create a program filled with joy, laughter, and many heartwarming moments. Students delighted the audience by performing three songs they had rehearsed

during music class with Mrs. Anderson. Families also enjoyed a special photo slideshow created by Ms. Nimsgern that highlighted the many experiences of the year, including classroom learning, playground adventures, field trips, and special school events. The ceremony concluded with each student being individually recognized, crossing the stage to receive a diploma as their name was announced. It was a wonderful celebration of growth, achievement, and the beginning of an exciting educational journey ahead.

Second Grade Field Trip Discovery Center

Thanks to the generous support of the Land O' Lakes Fish and Game Club, Eagle River Elementary School's second-grade students participated in a hands-on learning experience at the North Lakeland Discovery Center. During the trip, students explored bog ecology, learned about beaver adaptations and habitats, and observed the diverse plants and wildlife that make

northern Wisconsin unique.

The field trip provided meaningful connections to classroom learning in science and environmental education while fostering curiosity and appreciation for the natural world. The experience was highly engaging for students and would not have been possible without the continued support of community partners who invest in educational opportunities for our students.

Fifth Grade Conservation Fishing Day

Our 5th-grade students participated in an exciting Conservation Fishing Day made possible through a collaborative partnership with Boat Sport Marina who provided pontoon boats and life jackets, parent boat drivers, the Eagle River Musky Chapter, the Wisconsin DNR, and the Sheriff's Office. The event was especially meaningful as students had recently completed an in-depth conservation research project, allowing them to connect their classroom learning and standards directly to real-world experiences. Students rotated through a variety of hands-on learning stations where they gained valuable knowledge about boating safety, fish population management, fish identification, and essential fishing knots. Experts from each organization shared their experiences and highlighted the importance of conservation, responsible fishing practices, and stewardship of Wisconsin's natural resources.

In addition to reinforcing the conservation concepts they had been studying, the day helped prepare students for future boater safety education and encouraged safe, responsible behavior on the water as they head into summer activities. Following the educational rotations, local fishing guides and volunteers took students out on area waters where they had the opportunity to apply their new skills and catch a variety of freshwater fish. This memorable experience provided students with a deeper appreciation for the outdoors while strengthening their understanding of conservation, water safety, and the important role they can play in protecting natural resources for future generations.

Sixth Grade Visits NPM&HS Building Trades

Sixth grade math students had the opportunity to apply their knowledge of area, perimeter, and volume in a real-world setting through the Building Trades program at the high school. Students were given a blueprint of a house currently under construction and were challenged to determine the length, width, and height of various rooms. After measuring, students calculated the perimeter, area, and volume for each space.

These measurements helped students understand real-life applications such as determining whether furniture will fit, how much carpet or paint is needed, and how many cubic units would fill an entire room. This hands-on experience allowed students to make meaningful connections between what they are learning in the classroom and how math is used in the world around them.

Fun Field Day Celebrates History, Leadership, and Summer Fun

On June 2, Eagle River Elementary students enjoyed a beautiful day outdoors during our annual Fun Field Day, organized by our outstanding Physical Education teachers, Trina Burr and Mark Pinski. With sunny skies and temperatures near 80 degrees, students rotated through a variety of engaging outdoor stations led by our sixth-grade students. This year's activities were specially themed to celebrate the 250th Anniversary of the Signing of the Declaration of Independence and Wisconsin history. At each station, sixth graders shared a brief historical connection before leading students through the activity, creating a fun blend of learning and movement.

Some of the favorite stations included the Wisconsin Log Jam, where students worked together to clear pool noodle "logs" from a slip-and-slide river, and the Ice Age Trail Adventure, an obstacle relay inspired by Wisconsin's natural history. A special highlight of the day was a visit from the Eagle River Fire Department, which brought its bucket truck and provided additional water activities that students thoroughly enjoyed. The event showcased student leadership, teamwork, and school spirit while creating lasting memories to wrap up another successful school year.

ERES Celebrates America's 250th Year!

