TERMS AND CONDITIONS

1. **ENTIRE AGREEMENT:** This Agreement represents the full and complete understanding between DJ Connection and Owasso High School. This writing supersedes all prior and simultaneous agreements or understandings, either written or oral, between the parties. In the event that any party to this agreement wishes to alter or amend any of the terms set forth herein, such alterations must be set forth in a written document and signed by all relevant and necessary parties.

2. **CLIENT(S) CAPACITY TO CONTRACT:** Client(s) warrants that he/she is at least 18 years old and has the legal capacity to enter into a contract with DJ Connection

3. **RESERVATION:** The agreement of purchasing DJ Connection's services is binding for the Client(s) when the non-refundable 25% deposit has been made. A signed agreement with the non-refundable deposit binds DJ Connection to the agreed upon services. For the events that have the required deposit waived by DJ Connection, this Agreement becomes binding once signed by Owasso High School. The full balance is due 7 days before the event date if the deposit was waived. If the event is booked within 7 days before the event date, full balance is due at the time of booking.

4. **PAYMENT:** The Client(s) understands and agrees that the remaining amount is due 7 days prior to the event. Payment shall be made in the form of credit or debit card. Payment can be made by check if pre approved by DJ Connection. In the event of non-payment, DJ Connection retains the right to attempt collection through the courts. Owasso High School will be held responsible for all court fees, legal fees, and collection costs incurred by DJ Connection. A 3% penalty will incur at the end of each month the balance is not paid after the event date.

5. **TRAVEL:** Events less than 1 hour and 29 minutes drive time (one way) from the closest DJ Connection office will not be assessed a travel charge. Services requiring travel outside of this area will be charged at \$100 per hour up to 4 hours and 29 minutes. Any travel 4 hours and 30 minutes or more away will have a custom travel charge. i.e.: An event

- 0 minutes to 1 hour and 29 mins away would have \$0 travel charge
- 1 hour and 30 minutes - 2 hours and 29 minutes away would have a \$100 travel charge
- 2 hours and 30 minutes - 3 hours and 29 minutes away would have a \$200 travel charge
- 3 hours and 30 minutes - 4 hours and 29 minutes away would have a \$300 travel charge.
- Any travel over 4 hours and 30 minutes away is subject to a custom travel charge that may be more than the regular travel charge of \$100 per hour outside of 1 hour and 29 minutes away.

DJ Connection will use Google Maps to determine drive time.

6. **CANCELLATION:** This Agreement cannot be canceled except by mutual written consent of both Owasso High School and DJ Connection. Two-way email confirmation is acceptable from contracting parties to confirm such cancellation. If the Client(s) cancels prior to 7 days before the event, the deposit made previously will be issued as a credit with DJ Connection for a future event with DJ Connection. Credit may not be combined with promotions, discounts, any other discounted offers, or events that are already booked with DJ Connection. If the event is canceled within 1-7 days prior to the event, the deposit made will be forfeited and cannot be used as a credit for future events. If the event is canceled within 24 hours of the setup time of the event (setup time is based on the information listed in our system) the total amount is due and all funds paid are forfeited and cannot be used as a credit for any future events.

6.2 **ADD-ON CANCELLATION:** Any add-ons booked will require a non-refundable 25% deposit. The add-on deposit is not transferable to the DJ package or any other add-ons. If an add-on is canceled, the deposit for that add-on is forfeited.

6.3 **RESCHEDULING AND REBOOKING:** Any credit from a canceled event will have an expiration date of 2 years from the original event date on this contract. Price and availability for the new date may vary and no discounts will carry over to the new event. In the event that DJ Connection is booked out for the new date, there may be an option of bringing in a DJ from one of our other cities to cover your event. If this is needed the price may be substantially more than our regular package price. If the Client(s) chooses not to reschedule to the "booked out date" then the client may continue to use the credit for a future event within the 2 years from the original event date.

7. **EVENT PLANNING:** Owasso High School shall at all times have reasonable direction and supervision of the performance of services by the DJ at this event and Owasso High School expressly reserve the right to reasonably direct the manner, means, and details of the performance of the services by the DJ. DJ Connection will need to be notified if a coordinator has been given authority to make changes and adjustments on Owasso High School behalf. The DJ shall attempt to play Owasso High School's music requests in the time frame allotted but shall not be held responsible if certain selections are unavailable. Any explicit music requests will not be played. DJ Connection requires the advance submission of music requests and the timeline via the online portal. The due date for music selections and the timeline changes will be at the time of your finalizing call (which is usually 7-10 days) before your event. Any music requests or timeline changes after the finalizing call cannot and will not be guaranteed.

8. **SETUP REQUIREMENTS:** Owasso High School shall provide DJ Connection with safe and appropriate working conditions. This includes, but is not limited to, providing two (2) 120-volt outlets (3-prong grounded 15 to 20 amp each). A reliable power source must be within 25 feet of the set-up area. If a generator is needed (min of 3500 watts), it must be provided and managed by someone other than the DJ. Appropriate working conditions also include, providing a facility that completely covers and protects DJ Connection's equipment and the DJ from adverse weather conditions (i.e., snow, rain, and excessive winds). For wedding ceremonies and other outdoor events, DJ Connection requires (at the very minimum) a 10' x 10' (tailgate style pop up tent) if the event day weather forecast calls for anything more than a zero percent (0%) chance of rain, sleet, or snow on the event day. DJ reserves the right to discontinue music if DJ equipment can potentially be damaged by weather conditions. An electrical power source greater than 25 feet, but less than two-hundred (200) ft. in distance is acceptable as long as DJ Connection is informed at least five days in advance for the need to supply additional extension cords.

9. **EQUIPMENT MOVING:** The DJ may move the equipment 1 time during the event if needed but the tear down, transfer, and setup of the equipment will take about 30-45 minutes, sometimes more depending on the venue, and has a limited distance of 200 feet from the first setup location. Any additional equipment moves or moving more than 200 ft will result in the need for an Additional Setup Fee of \$250 or more based on the distance of travel between the two setups, payment will be due prior to setting up. Please note. Some venues may still require the Additional Setup Fee for moves under 200 feet due to extenuating circumstances, such as difficult terrain, limited access, or the use of a shared elevator for all guests and vendors.

