MEMORANDUM

TO: Hamilton County Board of Education
Dr. Bryan Johnson, Superintendent

FROM: Dr. Justin Robertson, Chief Schools Officer
Amanda Torbett, Junior League of Chattanooga

DATE: May 23, 2019

RE: Mini Grant Recognition

The Junior League of Chattanooga's "A League of Learners" initiative is focused on fostering lifelong learners in the Chattanooga community. Junior League supports Hamilton County's schools, teachers, children, and adults through funding for special projects and partnerships with other local organizations to provide an active volunteer base. One area of support has been through the administering of Mini-Grants to teachers in Hamilton County.

This is the Junior League of Chattanooga's 19th year providing Chattanooga area teachers with additional resources for their classrooms, making Mini-Grants the longest continually running program of the Junior League of Chattanooga. Over the past two decades, the Mini-Grants program has provided over \$200,000 to teachers in order to bring their innovative ideas to fruition for the students of Hamilton County.

At this time, we would like to recognize these innovative teachers and projects.

RE: Recognition of Cardio-Pulmonary Resuscitation (CPR) Sponsors

Hamilton County Schools recognizes The American Heart Association together with Unum for working to increase the number of students in Hamilton County Schools to learn the life-saving skill of Hands-Only CPR. Through this collaboration, 40 Hands-Only CPR kits have been placed in Brainerd High School, East Hamilton Middle/High School, Howard High School and Red Bank High School.

Hands-Only CPR

CPR CAN DOUBLE OR EVEN TRIPLE A PERSON'S CHANCE OF SURVIVAL

The American Heart Association together with Unum have worked to increase the number of students in Hamilton County schools who know the life-saving skill of Hands-Only CPR.

Through this collaboration, 40 Hands-Only CPR kits have been placed in the following schools:

Brainerd High School
East Hamilton High School
Howard High School
Red Bank High School

Hands-Only CPR kits include a life-like CPR mannequin, English/Spanish Instruction DVD, written instructions and accessories. These kits can be utilized by multiple students and teachers.

IX.B.1. **The Howard School's Work-Based Learning Program Memorandum of Understanding Between Hamilton County Department of Education and The City of Chattanooga

Work-based learning (WBL) is a proactive approach to bridging the gap between high school and high-demand, high-skill careers in Tennessee. Students build on classroom-based instruction to develop employability skills that prepare them for success in postsecondary education and future careers. Through experiences like internships, apprenticeships, and paid work experience, juniors and seniors may earn high school credit for WBL experiences.

This is to request Board approval of the attached Memorandum of Understanding between The Hamilton County Board of Education and The City of Chattanooga regarding The Howard School's work-based learning program.

Motion Passed: approval of The Howard School's Work-Base Learning Program MOU between Hamilton County Department of Education and the City of Chattanooga passed with a motion by Mrs. Tiffanie Robinson and a second by Mr. Joe Smith.

IX.C.1. **Tuition Rates - Dr. Ken Bradshaw

I recommend a 2019-2020 tuition rate of \$3,448 for out-of-county students (in-state of Tennessee) and \$9,264 for out-of-state students.

Tuition is based on the revenues that are not received since the student resides either out-of-county or out-of-state.

Out-of-county proposed tuition increased by \$134 or 4.04% compared to last year; while the out-of-state proposed tuition increased by \$464 or 5.27%.

I further recommend that out-of-county or out-of-state exceptional education students, whose program may require additional support (transportation, attendants, special equipment, etc.), be evaluated for admission on a case-by-case basis.

Motion Passed: approval of the proposed tuition rates passed with a motion by Mrs. Tiffanie Robinson and a second by Mr. Tucker McClendon.

Discussion:

Prior to a motion for the Budget agenda item, Dr. Highlander requested to make an alternative motion that the Board approve the budget from last year plus the \$9 million growth money, plus ask the County Commission to fund a 5% across the board pay increase for all teachers and for all classified personnel.

Discussion followed.

Mrs. Robinson asked about the increase for Exceptional Education and why it wasn't included in the motion since it is required by law. Dr. Highlander stated he would be willing to add that if it would get it through. He asked what the total cost would be but that was not known.

Dr. Johnson stated that he would ask Mr. Goldberg to do some quick math as he wasn't sure if we could afford a 5% pay increase as well as doing the Special Ed component.

Dr. Highlander restated that he was not asking with that but asking the County Commission to fund the 5% pay increase.

Mr. Goldberg stated the administration had presented a \$443 million budget and requested approval for that budget. He further stated that there was not another budget of another amount.

The motion failed due to the lack of a second.

MEMORANDUM

TO: Hamilton County Board of Education
Dr. Bryan Johnson, Superintendent

FROM: Christie Jordan, Chief Financial Officer

DATE: May 23, 2019

RE: Barnes and Noble online and in-store book fairs

Barnes and Noble Hamilton Place is requesting approval for online and in-store book fairs for the 2019-2020 school year.

Barnes and Noble memo is attached for your approval.

To the Board of Education,

Barnes & Noble would like to be considered for online and in-store bookfairs for the 2019-2020 school year. Unlike other bookfair vendors, Barnes & Noble gives schools the opportunity to host a bookfair in our store, where they can advertise and promote the school's various programs and groups, i.e. media centers, student government, extra-curricular organizations, etc. The bookfair continues online for the following five days after an in-store bookfair to allow for additional fundraising opportunities.

For the past 15 years, Barnes & Noble Hamilton Place has been proud to partner with schools on bookfair fundraisers. In the past year alone, Barnes & Noble has joined with schools in Hamilton County to raise over \$6700, and those funds have been used to purchase new books for libraries, fund field trips, buy board games for clubs, and more. We would love to continue supporting the schools in our community and appreciate your consideration for this opportunity.

Sincerely,

Mackenzie Steele

ANNUAL CONTRACT FOR ASBESTOS (AHERA) AND OTHER INDOOR AIR QUALITY SERVICES

This contract is for Asbestos (AHERA) and other indoor air quality services for the Hamilton County Schools, Chattanooga, TN. Helton and Associates, Inc. will perform the following specific services for the stipulated sum(s) shown elsewhere in this contract.

A. Ongoing services as required under the AHERA law.

1. Inspection

Inspections will be performed in all schools as per the AHERA regulations.

EPA has issued interpretations of the AHERA regulations stating that more than one sample of miscellaneous materials must be collected. New OSHA regulations require a minimum of three (3) samples per homogeneous material. Bulk samples will be charged at a rate of \$20.00 per sample as indicated in the unit rates attached.

2. Duplication of LEA Files to Schools

All AHERA information within the LEA files will be duplicated and placed in the respective school office.

3. Warning Labels

Appropriate warning signs will be placed in all appropriate areas to meet AHERA requirement.

4. Permit System

A permit system as required by AHERA for work performed in the schools by outside contractors will be designed for each of the Hamilton County Schools

5. Operations & Maintenance (O&M) Activities Update

A special form will be completed for each AHERA O&M activity previously performed in the Hamilton County Schools which involved asbestos.

These forms will be placed in both the schools' and the LEA's school files.

At the discretion of Hamilton County Schools, future O&M and asbestos related activities which are performed by Helton and Associates, Inc.'s Project

Professionals will be at the unit rates as per the Companies current Schedule of Fees at the time services are rendered.

6. Periodic Surveillance

A program for AHERA required periodic surveillances of all asbestos containing materials will be designed and implemented.

7. State of Tennessee Update (Annual Progress Report)

The AHERA required annual progress report will be compiled and submitted to the State of Tennessee.

8. Training

Two (2) hour and sixteen (16) hour training courses as required by AHERA will be conducted for all custodial and maintenance personnel at a schedule convenient to the OWNER.

B. Contract Sum and Payment Procedures

The inclusive dates of the work in this contract are **July 1, 2019 to June 30, 2020.**

All services provided under this contract will be in strict compliance with Local, State and Federal rules and regulations.

Helton and Associates, Inc. will complete all above specified services within the contract period for the sum of **Eighty Nine Thousand Two Hundred Ninety Two Dollars**, plus \$20.00 per bulk sample as per the attached schedule of fees.

Hamilton County Schools will pay Helton and Associates, Inc. in 12 payments as follows:

12 payments of \$7,441.00.

C. Additional services to be provided on an as needed basis for the schools and payment procedures.

1. Specifications and Project Management

Project specifications by EPA accredited designers as required by law will be developed and managed for all abatement projects as follows:

- a. Routine maintenance abatement projects completed by Helton and Associates, Inc. which fall under the county's approved maintenance contract will be charged according to the size of the project at a rate of not less that \$250.00 (projects not exceeding \$2,000.00) nor more than \$950.00.

Memorandum

To: Dr. Bryan Johnson, Superintendent
Hamilton County Board of Education

From: Ben Coulter, Director of Information Technology

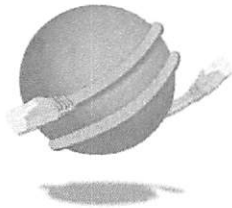

Date: May 23rd, 2019

Re: Approval of ClearLine Networks, LLC to install cable at Lakeside Academy

The Information Technology department is requesting approval to use the contract of Clarksville/Montgomery County with ClearLine Networks, LLC to cable Lakeside Academy at a cost of \$49,995. This cabling work will be utilized for internet connectivity, Wi-Fi connectivity and to install telecommunication and intercom system. The installation period is to begin on May 28th, 2019 and be completed by August 6th, 2019.

Funding will come from the general purpose budget.

Thank you for your consideration of this request.

ClearLine Networks

Scope of Work

ClearLine Networks has been asked to provide a Scope of Work and pricing to Hamilton County Schools for category 6 cabling at Lakeside Elementary School. ClearLine is pleased to offer the following scope of work outlining the project as understood by ClearLine. If any part of the following scope is unclear, please do not hesitate to contact us for further clarification. Our goal is to give Hamilton County Schools the exact installation they desire while exceeding expectations for service and workmanship.

Horizontal Cabling

ClearLine will install a total of two hundred sixty-two (262) cat6 cables to the locations identified during the walkthrough on 4/26/2019 as well as the provided drawings. All cables will be non-plenum rated and will originate from the nearest IDF. The cables will be installed in Jhooks below the ceiling in each hallway. New sleeves will be installed where necessary in order to route cables to each user location in classrooms, offices, etc. All sleeves will be firestopped per industry standards. In the classrooms there will be surface mount raceway installed in order to provide a pathway down to the 2 workstation locations. There will also be two cables left at 96" AFF in each classroom for a wireless access point as well as a paging speaker. At the end user location, all cables will be terminated on cat6 jacks. The color of the jacks will be as follows;

- Yellow= Data
- Blue = Voice and paging
- Purple= Wireless AP
- Red = Camera

All wall jacks will be housed in White flush mount faceplate. All jacks for paging, wireless, and cameras will be placed in a surface mount box. At the IDF end, all cables will be terminated on cat6 jacks with corresponding colors as user end, and placed in new customer provided modular patch panels. All wall racks will also be customer provided and installed.

In the nine (9) portable classrooms we will install one outdoor rated category 6 cable to be used for paging. These cables will originate in the portable that currently houses the network equipment and will route to each other portable via any means necessary including top of the awnings, below awnings, conduits, etc. No lightning protection is included for these cables.

Demo

ClearLine will remove all of the abandon data and voice cables once all of the new cabling is complete. We will only remove/disturb the cables that are below ceiling so that we can avoid any exposure to the asbestos that is present in the ceiling. All salvaged cable will be removed from the site for recycling.

Testing, Labeling and Documentation

ClearLine will label all patch panels and faceplates per customer specifications using machine generated labels. ClearLine will test each cable installed using a wiremap tester. All test results will be saved by ClearLine and provided to the customer upon request.

Assumptions:

- ClearLine will have free and ready access to all areas necessary for above work to be performed. Any delays in accessing areas will incur additional charges.
- ClearLine will pull all necessary LOW VOLTAGE permits for work described above. If other construction permits are required ClearLine will assist customer in getting said permits but additional charges may apply.
- All work can be completed without delays from other contractors. Construction delays beyond the control of ClearLine may incur additional charges.
- Table boxes, floor boxes, poke thrus, if desired or required, will be provided by others.
- By signing below customer agrees to all assumptions and terms of the SOW.
- ClearLine assumes that only rated firewalls extend above ceiling and to the deck. If walls other than firewalls extend to the deck then additional charges will apply IF ClearLine is responsible for sleeving the walls.
- ClearLine will ground racks to a ground bus bar (provided by others) or building steel up to 30' from rack. If ground is not available within 30' then additional charges will apply.

Price –	Materials \$24,727.00
	<u>Labor \$25,268.00</u>
TOTAL	\$49,995.00

Payment Terms –

- All Invoices due Net 30
- 25% down payment invoice will be sent at the time the SOW is signed
- 35% will be invoiced when materials arrive
- 30% will be invoiced after system is installed
- Final 10% after system acceptance

Price is good for 60 days from 4/05/2019 – while ClearLine would make every effort to honor pricing longer, a review of material cost will be necessary after expiration of this quote.

