RESOLUTION

WHEREAS, Collierville Schools, (hereinafter referred to as the "Employer") has determined that in the interest of attracting and retaining qualified employees, it wishes to offer a 401(a) or 401(k) defined contribution plan, funded by employee deferrals and, if elected pursuant to Section N, Q, or HH of the Participating Employer Agreement, employer contributions;

WHEREAS, Tennessee Code Annotated, Section 8-25-111(a) allows a Tennessee local governmental entity to participate in the State of Tennessee's 401(a)/401(k) defined contribution plan subject to the approval of the Chair of the Tennessee Consolidated Retirement System (hereinafter referred to as the "Chair");

WHEREAS, the liability for participation and the costs of administration shall be the sole responsibility of the Employer and/or its employees, and not the State of Tennessee;

WHEREAS, the Employer has also determined that it wishes to encourage employees' saving for retirement;

WHEREAS, the Employer has reviewed the State of Tennessee Deferred Compensation Plan II Adoption Agreement for a Section 401(k) Cash or Deferred Arrangement for Governmental Employers, as adopted by the State of Tennessee, as amended and restated effective January 1, 2010, as amended December 21, 2010, and as amended by Amendment Number Two dated January 4, 2012, as well as the Section 401(k) Cash or Deferred Arrangement for Governmental Employer Basic Plan Document (collectively known as the "Plan" or "Plan Document");

WHEREAS, the Employer wishes to provide certain benefits to its employees, reduce overall administrative costs, and afford attractive investment opportunities;

WHEREAS, the Employer is eligible to become a Participating Employer in the Plan, pursuant to Article XX of the Plan Document;

WHEREAS, the Employer is concurrently executing a Participating Employer Agreement for the Plan; and

WHEREAS, the Collierville Schools Board of Education ("Governing Authority") of the Employer is authorized by law to adopt this resolution approving the Participating Employer Agreement on behalf of the Employer;

NOW, THEREFORE, the Governing Authority of the Employer hereby resolves:

1. The Employer adopts the Plan Document for its Employees; provided, however, that for the purpose of the Plan, the Employer shall be deemed to have designated irrevocably the Chair as its agent, except as otherwise specifically provided herein or in the Participating Employer Agreement.

2. The Employer acknowledges that the Plan does not cover, and the Trustees of the Plan ("Trustees") have no responsibility for, other employee benefit plans maintained by the Employer.
3. The Employer acknowledges that it may not provide employer contributions to the Plan on behalf of any of its employees that exceed three percent (3%) of the respective employees' salary if the employees are members of the Tennessee Consolidated Retirement System ("TCRS") or of any other retirement program financed from public funds whereby such employees obtain or accrue pensions or retirement benefits based upon the same period of service to the Employer, unless such employees are members of TCRS' local government hybrid plan established under Tennessee Code Annotated, Section 8-35-256 or TCRS' State hybrid plan established under Tennessee Code Annotated, Title 8, Chapter 36, Part 9. If such employees participate in either of those hybrid plans, the total combined amount of employer contributions to the Plan and to any one or more additional defined contribution plans may not exceed seven percent (7%) of the respective employees' salary. In no instance shall the total combined employer contributions to all defined contributions plans on behalf of a single employee exceed the maximum allowed under the Internal Revenue Code ("Code"), and shall conform to all applicable laws, rules and regulations of the Internal Revenue Service ("IRS") governing profit sharing and/or salary reduction plans for governmental employees.
4. The Employer hereby adopts the terms of the Participating Employer Agreement, which is attached hereto and made a part of this resolution. The Participating Employer Agreement (a) permits all employees of the respective entity to make elective deferrals; (b) sets forth the Employees to be covered pursuant to Section N, Q, or HH of the Participating Employer Agreement for employer contributions, if any; (c) outlines the benefits to be provided by the Participating Employer under the Plan; and, (d) states any conditions imposed by the Participating Employer with respect to, but not inconsistent with, the Plan. The Participating Employer reserves the right to amend its elections under the Participating Employer Agreement, so long as the amendment is not inconsistent with the Plan, the Code, Tennessee law, or other applicable law and is approved by the Chair.
5. The Chair may amend the Plan on behalf of all Employers, including those Employers who have adopted the Plan prior to a restatement or amendment of the Plan, for changes in the Code, the regulations thereunder, Tennessee law, revenue rulings, other statements published by the Internal Revenue Service ("IRS"), including model, sample, or other required good faith amendments, and for other reasons that are deemed at the Chair's sole discretion to be in the interest of the Plan. These amendments shall be automatically applicable to all Employers.

