NOW, THEREFORE, the Governing Authority of the Employer hereby resolves:

1. This Resolution and the Participating Employer Agreement attached hereto amend and restate the existing Resolution and Participating Employer Agreement. The Employer adopts the Plan Document for its Employees; provided, however, that for the purpose of the Plan, the Employer shall be deemed to have designated irrevocably the Chair as its agent, except as otherwise specifically provided herein or in the Participating Employer Agreement.
2. The Employer acknowledges that the Plan does not cover, and the Trustees of the Plan ("Trustees") have no responsibility for, other employee benefit plans maintained by the Employer.
3. The Employer acknowledges that it may not provide employer contributions to the Plan on behalf of any of its employees that exceed three percent (3%) of the respective employees' salary if the employees are members of the Tennessee Consolidated Retirement System ("TCRS") or of any other retirement program financed from public funds whereby such employees obtain or accrue pensions or retirement benefits based upon the same period of service to the Employer, unless such employees are members of TCRS' local government hybrid plan established under Tennessee Code Annotated, Section 8-35-256 or TCRS' State hybrid plan established under Tennessee Code Annotated, Title 8, Chapter 36, Part 9. If such employees participate in either of those hybrid plans, the total combined amount of employer contributions to the Plan and to any one or more additional defined contribution plans may not exceed seven percent (7%) of the respective employees' salary. In no instance shall the total combined employer contributions to all defined contributions plans on behalf of a single employee exceed the maximum allowed under the Internal Revenue Code ("Code"), and shall conform to all applicable laws, rules and regulations of the Internal Revenue Service ("IRS") governing profit sharing and/or salary reduction plans for governmental employees.
4. The Employer hereby adopts the terms of the Participating Employer Agreement, which is attached hereto and made a part of this resolution. The Participating Employer Agreement (a) permits all employees of the respective entity to make elective deferrals; (b) sets forth the Employees to be covered pursuant to Section N, Q, or HH of the Participating Employer Agreement for employer contributions, if any; (c) outlines the benefits to be provided by the Participating Employer under the Plan; and, (d) states any conditions imposed by the Participating Employer with respect to, but not inconsistent with, the Plan. The Participating Employer reserves the right to amend its elections under the Participating Employer Agreement, so long as the amendment is not inconsistent with the Plan, the Code, Tennessee law, or other applicable law and is approved by the Chair.
5. The Chair may amend the Plan on behalf of all Employers, including those Employers who have adopted the Plan prior to a restatement or amendment of the Plan, for changes in the Code, the regulations thereunder, Tennessee law, revenue

ulings, other statements published by the Internal Revenue Service ("IRS"), including model, sample, or other required good faith amendments, and for other reasons that are deemed at the Chair's sole discretion to be in the interest of the Plan. These amendments shall be automatically applicable to all Employers.

6. The Chair will maintain, or will have maintained a record of the Employers and will make reasonable and diligent efforts to ensure that Employers have received all Plan amendments.
7. The Employer shall abide by the terms of the Plan, including amendments to the Plan and Trust made by the Chair, all investment, administrative, and other service agreements of the Plan, and all applicable provisions of the Code, Tennessee law, and other applicable law.
8. The Employer accepts the administrative services to be provided by the Tennessee Treasury Department and any services provided by Plan vendors. The Employer acknowledges that fees will be imposed with respect to the services provided and that such fees may be deducted from the Participants' Accounts and/or charged to the Employer.
9. Subject to the provisions of Section 20.06 of the Plan, the Employer may terminate its participation in the Plan, including but not limited to, its contribution requirements pursuant to the Plan, if it takes the following actions:
 - a. A resolution must be adopted by the Governing Authority of the Employer terminating the Employer's participation in the Plan.
 - b. The resolution must specify the proposed date when the participation will end, which must be at least six calendar months after notice to the Chair and the Employer's employees.
 - c. The Chair shall (i) determine whether the resolution complies with the Plan, and all applicable federal and state laws, (ii) determine an appropriate effective date, and (iii) provide appropriate forms to terminate ongoing participation. Distributions under the Plan of existing accounts to Participants will be made in accordance with the Plan Document.
 - d. Once the Chair determines the appropriate effective date, the Employer shall immediately notify all its Employees participating in the Plan of the termination and the effective date thereof.
 - e. The Chair can, in the Chair's sole discretion, reduce the six month notice and withdrawal period to a shorter period if the Employer so requests, but in no event shall the period be less than three months.

