THE E-VERIFY PROGRAM FOR EMPLOYMENT VERIFICATION MEMORANDUM OF UNDERSTANDING

ARTICLE I

PURPOSE AND AUTHORITY

This Memorandum of Understanding (MOU) sets forth the points of agreement between the Department of Homeland Security (DHS) and Mobile Fixture (Employer) regarding the Employer's participation in the Employment Eligibility Verification Program (E-Verify). This MOU explains certain features of the E-Verify program and enumerates specific responsibilities of DHS, the Social Security Administration (SSA), and the Employer. E-Verify is a program that electronically confirms an employee's eligibility to work in the United States after completion of the Employment Eligibility Verification Form (Form I-9). For covered government contractors, E-Verify is used to verify the employment eligibility of all newly hired employees and all existing employees assigned to Federal contracts or to verify the entire workforce if the contractor so chooses.

Authority for the E-Verify program is found in Title IV, Subtitle A, of the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA), Pub. L. 104-208, 110 Stat. 3009, as amended (8 U.S.C. § 1324a note). Authority for use of the E-Verify program by Federal contractors and subcontractors covered by the terms of Subpart 22.18, "Employment Eligibility Verification", of the Federal Acquisition Regulation (FAR) (hereinafter referred to in this MOU as a "Federal contractor with the FAR E-Verify clause") to verify the employment eligibility of certain employees working on Federal contracts is also found in Subpart 22.18 and in Executive Order 12989, as amended.

ARTICLE II

FUNCTIONS TO BE PERFORMED

A. RESPONSIBILITIES OF SSA

1. SSA agrees to provide the Employer with available information that allows the Employer to confirm the accuracy of Social Security Numbers provided by all employees verified under this MOU and the employment authorization of U.S. citizens.
2. SSA agrees to provide to the Employer appropriate assistance with operational problems that may arise during the Employer's participation in the E-Verify program. SSA agrees to provide the Employer with names, titles, addresses, and telephone numbers of SSA representatives to be contacted during the E-Verify process.
3. SSA agrees to safeguard the information provided by the Employer through the E-Verify program procedures, and to limit access to such information, as is appropriate by law, to individuals responsible for the verification of Social Security Numbers and for evaluation of the E-Verify program or such other persons or entities who may be authorized by SSA as governed

Company ID Number: 508580

by the Privacy Act (5 U.S.C. § 552a), the Social Security Act (42 U.S.C. 1306(a)), and SSA regulations (20 CFR Part 401).

4. SSA agrees to provide a means of automated verification that is designed (in conjunction with DHS's automated system if necessary) to provide confirmation or tentative nonconfirmation of U.S. citizens' employment eligibility within 3 Federal Government work days of the initial inquiry.

5. SSA agrees to provide a means of secondary verification (including updating SSA records as may be necessary) for employees who contest SSA tentative nonconfirmations that is designed to provide final confirmation or nonconfirmation of U.S. citizens' employment eligibility and accuracy of SSA records for both citizens and non-citizens within 10 Federal Government work days of the date of referral to SSA, unless SSA determines that more than 10 days may be necessary. In such cases, SSA will provide additional verification instructions.

B. RESPONSIBILITIES OF DHS

1. After SSA verifies the accuracy of SSA records for employees through E-Verify, DHS agrees to provide the Employer access to selected data from DHS's database to enable the Employer to conduct, to the extent authorized by this MOU:

- Automated verification checks on employees by electronic means, and
- Photo verification checks (when available) on employees.

2. DHS agrees to provide to the Employer appropriate assistance with operational problems that may arise during the Employer's participation in the E-Verify program. DHS agrees to provide the Employer names, titles, addresses, and telephone numbers of DHS representatives to be contacted during the E-Verify process.

3. DHS agrees to make available to the Employer at the E-Verify Web site and on the E-Verify Web browser, instructional materials on E-Verify policies, procedures and requirements for both SSA and DHS, including restrictions on the use of E-Verify. DHS agrees to provide training materials on E-Verify.

4. DHS agrees to provide to the Employer a notice, which indicates the Employer's participation in the E-Verify program. DHS also agrees to provide to the Employer anti-discrimination notices issued by the Office of Special Counsel for Immigration-Related Unfair Employment Practices (OSC), Civil Rights Division, U.S. Department of Justice.

5. DHS agrees to issue the Employer a user identification number and password that permits the Employer to verify information provided by employees with DHS's database.

6. DHS agrees to safeguard the information provided to DHS by the Employer, and to limit access to such information to individuals responsible for the verification of employees' employment eligibility and for evaluation of the E-Verify program, or to such other persons or entities as may be authorized by applicable law. Information will be used only to verify the accuracy of Social Security Numbers and employment eligibility, to enforce the Immigration and

Company ID Number: 508580

Nationality Act (INA) and Federal criminal laws, and to administer Federal contracting requirements.

7. DHS agrees to provide a means of automated verification that is designed (in conjunction with SSA verification procedures) to provide confirmation or tentative nonconfirmation of employees' employment eligibility within 3 Federal Government work days of the initial inquiry.

8. DHS agrees to provide a means of secondary verification (including updating DHS records as may be necessary) for employees who contest DHS tentative nonconfirmations and photo non-match tentative nonconfirmations that is designed to provide final confirmation or nonconfirmation of the employees' employment eligibility within 10 Federal Government work days of the date of referral to DHS, unless DHS determines that more than 10 days may be necessary. In such cases, DHS will provide additional verification instructions.

C. RESPONSIBILITIES OF THE EMPLOYER

1. The Employer agrees to display the notices supplied by DHS in a prominent place that is clearly visible to prospective employees and all employees who are to be verified through the system.

2. The Employer agrees to provide to the SSA and DHS the names, titles, addresses, and telephone numbers of the Employer representatives to be contacted regarding E-Verify.

