BEDFORD COUNTY BOARD OF EDUCATION

Minutes from January 19, 2021 Regular Monthly Meeting

The Bedford County Board of Education met in a regular monthly session on Tuesday, January 19, 2021 at approximately 5:30 p.m. in the central office building board room located at 500 Madison Street Shelbyville, TN. Board members Neeley, Forsee, Anderson, Cook, Crews, Brown, Cashion and Reed attended in person. John Boutwell, who was ill, attended via telephone.

Chairwoman Neeley called the meeting to order, followed by a moment of silence, and the Pledge of Allegiance.

CONSENT AGENDA

The consent agenda was approved by acclamation upon the motion and second of Mr. Forsee and Mr. Reed.

ACTION ITEMS

Acceptance of TSBA's Finalist Recommendation List

Chairwoman Neeley welcomed Dr. Tammy Grissom, Executive Director of TSBA, who was on hand to present the Board with TSBA's final report on the superintendent search and recommendations for finalists. Dr. Grissom gave the Chair the application files on all candidates and passed out binders with the final report (see document in January 19, 2021 board meeting file), noting that seventeen applicants had responded to the search. One applicant (Roberson) withdrew yesterday after accepting a superintendent position in Arkansas. She added that he was to have been one of the finalists.

Dr. Grissom acknowledged that in previous discussion with the Board it had been discussed that up to five applicants would be recommended as finalists. She said that TSBA's role was to pick the finalists that best met the board's criteria and that they felt would best fit the role of superintendent.

Dr. Grissom then announced the three candidates that were being recommended as finalists. Under Tab 1 was information on Dr. Tammy Garrett. Dr. Grissom reviewed the candidate's qualifications and experience in Murfreesboro City and Franklin County. The second recommendation was for local candidate Mrs. Karen Scoggins. Dr. Grissom reviewed highlights of Mrs. Scoggins qualifications and experience found under Tab 2. The third finalist was Dr. John Tucker from Georgia. Dr. Tucker's information behind Tab 3 was reviewed. Dr. Grissom reiterated that the fourth candidate, William Roberson, withdrew from consideration. Dr. Grissom addressed the Chair, noting that these were TSBA's recommendation for finalists. The Chair said that having heard the presentation, the Board would need to make a motion or whatever they chose, to accept the recommendations. **Mr. Forsee moved to accept the recommendations at this time. Dr. Anderson seconded the motion.**

Mr. Forsee acknowledged that seventeen applications had been received, with the one withdrawal, and asked if the Board still had the option of requesting additional finalists from the applicants. Dr. Grissom

confirmed that the Board could choose to do so if they wished, making a motion to that affect. Dr. Grissom said TSBA's job was to review the applicants and bring who they thought were the best.

Mr. Forsee asked about the screening process. The screening team spent more time screening applications. Mr. Forsee asked for clarification on who comprised the screening committee. Dr. Grissom said the committee was made up of professionals from various backgrounds, such as former superintendents and those who had worked for the state, but no one from Bedford County or surrounding counties. When asked if any were active administrators, Dr. Grissom said yes, some that were contacted were.

Dr. Grissom was asked if a certain rubric was used and said that TSBA had used the Board's criteria. When asked if, after Mr. Roberson removed his name from consideration, the fifth person was so far apart that they could not be included for consideration, Dr. Grissom said they did not have a fifth candidate. Dr. Grissom was also asked if no others met the criteria and she replied, "They might have met some of the minimum, but maybe not the best fit for all the criteria."

Mr. Crews had read that Dr. Garrett was under consideration for superintendent in Murfreesboro City. Dr. Grissom said they were meeting tonight. Brian Crews – "So, if we made this decision based on her, and she were removed... we would be down to two." Dr. Grissom said yes. She said they have had their interviews and are discussing and that she has asked the Chair to let her know after a decision is made. Michael Cook – "So no one saw these finalists or questions tonight ...before the meeting?" Dr. Grissom said that was correct.