Bid Response for CMCSS – Network, AV and Phone

Qualifications

History/Summary-

ClearLine Networks is a Middle TN low voltage contractor dedicated to providing first class technology installations for schools and school systems throughout Tennessee. By focusing on actual needs and keeping the goal of better education in mind, ClearLine Networks is well positioned to be the Technology Partner of choice for many school systems...and is! ClearLine has performed work for Sumner County Schools, Putnam County Schools and Hickman County Schools and currently provides all services for Dickson County Schools. ClearLine has also been called on to complete the infrastructure cabling for Hamilton Counties last 4 schools. ClearLine has literally built the infrastructure that supports thousands of students every day throughout Middle Tennessee.

ClearLine Networks brings a wealth of talent and relevant history to the table when partnering with school systems. Key personnel at ClearLine Networks have partnered with Middle Tennessee school systems for a combined 50 years.

Financial Health-

Even in these uncertain times for most contractors, ClearLine is in fantastic financial health. ClearLine has developed a model that allows them to operate at a lower overhead than their competitors. By hiring lead technicians that are proven winners, ClearLine is not required to inflate their payroll with non-billable field supervisors that are required to “babysit” technicians. In addition, ClearLine has no debt to service, having paid for all vehicles and tools without acquiring loans. ClearLine’s business model lends towards high efficiency and low overhead. Key indicators show that this business strategy is paying off. ClearLine has also diversified over the past 7.5 years and now does more revenue in the tenant build-out market for commercial business than in the education market. This diversification, and compounding growth, make ClearLine’s financial outlook very positive.

References-

- 1. Dickson County Schools** –Cindy Gilliland – Technology Coordinator
ClearLine currently holds a multi-year contract with Dickson County Schools providing them voice, data, coax and fiber connectivity. Additionally, over the

2015 year, ClearLine not only performed a major security project with Dickson County Schools, we also replaced their old phone system with a new VoIP Allworx phone system.

2. Hamilton County Schools – Eric Porter – Telecom. Infrastructure Coordinator

ClearLine has bid and won the last four schools bid in Hamilton County. The County is incredibly happy with the quality of work they are getting and each contract has been bid competitively.

3. Clarksville/Montgomery County Schools – Malcolm Bayless and David Holman

While maybe not eligible for a reference, we believe that the body of work performed for CMCSS by ClearLine is completely relevant and the greatest testament to why ClearLine is the correct choice to support CMCSS for Infrastructure, CCTV, AV and Telephony.

Please see other ClearLine testimonials at www.clearline.net

Technical Personnel-

ClearLine is proud of the reputation it has built for doing the right thing. That reputation is due in no small part to the people that make up ClearLine Networks. ClearLine is extremely selective in its hiring practices. Ensuring CMCSS the quality they have grown to expect from a vendor that considers itself a partner in their technology goals.

Heading up the CMCSS Project Team is **Brad Johnson**. Brad is an owner/founder of ClearLine and has over 16 years of experience in our industry working directly with schools, including CMCSS. Having overseen all billing for CMCSS infrastructure activities for the last 13 years, no one is more familiar with the needs and intricacies of Clarksville Schools.

Also on the CMCSS Project Team is the co-founder of ClearLine Networks, **Terry Catignani**. Terry has worked with CMCSS for the last thirteen years providing operational support for cabling projects and technological support for CMCSS' VoIP Phone Systems and CCTV solutions. Terry has shown himself to be a valuable asset to the school system in regards to operational advice, vendor coordination and general technology guidance.

Ron Randolph will continue to serve CMCSS in helping to solve AV issues as they arise. Ron has worked in numerous CMCSS schools to troubleshoot "low-bid" paging issues, gymnasium sound systems, and other audio visual issues.

Ron is available to CMCSS at any time for consultation, design or strategy planning.

Mike French may be the most critical member of the CMCSS Project Team. Mike will serve CMCSS on a daily basis with whatever needs arise as their **On-site Project Manager**. There is no person better equipped to handle any issues challenging CMCSS' infrastructure. Having worked hands-on for the past fourteen years in every school in the county, no one knows more about each school's network. It would take someone new to this position many years to get up to speed on the intricacies of each school's networks for cable, fiber and CATV coax. Add to that experience his familiarity with the new CCTV systems and phone systems and Mike French becomes irreplaceable.

Melanie Bayless joined the ClearLine team as summer help almost 8 years ago while working on West Creek Elementary and quickly established her place in our team. Melanie brings a unique perspective having worked for the school system previously for several years. Melanie quickly went on to train in VoIP Telephony to allow us a quicker response time for general troubleshooting on service calls. She took to it so well that we increased her training and have given her the task of installing and maintaining all the phone systems in the school system. No one is more familiar with CMCSS' needs and relevant history pertaining to VoIP.

Because ClearLine has the distinct advantage of having served in the role of Technology Contractor for many years, we have fine-tuned the team that currently serves in Clarksville every single day. On average, the leads in Clarksville all have more than 5 years experience working right there in the schools of Clarksville/Montgomery County. Their ability to respond to, locate and identify and **quickly** fix problems within the schools is impossible by any other team. Imagine having to show another contractor where every Telecom Closet is in every school and the amount of time it would take them to gain that level of understanding. That still wouldn't compare to the level of intimate knowledge attained by the members of the ClearLine Team that know every route of every cable pulled from those Closets. In a time and material billing environment, ClearLine's intimate knowledge of CMCSS gives them an insurmountable advantage in pricing.

Each of the members of the CMCSS Project Team have shown a commitment to serving the CMCSS Technology Department, and therefore the students and faculty of CMCSS. ClearLine is a known and proven product.

Summary of Service-

Response Time- While ClearLine's typical guaranteed response time is 1 hour for a follow-up phone call and 4 hours onsite (during business hours), CMCSS will get even better service. By designating a technician, Mike French, to be

onsite at all times, ClearLine can respond almost immediately to any need of the School System.

Warranty- ClearLine offers a lifetime manufacturer's warranty on all cat5e and cat6 Leviton cabling installations. The warranty for all other installations is whatever the manufacturer supplies on hardware, as well as one year on labor.

Escalation/Resolution- ClearLine offers absolute and total availability of all CMCSS Project Members up to and including the ownership of ClearLine Networks, LLC. Just as they always have, ClearLine will address any issues directly, urgently and fully. Mike French will be the primary contact, followed by Terry Catignani, then Brad Johnson.

Capabilities-

- Voice and Data Cabling –
- Fiber Optic Cabling –
- Outside Plant (OSP) Cabling -
- CATV Cabling –
- AV Installations –
- VoIP Telephony Installations and troubleshooting –
- Security Installations – CCTV and Cameras

Besides drug testing, ClearLine is also enrolled in the TBI fingerprint background check program in response to laws governing work within schools. ClearLine Networks is fully compliant with the E-rate program and our SPIN # is 143034714.

ClearLine vs. Bid Requirements

ClearLine Networks is proposing to be a one-stop solution for all the low voltage needs of Clarksville/Montgomery County Schools. Because all systems currently in place have been installed by ClearLine, no one is more prepared to continue providing completely interoperable systems. ClearLine is quite familiar with the features and functionality of all systems as our team has helped design the solutions.

Implementation is where ClearLine has its largest advantage having been a trusted, reliable partner for years. Cost is the hardest thing to measure in a "time plus materials" billing scenario because stated rate is only part of the equation. ClearLine is the only "known product" in regard to thoroughness and speed of work. We do it right the first time and with very little direction required of CMCSS (a hidden but substantial cost in T&M billing).

3. Not all products require certified personnel but in cabling, it is typical. ClearLine will continue to install Leviton Data Communications Products in which we are certified and have certified techs on site.
4. ClearLine has installed data cabling in nearly every potential situation required in CMCSS.
5. ClearLine has installed all of the AV systems in CMCSS. We are well suited to troubleshoot and make repairs. We also are familiar with the products that have been used in the past and the preferred products that CMCSS has moved to based off trial and error.
6. ClearLine has already begun to make some changes and upgrades on some of the larger AV installations throughout the County. Recently, ClearLine quoted an upgrade to the Boardroom that will make the system digital, upgrade the monitors and bring a vast improvement to the audio system (and include assisted listening).
7. ClearLine has set up the video systems at CMCSS for years. We have also gotten good at troubleshooting the systems set up before we started doing them. ClearLine is very familiar with CMCSS' standards regarding multiplexing video onto their internal CATV network.
8. Paging and audio systems for gymnasiums and auditoriums require a special set-up. We believe that the systems we have designed and installed recently are the best we have ever done. ClearLine will be able to tackle future projects with ease following this design with proven products already in place throughout the County. ClearLine also maintains relationships with the manufacturers of these products making ClearLine the best possible solution to handle warranty issues that could potentially arise with existing products.
9. No one is better suited to provide seamless Allworx communications between current schools and any future schools or to maintain the existing investment. ClearLine has provided, programmed, installed and trained staff on every system in the County.
10. Mike French has worked with the construction department on every new school in the last 13 years. He is well known for providing up to date information and working well with other trades. Having been involved with so many new school projects, Mike and ClearLine are able to save the school system time and money by heading off problems before they occur.
11. ClearLine is well acquainted with the needs of any cables that need to be run from dmarcs to phone rooms. ClearLine knows the location of every dmarc in every school in the County.
12. ClearLine has practiced a drug testing program for years and screens all employees through the TBI fingerprint background check.
13. ClearLine has participated with erate for years. Our SPIN # is 143034714.
14. ClearLine has been working directly with Malcolm for years providing billing on a bi-weekly or monthly basis that derives from a report reviewing the projects and tasks assigned for that month.

Product Proposed

ClearLine Networks is proposing the continued installation of Leviton Data Communications products for CMCSS' Infrastructure needs. Leviton is an American company over 100 years old with incredible stability and market coverage. Leviton's product line includes not only category 5E and category 6 products but also Augmented cat6 products, and a whole host of cable and fiber management products. On top of all this, Leviton offers a Lifetime Warranty. Leviton has a regional representative at ClearLine's disposal. Leviton is locally represented by the rep firm, Superior Associates. This dual representation can only serve to provide extra product support when needed.

In addition to Leviton product, ClearLine Networks uses BerkTek cable, Belden cable, General coax cable, BerkTek and Corning Fiber products, Hilti products, Homaco, Hellerman Tyton and Chatsworth cabinets and racks and other industry leading products.

ClearLine Networks is well versed in the installation of the Allworx Phone System. ClearLine has in fact installed each of the systems that reside on the CMCSS network. ClearLine is also approved to perform all warranty work, service and upgrades as well as training.

ClearLine currently provides Hitachi, Draper, Samsung, Penton Audio and other hardware/product for Clarksville's AV needs. With technology in the audio visual industry changing regularly, ClearLine will continue to offer solutions from a variety of manufacturers based on the current needs of CMCSS.

ClearLine Evaluation by the numbers

1. Company Qualifications/Market reputation –
ClearLine is better qualified than any other candidate. ClearLine knows the network better than any potential contractor, including every Telecom Room, Computer lab cabinet, portable fiber, workroom phone or hallway camera. ClearLine has proven people in every position that supports and has been supporting CMCSS. ClearLine has an RCDD on staff and is in great financial shape, having zero debt to service.
2. Solution Proposed –
ClearLine has named the proposed solutions and they are the best possible solutions. They are the solutions already in place in nearly 100% of the school system. There is no concern for determining warranty among different manufacturers and there is no issue with interoperability or impedance mismatches. ClearLine uses solutions that are already working for CMCSS.

3. **Price for eligible goods and services –**
ClearLine provides the best possible products at the best prices. When discounts are available, ClearLine will continue to pass along discounted pricing below the “contract price”, as we have in the past. ClearLine’s labor pricing is fair and when factored with the speed at which we are able to be onsite and effective, it is vastly superior in overall cost.
4. **Price for ineligible goods and services –**
ClearLine makes no distinction in pricing between erate eligible and ineligible goods. We find products that work for CMCSS and negotiate the best rates on their behalf.
5. **Prior experience with vendor –**
ClearLine has held this contract for almost 8 years. The major portion of the CMCSS Contract team has worked in this capacity for CMCSS for over 14 years. No one comes close to offering the experience ClearLine has to offer and no one can claim to have been as valuable a partner as ClearLine has been. The last non-ClearLine company to do work for CMCSS a decade ago, did so with employees which now work for ClearLine.
6. **Local Presence –**
ClearLine’s business address is on Clarksville Hwy in Joelton, roughly 35 minutes down the road. Mike French, the main point of contact for CMCSS, lives just 30 minutes outside Clarksville. Because of the length of service, ClearLine has attracted and molded a team of players that live within a reasonable distance. ClearLine purchases product locally to Clarksville and has also worked with Clarksville auto dealers on some van purchases.
7. **Flexible invoicing –**
ClearLine has shown over the years that their invoicing practices are fair and convenient. ClearLine asks for no pre-payment, billing only after the work has been completed or product has been delivered. ClearLine’s SPIN # is 143034714 and ClearLine can work through erate however requested. In the past, ClearLine has billed CMCSS for work completed and what items are reimbursable, have been reimbursed directly to CMCSS. ClearLine is willing to do whatever is needed to accommodate CMCSS billing needs.
8. **Warranty/Maintenance –**
ClearLine warrants all cabling work for a Lifetime. Warranties on other purchased product are for the duration offered by the individual manufacturers or one year on workmanship. As always, Mike French will remain the primary contact and escalation will be to Terry Catignani or Brad Johnson, both owners fully available to CMCSS. Response times are typically within 1 hour or less on callbacks and historically well below the guaranteed 4 hour onsite response time. ClearLine does not charge any service call fees or for travel to arrive onsite. ClearLine does charge for the travel time between sites when going from one school to another.