This year, Eagle River Elementary School proudly joined schools across Wisconsin in celebrating the 250th Anniversary of the Signing of the Declaration of Independence. Through a variety of engaging activities, students explored our nation's history while reflecting on the values, people, and events that have shaped America.

Our youngest learners in 4K celebrated with a special 250th birthday cake cooking project, while kindergarten students participated in a *Let's Find Out America* 250 lesson and comprehension activities. First graders learned about the history of *This Land Is Your Land* and connected its message to their study of landforms. Second graders watched *The Story of the American Flag*, participated in an interactive read-aloud, and completed flag-themed activities.

Third-grade students brought history to life through Reader's Theater performances focused on the Declaration of Independence and created their own

CELEBRATING
250TH
BIRTHDAY
OF THE
UNITED STATES
of
AMERICA

This summer marks the 250th birthday of the United States of America!
To celebrate this historic anniversary and educate students on the significance of the Declaration of Independence, we invite everyone to

—WEAR—
RED,
WHITE,
& BLUE

ON
TUESDAY,
JUNE
2ND

Students will experience ERES Fun Field Day with outdoor stations themed with our nation's history and Wisconsin history. Additionally, throughout the day, staff will dedicate time to exploring the *impact* of this monumental event with their students.

We are looking for parents interested in volunteering.
If you would like to help with Fun Field Day, please reach out to Mrs. Burr at tburr@npsd.k12.wi.us.

versions of the Statue of Liberty. Fourth graders completed an America 250 choice board and worked together to create a collaborative quilt. Fifth-grade students demonstrated their patriotism by creating a large American flag with the student body.

The celebration extended beyond the classroom. Students showed their school spirit and patriotism by dressing in red, white, and blue for our Pine's Pride Assembly. During Field Day, students participated in Wisconsin- and USA-themed activities, with stations highlighting various aspects of United States history and culture. In music class, students listened to patriotic stories, sang "[Happy Birthday](#)" to America, and completed commemorative artwork to mark this historic milestone.

Through these meaningful experiences, ERES students celebrated our nation's past, recognized the contributions of its citizens, and reflected on the opportunities and responsibilities of being part of America's future.

That's a wrap for the 25-26 school year! We'll see you next year!

Northland Pines School District School Board Report
Northland Pines Montessori Learning Center & St. Germain Elementary School
June 2026

End of School Year - The end of the school year is always bittersweet, as it is difficult to say goodbye to the students, especially those leaving our school after 4th grade but there is also a lot to celebrate. The last week was full of celebrations and exciting events that are listed below.

- **Bridging Over Ceremony** - The annual Montessori Bridging Over Ceremony happens at the end of the year to celebrate students' accomplishment of the school year but especially those “Bridging” to another classroom and we really celebrate the 4th graders “Bridging” to 5th grade in another school. Families are welcomed to attend this event where teachers share kind things about the students bridging over and celebrate their accomplishments.
- **Field Trip** - The end of year field trip brought all the classrooms to Rhinelander to go bowling and to play at the new splash pad, some went to Trees for Tomorrow and others went to the Wildwood Zoo.
- **Pines Pride Assembly**- Our end of the year Pines Pride Assembly celebrated students accomplishments and use of our Character Traits, we also awarded Reading Heroes Essay contest winners, recognized 4th graders, staff retiring and more.
- **Fire Truck Ride** - On June 4th students that were the “Most Improved Math Students” received a fire truck ride to school from Plum Lake Ambulance and Fire Department. All the staff and students greeted them as they arrived at school.
- **Field Day** - Our end of the school year culminates with a Field Day on the last day of school where students take part in a variety of games and activities, including but not limited to a bounce house obstacle course, a staff dunk tanks, fire hose races with fire truck hoses and more.
- **4th Grade Bike Trip** - Our 4th graders took a bike ride to Cathy’s Ice Cream and received free ice cream as an end of year celebration.
- **Garden Committee**– Our staff has established a Gardening Committee that will help oversee and take care of our gardens this summer. Students and staff planted more vegetables this spring than ever before and look forward to the harvest in the fall.
- **Staffing– Staffing**– Our Health Aide, Anna Atanstoff, who has been with us for the past few years is going to be working at Eagle River Elementary School next year due to students' needs. Allie Marion, who is an Instructional Para in St. Germain Elementary and NP Montessori Learning Center is now the district Communications Coordinator but we have hired a new Instructional Paraprofessional, Jaimie Pockat, to replace her. Jessica Jung, our reading interventionist for St. Germain Elementary and NP Montessori Learning Center is retiring and we have hired a new Interventionist, Jody Kalata. Jessica, Anna and Allie will be greatly missed. Brooke Johnson, the new principal, has been to our school a handful of times to learn about systems and operations but also to meet and get to know staff and students. She has been to classrooms to read to students, attended PurposeFull People Breakfasts, been involved with IEP meetings and much more. Brooke officially moves into the building and begins July 1st and will do an amazing job!