10. **THIRD PARTY EQUIPMENT:** DJ Connection is not liable for results when using 3rd party devices including but not limited to phones, ipods, cds, house sound systems, or any music streaming from the internet during the event and Owasso High School waive any claims resulting therefrom.

11. **PERFORMANCE TIME:** The DJ's performance begins 30 minutes prior to the event start time. Unlimited Time Packages must end when:

- pre-approved end time is reached,
- the Client(s) or person in charge (such as coordinators or parents of the clients) verbally agrees to conclude the event before the pre-approved end time is reached,
- the venue requires the event to conclude,
- the DJ's safety is a concern,
- the time is midnight and the Client(s) chose not to pay for extra time. (To extend performance time past midnight, payment must be paid during or before the finalizing call and payment is nonrefundable if extended time is not used)

12. SAFETY: The Client(s) is responsible for providing a safe and secure environment. If an unsafe situation arises or the DJ is harassed by a guest, the Client(s) will be called upon to remedy the situation. Failure to remedy the situation will result in the premature conclusion of the DJ's performance and no refunds will be provided for the premature conclusion of the event and this is non-negotiable.

13. ASSIGNMENT OF THIS CONTRACT: The services obligated under this contract may not be assigned to any other party without the express written consent of DJ Connection.

14. LIMIT OF LIABILITY: DJ Connection warrants and declares that every effort will be made to provide entertainment services. In the unlikely event of severe medical, natural, or other emergencies, it may be necessary to retain an alternative service. DJ Connection will make every effort to secure a replacement and/or willing to provide entertainment services under this contract. If DJ Connection is unable to procure a replacement DJ, Owasso High School shall receive a full refund of all amounts paid. In all circumstances, DJ Connection's liability shall be exclusively limited to the cost of the services it has agreed to provide. DJ Connection shall not be liable for direct or indirect or consequential damages arising from any breach of contract.

15. SEVERABILITY: In the event that any provision of this Agreement is held to be invalid or unenforceable under applicable law, the validity of this Agreement as a whole shall not be affected, and the other provisions of the Agreement shall remain in full force and effect.

16. CONTRACT AMENDMENTS: This contract has been freely negotiated and shall be recognized as the entirety of the agreement. Only those changes or modifications specifically placed in writing, attached, dated and signed by the Client(s) and DJ Connection at the time of acceptance of such terms shall be recognized as amendments to this contract.

17. DISPUTE RESOLUTION: In the event that any controversy arises as a result of this contract, the parties agree that good faith efforts will be made to submit their differences to mediation. This effort shall be a prerequisite to any further action by either party to enforce the terms of this contract. In the event that mediation fails, any differences between the parties shall be submitted to arbitration. Such arbitration shall be the sole forum for any differences between the parties under this contract and shall be adjudicated under the laws of the State of Oklahoma in Tulsa County. This arbitration shall be in conformance with the rules and procedures mandated by the American Arbitration Association. Should legal efforts be required to enforce the terms of this contract, in addition to other sums recoverable herein, the Client(s) will pay all costs of collection, including, but not limited to, reasonable attorney fees.

18. DJ Connection in the performance of any work hereunder shall be and act as an independent contractor and not as an agent or employee of client.

19. DJ Connection hereby agrees that in connection with its performance under this Agreement it shall fully comply with all applicable laws, ordinances, rules and regulations of any country, state, province, county, municipality or other governmental unit or agency. DJ Connection agrees to indemnify and save harmless Client from any and all damage occasioned by the failure of DJ Connection or any of its subcontractors, servants, agents or employees to comply fully with the provisions of this paragraph.

20. INSURANCE: DJ Connection will maintain insurance in the amount necessary to cover its obligations under this contract.

This contract is a binding and legal document and is made for the purposes of entering into a contract for services. I have read, understood and agreed to all terms set forth above. By signing below, I hereby agree to the terms of this contract.

2. A Career Advisor to serve as a Point-of-Contact for all Tulsa Tech related activities at the School District.

4. Salary, equipment and expenses of the Career Advisor.

School District agrees to provide:

1. A workspace for the Career Advisor.
2. Access to students in need of academic and/or career advisement.
3. Promotion of Tulsa Tech course and program offerings

1. **Term.** The term of this Agreement is twelve (12) months (“**Term**”), beginning on the Agreement Effective Date. The term may be extended upon the mutual agreement of both parties for up to one 12-month period. Each line of Service activated under this Agreement will have the service term associated with the rate plan (described in Section 3 below) that such line is on (the “**Service Period**”). A line’s Service Period begins on the date of activation of such line of Service.

2. **Underlying Agreement.** Customer agrees to purchase wireless mobile Services and Devices from T-Mobile, and T-Mobile agrees to provide the Services and Devices to Customer based on the prices listed below. The terms of Customer’s purchase and use of the Services will be governed by this Agreement and the State of Oklahoma, Office of Management and Enterprise Services (“**OMES**”), Information Services Division (“**ISD**”) Statewide Contract No. 1012 (“**Master Agreement**”).
 - (a) The terms and conditions of this Agreement or the Master Agreement will not be modified or superseded by any terms and conditions in a Customer-generated Purchase Order. Purchase Orders will have no force or effect other than to denote quantity, the products or services purchased, delivery destinations, requested delivery dates and any other information required by this Agreement.

 - (b) In the event the Master Agreement is terminated or expires and is not renewed prior to the expiration of the Term of this Agreement, T-Mobile may enter into a follow-on master agreement for the period after termination or expiration of the Master Agreement (a “**New Master Agreement**”), in which case the New Master Agreement will be substituted for the existing Master Agreement for the remainder of the Term, and the terms and conditions of the New Master Agreement shall supersede and replace the terms of the existing Master Agreement. In the event the Master Agreement is terminated or expires and is not renewed prior to the expiration of the Term, and T-Mobile does not enter into a New Master Agreement, then Customer and T-Mobile will: (i) mutually agree to amend this Agreement in order to transition it under another available master agreement to be substituted for the Master Agreement; or (ii) enter into a mutually agreeable alternative agreement to be substituted for the Master Agreement.