10. The Employer acknowledges that the Plan Document contains provisions for Plan termination by the Trustees, subject to applicable Tennessee law.
11. The Employer acknowledges that all assets held in connection with the Plan, including all contributions to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, shall be held in trust for the exclusive benefit of Participants and their Beneficiaries under the Plan. No part of the assets and income of the Plan shall be used for, or diverted to, purposes other than for the exclusive benefit of Participants and their Beneficiaries and for defraying reasonable expenses of the Plan. All amounts of compensation deferred pursuant to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, property or rights held as part of the Plan, shall be transferred to the Trustees to be held, managed, invested and distributed as part of the Trust Fund in accordance with the provisions of the Plan and subject to the vesting provisions of the Plan. All contributions to the Plan must be timely transferred by the Employer to the Trust Fund pursuant to and in the manner provided by the Chair. The Employer acknowledges that if the Employer fails to remit the requisite contributions in a timely manner, the Chair reserves the right, at the Chair's sole discretion, to terminate the Employer's participation in the Plan. In such event, the Chair shall notify the Employer of the effective termination date, and the Employer shall immediately notify all its employees participating in the Plan of the termination and the effective date thereof. Notwithstanding the foregoing, the Employer acknowledges that it is the sole responsibility of the Employer to remit the requisite reports and contributions to the Plan and that neither the State, the Chair, the Trustees, its employees, or agents shall have any responsibility or liability for ensuring or otherwise monitoring that this is done. All benefits under the Plan shall be distributed solely from the Trust Fund pursuant to the Plan.
12. The Employer agrees to offer and enroll only those persons, whether appointed, elected, or under contract, wherein an employee-employer relationship is established, providing service to the Employer for which compensation is paid by the Employer.
13. The Employer understands that IRS rules and Tennessee law limit participation in the Plan to governmental entities and their respective employees. The Employer will notify the Chair in writing within ten (10) calendar days if it ceases to be a governmental entity under applicable federal or Tennessee law, and/or if it discovers that it is transferring or having transferred employee deferrals and/or employer contributions to the Plan on behalf of an individual who does not meet the requirements in Paragraph 12 above.
14. The Employer acknowledges that the Chair and other Trustees are the fiduciaries of the Plan and have sole and exclusive authority to interpret the Plan and decide

all claims and appeals for Plan benefits. The Employer agrees to abide by the Chair's decisions on all matters involving the Plan.

15. This resolution and the Participating Employer Agreement shall be submitted to the Chair for approval. The Chair shall determine whether the resolution and the Agreement comply with the Plan, and, if they do, shall provide appropriate forms to the Employer to implement participation in the Plan. The Chair may refuse to approve a Participating Employer Agreement executed by an Employer that, in the Chair's sole discretion, does not qualify to participate in the Plan.
16. The Governing Authority hereby acknowledges that it is responsible to assure that this resolution and the Participating Employer Agreement are adopted and executed in accordance with the requirements of applicable law.

Such contributions shall be made as of each payroll period and allocated to the Mandatory Employee Contribution Account of the Participant on whose behalf they were made and shall be 100% vested at all times.

By the adoption of this Participating Employer Agreement, the Employer specifies that the mandatory employee salary reduction contributions, although designated as employee contributions, are being paid via salary reduction by the Employer as provided in Code § 414(h)(2) and Revenue Ruling 2006-43 or subsequent guidance. For this purpose, the adoption of this Participating Employer Agreement constitutes formal action to provide that the contributions on behalf of a specific class of Employees as defined in Section E, although designated as employee contributions, will be paid by the employing unit in lieu of employee contributions.

The Employer's payroll administrator is responsible for reconciliation of all contributions to the Plan and shall provide the Plan Administrator with required contribution reconciliation reports. Each Employer is required to use the Plan Service Center to administer their employee contributions, indicative data, and enrollment information. If the Participating Employer fails to remit the requisite contributions in a timely manner, the Chair reserves the right, at the Chair's sole discretion, to terminate the Employer's participation in the Plan. In such event, the Chair shall notify the Employer of the effective termination date, and the Employer shall immediately notify all its Employees participating in the Plan of the termination and the effective date thereof. Notwithstanding the foregoing, the Employer acknowledges that it is the sole

responsibility of the Employer to remit the requisite reports and contributions to the Plan and that neither the State, the Chair, the Trustees, its employees or agents shall have any responsibility or liability for ensuring or otherwise monitoring that this is done.