6. The Chair will maintain, or will have maintained a record of the Employers and will make reasonable and diligent efforts to ensure that Employers have received all Plan amendments.
7. The Employer shall abide by the terms of the Plan, including amendments to the Plan and Trust made by the Chair, all investment, administrative, and other service agreements of the Plan, and all applicable provisions of the Code, Tennessee law, and other applicable law.
8. The Employer accepts the administrative services to be provided by the Tennessee Treasury Department and any services provided by Plan vendors. The Employer acknowledges that fees will be imposed with respect to the services provided and that such fees may be deducted from the Participants' Accounts and/or charged to the Employer.
9. Subject to the provisions of Section 20.06 of the Plan, the Employer may terminate its participation in the Plan, including but not limited to, its contribution requirements pursuant to the Plan, if it takes the following actions:
 - a. A resolution must be adopted by the Governing Authority of the Employer terminating the Employer's participation in the Plan.
 - b. The resolution must specify the proposed date when the participation will end, which must be at least six calendar months after notice to the Chair and the Employer's employees.
 - c. The Chair shall (i) determine whether the resolution complies with the Plan, and all applicable federal and state laws, (ii) determine an appropriate effective date, and (iii) provide appropriate forms to terminate ongoing participation. Distributions under the Plan of existing accounts to Participants will be made in accordance with the Plan Document.
 - d. Once the Chair determines the appropriate effective date, the Employer shall immediately notify all its Employees participating in the Plan of the termination and the effective date thereof.
 - e. The Chair can, in the Chair's sole discretion, reduce the six month notice and withdrawal period to a shorter period if the Employer so requests, but in no event shall the period be less than three months.
10. The Employer acknowledges that the Plan Document contains provisions for Plan termination by the Trustees, subject to applicable Tennessee law.
11. The Employer acknowledges that all assets held in connection with the Plan, including all contributions to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, shall

be held in trust for the exclusive benefit of Participants and their Beneficiaries under the Plan. No part of the assets and income of the Plan shall be used for, or diverted to, purposes other than for the exclusive benefit of Participants and their Beneficiaries and for defraying reasonable expenses of the Plan. All amounts of compensation deferred pursuant to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, property or rights held as part of the Plan, shall be transferred to the Trustees to be held, managed, invested and distributed as part of the Trust Fund in accordance with the provisions of the Plan and subject to the vesting provisions of the Plan. All contributions to the Plan must be timely transferred by the Employer to the Trust Fund pursuant to and in the manner provided by the Chair. The Employer acknowledges that if the Employer fails to remit the requisite contributions in a timely manner, the Chair reserves the right, at the Chair's sole discretion, to terminate the Employer's participation in the Plan. In such event, the Chair shall notify the Employer of the effective termination date, and the Employer shall immediately notify all its employees participating in the Plan of the termination and the effective date thereof. Notwithstanding the foregoing, the Employer acknowledges that it is the sole responsibility of the Employer to remit the requisite reports and contributions to the Plan and that neither the State, the Chair, the Trustees, its employees, or agents shall have any responsibility or liability for ensuring or otherwise monitoring that this is done. All benefits under the Plan shall be distributed solely from the Trust Fund pursuant to the Plan.

12. The Employer agrees to offer and enroll only those persons, whether appointed, elected, or under contract, wherein an employee-employer relationship is established, providing service to the Employer for which compensation is paid by the Employer.
13. The Employer understands that IRS rules and Tennessee law limit participation in the Plan to governmental entities and their respective employees. The Employer will notify the Chair in writing within ten (10) calendar days if it ceases to be a governmental entity under applicable federal or Tennessee law, and/or if it discovers that it is transferring or having transferred employee deferrals and/or employer contributions to the Plan on behalf of an individual who does not meet the requirements in Paragraph 12 above.
14. The Employer acknowledges that the Chair and other Trustees are the fiduciaries of the Plan and have sole and exclusive authority to interpret the Plan and decide all claims and appeals for Plan benefits. The Employer agrees to abide by the Chair's decisions on all matters involving the Plan.
15. This resolution and the Participating Employer Agreement shall be submitted to the Chair for approval. The Chair shall determine whether the resolution and the Agreement comply with the Plan, and, if they do, shall provide appropriate forms to the Employer to implement participation in the Plan. The Chair may refuse to

approve a Participating Employer Agreement executed by an Employer that, in the Chair's sole discretion, does not qualify to participate in the Plan.