Cost

ClearLine Networks proposes a Time and Material format to pricing based on the rates detailed below. Overtime hours will be billed at 1.5x the rate and all material will be priced at a cost + 18% margin (some examples are listed below). Necessary taxes will be included in pricing of material only.

Billing will be done up to twice monthly for ongoing service work. Projects can be billed 30% upon the start of the project, 45% upon substantial completion, and the remainder can be billed upon acceptance. We are also happy to bill projects just like the rest of the billing and turn in invoicing based off completed work in that monthly period.

Upon acceptance of this proposal, ClearLine Networks agrees to make the resulting contract available to other school systems and local governments for use.

Sample Contract

Clarksville/Montgomery County School System

Contract # C2016-04

Contract between the Clarksville/Montgomery County School System and ClearLine Networks, LLC for the Purchase of Goods and Services

This document is entered into this 1st day of July, 2016, by and between Clarksville/Montgomery County School System, 621 Gracey Ave., Clarksville, TN 37040, (Hereafter, "Buyer") and ClearLine Networks, LLC, 5925 Clarksville Pike, Joelton, TN 37080 (Hereafter, "Seller"), the chosen bidder on this sealed bid RFP response which was opened and evaluated in March of 2016. This contract consists of the following documents:

- This document;
- Original request for RFP put out by Clarksville/Montgomery County School System
- The Seller's response

In the event of conflicting provisions, all documents shall be construed according to the following priorities:

- Any properly executed amendment or change order to this contract (most recent with first priority),
- This contract,
- The Original request for RFP put out by Clarksville/Montgomery County School System
- The Seller's proposal response

Offer and Acceptance – Seller agrees to provide and Buyer agrees to purchase goods and services as the Buyer sees fit for the purpose of providing technology to the schools. Buyer intends to make this contract available to other similarly situated School Systems as well as Local Government as a purchase and procurement vehicle.

Term of Contract – This contract will remain in force for three years from the earliest valid date and may be renewed at the discretion of the Buyer for a 2 (two) year renewal period. Should the Buyer or the Seller desire to terminate the contract agreement, the contract may be terminated by either party with 90 days written notice to the other party to be sent to the contact person listed in the RFP for Buyer or contact person listed in the RFP response for Seller.

Guaranteed Quantities – Buyer does NOT agree to buy specified quantities of items under this contract. This is an open quantity purchase vehicle to allow the Buyer to purchase goods and services, at the sole discretion of the Buyer.

Consideration – Buyer will endeavor to compensate seller in a timely manner for the goods and services purchased under this contract at the pricing or rate billed by the seller so long as the price

or rate is in compliance with the pricing put forth in the Seller's RFP response. Should a discrepancy arise, the Buyer will notify Seller of the discrepancy and request the Seller correct any errant pricing. Upon receipt of valid invoices under this contract, the Buyer will endeavor to compensate Seller within 30 days, and in no case shall compensation be made in more than 90 days.

Modification of Contract – This contract may be modified only by written amendment executed by duly authorized representative of Buyer and Seller and their signatories hereto. All changes or amendments must follow the intent of this contract and be acceptable to Buyer.

Waiver – No waiver of any provision of this contract shall affect the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.

Employment and Non-Discrimination – Seller shall NOT in its employment and personnel policies allow for promotion, demotion, employment, rejection of employment, dismissal, or layoff of any individual due to race, creed, color, national origin, age, sex, or act in a manner that is in violation of applicable laws concerning the employment of individuals with disabilities. Further, Seller shall not discriminate on the basis of race, creed, color, national origin, age, sex or disability in hiring and employment practices.

Entire Contract – This contract, with its included documents listed on the face of the agreement and specifically made part of this contract, sets forth the entire agreement between the Buyer and Seller with respect to the subject matter hereof and shall govern the respective duties and obligations of the parties.

Severability – Should any provision of this contract be declared to be invalid by any court of competent jurisdiction, such provision shall be severed and shall not affect the validity of the remaining provisions of this contract.

Governing Law – This contract, with its constructions and included documents shall be governed by the laws of the State of Tennessee.

Venue – Any action between the parties arising out of this contract shall be maintained in the courts of Montgomery County, Tennessee.

Effective Date - This contract shall not become binding upon the parties until it has been signed first by the Seller and then by an authorized representative of the Buyer. By signing below, both parties agree that the signer has the authority to enter into this agreement on behalf of the organization listed.

Modification of Contract – This contract may be modified only by written amendment executed by duly authorized representative of Buyer and Seller and their signatories hereto. All changes or amendments must follow the intent of this contract and be acceptable to Buyer.

Waiver – No waiver of any provision of this contract shall affect the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.

Employment and Non-Discrimination – Seller shall NOT in its employment and personnel policies allow for promotion, demotion, employment, rejection of employment, dismissal, or layoff of any individual due to race, creed, color, national origin, age, sex, or act in a manner that is in violation of applicable laws concerning the employment of individuals with disabilities. Further, Seller shall not discriminate on the basis of race, creed, color, national origin, age, sex or disability in hiring and employment practices.

Entire Contract – This contract, with its included documents listed on the face of the agreement and specifically made part of this contract, sets forth the entire agreement between the Buyer and Seller with respect to the subject matter hereof and shall govern the respective duties and obligations of the parties.

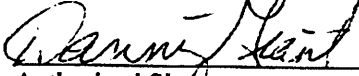

Severability – Should any provision of this contract be declared to be invalid by any court of competent jurisdiction, such provision shall be severed and shall not affect the validity of the remaining provisions of this contract.

Governing Law – This contract, with its constructions and included documents shall be governed by the laws of the State of Tennessee.

Venue – Any action between the parties arising out of this contract shall be maintained in the courts of Montgomery County, Tennessee.

Effective Date - This contract shall not become binding upon the parties until it has been signed first by the Seller and then by an authorized representative of the Buyer. By signing below, both parties agree that the signer has the authority to enter into this agreement on behalf of the organization listed.

Re: Continental Press, Inc.

All English Language Learners (ELLs) are faced with significant cognitive demands as they tackle academic language and translate between their native language and English. For students who are recent immigrants with limited formal schooling, the classroom environment is even more complicated. Their teachers must teach not only the content, but also the language and social demands of the lesson. To better meet these challenges, ELLs need immediate feedback about how the development of their language abilities interacts with their academic performance; and teachers need practical strategies to help ELLs develop the specific content and language abilities necessary for success.

Therefore, we are requesting approval to expend \$52,858.00 for the purchase of *Finish Line ELLs 2.0* for K-12th grade ELLs in all ESOL sites. *Finish Line for ELLs* is designed to help prepare students for the state standardized English language proficiency assessment, WIDA's ACCESS for ELLs[®] 2.0 exam and monitor their progress. With the practice in *Finish Line for ELLs 2.0*, students can improve their performance across the language domains and become familiar with tested item types. Data from each lesson can be used to monitor progress and identify gaps in learning.

The requested funds will be used to provide *Finish Line for ELLs 2.0* for up to 4,000 ELLs and up to 100 ESL teachers across the district. The funding for this purchase will be allocated from the Title III budget.

We appreciate your thoughtful consideration.

**Hamilton County Department of Education
Exceptional Education Department
3074 Hickory Valley Road
Chattanooga, TN. 37421**

MEMORANDUM:

To: Hamilton County Board of Education
Dr. Bryan Johnson, Superintendent

From: Garfield Adams, Director, Exceptional Education

Date: May 23, 2019

Re: Exceptional Education – Agreement with County-Operated Detention Centers

I am respectfully requesting that you approve the attached agreement with the Hamilton County Juvenile Detention Unit. The purpose of this agreement is to establish working procedures between Hamilton County Department of Education and any County-Operated Detention Center in the provision of services to eligible children with disabilities, who are detained or incarcerated in county/city-operated detention centers to provide free appropriate public education in compliance with Federal and Tennessee State laws and regulations. NO funds are needed or requested with this agreement.

Thank you for your consideration of this agreement.

**AGREEMENT BETWEEN
HAMILTON COUNTY DEPARTMENT OF EDUCATION
AND
HAMILTON COUNTY JUVENILE DETENTION UNIT**

This agreement is between the Hamilton County Department of Education (LEA) and Hamilton County Juvenile Detention Unit (hereafter know as AGENCY) for a period of July 01, 2019 through June 30, 2020.

A. PURPOSE

The purpose of this agreement is to establish working procedures between the LEA and AGENCY in provision of services to all eligible children with disabilities who are detained or incarcerated in county/city-operated detention centers to provide free appropriate public education.

It is the intent of this agreement to:

1. Define which service will be provided by each agency.
2. Ensure that eligible children for special education services receive a free and appropriate public education, as required by law. In the least restrictive environment.
3. Ensure that each agency cooperatively maintains communication and shares leadership responsibilities at the local level and to ensure that available resources are utilized in the most effective manner.
4. Ensure that cooperative arrangements between LEA and AGENCY are developed, implemented and preserved.

B. APPLICABILITY

This policy applies to all children with disabilities who are legally mandated to receive an education in Tennessee through the school year in which their 22nd birthday occurs while being detained or incarcerated in county-operated detention centers; however, the obligation to make FAPE available to all children with disabilities does not apply with respect to children aged 18 through 21 who, in their last educational placement prior to their incarceration in an adult correctional facility, were not actually identified as being a child with a disability and did not have an IEP.

- Americans with Disabilities Act (ADA), *42 U.S.C. § 12101*

D. DEFINITIONS

Words and phrases used in this Policy shall have the following definitions:

“Detainee” – a person who is being held awaiting trial or has been convicted of a crime and is incarcerated.

“Local Education Agency” – means a public school district within the State of Tennessee which is mandated to provide educational services to eligible children.

“County-operated Detention Centers” – shall include, but not be limited to, the local juvenile detention center, the county and/or city jail, and penal farms. Detainees who are county prisoners shall be educated or caused to be educated by the LEA. Detainees who are state prisoners, and who are in the custody of the county jail, shall be educated by the Department of Corrections (DOC) and/or the Department of Children’s Services (DCS), or caused to be educated by the LEA serving the county operated detention center.

E. PROCEDURES

1. Identification of Children with Disabilities in County-Operated Detention Centers

Upon determining that a detainee will be detained for 10 days or longer, each county-operated detention center shall implement systematic referral procedures to assure that detainees who are identified as having disabilities, or suspected of having disabilities, are referred to the LEA or other appropriate agency. The referral procedures will include the following steps:

(a.)The county-operated detention center shall identify each detainee who has a disability, is suspected of having a disability, or who previously received special education services under IDEA, Section 504, or the ADA.

(b.)Identification data to be obtained shall include information pertaining to:

- any known or suspected disability;
- the last school attended and any special services received;
- school records (assessment/evaluation reports, cumulative records, etc.) if available;
- the detainee's age and desire to receive educational services;
- if the detainee is over 18 years of age and does not want to receive educational services, a written explanation shall be obtained.

[Detention centers may utilize Form A (attached) to obtain identification information from detainees.]

2. Referral to the LEA for Assessment

County-operated detention centers shall forward all available identification information on detainees to the LEA where the facility is located. If the detainee is a state prisoner, the information will be forwarded to the DOC or DCS. Upon receipt of the information, the LEA shall ensure that the following steps are completed within 45 days from the date of referral:

- a) Within 72 hours, a review will be conducted to determine whether the detainee has current academic and special education records, received special education services in the last placement, and had an Individual Education Plan (IEP).
- b) Where the detainee has current records and an IEP, the LEA or appropriate agency shall proceed to Part C of this Policy – Implementation of Educational Plan.
- c) For detainees suspected of having a disability and/or do not have current assessment data or an IEP available, special education staff will request the academic and special education records from the detainee's last

school placement. Periodic follow-up shall be made to ensure that the records are received in a timely manner.

