Good News:

Central Elementary:

Safety & Security

Smooth transition into using the new Raptor system

Student Leadership

We are creating a more positive environment in our cafeteria by engaging 5th-graders in leadership, as they assist Kindergarten and 1st-grade students.

5th-grade students are reading with 1st-grade students on a weekly basis.

Academic Program

Teachers are embedding TNReady-format questions into their instruction and assessments as part of their professional development (PLC) outcomes.

School Culture

We used student feedback from the school climate survey in a leadership meeting, faculty meeting, & professional development sessions to analyze student perceptions of their school's academic and social culture and begin developing action steps.

Community Partnerships

Bible Release Time program has grown to the point that two churches are now volunteering:

Mossy Grove on Wednesdays; FBC on Fridays

We are beginning a Staff Member of the Month award this month, in addition to our Teacher of the Month recognition, in order to recognition more roles.

Partnership with First Baptist church, Wartburg

1. Bible Release Time
2. Women's Missionary Union (WMU) provided a meal to the faculty on our January 6 Administrative Day
3. Women's Missionary Union (WMU) will provide a meal to the faculty at our February 13 Parent-Teacher Conferences.
4. WMU provides birthday gifts to faculty/staff members each month.

Central High:

1. CHS sophomore, Hannah Moore, is running to be a state DECA officer. We wish her the best of luck.
2. Our school based enterprise the "Brew Crew" is now delivering to local businesses in and around Wartburg. This opportunity opened up after they participated in "Christmas on the Square" and many local business people were exposed to their products.
3. Oak Ridge High School has contacted us and wants to visit our school based enterprise the "Brew Crew" to see how it started and how it operates in conjunction with our business and entrepreneurship classes. This is a great opportunity for us to showcase what we have going at WCHS.

Central Middle:

Amy Stafford (8th Grade ELA) has secured the grant again this year for the Playmakers to come to our school and present "Jackie Robinson Steals Home."

Alex Bruse secured funding and a grant to help support our first volleyball team. Both of these amounts added up to around \$1,500.

Coalfield:

Tim Hines has received a second \$5,000 grant from TVA for STEM.

MCCTC:

MCCTC will be hosting the Frozen Head Challenge at Central Middle School on February 15th. Robotics teams from across the state will be here to compete in a state qualifying VEX Robotics Competition. Both Middle School and High School teams will be competing in separate, but concurrent competitions.

MCCTC will be partnering with TCAT Huntsville to add Dual Enrollment Criminal Justice at MCCTC in the Fall of 2020. This program is being used to expand opportunities and engagement around the areas of Criminal Justice and Corrections. Partnering with TCAT Huntsville is allowing us to offer Dual Enrollment Credit and be the first school in this area to offer this type of program.

The same Give Grant will also allow us to offer After Hours Welding and EMT courses at MCCTC. Partnering with TCAT Huntsville, we will be able to offer evening classes on site here without having to travel to the Huntsville Campus. We are still working out the particulars of this partnership but are excited at the potential this will give us to better serve Morgan County.

Oakdale:

Oakdale School 5th grade student, Tucker Tapp, saved a fellow students life by performing the Heimlich on a choking student. Tucker was honored by the Morgan County Sheriff's Department and Coordinated School Health.

Petros Joyner:

- Pj is starting it's first middle school volleyball team. Ms. Megan & Ms. Crystal will be coaching. We have 16 girls interested and excited about this opportunity.
- Ms. Sarah 1st grade & Ms. Melissa 4th/5th math/science were selected by their peers as teachers of the year for PJ.
- PJ has been working closely with or mentor STEM school Elk Valley in Campbell Co. to improve our STEM program in the areas of PBL development and community engagement.

Sunbright:

Thanks to the support of Wartburg Central High and both Sunbright and Wartburg fans, Sunbright School raised over \$5,000 for the Sarah Durham family at Friday night's ball game.
