License Seat Verification Letter

Student Enrollment Verification Letters are required for all Education Standard and Education Plus orders.

This approach allows customers to act as the source of truth for current information and partners to license according to the institution's accurate full-time student enrollment numbers.

This product is licensed on a per-user basis, and thus every user needs a license to ensure full functionality. If customers intend to purchase more student licenses than enrolled students (to provide a buffer throughout the subscription term), please use that total number in the letter below.

Receive 1 free faculty license for every 4 paid student licenses you purchase.

There are two options for creating this letter and sending it back to us:

Option A:

1. Confirm all pre-filled information on the next page is accurate. Please contact Matt Heyse at matt.heyse@amplifiedit.cdw.com if you need to make changes.
2. Type your name and title, then print out, sign it, and put this on your district's letterhead. You can print the next page using the **Other Actions** menu above.
3. DO NOT click "Finish" until after you complete the next step.
4. Make a PDF copy of your signed document, and return to this document and upload below.

IMPORTANT - Do not click "Finish" until you come back and upload your PDF document.

Option B:

If it is easier for you, can also find a copy of the letter here. Follow the instructions on that document to place the letter on your organization's letterhead.

You can email me a copy of the completed PDF - matt.heyse@amplifiedit.cdw.com or use the **Upload PDF** option below.

The goals with this MOU include, but are not limited to, providing early intervention for students in need of mental health and/or substance use services to: (1) Prevent and/or decrease the number of students with suicidal behaviors / attempts; (2) Assist school personnel with being able to identify students at risk for emotional or behavioral challenges; (3) Provide targeted interventions with students and their families to provide positive outcomes; (4) Promote a positive school environment; and (5) Decrease student drop outs and increase graduation rates.

Outpatient Services

Obligations of GRAND:

1. If a School official or a GRAND team member believe a student is in need of a referral for GRAND services, the individuals from both parties will meet together (either during a Multidisciplinary Team Meeting (MDT) or at a separate meeting) and shall staff the case.

2. If it is decided that a referral is needed, School official shall discuss the referral with the student's guardian.

3. If student's guardian agrees with a referral to GRAND Mental Health for services, either School official or a GRAND team member will make the referral to GRAND Mental Health using the online referral system through the GRAND website.

4. Once a referral for outpatient mental health or substance use services is made to GRAND Mental Health, an attempt will be made to contact the legal guardian within 24 hours to schedule an outpatient screening appointment within 48 hours.

    a. NOTE: The family will always be told they can walk into any GRAND office Monday – Friday 8:00 a.m. – 5:00 p.m. and receive a screening if they choose, rather than scheduling a screening.

5. After the screening is scheduled, the referral source will be notified that the screening has been scheduled.

    a. If the screening is not able to be scheduled within 10 business days, the referral source will be notified.

6. Once the screening is completed, the student / family will be assigned to a GRAND Clinical team that will begin working with the student / family, and they will receive the full array of Certified Community Behavioral Health Center (CCBHC) services provided by GRAND.

7. Individuals on the GRAND team may include an Integrated Team Manager (a Licensed or Under Supervision for Licensure Mental Health Professional), a Care Coordinator (Bachelor's Level Clinician), a Behavioral Health Coach (Individual with minimum of 60 college credit hours), and/or a Family Support Provider (a paraprofessional with training and lived experience raising a child that experienced emotional difficulties).

8. Individuals from the GRAND team will provide services for students within the school (only those students that are clients of GRAND). NOTE: GRAND team members will attempt to provide services for students during non-core, elective classes.

9. At the request of School personnel, GRAND team members may participate in parent conferences or other meetings as mutually agreed upon by both parties.

10. GRAND team members shall participate in Multidisciplinary Team Meetings (MDT) with school personnel.

11. At the request of School officials, GRAND team members shall provide trainings and consultations as agreed upon by GRAND administration.

15. GRAND agrees to protect the privacy of student information and educational records in accordance with the Family Educational Rights and Privacy Act of 1974, as amended (FERPA) and Oklahoma Law.

Obligations of School:

Crisis Services

Any student experiencing crisis behaviors while at school will have access to crisis screening and assessment services provided by GRAND Mental Health.

Obligations of GRAND:

1. GRAND shall provide crisis screening through in-person assessment or via medical device (*aka iPad*) provided by GRAND, utilizing HIPPA compliant software known as Mycare.

2. Crisis screenings shall be provided by a Licensed or Under Supervision for Licensure Mental Health Professional.

3. The goal of the crisis screening shall be to de-escalate the crisis situation to prevent the student from entering a higher level of care or from being removed from the school and/or home environment.

4. If the student does require a higher level of care, the clinician will work with school administration and student's legal guardian to coordinate this higher level of care.

5. If the student is able to de-escalate and does not require a higher level of care, the GRAND clinician will develop a thorough, 24-hour safety plan, with action steps for school personnel, legal guardians, student, and any other supports involved in student's life and ensure this plan

is fully communicated with all parties involved to ensure safety of student and all individuals involved.

6. If the GRAND team member or school personnel believe the student may benefit from additional outpatient mental health or substance use services, a referral for outpatient services will be made after consent is obtained from the student's legal guardian.

Obligations of School:

1. School personnel shall contact GRAND Mental Health any time a student is experiencing a mental health or substance related crisis.

2. School personnel shall ensure a confidential location where student can receive crisis screening either via face-to-face with a GRAND clinician or via medical device (*aka iPad*).

3. If crisis screening is to be provided via medical device (*that has been previously provided by GRAND and a GRAND staff member is not on-site to assist with setting up the medical device*), School personnel will assist with setting up the medical device and assisting student with connecting to GRAND clinician for crisis screening assessment.

4. When a student does receive a crisis screening service provided by GRAND, School personnel will be responsible for notifying student's legal guardian that the crisis screening was provided and the rationale for why the screening was necessary.

    a. If the GRAND clinician determines that a student <u>does need a higher level of care</u> due to being a danger to self or others, School personnel will be responsible for contacting student's legal guardian and informing the legal guardian of this information and requesting their presence at the school.

        i. The GRAND clinician, school personnel, and legal guardian will all work together to find an appropriate higher level treatment provider.

    b. If the GRAND clinician determines that a higher level of care is not needed and the student is able to remain safely at school and at home, the GRAND clinician will develop a thorough, 24-hour safety plan, with action steps for school personnel, legal guardians, student, and any other supports involved in students life and ensure this plan is fully communicated with all parties involved to ensure safety of student and all individuals involved.

5. If it is determined that a referral for outpatient services is appropriate, the GRAND clinician will discuss with school personnel and legal guardian (as well as student), and if legal guardian is in agreement, a referral for outpatient services will be made (NOTE: See above related to "Outpatient Services").

Additional and On-Going Obligations of Parties:

1. GRAND will provide de-identified student information from the University of Oklahoma's Evaluation Team - Youth Information System (YIS) to School Administration annually related to crisis services provided for students at the school for the previous year.

    a. This information will be evaluated to determine the effectiveness of services provided and for continuous quality improvement.

2. Every two years, GRAND and School Administration will review this MOU and the school crisis protocol to consider any updates necessary to better meet the needs to the students. Guaranteed Maintenance Service Agreement Terms & Conditions

1. The machines listed on this form will receive service during the term of this contract, unless otherwise specified, to include the inspection, adjusting, cleaning and lubrication of machines so covered. This contract also includes repair calls, during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, as reasonably requested, necessitated by causes other than carelessness or improper handling and use of the equipment. If any piece of equipment is regularly operated during more than one eight-hour shift per day, an increase in the annual base rate may apply, at JD YOUNG'S then current rate.
2. This contract does not cover work or replacement of parts made necessary by carelessness, misuse or by accident, including the use of supplies which do not meet manufactures' specifications and which damage the equipment. Attempted inspection, repair, or adjustment of the equipment by anyone other than a representative of JD YOUNG will make this contract void.
3. Liability with respect to any property damage or injury (including death) to persons arising out of, or connected with services performed under this contract, is limited strictly to that imposed by law. There is no contract imposing any greater degree of liability of JD YOUNG or its' representatives.
4. No modification or amendment of this contract will be binding on JD YOUNG unless made in writing and signed by an officer of the Company.
5. The transfer of equipment covered by this contract to a location outside JD YOUNG'S normal servicing area will exclude it from this contract. The charges for machines transferred to a different zone within JD YOUNG'S normal servicing area during the term of this contract will be adjusted to the applicable rate for the new zone.
6. The term of this contract is for the time period indicated on the reverse side. At the end of this initial time period, this contract shall be automatically renewed at the then current maintenance rates in effect at time of renewal unless cancelled at least 30 days prior to contract ending date.
7. There shall be added to the fee for this contract any tax now or hereafter imposed on, or in connection with, the sale or delivery or furnishing of such services or materials described herein.
8. If the term of this contract exceeds twelve months, at the end of the first year of the contact and once during each successive twelve month period, JD YOUNG reserves the right to increase the price of the contract.
9. CANCELLATION: Inherent within this contract is the understanding that in order to provide this service, JD YOUNG must rely on the contract remaining in effect for the full contracted time period. Early cancellation will not result in a refund or credit to the customer. In the event the customer wishes to replace the equipment covered by this contract with new equipment purchased from JD YOUNG, full credit of any unused portion may be applied toward a service contract on the new equipment. JD YOUNG may, at its discretion, cancel equipment that is no longer serviceable due to age or condition.
10. Upon termination of this contract, the customer agrees to return unused supplies such as toner, toner waste containers, parts, ink, and masters, which were provided at no charge by JD YOUNG. If for any reason the customer does not return these items, customer agrees to pay JD YOUNG for any remaining items.
11. JD YOUNG reserves the right to cancel or deny performing service and/or supplying any products under the terms of this contract if said customer's account becomes more than 30 days delinquent. The customer will be held responsible for payment in full of invoices in arrears to reinstate coverage or, if any service is performed on the equipment listed in this Service Agreement, all charges for parts, labor and any additional charges related to the service performed. Payment in full of all charges in arrears may be required on delinquent accounts before service calls or supply orders can be made. Any delinquent accounts that are sent to a third party for collections will be held responsible for all or part of the cost incurred by JD YOUNG.
12. JD YOUNG agrees to furnish all supplies as indicated on the reverse side of this contract, to be delivered at accepted intervals in quantities as usage history dictates. JD YOUNG may add a fee to the contract to cover shipping and handling expenses incurred by providing supplies included in this contract. Toner consumption is based on manufacturer's stated yields on standard "letter size" copies. At the end of each billing cycle, the customer may be billed for any ink/toner used in excess of that required based on yields stated above.
13. The customer agrees to use the supplies provided at "no charge" on the appropriate machine(s) as indicated on the reverse side of this contract. The customer agrees not to take designated supplies from one machine to be used in another where supplies are not included as part of the maintenance contract.
14. The customer agrees to replace any supply items as a result of carelessness on the part of the operator, accidents, fire, theft, abuse, and lost or misplaced supplies. The customer must purchase any replacement of supplies as a result of the foregoing from JD YOUNG.
15. **ADDITIONAL ITEMS NOT COVERED BY THIS CONTRACT:**

Verbiage/Clarification/Updates for all RFP's

The 2025-26 FSMC RFP has been updated to reflect the following verbiage. The page numbers referenced and the information below were added to the 2023 version RFP. The verbiage below will also apply to all FSMC RFP's currently being used. All annual FSMC renewals must include this three-page document, signed by both the SFA and FSMC, as well as the Annual Renewal.

Page 14, IV. #B: Updated: The SFA shall retain title to all USDA-donated foods even if the FSMC contract is terminated or is not renewed.

Page 20, X #C: Updated: In accordance with federal regulations and FNS Instruction 783-2, the FSMC shall make substitutions in reimbursable meals as specified by a state-recognized medical authority who is authorized by Oklahoma state law to write medical prescriptions; i.e., licensed physician (MD or DO), a physician's assistant (PA) or an advanced registered nurse practitioner (ARNP), or a registered dietician (RD), for individual participating children unable, because of a disability, to consume specified foods. The SFA shall notify the FSMC of any such special dietary needs.

Page 21, XIII #F: Updated: Buy American (SP-23-2024)

- The FSMC shall purchase domestic substantially using agricultural commodities that are produced in the United States" means over 51 percent of a food product must consist of agricultural commodities that were grown domestically.
- Ninety percent (90%) of the food purchased for 2025-2026 must be grown domestically.
- **The FSMC shall certify the percentage of exempt food items supplied to the SFA by using the USDA Buy American Tracker for all non-domestic foods served. The tracker must be sent to the district a minimum of one time a year and upon request to show compliance.**
- The FSMC must document if an exempt product is listed on the Federal Acquisitions Regulations Non-available articles list found at 48 CFR 25.104 and/or is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or 2. Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

- Items listed on the Federal Acquisitions Regulations Non-available articles/Oklahoma Buy American Exemption list must be counted toward the cap on non-domestic purchases when it goes into effect.
- Any food purchased or paid using the school food service account, must follow Buy American. This includes CACFP and SFSP meals.

Page 70: Attachment M: The total cost in Section 6 has been added. This amount will be added each month and be used in the Buy American Tracker. The total annual amount will be entered in the *Total Annual Commercial Food Cost* in the *Buy American Tracker* Exemption Summary tab.

Pages 75-80: Meal Patterns have been updated

The signatures below certify that both parties agree with the required changes to the RFP regardless of RFP year currently operating under and renewing.

ARTICLE I - GENERAL CONDITIONS OF EMPLOYMENT

Section 1. Teacher Duty Day and Work Year

A. Teachers shall report to work a combined total of thirty-five (35) minutes before and /or after the student instructional day for a total of seven (7) hours and twenty (20) minutes or until assigned duties have been completed, whichever is later.

B. Teachers shall accept non teaching duty assignments when these duties are deemed necessary for the proper functioning of the school. Such duty assignments shall be held to the minimum number necessary to provide adequate supervision of students as determined by the building principal. After the regular teacher workday, extra duties may be performed by the principals and/or designee.

    1. Each school faculty shall convene a “new or existing” committee of teachers and administrators whose task shall be to (re)evaluate the duty needs and schedules. The committee may also consider innovative ideas for improvement. Student safety and supervision shall be prime considerations in the deliberations of the committee. The existence of the committee and its group members shall be communicated to the staff prior to the duty schedule being finalized.

C. Teachers may be required to stay later for staff meetings. Each building principal shall designate a specific weekday for said meetings. When staff meetings are necessary on other days, all teachers will be required to attend unless excused by the principal.

D. Effort shall be made to schedule staffing/parent conferences during the teacher's planning period. The teacher may be required to stay later when this is not possible.

E. Teachers may be required to attend other school functions.

F. The standard contractual work year for teachers shall be 180 days unless mutually agreed to by the Board and Association.

Section 2. Duty Free Lunch

A. Teachers shall be scheduled for a minimum of twenty (20) minutes of duty-free lunch each day.

B. When necessary, the principal may require teachers to forego their duty-free lunch in order to accept responsibilities related to the function of the school. Such assignments shall be made in an equitable manner.

C. Teachers shall be permitted to leave school during lunch after checking out in the principal's office. If the practice is abused by teachers it shall be dealt with on an individual basis. When necessary the principal may require teachers to remain in the school during lunch.

D. An extra duty position will consist of a person or persons to perform duty during the lunch period for grade levels K through 12. The person or persons hired for this position may not perform any other duties during this time period.

Back to Table of Contents

The Extra Duty Lunch Time Position will be posted and offered to teachers before anyone else. Teachers will have first choice to accept or refuse the Extra Duty. This position will be offered to other applicants only if no teacher or teachers accept the position.

Certified personnel volunteering to perform lunch duty will receive annual extra duty compensation per the extra duty schedule.

Non-certified persons employed in the Extra Duty Lunch Time position will receive a minimum of ten dollars ($10.00) per hour. The two (2) hours may be broken up into small periods of time.