- d) Upon receipt of the school records, special education staff shall determine whether further assessments are warranted based on a suspected physical and/or mental impairment, including: health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status and motor abilities.
- e) Detainees shall be evaluated in accordance with the State Board Rules for Special Education Programs and Services.
- f) Within 10 days of receiving a referral from a county-operated detention center, the LEA or appropriate agency shall designate a staff member who will serve as the IEP team Chairperson and who shall be responsible for:
 - providing written notice to parents of detainees who have not reached the age of 18 years, requesting consent from the parents to evaluate the detainee. Signed parental consent shall be obtained prior to an initial evaluation. If parental consent cannot be obtained after reasonable efforts, the LEA may initiate a due process hearing to obtain consent.
 - designating members of the IEP team.
- g) The IEP team Chairperson shall also be responsible for developing a written plan which identifies areas where information needs to be collected through individual or in-depth assessment of all areas related to the suspected disability. Each person who conducts an individual assessment shall prepare a written report for consideration by the IEP team.
- h) If the IEP team Chairperson is not knowledgeable in the area of the suspected impairment, he/she shall make sure that such persons help develop the assessment plan. The individual assessment should provide descriptive and prescriptive information that is adequate to assist in planning an appropriate program for the detainee. The individual assessment shall include a comprehensive vocational assessment for every detainee 16 years of age or older. In the IEP team's discretion, a comprehensive vocational assessment may be included for detainees who have not reached 16 years of age.
- i) No single procedure shall be used to assess whether or not a detainee has a physical or mental impairment or as the sole criterion for determining an appropriate educational program. Tests and other

materials used to assess a detainee must be selected and administered so as not to be discriminatory on a racial or cultural basis and must be provided and administered in the detainee's native language or other mode of communication and in a form most likely to yield accurate information on what the detainee knows and can do academically, developmentally and functionally.

j) The integrated assessment report shall be completed and submitted to the IEP team Chairperson. After receiving the Assessment Team Report, the Chairperson shall convene an IEP team meeting for the purpose of determining whether the detainee is eligible for special education and related services. The IEP team shall include the following participants:

- (1) The parents of the detainee;
- (2) Not less than one regular education teacher of the detainee (if the detainee is, or may be, participating in the regular education environment);
- (3) Not less than one special education teacher of the detainee, or where appropriate, not less than one special education provider of the detainee;
- (4) A representative of the LEA who--
 - (i) Is qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of detainee with disabilities;
 - (ii) Is knowledgeable about the general curriculum; and
 - (iii) Is knowledgeable about the availability of resources of the LEA;
- (5) An individual who can interpret the instructional implications of evaluation results;
- (6) At the discretion of the parent or LEA, other individuals who have knowledge or special expertise regarding the detainee, including related services personnel as appropriate; and
- (7) Whenever appropriate, the detainee.

k) If the IEP team determines that a detainee is eligible to receive special education and/or related services, the IEP team shall be responsible for developing an IEP or an appropriate plan for the detainee. If parental consent for special education and/or related services is refused, or the parent fails to respond to a request for consent to the provision of special

education and/or related services, the LEA may not initiate a due process hearing to obtain an order that services be provided and the LEA will not be in violation of its duty to provide FAPE to the detainee in such instances.

- l) In conducting psychological or psychiatric evaluations to determine eligibility for educational services or to assist in formulating an appropriate educational plan, evaluators will adhere to detainees' constitutional rights as they pertain to criminal matters that may be unrelated to the proposed psycho-educational assessment. Detainees are not to be questioned in educational evaluations about underlying events or charges that led to their confinement.

3. Implementation of Educational Plan

Each LEA or appropriate agency, in coordination with the county-operated detention center, must provide special education and related services to detainees with disabilities in accordance with the IEP or a Section 504 Plan. Current IEPs must be reviewed and one of the following actions shall be implemented:

- a) Continuation of current IEP

Implement the IEP as written. The LEA or appropriate agency can determine that the IEP is current, appropriate, and can be implemented as written in the county-operated detention center.

- b) Development of a New IEP

- o The IEP or Section 504 Plan must be implemented after completion by the IEP team. The LEA or appropriate agency shall ensure that all IEPs or Section 504 Plans meet the standards specified in the State Board of Special Education Rules and Regulations and Section 504 of the Rehabilitation Act 1973 and accompanying regulations, respectively.

4. Detainee/Parental Rights & Confidentiality of Records

- a) The LEA or appropriate agency shall implement, with respect to actions regarding the identification, evaluation, or educational placement of persons, who because of disability, need or are believed to need special instruction or related services, a system of procedural safeguards that includes prior written notice, an opportunity for the parents/guardians to examine relevant records, an impartial hearing with opportunity for

participation by the person's parents/guardians and representation by counsel, and a review procedure.

- b) The LEA or appropriate agency shall ensure that the detainee and parents/guardians are given their procedural safeguards and due process rights consistent with the State Board Rules for Special Education Programs and Services.
- c) Parents/guardians maintain the right to inspect any and all data that are subject to collection and the right to appeal the accuracy of any such information. The access of unauthorized persons to personally identifiable data without parent/guardian consent is forbidden. Confidentiality standards will be maintained in accordance with State Board Rules for Special Education Programs and Services.

F. SPECIAL CONSIDERATIONS

In delivering educational services to detainees in minimum- and maximum-security county-operated detention centers, special consideration shall be given to the following:

- o Location of the educational program in a secure area with adequate security staff assigned in and/or outside of the classroom as needed.
- o Implementation of Discipline Rules which detainees will be required to follow in order to participate in the educational program. The Rules shall prohibit any behavior or conduct (verbal or physical) which poses a threat to the safety of the detainee or others in the educational setting.
- o Training of all staff involved in implementing the educational program in county-operated detention centers.
- o Contracting with outside agencies (where appropriate) to deliver education services in county operated detention centers.
- o Ensuring that the educational program is staffed appropriately with certified or licensed special education staff to render services designated in a detainee's IEP or Section 504 Plan.
- o Developing a plan for delivering educational services to detainees through the joint efforts of more than one LEA.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the 23rd
day of May 2019.

Re: Agreement with County-Operated Detention Centers

I am respectfully requesting that you approve the attached agreement with the Silverdale Correctional Facility and Hamilton County Jail. The purpose of this agreement is to establish working procedures between Hamilton County Department of Education and any County-Operated Detention Center in the provision of services to eligible children with disabilities, who are detained or incarcerated in county/city-operated detention centers to provide free appropriate public education in compliance with Federal and Tennessee State laws and regulations. NO funds are needed or requested with this agreement.

Thank you for your consideration of this agreement.

**AGREEMENT BETWEEN
HAMILTON COUNTY DEPARTMENT OF EDUCATION
AND
SILVERDALE CORRECTIONAL FACILITY AND
HAMILTON COUNTY JAIL**

This agreement is between the Hamilton County Department of Education (LEA) and Hamilton County detention centers, specifically Silverdale Correctional Facility and Hamilton County Jail (hereafter known as AGENCY) for a period of July 01, 2019 through June 30, 2020.

A. PURPOSE

The purpose of this agreement is to establish working procedures between the LEA and AGENCY in provision of services to all eligible children with disabilities who are detained or incarcerated in county/city-operated detention centers to provide free appropriate public education.

It is the intent of this agreement to:

1. Define which service will be provided by each agency.
2. Ensure that eligible children for special education services receive a free and appropriate public education, as required by law. In the least restive environment.
3. Ensure that each agency cooperatively maintains communication and shares leadership responsibilities at the local level and to ensure that available resources and utilized in the most effective manner.
4. Ensure that cooperative arrangements between LEA and AGENCY are developed, implemented and preserved.

B. APPLICABILITY

This policy applies to all children with disabilities who are legally mandated to receive an education in Tennessee through the school year in which their 22nd birthday occurs while being detained or incarcerated in county-operated detention centers; however, the obligation to make FAPE available to all children with disabilities does not apply with respect to children aged 18 through 21 who, in their last educational placement prior to their incarceration in an adult correctional facility, were not actually identified as being a child with a disability and did not have an IEP.

D. DEFINITIONS

Words and phrases used in this Policy shall have the following definitions:

“Detainee” – a person who is being held awaiting trial or has been convicted of a crime and is incarcerated.

“Local Education Agency” – means a public school district within the State of Tennessee which is mandated to provide educational services to eligible children.

“County-operated Detention Centers” – shall include, but not be limited to, the local juvenile detention center, the county and/or city jail, and penal farms. Detainees who are county prisoners shall be educated or caused to be educated by the LEA. Detainees who are state prisoners, and who are in the custody of the county jail, shall be educated by the Department of Corrections (DOC) and/or the Department of Children’s Services (DCS), or caused to be educated by the LEA serving the county operated detention center.

E. PROCEDURES

1. Identification of Children with Disabilities in County-Operated Detention Centers

Upon determining that a detainee will be detained for 10 days or longer, each county-operated detention center shall implement systematic referral procedures to assure that detainees who are identified as having disabilities, or suspected of having disabilities, are referred to the LEA or other appropriate agency. The referral procedures will include the following steps:

(a.)The county-operated detention center shall identify each detainee who has a disability, is suspected of having a disability, or who previously received special education services under IDEA, Section 504, or the ADA.

(b.)Identification data to be obtained shall include information pertaining to:

- any known or suspected disability;
- the last school attended and any special services received;
- school records (assessment/evaluation reports, cumulative records, etc.) if available;
- the detainee's age and desire to receive educational services;
- if the detainee is over 18 years of age and does not want to receive educational services, a written explanation shall be obtained.

[Detention centers may utilize Form A (attached) to obtain identification information from detainees.]

2. Referral to the LEA for Assessment

County-operated detention centers shall forward all available identification information on detainees to the LEA where the facility is located. If the detainee is a state prisoner, the information will be forwarded to the DOC or DCS. Upon receipt of the information, the LEA shall ensure that the following steps are completed within 45 days from the date of referral:

- a) Within 72 hours, a review will be conducted to determine whether the detainee has current academic and special education records, received special education services in the last placement, and had an Individual Education Plan (IEP).
- b) Where the detainee has current records and an IEP, the LEA or appropriate agency shall proceed to Part C of this Policy – Implementation of Educational Plan.
- c) For detainees suspected of having a disability and/or do not have current assessment data or an IEP available, special education staff will request the academic and special education records from the detainee's last school placement. Periodic follow-up shall be made to ensure that the records are received in a timely manner.

- d) Upon receipt of the school records, special education staff shall determine whether further assessments are warranted based on a suspected physical and/or mental impairment, including: health, vision, hearing, social and emotional status, general intelligence, academic performance, communicative status and motor abilities.
- e) Detainees shall be evaluated in accordance with the State Board Rules for Special Education Programs and Services.
- f) Within 10 days of receiving a referral from a county-operated detention center, the LEA or appropriate agency shall designate a staff member who will serve as the IEP team Chairperson and who shall be responsible for:
 - o providing written notice to parents of detainees who have not reached the age of 18 years, requesting consent from the parents to evaluate the detainee. Signed parental consent shall be obtained prior to an initial evaluation. If parental consent cannot be obtained after reasonable efforts, the LEA may initiate a due process hearing to obtain consent.
 - o designating members of the IEP team.
- g) The IEP team Chairperson shall also be responsible for developing a written plan which identifies areas where information needs to be collected through individual or in-depth assessment of all areas related to the suspected disability. Each person who conducts an individual assessment shall prepare a written report for consideration by the IEP team.
- h) If the IEP team Chairperson is not knowledgeable in the area of the suspected impairment, he/she shall make sure that such persons help develop the assessment plan. The individual assessment should provide descriptive and prescriptive information that is adequate to assist in planning an appropriate program for the detainee. The individual assessment shall include a comprehensive vocational assessment for every detainee 16 years of age or older. In the IEP team's discretion, a comprehensive vocational assessment may be included for detainees who have not reached 16 years of age.
- i) No single procedure shall be used to assess whether or not a detainee has a physical or mental impairment or as the sole criterion for determining an appropriate educational program. Tests and other materials used to assess a detainee must be selected and administered so as not to be discriminatory on a racial or cultural basis and must be provided and administered in the detainee's native language or other mode of communication and in a form most likely to yield accurate

information on what the detainee knows and can do academically, developmentally and functionally.

- j) The integrated assessment report shall be completed and submitted to the IEP team Chairperson. After receiving the Assessment Team Report, the Chairperson shall convene an IEP team meeting for the purpose of determining whether the detainee is eligible for special education and related services. The IEP team shall include the following participants:
- (1) The parents of the detainee;
 - (2) Not less than one regular education teacher of the detainee (if the detainee is, or may be, participating in the regular education environment);
 - (3) Not less than one special education teacher of the detainee, or where appropriate, not less than one special education provider of the detainee;
 - (4) A representative of the LEA who--
 - (i) Is qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of detainee with disabilities;
 - (ii) Is knowledgeable about the general curriculum; and
 - (iii) Is knowledgeable about the availability of resources of the LEA;
 - (5) An individual who can interpret the instructional implications of evaluation results;
 - (6) At the discretion of the parent or LEA, other individuals who have knowledge or special expertise regarding the detainee, including related services personnel as appropriate; and
 - (7) Whenever appropriate, the detainee.
- k) If the IEP team determines that a detainee is eligible to receive special education and/or related services, the IEP team shall be responsible for developing an IEP or an appropriate plan for the detainee. If parental consent for special education and/or related services is refused, or the parent fails to respond to a request for consent to the provision of special education and/or related services, the LEA may not initiate a due process hearing to obtain an order that services be provided and the LEA will not be in violation of its duty to provide FAPE to the detainee in such instances.