 - (c) Notwithstanding anything to the contrary in this Agreement, following the expiration of a line’s Service Period, T-Mobile will continue to provide the Services to Customer for such line under the pricing, discounts and other terms and conditions set forth in this Agreement, or, with 30 days’ advance notice to Customer, at standard list pricing, until either party provides 30 days’ advance written notice to terminate the Service for such line.

- The free Device described in the rate plans above cannot be combined with any other discount or promotional offers.
- Customer’s account must remain in good standing with T-Mobile to receive the Device Discount.
- Each line of Service must be activated and maintained for at least the full length of such line’s applicable Service Period (e.g., 12 months or 24 months), provided that Customer may suspend lines up to 60 days during the summer months while Customer is not in session; however, the Service Periods for those lines with 12-month and 24-month Service Periods will be extended by the applicable number of months of suspension when calculating whether or not such lines have completed their 12-month and 24-month Service Periods (as applicable), and the months while the lines are suspended will not qualify to meet the applicable Service Period.

(b) Early Termination or Suspension of Service Period; Hotspot Repayment. If any line of Service that received a free Device is terminated or suspended (without reactivation within 60 days of such termination or suspension) prior to the end of the applicable Service Period, then Customer agrees to reimburse T-Mobile a pro rata portion of the Individual Device Value (identified in the table in Section 4 above) equal to 1/12th (for lines with 12-month terms) or 1/24th (for lines with 24-month terms), as applicable, of the Individual Device Value for each month remaining in the Service Period. For purposes of the Device repayment in this subsection (b), lines of Service that are Month-to-Month will be treated as having a 12-month term. For example, if Customer has 100 Devices (each with an Individual Device Value of \$84) and those Devices have associated lines of Service with a 12-month Service Period (or Month-to-Month), and Customer terminates all 100 lines after the seventh month of the Service Period has ended (leaving 5 uncompleted months in the Service Period), then Customer will repay T-Mobile an amount calculated by multiplying (i) \$84, by (ii) 5/12ths, by (iii) 100 Devices, equaling a total repayment amount of \$3,500. T-Mobile will charge Customer the repayment amount for each line of Service terminated or suspended before the end of the applicable Service Period on Customer’s monthly bill.

6. **Privacy.** If Customer allows end users under the age of 13 to use the Services, Customer and T-Mobile agree to the terms and representations contained in the “COPPA Notice Addendum” attached as Exhibit A to this Agreement. Customer, and not T-Mobile, will be fully responsible for any claims relating to Customer’s failure to: (i) properly notify Eligible Students about any data collection and/or monitoring of use of the Services and Devices; or (ii) collect any necessary consent relating to an Eligible Student’s use of the Services and Devices.
7. **Prepayment.** Customer may, at its option, prepay in whole or in part Customer’s total fee commitment for Services and Devices ordered under this Agreement. With respect to any such prepayment (or any other related payment), Customer is solely responsible for ensuring Customer’s compliance with all applicable Federal, State and Local funding source and procurement laws, rules and regulations (including, without limitation, laws, rules and regulations under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, and Customer represents and warrants compliance with the same.
8. **Emergency Connectivity Fund; SPI Invoicing.** If Customer is participating in the Emergency Connectivity Fund (ECF) program in connection with this Agreement, Customer is solely responsible for ensuring Customer’s compliance with all applicable ECF program-related laws, rules, regulations and terms and conditions of participation. Additionally, if Customer has requested that T-Mobile invoice the federal government for reimbursement of the discountable amounts of the ECF equipment and services (i.e., the SPI invoicing method), Customer has read and agrees to the terms and conditions of the Emergency Connectivity Fund Service Provider Invoice (SPI) Affirmation attached as Exhibit B.

COPPA Notice Addendum

T-Mobile is providing Customer with direct notice of its data collection, use and disclosure practices set forth below that relate to the Service(s). Customer has read this notice, consents on behalf of parents and guardians of children under 13 to the collection, use and disclosure practices described below, and authorizes T-Mobile to engage in such practices.

Direct Notice of T-Mobile's Data Collection, Use, and Disclosure Practices

We need your consent to collect personal information from your child(ren) in connection with the T-Mobile for Education service. We will not collect, use, or disclose any personal information from children under 13 if you do not provide such consent. This privacy notice describes the personal information we collect and how we use it. The Federal Trade Commission has stated that a district or school may consent to such data collection, use, and disclosure on behalf of the parent or guardian to the extent such data collection, use, and disclosure is to provide services solely for the benefit of the school.

T-Mobile intends to collect the following personal information from your child(ren):

- **Data Usage:** T-Mobile tracks quantity of broadband internet data usage to have that usage total counted against applicable data usage/streaming limits, if any. As part of delivering this service, T-Mobile also receives the IP address associated with the websites visited.
- **Unique identifiers:** T-Mobile collects a device and network identifier to authenticate the device on our network and provide the service.
- **Bandwidth data:** T-Mobile may share device-level bandwidth data with the educational institution at the educational institution's specific request, to allow the educational institution to stay informed on devices that exceed applicable data usage/streaming limits.

T-Mobile uses this personal information only to provide internet connectivity and perform internal analytics. T-Mobile may disclose this personal information to its service providers for assistance in delivering the service, and they must treat this information as confidential and use it only for the purposes for which T-Mobile engaged them. T-Mobile may disclose this personal information to Customer upon Customer's request to assist in delivering and improving the services, and they must treat this information as confidential and use it only for those purposes. T-Mobile will not disclose information that may be associated with your child to any other entities.

Please be advised that T-Mobile provides connectivity to the general internet through the T-Mobile for Education service. That connectivity allows children to access websites that may involve data collection by third parties. T-Mobile is not responsible for the data collection activities of these third parties and you should carefully monitor your child's use of the service.