June 2026

- Below are some pictures from the end of year events including Field Day, gardening and more.

*School Board Report -
Dr. Daniel Marien, Middle & High School Principal
June 2026*

- ★ The Building Trades house is as far as we can take it. The outside is finished minus lights and the inside is waiting on cabinets that won't be here until after the school year is over. This was the first time we've built this design and Mr. Lehman and our Building Trades students did a very nice job! (pics below)
- ★ On May 19th we hosted our VCEDC Entrepreneurship Shark Tank event. Students presented their new business ideas in the Commons to a group of judges who donated their time to come into school on this day. These same people donated time the week before to be in many of our Business classes that Mr. Richards teaches. After the presentations the judges collaborated and came up with the top 4 groups. These groups later did their sales pitch to the judges on stage in front of all of the students in the auditorium. After the four presentations the judges deliberated and picked a winning company. These students received \$1000 in scholarships from the VCEDC. A huge thank you to Kathy Schmitz from the VCEDC, other members of the VCEDC and Mr. Richards for putting this entire week and a half activity together. This is an activity that our students get so much from and will never forget! (pics below)
- ★ On May 20th we had our annual STEM day activity. Mr. Husing's AP Calc class, Mr. Miller's Advanced Mathematical Applications class, Mrs. Tilley's AP English Language and Composition classes, Mr. Fuller's Introduction to Engineering Design class and Mr. Aerts' Physics class spent the day outside trying to build the best trebuchets they could. This was measured by how far each group's trebuchet could launch a softball. There is always a lot of learning that occurs on this day and a lot of fun also. This is a great example of interdepartment collaboration!! (pics below)
- ★ Our students in our 2 Intro to Building Trades classes completed the pole barn which will house our Wood-Mizer. This was a great life skills experience for our Intro students. Mr. Fuller did a nice job teaching both classes in back to back periods to get this project completed. Just like our students in Building Trades our Intro students will feel a sense of pride every time they drive through the back parking lot of our building for many years to come. The building looks great! This is a Facebook post put out by the company we received help on the building from. <https://www.facebook.com/share/p/1BT9bkLGH8/> (pics below)
- ★ On June 4th we had our State Sendoff for members of our HS Track team. Student Athletes that qualified are: Mason Minaudo (pole vault), Avery Renkes (100 meters), Addi Thompson, Avery Renkes, Ella Hahn, Ava Carrillo, Tatum Meier (alt.) and Maria Krueger (alt) 4x100 meter relay. (pic below) Mason ended up taking 4th place in the pole vault and our relay team finished in 6th place! Very good showings for our student athletes!

AGR Report to the Northland Pines School Board - June 2026
This report covers St. Germain Elementary School, Eagle River Elementary School and Land O' Lakes Elementary School AGR Reports to the School board meeting

Achievement Gap Reduction, known as **AGR**, is a federal program designed to close achievement gaps among students from educationally disadvantaged households. It is mandatory for Eagle River Elementary School (ERES), St. Germain (StG) Elementary and Land O' Lakes Elementary (LOL) to follow AGR guidelines to receive federal funds for AGR. AGR has had a positive impact on our schools because it allows us more flexibility in our programming and allows us to maximize our resources. To meet AGR guidelines schools have three options to pick from.