3. The Employer agrees to become familiar with and comply with the most recent version of the E-Verify User Manual.

4. The Employer agrees that any Employer Representative who will perform employment verification queries will complete the E-Verify Tutorial before that individual initiates any queries.

A. The Employer agrees that all Employer representatives will take the refresher tutorials initiated by the E-Verify program as a condition of continued use of E-Verify.

B. Failure to complete a refresher tutorial will prevent the Employer from continued use of the program.

5. The Employer agrees to comply with current Form I-9 procedures, with two exceptions:

- If an employee presents a "List B" identity document, the Employer agrees to only accept "List B" documents that contain a photo. (List B documents identified in 8 C.F.R. § 274a.2(b)(1)(B)) can be presented during the Form I-9 process to establish identity.) If an employee objects to the photo requirement for religious reasons, the Employer should contact E-Verify at 888-464-4218.

- If an employee presents a DHS Form I-551 (Permanent Resident Card) or Form I-766 (Employment Authorization Document) to complete the Form I-9, the Employer agrees to make a photocopy of the document and to retain the photocopy with the employee's Form I-9. The photocopy must be of sufficient quality to allow for verification of the photo

Company ID Number: 508580

and written information. The employer will use the photocopy to verify the photo and to assist DHS with its review of photo non-matches that are contested by employees. Note that employees retain the right to present any List A, or List B and List C, documentation to complete the Form I-9. DHS may in the future designate other documents that activate the photo screening tool.

6. The Employer understands that participation in E-Verify does not exempt the Employer from the responsibility to complete, retain, and make available for inspection Forms I-9 that relate to its employees, or from other requirements of applicable regulations or laws, including the obligation to comply with the antidiscrimination requirements of section 274B of the INA with respect to Form I-9 procedures, except for the following modified requirements applicable by reason of the Employer's participation in E-Verify: (1) identity documents must have photos, as described in paragraph 5 above; (2) a rebuttable presumption is established that the Employer has not violated section 274A(a)(1)(A) of the Immigration and Nationality Act (INA) with respect to the hiring of any individual if it obtains confirmation of the identity and employment eligibility of the individual in good faith compliance with the terms and conditions of E-Verify; (3) the Employer must notify DHS if it continues to employ any employee after receiving a final nonconfirmation, and is subject to a civil money penalty between \$550 and \$1,100 for each failure to notify DHS of continued employment following a final nonconfirmation; (4) the Employer is subject to a rebuttable presumption that it has knowingly employed an unauthorized alien in violation of section 274A(a)(1)(A) if the Employer continues to employ an employee after receiving a final nonconfirmation; and (5) no person or entity participating in E-Verify is civilly or criminally liable under any law for any action taken in good faith based on information provided through the confirmation system. DHS reserves the right to conduct Form I-9 and E-Verify system compliance inspections during the course of E-Verify, as well as to conduct any other enforcement activity authorized by law.

7. The Employer agrees to initiate E-Verify verification procedures for new employees within 3 Employer business days after each employee has been hired (but after the Form I-9 has been completed), and to complete as many (but only as many) steps of the E-Verify process as are necessary according to the E-Verify User Manual, or in the case of Federal contractors with the FAR E-Verify clause, the E-Verify User Manual for Federal Contractors. The Employer is prohibited from initiating verification procedures before the employee has been hired and the Form I-9 completed. If the automated system to be queried is temporarily unavailable, the 3-day time period is extended until it is again operational in order to accommodate the Employer's attempting, in good faith, to make inquiries during the period of unavailability. Employers may initiate verification by notating the Form I-9 in circumstances where the employee has applied for a Social Security Number (SSN) from the SSA and is waiting to receive the SSN, provided that the Employer performs an E-Verify employment verification query using the employee's SSN as soon as the SSN becomes available.

8. The Employer agrees not to use E-Verify procedures for pre-employment screening of job applicants, in support of any unlawful employment practice, or for any other use not authorized by this MOU. Employers must use E-Verify for all new employees, unless an Employer is a Federal contractor that qualifies for the exceptions described in Article II.D.1.c. Except as provided in Article II.D, the Employer will not verify selectively and will not verify employees hired before the effective date of this MOU. The Employer understands that if the Employer

Company ID Number: 508580

uses the E-Verify system for any purpose other than as authorized by this MOU, the Employer may be subject to appropriate legal action and termination of its access to SSA and DHS information pursuant to this MOU.

9. The Employer agrees to follow appropriate procedures (see Article III. below) regarding tentative nonconfirmations, including notifying employees in private of the finding and providing them written notice of the findings, providing written referral instructions to employees, allowing employees to contest the finding, and not taking adverse action against employees if they choose to contest the finding. Further, when employees contest a tentative nonconfirmation based upon a photo non-match, the Employer is required to take affirmative steps (see Article III.B. below) to contact DHS with information necessary to resolve the challenge.

