- March 6th: No School
- March 9th: No School - Staff Development Day

Bluejays Read Together:

This year, our PTO has purchased the book The Lemonade War by Jacqueline Davies , for our Bluejays Read Together program. Each Seward Elementary family will be provided a copy of the book and will be invited to participate in fun activities at home, school, and around the community for this book. The goal of the Bluejays Read Together program is to promote reading and introduce families to new types of books. We are looking forward to kicking off this year's installment of Bluejays Read Together! We are so thankful to have such a supportive PTO!

3rd Grade Wax Museum:

The third annual 3rd Grade Wax Museum is coming to Seward Elementary on Thursday, February 20th from 5:00 PM - 6:00 PM. Third graders are busy researching and writing about a famous person from history. They will write a biography, memorize a speech, create a project board, and then dress up as their "person" for the Wax Museum. A huge thank you goes out to the 3rd grade team for making the Wax Museum a reality for our students. If you are free on the 20th, we invite you to attend the Wax Museum and learn from our 3rd graders!

Strategic Plan Update:

Our building level School Improvement Team met on Wednesday, January 29th to review progress we've had so far on our new plans. A summary of our discussion is below:

Wellness/School Culture Goal:

The wellness action team led the charge in the implementation of our daily Movement in the Morning activities with the school. After morning announcements, we play some fun music and have a special movement of the day (push ups, squats, toe touches, pretending to shoot a basketball, etc.). It has been a great way to begin our day each morning!

Intervention and Enrichment Goal:

The intervention and enrichment team has been looking at programs that we could use in the future that focus on STEAM (Science, Technology, Engineering, Arts, and Math). We also are working to schedule UNL students from the Engineering Ambassador program to come work with 4th graders this spring on designing roller coasters or learning about earthquakes.

Grading/Assessment Goal:

The grading team has been working to survey the staff about grading/assessment philosophies. We will use this information to create plans moving forward to have a common system in place in our school and district. This will be a lengthy process that will include many conversations with stakeholders to make the best system possible.

Communication/Community Connections Goal:

We recently had a district-wide meeting with community business owners to begin to create new partnerships. We are looking forward to learning how our school can work together with the businesses in our community to increase opportunities for all! This team is also working on transition documents between grade levels that will be given to students each spring to let parents and students know of the expectations that the next grade level will have for communication and learning. We hope this will help students be ready for the next grade level and ease the transition!

2020-2021 Kindergarten:

We recently mailed out our "Intent to Register" letters to parents of potential kindergarten students for the 2020-2021 school year. I am hoping to have a number to share at the March School Board Meeting. Kindergarten Round Up is on Friday, March 20th from 9:00 - 10:30 AM and the Kindergarten Parent Meeting is on Thursday, March 19th at 7:00 PM.

Thank you,

Jessica Dominy

- 25 Feb. - 8 Boys BBall @ Crete, 1630 hrs. (4:30 p.m.)
- 28 Feb. - SMS Dodgeball tournament.

2. Parent Teacher Conferences:

18 February, from 1600-2000 hrs. (4:00-8:00 p.m.). This includes grades 6-8. Our 5th grade teachers did their second round of PT Conferences back in September so they could meet as many new parents to the building as possible. Both the eighth and sixth grade core teachers conduct student led conferences in their classrooms while all other teachers are in the commons area.

3. Happenings at the Middle School:

A. County Spelling Contest Results - On Saturday, 25 Jan., in the 7/8th grade division of the Seward County Spelling contest, SMS students again took the top three places. Sjoen Munk won the event for the second year in a row, Krystyn Harris was 2nd and Landon Ford placed 3rd. In the 5/6 grade division Alex Kinney-Daniels placed 2nd and Jesse Leibhart placed 4th. Once again our SMS students did very well at this competition. Great job Blue Jays and congratulations to all who qualified to compete.

B. Patriot's Pen Results - Local results have not be presented to our students yet but local placers are sent to the district and we had two middle school students place at the district level. Liam Krahulik was 1st place and Brooklyn Stanek placed third with their Patriot's Pen essays. Liam read his essay at the district meeting in Wahoo last month when they received their award and a check from the district VFW organization. Congratulations to both for their participation and success. This is the second year in a row SMS placed two students in the top three spots at the district level.