- Participating Employers are required to use the investment options made available under the Plan. From time to time those investment options may be changed. If an investment option is eliminated, the Administrator may automatically reinvest the money in the eliminated investment option into a new investment option. After any appropriate black-out period, the affected Participants may re-direct money in the new investment option to any other available investment option. The Participants shall have no right to require the Administrator to select or retain any investment option. Any change with respect to investment options made by the Plan (on the Plan level) or a Participant (on the individual level), however, shall be subject to the terms and conditions (including any rules or procedural requirements) of the affected investment options.

1 The purpose of this policy is to establish guidelines and provide direction for District employees when
2 participating in online social media activities. The Superintendent or his/her designee shall establish
3 procedures to ensure effective administration of this policy.

4 **DEFINITIONS**

5 Social Media: Includes any and all forms of online publication where individuals engage in conversation
6 or exchange of written information or images (such as blogs, micro-blogs, wikis, podcasts, virtual
7 worlds, user rating services, messaging sites, and social networks). Social media tools include online
8 sites such as Twitter, Facebook, YouTube, Wikipedia, Instagram, Pinterest, Snapchat, and LinkedIn.
9 These examples are included by way of illustration and not limitation; new social media platforms are
10 continually emerging, and the named tools shall not constitute an exhaustive list of social media
11 governed by this Policy.

12 Professional use: Refers to an employee's personalized presence on social media to advance a program
13 or function of the Collierville Schools Board of Education as part of the employee's job responsibilities.

14 Personal Use: Refers to an employee's personal, non-work related presence on social media, and not
15 initiated in the course of the employee's duties as an employee of the District.

16 Disruption to the school environment: Includes any interference with the school environment or
17 violation of Board policy. Interference includes, but is not limited to, violations of Policy 5.611 Ethics,
18 affected performance of job responsibilities, compromised or disharmonious professional working
19 relationships, student or parent complaints, student reassignment, student withdrawal, or a threatened or
20 actual negative impact on the learning environment.

21 **SOCIAL MEDIA GUIDELINES**

22 Collierville Schools employees shall refrain from using social media for school-related messaging unless
23 otherwise approved by a school or department administrator. The primary method of school
24 communications shall be the use of District-provided communication tools, such as a school email, the
25 learning management system, voicemail account, and the district webpage. Such tools should be the
26 only means by which employees engage students and their families in communications pertaining to
27 employment responsibilities.

28 Professionalism should be maintained in all interactions with students, staff, their families, and the
29 community whether engaging in-person or electronically via social media. Failure to do so may place
30 an employee in violation of Board policy and at risk of discipline.

31 By accessing, creating, or contributing to any professional or personal use of social media, Collierville
32 Schools employees agree to abide by the expectations incorporated in Policy 5.614 Social Media, as well
33 as Policy 5.613 Staff Responsible Use.

34 District employees are responsible for content published by, attributable to, or connected with their
35 presence on social media. Online behavior should reflect the same standards of honesty, respect,
36 responsibility, and consideration required of Collierville Schools employees engaged in in-person
37 communications, and social media use should always remain within the bounds of professional
38 discretion. Online conduct resulting in a disruption to the school environment, whether resulting from
39 professional or personal use of social media, may be subject to disciplinary action up to and including
40 dismissal.

41 Employees are encouraged not to provide information or advice about the policies or procedures of the
42 District on social media, but should direct any concerns or inquiries to the appropriate District officials
43 via regular business channels.

44 **PROFESSIONAL USE OF SOCIAL MEDIA**

45 District employees are prohibited from using personal social media accounts for official school purposes.
46 If a Collierville Schools employee wishes to incorporate social media into the curriculum or educational
47 program, he or she must first inform and receive approval from his/her school or department
48 administrator and receive express parental informed consent for third party social media platforms.
49 Social media use in the classroom should be incorporated only in cases where the educational benefit
50 outweighs the potential risks of participation. Upon approval by an administrator, District employees
51 may establish a classroom social media account or page using District contact information, including
52 school email account, address, and voicemail extension.

53 Professional use of social media shall be considered an extension of the classroom, and all content
54 associated with such use shall adhere to classroom and professional expectations. Copyright and fair
55 use guidelines should be maintained, and the school and/or District name, logos, and images may not be
56 used without receiving prior permission pursuant to Board Policy 1.807. District employees
57 incorporating social media into the classroom shall maintain the primary responsibility for monitoring
58 such use, and what is inappropriate in the classroom should be deemed inappropriate online. Social
59 media interactions with students should demonstrate the highest levels of professionalism and should
60 adhere to all District policies regarding student records, safety, privacy, codes of conduct, and ethics.