10. The Employer agrees not to take any adverse action against an employee based upon the employee's perceived employment eligibility status while SSA or DHS is processing the verification request unless the Employer obtains knowledge (as defined in 8 C.F.R. § 274a.1(l)) that the employee is not work authorized. The Employer understands that an initial inability of the SSA or DHS automated verification system to verify work authorization, a tentative nonconfirmation, a case in continuance (indicating the need for additional time for the government to resolve a case), or the finding of a photo non-match, does not establish, and should not be interpreted as evidence, that the employee is not work authorized. In any of the cases listed above, the employee must be provided a full and fair opportunity to contest the finding, and if he or she does so, the employee may not be terminated or suffer any adverse employment consequences based upon the employee's perceived employment eligibility status (including denying, reducing, or extending work hours, delaying or preventing training, requiring an employee to work in poorer conditions, refusing to assign the employee to a Federal contract or other assignment, or otherwise subjecting an employee to any assumption that he or she is unauthorized to work) until and unless secondary verification by SSA or DHS has been completed and a final nonconfirmation has been issued. If the employee does not choose to contest a tentative nonconfirmation or a photo non-match or if a secondary verification is completed and a final nonconfirmation is issued, then the Employer can find the employee is not work authorized and terminate the employee's employment. Employers or employees with questions about a final nonconfirmation may call E-Verify at 1-888-464-4218 or OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

11. The Employer agrees to comply with Title VII of the Civil Rights Act of 1964 and section 274B of the INA, as applicable, by not discriminating unlawfully against any individual in hiring, firing, or recruitment or referral practices because of his or her national origin or, in the case of a protected individual as defined in section 274B(a)(3) of the INA, because of his or her citizenship status. The Employer understands that such illegal practices can include selective verification or use of E-Verify except as provided in part D below, or discharging or refusing to hire employees because they appear or sound "foreign" or have received tentative nonconfirmations. The Employer further understands that any violation of the unfair immigration-related employment practices provisions in section 274B of the INA could subject the Employer to civil penalties, back pay awards, and other sanctions, and violations of Title VII could subject the Employer to back pay awards, compensatory and punitive damages. Violations of either section 274B of the INA or Title VII may also lead to the termination of its participation in E-

Verify. If the Employer has any questions relating to the anti-discrimination provision, it should contact OSC at 1-800-255-8155 or 1-800-237-2515 (TDD).

12. The Employer agrees to record the case verification number on the employee's Form I-9 or to print the screen containing the case verification number and attach it to the employee's Form I-9.

13. The Employer agrees that it will use the information it receives from SSA or DHS pursuant to E-Verify and this MOU only to confirm the employment eligibility of employees as authorized by this MOU. The Employer agrees that it will safeguard this information, and means of access to it (such as PINS and passwords) to ensure that it is not used for any other purpose and as necessary to protect its confidentiality, including ensuring that it is not disseminated to any person other than employees of the Employer who are authorized to perform the Employer's responsibilities under this MOU, except for such dissemination as may be authorized in advance by SSA or DHS for legitimate purposes.

14. The Employer acknowledges that the information which it receives from SSA is governed by the Privacy Act (5 U.S.C. § 552a(i)(1) and (3)) and the Social Security Act (42 U.S.C. 1306(a)), and that any person who obtains this information under false pretenses or uses it for any purpose other than as provided for in this MOU may be subject to criminal penalties.

15. The Employer agrees to cooperate with DHS and SSA in their compliance monitoring and evaluation of E-Verify, including by permitting DHS and SSA, upon reasonable notice, to review Forms I-9 and other employment records and to interview it and its employees regarding the Employer's use of E-Verify, and to respond in a timely and accurate manner to DHS requests for information relating to their participation in E-Verify.

D. RESPONSIBILITIES OF FEDERAL CONTRACTORS WITH THE FAR E-VERIFY CLAUSE

1. The Employer understands that if it is a subject to the employment verification terms in Subpart 22.18 of the FAR, it must verify the employment eligibility of any existing employee assigned to the contract and all new hires, as discussed in the Supplemental Guide for Federal Contractors. Once an employee has been verified through E-Verify by the Employer, the Employer may not reverify the employee through E-Verify.

a. Federal contractors with the FAR E-Verify clause agree to become familiar with and comply with the most recent versions of the E-Verify User Manual for Federal Contractors and the E-Verify Supplemental Guide for Federal Contractors.

b. Federal contractors with the FAR E-Verify clause agree to complete a tutorial for Federal contractors with the FAR E-Verify clause.

c. Federal contractors with the FAR E-Verify clause not enrolled at the time of contract award: An Employer that is not enrolled in E-Verify at the time of a contract award must enroll as a Federal contractor with the FAR E-Verify clause in E-Verify within 30 calendar days of contract award and, within 90 days of enrollment, begin to use E-Verify to initiate verification of employment eligibility of new hires of the Employer who are working in the United States,

Company ID Number: 508580

whether or not assigned to the contract. Once the Employer begins verifying new hires, such verification of new hires must be initiated within 3 business days after the date of hire. Once enrolled in E-Verify as a Federal contractor with the FAR E-Verify clause, the Employer must initiate verification of employees assigned to the contract within 90 calendar days from the time of enrollment in the system and after the date and selecting which employees will be verified in E-Verify or within 30 days of an employee's assignment to the contract, whichever date is later.

d. Employers that are already enrolled in E-Verify at the time of a contract award but are not enrolled in the system as a Federal contractor with the FAR E-Verify clause: Employers enrolled in E-Verify for 90 days or more at the time of a contract award must use E-Verify to initiate verification of employment eligibility for new hires of the Employer who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire. Employers enrolled in E-Verify as other than a Federal contractor with the FAR E-Verify clause, must update E-Verify to indicate that they are a Federal contractor with the FAR E-Verify clause within 30 days after assignment to the contract. If the Employer is enrolled in E-Verify for 90 calendar days or less at the time of contract award, the Employer must, within 90 days of enrollment, begin to use E-Verify to initiate verification of new hires of the contractor who are working in the United States, whether or not assigned to the contract. Such verification of new hires must be initiated within 3 business days after the date of hire. An Employer enrolled as a Federal contractor with the FAR E-Verify clause in E-Verify must initiate verification of each employee assigned to the contract within 90 calendar days after date of contract award or within 30 days after assignment to the contract, whichever is later.