- l) In conducting psychological or psychiatric evaluations to determine eligibility for educational services or to assist in formulating an appropriate educational plan, evaluators will adhere to detainees' constitutional rights as they pertain to criminal matters that may be unrelated to the proposed psycho-educational assessment. Detainees should not be questioned in educational evaluations about underlying events or charges that led to their confinement.

3. Implementation of Educational Plan

Each LEA or appropriate agency, in coordination with the county-operated detention center, must provide special education and related services to detainees with disabilities in accordance with the IEP or a Section 504 Plan. Current IEPs must be reviewed and one of the following actions shall be implemented:

- a) Continuation of current IEP

Implement the IEP as written. The LEA or appropriate agency can determine that the IEP is current, appropriate, and can be implemented as written in the county-operated detention center.

- b) Development of a New IEP

- o The IEP or Section 504 Plan must be implemented after completion by the IEP team. The LEA or appropriate agency shall ensure that all IEPs or Section 504 Plans meet the standards specified in the State Board of Special Education Rules and Regulations and Section 504 of the Rehabilitation Act 1973 and accompanying regulations, respectively.

4. Detainee/Parental Rights & Confidentiality of Records

- a) The LEA or appropriate agency shall implement, with respect to actions regarding the identification, evaluation, or educational placement of persons, who because of disability, need or are believed to need special instruction or related services, a system of procedural safeguards that includes prior written notice, an opportunity for the parents/guardians to examine relevant records, an impartial hearing with opportunity for participation by the person's parents/guardians and representation by counsel, and a review procedure.
- b) The LEA or appropriate agency shall ensure that the detainee and parents/guardians are given their procedural safeguards and due process rights consistent with the State Board Rules for Special Education Programs and Services.

- c) Parents/guardians maintain the right to inspect any and all data that are subject to collection and the right to appeal the accuracy of any such information. The access of unauthorized persons to personally identifiable data without parent/guardian consent is forbidden. Confidentiality standards will be maintained in accordance with State Board Rules for Special Education Programs and Services.

F. SPECIAL CONSIDERATIONS

In delivering educational services to detainees in minimum- and maximum-security county-operated detention centers, special consideration shall be given to the following:

- o Location of the educational program in a secure area with adequate security staff assigned in and/or outside of the classroom as needed.
- o Implementation of Discipline Rules which detainees will be required to follow in order to participate in the educational program. The Rules shall prohibit any behavior or conduct (verbal or physical) which poses a threat to the safety of the detainee or others in the educational setting.
- o Training of all staff involved in implementing the educational program in county-operated detention centers.
- o Contracting with outside agencies (where appropriate) to deliver education services in county operated detention centers.
- o Ensuring that the educational program is staffed appropriately with certified or licensed special education staff to render services designated in a detainee's IEP or Section 504 Plan.
- o Developing a plan for delivering educational services to detainees through the joint efforts of more than one LEA.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the 23rd day of May 2019.

DATE: May 23, 2019

RE: Memorandum of Understanding with Centerstone Mental Health Centers, Inc.

I am requesting that the Board approve the attached Memorandum of Understanding (MOU) between the Hamilton County Department of Education, Division of Exceptional Education, and Centerstone Community Mental Health Centers, Inc. The purpose of this MOU is to provide school-based mental health services, in Hamilton County schools, for students exhibiting significant emotional and behavioral challenges.

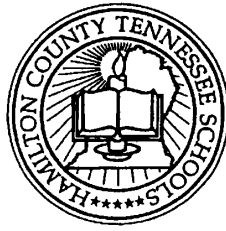

- Centerstone offers school-based services within many Tennessee schools. Providing integrated mental health treatment for children and adolescents, school-based therapists/case managers work within preschool, elementary, middle and high school classrooms helping students overcome behavioral, emotional, or social problems that interfere with success at school and at home. Common issues may include:
 - Aggression
 - Anxiety
 - Depression
 - Isolation
 - Poor social skills
 - Stress
 - Trauma
 - Truancy

School-Based Therapists help students reduce disruptive behavior and improve self-monitoring skills. Integrated as members of the school team, therapists/case managers serve youth in a familiar setting, offering little interruption to their school day. School-based services include:

- Individual and group therapy
- Family counseling
- Classroom observations
- Risk assessments, as needed (suicidal or homicidal)
- Specialized training and support services for parents and teachers
- Collaboration with other community providers
- Linkage to additional community resources

Teachers, guidance counselors, principals, and parents refer students into the program. Programs may be funded by state or federal grants, orTennCare. HCDE will not be asked to pay for or bill for any services. We will only be referring students, based on needs. All funding is handled by Centerstone.

Thank you in advance for your consideration of this request.

MEMORANDUM OF UNDERSTANDING (MOU)
Hamilton County Department of Education, Exceptional Education
and
Centerstone Community Mental Health Centers, Inc.

The School-Based Services division of Centerstone Community Mental Health Centers, Inc. agrees to enter into an annually renewable agreement with Hamilton County Board of Education. Centerstone will employ staff that will provide School-Based Mental Health Services in designated Hamilton County Schools. The staff will be an employee of Centerstone's School-Based Program and will have experience working with school age children who have emotional and behavioral challenges.

Hamilton County Schools will:

- provide a suitable private space for individual counseling
- develop a referral system for services
- support the counseling services to allow the School-Based Therapist access to the students and classrooms when needed
- include School-Based Therapist in IEP meetings, S-teams, and other appropriate meetings
- provide feedback on the performance of the School-Based Therapist as requested

Centerstone will:

- provide School-Based Therapists who will be full time in Hamilton County
- provide administrative and clinical supervision for staff weekly
- provide liability insurance as required by HCDE
- maintain caseload of 30 clients that meet insurance requirements (15 for part time)
- facilitate access and referrals to other clinic services and community based programs
- provide Individual and/or Family Therapy services
- provide therapy groups with identified clients when feasible
- conduct home visits as needed
- provide teacher consultation, support, and training as deemed necessary
- safeguard all rights of the child as legally and ethically required
- communicate on a weekly basis with designated administrative personnel in order to improve coordination of services
- coordinate services with the child's mental health provider and other pertinent community staff
- communicate with parents/guardians regarding student's behavior as necessary
- keep all documentation (progress notes, care plans, assessments) in Centerstone agency's electronic medical record
- ensure staff has access to a cell phone and laptop

Centerstone's School-Based Therapist hired to work within Hamilton County Schools will meet all standards set by Centerstone's credentialing committee to ensure candidates have met all new hire requirements. These requirements will comply with Hamilton County Board of Education's hiring policies and Centerstone will be able to produce the required documentation if requested.

All Centerstone applicants for employment and all current employees must supply a fingerprint sample and submit to a criminal history records check to be conducted by the Tennessee Bureau of Investigation and the Federal Bureau of Investigation (FBI) prior to permitting the person to have contact with children or enter school grounds;

Hamilton County Schools will not allow an employee to come in direct contact with school children or enter the grounds of a school when children are present until the criminal history records check has been conducted; and

Hamilton County Schools will not allow an employee to come in direct contact with school children or to children in a child care program or enter the grounds of a school or child care center when children are present if the criminal history records check indicates that the employer or employee has been convicted of an offense that is classified as a sexual offense or the employee was convicted as a violent sexual offender as defined in Tenn. Code Ann. [§ 40-39-202](#).

Centerstone agrees to protect, defend, indemnify, and hold harmless Hamilton County Schools, as well as its agents and employees, against any and all claims, demands or causes of action asserting any injuries, losses or costs, including, but not limited to, court costs or attorneys' fees, arising out of or in way related to the rendering of services pursuant to this Agreement or its relationship with Hamilton County Schools.

This agreement will take effect August 1, 2019 and will end June 30, 2020 and is renewable each year. Centerstone or Hamilton County Board of Education may cancel this agreement with ninety days written notice.

MEMORANDUM

TO: Hamilton County Board of Education
Dr. Bryan Johnson, Superintendent

FROM: Garfield Adams, Director, Exceptional Education

DATE: May 23, 2019

RE: Public Consulting Group – Goal Progress Monitoring and Transportation Wizard
& IEP Goal/Objective Progress Monitoring System for the 2019-2020 SY

I am requesting that you approve the agreement of the PCG IEP Goal/Objective Progress Monitoring System and Support and the continuation of the PCG Special Transportation Wizard from Public Consulting Group for the 2019-2020 school year. Both of these systems go with the existing EasyIEP program currently used by the Exceptional Education Department. The State Department of Education mandated that all school districts use the EasyIEP web based IEP program for monitoring and compliance. The agreement for the PCG IEP Goal/Objective Progress Monitoring System will allow exceptional education teachers and staff to take appropriate data on specific IEP goals and objectives. It will also provide evidence that IEP's are appropriately implemented and provide clear communication to parents on their child's progress. The agreement for the Transportation Wizard will allow the teachers to continue to request and affectively coordinate special education transportation service for individual student IEP's. It also enables the Exceptional Education and Transportation Departments to work more efficiently and effectively. The PCG IEP Goal/Objective Progress Monitoring System and Support agreement will be paid for out of the IDEA, Part B funds and will cost \$11,576.25. The continuation of the Transportation Wizard will cost \$5,165.91 to be paid for out of the IDEA, Part B funds.

Thank you for your attention to this matter.

Comments or Special Instructions:

The following estimate is for the services requested. The School System and PCG may agree to additional services for additional fees, to be agreed upon in an additional written agreement/contract.

Customization: Following the request of School System and the negotiation of a mutually agreeable scope of work, PCG can prepare customized programming in addition to that available in PCG standard products. PCG in its discretion may require a fee in advance to cover a portion of the staff time required to clarify the scope of work, finalize technical specifications, create test plans, determine pricing for the change request, and obtain approval from the client on timeline, scope, and cost. Waiver of this fee on a certain change order request does not preclude PCG from charging this fee on future requests.

Electronic Data Exchange (if required): PCG will provide a secure interface to School System for necessary data uploads to the PCG platform if required. If required, PCG will provide a standard data export file in a text or spreadsheet format that can be imported into School System's Student Information System. Should School System require additional data to be exchanged, beyond what is standard (as outlined in PCG's standard import stub and standard export report) and necessitating a custom report, PCG will assess the complexity of the request and prepare an additional cost estimate.

If you have any questions or comments regarding this quotation, please feel free to contact Jennifer Stem at 615.983.5349 or jstem@pcgus.com. This quotation is valid for 90 days from the issued date.

ACTION ITEM

TO: Hamilton County Board of Education
Dr. Bryan Johnson, Superintendent

FROM: Christie N. Jordan, Chief Financial Officer

DATE: May 23, 2019

RE: Budget Amendments – General Operating Budget Transfers

Board approval is needed to amend the FY19 General Purpose Operating Budget for the attached transfers between accounts. These amendments reclassify existing budget appropriations between various accounts as indicated in the attachments.

Recommendation: It is recommended that the Board approve the General Operating Budget transfers attached.

PROJECT SUMMARY

The University of Tennessee at Chattanooga (UTC) will utilize grant funds to expand the focus of the highly-successful Each One Reach One (EORO) project in partnership with Hamilton County Schools (HCS) and the UTC School of Education (SOE). UTC will: (1) recruit 12 teacher candidates from underrepresented groups who reside in Tennessee; (2) recruit candidates for *HCS-identified critical need areas*; (3) focus on *clinical experiences* to prepare teacher candidates for teaching diverse populations; (4) *emphasize diversity* as a vital instructional tool; (5) provide *academic support in preparation for PRAXIS II exams and the edTPA assessment*; and (6) offer *individualized services* to students with *unique needs*. UTC strives to design a teacher education program that implements research-based best practices and ensures teacher candidates are prepared for the classroom. However, THEC support for EORO is critical to ensure that the work of the project can focus on the needs of underrepresented candidates who lack resources and support to become effective educators, successful role models, and community leaders.

**HOWARD CONNECT
INVENTION COLLABORATORY
GRANT PROPOSAL**

GRANT PURPOSE:

Howard Connect was created to unlock in all students a creative confidence of knowing what they want to be because they know the possibilities of what they can be. Our mission is simple -- to cultivate independent thinkers of tomorrow today.

Howard Connect Academy is breaking the mold of what a middle school education can be. We create a space where our diverse community learns to collaborate, communicate, and solve real world problems in a fun, safe, and accepting learning environment. Academic content, knowledge, and skills are approached in interdisciplinary ways, making learning real and meaningful. With a strong set of academic tools in place, we then help students cultivate their own unique genius, by tapping into their curiosity and allowing them to discover and develop their individual interests. Our students develop the necessary tools to move beyond the ability to compete to the ability to thrive.