EXHIBIT B
Emergency Connectivity Fund
Service Provider Invoice (SPI) Affirmation

T-Mobile U.S. Inc. (NASDAQ: TMUS) America's supercharged Un-carrier, is participating in the Emergency Connectivity Fund (ECF), a \$7.17 billion, federally funded, program that will help schools and libraries close the Homework Gap by providing funding for the reasonable costs of laptop and tablet computers; Wi-Fi hotspots; modems; routers; and broadband connectivity purchases for off-campus use by students, school staff, and library patrons in need during the COVID-19 pandemic.

ECF allows for participating schools and libraries to seek reimbursements for eligible service and equipment either directly from the government (BEAR invoicing method) or by requesting that the service provider invoice the government (SPI invoicing method). T-Mobile is participating in the SPI invoicing method for this program.

If requested to do so by the school or library, T-Mobile is willing to invoice the federal government rather than the school or library for payment. You must specify at the application stage which invoicing method you would like to use. If your school or library would like to use the SPI invoicing method, you must also submit evidence of T-Mobile's willingness, and may use this statement as an affirmation that T-Mobile is participating in SPI when completing your Form 471. We affirm our willingness to participate in the SPI invoicing method subject to the following:

Prior to the start of service and receipt of equipment, if any, Customers who select the SPI invoicing method will enter into and execute an applicable T-Mobile services contract for the provision of ECF broadband connectivity services. T-Mobile will file the SPI Form to request reimbursement for the discountable amounts of the ECF eligible equipment and services. Customer is responsible for all charges related to any ineligible equipment and services or services obtained but not contained in the description of the service commitment request or decision. Until the Universal Service Administrative Co. (USAC) has issued a funding commitment, Customer agrees to pay the balance in full as billed by T-Mobile. Customer must elect SPI to be billed only the non-discounted portion. Customer account credits applied may be estimates subject to true-up in a later billing period. Customer is responsible for all charges incurred until and unless ECF funding is approved and disbursed by USAC, at which time Customer will remain responsible for all ineligible services, feature charges, and any other ECF program amounts unfunded, including equipment. Also, Customers who chose the SPI invoicing method should be aware that if ECF funding ends before the term of their services contract, they will be subject to the agreed rate of service for the remainder of the contract, net of any subsidy.

For more information about ECF, please refer to the [FCC ECF](#) or [USAC ECF](#) websites.

Financial Activity: July 2024 – June 2025

During this past fiscal year ending June 30, 2025, the Owasso Odyssey of the Mind Booster Association (OOMBA) supported two teams. Both teams placed first at the Oklahoma Odyssey of the Mind (OK-OM) State Finals and became eligible to attend OM World Finals. The one team that elected to attend World Finals presented their solution and placed fifth (5th) out of twenty-nine (29) international teams. Plans for FY26 will include the addition of several fund-raisers involving community businesses to cover more of the expenses associated with attending World Finals at Iowa State University next May. This past year, many of the parts and materials needed for each team's solution were donated, acquired at garage sales, or obtained at a minimal cost for salvage value.

Supplies

supporting the construction of items used in the presentation of a team's solution:
Including: Paint, Cardboard, brushes, thread, old clothes, balsa wood, glue, etc.

Souvenirs and T-shirts

To recognize the students' effort to create a solution for an OM problem.
The cost of these items will be incurred during May 2024

Tools:

A donated set of battery-powered power tools were received this past year. During FY2026 we are planning for the addition of a third team, involving middle-school or freshman level students.

Why do we measure this?

Research shows that students who drop out of school or otherwise fail to graduate from high school face lifelong consequences including fewer job opportunities, lower wages, and poorer health outcomes. This report fulfills both federal and state dropout reporting requirements while also providing stakeholders with actionable information about their communities.

What was measured?

Dropout rates are calculated by dividing the number of students identified as a dropout in the current reporting year by the number of students that were enrolled at your school at the beginning of the school year (the October 1 count).

ARRIVAL/DISMISSAL PROCEDURES

Doors open at 8:45 a.m. for student arrival. The elementary school day begins at 9:00 a.m. and ends at 3:45 p.m.

ELEMENTARY SCHEDULE GRADES PreK-5

- **ARRIVAL:** After students arrive at school they are not permitted to leave school property during school hours, except in the company of the adult guardian.
- **EARLY DISMISSAL:** If it becomes necessary for you to pick up your child before regular school dismissal, go to the office to sign out your child. Early dismissals will be counted as a tardy or absence depending on the time of day. No student will be dismissed from the classroom until the teacher receives appropriate notification. Only persons listed in PowerSchool will be allowed to pick up a child. This is a protective measure both for your child and school personnel.
- **PUNCTUALITY:** It is important for students to arrive at school **on time**, so the class can begin promptly. If children arrive late, they start the day already behind in their instructional day . It can also be a disruption to the teaching/learning process.
- **DISMISSAL:** Dismissal procedures are specific to each school site. Please make arrangements with your child regarding their after school plans for transportation. If there is a change to your child's transportation or dismissal plans, please call the school office and communicate those plans by 2:00 p.m.

ASSIGNMENTS

MAKE-UP WORK

1. When a student is absent longer than two (2) days, the parent may call the school to request assignments on the third day.
2. When students are absent, they have the number of school days they were absent plus one school day to complete assignments. (Example: If a student is absent 3 days, the student has 4 days to complete the homework.) POLICY [5.03](#)

ATTENDANCE MATTERS

Encouraging regular attendance is one of the most powerful ways you can prepare your child for success in school. When school attendance is a priority, children get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating high school. When students are absent for fewer days, their grades and reading skills often improve. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. Regular attendance at school is required by state law. Under school law, parents are responsible for their child's attendance until graduation from high school or the age of 18. When students are absent just two days per month - even when the absences are excused - it can have a negative impact. **This adds up to being absent 18 times during the year, which is considered chronically absent. Over the course of a student's school career, this equals 234 days, which is almost 1 ½ years of school missed.**

“A student who is absent from instruction without excuse for ten (10) consecutive days is to be recorded as absent each day. On day eleven (11), the pupil is to be exited from the roll” Okla. Admin. Code § 210:10-1-5. Re-enrollment will be required if the student returns to the district.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child’s absences, whether they’re physical or emotional, and taking advantage of support services, such as tutoring and student mentoring, we can partner with you to set your child on the path to success.