Section 3. Planning Period

A. Secondary classroom teachers shall be scheduled for a duty-free planning period each day.

B. Elementary classroom teachers shall be scheduled for a minimum of two hundred (200) minutes of duty-free planning time during the student workday each week.

C. Every effort will be made to ensure that the teacher's planning period is used for its intended purpose. While building principals will make every effort to protect that plan, they will have discretion to call meetings/conferences/collaboration when deemed necessary.

D. After all possible efforts are made, whenever a teacher is required by administration to receive and instruct students from the class of an absent teacher for whom a substitute was not secured, the covering teacher(s) shall be compensated at $20 per hour or a prorated rate. If a certified non classroom teacher is required to cover a class on the non classroom teacher's plan or while maintaining the non classroom teacher's other duties then that employee will be compensated at $20 per hour.

Section 4. Posting of Vacancies

A. Notice of vacant certified positions shall be posted on the website and sent via internal email a minimum of three (3) consecutive work days prior to the filling of the position.

B. Notice of vacant extra duty positions (district) shall be sent via internal email a minimum of three (3) consecutive work days prior to the filling of the position.

C. Notice of vacant extra duty positions (site) shall be sent via internal email to the staff at the impacted site a minimum of three (3) consecutive work days prior to the filling of the position.

Back to Table of Contents

Section 5. Assignments and Transfer

A. Assignments

1. Teachers shall be assigned by the principals within the scope of their certification and the rules and regulations of the State Department of Education.

2. Teachers currently employed in the district shall have an opportunity to apply and shall be considered for vacancies before outside applicants are employed.

3. An initial site vacancy will be sent via email to all site faculty If the position is filled within site, any resulting vacancy (ies) may be filled within site without posting. If a vacancy remains after an initial site vacancy and any resulting subsequent vacancies are filled within the site, that vacancy shall be posted district wide.

4. Teachers who may be interested in a transfer may send an email notification to the appropriate principal(s).

5. When considering applicants for a vacant position, the principal shall consider teachers who have requested a transfer as well as outside applicants.

6. If a principal decides to fill the vacancy with a currently employed teacher and more than one teacher has requested such a transfer, the principal will consider the following criteria: qualifications of candidates compared to those of all other candidates being considered for the position. Such qualifications shall include certification, length of service in the district, training, experience, and special skills.

7. The principal will select the teacher that the principal believes will best meet the needs of the students and the district.

B. Involuntary Transfer

1. When an involuntary transfer is deemed necessary, a conference shall be held between the teacher and the principal. At the conference, the reasons for the transfer will be explained and discussed to afford the teacher an opportunity to understand all factors involved in making the decision.

2. When a reduction in the number of teachers in school is deemed necessary, the principal will consider the needs of the students and determine the grade level and/or subject area where the transfer can best be made.

3. When selecting the teacher to be transferred, the principal will consider the following criteria: qualifications of teachers compared to those of all other teachers being considered for transfer. Such qualifications shall include: certification, length of service in the district, training, experience and special skills.

4. Qualified teachers who volunteer for transfer shall be transferred first.

Back to Table of Contents

C. Change in Assignment/Transfer

   a. Teachers hired/given new assignments after school begins may have up to two (2) days with no additional duties or responsibilities to prepare for classroom instruction.

Section 6. Reduction in Force Policy - Certified Personnel

General

1. Reasons for a Reduction in Force: Any teacher in the district may be non-reemployed for the following fiscal year when the board decides that due to (a) a financial necessity or (b) a program change or (c) a decline in enrollment or (d) other business inevitability as determined by the board, a reduction in the teaching staff for the following fiscal year is necessary.

2. Definitions: For the purpose of this section, the following terms have the stated meanings:
   - "Financial necessity" means a reduction in the district's financial resources that in the sole judgment of the board of education will result in a reduction in the district's current or future operating budget.
   - "Program change" means any elimination, curtailment or reorganization of a curricular/instructional offering, program or school operation or a reorganization or closing of a school or a consolidation of two or more individual schools or school districts.
   - "Declining enrollment" means a decrease in the district's total enrollment or enrollment in a particular program or curricular/instructional offering which in the sole judgment of the board of education may adversely affect the district's current or future funding and/or the necessity of maintaining certain current or future class sections or curricular/instructional offerings.

3. Criteria for Eliminating Positions: The primary standard in implementing any reduction in force shall be the maintenance of a sound and balanced educational program that is consistent with the functions and responsibilities of the district. In deciding which positions to eliminate, the superintendent and the board will consider the curriculum, instructional focus and the unique/multi-dimensional needs of students. Natural attrition will always be used as the first means of reducing the force.

4. Criteria for Non-reemployment of Teachers in Affected Positions: Once a determination has been made as to which positions should be eliminated then the primary basis that will be used in determining which teachers to retain in the affected position(s) will be the composite evaluation rating of the teachers holding such positions as measured (to the nearest hundredth of a decimal point) by the district's Teacher and Leader Effectiveness Evaluation System (TLE) for each year in which the TLE has been in effect. If the composite ratings of the teachers in the affected positions are identical then the following, in this order, shall control:
   - Seniority in the district
   - The number of certifications held
   - Total years of teaching experience
   - A lot drawing made by the Superintendent in the presence of a member of the current OWEA negotiations team.

Back to Table of Contents

5. Bumping Rights:
    - Only those teachers who have an average three year ranking that falls at the effective rating of 2.80 or above will be given bumping rights. If three years of rankings are not available, the district will use an average of available years. In order to bump, a teacher must be certified in the position they seek to move into and must meet all state and federal requirements necessary to hold that position.
    - In the event a teacher eliminated through RIF is certified to hold a position other than the one being eliminated, said teacher may bump another teacher in that position, as long as the teacher has seniority over that person and has an average composite ranking score that is greater than the other teacher as measured to the nearest hundredth of a decimal point.
    - If the composite ratings of the teachers in the affected positions are identical then the following, in this order, shall control bumping:
    - Seniority in the district
    - The number of certifications held
    - Total years of teaching experience
    - A lot drawing made by the Superintendent in the presence of a current member of the OWEA negotiations team.

6. Procedures for Reduction in Force
    - Action by Superintendent: The superintendent, upon receipt of the board's preliminary determination of the necessity for a reduction in force, or upon the superintendent's own decision, shall submit to the board the superintendent's written recommendations for eliminating particular teaching positions. In making recommendations, the superintendent shall not be limited to considering only positions in the areas or programs designated by the board and shall consult with each relevant principal or other district administrator in whose school or unit a position elimination is proposed and shall take into consideration the criteria set out herein.
    - Action by Board: In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation, the board may initiate action without such recommendation provided that it adheres to the other provisions of this Reduction in Force Agreement.
    - Notice and Hearing Procedures: Prior to taking any action to non-reemploy a teacher due to reduction in force, whether acting on a recommendation of the superintendent or on its own decision, the board shall provide written notice and an opportunity for hearing to the affected teacher; provided however, because the law does not provide nonrenewal hearings for teachers on temporary contracts, no hearing opportunity shall be afforded any teacher on a temporary contract with notice of the expiration of the temporary teacher's contract at the end of the school year being provided to the temporary teacher. The notice and board hearing procedures for teachers other than temporary teachers shall be the same as those provided by Oklahoma law regarding non-reemployment of teachers. Notice of a recommendation of non-reemployment shall be given to the teacher prior to the applicable deadline set by law.
    - Board hearing: At the board hearing, evidence may be presented by the administration and the teacher as to whether a reduction in force is reasonably necessary and is being made in good faith and for the best interests of the district and whether the recommendation to not renew the specific teacher is being

Back to Table of Contents

made in good faith under this Reduction in Force Agreement.
- Effect of the board decision: The decision of the board based on the evidence presented at the hearing shall be final and non-appealable.

7. Re-employment or Other Employment
    - Recall: For one school year after the effective date of non-reemployment due to a reduction in force, the board of education shall not fill positions eliminated through reduction in force without first offering such positions to the non-reemployed and eligible teachers. In order to be an "eligible teacher" for recall, the teacher, at the time of the reduction in force, must have had an overall composite evaluation rating, for the time period used, of at least 2.80 on a scale of 5.00 and be certified and qualified to teach in the open position. Recall shall be in the reverse order of the reduction in force. In the event one or more teachers eligible for recall are equal in all criteria used in the reduction procedure, the superintendent/superintendent designee shall have authority to select the teacher believed to best fit the needs of the district.
    - Recall Procedures: The offer of reemployment shall be made personally and by certified mail, return receipt requested, and the teacher shall be notified in such notice that if the teacher wishes to accept, the teacher must do so in writing within five (5) calendar days of his receipt of notice. It is the responsibility of the teacher to keep full, accurate and current mailing addresses/phone numbers up-to-date with the payroll office. Failure to receive acceptance within five (5) calendar days or rejection of the offer of reemployment eliminates all reemployment rights of the teacher.
    - Status after Recall: A career teacher who has been non-reemployed and who is then reemployed within one school year shall be reinstated as a career teacher. A probationary teacher who is non-reemployed but is then reemployed within one school year shall be given credit for the time already served as a probationary teacher

Section 7. Personnel Files

A. Teacher personnel files shall be maintained as follows:

    a. A working file in the principal's office.
    b. An official file in the Human Resources department.
    c. A medical file, if applicable, is located in the Human Resources department.
    d. Any reference to "file" or "files" in this section shall refer to the official file referenced in number 2 above.

B. Information from sources other than the personnel files may not be used in any action that adversely affects the teacher's employment status.

C. Material that may adversely affect a teacher’s employment status shall not be placed in a teacher’s files until the teacher has an opportunity to read and sign and date the material to be filed. The teacher’s signature shall signify that the teacher has read the material to be filed but not that teacher necessarily agrees with its content. The teacher shall receive a copy of said material at the time of signing, at no cost to the teacher.

D. Teachers shall have the right to submit a written response to any material placed in their files within ten (10) days after viewing such material and such response shall be

Back to Table of Contents

attached to original material.

E. Copies of disciplinary materials placed in the official personnel file shall be provided to the affected teacher. The teacher shall be given an opportunity to sign and date the material. The teacher's signature and date of receipt of the materials shall indicate that the teacher received the material and date upon which the teacher received the material, and is not for the purpose of showing agreement or disagreement with the disciplinary material.

F. Upon presentation of written and notarized authorization by the teacher, the teacher or the teacher's designee may review the contents of the teacher's official personnel file or medical file, excluding confidential letters of reference or any other information precluded by law. The teacher may, upon request, receive copies of any material contained in the teacher's own official file subject to payment of the cost of reproduction of the material. The cost shall be determined by the District's policy related to charges for open records.

G. The examination of a teacher's official file by persons other than the teacher or those authorized by the teacher as provided above is limited to District employees or board members who have a need for the information to complete their job duties and functions or others as authorized by law. Individuals authorized by law include members of the public who make an open records request for the inspection or copying of records which are public records located in the teacher's official personnel file. A teacher shall be given a minimum of 24 hours' notice of an Open Records Act request related to the teacher's official file.

H. Upon mutual agreement of the teacher and the Superintendent or the superintendent's designee, any materials related to discipline or reemployment shall be removed from the official personnel file after a period of two years from the date of placement of the material in the file. No material shall be removed if adverse disciplinary action has occurred within two years prior to the request for removal. In the event the request to remove is denied, the teacher may place a letter into the file addressing the reason for the request for removal of the material.

Section 8. Right to Representation

A. If documentation of a disciplinary conference is to be made, teachers shall be informed prior to the conference of the right to have a representative, either association (if applicable) or district certified teacher, present at the conference. If district certified teacher is from another school site, the conference will be scheduled outside the school day.

B. During an administrative conference, defined as a meeting that could result in disciplinary action of that teacher, the teacher may have a witness from within the building or association representative if applicable present.

Section 9. Working Conditions

A. The board shall provide healthy and safe working conditions. Public information regarding health and safety related issues and status of work orders will be made available to the teacher.

Back to Table of Contents

B. A teacher may report, in writing, any perceived inadequacy in health or safe working conditions to the principal.
   1. The principal will respond, in writing, as to any action taken, within a reasonable time.
   2. If the teacher is not satisfied with the principal's response, the teacher may forward the written request to the superintendent's office.

Section 10. Disciplinary Procedures

1. The following steps will be followed when disciplining a teacher:
   a. Verbal warning or oral reprimand
   b. Written reprimand
   c. Suspension/dismissal or termination
2. Disciplinary action may be initiated at any of the steps above based on the severity or type of offense.

Section 11. Teacher Evaluation

A. Evaluations shall be based upon the Tulsa Model as approved by the State Board of Education. Any changes to the district's evaluation plan will be done in conjunction with OWEA and administration.

B. Unless otherwise modified by OSDE, the evaluation sequence is as follows:
   1. All career teachers are to be observed twice during the year with evaluation by the end of third quarter. Probationary teachers are to be observed once each quarter (1-3) with evaluation by the end of fourth quarter, no later than April 30.

C. Any teacher who is assigned to more than one site will be evaluated by the designated certified administrator.

D. For the purpose of evaluation, formal classroom observations shall be conducted openly with the full knowledge of the teacher.

E. A copy of the evaluation will be available electronically and reviewed with each teacher at a conference to be held between the teacher and evaluating administrator. The evaluation conference shall be held within a reasonable time after the final observation conference. Teachers shall receive one (1) day prior notice of the evaluation conference, if the conference is held on a different date. A teacher shall be permitted to have a representative of the teacher's own choosing at the evaluation conference. The teacher shall acknowledge the evaluation by the teacher's own signature.

F. The teacher may respond to the evaluation and have the response attached to the evaluation which is placed in the personnel file. Such response shall be submitted by the teacher within ten (10) school days of receipt of the evaluation.

G. Each certified employee will develop a Professional Learning Focus component as part of the TLE process. The PL Focus is based on each certified employees' qualitative evaluation. The PL Focus should be developed by the certified employee in conjunction with the certified employee's TLE evaluator. The PL Focus component is aimed at supporting the constant learning and growth of all educators and must be completed

Back to Table of Contents

annually regardless of exemption status. The PL Focus must be selected, documented in writing, and tied to a TLE indicator or element appropriate to the particular individual. The PL Focus may be modified as needed during the school year and should be accomplished through education and training related to the identified area of focus. The PL Focus goal documentation and evidence of completion of the goal must be attached to the evaluation and placed in the personnel file.

H. Evaluation documents can be found on the district website, can be provided by the principal, or can be provided by our Human Resources department.

Definitions:

PDP- Personal Development Plans (PDPs) are intended to advise and assist teachers with serious performance deficiencies which, if left uncorrected, may jeopardize the teacher's continued employment with the district. Observations, evaluations or stand-alone incidents may trigger the issuance of a personal development plan. If developed in conjunction with an observation or evaluation, the personal development plan shall be attached to and considered another component of the observation or evaluation form.

Goal Setting Form - The Goal Setting Form is a process distinct from the PDP. It is a collaborative tool to document and support effective teachers needing development in no more than two Indicators. The Goal Setting Form requires that the teacher and evaluator create goal statements, resources/supports and evidence to demonstrate success in meeting the goal. While it is unlike the PDP in that the teacher and evaluator work together to create the plan, it is still time-bound and requires follow-up and conferencing. The Goal Setting Form is an alternative to the PDP at the evaluation stage. Because it is more limited in scope and support and does not contain admonishment language, it should not be used if the evaluator might recommend the exiting of the teacher. If the teacher is not successful in their implementation of the Goal Setting Form, a PDP must be issued to support the teacher’s practices relating to the Indicator(s) not successfully addressed in the Goals Setting Form. If a teacher does not agree to cooperate in the development of the Goal Setting Form, the evaluator must create a PDP for the teacher to address the areas of concern.

Section 12. Activity Pass

Each teacher shall be provided admission to activities for self and one (1) guest to school sponsored events by presenting Owasso Public Schools employee ID. Owasso Public Schools employee ID will not be valid for entrance into OSSAA playoff events.