Within the learning model design of Howard Connect, Discoveries and Genius Hour play an essential role. Establishing five unique collaboratory spaces; Invention, Imagination, Exploration, X-Factor and Action, students will be able to discover and have deep dive learning opportunities.

Traditionally student related arts and elective offerings are dependent upon personnel. At Connect, our goal is to re-think and create learning environments that allow each child's genius to show up building both equity and student agency in learning.

Our grant proposal for the Invention Collaboratory is seeking funding to equip the learning space with the tools needed for students to experience STEM and engineering learning. With this grant we will be able to set up a space that will allow advanced manufacturing, electronics, e-textiles, and robotics to be taught.

STUDENTS SERVED:

All students at Howard Connect will be served through this grant. While the grant will focus primarily on one time purchases to establish the collaboratory, students for years to come will be the recipients of this funding.

GRANT TIMELINE:

Upon receiving of grant funding materials and equipment will be ordered to be able to fully outfit *Invention* for the opening of school, August 2019.

GRANT BUDGET:

A complete itemized budget is attached.

Dear Ms. Miller:

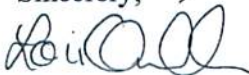

I am pleased to inform you that the Benwood Foundation has awarded a grant in the amount of \$100,000.00 for the STEM Collaboratory at Howard Connect Academy. Payment will be scheduled pending School Board approval.

Please review, sign and return this contract where indicated agreeing to the grant stipulations stated below:

- The grant will be used solely for the purpose stated above.
- Any portion of the amount granted not used for the purpose stated will be returned to the foundation.
- A final report documenting how funds were used and an evaluation of the program is due on or before 12/31/2019.

On behalf of the Trustees, please accept our good wishes. If you have any questions please contact me.

Sincerely,

Lori Quillen
Program Officer

Dr. Bryan Johnson, Superintendent

FROM: Brent Goldberg, Chief Business Officer

DATE: May 23, 2019

SUBJECT: Approval of School Fees

Board approval is needed in order to allow schools to charge fees to students.

The attached list of fees does not include fees for general instruction or class fees for core content areas. The FY 20 budget includes general instructional funds to be allocated to schools in lieu of collecting general instruction and/or class fees from families.

The attached list of fees includes a standardized fee for parking and a standardized art, science, and technology fee.

The attached list of fees also includes fees/ranges of fees for other fees such as fees associated with performing arts, athletics, marching band, magnet programming, international baccalaureate programming, and senior fees.

Recommendation: It is recommended that the Board approve the school fees listed on the attached schedule.

Note: Exclusion of general instruction and class fees for core content areas is pending FY 20 budget approval by the Hamilton County Commission.

Re: Chattanooga State Graduation Diploma Completion Program

This request is for approval of a contract between Chattanooga State Community College and Hamilton County Department of Education. This contract is for the continuation of the Diploma Completion Program, as further defined in the "Scope of Services."

The contract costs will come out of Title I School support funds. The total requested is \$183,000.00

Please see attached contract.

**CONTRACT
BETWEEN CHATTANOOGA STATE COMMUNITY COLLEGE AND
HAMILTON COUNTY DEPARTMENT OF EDUCATION**

This Contract, by and between Chattanooga State Community College hereinafter referred to as the "Institution or Grantee" and Hamilton County Department of Education, hereinafter referred to as the "HCDE," is for the provision of a Diploma Completion Program, as further defined in the "SCOPE OF SERVICES and Memorandum of Understanding."

A. SCOPE OF SERVICES:

The parties will provide all service and deliverables as described and detailed in the attached proposal and budget entitled "Diploma Completion Program".

B. CONTRACT TERM:

Contract Term. This Contract shall be effective for the period commencing on July 1, 2018 and ending on June 30, 2019, unless earlier terminated according to the provisions of this Contract, or unless HCDE shall not receive funds from any funding body designated to fund this Program. HCDE shall have no obligation for services rendered by the Institution which are not performed within the specified period.

C. PAYMENT TERMS AND CONDITIONS:

C.1. Maximum Liability. In no event shall the maximum liability of HCDE under this Contract exceed One Hundred Eighty Three Thousand Dollars and 00 Cents (**\$183,000.00**). The budget attached and incorporated herein as a part of this agreement, shall constitute the maximum amount due the Institution for the service and all of the Institution's obligations hereunder. HCDE will be responsible solely for those costs designated in the attached budget as its responsibility.

C.2. Compensation Firm. Unless otherwise agreed to by the parties in writing, the costs incorporated into the attached budget are firm and will not escalate during the term of this Contract.

C.3. Payment Methodology. The Institution shall be compensated for actual, reasonable, and necessary costs based upon the budget, not to exceed the maximum liability established in Section C.1. HCDE will be responsible to remit payment to the Institution upon receipt of invoice.

C.4. Travel Compensation.

Compensation to the Institution for travel, meals and/or lodging in connection to work performed under this Contract shall be in the amount of actual cost to the Institution, subject to the maximum amounts and limitations specified in the Tennessee Board of Regents Policies, as they may be from time to time amended.

C.5. Budget Line-Items. Expenditures, reimbursements, and payments under this agreement shall adhere to the budget. The Institution may request revisions of budget line-items by letter, giving full details supporting such request, provided that such revisions do not result in funding that increases the total Contract amount. Any such revision approval shall be documented by subsequent revision of the budget and by Contract amendment.

D. STANDARD TERMS AND CONDITIONS:

- D.1. **Required Approvals.** The Institution is not bound by this Contract until it is approved by the appropriate officials in accordance with applicable Tennessee state laws and regulations.
- D.2. **Modification and Amendment.** This Contract may be modified only by a written amendment executed by all parties hereto and approved by the appropriate officials in accordance with applicable Tennessee state laws and regulations.
- D.3. **Termination for Convenience.** Either party may terminate this agreement without cause for any reason. Said termination shall not be deemed a breach of contract. The terminating party shall give the other party at least thirty (30) days written notice before the effective termination date. The Institution shall be entitled to compensation for authorized expenditures and satisfactory services completed as of the termination date, but in no event shall HCDE be liable to the Institution for compensation for any service which has not been rendered.
- D.4. **Termination for Cause.** If either party fails to properly perform its obligations under this Contract in a timely or proper manner, or violates any terms of this Contract, the other party shall have the right to immediately terminate the Contract. The Institution shall be entitled to receive just and equitable compensation for any satisfactory authorized work completed as of the termination date.
- D.5. **Subcontracting.** Neither party shall assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the other party.
- D.6. **Nondiscrimination.** The parties hereby agree, warrant, and assure that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the parties on the grounds of disability, age, race, color, religion, sex, veteran status, national origin, or any other classification protected by Federal, or Tennessee constitutional or statutory law. The parties shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.
- D.7. **Records.** The Institution shall maintain documentation for all charges against HCDE under this Contract. The books, records, and documents of the Institution, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by HCDE or their duly appointed representatives. The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.8. **Strict Performance.** Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.9. **Independent Contractor.** The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that the parties are independent contracting entities and that nothing in this Contract shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

- D.10. **Force Majeure.** The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, acts of God, riots, wars, epidemics or any other similar cause.
- D.11. **State and Federal Compliance.** Both parties shall comply with all applicable State and Federal laws and regulations in the performance of this Contract.
- D.12. **Governing Law.** This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. HCDE agrees that it will be subject to the exclusive jurisdiction of the Tennessee Claims Commission in actions that may arise under this Contract. HCDE acknowledges and agrees that any rights or claims against the Institution or its employees hereunder, and any remedies arising therefrom, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.

Diploma Completion Program

Scope of Services

The Chattanooga State Diploma Completion Program (DCP) works in collaboration with Hamilton County Department of Education (HCDE) to provide a graduation alternative for non-traditional (at-risk) students by offering students a flexible schedule with self-paced instruction in an alternative setting on the campus of Chattanooga State. The program works directly with HCDE high schools to develop an individual plan for each student. The students represent 11 HCDE high schools. In addition to receiving a high school diploma, Chattanooga State faculty and staff work closely with students to ensure a seamless transition into the college or Tennessee College of Applied Technology (TCAT) to learn a vocational trade.

The program was developed to ensure that all HCDE students receive a high school diploma. Students typically served are over age (17-19) and who are behind their targeted graduation date (students who are short on the needed credits). The program is located in a central location for most of the county and allows access to public transportation via the Carta bus route. In the six year since beginning the DCP, we have also had the privilege of serving, not only those who are at-risk of dropping out because of age and lack of credits, but those who because of family situations (having children or sick parents) would not have been able to earn a diploma in the traditional all day school program.

The Diploma Completion Program allows students who are at-risk of dropping out of high school for a variety of reasons, an opportunity to earn a high school diploma and be an on-time graduate for HCDE. In addition to high school graduation, we work closely with all students to assist them in enrolling in vocational programs or college.

- Serves over age students (age 17-19)
- Serves students who are behind target graduation date (low number of credits)
- Lower student to teacher ratio (25 student limit per class)
- Flexible schedule (three classes to choose from)
- Summer School option
- Self-paced instruction through Edgenuity
- Individual graduation plans
- Assigned Chattanooga State Enrollment Representative
- Access to a variety of college resources
- Increases HCDE graduation rates by providing on-time graduates

The above goals will be accomplished by undertaking the following activities:

Chattanooga State Community College will provide a fully equipped computer lab and office space, that includes 25 student computers and two staff computers, all the furnishings, and technical support that accompanies having the program on campus.

Chattanooga State Community College will provide all necessary network licenses to effectively operate the computer lab.

Chattanooga State Community College will make available to DCP students' the following services when applicable; career counseling, personal counseling, enrollment and financial aid assistance, access to student support services, early college services, library, and access to on-campus events during class time.

Chattanooga State Community College will be responsible for hiring and evaluating all Diploma Completion Staff in collaboration with Hamilton County Department of Education.

Hamilton County Department of Education will provide access to the HCDE online course management system that is currently contracted with Edgenuity.

Hamilton County Department of Education will provide funding for two full-time staff members, office supplies, and any associated administrative costs to the college.

RE: \$768,000 COMMUNITY FOUNDATION GRANT FOR 3-YEAR PILOT OF STUDENT SUCCESS PLANNING

Please find enclosed the grant contract and sample school MOU to support the Student Success Planning pilot in eight schools for the 2019-20, 2020-21, and 2021-22 school years. An overview of the Student Success Planning pilot is also included in this packet.

Fifteen schools applied and eight schools were selected to participate in this pilot. This pilot will advance our efforts to deliver integrated student supports that help our staff identify and remove barriers to student academic success. The selected schools are:

- Calvin Donaldson Elementary
- Dalewood Middle School
- Howard Connect Academy
- Hixson Middle School
- Red Bank Elementary
- Red Bank Middle
- Soddy Elementary
- Woodmore Elementary

The grant award is for \$768,000 over the three-year pilot to support professional development, training, technical assistance, and program evaluation by the City Connects organization. City Connects has 20 years of evidence-based outcomes in implementing a framework for integrated student support via individual success plans. This pilot, and the eventual phase-in of this work across the district, is a key component of our Social Emotional Learning (SEL) efforts, as identified in our Future Ready 2023 five-year strategic plan.

Respectfully, we ask the board for its approval of this grant award to support our pilot implementation of Student Success Planning.

Dear Dr. Johnson:

I am pleased to inform you that the Smart City Venture Fund has approved a grant award of \$768,000 to support a partnership with City Connects. Funding will allow the pilot implementation of individualized student success plans (ISSP's) in eight elementary and middle schools over the next three years.

Please read the enclosed Contract carefully making sure you understand and agree to the content before signing. The signature of the president or chief financial officer (or comparable titles) of your organization is the only acceptable signature for the contract.

Please sign and return the enclosed contract. A check will be issued upon receipt of the signed and dated grant contract.

The Smart City Venture Fund is committed to making an impact on issues affecting the community, and we view you as a partner in that commitment.

Best wishes,

Maeghan Jones
President

GRANT CONTRACT

Organization: Hamilton County Schools

Address: 3074 Hickory Valley Road, Chattanooga, TN 37421

Project Director: Dr. Bryan Johnson

Amount of Grant: \$768,000

Terms of Payment: \$336,000 upon receipt of signed and dated grant contract, \$216,000 in June 2020 and \$216,000 in June 2021

Program Title: Student Success Planning

Description: Hamilton County Schools will partner with City Connects to pilot the implementation of individualized student success plans (ISSP's) in eight elementary and middle schools over the next three years. Funding will be used to support consultation with City Connects on the planning and implementation process.