The three strategies include:

- (a) small class sizes of 18:1 or 30:2 and professional development related to small group instruction
- (b) data-driven instructional coaching for teachers
- (c) data-informed one-to-one tutoring for students at risk of difficulty with math or reading

AGR requires schools to set performance objectives in Math and Reading for students in Kindergarten through third grade before the school year starts and then monitor those in the Fall, Winter and Spring. Another component of AGR requires schools to report to their school board at mid-year and again at the end of the school year on the progress being made.

The administration is required to annually report to DPI what method we are using to meet the requirements of AGR. We are also required to update the school board at the mid-year and end of year on what methods we are using for AGR and update the board on student progress. The other document you will see with this report is the data for all three elementary schools for this school year. The elementary

principals will summarize the goals and data at the June board meeting so you can hear about the progress and have the opportunity to ask questions but below is a summary of what the graphs entail and what strategies the schools are using.

The data you see in the provided charts shows Aimsweb Assessment scores, our district universal screener for math and reading 4K-4th grade. You will notice that this report includes scores for students Kindergarten through third grade; this is because AGR funding is for these four grade levels. On the far left, you see what subject and grade level is tested. You also then see a column indicating which AGR strategy (from the list above) is being utilized to meet student needs. The third column shows the baseline data, which helped create the target goal for the end of the school year. You will see the scores reported for the fall, winter and spring Aimsweb Assessment. This document and data collection helps track where we are at in terms of meeting our goals and helps monitor student growth. If a student is “On Target” this means the child scored within the 40th percentile, if they are “approaching” they scored between the 25th and 40th percentile and if they scored “Minimal” they scored below the 25th percentile. The percentiles are based on national norms of students of the same age taking the same assessment. We will update these charts in May once we complete the Aimweb spring assessment and determine if we achieved our goal or not.

At the school board meeting on June 29th, we will summarize the data and have time for the board to ask questions but please do not hesitate to contact any of the administrators if you have questions or would like further explanation.

Sincerely,

Tony Duffek

NEWS RELEASE

For Immediate Release

Bank First Corporation Signs Agreement to Acquire PSB Holdings, Inc.

Highlights of the Announced Transaction

- *Combines Two Strong Community Banks.* Unites two relationship-driven institutions with deep community roots and a shared commitment to responsive, solutions-oriented service.
- *Strategic Geographic Expansion.* Extends Bank First's footprint into high-potential, community-centric markets across North Central Wisconsin and the greater Milwaukee area, regions long identified for strategic growth. The integration of these complementary branch networks creates a more robust and cohesive regional presence.
- *Increased Financial Capacity.* Grows the combined organization to over \$7.6 billion in assets, enhancing lending capacity, service capabilities, and opportunities to support individuals and businesses.
- *Enhanced Shareholder Value.* Provides long-term value through combined financial strength and disciplined, relationship-based growth. PSB Holdings, Inc. shareholders are expected to receive over an 80% market premium, increased liquidity through a publicly traded partner with a long history of uninterrupted quarterly dividends, and alignment with a top-performing institution recognized for industry excellence.

MANITOWOC, Wis. and WAUSAU, Wis., May 19, 2026 /PRNewswire/ -- Bank First Corporation (Nasdaq: BFC) ("Bank First"), the holding company of Bank First, N.A., announced today that it has entered into an Agreement and Plan of Merger with PSB Holdings, Inc. ("Peoples"), parent company of Peoples State Bank, a Wisconsin state-chartered bank, under which Bank First will acquire 100% of the common stock of Peoples in an all-stock transaction.

Under the terms of the Agreement and Plan of Merger, each Peoples shareholder will have the right to receive 0.3470 of a share of Bank First's common stock in exchange for each share of Peoples common stock. The aggregate consideration is valued at approximately \$202.9 million, based on the closing price of Bank First common stock as of May 18, 2026, of \$143.66 per share.

The partnership brings together two organizations with shared values, strong customer relationships, and a commitment to community banking. Bank First expands into attractive markets across North Central Wisconsin

and the greater Milwaukee area, with a complementary branch network, while Peoples benefits from the scale, resources, and technology of a larger institution without sacrificing local decision making or its community-focused culture.