e. Institutions of higher education, State, local and tribal governments and sureties: Federal contractors with the FAR E-Verify clause that are institutions of higher education (as defined at 20 U.S.C. 1001(a)), State or local governments, governments of Federally recognized Indian tribes, or sureties performing under a takeover agreement entered into with a Federal agency pursuant to a performance bond may choose to only verify new and existing employees assigned to the Federal contract. Such Federal contractors with the FAR E-Verify clause may, however, elect to verify all new hires, and/or all existing employees hired after November 6, 1986. The provisions of Article II.D, paragraphs 1.a and 1.b of this MOU providing timeframes for initiating employment verification of employees assigned to a contract apply to such institutions of higher education, State, local and tribal governments, and sureties.

f. Verification of all employees: Upon enrollment, Employers who are Federal contractors with the FAR E-Verify clause may elect to verify employment eligibility of all existing employees working in the United States who were hired after November 6, 1986, instead of verifying only new employees and those existing employees assigned to a covered Federal contract. After enrollment, Employers must elect to do so only in the manner designated by DHS and initiate E-Verify verification of all existing employees within 180 days after the election.

g. Form I-9 procedures for existing employees of Federal contractors with the FAR E-Verify clause: Federal contractors with the FAR E-Verify clause may choose to complete new Forms I-9 for all existing employees other than those that are completely exempt from this process. Federal contractors with the FAR E-Verify clause may also update previously completed Forms I-9 to initiate E-Verify verification of existing employees who are not completely exempt as long as that Form I-9 is complete (including the SSN), complies with

Company ID Number: 508580

Article II.C.5, the employee's work authorization has not expired, and the Employer has reviewed the information reflected in the Form I-9 either in person or in communications with the employee to ensure that the employee's stated basis in section 1 of the Form I-9 for work authorization has not changed (including, but not limited to, a lawful permanent resident alien having become a naturalized U.S. citizen). If the Employer is unable to determine that the Form I-9 complies with Article II.C.5, if the employee's basis for work authorization as attested in section 1 has expired or changed, or if the Form I-9 contains no SSN or is otherwise incomplete, the Employer shall complete a new I-9 consistent with Article II.C.5, or update the previous I-9 to provide the necessary information. If section 1 of the Form I-9 is otherwise valid and up-to-date and the form otherwise complies with Article II.C.5, but reflects documentation (such as a U.S. passport or Form I-551) that expired subsequent to completion of the Form I-9, the Employer shall not require the production of additional documentation, or use the photo screening tool described in Article II.C.5, subject to any additional or superseding instructions that may be provided on this subject in the Supplemental Guide for Federal Contractors. Nothing in this section shall be construed to require a second verification using E-Verify of any assigned employee who has previously been verified as a newly hired employee under this MOU, or to authorize verification of any existing employee by any Employer that is not a Federal contractor with the FAR E-Verify clause.

2. The Employer understands that if it is a Federal contractor with the FAR E-Verify clause, its compliance with this MOU is a performance requirement under the terms of the Federal contract or subcontract, and the Employer consents to the release of information relating to compliance with its verification responsibilities under this MOU to contracting officers or other officials authorized to review the Employer's compliance with Federal contracting requirements.

ARTICLE III

REFERRAL OF INDIVIDUALS TO SSA AND DHS

A. REFERRAL TO SSA

1. If the Employer receives a tentative nonconfirmation issued by SSA, the Employer must print the notice as directed by the E-Verify system and provide it to the employee so that the employee may determine whether he or she will contest the tentative nonconfirmation. The Employer must review the tentative nonconfirmation with the employee in private.

2. The Employer will refer employees to SSA field offices only as directed by the automated system based on a tentative nonconfirmation, and only after the Employer records the case verification number, reviews the input to detect any transaction errors, and determines that the employee contests the tentative nonconfirmation. The Employer will transmit the Social Security Number to SSA for verification again if this review indicates a need to do so. The Employer will determine whether the employee contests the tentative nonconfirmation as soon as possible after the Employer receives it.

3. If the employee contests an SSA tentative nonconfirmation, the Employer will provide the employee with a system-generated referral letter and instruct the employee to visit an SSA office within 8 Federal Government work days. SSA will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it

Company ID Number: 508580

determines that more than 10 days is necessary. The Employer agrees to check the E-Verify system regularly for case updates.

4. The Employer agrees not to ask the employee to obtain a printout from the Social Security Number database (the Numident) or other written verification of the Social Security Number from the SSA.

B. REFERRAL TO DHS

1. If the Employer receives a tentative nonconfirmation issued by DHS, the Employer must print the tentative nonconfirmation notice as directed by the E-Verify system and provide it to the employee so that the employee may determine whether he or she will contest the tentative nonconfirmation. The Employer must review the tentative nonconfirmation with the employee in private.

2. If the Employer finds a photo non-match for an employee who provides a document for which the automated system has transmitted a photo, the employer must print the photo non-match tentative nonconfirmation notice as directed by the automated system and provide it to the employee so that the employee may determine whether he or she will contest the finding. The Employer must review the tentative nonconfirmation with the employee in private.

3. The Employer agrees to refer individuals to DHS only when the employee chooses to contest a tentative nonconfirmation received from DHS automated verification process or when the Employer issues a tentative nonconfirmation based upon a photo non-match. The Employer will determine whether the employee contests the tentative nonconfirmation as soon as possible after the Employer receives it.

4. If the employee contests a tentative nonconfirmation issued by DHS, the Employer will provide the employee with a referral letter and instruct the employee to contact DHS through its toll-free hotline (as found on the referral letter) within 8 Federal Government work days.

5. If the employee contests a tentative nonconfirmation based upon a photo non-match, the Employer will provide the employee with a referral letter to DHS. DHS will electronically transmit the result of the referral to the Employer within 10 Federal Government work days of the referral unless it determines that more than 10 days is necessary. The Employer agrees to check the E-Verify system regularly for case updates.