ATTENDANCE PROCEDURES/POLICY

Pre-K instructional time is equal to 2.5 hours for the morning and 2.5 hours for the afternoon. Please go to your school’s web page for specific starting and ending times.

- If your child is absent from school, please call the attendance number of your child’s school to report the absence between 8:15 a.m. and 9:30 a.m. each day he/she is absent.
- Half-Day: In order for a student to be credited for a half-day of attendance, a student must be in attendance two of the first three hours of the school day to be recorded present for one-half day. Likewise, a student must be in attendance two of the final three hours to be recorded present for one-half day. (Per Accreditation of Oklahoma Schools)
- If an absence is anticipated, please notify the teachers and attendance office ahead of time. Parents who will be out of town and unable to contact the attendance office in case their student is absent must contact the attendance office before leaving town and designate the person/persons responsible for clearing their student’s absence notifying the school of the student’s absence while they are unavailable.
- Any student who is not at school will be charged with an absence, whether it is excused or unexcused. An absence is considered unexcused until a parent calls the attendance office.
- Excessive tardiness causes students to miss out on valuable instruction. Excessive tardies may result in consequences.
- Any child running a fever is not permitted to be at school. **Children MUST be fever free for 24 hours without the aid of fever reducing medication before returning to school.**
- Scheduled medical appointments will be viewed as excused tardies with a note showing verification from a medical professional. **Early dismissal will be considered unexcused unless written documentation is provided from the appointment.**
- Parents of students who have excessive absences will be notified.
- In the event of absences occurring due to a chronic or recurring illness, documentation by the student’s doctor indicating the nature of the chronic or recurring condition, including diagnosis is required, per POLICY [5.03](#)

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school’s educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take

appropriate action. Students may make a report and all information will be confidential, and if you wish you have the right to submit the report anonymously. Visit the [Bullying Prevention page](#) on the OPS website for more guidance, reporting, and resources.

PROHIBITING HARASSMENT, INTIMIDATION AND BULLYING POLICY [5.13](#)

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. (“Act”). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district’s policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools’ student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term “bullying,” as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school’s educational mission or the education of any student that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student’s property;
- C. Place another student in reasonable fear or harm to the student’s property, or
- D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s educational mission or the education of a student.

2. The “Reasonable Person” Standard

In determining what a “reasonable person” should recognize as an act of placing a student in “reasonable” fear or harm, staff will determine “reasonableness” not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual

harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also POLICY [1.43](#))

Student Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's web page.

Staff Reporting

An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non-certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities

Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and

Monitoring and Compliance

STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures

In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

POLICY [5.28](#)

DRESS CODE PROTOCOL

The school policies are the result of the cooperative effort of the school board and the administration. - Cooperate with safety and school officials.
- Wait for notification of how and when to respond. This notification will come via the Owasso Public School's communication tools and local media. ***It is imperative that you refrain from using cell phones to contact your student as the overload will impair emergency personnel from performing their duties.***

Referrals to local counseling resources are available.

GRADING PRACTICE

- Owasso Public Schools want to have strong communication with parents about their child's academic progress.

BED BUGS GUIDELINES

While inconvenient and a nuisance, bed bugs do not cause disease and can be effectively eradicated. A diagnosis of bed bug bites or exposure should not disrupt the educational process.

Upon discovering bed bugs, known exposure or a suspected bite, a child's parent should be notified by the nurse and treatment options discussed. It is not necessary or effective to do school-wide or classroom-wide checks. Anyone that has had known close contact may be checked as well. The ultimate responsibility for bed bug checks, treatment and control lies with the parents. Children who have known bed bug exposure and/or bites can be checked at the nurse's discretion or if a parent requests. The school nurse's goals are to facilitate an accurate assessment of the problem, provide appropriate resources for treatment and prevention, and minimize school absences. References: National Association of School Nurses (NASN); Center for Disease Control (CDC).

MEDICATION

Except for provisions allowed in the district Medication Administration Policy, **students may not retain possession of or self-administer any medication.** Students requiring medication at school must report to the School Nurse's office for appropriate paperwork and storage of medication. **Narcotic medication will not be stored or administered at school by school personnel.** The Medication Administration Policy is available in the Nurse's office and on the school website. **Violation of this policy may result in discipline, including out of school suspension.** POLICY [5.01](#)

MENINGITIS INFORMATION

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called Neisseria meningitis. The disease causes either meningitis, severe swelling of the brain and spinal cord or meningococemia, a serious infection of the blood.

Vaccines can prevent many types of meningococcal disease, but not all types. This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing. For more information, contact your healthcare provider, local county health department or visit the National Meningitis Association website at www.nmaus.org. However, in order to encourage full, complete, and immediate reporting of such prohibited activities, any person may report such incidents in writing and anonymously by mailing such reports to the personal attention of any of the above-designated persons. All such reports should state the name of the alleged harassing student, employee, or Board member, the person(s) being harassed, the nature, contacts and extent of the prohibited activity, the dates of the prohibited activity, and any other information necessary to a full report and investigation of the matter. The School District will investigate all reports.

An appeal must be presented, electronically or in writing, to the principal within five (5) days (excluding days when school is not in session) after the parent/student receives the principal's decision. If the principal does not receive a written appeal within three (3) days (excluding days when school is not in

session) of the decision, the principal's decision is final. The principal shall assemble a committee within five (5) days (excluding days when school is not in session) of receiving the parents request to appeal and that committee shall consist of the following members.

- A principal or assistant principal from a different school.
- A teacher of the student's choice.
- A teacher from the same site who has not had the student in class.

During the time of the appeal, the student will be placed in In-House Suspension and the days spent in In House Suspension will not count towards days of suspension or change of placement.

