2018 HEARING OF PUBLIC

All regular, special and emergency meetings of the Duncan Board of Education shall be open to the public. The Board wishes to hear the viewpoints of citizens and considers responsible presentation of these viewpoints vital to the efficient operation of the school system. The Board also recognizes its responsibility for the proper governance of the schools and the need to conduct its business in an orderly and efficient manner. The Board, therefore, establishes the following procedures to receive input from citizens:

1. In order for the Board to fulfill its responsibility to conduct its business in an orderly and efficient manner, unless otherwise enlarged by a majority vote of the Board public comments under Hearing of the Public of thirty (30) minutes will generally be permitted. Any citizen wishing to address the board must communicate such desire to the Clerk of the Board prior to the commencement of the meeting. Without an agenda item, no discussion between the board and the citizen can occur under Hearing of the Public.
2. Any citizen desiring to include an item on an agenda shall communicate such to the office of the superintendent in writing. Such writing shall state the nature of the matter to be discussed, the name of the citizen and/or group making the request. For placement on an agenda under Hearing of the Public, such writing must be received by the office of the superintendent at least five (5) full working days prior to any meeting which, with respect to any regularly scheduled meeting, shall require receipt on or before 4:00 o'clock p.m. on the Friday one week preceding such meeting.
3. Public comments are generally limited to five (5) minutes and where several people wish to address the same subject a spokesperson must be selected. It will be the decision of the board president if additional citizens are allowed to address the same subject. No official board action can be taken under Hearing of the Public. Speakers will be recognized in order in which they have signed in with the Clerk. Those persons who have not signed in will be permitted to address an item if there is time remaining during the approximate thirty (30) minute period of Hearing of the Public.
4. During the Hearing of the Public period no citizen will be recognized twice. Each citizen who addresses the Board shall give his or her name, and identify his or her topic of discussion.
5. The President of the Board shall be responsible for recognizing speakers, maintaining proper order, and adhering to time limits.
6. The purpose of Hearing of the Public is to allow citizens to present to the Board suggestions concerning items on the agenda. Consistent with this purpose, public participation should not be used for personal attacks upon Board members, district employees, individual students or other persons in attendance or absent unless it is specifically related to an agenda item. The President of the Board will interrupt and terminate any presentation that is not in accordance with this restriction. The Board may, in its discretion, also place other restrictions upon Hearing of the Public when such restrictions are necessary or appropriate to protect the privacy rights of the affected individual(s).

2019 CODE OF ETHICS FOR SCHOOL BOARD MEMBERS

As a member of the School Board:

I will listen.

I will recognize the integrity of my predecessors and associates and the merit of their work.

I will be motivated only by a desire to serve the children of my community.

I will recognize the fact that it is my responsibility, together with that of my fellow Board members, to see that the schools are properly run not to run them myself.

This agreement is entered into on March 8, 2022 between the Oklahoma Aeronautics Commission (Commission) and the Duncan Public Schools District (School).

The School is committed to teaching the Aircraft Owner and Pilot Association's (AOPA) "You Can Fly" aviation curriculum and to the continued development of the program within the district.