6. The Employer agrees that if an employee contests a tentative nonconfirmation based upon a photo non-match, the Employer will send a copy of the employee's Form I-551 or Form I-766 to DHS for review by:

- Scanning and uploading the document, or
- Sending a photocopy of the document by an express mail account (paid for at employer expense).

7. If the Employer determines that there is a photo non-match when comparing the photocopied List B document described in Article II.C.5 with the image generated in E-Verify, the Employer must forward the employee's documentation to DHS using one of the means described in the preceding paragraph, and allow DHS to resolve the case.

Company ID Number: 508580

ARTICLE IV

SERVICE PROVISIONS

SSA and DHS will not charge the Employer for verification services performed under this MOU. The Employer is responsible for providing equipment needed to make inquiries. To access E-Verify, an Employer will need a personal computer with Internet access.

ARTICLE V

PARTIES

A. This MOU is effective upon the signature of all parties, and shall continue in effect for as long as the SSA and DHS conduct the E-Verify program unless modified in writing by the mutual consent of all parties, or terminated by any party upon 30 days prior written notice to the others. Any and all system enhancements to the E-Verify program by DHS or SSA, including but not limited to the E-Verify checking against additional data sources and instituting new verification procedures, will be covered under this MOU and will not cause the need for a supplemental MOU that outlines these changes. DHS agrees to train employers on all changes made to E-Verify through the use of mandatory refresher tutorials and updates to the E-Verify User Manual, the E-Verify User Manual for Federal Contractors or the E-Verify Supplemental Guide for Federal Contractors. Even without changes to E-Verify, DHS reserves the right to require employers to take mandatory refresher tutorials. An Employer that is a Federal contractor with the FAR E-Verify clause may terminate this MOU when the Federal contract that requires its participation in E-Verify is terminated or completed. In such a circumstance, the Federal contractor with the FAR E-Verify clause must provide written notice to DHS. If an Employer that is a Federal contractor with the FAR E-Verify clause fails to provide such notice, that Employer will remain a participant in the E-Verify program, will remain bound by the terms of this MOU that apply to participants that are not Federal contractors with the FAR E-Verify clause, and will be required to use the E-Verify procedures to verify the employment eligibility of all newly hired employees.

B. Notwithstanding Article V, part A of this MOU, DHS may terminate this MOU if deemed necessary because of the requirements of law or policy, or upon a determination by SSA or DHS that there has been a breach of system integrity or security by the Employer, or a failure on the part of the Employer to comply with established procedures or legal requirements. The Employer understands that if it is a Federal contractor with the FAR E-Verify clause, termination of this MOU by any party for any reason may negatively affect its performance of its contractual responsibilities.

C. Some or all SSA and DHS responsibilities under this MOU may be performed by contractor(s), and SSA and DHS may adjust verification responsibilities between each other as they may determine necessary. By separate agreement with DHS, SSA has agreed to perform its responsibilities as described in this MOU.

Company ID Number: 508580

D. Nothing in this MOU is intended, or should be construed, to create any right or benefit, substantive or procedural, enforceable at law by any third party against the United States, its agencies, officers, or employees, or against the Employer, its agents, officers, or employees.

E. Each party shall be solely responsible for defending any claim or action against it arising out of or related to E-Verify or this MOU, whether civil or criminal, and for any liability wherefrom, including (but not limited to) any dispute between the Employer and any other person or entity regarding the applicability of Section 403(d) of IIRIRA to any action taken or allegedly taken by the Employer.

F. The Employer understands that the fact of its participation in E-Verify is not confidential information and may be disclosed as authorized or required by law and DHS or SSA policy, including but not limited to, Congressional oversight, E-Verify publicity and media inquiries, determinations of compliance with Federal contractual requirements, and responses to inquiries under the Freedom of Information Act (FOIA).

G. The foregoing constitutes the full agreement on this subject between DHS and the Employer.

H. The individuals whose signatures appear below represent that they are authorized to enter into this MOU on behalf of the Employer and DHS respectively.

Company ID Number: 508580

To be accepted as a participant in E-Verify, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 888-464-4218.

Surveys, analyses, and evaluations for research purposes shall be allowed by the Board when the project is viewed as contributory to a greater understanding of the teaching-learning process, the project does not violate the goals of the Board, and the disruption of the regular school program is minimal. The director of schools shall develop administrative procedures for approving requests for conducting surveys, analyses, or evaluations by agencies, organizations or individuals. The requests shall outline what is to be done, who is to be involved and how the results will be used and distributed.¹

Prior to the dissemination of a survey, analysis, or evaluation to students, parents/guardians shall be notified of their ability to review the materials. Such notification shall include information indicating the purpose of the survey, analysis, or evaluation as well as who will have access to the results. The survey, analysis, or evaluation shall only be administered to students under the age of eighteen (18) whose parent(s)/guardian(s) provide written, informed, and voluntarily signed consent. A student who is eighteen (18) years of age or older may participate after he/she provides written, informed, and voluntarily signed consent. The Director of Schools shall develop procedures for granting such parental requests.¹

The director of schools shall develop procedures for granting such parental requests and to implement the other provisions of this policy.¹

No student shall be required, as part of any program, to submit to a survey, analysis or evaluation that reveals information concerning: ^{1.2}

1. mental or psychological problems of the student or the student's family;
2. sexual behavior or attitudes;
3. illegal, anti-social, self-incriminating, or demeaning behavior;
4. critical appraisals of other individuals with whom respondents have close family relationships;
5. legally privileged relationships;
6. income; or
7. the collection of student biometric data involving the analysis of facial expressions, EEG brain wave patterns, skin conductance, galvanic skin response, heart-rate variability, pulse, blood volume, posture, and eye-tracking³

without the prior consent of the student (if the student is an adult or emancipated minor), or in the case of an unemancipated minor, without the prior written consent of the parent.⁵

The collection of the following student data is strictly prohibited:⁴

1. political affiliation or voting history;
2. religious practices; and
3. firearm ownership.