61 Any student information communicated through social media platforms must comply with all District
62 policies on student privacy and student records. In addition to the privacy requirements set forth in
63 Board policy and in the Family Educational Rights and Privacy Act (FERPA), a student's participation
64 in third party social media sites as part of a District activity shall require express parental consent. As
65 part of such consent, parents must be made aware, in writing, that the District is unable to control such
66 third party sites, that the activity is optional, and that, should the parent decline to consent, a suitable and
67 educationally-equivalent alternative activity or assignment will be made available.

68 The District recognizes that student or community groups may create social media accounts representing
69 students or groups associated with the District. If and when District employees join or engage with these
70 social networking groups, they do so as representatives of the District and are encouraged to use a

71 professional social media account. In this capacity, whether on or off duty, all employees are responsible
72 for maintaining appropriate employee-student relationships and have further responsibility for reporting
73 and/or addressing inappropriate behavior or activity on these networks. This responsibility includes
74 maintaining student confidentiality, acting to protect the safety of minors online, reporting abuse,
75 bullying, or harassment, and adhering to the Teacher Code of Ethics. Failure to do so could put an
76 employee in violation of existing District policies and at risk of disciplinary action.

77 **PERSONAL USE OF SOCIAL MEDIA**

78 The District does not take a position on an employee's decision to participate in the use of social media
79 for personal use on personal time. However, personal use of social media should not be done during
80 work hours. District-provided communication tools such as an employee's school email account,
81 learning management system, voicemail account and/or district website should be the only means by
82 which employees engage students and/or their families in communications pertaining to employment
83 responsibilities.

84 All District employees are expected to serve as positive ambassadors for Collierville Schools and as
85 appropriate role models for students.

86 District employees are responsible for content published by, attributable to, or connected with their
87 presence on social media. Online behavior should reflect the same standards of honesty, respect,
88 responsibility, and consideration required of Collierville Schools employees engaged in in-person
89 communications, and social media use should always remain within the bounds of professional
90 discretion. A Collierville Schools employee may be identified as an employee or may otherwise
91 associate themselves with the District through self-identification, display of their name and likeness,
92 school contacts, "follows", or "likes" and thus must ensure that any associated content is compatible
93 with the mission of the District. Employees are required to respect the privacy of other employees and
94 not post others' images without their consent. Offensive comments about students, colleagues, or the
95 District are prohibited and could lead to disciplinary action.

96 District employees are prohibited from using personal social media accounts for official school purposes.
97 Online fraternization between Collierville Schools employees and Collierville Schools students is strictly
98 prohibited. Employees may not use personal social media to solicit or accept "friend" requests or other
99 social media connections from Collierville Schools enrolled students or former students who continue
100 to be minors. Collierville Schools prohibits the sharing of confidential information about school
101 business, students or colleagues. Emails sent to employee accounts are strictly intended for employee
102 information. Emails should not be forwarded, copied or reproduced in any form and are not to be shared
103 with individuals not employed by Collierville Schools. Requests for email content should be referred to
104 the Department of Human Resources.

105 District employees are encouraged to remember that intentional messaging and privacy protections help
106 distinguish personal comments from those communicated on behalf of Collierville Schools. Consistent
107 with Policy 5.606 Political Activities, employees must make clear that the view expressed on his/her
108 social media is not the official view of the Board or Collierville Schools. Employees shall never use
109 personal social media in any way purporting to be or speaking for Collierville Schools.

110 Even when incorporating the most restrictive privacy settings, employees should assume that all postings
111 are in the public domain. Employees should understand that comments made using certain social media
112 platforms are not protected by privacy settings, and employees must refrain from publishing content that
113 could be deemed unprofessional. Online conduct resulting in a disruption to the school environment,
114 whether resulting from professional or personal use of social media, may be subject to disciplinary action
115 up to and including dismissal.

116 **REPORTING NOTIFICATION AND TRAINING**

117 Improper uses of social media shall be referred to the building administrator and/or Collierville Schools
118 Department of Human Resources for investigation. This Policy shall be disseminated annually to
119 District staff, students, and volunteers via the Employee Handbook and posted on the Collierville
120 Schools District website. All District employees and volunteers shall be educated on this Policy,
121 acceptable use of social media platforms, and related administrative procedures.