District Level - 2nd Level of Appeal

In the event the complainant does not accept the decision of the review committee, he/she may appeal to the Assistant Superintendent of Teaching and Learning, who will assemble a 5 person committee of district level administrators.. The request to appeal must be received by the Assistant Superintendent of Teaching and Learning within 5 days (excluding days when school is not in session) after the parent receives the decision from the site-level committee. If the request is not received within this time-frame, the site-level committee decision is final. In the event the complainant does not accept the decision of the Assistant Superintendent of Teaching and Learning, he/she may appeal to the Owasso Board of Education, within 5 days (excluding days when school is not in session) of receiving the decision from the assistant superintendent.

Board of Education or Designated Hearing Officer - 3rd Level of Appeal

An appeal must be presented, electronically or in writing, to the superintendent within five (5) days (excluding days when school is not in session) days after the parent/student receives the assistant superintendent's decision. If the superintendent does not receive a written appeal within five (5) days (excluding days when school is not in session) of the assistant superintendent's decision, the assistant superintendent's decision is final. If the board receives a timely written appeal request, the board or an appointed hearing officer, will hear the appeal as soon as possible. This decision is final and non-appealable.

Board Hearing Procedures

The parent/student will be notified in writing of the date, time and place of the hearing and will have the right to choose an "open" or "closed" hearing. Reasonable efforts will be made to accommodate the work schedule of parents. The following procedures will be followed:

1. The board president or the appointed hearing officer should:
 - a. Announce that the next agenda item is a suspension or change of placement review hearing.
 - b. Ask whether the parent/student wants the hearing to be open to the public or in executive session. The offer of an open hearing and the response is to be made a part of the minutes of the meeting. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.
2. The board president or hearing officer should advise the parent/student:
 - a. That they are entitled to legal counsel, if they desire it.
 - b. That the administration will present its witnesses first and that after each witness the parents or their legal counsel will be given an opportunity to cross-examine.
 - c. That the parent/student will be given an opportunity to call any relevant witnesses and present any relevant evidence, subject to cross-examination by the administration's legal counsel.
 - d. That the board or its hearing officer will consider the evidence and documents and reach a decision that will be recorded by vote in open session.
 - e. That the parent/student may ask any questions about the procedure.
3. Administration may call witnesses and present documents subject to cross-examination.
4. Parent/student may call any witnesses and present documents subject to cross-examination.
5. After each witness is presented board members or the hearing officer may ask the witness questions.
6. Parent/student's closing statement.
7. Administration's closing statement.
8. Deliberate in private. (If the hearing is not in executive session, the board or its hearing officer may deliberate in executive session only with permission of the parent/student.)
9. Return to open session and vote. After adopting a motion making certain findings of fact the board must make a motion to:
 - a. affirm the suspension;
 - b. modify the suspension or change of placement (increase or decrease severity of the suspension or change of placement)
 - c. revoke the suspension or change of placement. If the hearing is before a hearing officer, no motions will be required as a part of the hearing process; otherwise, the hearing officer will have the same obligations as the board when rendering a decision.

Attendance at School Pending Appeal Hearing

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or would be a substantial disruption of the educational process. The days in "in-house" will not count toward the days of out of school suspension.

TECHNOLOGY: PERSONAL COMMUNICATION DEVICE USAGE

1. Personal communication device (cell phone, smartwatch or similar devices) usage is not permitted during school hours.

TELEPHONE

2. Students must have permission from a teacher and/or office personnel to use the school telephone.
3. Outgoing calls are to be made only in cases of emergency, such as illness or inclement weather. Permission to go home with a friend or change plans after school does not constitute an emergency.
4. Recommendation is made that the parent and child work out an agreement at the beginning of the term as to where the parent will meet the child during bad weather, thus saving some telephone calls.
5. Students will be called to the telephone only in cases of emergency. We discourage parents from calling their children at school and asking office personnel to deliver messages unless it is an emergency. Principals will assist their staff in managing these processes.
6. Please make arrangements with your child regarding their after school plans for transportation. Please do not hesitate to call the school office and communicate those plans by 2:00 p.m. This allows the school ample time to communicate changes with the student.

TESTING

All Owasso elementary schools comply with state mandated testing requirements. Your child's school will communicate site specific testing information.

TEXTBOOKS/CHROMEBOOKS

Students are responsible for the textbooks and chromebooks issued to them. Each student will be expected to pay for any textbooks or chromebooks lost or damaged. The fee for damages varies depending upon the severity of damage. Lost or damaged textbooks, library books, and chromebooks will be assessed at replacement value. Parents will be notified by school staff when materials are lost or damage occurs that results in an expense to parents.

The [Student Technology Insurance Program](#) has been established to provide parents the opportunity to purchase insurance for 1:1 student technology devices. The insurance program is voluntary, but families are highly encouraged to participate.

We are committed to conducting a thorough and equitable investigation into all reported incidents of sexual harassment and will take immediate and appropriate action to address any violations of our policies.

2. The rider should know and observe all traffic laws.
3. Bicycles are to be parked at the bicycle rack upon arriving at school and not ridden again until school is dismissed.

BUSES

Transportation in district-owned buses is furnished to students who reside one and one-half miles or more from the school. All buses used by the Owasso Schools meet the requirements of the State Board of Education and operate in compliance with their regulations. All students are expected to regard the bus as a classroom and conduct themselves appropriately. Safety is stressed at all times.

The driver of the bus is a school official and has the same authority as a classroom teacher over the students in his/her care. After a student gets on the bus, he/she is under the supervision of the bus driver and is expected to help him maintain discipline in order to prevent serious accidents. The driver has authority and is expected to look after the welfare of all students under his/her care. Any student may be removed from the bus that persists in disobeying regulations. After getting on the bus, no student is to depart from the bus until it reaches school in the morning or arrives at the designated place for him/her to leave the bus in the evening, except by special permission from the driver. **A note signed**

and dated by the parents would be necessary for permission to be given for the student to ride a different bus than normal.

RULES FOR BUS RIDERS

Bring a note signed by your parent if you are to do anything other than ride your usual bus. The note is due the day of the change. An unexpected change in afternoon plans must be called in before 2:00 p.m.