Interim Report Due: 9/30/19, 9/30/20, 9/30/21

Final Report Due: 9/30/22

Terms of the Grant Contract:

1. The tax-exempt status of the organization is still valid; any changes in that status or changes in the organization that could lead to a change in that status will be reported to the Community Foundation immediately.
2. None of these funds will be used for a political campaign or to support efforts to influence legislation of any government body other than that which occurs when non-partisan analysis, study and research is made available.
3. The organization will maintain and make available to the Community Foundation during normal business hours all records of project expenditures adequate to check readily the use of the grant. Annual reports concerning budget, personnel and program developments will be provided to the Community Foundation.
4. The organization will provide Lori Quillen (lquillen@benwood.org) a brief interim report, including a financial summary indicating how Foundation funds have been expended, and a final report, including results of the program funded by the grant and a full financial account of the expenditure of these grant funds. Both the INTERIM REPORT and the FINAL REPORT should be in writing and submitted according to the dates listed at the top of this contract. *The organization understands that failure to timely complete reports may affect future funding requests.*
5. The organization will repay, upon demand, to the Community Foundation the amount of the grant, including any interest earned, if any condition of the contract

is not upheld. Any unspent Community Foundation funds and interest at the end of the project will be returned to the Community Foundation.

6. Inclusiveness Statement – the governing board of **Hamilton County Schools** maintains the following policy and/or practice of inclusiveness:

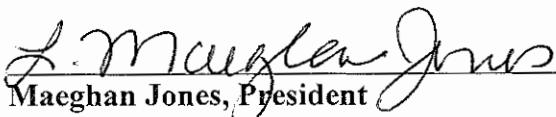

No person is excluded from employment, volunteer participation, or agency services, because of age, gender, race, national origin, religious beliefs and background, physical abilities, disability, sexual orientation, economic circumstances, and any other characteristic protected by law. Exceptions may be made for religious organizations who can demonstrate bona fide occupational qualifications based on religious belief for employment and volunteer participation.

7. The funds will be used by the above-named organization solely for the purpose of piloting the implementation of individualized student success plans. The following special conditions will be observed: NONE. The purposes of this grant are subject to modification only with the Community Foundation's prior written approval. If the organization is unable to undertake or complete the grant as agreed upon, the organization will contact the Community Foundation immediately to discuss the situation.

Removing Barriers to Student Success: *Integrated Student Supports through Student Success Planning*

Historically, Hamilton County Schools has offered wrap-around services via a state model known as *Family Resource Centers*. This model functions as a services referral hub for students and families district-wide. In recent years, we have introduced the full-service *Community Schools* model at a few schools in our district, which allowed for more targeted, customized supports. In addition, we have also launched a pilot for a *NewComer Center* to serve recently arrived English learners who are generally older students experiencing greater challenges with language acquisition and adapting to a new community/school environment. Through these experiences, we believe we are now positioned to think beyond any one specific strategy and embrace an **overarching vision** for *integrated student supports*.

Integrated student supports are a school-based approach to promoting students' academic success by developing (or securing) and coordinating supports that target academic and non-academic barriers to achievement (Child Trends, 2014). Integrated student supports can be achieved through a myriad of strategies and structures – including family resource centers, community schools, and newcomer centers. There are also other models that facilitate this vision towards eliminating barriers to student achievement. Last fall, we joined a consortium of districts in an initiative launched by the Harvard Graduate School of Education Redesign Lab - *By All Means*. Through the work of the consortium and in collaboration with local community organizations, we have identified an evidence-based strategy – *student success planning* – to potentially scale across all schools in our district

to achieve our ultimate vision of integrated student supports – *personalized for every child*.

Student Success Planning

Key Goals

Capturing students' comprehensive in-school and out-of-school strengths, interests, and needs

Intentionally matching each student with tailored supports, services, and opportunities

Seamlessly coordinating a web of education and community resources to provide equitable opportunities for all students

Guiding Principles

- A **dynamic plan** that documents children's academic and non-academic strengths, interests, and needs
- A **process** for identifying and delivering the supports and services each child needs, both in and out of school
- Uses **feedback and data** from multiple sources, including families and children as well as diverse agencies across health, social services, and housing, among others
- Exists **for every child**, although the level of support will vary by need

- **Spans early childhood through postsecondary**
- **Adequate staffing** to create and maintain the plans and to coordinate service delivery
- A **comprehensive set of supports and services** available through partner organizations
- A **flexible digital platform** for the plans that meets high standards of data security, protects student privacy, and limits access to those who need it

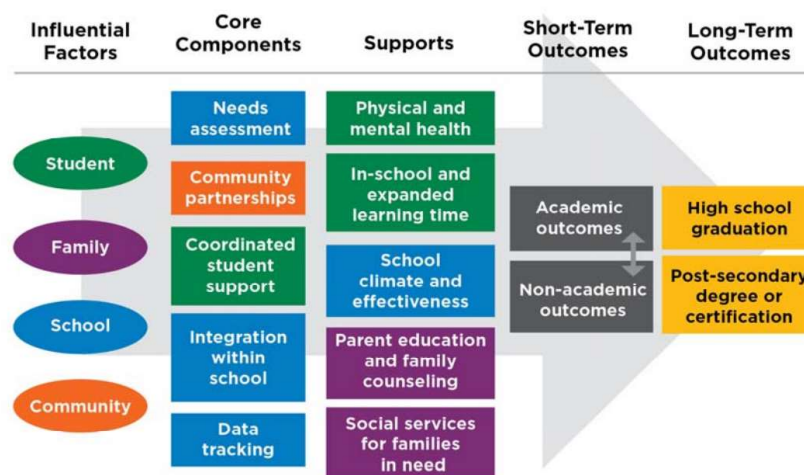

Piloting Student Success Planning in Hamilton County Schools

To explore the viability of student success planning in our district, beginning with the 2019-20 school year, a small group of K-8 schools will have the opportunity to participate in a three-year pilot of this model to assess its effectiveness in addressing barriers to student success and improving student readiness for learning. Because students spend most of their time away from school, in addition to in-school supports, student success planning will include the coordination of services impacting students' out-of-school time.

Pilot schools will receive comprehensive training on student success planning and access to a technology platform to facilitate this model. In addition, schools will also be allocated site-based personnel resources to coordinate the efforts, support from a district program manager, and guidance from researchers at the Harvard Education Redesign Lab and Boston College. Technical assistance will also be provided by *City Connects* – one of the most effective and mature models for integrated student supports, with a proven track-record of positive impact spanning more than a decade.

If your school has been thinking about how to implement a high-quality, multi-tiered system of supports to help address issues like student engagement, behavior, chronic absenteeism, social/emotional learning, achievement gaps, etc., this may be the perfect opportunity to accelerate your work! Please discuss with your school leadership team to determine if there is interest in participating and complete [this short application](#) to be considered for selection as a pilot site!

 - Connections to appropriate supports and services (community- & school-based)
- Assessment of students requiring intensive services through Individual Student Review, including:
 - Formation of an Individual Student Plan
 - Connections to appropriate supports and services (school- & community-based)
 - Follow-up and communication with all stakeholders

Development and Organization of Community-Based Partnerships

- Referrals based on student and family strengths and needs
- Creation and maintenance of community partnerships based upon the specific needs of the school, in collaboration with district learning community outreach and engagement facilitators
- Ongoing communication and follow-up with all stakeholders

School Community Membership

- Membership on appropriate school-based committees and attendance at school-based events that promote the general welfare of the school
- Participation in up to 30 minutes per day of a school-based administrative duty

THE CITY CONNECTS ORGANIZATIONAL STRUCTURE WILL ENSURE:

Personnel Development and Supervision

- Administration of the City Connects Model of Integrated Student Support
- Support for the Student Success Coordinators
- On-site coaching for Student Success Coordinators
- Ongoing professional development for Student Success Coordinators

Outcome and Data-Driven Practice

- Data-based tracking system
 - Ensure accountability regarding referral and follow-up
 - Provide school-level reports regarding student supports and services

THE SCHOOL AGREES TO THE FOLLOWING PROGRAMMATIC COMPONENTS:

Physical Space

Within their assigned buildings, Student Success staff persons (Student Success Coordinators) will have access to the following:

- A designated office/work space
- A private space for meeting with students
- School-based technology support for a BC or school provided computer, including access to the district's/school's internet
- A printer
- Basic educational materials (paper, copy machine, pens, etc.)
- A phone (ideally with voicemail)

Communication with School Community

Principals agree to participate in the following:

- Regular meetings with the Student Success Program Manager in partnership with City Connects to ensure quality implementation of the City Connects model
- Structured meeting time with Student Success Coordinators to ensure consistent communication
- Attendance at three (3) meetings with the Student Success Program Manager to ensure routine communication and help shape the Student Support practice
- Including the City Connects model and Student Success staff introductions as a regular part of Opening-of-School Professional Development
- Including the Student Success Coordinator on school-wide email distribution list and provision of mailbox

Participation in the Evaluation Process of City Connects

- The (INSERT SCHOOL NAME) will provide the City Connects organization with an electronic version of the school's student enrollment/data list to assist with data collection and evaluation by the first week in September
- The (INSERT SCHOOL NAME) will provide the City Connects organization with a list of classes, including teacher name, room number, and grade, by August 15th of each school year
- The (INSERT SCHOOL NAME) will assist the City Connects organization in gathering qualitative survey data through the following:
 - Completion of end-of-year surveys
 - The (INSERT SCHOOL NAME) will accommodate the Student Success Coordinator's requirement to maintain accurate record keeping, i.e., 4-5 hours per week

Core Functions of the City Connects Student Support Model

- Principal will schedule weekly Student Support Team meetings for 45 minutes-1 hour
- The Student Success Coordinator will serve as the facilitator/chair of the weekly Student Support Team meeting
- The Student Success Coordinator will receive administrative support to develop a Whole Class Review schedule that addresses the strengths and needs of every child in the school
- The Student Success Coordinator will have the support of the administration when attempting to gather relevant information from teachers and administrators to support the needs of the whole child
- The principal will identify a third person to participate in the WCR (in addition to the Student Success Coordinator and classroom teacher)

Engagement of the Student Success Coordinator

- Student Success Coordinator will be a member of school-based teams focused on whole-school improvement (e.g., Instructional Leadership Teams)
- The (INSERT SCHOOL NAME) will allow the Student Success Coordinator to participate in professional development, team meetings, and individual coaching/supervision with his/her Student Success Program Manager
- Disciplinary actions are the responsibility of the school—the Student Success Coordinator is available to support and process with students and families in the area of social/emotional/behavioral development
- Student Success Coordinators are responsible for partnerships with community partners that respond to the individual strengths and needs of students in response to Student Support Team recommendations

RE: Mowbray Mountain Fire Hall

We have been requested by Hamilton County Government to consider donating property located at 1709 Mowbray Pike for the purpose of constructing a new fire hall. The property is approximately 9.8 acres and currently exists as a park with a walking track and baseball field. Due to the size of the property and septic issues it would be almost impossible to construct a new school on this site. The new fire hall is planned to be a headquarters and Parks and Recreation would make future upgrades to the park if donated.

If approved we will prepare legal documents to be approved at a future Board meeting.