Section 13. Extra Duty Employment

A. GENERAL
Teachers interested in extra duty employment (including, but not limited to teaching summer or night school, working athletic events, and working during the summer in maintenance) should contact the appropriate site administrator indicated in the posting in writing within the posting period. All extra duty positions shall be posted for not less than three (3) days.

ARTICLE III - LEAVE PLAN

Section 1. Sick Leave

A. Sick Leave. Teachers are entitled to ten (10) days of paid leave for personal illness, accidental injury or pregnancy, or illness or accidental injury in the immediate family. For the purposes of this policy, adoption will be treated the same as a live birth. Immediate family for purposes of this leave included the teacher's spouse, children, and any dependents (as that term is used for purpose of the regulations of the Internal Revenue Service) who reside in the employee's home. And this sick leave may also be used in the case of hospitalization, surgery, or home care involving brothers, sisters, parents, and parents-in-law. A maximum of five (5) days may be used for extended family members not included in this section.

B. Twenty Days with Substitute Deduction. If, after exhausting all sick leave days, a teacher is absent from the teacher's duties due to personal accidental injury, illness or pregnancy, the teacher shall receive the teacher's full contract salary less the rate paid to a substitute for a period not to exceed twenty (20) days.

C. Accumulation of Sick Leave. Teachers may accumulate unused sick leave to a maximum of one hundred twenty (120) days.

D. Medical/Dental Appointments. Sick leave may be used for medical or dental appointments.

E. Certification of Illness. Teachers may be required to provide certification of illness by a physician or other health care professional or other evidence of illness.

F. Donated Sick Leave. The District's Sick Leave Donation Policy is designed to solicit sick leave donations for a full-time teacher who has exhausted the teacher's own accumulated sick leave. A teacher covered by the District's Policy shall be eligible for shared sick leave if he/she is suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition which has caused or is likely to cause the employee to take leave without pay or to terminate employment. Severe or extraordinary also means temporary disability resulting from pregnancy, miscarriage, childbirth and recovery from childbirth. The recipient of shared sick leave is limited to a maximum donation of sixty (60) days over the course of a school year (July 1 - June 30) and a teacher/recipient shall not be eligible for more than two opportunities for donated sick leave over the entire period of the employee's employment with the School District.

   The teacher/recipient may accept up to three (3) days of donated leave from each teacher who wishes to voluntarily donate leave. And no employee may, by the donation of sick leave days, reduce the employee's own accumulated sick leave below ten (10) days of sick leave. Any exception to this policy will be subject to administrative review.

   Further information regarding the application for donated leave, the attendant requirements for qualification and eligibility and the coordination of donated sick leave with family and medical and other leave is found in the District's *Sick Leave Donation Policy.*

H. Family and Medical Leave Policy

It is the policy of the Owasso School District to comply fully with the requirements of the Family and Medical Leave Act of 1993 (the "Act"). This Act requires that a covered employer provide up to twelve (12) work weeks of unpaid leave to eligible employees. "Eligible employees" are those employees who: (1) have been employed for at least one year by the Owasso School District; and (2) worked at least 1,250 hours during the previous twelve-month period; and (3) have requested appropriate leave for a reason covered by the Act.

REASONS FOR LEAVE

All eligible employees who meet the Act's requirements may be granted a total of twelve (12) work weeks [i.e., sixty (60) work days] or up to twenty-six (26) work weeks for military (item 4 below) of unpaid family and medical leave and available, appropriately applied paid sick, vacation and personal leave combined (during any year as defined below) for the following family and medical leave reasons:

1) For the birth of a child and to care for such child, or placement for adoption or foster care of a child;

2) To care for a spouse, child or parent with a serious health condition; or

3) For a serious health condition of the employee that makes the employee unable to perform his or her job functions.

4) To care for a covered family service member with a serious illness or injury incurred in the line of duty on active duty; or

5) To use for any qualifying exigency arising out of the fact that a covered military member is on active duty or called to active duty status in support of a contingency operation.

The term "serious health condition" means one which requires either in-patient care, or continuing treatment by a health care provider. This term is intended to cover conditions or illnesses affecting health to the extent that in-patient care is required, or absences are necessary on a recurring basis or for more than just a few days. A "serious health condition" does not cover short-term conditions for which treatment and recovery are very brief. Such conditions would normally be covered by the District's sick leave policies.

The term "year" as used in this Policy shall mean a rolling 12-month period measured backward from the date an employee uses any leave.

The term "qualifying exigency" means the most common issues that arise when a covered military member is deployed, such as attending military-sponsored functions, making appropriate financial and legal arrangements, arranging for alternative childcare, attending counseling, rest and recuperation leave during deployment, and attending to certain post-deployment activities. Only family members of National Guard and Reserves, and certain retired

Back to Table of Contents

military are eligible for qualifying exigency leave.

The term "covered military member" means that employee's spouse, son, daughter, or parent, or next of kin of a covered service member who is on active duty or call to active duty status and suffers a serious injury or illness as a result of active duty status or service. It includes members undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness incurred in the line of duty on active duty. Military caregiver leave extends to those serious injured or ill members of both the regular Armed Forces and the National Guard or Reserves.

AVAILABILITY OF LEAVE

In determining the availability of leave the District will consider the leave available to a person (whether paid or unpaid) by virtue of existing employment conditions. The intent of the District is to insure that each individual covered by the Act shall have the leave benefits available as a result of the law's requirements. It is not the intent of the District or this policy to provide leave benefits that exceed those authorized by rule, policy or existing law as supplemented by the Act. Thus, an eligible employee, when accessing leave for family and medical purposes must use any accrued paid vacation leave, personal leave and applicably applied sick leave for any part of the twelve (12) week period. It is the policy of the District that all appropriate paid non-Act leave will be used concurrently.

An employee requesting leave for one of the reasons authorized by the Act will be entitled to the leave available by virtue of existing leave policies. In the event the application of these policies results in less leave than is required by the Act an eligible individual will be entitled to such additional leave as is necessary to result in the minimum leave specified in the Act for covered individuals.

Where the employee's spouse is also employed by the District, the total number of work weeks of Act leave to which both spouses are entitled is limited to twelve (12) work weeks during a year if such leave is for the birth of a child or to care for a child or for placement for adoption or foster care of a child.

APPLICATION FOR LEAVE

An employee requesting leave must complete an "Application for Family or Medical Leave." The application must state the reason for the leave, the duration of the leave (if known), and the starting and ending dates of the leave. An application for Family and Medical Leave, as well as assistance with this process, may be obtained from the Human Resources department of the district. The application for leave must be submitted at least thirty (30) days before family or medical leave because of an expected birth or placement of a child, or because a planned medical treatment is to begin. If, for reasons beyond the employee's reasonable control, the leave is to begin in less than thirty (30) days, an employee must give notice to his or her immediate supervisor and to the office of the Superintendent as soon as is practicable, ordinarily within one or two school days of when the employee learns of the need for leave.

In the absence of an application for leave from an eligible employee the District may, in its discretion, place an eligible employee on FMLA leave if the employee is absent for any of the reasons set forth above in the "Reasons for Leave" provisions.

Back to Table of Contents

LEAVE BASED ON A SERIOUS HEALTH CONDITION

A "Medical Certification Statement" must accompany an application for leave based on the serious health condition of the employee or the employee's spouse, child or parent. This statement must be completed by the applicable health care provider. It must state the date on which the health condition began, the estimated duration of the condition, and the relevant medical facts related to the condition. The statement must be submitted within fifteen (15) days of application. Failure to submit medical certification will initiate denial of leave and other applicable consequences for failure to be at work without proper authorization.

If the employee has a serious health condition the certification must state that the employee cannot perform the functions of his or her position. The District reserves the right to require the employee to obtain a second medical opinion at the District's expense. If the opinions of the first and second health care provider differ, the District may require a third opinion from a health care provider mutually agreed upon by the District and the employee. The third opinion shall be final and binding.

The District may require subsequent certifications to support FMLA leave but not more often than every thirty (30) days unless the employee: (1) requests an extension of leave; (2) changed circumstances occur regarding the illness or injury; or (3) the District receives information that casts doubt on the validity of an existing certification.

In the event the employee is applying for leave to care for a spouse, child or parent, the certification must state that fact along with an estimate of the amount of time the employee will need.

When the employee is prepared to return to work, he or she must provide certification by his or her health care provider that the employee is able to resume work.

Back to Table of Contents

INTERMITTENT LEAVE OR
LEAVE ON A REDUCED LEAVE SCHEDULE

An employee may request to use available leave intermittently or on a reduced leave schedule. Where leave is requested in connection with a serious health condition of the employee or his or her immediate family member, the request for leave must be supported with a certification from the health care provider that such leave is medically necessary and stating the expected duration and schedule of such leave. There must be a medical need for the leave and evidence that the medical need can best be accommodated through an intermittent or reduced leave schedule. Any eligible employee seeking leave on an intermittent or reduced leave basis must obtain and complete a request for leave and must submit the medical certification required.

Intermittent or reduced leave may also be taken in connection with the birth or because of the placement for adoption or foster care of a child. However, intermittent leave or leave on a reduced leave schedule for this purpose may only be taken with the approval of the District.

In either instance, whether because such leave is medically necessary or in connection with the birth or placement of a child, the employee must try to schedule the leave so as not to unduly disrupt the District's operations. In the event the employee takes intermittent leave or reduced leave the District reserves the right to place the employee in an alternative position which better accommodates intermittent or reduced leave.

When an instructional employee requests intermittent or reduced leave for planned medical treatment for more than twenty percent (20%) of the total number of working days in the period during which the leave would be used, the District may require the employee to elect either to (1) take leave for a "particular duration" or time which is not greater than the duration of the planned treatment, or (2) be transferred to an alternative position. If the instructional employee requesting intermittent leave or leave on a reduced leave schedule does not give proper notice as required, the District may deny the taking of leave until thirty (30) days after notice was provided, or may require the employee to take leave for either a "particular duration" or accept an alternative position.

LEAVE TAKEN NEAR THE END OF AN ACADEMIC TERM

If an instructional employee begins any type of covered leave more than five (5) weeks before the end of a term, and if the leave will last at least three (3) weeks and the employee would otherwise return to work during the three (3) weeks before the end of the term, the District may require the employee to continue taking leave until the end of the term.

If an instructional employee takes leave for a reason other than the employee's own serious health condition which commences during the five (5) weeks before the end of the term, and if the leave will last more than two (2) weeks and the employee would otherwise return to work during the last two (2) weeks of the term, the District may require the employee to continue taking leave until the end of the term.

Back to Table of Contents

If an instructional employee takes leave for a reason other than the employee's own serious health condition which begins during the last three (3) weeks of the term, and if the leave will last more than five (5) working days, the District may require the employee to take leave until the end of the term.

For the purposes of this Policy, the word "term" means the first term or Fall semester term of each academic year and the second term or Spring semester term of each academic year.

THE EFFECT OF LEAVE ON BENEFITS

During a period of family or medical leave, an employee will be retained on the District's medical insurance plan under the same conditions that applied before leave began. In order to continue medical insurance coverage, the employee must continue to make any contributions that he or she made to the plan before leave. Failure of the employee to pay his or her share of the medical insurance premium may result in a loss of coverage. The employee is required to pay all of the premiums for any other type of insurance coverage which may exist.

If the employee fails to return to work after the expiration of the leave, the employee will be required to reimburse the District for payment of health insurance premiums during the family or medical leave, unless the reason the employee fails to return is the presence of a serious health condition which prevents the employee from performing his or her job or to circumstances beyond the employee's control.

The employee may not accrue any seniority or employment benefits that would have accrued if not for the taking of leave. However, the employee who takes family or medical leave will not lose any seniority or employment benefits that accrued before the date leave began.

REINSTATEMENT TO FORMER POSITION

An employee generally is entitled to be restored to an equivalent position and to equivalent conditions of employment. This may not be applicable to employees who are designated as "highly compensated employees". The District cannot guarantee that an employee will be returned to his or her original job. A determination as to whether a position is an "equivalent position" will be made by the District. A highly compensated employee is one who is salaried, and is "among the highest paid 10 percent" of the employees employed within 75 miles of the employee's worksite. An employee who qualifies as a "highly compensated" employee may be denied restoration to employment if necessary to prevent substantial and grievous economic injury to the operations of the District.

An employee who is ready to return from leave must complete a "Notice of Intention to Return from Family or Medical Leave" before he or she can be returned to work. An employee may return to work before the expiration of a family or medical leave of absence.

Back to Table of Contents

In this event notification must be given to the employee's supervisor at least five (5) working days prior to the employee's planned return.

FAILURE TO RETURN FROM LEAVE

The failure of an employee to return to work upon the expiration of a family or medical leave of absence will subject the employee to immediate termination unless an extension is granted. Any termination, as a result of this provision, is subject to the same rights as a termination for cause. An employee who requests an extension of family leave or medical leave due to the continuance, recurrence or onset of her or his own serious health condition, or the serious health condition of the employee's spouse, child or parent, must submit a request for an extension, in writing, to the employee's immediate supervisor with a copy to the office of the Superintendent. This written request should be made as soon as the employee realizes that she or he will not be able to return at the expiration of the leave period.

INTERPRETATION OF ACT

The District intends to remain faithful to the requirements of the Act. Questions regarding the interpretation, administration, and application of the Act to eligible employees shall be resolved by reliance on the FMLA and its interpretive regulations. Where relevant, the District will also consider its policies, rules, practices, and negotiated agreements.

4.3.4. Negotiations meetings shall be scheduled at times, which will not interfere with the teacher work day and the educational programs of the district.

4.4. Tentative Agreement

4.4.1. Both parties agree it is their mutual responsibility to empower their respective representatives the necessary authority to make proposals, to consider proposals and counter-proposals in the course of negotiations, and to reach tentative agreements subject to ratification by the Board and the Association.

4.4.2. When tentative agreement is reached on any item, it shall be reduced to writing and signed and dated by the spokespersons of each team. When tentative agreement is reached on all items, they shall be submitted first to the membership of the Association for ratification and then to the Board for ratification.

5. IMPASSE

5.1. If negotiations are not successfully concluded by the first day of school an impasse shall exist. 5.3. If the mediation process has been utilized and has failed to bring about agreement on all items, or if the mediation process was not utilized, the unresolved items shall be submitted to a three-member fact-finding committee as follows:

5.3.1. One member of the fact-finding committee shall be selected by the representatives of the Association within five (5) days after the reaching of impasse. One member of the committee shall be selected by the Board of Education within five (5) days after the reaching of impasse.

5.3.2. The member of the committee who shall serve as the chairperson of the committee shall be selected from the State Superintendent's list of fact-finders. The State Superintendent of Public Instruction or the State Superintendent's designee shall provide the names of five potential fact-finders selected at random from a list of appointees who are available to serve as a member and a chairperson of the committee. The Association and the district shall select the fact-finder from the five names.

5.3.3. If no name on the list is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the list. The parties will then continue alternately striking names from the list until only one name remains. The person whose name remains on the list will serve as the chairperson of the fact-finding committee.

5.3.4. Within five (5) days after the selection of the chairperson, the chairperson, the representatives who have been negotiating for the Board and for the Association shall meet to exchange written language on each item at impasse. The exchanged document(s) shall also be furnished by each party to the chairperson and other members of the committee.

5.3.5. The chairperson shall convene the committee for fact-finding. The committee shall meet with representatives of the Board and the Association. Within twenty (20) days after the chairperson is selected, the committee shall submit written recommendations to the Board and to the Association.

5.3.6. If either the Board or the Association decides it must reject one or more of the committee's recommendations, the rejecting party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and for the Association. These representatives shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the representatives shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The respective representatives shall then resume good faith efforts to resolve the remaining differences; provided, after fourteen (14) days after the exchange of the written statements, either party may discontinue such effort.

5.3.7. The Board shall file a copy of the fact-finding report with the Office of the State Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and such agreement shall also be forwarded to the State Superintendent of Public Instruction. If the effort to resolve differences is unsuccessful, the Board of Education shall forward to the State Superintendent of Public Instruction, in writing, its final disposition of the negotiation's impasse process within thirty (30) days of the effective date of implementation.