1 COLLECTING, DISCLOSING OR USING INFORMATION FOR MARKETING⁵

2 In general, the district will not collect, disclose or use personal student information for the purpose of
3 marketing or selling that information or otherwise providing that information to others for that purpose.

4 If any collected information is to be marketed or sold, parents will be directly notified at least annually
5 at the beginning of the school year of the specific or approximate dates when such information will be
6 collected. Parents, upon request, may inspect any instrument used to collect personal information for the
7 purpose of marketing or selling that information before the instrument is administered or distributed to
8 the student. All parents and students of appropriate age may decline to provide the information requested.

9 This portion of the policy does not apply to the collection, disclosure or use of personal information
10 collected from students for the exclusive purpose of developing, evaluating or providing educational
11 products or services for or to students or educational institutions to the extent allowed by law, such as
12 the following:⁴

- 13 1. College or other postsecondary education recruitment or military recruitment.
- 14 2. Book clubs, magazines and programs providing access to low-cost literary products.

19 such tests and assessments.
- 20 4. The sale by students of products or services to raise funds for school-related or education
21 related activities.
- 22 5. Student recognition programs.

5 a bed bug infestation.
- 6 It shall be the responsibility of the principal, school nurse, or designee to notify the parents or
7 guardians in the event a bed bug has been found on a student or their belongings. A letter shall be sent
8 home to explain the condition, that the student will be excluded from school until the requirements for
9 readmission have been met, and deadlines for satisfactory completion of any required treatment.
10 Readmission of the student to school will be conditioned upon a satisfactory examination by a school
11 health official and if circumstances deem such necessary proof of treatment by a professional pest
12 management service.
- 13 A student shall be expected to have met all requirements for readmission and return to school no later
14 than 7 days following exclusion for bed bugs. All days in excess of the 7 day allowable period shall be
15 marked as unexcused absences and referred to the attendance supervisor.
- 16 Procedures for the school system's prevention of bed bug infestations, the response to the sighting of a
17 bed bug, and of any necessary treatment of school facilities in the event of a bed bug infestation shall
18 be developed by the director of schools in consultation with the school system's Coordinated School

		Rescinds: 6.405	Issued: 04/05/21

If under exceptional circumstances a child is required to take non-prescription or prescription medication during school hours and the parent/guardian cannot be at school to administer the medication, only the principal or the principal's designee will assist in self-administration of the medication if the student is competent to self-administer medicine with assistance in compliance with the following regulations: ¹

Written instructions signed by the parent will be required and will include:

1. Child's name;
2. Name of medication;
3. Name of physician;
4. Time to be self-administered;
5. Dosage and directions for self-administration (non-prescription medicines must have label direction);
6. Possible side effects, if known; and
7. Termination date for self-administration of the medication.

Students with asthma shall be permitted to self-administer prescribed, metered dosage asthma-reliever inhalers if the additional information is provided by a parent/guardian:

1. Written statement from the prescribing health care practitioner that the student suffers from asthma and has been instructed in self-administration; and
2. Purpose of the medication.

The medication shall be delivered to the principal's office in person by the parent/guardian of the student unless the medication shall be retained by the student for immediate self-administration.

The medication must be delivered to the principal's office in person by the parent/guardian or their designee of the student unless the medication must be retained by the student for immediate self-administration (i.e. students with asthma), in which case a doctor's order is required to be on file at the school.

Volunteer personnel, trained by a registered nurse, may administer emergency medication to a student based on that student's Individual Health Plan (IHP) or a physician's standing order. A call to 911 will be made in the event of these emergencies.

The administrator/designee will:

1. Inform appropriate school personnel of the medication to be self-administered;
2. Keep written instructions from parent in student's record;
3. Keep an accurate record of the self-administration of the medication;
4. Keep all medication in a locked cabinet except medication retained by a student per physician's order;
5. Return unused prescription to the parent or guardian only; and
6. Ensure that all guidelines developed by the Department of Health and the Department of Education are followed.

The parent or guardian is responsible for informing the designated official of any change in the student's health or change in medication.

A copy of this policy shall be provided to a parent or guardian upon receipt of a request for long-term administration of medication.

TRANSPORTATION OF MEDICATIONS ON SCHOOLS BUSES

In an effort to ensure the safety and well-being of all students, no medications except inhalers or other medications which a physician has indicated in writing should be kept on a student's person, may be transported on school buses. Parents must make arrangements for delivery of medications to the school that their child attends.

In the event that medication is sent to school on a bus in violation of this policy, the following procedure will be utilized:

1. First Non-Compliance Incident

Parents will be contacted by phone or letter. A copy of this policy will be attached to the letter.

2. Second Non-Compliance Incident

A referral will be made to the Juvenile Court of Hickman County and/or the Department of Children's Services for disposition of the matter.

DISPOSAL OF MEDICATIONS

Notification will be provided by phone call or notes sent home to parents one week prior to the end of the school year that unused medication is remaining at school.

If a parent/guardian or their designee does not pick up remaining medication, disposal will occur at the end of the school year by transporting to the Hickman County Sheriff's Department to be disposed of properly through the Community Drug Take Back Program. Two school personnel shall be present at disposal. Appropriate school personnel will be trained annually in disposal procedures. Documentation shall occur regarding disposal of all medications.

BLOOD GLUCOSE SELF-CHECKS²

Upon written request of a parent or guardian, and if included in the student's medical management plan and in the IHP, a student with diabetes shall be permitted to perform a blood glucose check or administer insulin using any necessary diabetes monitoring and treatment supplies, including sharps. The student shall be permitted to perform the testing in any area of the school or school grounds at any time necessary. The student will report the use of the monitoring or treatment supplies to school employee for proper disposal.