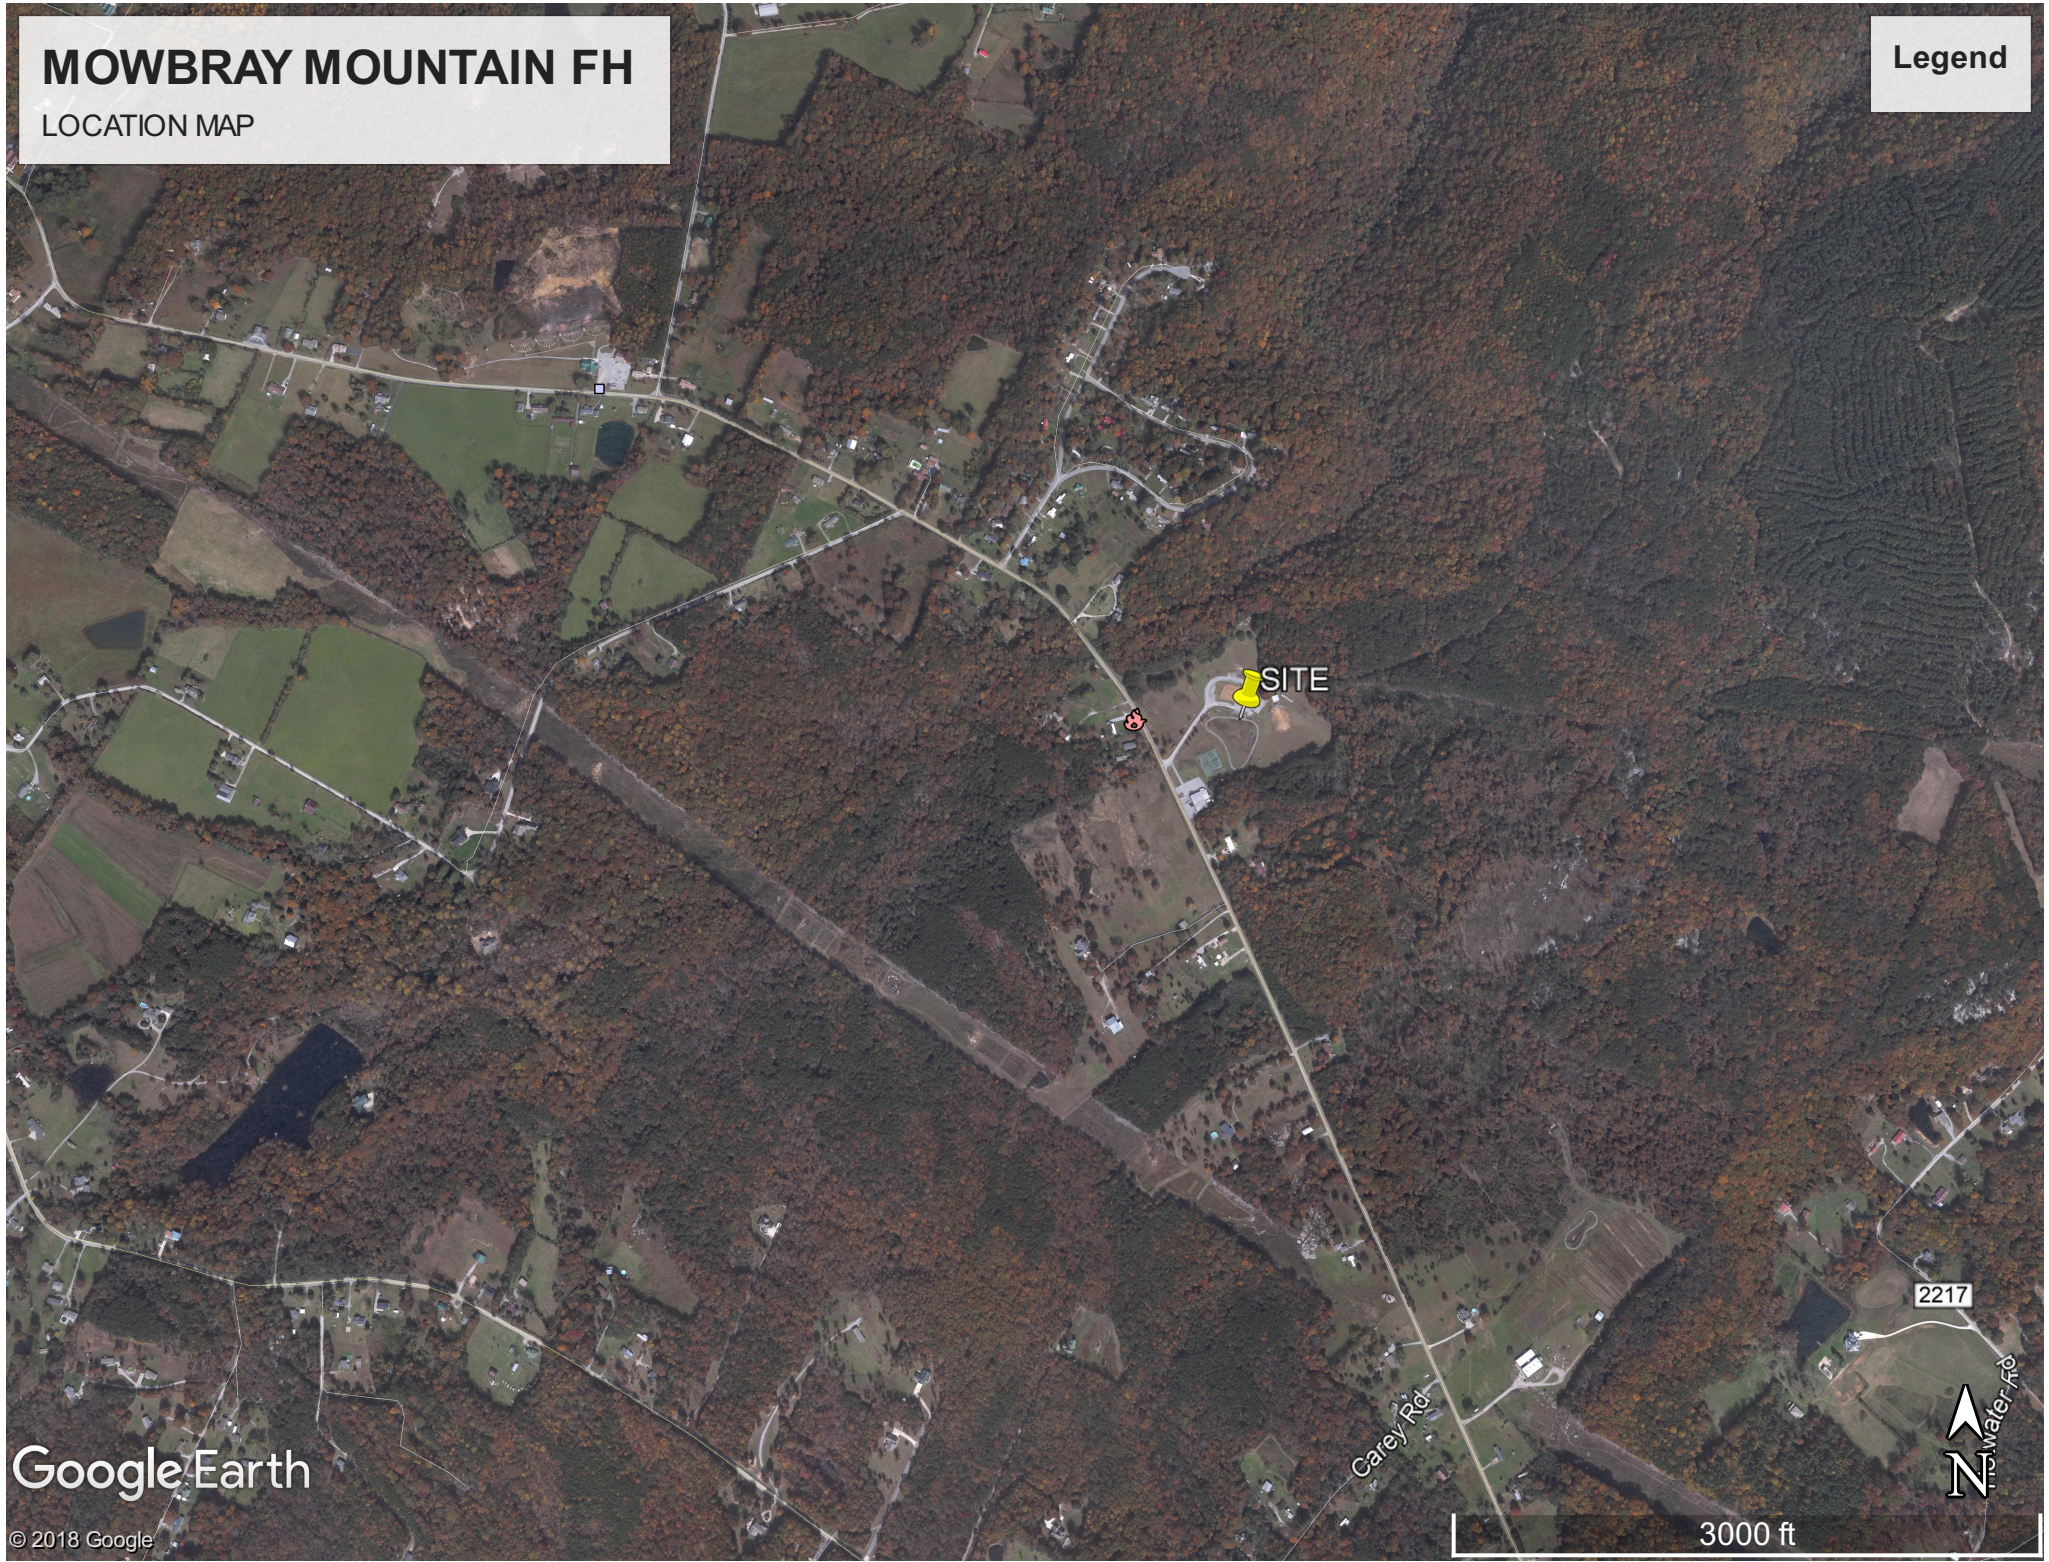

I recommend approval.

Re: Recommended Award Request for RFP No. 19-19 Comprehensive Employee
Health and Wellness Services

In November 2018, a Request for Proposal (RFP) to provide Comprehensive Employee Health and Wellness services to Hamilton County Schools was released to potential bidders. The services requested include onsite clinics, onsite pharmacy, employee wellness programs, and telemedicine. During February, March, and April, the Evaluation Committee evaluated the responses to the RFP.

The Committee is unanimously recommending 2 vendors for the award. We respectfully recommend that the Hamilton County Board of Education approve entering into negotiations with One to One Health for clinic management and On-Site RX, Inc. for pharmacy management to develop a contract that will govern the relationship between the parties at least through June 30, 2022. First year clinic cost including startup is projected to be \$3.6 million and \$3.3 million for the second year. Projected pharmacy annual fee would be approximately \$500,000 not including initial medication inventory.

One to One Health and On-Site RX, Inc. currently provide services to Hamilton County Government and Sumner County Board of Education.

The Evaluation Committee consisted of:

- Dr. Ken Bradshaw, Chief Operating Officer
- Keith Fogleman, Chief Talent Officer
- Brent Goldberg, Chief Business Officer
- D.J. Omarkhail, HCEA Insurance Committee Representative
- Krista Torrance, Benefits Supervisor
- Ed Adams, Benefits Consultant.

RE: 2019-20 School Calendar Revision

Over the course of the 2018-19 school year, overwhelming feedback gathered from teacher advisory councils, the Hamilton County Principal's Association, and collaborative conferencing with the Hamilton County Education Association highlighted the need for more planning time for teachers beyond what is currently available.

Based on this feedback, administration would like to revise the adopted calendar 2019-20 to include three half-days for students, where buses will run on an early release schedule. The balance of the school day will be available for teachers to engage in individual and/or team planning. These early release days occur before the mid-term point of the first, second, and third quarter.

The proposed revision to the adopted 2019-20 calendar includes the following half-days:

- Wednesday, September 4, 2019
- Wednesday, November 13, 2019
- Wednesday, February 5, 2020

All other dates and details of the 2019-20 calendar would remain as adopted in May 2018.

Respectfully, we request that the Board approve the revision to the calendar for 2019-20 to allow for these early release days to support planning time for teachers.

RE: 2020-21 School Calendar adoption

Please find attached the 2020-21 School Calendar that reflects the feedback from the broad community survey completed in February 2018. In accordance with community preferences, the calendar features:

- a week long fall break,
- a short week for Thanksgiving, and
- a spring break that is attached to the Good Friday and/or Easter holiday.

In addition, overwhelming feedback gathered from teacher advisory councils, the Hamilton County Principal's Association, and collaborative conferencing with the Hamilton County Education Association, highlighted the need for more planning time for teachers beyond what is currently available.

Based on this feedback, the proposed calendar for 2020-21 includes three half-days for students, where buses will run on an early release schedule. The balance of the school day will be available for teachers to engage in individual and/or team planning. These early release days occur before the mid-term point of the first, second, and third quarter.

Respectfully, we request that the Board approve the proposed calendar for the 2020-21 school year in accordance with Board Policy 1.800 – School Calendar.

Board Members,

I would like to name the softball field on the Sale Creek Middle High School campus the Clifford & Ruth Kirk Field. Coach Kirk came to Sale Creek to coach softball during the 2012-2013 school year. The program was struggling and the facilities were in poor condition. Through his efforts we are now state contenders, the facilities are first class, and our students take pride in Sale Creek. Ruth Kirk is our number one supporter and we would also like to include her.

Sincerely,

Re: Internet Connectivity / Network Design

The Information Technology department is requesting approval to change the network design with ENA. The new design will use two internet service providers (ISP) to provide connectivity to the schools. Both ISPs will be utilized through a device that balances the load between the two providers. The new configuration will allow for more flexibility with the implementation of 1:1 in the schools and allow schools to remain online during outages from any one provider.

Thank you for your consideration of this request.

INTENT TO PURCHASE INTERNET ACCESS SERVICES

This agreement of Intent ("Agreement") Is Initiated on _____ between the Hamilton County Department of Education, hereinafter referred to as "Tennessee School System" and ENA Services, LLC, Nashville, Tennessee, hereinafter referred to as "ENA." Tennessee School System agrees to obtain certain Internet Access, Telecommunication Services and/or Voice Services for the funding year(s). Tennessee School System agrees to purchase services rendered by ENA between 7/1/2019 to 6/30/2024 for all WAN services ordered and installed between 7/1/2019 to 6/30/2024.

Tennessee School System agrees to request budget for the requested services. However, this agreement of Intent may be null and void if funds for these services are not appropriated in the budget approved for the Tennessee School System for the applicable fiscal year. In the event that the Tennessee School System's Universal Service E-Rate discount is not approved due to inaccurate certifications of the Tennessee School System to the FCC or SLD, ENA may recover 100% of the cost of delivered services from the Tennessee School System.
