Dear Mr. Reiman:

Cass County Historical Society has taken on a project to place historic markers where every country school in Cass County once stood or is still standing. At one time there were a total of 101 school districts in Cass County.

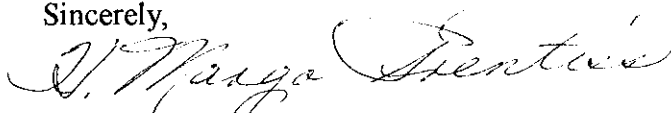

Each sign is 16" x 12", heavy gauge aluminum, white with black lettering and has the name of the school, district number and starting and ending dates of the school. The cost of the signs is being funded by a bequest from Neil Lancaster who served as County School Superintendent for 40 years and was a long time member of our Board of Directors. On our website, you can see some the signs already in place.

Since Weeping Water School District 22 was located on your property, we are writing to ask your permission to place a sign on the property line or a location where it will not interfere with any of your operations. Someone will call to arrange a time when you can be present for a Society volunteer to place the sign at an acceptable location.

Enclosed is a permission form. Please sign the form and return to us in the self-addressed, stamped envelope. The copy is for your files.

If you have any questions, do not hesitate to call me, 402-296-4770.

Sincerely,

H.Margo Prentiss,
Curator