C. 4H After School Club - Physics on 4 Wheels. Students will make mousetrap, balloon and vegetable powered cars on different 4 days in February.

4. Interviews for MS Positions:

On Tuesday 4 February we are interviewing for our counselor position and two days later on Thursday, 6 Feb. we will be interviewing for the 8th grade math position. Hopefully there will be two requests for the board to approve MS positions on 10 Feb.

**High School February Board Report 2020 Submitted by Scott Axt, Jill
Johnson and John Moody**

Registration and Scheduling:

All pre-registration meetings have been completed for the 2020-2021-course registration process. Once requests have been entered our scheduling team will determine the number of sections based on student registration requests. We will then begin the process of scheduling building department recommendations to maximize the number of students requested courses we can actually accommodate in the actual 2020-2021 master schedule with our current staffing.

Parent/Teacher Conferences:

The third round of parent/teacher conferences was held, Monday, January 27th from 5:30-7:30 p.m. We had around 250 student parent/guardians attend conferences this term. This is about average but can vary with many factors including cold weather temperatures.

Sophomore Parent Session:

A special program was held for the parents of sophomore students on January 27th at the end . The school counselors shared information regarding a wide array of post-secondary planning topics.

Enrollment as of February 3:

Grade Level	Enrollment
Grade 9	134
Grade 10	154
Grade 11	122
Grade 12	127
Total	537

ACTIVITIES-John Moody

There are over 30 students currently participating in our new e-sports club. They have a nine week competition season that began the last week of January.

Our wrestling team finished 5th in the conference tournament. Sean Martin is a Conference Champion, Jordan Covert and Mason Bisbee placed second, Wyatt Warner 4th, and Breckin Schoepf and Connor Rosendale 6th. Districts will be held February 14 and 15th in Pierce.

Senior Night for boys and girls basketball is February 8th. The last regular season game is a home game on February 14, the Booster Club will be hosting a Soup Supper that night. Post-season play begins on February 17 for the girls and February 24 for the boys.

Honor Choir and Honor Band participated in the UNK Clinic on January 27th.

Speech team won the Concordia Invitational on January 25th.

Mr. Rickert sponsored five students who sang the National Anthem at a Lincoln Stars Hockey Match.

**School District of Seward
Board Report
Connie Biaggio, Director of Special Services**

February 2, 2020

Below are February and early March happenings connected to Special Services in the District:

February 3rd- The testing window for the ELPA 21, the required English Language Proficiency Test for our English Learners opens. Between the 3rd and March 13th the test will be administered to all identified EL students grades K-12 by Mrs. Jocelyn Gray.

February 6th and 7th- The NASES (Nebraska Association of Supervisors of Special Education Legislative Conference will take place in Lincoln. On the morning of the 6th I have a meeting set with Senator Kolterman in connection with the conference. On the afternoon of the 6th and all day on the 7th, the NDE Department of Special Education will be leading the program with a focus on SPED personnel shortage.

February 10th- A sub-committee of the Sixpence Advisory Board will be meeting to finalize plans for the first of two Seward County Family Nights that will be supported by additional Sixpence funds we received for this grant year. The first event is set for March 17th at Seward Elementary and the theme is "Spring into Stem". The second event is set to occur at the Seward County Fair grounds on May 14th and the theme is "Growing Up Wild. At each event families will be provided a meal and then the opportunity to experience hands on activities with their children that at connected to the set theme for the evening. At this time, we have 15-20 county and community agencies/businesses that have indicated they will provide an activity on March 17th.

February 12th- A recent NDE special education file review completed on records of qualified children ages birth to 3 within the ESU #6 boundaries resulted in several findings that must be addressed by each school regardless of whether the district's files were out of compliance with state regulations. On this date, I will be attending a mandatory Corrective Action Plan training at the unit. I then will be required to train our Seward Schools Birth-3 team and provide documentation of that training prior to the beginning of May. It is important to note that the Seward Files that were reviewed were not out of compliance however the district is required to follow through with the mandated training.