Mr. Reed then asked if the Board approved the three candidates presented, would that end the decision to add others. Chairwoman Neeley, said not necessarily as there are boards that have gone through and interviewed and then decided for whatever reason that those choices were not working and brought in additional candidates. She added that there have been multiple ways used by other boards. Dr. Grissom – "These are the three we suggest. After you interview them and you don't feel good about any of the three, you can go to the applicant pool and see if there are any others you would like to interview. If you want to ask me about someone, you can call me. It is totally up to you all. You all can interview these and then decide to open it back up or someone tonight if you want to add. It is your decision, not TSBA's."

Mr. Forsee then asked to make an amendment to his motion that "we add the names of Tim Harwell and Dr. Robert Ralston to the ones being interviewed." Mr. Reed seconded the amendment.

Mr. Crews to Dr. Grissom – "Although I like the idea of having a few more applicants, especially if Dr. Tammy Garrett ultimately takes another job, or if we bring in the two locals are we disqualifying other potential candidates that may have also been close but met more of the standards than the two we are bringing in? I just want to be fair to those people." Dr. Grissom noted that there were other candidates that had some excellent experience and qualifications.

Dr. Boutwell asked if there was a ranking system for the candidates and Dr. Grissom said she did not have a ranking. Mr. Boutwell explained in his experience a ranking system is used to determine such things. John Boutwell – "So there is no way that you can really differentiate between the ones you reviewed?" Dr. Grissom – "I don't think it is appropriate for me to talk about individuals in a public meeting." John Boutwell – "That is not the question. You have a group of people. How do you know

which is which? How do you say this is in the bottom of the heap and this is at the top if you don't have a ranking format?" Dr. Grissom said they did not have a formal ranking system. John Boutwell – "So, really it is sort of subjective." Tammy Grissom – "We have called folks that know people that know these applicants, so we have checked references and we check with folks who they don't list." John Boutwell – "So at the end of the day it is very subjective."

Dr. Grissom explained that TSBA's job was to go through the applicants and use the sources at their disposal to match the criteria adopted by the board with applicants, noting that a person could be a good candidate for Bedford's criteria but not according to Washington's. Michael Cook – "So you did exactly what we paid you \$12,000...what we asked you to do. At the end of the day, you did exactly what we asked you to do. Whether it is subjective or however you want to decorate your Christmas tree, you did what we asked you to do." Mr. Forsee said it was not an exact science.

Dr. Grissom went on to say that a candidate may look good on paper and then when hired may be totally different. She said TSBA has a good network across this state and others and they take a lot of time to go through the applications. Tammy Grissom – "We want you to have the best superintendent. We have a vested interest. As you know, superintendents call us more than you all do. We want you to have the best. We take our job very seriously. We brought you what we thought best met the criteria. You don't have to interview any of these." She added that the Board could ask TSBA to re-advertise if they wished.

Mr. Crews pointed out on page 18 information based on what the Board and community had given through community meetings to get criteria. Michael Cook – "I don't want to try and offend anyone. I think ...we are coming at it kind of personal, whereas you looked at the whole pool of the people who applied which is once again, what we asked you to do." Mr. Forsee said as a side note to the Board, "Nine years ago, we went through this process...one of the things we put in the superintendent's contract that the superintendent would live in Bedford County. That's up for negotiation." Michael Cook – "Once again, Glenn if that was a criterion we should have put it in there. That's the thing man, you can rewrite history looking back...Tammy did what we asked her to do. It's not personal."

It was noted there was an amendment and a second to add Tim Harwell and Dr. Robert Ralston to the group to be interviewed.

Michael Cook – "I think if we are going to add people to the list, I think we need to go back and re-evaluate and get five people if that is what we want. Right now we are saying we are going to exclude people based on what we feel. If we have the legal rights to do that, by all means, but I don't know."

Brian Crews – "I like the idea of adding a few more, especially if we risk losing Dr. Tammy Garrett, being down to two. It doesn't feel right to exclude other candidates that may also check some of the boxes but not all of them."