Customers of both banks will have access to expanded products, services, and capabilities. Peoples customers gain access to Bank First's advanced digital banking solutions, strong retail offerings, and a broader suite of Treasury Management products and services. Bank First customers benefit from Peoples' experienced team, strong local presence, and award-winning service culture.

Mike Molepske, Chairman and Chief Executive Officer of Bank First, stated, "This partnership brings together two organizations that believe deeply in relationship-based banking and the role community banks play in helping people, businesses, and communities succeed. Over time, our leadership teams have remained connected and observed one another's growth. It became clear that our philosophies and values align, and the timing was right to bring our organizations together in a way that strengthens both while expanding into markets where we can make a meaningful impact."

"Bank First is an ideal partner for Peoples, bringing scale, expanded capabilities, a people-centered culture, and a shared commitment to putting customers first," stated Scott Cattanach, President and Chief Executive Officer of Peoples. "This merger allows us to build on the relationships we have established while providing customers with enhanced digital banking solutions, a broader range of products and services, and continued local decision making. Just as importantly, it creates new opportunities for our employees and strengthens our ability to serve our communities for years to come."

The Boards of Directors of Bank First and Peoples have approved the Agreement and Plan of Merger. Subject to customary closing conditions, regulatory approval, and approval by Peoples' shareholders, the transaction's closing and systems conversion are expected to occur in the fourth quarter of 2026.

As of March 31, 2026, Peoples had approximately \$1.50 billion in consolidated assets, \$1.12 billion in net loans, \$1.19 billion in deposits, and \$133.87 million in consolidated stockholders' equity. Based on the financial results as of March 31, 2026, the combined company, including Bank First's recent acquisition of Centre 1 Bancorp, Inc., which closed on January 1, 2026, will have total assets of approximately \$7.6 billion, loans of approximately \$5.64 billion, and deposits of approximately \$6.27 billion.

Piper Sandler & Co. served as financial advisor to Bank First, and Alston & Bird LLP served as legal counsel. Raymond James & Associates, Inc. served as financial advisor to Peoples, and Boardman Clark LLP served as legal counsel.

Bank First Corporation and Bank First, N.A.

Bank First Corporation is the holding company for Bank First, N.A., a relationship-based financial institution headquartered in Manitowoc, Wisconsin. With approximately \$6.07 billion in assets, Bank First provides a full range of financial services, including commercial and retail lending, deposit services, treasury management, trust, and wealth management, across 38 locations in Wisconsin and Illinois. Founded in 1894, Bank First has a long history of supporting the communities it serves. For more information, visit www.bankfirst.com.

PSB Holdings, Inc. and Peoples State Bank

PSB Holdings, Inc. is the parent company of Peoples State Bank. Peoples is a community bank headquartered in Wausau, Wisconsin, serving northcentral and southeastern Wisconsin from twelve full-service banking locations in Marathon, Oneida, Vilas, Portage, Milwaukee and Waukesha counties. Peoples also provides investment and insurance products, along with retirement planning services, through Peoples Wealth Management, a division of Peoples. For additional information, visit <https://www.bankpeoples.com/>.

Forward-Looking Statements

This news release contains “forward-looking statements” as defined in the Private Securities Litigation Reform Act of 1995. In general, forward-looking statements usually use words such as “may,” “believe,” “expect,” “anticipate,” “intend,” “should,” “plan,” “estimate,” “predict,” “continue” and “potential” or the negative of these terms or other comparable terminology, including statements related to the expected timing of the closing of the merger, the expected returns and other benefits of the merger to shareholders, expected improvement in operating efficiency resulting from the merger, estimated expense reductions resulting from the transactions and the timing of achievement of such reductions, the impact on and timing of the recovery of the impact on tangible book value, and the effect of the merger on Bank First’s capital ratios. Forward-looking statements represent management’s beliefs, based upon information available at the time the statements are made, with regard to the matters addressed; they are not guarantees of future performance. Forward-looking statements are subject to numerous assumptions, risks and uncertainties that change over time and could cause actual results or financial condition to differ materially from those expressed in or implied by such statements.