16. The Governing Authority hereby acknowledges that it is responsible to assure that this resolution and the Participating Employer Agreement are adopted and executed in accordance with the requirements of applicable law.

Thus, a Severance from Employment would not occur if a Participant transfers employment (i) from one local government that participates in the Plan to another local government that participates in the Plan, or (ii) from the State to a local government that participates in the Plan, or (iii) from a local government that participates in the Plan to the State.

2. A Participant may request a distribution prior to Severance of Employment after reaching age 59½ or, if earlier, upon death. A Participant may also request a distribution prior to Severance of Employment upon incurring a hardship; however, the distribution will be limited to the Participant's Elective Deferral Account and transfer Elective Deferral Account, if any.
3. A Participant may request a distribution from a Rollover Contribution Account at any time.
4. If Section HH (FICA Replacement Plan) is elected, in-service distributions for hardship, loans, and attainment of age 59½ are not permitted.
5. Distributions taken before the Participant reaches age 59½ may be subject to a federal early withdrawal tax.

HH. FICA REPLACEMENT PLAN ("3121" PLAN). *(Check box 1 OR box 2.)* This Participating Employer Agreement as adopted:

1. IS NOT *(if checked continue to II below)*, or
2. IS

intended to provide FICA replacement benefits pursuant to regulations under Code Section 3121(b)(7)(F).

a. Eligible Employee means: *(If this Section HH (FICA Replacement Plan) is elected, check each box that applies. Otherwise, do not complete):*

- i. any full-time employee, which is an employee who renders or more Hours of Service per week, as defined in Section H above,
- ii. any part-time employee, which is an employee who is not a full time employee and who renders____ or more Hours of Service per week, as defined in Section H above.
- iii. Any employee who is not covered by Social Security.

b. Contributions: *(If this Section HH (FICA Replacement Plan) is elected, check and complete each box that applies. Otherwise, do not complete):*

- i. The Employer shall make an annual contribution to each Participant's account equal to____percent of such Participant's Compensation.
- ii. Each Participant is required to make an annual contribution of____ percent of Compensation.

(NOTE: The total percentage of b.i and b.ii must equal at least 7.5%.)

In the event that this Plan is a retirement system providing FICA replacement retirement benefits as described above, all references in the Plan Document to in-service distributions for hardship withdrawals, loans, and age 59½ shall be null and void. In addition, any part-time employee included under HH.2.a. shall be fully vested at all times. In the event F.2 "Automatic Enrollment" is selected, a Participant may not change his or her deferral election to an amount less than the Participant required annual contribution, if any, in HH.2.b above.

II. MANDATORY SALARY REDUCTION CONTRIBUTIONS. (Check box 1 OR box 2.) This Participating Employer Agreement as adopted:

1. does not provide for Mandatory Salary Reduction Contributions. ***(If checked continue to JJ below.)***

2. provides "Mandatory Salary Reduction Contributions" to be paid by the Employer through a reduction of the Participant's salary for services rendered, in accordance with Code § 414(h). These contributions are required as a condition of employment. Mandatory Salary Reduction Contributions are treated as Employer Contributions for federal income tax purposes, but are considered "wages" for purposes of FICA and FUTA. Such contributions shall be made as of each payroll period and allocated to the Mandatory Employee Contribution Account of the Participant on whose behalf they were made and shall be 100% vested at all times.

By the adoption of this Participating Employer Agreement, the Employer specifies that the mandatory employee salary reduction contributions, although designated as employee contributions, are being paid via salary reduction by the Employer as provided in Code § 414(h)(2) and Revenue Ruling 2006-43 or subsequent guidance. For this purpose, the adoption of this Participating Employer Agreement constitutes formal action to provide that the contributions on behalf of a specific class of Employees as defined in Section E, although designated as employee contributions, will be paid by the employing unit in lieu of employee contributions.