February 24th- The first annual District wide Exceptional Student Day will be held. Exceptional Student Day is a way for us to celebrate ALL of our students. We have World Down Syndrome Day in March and Autism Awareness in April; which are amazing to celebrate, but that leaves some of our students out. The ASD (Autism Spectrum Disorder) Team decided we wanted to bring awareness to any exceptional

student we have at Seward Public Schools. This will begin an annual celebration at SPS.

March 2nd - Visitations to our preschool classrooms will occur for approximately 40 children ages 3-5 who are hoping to attend our preschool program as peers during the 2020-2021 school year. We also have approximately 9 current peer models that will return for a second year of preschool next year. We know we will not be able to accommodate each and every one of the 40 children on our list. Twenty is the most children we can have in a class and we run three classes so 60 is our maximum number at this time. Ideally however, class size membership is 15 and below.

February 2020 Board Report for Curriculum and Staff Development

Board Members,

February is here! We had a great month of learning by students and staff during January and I look forward to all of the learning opportunities that February will provide.

Curriculum

We have started to receive samples of materials for the content areas of Spanish, Family and Consumer Science, and Music. Music will likely not adopt a textbook, but likely will ask for supporting materials to enhance the curriculum they will be creating in March and over the summer. This is a great opportunity for our staff to gain a deeper understanding of the Nebraska standards and what we need to teach to meet and exceed these standards.

SCHOOL DISTRICT OF SEWARD

Instruction

Dr Fields, Ms. Biaggio and I recently completed our district walkthrough observations this past week. We were able to visit the great majority of classrooms at all three schools. As part of the walkthroughs, we visit with each principal about strengths and opportunities. It is clear that each of our leaders has a strong sense of the strengths of our buildings and areas we can grow. When we do these walkthroughs, we are looking for evidence of implementation of professional development, implementation of the district curriculum, student engagement, and a variety of other indicators. We were extremely pleased with what we saw in the classrooms. Our classrooms are truly safe places that students can learn and grow and our teachers are striving to challenge each student to reach their full potential.

Staff Development

Our February 17th staff development day will offer our staff multiple opportunities to learn and grow. We will have 30 staff members receive CPR training from Jessica Hanes a Registered Nurse from Bryan Hospital. As a point of clarification, we require that all of our paid coaches, preschool teachers and paras, and emergency response teams are certified in CPR. Our staff will also have a large chunk of time to work in their action teams to hopefully complete the research phase for a few areas and begin planning for implementation. We will also be doing ALICE drills at all three buildings. The teachers will get hands-on drills that acquaint them with what this looks like as a teacher as well as a student perspective.

Assessment

We are beginning to schedule NSCAS assessments and plan accommodations that some of our students will receive. We also are uploading and grouping students into testing systems in order to ensure a smooth testing process for NSCAS and ACT.

Food Service/Wellness

This past month I submitted our schools for a recognition program from the Nebraska Department of Education Healthy Schools division. We will hear in the next couple of weeks if we will receive recognition for our work in wellness at all three schools. We featured our Color Run at the Elementary School, Wellness Day at the Middle School, and our Food for Performance program as examples of going above and beyond in the area of wellness. We are also working on a \$5,000 grant to help with equipment to provide a "Grab and Go" breakfast at the High School level.

Thank you for your support!

February Staff Dev. Newsletter

A newsletter for the staff by Dr. Dominy

Love All Of It!

Greetings Seward Staff! As the month of February rolls around, I am reminded of a passage by Jon Gordon titled, love all of it. I wanted to use a little space here today to share this passage with you as we are deep into the school year and may be experiencing a mix of emotions.

"Today I want to encourage you to do the same and build your life, work, business, school, project and team with love instead of fear. Remind yourself that if you aren't building it with love it won't become all that it can be. Only through love will you create something special, magnificent and compelling. Only through love will you build a masterpiece.

So if you are trying to build a business focus on the love you have of building it rather than the fear of losing it. If you work at a school focus on loving your students instead of fearing all the new testing standards. If you are a young athlete, dancer, musician or artist, focus on your love of playing and performing instead of your fear of failing. Worrying about the outcome and what people think will steal your joy and sabotage your success but loving and appreciating the moment will energize you and enhance your performance.

And if you are a coach or manager building a team, remember that whatever you try to build with fear will eventually crumble. But that which is built with love will endure. If you build your team with love they will become more and do more than you ever thought possible.

