Board meetings

The board has sufficient time and opportunity to review the agenda and supporting materials before a board meeting.

7 responses

The board encourages participation by each board member.

7 responses

Board members come to meetings prepared to focus on discussion issues and keep comments relevant and brief.

7 responses

All board members are routinely familiar with the agenda materials and are ready to discuss and decide important items.

7 responses

Adequate background information on issues to come before the board is routinely provided in advance of the board meeting.

7 responses

The board weighs all decisions in terms of what is best for the students of the school system.

7 responses

Please provide feedback for any answer that you scored 2 or below.

No responses yet for this question.

Team Building

The board is able to disagree on matters and still maintain an attitude of mutual respect and trust.

7 responses

The board is open and honest with each other.

7 responses

The district has a planned program to orient newly-elected board members.

7 responses

Once a decision has been made, all members respect the decision and the board speaks with one voice.

7 responses

Board members do not attempt to individually speak on behalf of the board or commit the board.

7 responses

Please provide feedback for any answer that you scored 2 or below.

1 response

A good, cohesive board needs to be open, honest and respectful (with no hidden agendas) to build trust and work together well.

Board/Superintendent/Staff Relations

The board and superintendent trust and respect one another.

7 responses

Each member of the board understands and respects the distinction between the board's responsibilities and the superintendent's duties.

7 responses

Our board and superintendent agree on how complaints or concerns to board members should be handled.

7 responses

Board members work to avoid surprises by sharing concerns or questions with the superintendent in advance of the board meeting.

7 responses

The superintendent is given direction by the board as a whole rather than by individual members.

7 responses

The board recognizes staff accomplishments.

7 responses

Individual board members avoid making excessive personal requests from staff.

7 responses

Board members are respectful to other board members, administrators, staff, and visitors.

7 responses

Board members direct complaints and requests to the superintendent rather than attempting to solve them directly.

7 responses

The board ensures that an effective evaluation system is in place for the superintendent and all employees.

7 responses

Please provide feedback for any answer that you scored 2 or below.

0 responses

No responses yet for this question.

Vision/Planning

A vision/mission statement for the district exists and is periodically reviewed by the board and widely disseminated in the district.

7 responses

The vision reflects community priorities.

41

7 responses

Discussion of major items before the board routinely includes consideration of their impact on meeting district goals.

7 responses

The superintendent's evaluation considers how well the superintendent has addressed the district goals.

7 responses

The board emphasizes setting and monitoring district goals, instead of how staff should achieve these goals.

7 responses

The board does not get bogged down discussing operation details of the district or schools.

43

7 responses

Please provide feedback for any answer that you scored 2 or below.

Board/Community Relations

The board provides for involvement of the public in the operating of our schools.

7 responses

Our board actively promotes the school district to the public.

7 responses

Our school board is respected by the community.

49

7 responses

Our board is accountable to the community.

7 responses

The board refrains from committing to a position on an issue before all relevant facts are present.

7 responses

Members of the board refrain from speaking for the board on issues on which the board has no official position.

7 responses

Please provide feedback for any answer that you scored 2 or below.

1 response

Our school board is not respected by the community like I would like to see it. Community members are complaining that a few board members are operating on their own agendas rather than focusing on all the students in all our community schools.

Advocacy

Our board understands the need to influence statewide legislation and works diligently to develop a positive relationship with local members of the General Assembly.

7 responses

Our board, collectively and individually, regularly contacts legislators regarding their position on important legislation.

7 responses

Our board is represented at TSBA's Day on the Hill meeting.

1 State-mandated student testing programs shall be undertaken in accordance with procedures published
2 by the State Department of Education.³

3 **WEIGHTING OF TCAP⁴ AND EOC⁵ SCORES**

4 Student scores on the Tennessee Comprehensive Assessment Program's grades three through twelve (3-
5 12) shall comprise fifteen (15%) percent of the student's final grade in the subject areas of mathematics,
6 reading/language arts, science, and social studies.