- a. The Participant shall make Mandatory Salary Reduction Contributions to the Plan equal to _____% (must be a fixed percentage and expressed only in whole and tenths of a percent) of the Participant's Compensation.

The contribution percentage above may be revised no more frequently than annually by the Employer, the new rate to become effective on the January 1 following the execution of an amendment to this Participating Employer Agreement. An amendment that changes the contribution percentage, at the Employer's election: ***(Complete box i or box ii below):***

- i. shall apply only to Employees who become Participants on or after the effective date;
- ii. shall apply to all Employees.
- b. Mandatory Salary Reduction Contributions: *(Complete box i or ii below)*:
- i. are
- ii. are not

counted as Compensation for all Contribution purposes. However, Mandatory Salary Reduction Contributions are counted as for determining Annual Additions under Plan Section 6.06.

- This Participating Employer Agreement has not been approved by the Internal Revenue Service. Obtaining such approval, if desired by the Employer, is solely the responsibility of the Employer.

If the Participating Employer fails to remit the requisite contributions in a timely manner, the Chair reserves the right, at the Chair's sole discretion, to terminate the Employer's participation in the Plan. In such event, the Chair shall notify the Employer of the effective termination date, and the Employer shall immediately notify all its Employees participating in the Plan of the termination and the effective date thereof. Notwithstanding the foregoing, the Employer acknowledges that it is the sole

responsibility of the Employer to remit the requisite reports and contributions to the Plan and that neither the State, the Chair, the Trustees, its employees or agents shall have any responsibility or liability for ensuring or otherwise monitoring that this is done.

- Participating Employers are required to use the investment options made available under the Plan. From time to time those investment options may be changed. RE: 2020-2021 Elementary School Fees Request

DATE: July 28, 2020

We request approval of a \$25.00 Elementary Student Fee for the 2020-2021 school year.

Instructional materials and supplies purchased with this fee are to be consumable supplies used directly by students. These materials and supplies will supplement the district's provided curriculum.

Additionally, we request approval of a \$50.00 Device Fee for all 5th grade students and those requesting the Collierville Virtual Academy option for the 2020-21 school year, plus \$25 for each additional sibling, with a cap of \$100 per family. This fee is required for students to carry their district-issued iPads home. Reopening and Recovery Plan 2020-2021

Parents/Caregivers,

Our District Leadership has been working diligently to prepare for the safe return of students and staff across our district. We also know, however, that we must adjust to new realities created by the pandemic and day-to-day operations in our buildings will look and feel differently. Our reopening and recovery plan is based on guidance from the Shelby County Health Department, the American Academy of Pediatrics, and the Tennessee Department of Education.

Our plan leverages some common themes and elements that will be implemented in all school settings for the 2020-2021 school year, but all schools are unique and thus may adapt procedures to best suit the needs of their students and staff. Please know that we are committed to the continued consistency and transparency in our communication with you. As you know, this work continues to be a fluid process that is reflective of local, state, and federal guidelines, which may change and cause us to modify and/or adjust our plans, policies, and procedures.

Reflective of our survey data, we understand that some of our families may prefer "virtual" instruction, while others want their child(ren) to attend school in-person. Each option is designed to allow for maximum educational opportunities, while honoring parent/caregiver autonomy that best fits their family needs. As we approach the new school year, please know our team is fully committed to providing a safe, inclusive, and academic enriched learning; however, these are unprecedented times in our community and beyond. We ask that our families and students please be patient with us and work alongside us to mitigate the spread of COVID-19 in our schools and community. Thank you for your continued support and help implementing this plan. We look forward to achieving excellence together.

For any questions and/or concerns regarding the Reopening and Recovery Plan 2020-2021, please email us at Covid19@colliervilleschools.org.