Sharps shall be stored in a secure, but accessible location, including the student's person, until use of such sharps is appropriate.

Use and disposal of sharps shall be in compliance with the guidelines set forth by the Tennessee Occupational Safety and Health Administration (TOSHA).

STUDENTS WITH PANCREATIC INSUFFICIENCY OR CYSTIC FIBROSIS³

Students diagnosed with pancreatic insufficiency or cystic fibrosis shall be permitted to carry and self-administer their prescribed medication in a manner directed by a licensed healthcare provider without additional assistance or direction. The Director of Schools shall develop procedures for the development of both an Individualized Healthcare Plan (IHP) and an Emergency Care Plan (ECP) that conforms to state law for every student with pancreatic insufficiency or cystic fibrosis that wishes to self-medicate.

STUDENTS WITH ADRENAL INSUFFICIENCY⁴

The parent/guardian of a student diagnosed with adrenal insufficiency shall notify the school district of the student's diagnosis. Once notified, the district shall observe the following procedure:

1. The district shall train school personnel who will be responsible for administering the medication for the treatment of adrenal insufficiency and any who volunteer to administer the medication.

- 1 2. The district shall maintain a record of all school personnel who have completed this training.
- 2
- 3 3. If a student is suffering from an adrenal crisis, a school nurse or other licensed health care
- 4 professional may administer the prescribed medication to the student. If a school nurse or other
- 5 licensed health care professional is not immediately available, trained school personnel may
- 6 administer the prescribed medication.
- 7 The director of schools shall develop procedures on the administration of medications that treat adrenal
- 8 insufficiency and recordkeeping per rules set forth by the State Board of Education.

Emergency Allergy Response Plan 6.412

Hickman County Board of Education

	Descriptor Term: Emergency Medication	Descriptor Code: 6.4051	Issued Date: 06/05/23
		Rescinds: 6.4051	Issued: 04/05/21

This policy addresses those instances when students need to receive medication in an emergency situation. Board Policy 6.405 addresses instances wherein students take medicine during the school day in non-emergency situations.

School personnel, who volunteer, under no duress or pressure and have been properly trained by a registered nurse, are permitted to administer glucagon in emergency situation to a student based on physician's order and/or the student's Individual Health Plan (IHP). If the school nurse is on site, the nurse shall provide the service to the student.¹

The school nurse shall be responsible for updating and maintaining each IHP. There must be a parent/guardian signature on file giving permission prior to training school personnel to administer glucagon.

Following are specifics relating to glucagon and diazepam. Volunteer personnel, trained by a registered nurse, may administer emergency medication to a student based on that student's Individual Health Plan (IHP) or a physician's standing order. A call to 911 will be made in the event of these emergencies.

DEFINITION OF GLUCAGON

Glucagon is a hormone that helps the liver release sugar, thus increasing the level of sugar in the blood. It must be injected with a syringe into the body like insulin.

WHEN TO USE GLUCAGON

Glucagon is administered when the student has low blood sugar and is unable to take liquid or food by mouth because of unconsciousness or seizure activity as per a medical provider's written instructions.

TRAINING

1. Review physicians' orders for glucagon and parent/guardian permission on file.
2. The volunteer must complete an initial in-depth diabetes-related training recognizing signs and symptoms of hypoglycemia and respond with student-specific interventions.
3. The volunteer trainee must be able to state glucagon's action and the need for its use.
4. The volunteer trainee must be able to state how glucagon should be prepared, the dosage, and side effects as well as follow-up care after the administration of glucagon.

5. The volunteer trainee must be able to identify where glucagon will be stored (must be kept in a secure location away from heat and direct light) and readily available to the student.
6. The volunteer trainee will notify or delegate notification of EMS/911 personnel, parents/guardian, and the school nurse any time glucagon is administered to any student.
7. The volunteer trainee must document observations, administration of glucagon, and follow-up care on the appropriate diabetic and medication forms.
8. Training will be provided until competency is demonstrated, and retraining shall be completed on a yearly basis. Training will be documented and include a skills checklist, instructor's name, trainee's name, date of training, and documentation of competency of trainee to administer glucagon. A copy of the trainee's competency training form will be kept in the employee's personnel file.

DEFINITION OF DIAZEPAM (DIASTAT)

Diastat works to stop seizure activity by acting on brain cell interactions that inhibit the seizure discharges. This special formulation of diazepam is administered rectally as a gel.

School personnel who volunteer under no duress or pressure and who have been properly trained by a registered nurse or employed or contracted by the Hickman County School System may administer anti-seizure medication, including diazepam gel to a student in an emergency situation based on the student's IHP. If the school nurse is available, on site, and able to reach the student within the time limit for administration specified in the IHP, then the school nurse shall provide this service to the student.

WHEN TO USE DIASTAT

Upon the decision of a trained volunteer to administer diazepam gel (Diastat), school officials shall immediately summon local emergency medical services to the school to provide necessary monitoring of transport to safeguard the health and condition of the student.

Trained volunteer school personnel administering anti-seizure medications, any registered nurse who provides training to administer such medications, and any local board of education shall not be liable in any court of law for injury resulting from the reasonable and prudent assistance in the administration of such medications, if performed pursuant to the policies and guidelines developed by the departments of health and education and approved by applicable regulatory or governing boards or agencies.

The Hickman County School System shall not assign a student with epilepsy or other seizure disorder to a school other than the school for which the student is zoned or would otherwise regularly attend because the student has a seizure disorder.