5.3.8. The cost for the services of the fact-finding committee, including per diem expenses, if any, and actual and necessary travel expenses shall be shared in the following manner: The Board shall assume the expenses of the representative selected by the Board, the Association shall assume the expenses of the representative selected by the Association, and the expenses of the third member shall be shared equally by the Board and the Association.

Edited Policy

5.31 Personal Electronic Devices

For the 2025-2026 school year, it is the policy of the Board of Education that a student may possess a personal electronic device while on school premises, or while in transit under the authority of the school, or while attending any function sponsored or authorized by the school upon consent of both the student, parent or guardian, and the superintendent or the superintendent’s designee. Students may be issued a device by the school district such as a laptop, tablet or other electronic device. School-issued devices or school-approved devices are exempt from the requirements of this policy and shall be utilized only for educational purposes by students.

Students are prohibited from utilizing cell phones and personal electronic devices while on the campus of a public school district from bell to bell. Exceptions may be made as follows:

1. Emergency use of cell phones or personal electronic devices by students during the school day. Emergency use includes situations where immediate communication is needed for safety. This includes, but is not limited to:

a. Medical Emergencies – Calling 911 or a parent if a student or someone nearby is having a severe health crisis (e.g., asthma attack, allergic reaction, seizure).; or

b. Natural Disasters or Lockdowns – Communicating with law enforcement or family during events like tornados, fires, lockdowns, or other emergencies affecting the school.

2. Use of cell phones or personal electronic devices by students who use them to monitor health issues. This includes, but is not limited to, glucose monitoring which may occur multiple times during the school day; or

3. Students with special needs may use cell phones or personal electronic devices during class time or during the school day if their IEP, Medical Plan, or 504 Plan explicitly requires it as assistive technology for medically or educationally necessary purposes. To qualify for this exception, the use must be listed as a documented accommodation necessary for instruction or communication within the student's IEP, Medical Plan, or 504 Plan.

"Bell to bell" means the time between the first bell ringing at the start of the school day to begin instructional time until the dismissal bell at the end of the school day to end instructional time.

"Personal electronic device" means a personal device capable of connecting to a smart phone, the Internet, or a cellular or Wi-Fi network, or directly connecting to another similar device. Personal electronic devices include, but are not limited to, smart watches, smart headphones, laptops, tablets, and smart glasses. Personal electronic devices shall not include school-issued or school approved devices that are specifically
limited for use in classroom instruction.

Students found to be using any personal electronic device for any illegal purpose, violation of privacy, or to in any way send or receive personal messages, data, or information that would contribute to or constitute cheating on tests or examinations shall be subject to discipline and the device may be confiscated by the administration of the school district. Any personal wireless communication device that is confiscated will be returned to the student at the end of the school day. Students violating this rule may be disallowed from carrying any wireless telecommunication device following the incident unless the device is utilized to monitor a health condition.

Students found to be in possession of or using a personal electronic device in violation of the rules shall be subject to disciplinary action under the student discipline policy. Punishment for violation will be determined by the administration on a case-by-case basis.

- A student is not counted absent while on change of placement provided they continue to work diligently in the virtual environment as assigned by the site administrator.

Behavior or Conduct that May Result in Suspension or Change of Placement

1. Violation of a school regulation (which includes but is not limited to any policy, rule, regulation, directive, etc.);
2. Possession of an intoxicating beverage, low-point beer, as defined by OKLA. STAT. tit.37, § 163.2
3. Missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities;
4. Possession of a dangerous weapon or a controlled dangerous substance while on or within two thousand (2,000) feet of public school property, or at a school event, as defined in the Uniform Controlled Dangerous Substances Act.

Possession of a firearm shall result in suspension as provided in the district's policy related to firearms.

5. Violent Acts Toward School Personnel: Any student in grades 6 through 12 found to have assaulted, attempted to cause physical bodily injury, or acted in a manner that could reasonably cause bodily injury to a school employee or person volunteering for the school shall be suspended for the remainder of the current semester and the next consecutive semester. For good cause and considering the totality of the circumstances, the district's superintendent or designee may modify the term of the suspension. Final action as to any such suspension, including its term, remains with the board of education or designated hearing officer, pursuant to a timely appeal.

Students suspended for a violent offense directed toward a classroom teacher shall not be allowed to return to the teacher's classroom without the teacher's prior approval. Whether an offense is considered a violent offense, requiring an affected teacher's approval as a condition of return to a particular classroom, shall be based on applicable provisions of the Oklahoma school law regarding student suspension and applicable Oklahoma criminal law distinguishing between violent and nonviolent offenses.

Students who are suspended or have their placement changed under categories 1 or 2 will be provided with an education plan as outlined below. No education plan will be required for students who are suspended under category 4.

District's Obligations Prior to Suspension or Change of Placement

Before the district recommends suspension or change of placement, other disciplinary options will be considered, including but not limited to: placement in an alternative school setting, reassignment to another classroom, and detention. The district will provide additional procedural safeguards as required by law for students identified as having disabilities under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act/Title II of the Americans with Disabilities Act.

Pre Conference with Student

When a student engages in behavior or conduct that may result in suspension or change of placement the principal ~~shall~~ may conduct an informal conference with the

student. Every effort will be made to have a pre-conference with the student. However, circumstances may exist that would prevent this meeting from happening in every situation.

At the conference the principal shall read the regulation that the student is charged with having violated and shall discuss the student's conduct. The student shall be asked whether he/she understands the regulation and be given a full opportunity to explain and discuss his/her conduct.

If the principal concludes that suspension or change of placement is appropriate, the student shall be advised of that decision. The principal shall immediately notify the parent by phone and in writing that the student is being suspended or having their placement changed and that other disciplinary options were considered and rejected. The written notice will state which alternative disciplinary options were considered and why they were rejected. Elementary and middle school students shall not be dismissed before the end of the school day without advance notice to the parent.

~~A student may be suspended or have placement changed without a pre-conference only in situations when the principal reasonably believes that the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or~~

~~would be a substantial disruption of the educational process. In such cases, a conference with the student and parent will be scheduled as soon as possible after the student has been removed from the building.~~

Conferences with Parents

The principal will seek to hold a conference with the parent as soon as possible after the suspension or change of placement has been imposed. The parent should be advised of his/her right to a conference with the principal at the time he/she is verbally notified that a suspension has been imposed. The conference will be held during the regular school hours, Monday through Friday, with consideration given whenever possible to the hours of working parents.

At the conference, the principal will read the regulation the student is charged with having violated and will briefly outline the student's conduct. The principal will also explain the reason for rejecting other disciplinary options. The parent should be asked

by the principal if he/she understands the regulation and the charges against the student.

At the conclusion of the conference the principal shall state whether he/she will terminate or modify the suspension or change of placement. In all cases, the parent will be advised of the right to appeal the suspension or change of placement.

Individualized Plans

Suspensions and changes of placement in excess of five (5) days shall include an Individualized Plan ("Plan") that shall describe either a home-based school work assignment setting or other appropriate work assignment setting. The Plan shall be prepared by the principal with the assistance of other school employees.

The Plan shall provide for the core units in which the student is enrolled. Core units shall consist of the minimum English, Mathematics, Science, Social Studies and Art units required by the Oklahoma State Department of Education for grade completion in grades kindergarten through eight and for high school graduation in grades nine through twelve.

A copy of the Plan shall be provided to the student and parent. The parent shall be responsible for providing a supervised, structured environment monitoring the student's educational progress until the student is readmitted into school. The Plan shall set out the procedure for education and shall also address academic credit for work satisfactorily completed.

Records

The principal will keep written records of each conference. The records will contain

the date of the conference, names of participants, time and duration of the conference, and the basis for rejecting alternative disciplinary options. The principal shall also maintain records related to the Plan and the student and/or parent's compliance with the Plan.

Suspension and Change of Placement Terms

All suspensions and changes of placement will have a definite start and end date. The term may be reduced if a student performs a specified remedial act if those conditions are agreed to at the time of the suspension or change of placement. Term lengths will be as consistent as possible between students considering the nature of the conduct and the previous disciplinary history of the student.

Long-term suspensions and changes of placement are those in excess of ten (10) school days. Suspensions and changes of placement will not extend beyond the current school semester and succeeding semester, except in the case of possession of a firearm, in which case a suspension shall be for a period of not less than one (1) calendar year. Suspensions involving firearms are governed by the school district's Gun-Free Schools Student Suspension policy.

Short-term suspensions are those suspensions of ten (10) or fewer school days.

Short-Term Suspension Appeals (10 or fewer days)

A parent or student may appeal the suspension decision to a site committee. The principal shall inform the parent/student of the right to appeal the suspension and the method for appealing.

An appeal must be presented, electronically or in writing, to the principal within three (3) days (excluding days when school is not in session) after the parent/student receives the principal's decision. If the principal does not receive a written appeal within three (3) days (excluding days when school is not in session) of the decision, the principal's suspension decision is final. The principal shall assemble a committee within three (3) days (excluding days when school is not in session) of receiving the parents request to appeal and that committee shall consist of the following members.

- A principal or assistant principal from a different school.
- A teacher of the student's choice.
- A teacher from the same site who has not had the student in class.

During the time of the appeal the student will be placed in In-House Suspension and the days spent in In-House Suspension will not count towards days of suspension.

Long-Term Suspension or Change of Placement Appeals

Site Level - 1st Level of Appeal

A parent or student may appeal the suspension or change of placement decision to a site committee. The principal shall inform the parent/student of the right to appeal the suspension or change of placement and the method for appealing.

An appeal must be presented, electronically or in writing, to the principal within five (5) days (excluding days when school is not in session) after the parent/student receives the principal's decision. If the principal does not receive a written appeal within three (3) days (excluding days when school is not in session) of the decision, the principal's decision is final. The principal shall assemble a committee within five (5) days (excluding days when school is not in session) of receiving the parents request to appeal and that committee shall consist of the following members.

- A principal or assistant principal from a different school.
- A teacher of the student's choice.
- A teacher from the same site who has not had the student in class.

During the time of the appeal, the student will be placed in In-House Suspension and the days spent in In House Suspension will not count towards days of suspension or change of placement.

District Level - 2nd Level of Appeal

In the event the complainant does not accept the decision of the review committee, he/she may appeal to the Assistant Superintendent of Teaching and Learning, who will assemble a 5 person committee of district level administrators.. The request to appeal must be received by the Assistant Superintendent of Teaching and Learning within 5 days (excluding days when school is not in session) after the parent receives the decision from the site-level committee. If the request is not received within this time-frame, the site-level committee decision is final.

In the event the complainant does not accept the decision of the Assistant Superintendent of Teaching and Learning, he/she may appeal to the Owasso Board of Education, within 5 days (excluding days when school is not in session) of receiving the decision from the assistant superintendent.

Board of Education or Designated Hearing Officer - 3rd Level of Appeal

An appeal must be presented, electronically or in writing, to the superintendent within five (5) days (excluding days when school is not in session) days after the parent/student receives the assistant superintendent's decision. If the superintendent does not receive a written appeal within five (5) days (excluding days when school is not in session) of the assistant superintendent's decision, the assistant superintendent's decision is final.

If the board receives a timely written appeal request, the board or an appointed hearing officer, will hear the appeal as soon as possible. This decision is final and non-appealable.

Board Hearing Procedures

The parent/student will be notified in writing of the date, time and place of the hearing and will have the right to choose an "open" or "closed" hearing. Reasonable efforts will be made to accommodate the work schedule of parents. The following procedures will be followed:

1. The board president or the appointed hearing officer should:
    a. Announce that the next agenda item is a suspension or change of placement review hearing.
    b. Ask whether the parent/student wants the hearing to be open to the public or in executive session. The offer of an open hearing and the response is to be made a part of the minutes of the meeting. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.
2. The board president or hearing officer should advise the parent/student:
    a. That they are entitled to legal counsel, if they desire it.
    b. That the administration will present its witnesses first and that after each witness the parents or their legal counsel will be given an opportunity to cross-examine.
    c. That the parent/student will be given an opportunity to call any relevant witnesses and present any relevant evidence, subject to cross-examination by the administration's legal counsel.

    d. That the board or its hearing officer will consider the evidence and documents and reach a decision that will be recorded by vote in open session.
    e. That the parent/student may ask any questions about the procedure.
3. Administration may call witnesses and present documents subject to cross-examination.
4. Parent/student may call any witnesses and present documents subject to cross-examination.
5. After each witness is presented board members or the hearing officer may ask the witness questions.
6. Parent/student's closing statement.
7. Administration's closing statement.
8. Deliberate in private. (If the hearing is not in executive session, the board or its hearing officer may deliberate in executive session only with permission of the parent/student.)
9. Return to open session and vote. After adopting a motion making certain findings of fact the board must make a motion to:
    a. affirm the suspension;
    b. modify the suspension or change of placement (increase or decrease severity of the suspension or change of placement)
    c. revoke the suspension or change of placement. If the hearing is before a hearing officer, no motions will be required as a part of the hearing process; otherwise, the hearing officer will have the same obligations as the board when rendering a decision.

Attendance at School Pending Appeal Hearing

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or would be a substantial disruption of the educational process. The days in "in-house" will not count toward the days of out of school suspension.

NEW Title IX grievance procedures policy# 1.22b

Owasso Public Schools
Title IX Grievance Procedures

Title IX Statement

Title IX prohibits discrimination on the basis of sex, including sexual harassment, in any program, service or activity, including but not limited to, educational programs or activities, student services, academic counseling, discipline, classroom assignment, grading, extra-curricular activities and transportation services by the Owasso Public Schools (OPS). Title IX also prohibits sex discrimination in employment.

Owasso Public Schools encourages anyone who believes a Title IX violation may have occurred to report their concerns to an OPS employee or staff member assigned to work at or on behalf of OPS or the Title IX coordinator who is identified below.

Title IX Coordinator
(for questions or complaints based on sex, pregnancy, gender, gender expression or identity)
Assistant Superintendent of Teaching and Learning
1501 North Ash
Owasso, Oklahoma 74055
Office Number: (918) 272-8182
titleixofficer@owassops.org

Definitions
“Grievant” means the person who is alleged to be the victim of conduct that could constitute sexual harassment.

“Respondent” means the person who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

“District employees or staff members” means the employees and staff members assigned to work at or on behalf of the district pursuant to a written agreement.

“Third parties” include, but are not limited to, guests and/or visitors, visiting speakers, parents, guardians, learning coaches, vendors or contractors doing business with or seeking to do business with the District and other individuals who come into contact with students or District employees or staff members at school-related events/activities.

“Sexual harassment” is a type of harassment which includes unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature which:

- is made an explicit or implicit term or condition of an employee's employment or a student's ability to obtain an education; or
- is used as a basis for decisions impacting either an employee's employment or a student's education; or
- has the purpose or effect of unreasonably or substantially interfering with an employee's work performance or a student's educational performance, or creating an intimidating, hostile, or offensive environment.
- Sexual assault (as defined in the Cleary Act, 20 U.S.C. 1092(f)(6)(a)(v)), dating violence, domestic violence or stalking (as defined in the Violence Against Women Act, 34 U.S.C.12291)

In order to constitute sexual harassment, the conduct at issue must be unwelcome. Sexual conduct between minor students and employees will always be considered unwelcome. Sexual harassment also includes conduct such as rape, sexual assault, stalking, and any other form of sexual violence.

Sexual harassment may occur between persons of the same gender or sex.

"Formal Complaint" is defined as a document filed by the Grievant or signed by the Title IX coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the allegation(s) of sexual harassment.