Dr. Grissom – "Back to Michael's point. I brought the top. I didn't know I needed to bring a second-tier group. A lot of this, you go with your gut. I am not going to recommend someone if I feel a little hesitant about them just to bring you a number."

Chairwoman Neeley – "We appreciate what you have brought us. Evidently we have some other concerns. I am also concerned if we have this one drop out again and we are down to two."

Dr. Grissom – “You only need one. You can do what you want. I work for you all. Do what you want. It is okay with me. I say to you move forward and interview them and if you see that none are working, you can go back to the pool of applicants and go from there. You are more than welcome to call me individually...”

Mr. Forsee called for the question. Hearing no objections, a roll call vote was taken on the amendment to add Dr. Robert Ralston and Tim Harwell. Going around the table, the vote was:

Dr. Andrea Anderson – Yes

Brian Crews – No, for the reason I gave before

David Brown – No

Nicole Cashion – No

Dan Reed – Yes

Michael Cook – No

John Boutwell – Yes

Glenn Forsee – Yes

Diane Neeley – Yes

The amendment to add the two additional candidates carried by a vote of 5-4.

Discussion returned to the original motion.

Brian Crews – “I would like to ask, based on the inclusion of two additional candidates, should we entertain adding anyone else to be fair to these candidates.” Dr. Grissom said she thought “there are other candidates that have similar qualities to those you have added.”

Mr. Crews made a motion to entertain those other candidates. Mr. Cook said “we could have interviewed these three and made another decision then. I am all in. Let’s interview them all.” Mr. Crews said he believed the board could be reasonable.

At this point, Dr. Grissom suggested the board interview the three that had been originally suggested and the two that were added and the Chairwoman pointed out that there was the original motion and second to accept the candidates suggested by TSBA. A roll call vote was taken as follows:

Dr. Andrea Anderson – Yes

Brian Crews – Yes

David Brown – Yes

Nicole Cashion – Yes

Dan Reed – Yes

Michael Cook – Yes

John Boutwell – Yes

Glenn Forsee – Yes

Diane Neeley – Yes

The original motion carried unanimously.

Dr. Grissom then asked that candidates be contacted the following day because she had told the finalists the Board would be contacting them. Hopefully interview dates can be given. She called the Board's attention to the notebook and that it contained sample interview questions related to the criteria and suggested that whoever asks a question sticks with that question at each interview. She advised taking good notes. She pointed out tips on interviewing, dos and don'ts and on page 24 some questions you should legally not ask. On page 27 is a schedule TSBA recommends, noting some boards bring in the candidate for an hour or two, but TSBA feels the all day schedule works best. Dr. Grissom – "If you choose to use our schedule, it is good and I would pass out that candidate reaction form."

Discussion then ensued over the proposed schedule. Brian Crews – "On some of these, I think it is important for as many board members to be there as possible. That may not be possible. It is pretty strict. I would defer to your experience in the past."

Chairwoman Neeley – "In the past, we followed a schedule and the board chair took them around. We encouraged all board members to do the breakfast. Then the tour. Then the morning meeting, and luncheon. If board members could come, they did. Everybody came back to do interview process and we did go to dinner one on one with the person to see how they would fit into system."

Brian Crews – "I would not want to deprive any of our local candidates. The ability to sit down and have breakfast, the ability to go out to the schools – what better way for them to cast their vision. I am of the opinion that we treat them equally and give them the same opportunity that we give the out-of-towns. I would like to be fair." Michael Cook agreed, adding "treat everyone the same. We can't discriminate because they are local."

Mr. Cook – "In the previous search before, we had two interviews. A formal one and then a dinner one. Is that the same scenario?" Chairwoman Neeley said that would be up to the board. Mr. Cook – "You have thoughts. I am asking you for your thoughts." Mrs. Neeley responded that the dinner after the interview was very informal and just basically casual conversation.