Kind regards,

Dr. Gary Lilly, Superintendent

School Reopening

Collierville School District plans to reopen in August 2020, with two options: **Traditional** - in-person/traditional instruction and **Virtual** - an entire digital learning option from-the-comfort-of-home for our students and staff. Our family survey data indicated that many parents/caregivers have concerns for not only their child(ren)'s academic progress, but also their mental and emotional wellness after the closures in March. Our administration strategically formed teams that met continuously throughout this time to formulate a safe and comprehensive plan that highlights many of the elements that are essential functions of a school.

Student Learning Opportunities K-12

OPTION ONE

- **Traditional (in-person)**
 - The student is at school daily for instruction with all district/school specific safety measures in place.
 - Remote Learning (contingency plan): In case of any school closure dictated by state and/or local officials, all students in this model will transition to remote learning driven by their current classroom teachers through the district remote learning platforms (SeeSaw for grades K-2, Schoology for grades 3-12 and Microsoft Teams.
 - Learning will continue through the student's current courses during this remote time and grades/attendance will be continued until students are cleared to return to the traditional setting
 - Learning and instruction will be both synchronous (live instruction via video conferencing at a standard time for the course) as well as asynchronous (student will work at their own pace to complete the work). Classroom teachers will also be available for support during school hours.
 - Students, teachers, and parents/caregivers will receive training and will be utilizing these platforms from the opening of the school year to ensure a seamless transition in the event of any school closure.

OPTION TWO

- **Collierville Virtual Academy (honor and AP courses will be offered, IEPs and 504-plans accommodated)**
 - The student is at home with coursework in a digital format provided for grades K-12. Each student will have access to coursework through an online platform, managed by both district and non-district teachers. This learning will require both synchronous (students on a live class lesson at the same time with their instructor) and asynchronous (students working at their own pace) settings. Those choosing to participate in this virtual option will be enrolled as a student in their current school, but will receive all instruction from the first day through the Collierville Virtual Academy teachers and counselors. Families that choose this option must be able to designate a "Learning Coach" who will be responsible for the student's participation and learning each day, and will be present with students in grades K-8 for a minimum of 4-6 hours per day. This will ensure that student supervision is priority and that learning will be supported by both the online instructors and the adult present within the home setting. Students that choose this model will not be present on campus at any time during the school day. Students and parents/caregivers that choose this model will receive training on the learning platforms, expectations, and coursework provided by the Collierville Virtual Academy.
- **DEADLINE**
 - Families desiring option two, the Collierville Virtual Academy must notify us of the decision prior to **July 29, 2020**. Please visit our website under Reopening and Recovery Plan to complete the digital enrollment form. Once selected, families are encouraged to remain in the chosen option for the school year. In an effort to protect academic fortitude, however, students may re-enter the traditional school setting (OPTION ONE) in January 2021, after meeting with an administrator and school counselor to discuss an individual plan. **Students in BOTH options will begin the academic year on August 17, 2020.**

Students with Disabilities

Delivery of Services

Decisions related to service delivery will be made on an individual basis as they always have been. IEP Teams will consider the academic, medical, and other unique needs of students with disabilities in order to mitigate the risk of transmitting COVID-19.

Option One: Students with IEPs who attend Traditional (in-person) instruction

- The students will attend school in-person, thus fulfilling the IEP as it is currently written. The parent, along with the child's IEP Team, will make considerations regarding individual needs.
 - Any social distancing requirements, limitations on transitions within the building, changes to the delivery of speciality classes (e.g. library, music, art, STEM), adjustments to meal times, etc. that will be in place district-wide will apply to all students to mitigate the risk of spreading the virus and/or other germs.

All student transitions within the building may be restricted during the COVID-19 pandemic. This restriction may impact all student schedules and their ability to transition to different classrooms throughout the day.

- Remote Instruction (Contingency Plan): In the event of a required school closure in order to comply with state and local guidelines and ordinances, students who are attending in person will shift to a remote instruction format that is facilitated by the case manager and complemented with virtual support from the classroom teacher(s). If the student spends the majority of his/her school day receiving specialized instruction, learning kits, and other resources will be provided as well as virtual meetings with the special education teacher. More information will be provided to families in order to specifically describe how specific education services will be delivered should the district shift to a remote format of instruction for all students.