1. Use a safe route in walking to and from the bus stop. Walk facing traffic, if at all possible.
2. Be on time at school bus stops. Avoid having to run to catch the bus or having the school bus wait for you.
3. Always use the handrail when getting on or off the school bus.
4. Be seated immediately.
5. Keep the aisle clear.
6. Keep all parts of your body inside the bus at all times.
7. Do not throw things out of the school bus windows.
8. Do not eat or drink while on the school bus.
9. Do not be loud or boisterous.
10. Absolutely no distracting behavior is allowed on the school bus.
11. Complete silence at railroad crossings is needed.
12. When unloading to cross the street, always walk to the front of the bus and wait for the driver to motion you across the street.
13. Do not walk behind the school bus when it is loading and unloading.
14. Do not open or close the school bus doors.

WALKERS AND CAR RIDERS

1. Walkers and car riders should NOT arrive before 8:45 a.m.
2. It is the responsibility of the parent to communicate appropriate safety measures when students are walking to and from school. Students should use the designated crosswalk and obey the directives of the crossing guard.
3. Parents should not leave their children at a school outside of school hours as the supervision of students is a priority.

VISITORS

Parents are welcome to visit the school. All visitors must sign in and out in the main office, and provide identification, and are required to use our school identification process. All visitors must wear a visible visitor's badge/sticker while on a school campus. Student visitors are not permitted on campus. A parent needing to see his/her child during the school day should report to the main office.

Visitors can be asked to leave by administrators at any time. Visitation privileges can and will be revoked if deemed necessary by administrators and SRO's. If you need to visit a teacher, please call the school office or email your child's teacher to make an appointment. Scheduling a visit will help to prevent disruptions to the educational process. Visitors are not permitted on the playground during school hours, nor are they permitted to stand or park near the playgrounds. The school will contact the Owasso Police Department to report loitering individuals near the property. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on visitors. [POLICY 1.44](#)

5.20 Student Transfers – Out of District

[Return to Policy Manual](#)

Section 5 | Students

The school district will not accept or deny a transfer based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language, measure of achievement, aptitude or athletic ability.

Transfers that have previously been approved by the school district will remain in effect for future school years unless the district provides notification to the parent or legal guardian that the transfer is not going to be continued for an upcoming school year due to disciplinary action or attendance issues. The district will not require parents to resubmit a new application each school year and will advance the previous application of an enrolled student amending only the grade placement of the student.

The school district will begin accepting applications for the next school year starting June 1st. Receipt of properly completed applications will be documented by the district so that the district may review those applications in the order submitted for purposes of capacity limitations. The administration will not approve or deny transfers received for the next school year until after the July 1st capacity data is determined for each grade level and site within the school district.

A transfer may be requested at any time in the school year. State law does limit the ability of a student to transfer no more than two (2) times per school year to one or more school districts in which the student does not reside. Exceptions to this limit will exist for students in foster care. Students are legally entitled to reenroll at any time in his or her school district of residence. Any brother or sister of a student who transfers may attend the school district to which their sibling transferred so long as the sibling does not meet a basis for denial as listed below. A separate application must be filed for each student so that the district can timely

consider requests in the order applications are received. If there are more than one District school sites available for the transferring student, the District retains the sole discretion to determine the school site the transferring student will attend.

A student who has attended school as a resident student for at least three years prior to moving out of the school district may be allowed to transfer into the district regardless of capacity. Such a student's application will be reviewed utilizing only disciplinary records and attendance in the determination of the transfer request.

It is the policy of the Board of Education that any legally transferring student shall be accepted by the district under the following circumstances:

1. The district has the capacity to accept the student at the grade level at the school site;
2. The transferring student has not been disciplined for:
 - a. violation of a school regulation resulting in an out of school suspension,
 - b. possession of an intoxicating beverage, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, or missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities, or
 - c. possession of a dangerous weapon or a controlled dangerous substance while on or within two thousand (2,000) feet of public school property, or at a school event, as defined in the Uniform Controlled Dangerous Substances Act.
3. The transferring student does not have a history of absences. "History of absences" means ten or more absences in one semester that are not excused for the reasons provided in 70 O.S. § 10-105 or due to illness.

By the first day of January, April, July and October, the Board of Education shall establish the number of transfer students the district has the capacity to accept in each grade level for each school site within the district. The number of transfer students for each grade level at each site that the district has the capacity to accept will be posted in a prominent place on the school district's website. The district shall report to the State Department of Education the

number of transfer students for each grade level for each school site which the district has the capacity to accept.

The Superintendent, or his or her designee, shall report to the Board of Education the capacity for transfer students at each grade level and each school site. The number of authorized teaching positions, classrooms available, and class size at each grade level and each site, and/or other such factors shall be reported to the Board when determining the capacities at each site. After review of the report, the Board shall approve the capacity for transfer students at each grade level and each school site as it deems appropriate. The Superintendent or his or her designee shall report to OSDE and publish on the district website the capacities determined by the Board.

A student shall be allowed to transfer to a district in which the parent or legal guardian of the student is employed as a regular employee, unless there is another qualifying reason for the transfer to be denied, such as discipline, attendance, and/or available resources.

The school district shall enroll transfer students in the order in which they submit their applications. If the number of student transfer applications exceeds the capacity of the district, the district shall select transfer students in the order in which the district received the application. If a student is denied a transfer because of capacity limitations, the parents may choose to add the transfer request to a waitlist, in which case transfers would be granted in the order in which they are received in the event that space becomes available for a specific school and/or grade.

In regard to transfer of student-non-resident-military, students who are the dependent children of a member of the active uniformed military services of the United States on full-time active-duty status and students who are the dependent children of the military reserve on active duty orders shall be eligible for admission to the school district regardless of capacity of the district. **Students will not be denied a military transfer for the following:**

1. Having an individualized education program or an individualized family service plan under the Individuals with Disabilities Education Act, 29 U.S.C., Section 1400 et seq.,
2. Receiving or qualifying for special education courses or services, or
3. Receiving or qualifying for accommodations or services under the Rehabilitation Act of 1973, 29 U.S.C., Section 504.