Discussion then turned to making the decision of who will be selected as superintendent. There were different thoughts on the method. Chairwoman Neeley reminded that the voting process had to be done publicly. Dr. Anderson then pointed out on Page 4 procedures on this process and specifically #5 that says each member will list their top two and that the ballots are to be signed and then reviewed other pertinent information.

Decision on Start Date for Interviews

Dates for the interviews were then set for January 28, February 1, 4, 8, and 11. There was discussion about venues being lined up in order to get the public notice out and that board members should submit their questions to be included in the interview guide. **Mr. Forsee then moved to authorize the**

Chair and board secretary to work on the logistics and report back to the board the dates, times, and places.

Michael Cook – “I think we need to do the order in the public view.”

Brian Crews – “I like the spirit of being in the public but I also know that scheduling other people’s calendars, there has to be some flexibility.”

Dr. Anderson seconded the motion. The Chair asked if everyone was clear that the dates had been set and that logistics would be worked on and then added that the last thing that would be done this night before leaving, would be to draw out the names for the interview order. Motion passed 9-0.

Rescind – Policy 5.3051 – FFCRA Leave

Policy 5.305.1 – FFCRA Leave (see document in January 19, 2021 meeting file) that expired on December 31, 2020 was **rescinded by a 9-0 vote, upon the motion and second of Crews and Cashion.**

New – Policy 5.3052 – COVID-19 Leave

Chairwoman Neeley reviewed a proposed new Policy 5.305.2 Covid-19 Leave (see document in January 19, 2021 board meeting file). She noted this policy is to address COVID leave with FFCRA expiring on December 31, 2020. This policy would be retroactive to January 1, 2021 and extend through March 31 unless there are federal mandates issued that would supersede. If COVID has not subsided as we move into March, the Board would then need to look at extending through the end of the school year.

The policy would allow up to 80 hours of COVID Leave for an employee who is subject to a federal, state or local quarantine or isolation; has been advised by a health care provider to self-quarantine; is experiencing Covid-19 symptoms and is seeking a medical diagnosis; is caring for an individual subject to a quarantine; or is caring for a son or daughter whose school or place of care is closed, or person who regularly provides child care is unavailable for reasons related to COVID-19.

Line 26 stated that this leave would include paid leave taken under the Families First Coronavirus Response Act (FFCRA). The Board will need to decide if they want this leave to start effective today or be retroactive to January 1, 2021 and also do they want to start over with all employees to have 80 hours or leave Line 26 as is. She said she would personally like to see the Board start over with 80 hours leave so as not to be discriminatory to anyone who hasn’t used the time. The majority of teachers who have had to be out due to COVID have continued to teach from home.

This policy has been vetted by our attorney, Chuck Cagle and does fit with what other systems are doing. One correction should be noted on Line 4 which says “such mandated leave will supersede this policy entirely”, corrected to say “such mandate will supersede this policy entirely.”

Mr. Crews moved to approve this new policy and the motion was seconded by Mr. Brown.

There was discussion over Line 26 for clarification purposes. As far as funding this policy, the Chairwoman said salaries are already in the budget and there are also unfilled teaching positions that give a cushion. Also, in the WillSub line, many of those dollars have not been used if that would be needed, but she again stressed that teachers by and large are still working even if required to quarantine.

She restated her recommendation was to strike Line 26, effectively giving someone that may have used the FFCRA leave last year, new leave and make it retro to January 1.

Dan Reed – “I personally believe we should give teachers and staff every good gift we can at this time.”

Mr. Crews asked if there was any thought to extend the policy through the end of the year. Mrs. Neeley said that Five Points and other presenters have recommended against doing so and their recommendation had been for just the first quarter of this year. She added that part of that is a financial reason for budgetary concerns moving forward.

Mr. Forsee moved to amend the motion to strike the word leave in Line 4 and then eliminate Line 26 and the first word of Line 27. Mr. Crews seconded the motion to amend. This amendment passed by a vote of 9-0. The original motion to accept this policy, as amended, was approved by a unanimous vote.