Grievance Procedures

These Grievance Procedures are intended to treat Grievants and Respondents equitably by providing remedies to a Grievant if a Respondent is found responsible, and by following the proscribed grievance process before imposing discipline on a Respondent. The Grievance Procedure seeks to ensure objective evaluation of all relevant evidence, including inculpatory and exculpatory evidence. Individuals involved in the Grievance Procedures – including Title IX coordinators, investigators, decision-makers, facilitators of informal resolution efforts and those involved in the appeal process – must be trained and not have any bias or conflict of interest.

Reporting and Filing a Formal Complaint

Any student or District employee or staff member who believes that they have been subjected to sexual harassment by a student, District board member, vendor, volunteer, contractor, or other person doing business with the District, should immediately report the behavior or communication to an District employee or staff member or a Title IX coordinator.

All district employees and staff members are expected to promptly report actual knowledge of sexual harassment they observe or hear about to the Title IX Coordinator or their direct supervisor.

Reports can be made orally or in writing and should be as specific as possible. The person making the report should identify the alleged victim/Grievant, perpetrator(s)/Respondent(s) and witness(es), and describe in detail what occurred, including date(s), time(s) and location(s).

Upon receipt of a report, the Title IX Coordinator or direct supervisor must promptly contact the Grievant to discuss the availability of supportive measures, consider the Grievant's wishes with respect to supportive measures, inform the Grievant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the Grievant the process for filing a formal complaint.

A Formal Complaint must be filed by a Grievant prior to the district proceeding with an investigation under its Title IX Grievance Procedure. A formal complaint may be filed by a Grievant in person, by mail, or electronic mail. A Title IX Coordinator may file a formal complaint, with or without the Grievant's consent.

Mandatory and Discretionary Dismissals

The district must dismiss a complaint:

- That does not describe the conduct that meets the definition of sexual harassment;
- That alleges sexual harassment that did not occur in the district's educational program or activity; or
- That alleges the sexual harassment did not occur in the United States at all.

The district may dismiss a complaint:

- If the Grievant notifies the Title IX coordinator in writing that the Grievant wishes to withdraw the formal complaint or some of its allegations;
- If the Respondent is no longer enrolled as a student in the district or employed by the district and assigned to work at or on behalf of the district; or
- If specific circumstances prevent the district from gathering evidence sufficient to reach a determination about the allegations.

If the district dismisses a complaint, or any allegations, pursuant to the above, it will send a written notice of dismissal and the reason(s) to the parties. Both parties have the right to appeal the district dismissal as described in more detail below under "Right to Appeal."

Informal Resolution Process

If appropriate as determined by the Title IX coordinator, the Grievant and the Respondent may voluntarily agree to participate in an informal resolution process that does not involve a full investigation and determination. Prior to the informal resolution process commencing, both parties will receive written notice of the charges and allegations and will be advised of their option to engage in a formal resolution process. The Grievant will not be required to resolve the problem directly with the Respondent, and either party has the right to end the informal process at any time and begin the formal process for investigating the complaint. The district prohibits the informal resolution process for complaints involving a district employee or staff member assigned to work at or on behalf of the district and a student. The informal process should be completed on or before thirty (30) days after the complaint is filed.

Formal Resolution Process

If the parties choose not to engage in the informal resolution process or choose to stop the informal resolution process at any time, the district will conduct a prompt and full investigation into any formal Title IX complaint. An investigation will afford both the Grievant and the Respondent a full and fair opportunity to be heard, submit documentation and evidence supporting or refuting the allegation(s), and identify witnesses. All parties involved in the investigation will be provided with a copy of these Title IX Grievance Procedures.

When the district begins the investigation a written notice will be provided to the parties containing:

- A copy of the district's Policy and Grievance Procedure under Title IX;
- Whether there is an opportunity to engage in informal resolution;
- The actual allegations that would constitute sexual harassment;
- A statement that the Respondent is presumed innocent;
- A statement that the parties are entitled to an advisor of their choice;
- A statement that the parties can request to inspect and review certain evidence; and
- Information regarding possible repercussions of making false statements.

Investigations may be conducted by the appropriate Title IX coordinator or designee, such as a principal or other administrator who has been trained in Title IX procedures and does not have a conflict of interest or bias towards either party. The district reserves the right to obtain or consult with a third-party investigator or resource at any time during the Grievance Procedures.

Prior to and during the investigation process, the Title IX coordinator or designee will meet independently with the Grievant and the Respondent and discuss any supportive measures to be implemented before or during the investigation.

Retaliation Prohibited

At the beginning of the investigation, the Title IX coordinator or investigator will explain that Title IX includes protections against retaliation and that the district will take steps to prevent retaliation and that the district will strongly react to any retaliatory actions, including any acts of retaliatory harassment, should they occur. No student, parent/guardian, district employee or staff member, or member of the public shall be retaliated against for filing a complaint or participating in the investigation of the complaint.

Respondent Presumed Innocent

During an investigation, the Respondent is presumed to be innocent.

Investigation Procedure

Investigations must begin promptly, proceed impartially, and treat all parties equitably. This includes providing both parties an opportunity to present witnesses and other evidence. The investigation will be concluded within thirty (30) calendar days but no more than sixty (60) days after a formal complaint is filed, unless there is good cause to continue the investigation beyond sixty (60) days (e.g. law enforcement activities, absence of a party or witness, absence of a party's advisor of choice or the need to provide language assistance or accommodations of disabilities).

Supportive Measures

Upon request of a party, or on its own initiative, the district may implement supportive measures prior to or during the investigation of a formal complaint. Supportive measures are free measures designed to restore or preserve equal access to education, protect safety, or deter sexual harassment. Supportive measures support Grievant/Respondent and are not punitive or disciplinary with respect to the Grievant or Respondent. They do not unreasonably burden any other person. Supportive measures include, but are not limited to, counseling, extensions of time, modifications of work or class schedules, appropriate emotional and/or academic support, restrictions on contact between the parties, leaves of absences, and increased monitoring and support. In fairly assessing the need for either party to receive interim measures, the district will not rely on fixed rules or any assumptions that favor one party over another. Supportive measures will be made available to both parties, as appropriate. In imposing supportive measures, the Title IX coordinator or designee will make every effort to avoid depriving any student of his/her education. The Title IX coordinator or designee will communicate with the parties to ensure any supportive measures are necessary and effective based on the parties' needs.

Determination of Investigation

The district shall take reasonable, timely, age-appropriate and effective corrective action, if warranted, based upon the situation and nature of the complaint. Appropriate corrective action may include reassignment, increased supervision, counseling, academic support services, additional training for students and staff, safety plan, behavioral support plan and/or disciplinary action under the district's policies and procedures which include suspension, permanent expulsion, and termination. Restorative practices will also be considered in any circumstance involving disciplinary action. The investigator's findings will be documented in a preliminary report and shared with the Grievant, Respondent and their advisors, if any. The parties will have at least ten (10) calendar days to review the preliminary report and submit a response in writing. Prior to finalizing the report, the investigator shall consider the parties' written responses to the preliminary report, if any. The investigation report will then be finalized and forwarded to the decision-maker, the parties and their advisors, if any. The decision-maker cannot be the investigator, Title IX Officer or have any conflict of interest or bias with either party

The decision-maker, prior to any final decision, shall afford the parties an additional (10) calendar days to submit relevant, written questions to the opposing party or any witnesses. The decision-maker shall ask any relevant questions, record the response(s) and provide the responses to the parties (and their advisors, if any) prior to making a final determination. If the decision-maker deems a question irrelevant, he/she shall state in writing why the question is not relevant and provide the reason(s) to the parties (and advisors, if any) before the final decision is made.

The decision-maker shall issue a written decision and deliver it simultaneously to both parties. The written decision must include:

- The portion of the district's policies that was violated;
- A description of the procedural steps that were taken by the district on the way to getting to the decision;
- A findings of fact section;
- A section that draws conclusions after applying the facts to the portion of the district's policy that applies;
- A statement and rationale for the ultimate determination of responsibility;
- A statement and rationale for any remedies for the Grievant, addressing how those remedies will restore or preserve equal access; and
- A statement of the district's procedures, a statement that the parties have a right to appeal the initial determination regarding responsibility and the permissible basis for the appeal.

Right to Appeal

Both parties shall be provided notice of right to appeal the final determination based on: (1) a procedural irregularity affected the outcome of the matter; (2) new evidence has been discovered that was not reasonably available at the time of the determination on responsibility or dismissal; or (3) a conflict of interest on the part of the Title IX coordinator, an investigator who compiled evidence, or a decision-maker, and the conflict of interest affected the outcome.

If a party intends to file an appeal, they must submit the appeal in writing to the superintendent within five (5) days following the date of the final decision.

The opposing party shall be provided with a copy of the written appeal and given an opportunity to submit a response, which will be provided to the superintendent.

The superintendent shall review the written appeal and any response and issue a written determination within ten (10) days of the receipt of the appeal, which will be delivered to both parties.

~~If~~ The Grievant or Respondent ~~is not happy with the decision, they must notify the superintendent, in writing, within 5 days, and request an appeal to the board of education.~~ may

appeal the superintendent's decision to the Board of Education by notifying the superintendent in writing within 5 days of receiving the superintendent's decision for one of the following three reasons: (1) a procedural irregularity affected the outcome of the matter; (2) new evidence has been discovered that was not reasonably available at the time of the determination on responsibility or dismissal; or (3) a conflict of interest on the part of the Title IX coordinator, an investigator who compiled evidence, or a decision-maker, and the conflict of interest affected the outcome.The written appeal shall contain a specific statement explaining the basis of the appeal.

The superintendent will notify the board of education, in writing, within 5 days after receiving the appeal. The clerk will place the appeal on a board agenda within 30 days from the date of notification to the board of education.

The board will act as an appellate body by reviewing the decisions and the oral and written evidence presented ~~below and making~~ to make a decision. At the board meeting, the board may ask for oral or written evidence from the parties and any other individual it deems relevant. Within 5 days of the meeting, the board will issue a final decision in writing to all parties involved.

The district board of education's decision shall be final.

Training

Individuals involved in the Grievance Procedure – Title IX coordinators, investigators, decision-makers or facilitators of informal, voluntary resolution efforts must be trained. The training materials will not rely on sex stereotypes, will promote impartial investigations and adjudications and be posted on the district's website. All other district employees and staff members assigned to work at or on behalf of the district shall be trained on how to identify and report sexual harassment.

Privileges

No information protected by a legal privilege, such as the attorney-client privilege or the doctor-patient privilege, can be used during an investigation unless the person holding that privilege has waived it. Neither a party or the district is allowed to seek, permit questions about, or allow the introduction of evidence that is protected by a recognized privilege.

ARRIVAL/DISMISSAL PROCEDURES

Doors open at 8:45 a.m. for student arrival. The elementary school day begins at 9:00 a.m. and ends at 3:45 p.m.

ELEMENTARY SCHEDULE GRADES PreK-5

- **ARRIVAL**: After students arrive at school they are not permitted to leave school property during school hours, except in the company of the adult guardian.
- **EARLY DISMISSAL:** If it becomes necessary for you to pick up your child before regular school dismissal, go to the office to sign out your child. Early dismissals will be counted as a tardy or absence depending on the time of day. No student will be dismissed from the classroom until the teacher receives appropriate notification. Only persons listed in PowerSchool will be allowed to pick up a child. This is a protective measure both for your child and school personnel.
- **PUNCTUALITY:** It is important for students to arrive at school **on time**, so the class can begin promptly. If children arrive late, they start the day already behind in their instructional day . It can also be a disruption to the teaching/learning process.
- **DISMISSAL:** Dismissal procedures are specific to each school site. Please make arrangements with your child regarding their after school plans for transportation. If there is a change to your child's transportation or dismissal plans, please call the school office and communicate those plans by 2:00 p.m.

ASSIGNMENTS

MAKE-UP WORK

1. When a student is absent longer than two (2) days, the parent may call the school to request assignments on the third day.
2. When students are absent, they have the number of school days they were absent plus one school day to complete assignments. (Example: If a student is absent 3 days, the student has 4 days to complete the homework.) POLICY 5.03

ATTENDANCE MATTERS

Encouraging regular attendance is one of the most powerful ways you can prepare your child for success in school. When school attendance is a priority, children get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating high school. When students are absent for fewer days, their grades and reading skills often improve. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. Regular attendance at school is required by state law. Under school law, parents are responsible for their child's attendance until graduation from high school or the age of 18. When students are absent just two days per month - even when the absences are excused - it can have a negative impact. **This adds up to being absent 18 times during the year, which is considered chronically absent. Over the course of a student's school career, this equals 234 days, which is almost 1 ½ years of school missed.**

EDITS

"A student who is absent from instruction without excuse for ten (10) consecutive days is to be recorded as absent each day. On day eleven (11), the pupil is to be exited from the roll" Okla. Admin. Code § 210:10-1-5. Re-enrollment will be required if the student returns to the district.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child's absences, whether they're physical or emotional, and taking advantage of support services, such as tutoring and student mentoring, we can partner with you to set your child on the path to success.

ATTENDANCE PROCEDURES/POLICY

Pre-K instructional time is equal to 2.5 hours for the morning and 2.5 hours for the afternoon. Please go to your school's web page for specific starting and ending times.

- If your child is absent from school, please call the attendance number of your child's school to report the absence between 8:15 a.m. and 9:30 a.m. each day he/she is absent.
- Half-Day: In order for a student to be credited for a half-day of attendance, a student must be in attendance two of the first three hours of the school day to be recorded present for one-half day. Likewise, a student must be in attendance two of the final three hours to be recorded present for one-half day. (Per Accreditation of Oklahoma Schools)
- If an absence is anticipated, please notify the teachers and attendance office ahead of time. Parents who will be out of town and unable to contact the attendance office in case their student is absent must contact the attendance office before leaving town and designate the person/persons responsible for clearing their student's absence notifying the school of the student's absence while they are unavailable.
- Any student who is not at school will be charged with an absence, whether it is excused or unexcused. An absence is considered unexcused until a parent calls the attendance office.
- Excessive tardiness causes students to miss out on valuable instruction. Excessive tardies may result in consequences.
- Any child running a fever is not permitted to be at school. **Children MUST be fever free for 24 hours without the aid of fever reducing medication before returning to school.**
- Scheduled medical appointments will be viewed as excused tardies with a note showing verification from a medical professional. **Early dismissal will be considered unexcused unless written documentation is provided from the appointment.**
- Parents of students who have excessive absences will be notified.
- In the event of absences occurring due to a chronic or recurring illness, documentation by the student's doctor indicating the nature of the chronic or recurring condition, including diagnosis is required, per POLICY 5.03

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take

appropriate action. Students may make a report and all information will be confidential, and if you wish you have the right to submit the report anonymously. Visit the Bullying Prevention page on the OPS website for more guidance, reporting, and resources.

PROHIBITING HARASSMENT, INTIMIDATION AND BULLYING POLICY 5.13

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act"). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person should recognize will:

B. Damage another student's property;
C. Place another student in reasonable fear or harm to the student's property, or
D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of a student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act of placing a student in "reasonable" fear or harm, staff will determine "reasonableness" not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

EDITS

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or
ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that
adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual

harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also POLICY 1.43)

Student Reporting
Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's web page.

Staff Reporting
An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities
Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures
In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

5. Referral to counselor
6. Behavioral contract

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

BED BUGS GUIDELINES

While inconvenient and a nuisance, bed bugs do not cause disease and can be effectively eradicated. A diagnosis of bed bug bites or exposure should not disrupt the educational process.

Upon discovering bed bugs, known exposure or a suspected bite, a child's parent should be notified by the nurse and treatment options discussed. It is not necessary or effective to do school-wide or classroom-wide checks. Anyone that has had known close contact may be checked as well. The ultimate responsibility for bed bug checks, treatment and control lies with the parents. Children who have known bed bug exposure and/or bites can be checked at the nurse's discretion or if a parent requests. The school nurse's goals are to facilitate an accurate assessment of the problem, provide appropriate resources for treatment and prevention, and minimize school absences. References: National Association of School Nurses (NASN); Center for Disease Control (CDC).