Most of all, as you build with love, know that you will face many challenges and negative forces that can shift your focus back to fear if you let it. When this happens decide to LOVE ALL OF IT. When you love all of it you will fear none of it." - Jon Gordon

Love the struggle because it makes you appreciate your accomplishments.

Love challenges because they make you stronger.

Love competition because it makes you better

Love negative people because they make you more positive.

Love those who have hurt you because they teach you forgiveness.

Love fear because it makes you courageous.

LOVE ALL OF IT!

LOVE THE STRUGGLE

because it makes you appreciate your accomplishments.

LOVE CHALLENGES

because they make you stronger.

LOVE COMPETITION

because it makes you better.

LOVE NEGATIVE PEOPLE

because they make you more positive.

LOVE THOSE WHO HAVE HURT YOU

because they teach you forgiveness.

LOVE FEAR

because it makes you courageous.

From our All Learning is Social and Emotional book.

Public Spirit- Public Spirit is the way that people contribute to and steward their communities.

This is demonstrated by:

- *Respecting others
- *Being courageous and understanding ethical and civic responsibility
- *Improving life through social justice work
- *Service learning and leadership

In my mind, public spirit is belonging and contributing to something bigger than you. It is also teaching students how to interact with people from all backgrounds and to see the world beyond what is two feet in front of our face. Public Spirit can be taught through the characters we read about in English class, or the historical figures we discuss in social studies in addition to ideas from every curricular area. We can provide service-learning opportunities in any of our classrooms, clubs, and athletics. Our role is to help students participate in the decision-making process and learn to advocate for what they believe as they also learn to respect the rights of others.

- 3.2 Engagement
- 3.3 Rules and Procedures
- 3.4 Relationships

If we as educators are focused on these areas we are helping students navigate the world ahead of them and how to interact in any situation. We are one of their first models of public spirit and it is our role to live out what we want to see in our students.

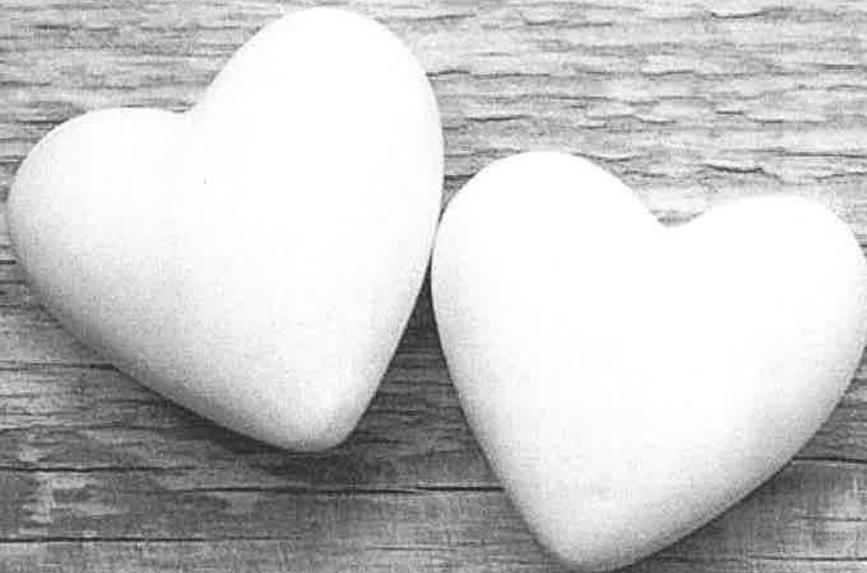

The element in the instructional model that best aligns with Public Spirit, in my mind, is #29 using friendly controversy. If we can teach students to interact civilly, to listen to what the other person has to say, and defend their opinion with evidence, we will certainly be preparing our students for a lifetime of success.

Google Arts and Culture

One of the most fascinating sites created by Google is their Arts and Culture site:

<https://artsandculture.google.com/>

This site will allow teachers/students to explore priceless art, Ann Frank's Childhood home, and the international space station just to name a few of the amazing things you can do. Younger students may need to have you select what they view as some pieces of art, etc. may be for older students only. If you get a chance, check out the site and think about connections to your curriculum.

February Student Report

Throughout the month of January, many things were accomplished and we are hoping to have similar results during February.