CTE Perkins Amendment – Revision 3

The CTE Perkins Amendment – Revision 3 (see document in January 19, 2021 meeting file) was necessary to add additional monies that were allocated. **The amendment was approved by a vote of 9-0, upon the motion and second of Dr. Anderson and Mr. Reed.**

November Child Nutrition Financial

County Finance Director Robert Daniel explained that the November Child Nutrition Financial (see document in the January 19, 2021 meeting file) was not ready in December but is on track as far as expenditures and revenues. **This child nutrition report was approved unanimously upon the motion and second of Cook and Crews.**

December Monthly Financial Report

Mr. Daniel noted that the December Financial Report (see document in January 19, 2021 meeting file) had nothing unusual to report. **Upon the motion and second of Cook and Cashion, the report was who accepted by unanimous vote.**

Mr. Cook commented that it was good to see more revenue coming in over expenses. Mr. Daniel responded, saying it is not an equal division because of BEP and when it comes in. Robert Daniel – “It will typically run higher this time of year than expenditures.”

Quarterly Financial Report

The Quarterly Financial Report (see document in January 19, 2021 board meeting file) containing the same information as the monthly report, was accepted by a vote of 9-0 for recommendation to county finance/commission upon the motion and second of Mr. Boutwell and Mr. Crews.

REPORT ITEMS

Monthly Tax Analysis

The monthly tax analysis (see document in January 19, 2021 board meeting file) was reviewed by Robert Daniel, who reported that property tax was down for the month but up for the year; prior year property tax is ahead; clerk and master is ahead; and sales tax is still ahead, in part due to internet sales tax.

Legislative Report

Mrs. Neeley reported that the 112th session have convened the previous week and today is the day that legislators were to report for discussion on education. She encouraged fellow board members to never hesitate in reaching out to legislators.

Executive Committee Report

The Chair reported for the record having received a declaration of surplus for the central office.

Mrs. Neeley extended heartfelt sympathy to the family of music teacher Mr. Andrew Briggs, who taught at Community Elementary, and had succumbed to complications from COVID.

She reminded board members to complete their annual disclosure statement by January 31 and reminded about important dates ahead. Board members were also reminded to turn in their biographical updates.

Superintendent's Report

Interim Superintendent Karen Scoggins reported total enrollment as 8,500 as compared to 8,719 on 2/3/20. PreK enrollment stands at 218 and PreK drive-in services at 40.

Total enrollment for the Virtual Learning Program is 1,436. Students are locked in for the third nine-weeks. Students who wish to stay virtual for the next 9 weeks will not need to take any action. The program will be open for the last nine-weeks during the last week of the 3rd nine-week period.

Virtual student chronic attendance numbers were reviewed (see document in January 19, 2021 board meeting file). Mrs. Scoggins noted that this number goes towards accountability with the state. These students are virtual but are missing virtually. Plans are being worked on with some of the schools and letters/emails are going out to try and help these students to connect.

Mrs. Scoggins announced that Chad Fletcher has been selected to serve on a federal oversight committee for the advisory board that reviews regulations. Mr. Fletcher was congratulated for this honor.

Mrs. Scoggins reported that a federal audit has just been completed with a clean report with no findings. The findings are not back yet from the state.

High schools have instituted a grade repair program. The next step is an afterschool program to help students get caught up in focus areas. Algebra 1 is a major concern.

OTHER BUSINESS

On behalf of the Board, the Chair acknowledged the tokens gifted them in recognition of School Board Appreciation Week and thanked those involved. She also thanked fellow board members, adding "It is sometimes a thankless job, but I think everyone's hearts are in the right place."

Names were drawn for order of superintendent finalist interviews as follows: Jan. 28 - Dr. John Tucker, Feb. 1 - Dr. Robert Ralston, Feb. 4 - Dr. Tammy Garrett, Feb. 8 - Mrs. Karen Scoggins, and Feb. 11 - Mr. Tim Harwell.

ADJOURNMENT

On the motion of Mr. Forsee, the Board adjourned at approximately 6:59 p.m.