MEDICATION

Except for provisions allowed in the district Medication Administration Policy, **students may not retain possession of or self-administer any medication.** Student's requiring medication at school must report to the School Nurse's office for appropriate paperwork and storage of medication. **Narcotic medication will not be stored or administered at school by school personnel.** The Medication Administration Policy is available in the Nurse's office and on the school website. **Violation of this policy may result in discipline, including out of school suspension.** POLICY 5.01

MENINGITIS INFORMATION

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called Neisseria meningitis. The disease causes either meningitis, severe swelling of the brain and spinal cord or meningococcemia, a serious infection of the blood.

Vaccines can prevent many types of meningococcal disease, but not all types. This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing. For more information, contact your healthcare provider, local county health department or visit the National Meningitis Association website at www.nmaus.org. Please refer to the following Owasso Public School website link for more information about Meningitis. OPS Health Services/Meningitis

If a report of an incident needs to be made after normal school hours, the above-listed individuals may be contacted at home. It is preferred that all such reports be made in person or in writing signed by the reporting party. However, in order to encourage full, complete, and immediate reporting of such prohibited activities, any person may report such incidents in writing and anonymously by mailing such reports to the personal attention of any of the above-designated persons. All such reports should state the name of the alleged harassing student, employee, or Board member, the person(s) being harassed, the nature, contacts and extent of the prohibited activity, the dates of the prohibited activity, and any other information necessary to a full report and investigation of the matter. The School District will investigate all reports.

Participation in the school's extracurricular activities is a privilege, not a right. When a student's behavior results in an out-of-school suspension, Change of Placement (COP), or In-School Placement (ISP), the student immediately (notwithstanding the filing of an appeal) forfeits the privilege of participating in all extracurricular activities of the school. In addition, when the principal determines to impose alternative in-school placement or other correctional measures against a student, the student will not be permitted to participate in any extracurricular activities offered by the school during the term of the discipline unless, in the sole judgment of the principal, such participation is appropriate given the nature of the student's offense.

DUE PROCESS AND STUDENT SUSPENSIONS

Alternative in-school placement, detention, and similar disciplinary options or correctional measures are not considered by law to be out-of-school suspension and do not require or involve due process procedures.

Suspension and Change of Placement Terms

All suspensions and changes of placement will have a definite start and end date. The term may be reduced if a student performs a specified remedial act if those conditions are agreed to at the time of the suspension or change of placement. Term lengths will be as consistent as possible between students considering the nature of the conduct and the previous disciplinary history of the student.

Long-term suspensions and changes of placement are those in excess of ten (10) school days. Suspensions and changes of placement will not extend beyond the current school semester and succeeding semester, except in the case of possession of a firearm, in which case a suspension shall be for a period of not less than one (1) calendar year. Suspensions involving firearms are governed by the school district's Gun-Free Schools Student Suspension policy.

Short-term suspensions are those suspensions of ten (10) or fewer school days.

Short-Term Suspension Appeals (10 or fewer days)

A parent or student may appeal the suspension decision to a site committee. The principal shall inform the parent/student of the right to appeal the suspension and the method for appealing. An appeal must be presented, electronically or in writing, to the principal within three (3) days(excluding days when school is not in session) after the parent/student receives the principal's decision. - A principal or assistant principal from a different school.

District Level - 2nd Level of Appeal

In the event the complainant does not accept the decision of the review committee, he/she may appeal to the Assistant Superintendent of Teaching and Learning, who will assemble a 5 person committee of district level administrators.. The request to appeal must be received by the Assistant Superintendent of Teaching and Learning within 5 days (excluding days when school is not in session) after the parent receives the decision from the site-level committee. If the request is not received within this time-frame, the site-level committee decision is final. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.

2. The board president or hearing officer should advise the parent/student:

    a. That they are entitled to legal counsel, if they desire it.
    b. That the administration will present its witnesses first and that after each witness the parents or their legal counsel will be given an opportunity to cross-examine.
    c. That the parent/student will be given an opportunity to call any relevant witnesses and present any relevant evidence, subject to cross-examination by the administration's legal counsel.
    d. That the board or its hearing officer will consider the evidence and documents and reach a decision that will be recorded by vote in open session.
    e. That the parent/student may ask any questions about the procedure.

3. Administration may call witnesses and present documents subject to cross-examination.

4. Parent/student may call any witnesses and present documents subject to cross-examination.

Attendance at School Pending Appeal Hearing

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or would be a substantial disruption of the educational process. The days in "in-house" will not count toward the days of out of school suspension.

The district has adopted grievance procedures for filing, processing, and resolving alleged discrimination complaints. Those procedures can be viewed in the Owasso Public Schools Policy Manual, Policy #1.22. To report information about conduct that may constitute sex discrimination or make a complaint of sex discrimination under Title IX, please visit the district's Title IX webpage.

The goal of this handbook is to inform parents and students of school guidelines. In addition, a goal of this handbook and all school rules is to help foster fully capable, independent, young adults. We know that goal requires the support of parents and we welcome that partnership.

ATTENDANCE

ARRIVAL AT SCHOOL

Students should not arrive at school until after 7:10 a.m. The building will not be open before then. Students are to be seated in the designated areas until dismissed by the duty teachers. Classes begin at 8:00 a.m. and end at 2:45 p.m. Once at school, students may not leave campus unless checked out by a parent/guardian.

ATTENDANCE MATTERS

Encouraging regular attendance is one of the most powerful ways you can prepare your child for success in school. When school attendance is a priority, children get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating high school. When students are absent for fewer days, their grades and reading skills often improve. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. Regular attendance at school is required by state law and encouraged by the Owasso Public School District. Under school law, parents are responsible for their child's attendance until graduation from high school or the age of 18. When students are absent just two days per month - even when the absences are excused - it can have a negative impact. This adds up to being absent 18 times during the year, which is considered chronically absent. Over the course of a student's school career, this adds up to 234 days, which is almost 1 ½ years of school missed.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child's absences, whether they're physical or emotional, and taking advantage of support services, such as free tutoring, student mentoring and after school activities, we can partner with you to set your child on the path to success.

ATTENDANCE PROCEDURES/POLICY

1. Anytime a student is absent from school, a parent/guardian should call the school office for each day the student is absent. Any student who is absent is considered unexcused until a parent/guardian calls the attendance office.
2. In the event of absences occurring due to a chronic or recurring illness, documentation by the student's doctor indicating the nature of the chronic or recurring condition, including diagnosis is required, per POLICY **5.03**
3. Anytime a student arrives after 8:00 a.m. he/she must check in at the attendance office before going to class. A parent/guardian should call the attendance office to report the tardy.
4. Anytime a student arrives for first period after 8:10 a.m., it will be counted as an absence for first hour.
5. **The maximum number of days that a student may be absent and still receive high school credit for the semester is nine. The maximum includes BOTH excused and unexcused absences.** It does not include student activities.

6. Parents of students who have excessive absences will be notified in writing. Attendance is a priority for all Owasso Public School students.
7. There are two types of absences: excused and unexcused. School work missed because of an **excused** absence is to be made up by the student. It is the responsibility of the student to check with the teachers to see what work was missed and when it is due. A student going on a field trip, an activity trip, or must check before the trip with his/her teachers for his/her assignments. The student will receive full credit for the make-up work when it is turned in, on or before the specified time. For excused absences a student will receive a day for every day out. For a school activity, work is due on the due date or immediately upon return.
8. "A student who is absent from instruction without excuse for ten (10) consecutive days is to be recorded as absent each day. On day eleven (11), the pupil is to be exited from the roll" Okla. Admin. Code § 210:10-1-5. Re-enrollment will be required if the student returns to the district.

ATTENDANCE INCENTIVE – SEMESTER TEST EXEMPTIONS

All students are required to take each of their semester finals in the fall semester. Students may exempt Spring semester finals if they meet the following **FULL** year requirements. Classes for high school credit may require a semester test worth up to, but no more than 15% of the course grade.

1. 10 absences for the full year and an 85% in both semesters of the class.

The only type of absence that does not count against exemptions is the Student Activity (SA) absence. Students who are exempt are not required to come to school during the hour of that final.

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take appropriate action. Students may make a report and all information will be confidential, and if you wish you have the right to submit the report anonymously. Visit the Bullying Prevention page on the OPS website for more guidance, reporting, and resources.

PROHIBITING HARASSMENT, INTIMIDATION AND BULLYING POLICY 5.13

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act"). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with

assistance to overcome the negative effects of bullying.

The Owasso Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person should recognize will:

A. Harm another student;
B. Damage another student's property;
C. Place another student in reasonable fear or harm to the student's property, or
D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of a student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act of placing a student in "reasonable" fear or harm, staff will determine "reasonableness" not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching,

pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or
ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that
adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information

and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also POLICY 1.43)

Student Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's web page.

Staff Reporting
An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities
Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures
In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods,

nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency
13. Suspension
14. Change of Placement
15. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

~~Any and all electronic devices, including but not limited to cell phones, smart phones, tablets, laptops, smart watches, earbuds, or any other type of mobile electronic device, have a reduced expectation of privacy once they enter any school zone and may be subject to confiscation and/or search should a school violation be suspected. Possession and/or use of any personal electronic device is a privilege, not a right, that is extended to the student, which, at the discretion of the school, may be revoked should circumstances warrant and disciplinary consequences may occur. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on cell phones and mobile devices. POLICY 1.76 ,~~ For guidance on personal electronic devices, please refer directly to POLICY 5.31

CLOSED CAMPUS

Students will not be permitted to leave campus during lunch except when they are checked out by a parent/guardian. If lunch is delivered to a student, please make sure your student knows the lunch is being delivered and

ensure it arrives before lunch starts. Students will not be allowed to have food and/or drink items delivered to the school by third party vendors.

DIRECTORY INFORMATION

The school district proposes to designate the following personally identifiable information contained in a student's education record as "directory information”:

- Student’s Name
- Photograph
- Athletic Information, including height & weight
- Grade Level (i.e., first grade, tenth grade, etc.)
- Participation in officially recognized activities and sports
- Degrees, Honors, & Awards received

Within the first three weeks of each school year, the school district will publish the above list of directory information it proposes to designate as directory information for the school year. For students enrolling after the notice is published, the list will be given to the student's parent or the eligible student at the time and place of enrollment. Parents or eligible students have two weeks following this publication or notice to advise the school district in writing (a letter to the school superintendent's office) of any or all of the items they refuse to permit the district to designate as directory information about their student. POLICY 5.28

DRESS and GROOMING GUIDELINES

The school policies are the result of the cooperative effort of the school board and the administration. It is understandable that criteria be established to prohibit extreme styles and designs in clothing which might disrupt the education process or endanger the health and safety of pupils. The following dress and grooming policy applies at school, while on school vehicles, or going to or from or attending school events. **The principal and assistant principal have total authority in the interpretation of the dress code**. If situations arise that are not specifically covered in the guidelines, the administration will interpret the situation in light of the basic intent of the policy and that ruling will be final until such time that the policy is revised or changed to cover this situation.

D

1. Students will not wear clothes or accessories showing vulgar, profane, or obscene images, words, or numbers, or anything promoting tobacco, alcohol, drugs, or related items. Midriffs, halter tops, backless dresses, spaghetti strap shirts or dresses, and sleeveless garments resembling tank tops are not permitted. Clothing should not expose or display undergarments.
2. Shorts, skirts, dresses, and holes in pants should cover the upper to mid-thighs and should not expose undergarments.
3. All students are required to wear shoes. No exceptions except for medical reasons.
4. Students will not wear hats, caps, bandanas, stocking caps, or hoodies covering the head while in the building. Exceptions will be made for religious purposes, medical reasons and/or for special events.
5. Costumes and costume accessories are not permitted, except for specified school events or designated spirit weeks.
6. Writing on clothes, hands, or any other parts of the body is not permitted.

The staff and administration believe that good grooming, cleanliness and neatness are important for a good learning environment. Those who wear clothes that do not conform to the guidelines will not return to class until proper attire is attained and discipline may be assigned as deemed appropriate by administration.

DRUGS AND ALCOHOL

1. Illegal and illicit drugs and alcohol
    a. Use of illicit drugs and unlawful possession and use of alcohol is wrong and harmful. A drug detection dog is used randomly on campus. Students are prohibited from using, being under the influence of, possessing, furnishing, distributing, selling, conspiring to sell or possess or being in the chain of sale or distribution of alcoholic beverages, non-intoxication alcoholic beverages (as defined by Oklahoma law, i.e., 3.2 beer), illegal or illicit drugs (any amount), or other synthetic products used as mood-altering substances at school, while on school vehicles or at any school-sponsored event. "Illicit drugs" include steroids and prescription and over-the-counter medications being used for an abusive purpose, i.e., when they are not used in compliance with the prescription or directions for use and are not being used to treat a current health condition of the student. "Mood-altering substances" include paint, glue, aerosol sprays, and similar substances. Violation of this rule will result in imposition of disciplinary measures, which may include suspension for the remainder of the current semester and the following semester. The length of a student suspension for violation of this rule may be shortened in some cases at the discretion of the building principal provided that:
        i. The suspended student completes the school drug and alcohol education program counseling and
        ii. The student is in good academic standing

    b. Student violation of this rule which also constitutes illegal conduct will be reported to law enforcement authorities. Drug testing policies and procedures are available in the nurse's office or online at the school's website.
2. Distribution of Information
    a. Information for students and their parents about drug and alcohol counseling and rehabilitation and reentry programs in this geographic area is available from the principal at each student's school.
    b. Copies of these rules shall be provided to all students and their parents at the beginning of each school year.

EARLY DISMISSAL

If it is necessary for a student to leave school before the end of the day, a verified parent/guardian must come into the office and sign the student out and the student must sign back in upon returning to school. Any student leaving campus without checking out through the office will be considered truant.

If a student should need an early dismissal with someone other than a parent/guardian, a parent/guardian must call the office, identify the person and give permission for them to pick up the student. In order to maintain student safety, notes cannot be accepted for early dismissals. Early

dismissals do NOT include lunch dismissals. Students checking out for lunch may only be signed out by those that are previously identified on InfoSnap. **Notes or calls will not be accepted for lunch dismissals**.

EMERGENCY PROCEDURES

FIRE DRILL PROCEDURES

- Each building is equipped with its own fire alarm signal and procedure.
- Students will know and use the proper exit from anywhere in the school building.
- Students will evacuate the building upon direction.
- Teachers will check rolls once clear of danger.
- Fire Drills are practiced on a regular basis.

TORNADO DRILL PROCEDURES

- Each building is equipped with its own tornado alarm signal and procedure.
- Students will 'duck and cover' in areas designated by the building principal.
- Tornado Drills are practiced on a regular basis.

SECURITY DRILLS

- Security drills are practiced on a regular basis.
    a. lockdown drills - security threat inside the building
    b. lockout drills - security threat outside the building

In the event of an emergency, parents or guardians are encouraged NOT to initially respond to the school during a crisis. This will allow city and school officials to assess the situation and activate the school's crisis plan. Should there be an emergency (national, local or school), **parents are asked to:**

- Cooperate with safety and school officials.
- Wait for notification of how and when to respond. This notification will come via the Owasso Public School's communication tools and local media. ***It is imperative that you refrain from using cell phones to contact your student as the overload will impair emergency personnel from performing their duties.***

EXTRACURRICULAR ACTIVITIES, CLUBS AND ORGANIZATIONS

Clubs and other organizations are offered on a voluntary basis. Wholehearted participation in these activities is encouraged. **In order to attend practice or participate in an extracurricular activity, a student must be in attendance three hours on the day of the activity. Failure to be in attendance will result in the student being withheld from the activity.** Students participating in school activities are subject to eligibility rules. **A student who is ineligible shall not be allowed to miss school or be approved to participate in any school activity, during the school day or after the school day.** Academics come first; passing grades take priority. In the instance where the school activity is a part of a performance-based class where participation in the activity is required for a grade, an alternative assignment may be used as a substitute for the missed school activity. Academic eligibility will be monitored on a weekly basis per Oklahoma Secondary School Activities Association guidelines. All

students participating in Oklahoma Secondary Schools Athletic Association (OSSAA) sanctioned activities are subject to all residency requirements. For complete details of these requirements and guidelines, go to: www.ossaa.com. All clubs are required to maintain a charter or constitution and to function in accordance with its guidelines. A student appealing a teacher's/sponsor's/coach's decision cannot participate in extracurricular activities until the appeal process has been completed. All students involved in competitive extracurricular activities will be subject to random drug testing. Parents must submit a signed consent form **before** participation. Students are not allowed to participate until the signed consent form is submitted. A list of organizations is provided on the OPS website.