Factors that could cause or contribute to such differences include, but are not limited to (1) the risk that the cost savings and any revenue synergies from the merger may not be realized or take longer than anticipated to be realized, (2) disruption from the merger with customers, suppliers, employee or other business partners, (3) the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement, (4) the risk of successful integration of Peoples’ business into Bank First, (5) the failure to obtain the necessary approval by the shareholders of Peoples, (6) the amount of the costs, fees, expenses and charges related to the merger, (7) the ability of the parties to obtain required governmental approvals of the merger on expected terms or in a timely manner, or at all, (8) reputational risk and the reaction of each of the companies’ customers, suppliers, employees or other business partners to the merger, (9) the failure of the closing conditions in the merger agreement to be satisfied, or any unexpected delay in closing of the merger, (10) the risk that the integration of Peoples’ operations into the operations of Bank First will be materially delayed or will be more costly or difficult than expected, (11) the possibility that the merger may be more expensive to complete than anticipated, including as a result of unexpected factors or events, (12) the dilution caused by Bank First’s issuance of additional shares of its common stock in the merger, (13) the successful integration of the recently completed acquisition of Centre 1 Bancorp, Inc., and (14) general competitive, economic, political and market conditions.

Many of these factors are beyond Bank First’s and Peoples’ ability to control or predict. Other relevant risk factors may be detailed from time to time in Bank First’s press releases and filings with the Securities and Exchange Commission (the “SEC”). Consequently, no forward-looking statement can be guaranteed. Neither Bank First nor Peoples undertakes any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. For any forward-looking statements made in this news release or any related documents, Bank First and Peoples claim protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995.

Additional Information about the Merger and Where to Find It

This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval with respect to the proposed transaction. No offer of securities shall be made except by means of a prospectus meeting the requirements of the Securities Act of 1933, as amended, and no offer to sell or solicitation of an offer to buy shall be made in any jurisdiction in which such offer or solicitation would be unlawful. In connection with the proposed merger, Bank First will file with the SEC a registration statement on Form S-4 that will include a proxy statement of Peoples, and a prospectus of Bank First, as well as other relevant documents concerning the proposed transaction. WE URGE INVESTORS AND SECURITY HOLDERS TO READ THE REGISTRATION STATEMENT ON FORM S-4, THE PROXY STATEMENT/PROSPECTUS INCLUDED WITHIN THE REGISTRATION STATEMENT ON FORM S-4 AND ANY OTHER RELEVANT DOCUMENTS TO BE FILED WITH THE SEC IN CONNECTION WITH THE PROPOSED MERGER BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT BANK FIRST, PEOPLES AND THE PROPOSED MERGER. The proxy statement/prospectus will be sent to the shareholders of Peoples seeking the required shareholder approval. Investors and security holders will be able to obtain free copies of the registration statement on Form S-4 and the related proxy statement/prospectus, when filed, as well as other documents filed with the SEC by Bank First through the website maintained by the SEC at www.sec.gov. Documents filed with the SEC by Bank First will also be available free of charge on the Shareholder Services page of Bank First's website at <https://ir.bankfirst.com/financial-information/regulatory-filings/default.aspx>, or by directing a written request to Bank First Corporation, P.O. Box 10, Manitowoc, Wisconsin 54221-0010, Attn: Kelly Dvorak. Bank First's telephone number is (920) 652-3100.

Participants in the Transaction

Bank First, Peoples and certain of their respective directors and executive officers may be deemed to be participants in the solicitation of proxies from the shareholders of Peoples in connection with the proposed transaction. Certain information regarding the interests of these participants and a description of their direct and indirect interests, by security holdings or otherwise, will be included in the proxy statement/prospectus regarding the proposed transaction when it becomes available. Additional information about Bank First and its directors and officers may be found on Bank First's Shareholder Services page at www.bankfirst.com and in Bank First's proxy statement filed with the SEC on April 24, 2026.