Students shall be eligible for military transfer if:

1. At least one parent of the student has a Department of Defense issued identification card; and
- ~~2. At least one parent can provide evidence that he or she will be on active duty status or active duty orders, meaning the parent will be temporarily transferred in compliance with official orders to another location in support of combat, contingency operation or a national disaster requiring the use of orders for more than thirty (30) consecutive days.~~
2. The student will be residing with a relative of the student who lives in the receiving school district or who will be living in the receiving school district within six (6) months of the filing of the application for transfer.

If a student with a disability applies for a transfer, the student must supply all documentation of the resident district relating to the student's previous and current IEPs and Section 504 Accommodation Plans so that this district may:

1. Determine whether the district currently has appropriate programs, staff, services and placement needed to fulfill the current or anticipated IEP or Section 504 Accommodation Plan of the student; and
2. If a preliminary determination is made that the district has the appropriate programs, staff, services and placement needed to fulfill the current IEP or Section 504 Accommodation Plan of the student if the transfer application is approved, conduct the statutorily-required joint IEP or Section 504 conference

with the district of residence before a final determination of approval or denial is made.

Notwithstanding the provisions of this policy, students with disabilities may be educated in this district pursuant to special education cooperative agreements between this district and other school districts. Such transfers will not be deemed to be parent initiated or student-initiated transfer applications governed by this policy.

If the transfer application is accepted, the district shall notify the parents of the acceptance. The parent shall provide the district with written notification that the student will be enrolling within ten (10) days of notification of acceptance. Failure to notify the school district within ten (10) days of acceptance shall result in the cancellation of the transfer. The district will provide a written notice of the cancellation to the parent of the student immediately upon cancellation. If accepted, a student transfer is granted for the existing school year and may continue to attend in future years. At the end of the school year, the district may deny continued transfer of the student due to disciplinary reasons or a history of absences. Written notice via hand-delivery, U.S. Mail, or email of the intention to deny a continued transfer of the student shall be given to a parent of a student no later than July 15. The parent may appeal the denial of a continued transfer.

If a transfer request is denied by the school district, the district shall provide notification of the denial in writing to the parent by either hand-delivery, by U.S. Mail or electronic mail. The notification shall include:

1. An explanation including but not limited to any citation to the statute, regulation, or school district policy under which the denial was made;
2. A copy of the policy adopted by the district for determining the number of transfer students the school district has the capacity to accept;
3. The date upon which the appeal will be due.

If a transfer request is denied by the administration, the parent or legal guardian of the student may appeal the denial within ten (10) days of notification of denial to the Board of

Education. The Board of Education shall consider the appeal at its next regularly scheduled board meeting if notice is provided prior to the statutory deadline for posting the agenda for the meeting. If notice is after the deadline for posting, the board may consider the appeal at a special meeting of the Board of Education.

The appeal to the board of education shall be submitted to the office of the superintendent. The appeal shall include the following:

1. The name, address and telephone number of the parent of the student and the student for whom the appeal is being taken;
2. The date the district gave notice denying the transfer request;
3. The basis for appealing the decision of the school district; and
4. The name, address and telephone number of the legal representative, if applicable.

Appeal process: During the appeal, the board will review the action of the administration and the appeal paperwork submitted by the parent of the student to make sure that the district policy was followed with regard to the denial of the transfer. The board of education will meet in an executive session to review the educational records of the student. If the policy was not followed, the board of education shall return to open session to vote to overturn the denial and the transfer will be granted. This will be a paper appeal and will include the written documentation utilized by the school district as well as a written response from the parent or legal guardian which explains why the policy was not followed.

If the board of education votes to **uphold the superintendent's denial of the transfer request** ~~deny an appeal of a request to transfer~~, the board of education shall instruct the superintendent to provide notification of denial in writing to the parent of the student by either hand-delivery, by U.S. Mail, or by electronic mail. The notification shall include:

1. An explanation, including the legal citation to the statute, regulation, or school district policy under which the denial was made;

2. A copy of the policy adopted by the board of education for determining the number of transfer students the district has capacity to accept;
3. A copy of the State Board of Education's prescribed form for an appeal; and
4. A copy of 210:10-1-18.1 which identifies the Accreditation standard for appealing the denial of a student transfer.

If the board of education votes to uphold the denial of the transfer, the parent or legal guardian may appeal the denial within ten (10) days of the notification of the appeal denial to the State Board of Education. The parent or legal guardian shall submit to the State Board of Education and to the superintendent of the district, a notice of appeal on the form prescribed by the State Board of Education. The superintendent shall immediately provide a copy of the appeal to each member of the board of education. Upon receipt of notice of an appeal, but not later than five (5) days prior to the date at which the State Board of Education is scheduled to consider the appeal the board of education may submit a written response to the appeal. Responses should not exceed five (5) pages. If not submitted by the parent, the board of education shall provide a copy of the policy adopted to determine the number of transfer students the district has the capacity to accept in each grade level for each school site within the district. The parent and the school district will have an opportunity to appear in person or by authorized representative or by attorney to address the State Board at the meeting.

A student who enrolls in a school district in which the student is not a resident shall not be eligible to participate in school-related extramural athletic competition governed by the Oklahoma Secondary School Activities Association for a period of one (1) year from the first day of attendance at the receiving school unless the transfer is from a school district which does not offer the grade the student is entitled to pursue as per 70 O.S. § 8-103.2. **An exception to this is provided through the Oklahoma Secondary School Activities Association that grants eligibility to participate if the student was either approved for enrollment at the receiving (new) school or placed on a waiting list at the receiving (new) school on or before July 15 of the upcoming school year. Student-athletes must complete a waiver through the Athletic Department to be considered for this exception.**

The board of education shall annually submit to the State Department of Education the number of transfer requests for students with disabilities approved and denied and whether each denial was based on availability of programs, staff, or services. The State Department of

Education shall publish the data on its website and make the data available to the office of Educational Quality and Accountability.

CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Tulsa

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2025, as certified by the Board of Education of Owasso Public Schools, District Number I-11 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2025 tax and the proceeds of the 2025 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 10.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Owasso Public Schools, School District No. I-11 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit Y and any other legal deduction, including a reserve of 10.0% for delinquent taxes.