Option Two: Students with IEPs who choose to participate in Collierville Virtual Academy or virtual instruction

- The student is at home learning with a variety of resources (e.g. digital resources, virtual consultation, and/or learning kits). If the student spends the majority of his/her school day receiving specialized instruction, the student's case manager will work with the student's parents/caregivers to lead the instruction as it aligns with the IEP. In order to fulfill the IEP, services may be delivered through different modes, which will be communicated via email.

Regression and Recoupment:

- Students will be assessed once in-person school resumes in order to determine if regression occurred, using the quarter 3 progress report from the 2019-2020 school year as a baseline. Qualitative, predictive, and empirical data will be collected in order to determine if the skills can be recouped within a reasonable amount of time.

Technology

- In order to provide for all learning types described, all students will receive a device. Regardless of which learning choice a parent/caregiver makes for their child(ren), it is imperative that both parents/caregivers and any other family support members become familiar with the learning platforms used by classroom teachers.
 - Devices will be distributed to all students during the first two weeks of school, either in-person or by a “drive-thru” service to provide for safety measures
 - Technology and school staff will prepare and set up devices for students
 - Teachers will provide students with QR codes for account log-in information

Prevention Measures

- It is important for all of us to work together to mitigate and prevent the spread of COVID-19 in the school environment and in the community. Multiple considerations have been made in an effort to provide for the safe reopening of our buildings.
- **Training and Awareness**
 - Signage will be posted in classrooms, hallways, and entrances to communicate how to mitigate and stop the spread (COVID-19 symptoms, preventative measures, good hygiene, and any school/district specific protocols)
 - All students and staff will receive training on the following:
 - Good hygiene practices such as hand-washing, covering coughs, use of hand sanitizer, and proper use of any PPE equipment, when appropriate
 - Social distancing procedures in classrooms, restrooms, hallways, during safety drills, and other key places in the school building
 - Mental wellness education and tools/supports to assist with the transition back to school such as loss, stress, and anxiety
 - All bus drivers/assistants will be trained on disinfecting procedures on the school bus
 - All custodial staff will be trained on cleaning and disinfecting buildings, per CDC guidelines
 - All Emergency Operation Plan Coordinators will be trained on safely conducting drills, while mitigating COVID-19
 - All school nurses will be trained in new procedures and protocols for health clinics/waiting rooms and assist with educating faculty and staff
- **Facility Cleaning and Supplies**
 - Schools will provide hand soap, paper towels, hand sanitizer, disinfectant wipes, and adequate garbage disposal in all bathrooms, classrooms, and frequently trafficked areas
 - Students and staff will be allowed to bring approved hand sanitizer and facial coverings
 - Custodial staff will clean/disinfect frequently touched surfaces at least once a day
 - All classrooms and buildings will have an increased daily cleaning protocol
 - Deep cleaning of schools will be conducted prior to students/staff returning after breaks

Prevention Measures (continued)

- **Physical Environment**

- All schools will:
 - Utilize staff lounge areas for work purposes only
 - Eliminate activities that encourage sharing and congregating (especially with food)
 - Ensure HVAC systems are clean and operating properly
 - Encourage the use of outdoor space for classroom instruction, physical education, or outside pathways for traveling to and from locations
 - Use intercom systems, text, etc. to prevent hallway traffic
 - Turn off all water fountains and allow students and staff to bring water bottles from home
 - Install touch free water bottle fillers
 - Minimize use of lockers in most school settings
 - Eliminate community use or sharing of supplies in classrooms

- **Mask/Facial Coverings**

- All students and staff will be provided at least one cloth mask (reusable, the mask can be lightly-washed)
- Currently, all students (grades 3-12) and staff are required to wear a facial covering (for example, mask or shield) when 6-feet of social distancing protocols cannot be maintained
- Any student or staff member may elect to wear a mask/facial covering at any time
- Face coverings/mask follow Collierville Schools Code of Conduct
- Visitors in any Collierville Schools buildings, including Central Office are required to wear masks/facial coverings

The specific guidelines for wearing a mask/facial covering will be adjusted by the district based upon the current Shelby County Health Department and CDC guidelines.