FERPA

The Board of Education intends to comply with the Family Educational Rights and Privacy Act (FERPA). Questions regarding the district policy and FERPA may be directed to the principal at the school site or the Owasso Public School Education Service Center at 1501 N. Ash, 918-272-5367. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on student Records. POLICY 5.28

GUIDANCE AND COUNSELING PROGRAM

Our school counseling offices are available to support students in the areas of academic, career, social and personal issues. Students should sign up in the counseling office to see a counselor. The counselor will send for the student during the day as soon as possible. Crisis situations will be addressed immediately. Students, parents and teachers are encouraged to refer individual students to the counseling staff when they have a concern about the well-being of a particular student. Referrals for outside resources are made on an informal basis and are optional for students or parents. Small group counseling is utilized to address academic issues within the classroom. Mediation is available to students who are experiencing conflict with another student that has not reached a level requiring disciplinary action. Referrals to local counseling resources are available.

GRADING PRACTICE

- Our schools want to have strong communication with parents about their child's academic progress. We take that responsibility seriously.
- Parents have a right to be updated about their child's academic progress and Owasso Public Schools has provided various tools for that purpose.
- The electronic grade book is available to parents on-line, 24 hours a day, to accommodate a variety of schedules.
    - A parent will be able to see individual grades for each assignment as well as their child's average in each subject.
    - We encourage our teachers to take two grades a week in each subject but shorter weeks, holidays, or special projects may affect that expectation.
    - If there are challenges in accessing grades on-line, the office staff at their child's school is more than willing to help parents.
- Regular academic progress will be up to date on PowerSchool and shared with the parents on the following schedule:
    - Report of Progress (End of 1st Nine Weeks)

    - Report Card (End of 1st Semester)
    - Report of Progress (End of 3rd Nine Weeks)
    - Report Card (End of 2nd Semester)
- Classroom teachers will utilize parent conferences to visit face-to-face with parents to discuss their child's progress.
- Should communication about grades be needed by either the parent or the teacher, that can happen at any time during the school year.
- Teachers will respond as quickly as possible to parents, but the first priority is always serving the children in the classroom. Therefore, it may be the next day before a grading question is answered. A child's academic success is a team effort between home and school. We're serving students together!

GRADUATION REQUIREMENTS

A total of twenty-three units of credit must be earned during the four years of high school. The specific requirements for graduation are listed in the secondary course guide. A student receives .5 unit of credit for each semester that he/she receives a passing grade in a given subject for high school credit. See Course Guide

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called Neisseria meningitis. The disease causes either meningitis, severe swelling of the brain and spinal cord or meningococcemia, a serious infection of the blood.

Vaccines can prevent many types of meningococcal disease, but not all types. This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are

enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing. For more information, contact your healthcare provider, local county health department or visit the National Meningitis Association website at www.nmaus.org. Children may also establish residency if their attorney-in-fact is a resident of the district. Owasso Public Schools does not permit students to establish residency based on the affidavit of a person who has assumed permanent care and custody of the child under Okla. Stat. tit. 70 O.S. All such reports should state the name of the alleged harassing student, employee, or Board member, the person(s) being harassed, the nature, contacts and extent of the prohibited activity, the dates of the prohibited activity, and any other information necessary to a full report and investigation of the matter. The School District will investigate all reports.

The offer of an open hearing and the response is to be made a part of the minutes of the meeting. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.

2. The board president or hearing officer should advise the parent/student:

    a. That they are entitled to legal counsel, if they desire it.
    b. That the administration will present its witnesses first and that after each witness the parents or their legal counsel will be given an opportunity to cross-examine.
    c. That the parent/student will be given an opportunity to call any relevant witnesses and present any relevant evidence, subject to cross-examination by the administration's legal counsel.
    d. That the board or its hearing officer will consider the evidence and documents and reach a decision that will be recorded by vote in open session.
    e. That the parent/student may ask any questions about the procedure.

3. Administration may call witnesses and present documents subject to cross-examination.

4. Parent/student may call any witnesses and present documents subject to cross-examination.

5. After each witness is presented board members or the hearing officer may ask the witness questions.

6. Parent/student's closing statement.

7. Administration's closing statement.

8. Deliberate in private. (If the hearing is not in executive session, the board or its hearing officer may deliberate in executive session only with permission of the parent/student.)

Attendance at School Pending Appeal Hearing

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or would be a substantial disruption of the educational process. The days in "in-house" will not count toward the days of out of school suspension.

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take appropriate action. Students may make a report and all information will be confidential, and if you wish you have the right to submit the report anonymously. Visit the Bullying Prevention page on the OPS website for more guidance, reporting, and resources.

Prohibiting Harassment, Intimidation and Bullying: POLICY 5.13

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act"). The district intends to comply with the mandates of the Act and expect students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

    70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person

should recognize will:

A. Harm another student;

B. Damage another student's property;

C. Place another student in reasonable fear or harm to the student's property, or

D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of a student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act of placing a student in "reasonable" fear or harm, staff will determine "reasonableness" not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of

current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior

constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also policy 1.43)

Student Reporting
Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's web page.

Staff Reporting
An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities
Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents

will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures

In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior

Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

The goal of this handbook is to inform parents and students of school guidelines. In addition, a goal of this handbook and all school rules is to help foster fully capable, independent, young adults. We know that goal requires the support of parents, and we welcome that partnership.

ARRIVAL AT SCHOOL

Students should not arrive at school until after 7:10 a.m. The building will not be open before then. Students should report to specified areas. Classes begin at 8:00 a.m. and end at 2:45 p.m. Once at school, students may not leave campus unless checked out by a parent/guardian.

ATTENDANCE MATTERS

Encouraging regular attendance is one of the most powerful ways you can prepare your child for success in school. When school attendance is a priority, children get better grades, develop healthy life habits, avoid dangerous behaviors and have a better chance of graduating high school. When students are absent for fewer days, their grades and reading skills often improve. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. Regular attendance at school is required by state law and encouraged by the Owasso Public School District. Under school law, parents are responsible for their child's attendance until graduation from high school or the age of 18.

When students are absent just two days per month - even when the absences are excused - it can have a negative impact. This adds up to being absent 18 times during the year, which is considered chronically absent. Over the course of a student's school career, this is equal to 234 days, which is almost 1 ½ years of school missed.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child's absences, whether they're physical or emotional, and taking advantage of support services, such as free tutoring, student mentoring, and after school activities, we can partner with you to set your child on the path to success. POLICY 5.03

ATTENDANCE PROCEDURES/POLICY

1. Anytime a student is absent from school, please call the proper attendance office each day he/she is absent: **Notes will not be accepted**.
    1. OHS Seniors: 918.272.8092
    2. OHS Juniors: 918.272.8094
    3. OHS Sophomores: 918.274.3031
    4. OHS Freshmen: 918.274.3033
2. The student must report to the attendance office, make contact with a parent to clear the absence, and receive an admit slip to class. Consequences may be assigned for any uncleared absences. The absence is considered unexcused until a parent or guardian contacts the attendance office.
3. If an absence is anticipated, please clear the absence ahead of time with the teachers and attendance office. **Parents who will be out of town and unable to contact the attendance office in case their student is absent must contact the attendance office before leaving town and**

designate the person/persons responsible for clearing their student's absence while they are unavailable.

4. There are two types of absences: excused and unexcused. School work missed because of an **excused** absence is to be made up by the student. It is the responsibility of the student to check with the teachers to see what work was missed and when it is due. A student going on a field trip or activity trip must check before the trip with his/her teachers for his/her assignments. The student will receive full credit for the make-up work when it is turned in, on or before the specified time. For excused absence a student will receive a day for every day out. For a school activity, work is due on the due date or immediately upon return. When a student receives a truancy.
5. In the event of absences occurring due to a chronic or recurring illness, documentation by the student's doctor indicating the nature of the chronic or recurring condition is required, per policy 5.03
6. Anytime a student leaves campus after 8:00 a.m., he/she must check out through the attendance office. If a student leaves campus without checking out, he/she will be considered truant.
7. Anytime a student arrives after 8:00 a.m., he/she must check in with the attendance office. Failure to do this will result in a disciplinary action.
8. Anytime a student arrives for first period after 8:10 a.m., it will be counted as an absence for first hour.
9. Seniors and Juniors may use two days per semester to visit a college or armed service as a school activity. An official letter must be turned into the attendance office the day the student returns to school.
10. A student who does not have a parking permit must be signed out by a parent or guardian.
11. If a student is checked out during 4th hour, lunch is a part of 4th hour, he/she may receive an absence for 4th hour.
12. **The maximum number of days that a student may be absent and still receive credit for the semester is nine.** The maximum includes **BOTH** excused and unexcused absences. It does not include student activities.
13. "A student who is absent from instruction without excuse for ten (10) consecutive days is to be recorded as absent each day. On day eleven (11), the pupil is to be exited from the roll" Okla. Admin. Code § 210:10-1-5. Re-enrollment will be required if the student returns to the district.

ATTENDANCE NOTIFICATION

- As student absences accrue, a notification will be sent to inform parents of the number of absences per class period.
- On the tenth absence in a class, the student will lose credit in that class. A letter will be mailed home stating that the student has lost credit, due to attendance.
- If a student does lose credit, due to attendance, the parents/guardians may submit an appeal to an assistant principal, within 5 days after the last day of the semester. A decision will be made by the attendance appeals committee regarding the outstanding circumstances and determine if credit will be given for any/all classes.

ATTENDANCE INCENTIVE – SEMESTER TEST EXEMPTIONS

Classes for high school credit may require a semester test worth up to, but no more than 15% of the course grade. All students are required to take each of their semester finals in the fall semester. Students may exempt Spring semester finals if they meet the following **FULL** year requirements.

1. 10 absences for the full year and a 85% or above in both semesters of the class

The only type of absence that does not count against exemptions is the Student Activity (SA) and College Visit (CV) absences. Students who are exempt are not required to come to school during the hour of that final.

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take appropriate action. Students may make a report and all information will be confidential. You have the right to submit the report anonymously. Visit the Bullying Prevention page on the OPS website for more guidance, reporting, and resources.

PROHIBITING HARASSMENT, INTIMIDATION AND BULLYING POLICY 5.13

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act"). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person should recognize will:

A. Harm another student;

B. Damage another student's property;
C. Place another student in reasonable fear or harm to the student's property, or
D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of a student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act of placing a student in "reasonable" fear or harm, staff will determine "reasonableness" not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the

student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets

out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also POLICY 1.43)

Student Reporting
Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's web page.

Staff Reporting
An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities
Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should

encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures

In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency

13. Suspension

15. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

LUNCH PAYMENTS/CHARGES

Students should have funds in their accounts before they attempt to purchase a meal or a la carte items on their account. ~~CELL-PHONES/TELECOMMUNICATION DEVICES~~ PERSONAL ELECTRONIC DEVICES

~~The School District desires to provide a learning environment that is free from distraction. It is the student's responsibility to ensure that all electronic devices are not in use during class hours, unless directed by the teacher to use them for educational purposes. Any and all electronic devices, including but not limited to cell phones, smart phones, tablets, laptops, smart watches, earbuds, or any other type of mobile electronic device, have a reduced expectation of privacy once they enter any school zone and may be subject to confiscation and/or search should a school violation be suspected. Possession and/or use of any personal electronic device is a privilege, not a right, that is extended to the student, which, at the discretion of the school, may be revoked should circumstances warrant and disciplinary consequences may occur. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on cell phones and mobile devices. POLICY 1.76 ,~~ For guidance on personal electronic devices, please refer directly to POLICY 5.31

CLOSED CAMPUS POLICY

The campus at Owasso High School will be closed from the time a student arrives on campus until the end of the school day. **The parking lot will be off-limits to students during this time.** There are seven reasons for a student to be in the school parking lot during the day. Those reasons include:

1. **Students Arriving Late to School.** These students will report directly to the attendance office to check in. They will receive an admit and proceed to class.
2. **Students With an Early Dismissal.** These students must have an early dismissal pass signed by the attendance office.
3. **Students Arriving from Morning Tech.** These students must have their Tulsa Technology Center ID.
4. **Students Leaving for Afternoon Tech.** These students must have their Tulsa Technology Center ID.
5. **Students Involved in Sixth Hour Athletics.** These students may leave campus to report to their practice areas. If the practice area is on the HS campus students are not allowed to move their vehicles.
6. **Students Involved in Concurrent Enrollment.** These students may arrive late or leave early due to their concurrent schedule.

7. **Students Involved in Career Connections Program (Internship).** These students may arrive late or leave early due to their internship schedules.

Students are not permitted to arrive on campus and leave without permission. Likewise, students are not permitted to leave campus and return while waiting for their bus. Any other student in the parking lot during the school day will be in violation of the Closed Campus Policy. Whether the student has actually left the campus or not is irrelevant. Violation of this rule will be documented and disciplined.

CONCURRENT ENROLLMENT

Students interested in earning college credit while in high school should visit with the OHS college and career counselor. POLICY 5.35

DELIVERIES

Deliveries of items to students by parents/guardians can be brought to the main office with students either being called down to the office or items being delivered to students. Parents/guardians may be asked for their ID to confirm their relationship with the student. Students will not be allowed to have food and/or drink items delivered to the school by third party vendors.

DIRECTORY INFORMATION

The school district proposes to designate the following personally identifiable information contained in a student's education record as "directory information":

- Student's Name
- Photograph
- Athletic Information, including height and weight
- Grade Level (i.e., first grade, tenth grade, etc.)
- Participation in officially recognized activities and sports
- Degrees, Honors, & Awards received

Within the first three weeks of each school year, the school district will publish the above list of directory information it proposes to designate as directory information for the school year. For students enrolling after the notice is published, the list will be given to the student's parent or the eligible student at the time and place of enrollment. Parents or eligible students have two weeks following this publication or notice to advise the school district in writing (a letter to the school superintendent's office) of any or all of the items they refuse to permit the district to designate as directory information about their student. POLICY 5.28

DRESS AND GROOMING POLICIES

The school policies are the result of the cooperative effort of the school board and the administration. It is understandable that criteria be established to prohibit extreme styles and designs in clothing which might disrupt the education process or endanger the health and safety of pupils. The following dress and grooming policy applies at school, while on school vehicles, or going to or from or attending school events.

1. Students will not wear clothes or accessories showing vulgar, profane, or obscene images, words, or numbers, or anything promoting tobacco, alcohol, drugs, or related items.
2. Midriffs, halter tops, backless dresses, and sleeveless garments resembling tank tops are not permitted. Clothing should not expose or display undergarments.
3. Shorts, skirts, dresses, and holes in pants should cover the upper to mid-thighs and should not expose undergarments.
4. All students are required to wear shoes. No exceptions except for medical reasons.

The assistant principal and principal will have total authority in interpreting the dress code to all students. If there are situations that arise that are not specifically covered in this code, the administrator in charge will interpret the situation in light of the basic intent of this policy, and that ruling will be final until such time that the policy is revised or changed to cover that situation.