7 GCSSD will use the cube root method to determine the final TNReady scores in grades 3-12.

8 The director of schools may exclude end-of-course (EOC) and TNReady scores from students' final
9 grades if scores are not received by the district at least five (5) instructional days before the end of the
10 course.^{4,5}

11 **INTEREST INVENTORIES AND CAREER ASSESSMENTS⁶**

12 Interest inventories shall be made available to middle schoolers. These will include assessments such as
13 the Kuder assessment, Myers-Briggs Type Indicator, the ASVAB, or the College Board Career Finder.

14 Career aptitude assessments shall be administered to 8th graders in order to inform the student's high
15 school plan of study.

16 **TESTING INFORMATION AND PARENTAL CONSENT**

17 Any test directly concerned with measuring student ability or achievement through individual or group
18 psychological or socio-metric tests shall not be administered by or with the knowledge of any employee
19 of the system without first obtaining written consent of the parents or guardians.²

20 Results of all group tests shall be recorded on the students' permanent records and shall be made
21 available to appropriate personnel in accordance with established procedures.⁷

22 No later than July 31st of each year, the board shall publish on its website information related to state
23 and board mandated tests that will be administered during the school year. The information shall
24 include:⁸

- 25 1. The name of the test;
- 26 2. The purpose and use of the test;
- 27 3. The grade or class in which the test will be administered;
- 28 4. The tentative date or dates that the test will be administered;
- 29 5. The time and manner in which parents and students will be notified of the results of the test;

- 1 6. How parents can access the questions and answers on their student’s state-required tests; and
- 2 7. If a board mandated test, how the test complements and enhances student instruction and learning
- 3 and how it serves a purpose distinct from state-required tests.
- 4 Beginning with the 2015-2016 school year and for school years thereafter, the testing information shall
- 5 also be placed in student handbooks or other school publications that are provided to parents on an annual
- 6 basis.

1 *General*

2 The board shall provide for a system-wide testing program which shall be periodically reviewed and
3 evaluated. The purposes of the program shall be to:

- 4 1. Assist in promoting accountability;
- 5 2. Determine the progress of students;
- 6 3. Assess the effectiveness of the instructional program and student learning;
- 7 4. Aid in counseling and guiding students in planning future education and other endeavors;
- 8 5. Analyze the improvements needed in each instructional area;
- 9 6. Assist in the screening of students with learning difficulties;¹
- 10 7. Assist in placing students in remedial programs;
- 11 8. Provide information for college entrance and placement; and
- 12 9. Assist in educational research by providing data.²

13 The director of schools shall be responsible for planning and implementing the program, which includes:

- 14 1. Determining specific purposes for each test;
- 15 2. Selecting the appropriate test to be given;
- 16 3. Establishing procedures for administering the tests;
- 17 4. Making provisions for interpreting and disseminating the results;

- 1 5. Maintaining testing information in a consistent and confidential manner; and
- 2 6. Ensuring that results are obtained as quickly as possible, especially when placement in a special
- 3 learning program might be necessary.

4 State-mandated student testing programs shall be undertaken in accordance with procedures published
5 by the State Department of Education.³

19 **TESTING FOR GRADE PLACEMENT OR AWARDED CREDIT⁹**

20 Students transferring from a Category IV church-related school, Category V private school, or home
21 school shall be awarded credit upon completion of a written exam. These exams shall be approved,
22 administered, and graded by the school's principal/designee. Upon request from a parent/guardian,
23 student scores from a nationally standardized achievement test in the relevant subject shall be accepted
24 as a substitute for these exams.

25 For students in grades one through eight (1-8), the exam shall only cover the last grade completed. For
26 students in grades nine through twelve (9-12), the exam shall only cover the last course completed by
27 the student (for example, if a student has completed English I, II, and III, the examination shall only
28 cover English III).

29 The Director of Schools shall provide notice to parent(s)/guardian(s) of these exams.