Mental Wellness Support

- We know that after this prolonged closure, many of our students and staff will require support to help them reengage and reenter work and school. School counselors and administrators will be equipped with tools and information on how to support students and maintain our whole child commitment.
- **School Counselors**
 - Counselors will develop on-line student surveys for grades 3-12 and paper/pencil for grades K-2 to gain feedback from students about any concerns, support, or needs
 - Counselors will conduct lessons on safety, loss, transition, and other social emotional issues for students during the first 9-weeks of school
 - Counselors will meet with students for individual counseling, small group counseling and large group educational sessions (permissible with distancing) to accommodate survey data needs
 - Counselors will use mindfulness strategies, various grief models, and self-regulation strategies with students
- **Community Support**
 - All mental health community resources supporting students, staff, and families will be updated and referenced in the Parent Resource Opportunity Guide
 - Employees will have access and information to the Employment Assistance Program for free counseling services
- **District Level Support**
 - District Team for Threat Assessment will update new procedures including more focus on loss and grief
 - Specific training module from Safe Schools Supervisor for all counselors and staff on signs and symptoms of anxiety, complicated grief, loss and diversity

Athletics, Before-and-After School Programs and Events

We understand that students need socialization and interaction to assist in their mental well-being. District administration will seek guidance from various agencies such as the Tennessee Secondary School Athletic Association (TSSAA), National Federation of State High School Associations (NFHS), and the Shelby County Health Department Administration to make recommendations for resuming athletics and other activities. Based on these directives, we will continue to monitor and update Collierville Schools' plan as needed. All information concerning athletic programs and any adjustments, guidance, and documents with regard to COVID-19 can be found at <http://GoDragonsGo.com/>.

Concerning other after-school events, we are on a “pause” for the time being. As soon as we know what we can accommodate safely for our students and staff, we will share more information.

Health and Safety Protocols

- As partners together, we expect all parents/caregivers to assist us in health and safety procedures to provide for all of our students and staff.
- **Student and Staff Wellness**
 - All Collierville Schools employees are expected to conduct a daily wellness check prior to reporting to work
 - All parents/caregivers are expected to conduct a daily wellness check for their child(ren) by using the [Collierville Schools Wellness Check Form \(page 12\)](#)
 - Classroom schedules will allow for specific designated times to perform student hand-washing
 - Trained school nurses in every school building will have required PPE supplies including no-touch thermometers, masks, gloves to protect themselves and others, and appropriate cleaning supplies for sanitation purposes
 - Nurses may perform student or staff temperature screenings and/or evaluations at any time throughout the school day
 - Each Collierville school will have a designated health clinic and a separate waiting room location apart from the clinic to allow students showing any symptoms relative to COVID-19 to wait until a parent/caregiver can pick them up
 - Students who participate in after-school athletics or other activities shall be administered an additional Wellness Check prior to participation in any event or practice
- **Visitors to Collierville Schools Facilities**

To maintain the utmost safety of our students and staff, entrance to all facilities will be at the discretion of the building level administrator and will be limited to only those individuals who are essential for operations and student support.

 - Nonessential visitors will not be permitted in the buildings, including the classrooms, the hallways, or at lunch
 - Those visitors that have essential business must wear a facial covering at all times in the building, and will be denied access if not in compliance. It is the responsibility of the visitor to provide the facial covering
 - All essential visitors must enter buildings through a designated entrance, as determined by the specific school and sign-in/sign-out, so that there is a record of attendance
 - Pre-K and Kindergarten parents/caregivers may walk their child(ren) to the classrooms on their [assigned staggered day](#) of school but will be required to wear a mask and will not be allowed to congregate or stay, due to appropriate spacing requirements
 - Parents/caregivers needing to come to campus for any reason should first contact the school office for instructions

Health and Safety Protocols (continued)

• Reporting and Tracking

- Schools are not expected to screen students or staff to identify cases of COVID-19. Contact tracing and exposure information will be gathered by the Shelby County Health Department and communicated to the appropriate individuals and administrators, as required.