DRUGS AND ALCOHOL

Use of illicit drugs and unlawful possession and use of alcohol is wrong and harmful. A drug detection dog is used randomly on campus. Students are prohibited from using, being under the influence of, possessing, furnishing, distributing, selling, conspiring to sell or possess or being in the chain of sale or distribution of alcoholic beverages, non-intoxication alcoholic beverages (as defined by Oklahoma law, i.e., 3.2 beer), illegal or illicit drugs (any amount), or other synthetic products used as mood-altering substances at school, while on school vehicles or at any school-sponsored event. “Illicit drugs” include steroids, prescription and over-the-counter medications, marijuana, THC, and cannabis when they are not used in compliance with the prescription or directions for use and are not being used to treat a current health condition of the student. “Mood-altering substances” include paint, glue, aerosol sprays, and similar substances. Violation of this rule will result in disciplinary measures, which may include suspension and/or change of placement for the remainder of the current semester and the following semester. The length of a student suspension and/or change of placement for violation of this rule may be shortened in some cases at the discretion of the building principal provided that:

a. The student completes the school drug and alcohol education program counseling and
b. The student is in good academic standing

Students in violation of this rule which also constitutes illegal conduct will be reported to law enforcement authorities. Drug testing policies and procedures are available in the nurse’s office or online at the school’s website. Information for students and their parents about drug and alcohol counseling and rehabilitation and reentry programs in this geographic area is available from the principal at each student’s school.

EMERGENCY PROCEDURES

FIRE DRILL PROCEDURES

- Each building is equipped with its own fire alarm signal and procedure.
- Students will know and use the proper exit from anywhere in the school building.
- Students will evacuate the building upon direction.
- Teachers will check rolls once clear of danger.
- Fire Drills are practiced on a regular basis.

TORNADO DRILL PROCEDURES

- Each building is equipped with its own tornado alarm signal and procedure.

- Tornado Drills are practiced on a regular basis.

SECURITY DRILLS

- Security drills are practiced on a regular basis.
    a. lockdown drills - security threat inside the building
    b. lockout drills - security threat outside the building

In the event of an emergency, parents or guardians are encouraged NOT to initially respond to the school during a crisis. This will allow city and school officials to assess the situation and activate the school's crisis plan. Should there be an emergency (national, local or school), **parents are asked to:**

- Cooperate with safety and school officials.
- Wait for notification of how and when to respond. This notification will come via the Owasso Public School's communication tools and local media. ***It is imperative that you refrain from using cell phones to contact your student as the overload will impair emergency personnel from performing their duties.***

EXTRACURRICULAR ACTIVITIES, CLUBS AND ORGANIZATIONS

Clubs and other organizations are offered on a voluntary basis. Wholehearted participation in these activities is encouraged. **In order to attend practice or participate in an extracurricular activity, a student must be in attendance <u>three hours</u> on the day of the activity. Failure to be in attendance will result in the student being withheld from the activity.** Students participating in school activities are subject to eligibility rules. **A student who is ineligible shall not be allowed to miss school or be approved to participate in any school activity, during the school day or after the school day.** Academics come first; passing grades take priority. In the instance where the school activity is a part of a performance-based class where participation in the activity is required for a grade, an alternative assignment may be used as a substitute for the missed school activity. Academic eligibility will be monitored on a weekly basis per Oklahoma Secondary School Activities Association guidelines. All students participating in Oklahoma Secondary Schools Athletic Association (OSSAA) sanctioned activities are subject to all residency requirements. For complete details of these requirements and guidelines, go to: www.ossaa.com. All clubs are required to maintain a charter or constitution and to function in accordance with its guidelines. A student appealing a teacher's/sponsor's/coach's decision cannot

participate in extracurricular activities until the appeal process has been completed. All students involved in competitive extracurricular activities will be subject to random drug testing-5.27.
Parents must submit a signed consent form **before** participation. Students are not allowed to participate until the signed consent form is submitted. A list of organizations is provided on the OPS website.

FERPA

The Board of Education intends to comply with the Family Educational Rights and Privacy Act (FERPA). Questions regarding the district policy and FERPA may be directed to the principal at the school site or the Owasso Public School Education Service Center at 1501 N. Ash, 918-272-5367. GRADE CLASSIFICATION REQUIREMENTS

To be classified as a sophomore, a student must have earned a minimum of 4.5 units of credit at the beginning of the school year. To be classified as a junior, a student must have earned a minimum of 9.0 units at the beginning of the school year. To be classified as a senior, a student must have earned a minimum of 16.0 units at the beginning of the school year. See Course Guide

GRADING PRACTICE

- Our schools want to have strong communication with parents about their child's academic progress. We take that responsibility seriously.
- Parents have a right to be updated about their child's academic progress and Owasso Public Schools has provided various tools for that purpose.
- The electronic grade book is available to parents on-line, 24 hours a day, to accommodate a variety of schedules.
    - A parent will be able to see individual grades for each assignment as well as their child's average in each subject.
    - We encourage our teachers to take two grades a week in each subject but shorter weeks, holidays, or special projects may affect that expectation.
    - If there are challenges in accessing grades on-line, the office staff at their child's school is more than willing to help parents.
- Regular academic progress will be up to date on PowerSchool and shared with the parents on the following schedule:
    - Report of Progress (End of 1st Nine Weeks)
    - Report Card (End of 1st Semester)
    - Report of Progress (End of 3rd Nine Weeks)
    - Report Card (End of 2nd Semester)
- Classroom teachers will utilize parent conferences to visit face-to-face with parents to discuss their child's progress.
- Should communication about grades be needed by either the parent or the teacher, that can happen at any time during the school year.
- Teachers will respond as quickly as possible to parents, but the first priority is always serving the children in the classroom. Therefore, it may be the next day before a grading question is

answered. A child's academic success is a team effort between home and school. We're serving students together!

GRADUATION REQUIREMENTS

A total of twenty-three units of credit must be earned during the four years of high school. Senate Bill 1792 passed by the Oklahoma Legislature and effective July 1, 2006 requires all students to be automatically enrolled in the college preparatory graduation plan unless another plan is requested by a parent/guardian. Selection of the Core Curriculum Plan requires a signed notice from a parent/guardian. The specific requirements for the graduation plans are listed in the secondary course guide located on the Owasso High School webpage. Students must meet all graduation requirements as set forth by the State Department of Education in order to obtain an Owasso High School diploma. Students must be within one credit of meeting their graduation requirements in order to participate in commencement exercises. POLICY 5.34

GUIDANCE AND COUNSELING PROGRAM

The high school guidance and counseling offices are available to support students in the areas of academic, career, social and personal issues. Students should sign up in the counseling office to see a counselor. The counselor will send for the student during the day as soon as possible. Crisis situations will be addressed immediately. Students, parents and teachers are encouraged to refer individual students to the counseling staff when they have a concern about the well-being of a particular student. Referrals for outside resources are made on an informal basis and are optional for students or parents. Small group counseling is utilized to address academic issues within the classroom. Mediation is available to high school students who are experiencing conflict with another student that has not reached a level requiring disciplinary action. Referrals to local resources are available for pregnant/parenting teens to provide health education regarding maternal/child needs. Tobacco education and group counseling is available for students who have expressed concerns regarding substance use issues. Conflict resolution training is available to high school students who have violated Owasso High School's policy regarding threatening behavior and/or bullying for the first time.

MENINGITIS INFORMATION

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called Neisseria meningitis. The disease causes either meningitis, severe swelling of the brain and spinal cord or meningococcemia, a serious infection of the blood. Vaccines can prevent many types of meningococcal disease, but not all types. This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing. For more information, contact your healthcare provider, local county health department or visit the National Meningitis Association website at www.nmaus.org. MAKE-UP WORK

There are two types of absences: excused and unexcused. School work missed because of an **excused** absence is to be made up by the student. It is the responsibility of the student to check with the teachers to see what work was missed and when it is due. A student going on a field trip, an activity trip, or vacation must check before the trip with his/her teachers for his/her assignments. The student will receive up to full credit for the make-up work when it is turned in, on or before the specified time. For excused absence a student will receive a day for every day out. For a school activity, work is due on the due date or immediately upon return. When a student receives a truancy, there is to be no make-up work. POLICY 5.03

During the time of the appeal, the student will be placed in In-House Suspension and the days spent in In House Suspension will not count towards days of suspension or change of placement.

District Level - 2nd Level of Appeal

In the event the complainant does not accept the decision of the review committee, he/she may appeal to the Assistant Superintendent of Teaching and Learning, who will assemble a 5 person committee of district level administrators.. The request to appeal must be received by the Assistant Superintendent of Teaching and Learning within 5 days (excluding days when school is not in session) after the parent

receives the decision from the site-level committee. If the request is not received within this time-frame, the site-level committee decision is final. In the event the complainant does not accept the decision of the Assistant Superintendent of Teaching and Learning, he/she may appeal to the Owasso Board of Education, within 5 days (excluding days when school is not in session) of receiving the decision from the assistant superintendent.

Board of Education or Designated Hearing Officer - 3rd Level of Appeal

An appeal must be presented, electronically or in writing, to the superintendent within five (5) days (excluding days when school is not in session) days after the parent/student receives the assistant superintendent's decision. If the superintendent does not receive a written appeal within five (5) days (excluding days when school is not in session) of the assistant superintendent's decision, the assistant superintendent's decision is final. If the board receives a timely written appeal request, the board or an appointed hearing officer, will hear the appeal as soon as possible. This decision is final and non-appealable.

Board Hearing Procedures

The parent/student will be notified in writing of the date, time and place of the hearing and will have the right to choose an "open" or "closed" hearing. Reasonable efforts will be made to accommodate the work schedule of parents. The following procedures will be followed:

1. The board president or the appointed hearing officer should:

    a. Announce that the next agenda item is a suspension or change of placement review hearing.

    b. Ask whether the parent/student wants the hearing to be open to the public or in executive session. The offer of an open hearing and the response is to be made a part of the minutes of the meeting. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.

2. The board president or hearing officer should advise the parent/student:

    a. That they are entitled to legal counsel, if they desire it.
    b. That the administration will present its witnesses first and that after each witness the parents or their legal counsel will be given an opportunity to cross-examine.
    c. That the parent/student will be given an opportunity to call any relevant witnesses and present any relevant evidence, subject to cross-examination by the administration's legal counsel.
    d. That the board or its hearing officer will consider the evidence and documents and reach a decision that will be recorded by vote in open session.
    e. That the parent/student may ask any questions about the procedure.

3. Administration may call witnesses and present documents subject to cross-examination.

4. Parent/student may call any witnesses and present documents subject to cross-examination.

5. After each witness is presented board members or the hearing officer may ask the witness questions.

6. Parent/student's closing statement.

7. Administration's closing statement.

8. Deliberate in private. (If the hearing is not in executive session, the board or its hearing officer may deliberate in executive session only with permission of the parent/student.)

9. Return to open session and vote. After adopting a motion making certain findings of fact the board must make a motion to:

a. affirm the suspension;
b. modify the suspension or change of placement (increase or decrease severity of the suspension or change of placement)
c. revoke the suspension or change of placement. If the hearing is before a hearing officer, no motions will be required as a part of the hearing process; otherwise, the hearing officer will have the same obligations as the board when rendering a decision.

Attendance at School Pending Appeal Hearing

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or would be a substantial disruption of the educational process. The days in "in-house" will not count toward the days of out of school suspension.

Please refer to the following Owasso Public Schools Board of Education Policy links for more information on Student suspension and appeals process.

1.88 THERAPY DOGS IN SCHOOLS

The Board of Education supports the use of therapy dogs by certified school personnel or other qualified individuals (hereinafter referred to as "handler") for the benefit of its students, subject to the conditions of this policy:

A "therapy dog," as defined by this policy, is a dog that has been individually trained and certified to work with its handler to provide emotional support, well-being, or comfort to school district students. Therapy dogs are the personal property of the handler and are not owned by the District. Therapy dogs are not "service animals" as defined within the Americans with Disabilities Act. The use of service animals in the schools is governed by District Policy. Therapy dogs are meant to help all students and are not specifically identified as support for those students with documented disabilities. A Therapy dog Team is a dog handler and a therapy dog, both of which have been certified by a recognized ~~AKC/registered organization~~, specialized therapy dog training program, including Canine Good Citizen program certification.

Therapy Dog Standards and Requirements

The following requirements must be satisfied before a therapy dog will be allowed in school buildings or on school grounds:

1. Submission of Written Request. Application for use of a certified therapy dog by a District certified employee must be made to and approved by site administrator using the District approved form. Applications and necessary documentation will be kept on file at the school where the animal will work and must be submitted and approved annually by the site administrator.
2. Training, Registration and Identification. Only school therapy dogs that hold ~~the~~ current certification and passage of a specialized school therapy dog training program, including Canine Good Citizen program certification ~~title of American Kennel Club (AKC) Therapy Dog, or are registered/certified by one of the national therapy dog organizations certified by the AKC,~~ can be approved.
3. Health and Safety. The therapy dog must be clean, well groomed, in good health, housebroken, and immunized against diseases common to dogs. Proof of the therapy dog's current vaccinations and immunizations from a licensed veterinarian must be submitted at the time of the request to bring a therapy dog to school.

   The therapy dog must not pose a health or safety risk to any student, employee, or other person at school. Health risks include allergies. If any student or school employee assigned to a classroom in which a therapy dog is permitted suffers an allergic reaction to the therapy dog, the handler of the dog will be required to remove the animal to an alternative location designated by an administrator.
4. The use of a therapy dog on District property will be subject to a plan that will address introducing the animal to the school environment, any appropriate training for staff and

students in regards to interaction with the animal, and other activities or conditions deemed necessary to parents prior to the animal's initial visit.

5. The responsibility for the care and supervision of the therapy dog rests solely on the dog handler(s). Supervision and care of the therapy dog will not impede the staff member's ability to perform job duties or negatively impact the educational environment as determined by the site administrator.
6. Behavior Expectations and Control. Therapy dogs must be well behaved and have a temperament that is suitable for interaction with students and others in a public school. The therapy dog should not display any behavior infringing on the rights of others or disrupting the educational process. A therapy dog must be under the control of the handler through the use of a 4-5 foot leash. The handler shall only allow the therapy dog to be in areas in school buildings or on school property that are authorized by school administrators.
7. Supervision and Care of Therapy Dogs. The handler is solely responsible for the supervision and care of the therapy dog, including any feeding, exercising, and clean-up while the animal is in a school building or on school property. The school district is not responsible for providing any care, supervision, or assistance for a therapy dog.

Liability of Therapy Dog

Proof of Insurance and Liability. The policyholder of a therapy dog is solely responsible and liable for any damage to school property or injury to personnel, students, or others caused by the therapy dog. The policyholder must submit a copy of an insurance policy that provides liability coverage for the therapy dog while on school property.

Revocation of Therapy Dog

The District's approval of the use of the therapy dog on District property is subject to periodic review, revision, or revocation. The goal of the presence of a therapy dog is to positively enrich the learning environment. Any deviation from this will result in removal of the therapy dog from school property. A therapy dog may be excluded from school property and buildings if a school administrator determines that:

a. A handler does not have control of the therapy dog;
b. The therapy dog is not housebroken;
c. The therapy dog presents a direct and immediate threat to others in the school; or
d. The dog's presence otherwise interferes with the educational process.

Even if the above requirements are met, the District reserves the right to deny the use of a therapy dog in the schools.

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG allows member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with **broad insurance coverage through "A" rated insurance carriers and professional risk** management services. Over the past 23 years, OSIG's membership has grown to 539 and the program insures more than $30 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

> *"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools".*

The group purchases reinsurance from "A" rated carriers. OSIG's reinsurance providers are long term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your schools' property, your students, and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced insurance, risk management and the added value services you need to protect your schools' assets, your board, your staff and most importantly your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than $9 million to our members over the years as distributions. Surplus at year ended 6/30/24 was more than $7.8 million and our assets were more than $39 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share the operating results at our annual members meeting held each year.

The financial condition of an insurance interlocal should be of utmost importance to you when choosing an insurance partner for your district.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power with an intense focus on controlling member losses. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to $1,500,000,000 for property losses and $1,000,000 for liability claims in each and every occurrence subject to a $10M annual aggregate limit. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations, and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses, and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.