A student's parent/guardian, who has given the student's school written authorization to administer anti-seizure medication, shall, in accordance with the student's IHP, notify the school administrator or school nurse if anti-seizure medication or prescription over-the-counter medicines are administered at a

- 1 time at which the student is not present in school. The student's IHP shall set forth with specificity the
requirements of reporting administration of medication and for the dissemination of such information
- 3 to volunteer school personnel trained to administer anti-seizure medication. Such notification shall be
4 given after administration of medication before or at the beginning of the next school day in which the
5 student is in attendance.

6 TRAINING

- 7 Prior to administration of an anti-seizure medication to a student by volunteer school personnel or a
8 school nurse in an emergency situation, the student's parent/guardian shall provide:

- 9 1. The school with a written authorization to administer the medication at school;
- 10 2. A written statement from the student's health care practitioner, which shall contain the
11 student's name, the name and purpose of the medication, the prescribed dosage, the
12 route of administration, the frequency that the medication may be administered, and the
13 circumstances under which the medication may be administered;
- 14 3. Prior to its date of expiration, the prescribed medication to the school is in its unopened,
15 sealed package with the intact label affixed by the dispensing pharmacy.

16 EMERGENCY ALLERGY RESPONSE PLAN

- 17 The director of schools shall develop and maintain an Emergency Allergy Response Plan that meets
state guidelines for managing students with life-threatening allergies. The Plan shall include measures
19 to reduce exposure to allergens and procedures to treat allergic reactions. Components of the plan shall
20 include, but are not limited to: education and training of personnel, record keeping/documentation,
21 development and reviews of the allergy action plan, and protocols for classrooms and cafeterias that
22 include strategies to reduce exposure to allergens.²

- 23 Using the state food allergy guidelines plan as a guide, the direction shall also develop a process to
24 identify all students with food allergies and develop and implement an Individualized Health Care Plan
25 (IHCP) with an Allergy Action Plan for each specific student.³

STANDING ORDER

Auto-Injector Epinephrine Administration for Anaphylaxis

In the event of an anaphylactic reaction in an individual in the school setting, epinephrine will be administered by the school nurse or trained unlicensed school personnel. This Standing Order is for the use of auto-injector epinephrine in such situations.

In the case of students with a history of anaphylaxis or other severe allergic reactions, epinephrine should be administered according to specific individualized prescriptive orders documented in their individualized health care plans. If no such orders exist or are not readily available, the Standing Orders given in this document should be used.

DEFINITION: **Anaphylaxis** is a severe allergic reaction which can be life threatening and occur within minutes after a triggering event or up to hours later.

CAUSES: Extreme sensitivity to one or more of the following:
medication
exercise induced foods
latex
idiopathic (unknown) insect
stings
other
asthma triggers

PHYSICAL FINDINGS: Common symptoms associated with anaphylaxis: difficulty breathing, wheezing
hives, generalized flushing, itching, or redness of the skin
swelling of the throat, lips, tongue, throat; tightness change of voice; difficulty swallowing
tingling sensation, itching, or metallic taste in mouth feeling
of apprehension, agitation

STANDING ORDER:

1. Based on symptoms, determine that an anaphylactic reaction appears to be occurring. Act quickly. It is safer to give epinephrine than to delay treatment.

Anaphylaxis is a life-threatening reaction.

2. (If you are alone and are able to provide epinephrine, call out or yell for help as you

immediately go get the epinephrine. Do not take extra time seeking others until you have provided the epinephrine.)

3. (If **you are alone and do not know how to provide epinephrine**, call out or yell for help. If someone is available to help you, have them get the personnel trained to provide epinephrine and the epinephrine while you dial 911 and follow the dispatcher's instructions. Advise 911 operator that anaphylaxis is suspected and epinephrine is available. Your goal is to get someone (EMS or trained personnel) to provide epinephrine and care as soon as possible.)

4. Select appropriate epinephrine auto-injector to administer, based on weight.

Dosage: 0.15 mg Epinephrine auto-injector IM, if less than 66 pounds
0.30mg Epinephrine auto-injector IM; if 66 pounds or greater

Frequency: If symptoms continue, a second dose should be administered 5 to 15 minutes after first dose

5. Inject epinephrine via auto-injector: Pull off safety release cap. Swing and jab firmly into upper, outer thigh, (through clothing if necessary). **Hold in place for 10 seconds to deliver medication and then remove.** Massage the area for 10 more seconds. Note the time.

6. Call or have a bystander call 911 immediately or activate the Emergency Medical System (EMS). Advise 911 operator that anaphylaxis is suspected and epinephrine has been given.

7. Keep the individual either lying down or seated. If they lose consciousness, check if they are breathing and have a pulse. If not, begin CPR (cardiopulmonary resuscitation), call out for help and continue CPR until the individual regains a pulse and is breathing or until EMS arrives and takes over.

8. Call School Nurse Front Office school personnel and advise of situation.

9. Repeat the dose after 5 to 15 minutes if symptoms persist or return.

10. Stay with individual until EMS arrives, continuing to follow the directions in No. 7 above.

11. Provide EMS with epinephrine auto-injector labeled with name, date, and time administered to transport to the ER with student.

FOLLOW UP (to be done the same day as the event):

Assure parents/guardians have been notified. Complete required documentation of incident. Order replacement epinephrine auto-injector

Fall District Meetings – South Central

Description

In the fall our kids will be headed back to the classroom. That means it's time for board members to start the school year off by participating in TSBA's Fall District Meetings.

During August and September, meetings will be held in the nine developmental districts to focus on legislative and legal issues and current education "hot" topics. This year's program will provide school board members and superintendents an opportunity to discuss issues for the 2026 legislative session and other state happenings.

The event will begin by recognizing school board members, a local school volunteer award finalist, and a local student who is competing for a college scholarship. TSBA District Director elections for the East, Northwest, South Central, and Upper Cumberland will be held after the award ceremony.