 - Each school will designate specific entry points for essential visitors and student check-in/check-out
 - All students and staff will practice “Stay to the right” to maintain distance between themselves and others whom they may encounter in the hallway
 - Each school will use colored flooring tiles, painter’s tape, and other floor markings to illustrate social/physical distancing, foot traffic pathways, one-way traffic areas, elevator capacity, etc.
 - Staircases will be designated as one-way in order to limit face-to-face encounters
 - Secondary schools will employ a staggered bell system to decrease the number of students in hallways during transition times
 - School staff will “declutter” classrooms and other learning areas to allow for more space in which to distance students
 - There will be no community supplies, books, or sharing of objects
 - Student desks will be spaced at least 3 feet apart and more, as feasible
 - Schools will eliminate the use of bean bags, couches, rugs, and other personal items that encourage gatherings

• Recess

- Recess schedules will vary by school to provide for social distancing
- No equipment will be shared by students
- Schools will provide individually focused student activities
- Playgrounds in the elementary setting are on “pause” until further notice
- All schools are encouraged to utilize outdoor time for fresh air, weather permitting

Transportation

- It is not possible to ensure social distancing on buses. For that reason, we request that parents transport their child(ren) to-and-from school. However, we recognize that this may not be possible for some families. We will continue to offer bus services for those students who need them. Be aware that there may be up to two students per seat.

- **Bus Transportation**

(Durham Employees, Drivers and assistants)

- Durham employees will be screened before starting their morning and afternoon routes
- Durham staff will wear facial coverings while students are present
- Durham staff will clean frequently touched hard surfaces after every bus route and the entire bus will be disinfected daily between morning and afternoon routes
- Hand sanitizer will be available on each bus

- **Students**

- Parents/caregivers should complete the Collierville Schools Wellness Check Form (see page 12) for each child riding the bus prior to leaving for the bus stop
- Students will wash hands with soap and water before riding a bus
- All students riding a bus are required to wear a facial covering
- Students will be loaded back to front to minimize contact on the bus both in the morning and in the afternoon
- Students must sit in their assigned seats
- Siblings will be expected to sit together, and bus drivers will place no more than two students in each seat
- To improve air circulation on the bus, specific windows will be lowered, weather permitting
- Students will not be allowed to open or close windows on the bus
- Preschool and all students assigned to a specialized transportation bus should not encounter any changes this year

- **Arrival and Dismissal**

- Due to the large number of students and staff that are involved in both arrival and dismissal, numerous safety measures will be implemented in the coming year.
- Parents/caregivers will not be permitted to walk any student to the classroom
- Students may choose to walk to school, but should use social distancing measures with peers
- With more potential car riders, schools may consider different procedures. Your child's specific school will notify you with more details
- Adult drivers are to remain in their vehicles at all times in the car rider lines
- Make sure that all of your child's emergency contacts understand new arrival and dismissal procedures
- Student drivers are not permitted to congregate in the high school parking lots

School Nutrition Services

- Collierville Schools will continue to provide both breakfast and lunch for students. As some school locations differ in size capacity, utilization of the cafeteria may be more feasible in some locations than others. Breakfast and lunch procedures will vary by campus; however, any or all of the following may be employed in schools.
- **School Meals**
 - Grab and Go meals
 - Limited days to purchase snacks
 - Lunch in an alternate setting, such as the classroom or outside
- **Cafeteria Staff**
 - Temperatures of all cafeteria staff will be taken on site and each employee will complete a Collierville Schools Wellness Check Form (page 12) prior to their shift
 - All cafeteria staff will wear the appropriate PPE to include gloves, facial coverings, etc.
 - Any changes in food service due to school closings will be communicated through the Collierville Schools social media accounts, website, and local media outlets as necessary.

Follow-up and Feedback

- To ensure that we are meeting the safety, emotional, transition, and academic needs of all stakeholders, we will implement the following check assurances.
 - Building walk-throughs
 - Staff surveys
 - Parent/caregiver input

Student interim assessment data plans and procedures may be updated to accommodate our students, staff, and families at any point throughout the 2020-2021 school year. Individual school plans will include specifics that are age and space appropriate and may vary for each school site. District guidance should drive all school plans, as we will continue to work with our community partners, the Shelby County Health Department, and the Tennessee Department of Education. We would like to thank all parents/caregivers for your input, patience and flexibility throughout this process.

Collierville Schools Wellness Check Form

All employees and parents/caregivers are expected to use this check form **DAILY** in an effort to mitigate and prevent the spread of the COVID-19 virus. Please use this at home as a recommendation prior to entering the school building.