Leadership Team

The leadership discussed a number of things at our more recent meetings, including incoming furniture for lobby renovations, substitute teacher gifts, and the school dances.

Recently there has been some concern about the choice of dance that happens at Seward High School dances. The students are not dancing in the most appropriate manner, and the leadership team discussed possible solutions to this problem.

There was also a brief discussion about upcoming lobby renovations. The furniture should arrive on March 9th and hopefully be set up that same date.

The Leadership Team is also participating in the Booster Club fundraising dubbed the “Souper Bowl.” 12 teams are participating, 1st place receives \$600, 2nd \$500, 3rd \$400, and every other team is then granted \$300. We are making Taco Soup and are hoping to reclaim victory from the previous year.

Conference Athletics

This past month some of our athletic teams participated in Conference tournaments.

Basketball

During the first round, the girls played York, while the boys played Grand Island Northwest. Unfortunately, both teams fell short, the girls losing 31-56 and the boys losing by 38-50. During the second round, the girls played Aurora and the boys played Crete, once again falling short with scores of 39-46 and 43-35 respectively. We hope to keep pushing through and have a better turnout for districts.

Wrestling

We had a better outcome for our wrestling team who competed at the Central Conference wrestling tournament in Lexington on February 1st. We had 8 individual placings. Martin placing 1st, Covert and Bisbee 2nd, Duncan and Ellingson 3rd, Warner 4th, and Schoepf and Rosendale placed 6th. Overall the team placed 5th earning 125 points.

Upcoming course registration

Throughout January Mrs. Baker and Mr. Fields, the high school counselors put in a lot of work in order to get current students as well as the incoming freshmen registered for their next year's classes. They began registration on January 13th and the deadline to turn slips was January 28th, right after parent-teacher conferences. In total, there were over 500 students registered.

There are also a number of new courses that are being offered at Seward High during the 2020-2021 school year. Next year we will be offering AP European History, Biological Applications, Environmental Science, Instrumental Technique, Vocal Jazz, Writing Workshop, and English Free Read. These courses are designed to potentially create new academic pathways that many help to benefit students.

NASB Monthly Update for Board Meetings - Agenda Item: FEBRUARY 2020

“NASB Update”

As a board, some items to be focused on during February include:

- On or before March 25 (or within 25 days after certification of amounts, whichever occurs last in time), negotiations, mediation, and fact-finding shall end. If no agreement is reached by this date, either party may, within fourteen days after such date, file a petition with the commission.
- Watch your mailbox for Membership Drive info
- Membership renewal notices are going out now to your district/ESU and we look forward to working for and with you and your board again this year. Hamilton – Seward – York Hazard Mitigation Planning Project

January 14, 2020

RE: Upper Big Blue NRD
Multi-Jurisdictional Hazard Mitigation Plan (HMP)
Local Adoption of Hazard Mitigation Plan

Dear Hazard Mitigation Planning Participant:

Thank you for your participation throughout the last year with the Upper Big Blue NRD Hazard Mitigation Plan. The plan has been reviewed and approved by the state and FEMA. Now is the time for your jurisdiction to adopt the plan locally. Your jurisdictional governing body must adopt the plan via resolution to finalize your participation in the Upper Big Blue NRD Hazard Mitigation Plan. Attached is an example resolution that may be used or adapted to fit your local needs.

Once you adopt this plan, your jurisdiction will become eligible for project grant funding to assist with implementation of actions in this plan. **The adopted resolution should be returned to JEO Consulting Group, Inc. for submittal to NEMA/FEMA.** You may review the final plan at the project website: <https://jeo.com/upper-big-blue-hazard-mitigation-plan>.

Please return the signed, adopted resolution to:

Karl Dietrich
JEO Consulting Group, Inc.

RESOLUTION NUMBER _____

WHEREAS, the Federal Disaster Mitigation Act of 2000 was signed in to law on October 30, 2000, placing new emphasis on state and local mitigation planning for natural hazards and requiring communities to adopt a hazard mitigation action plan to be eligible for pre-disaster and post-disaster federal funding for mitigation purposes; and

WHEREAS, a Multi-Jurisdictional Hazard Mitigation Plan was prepared by the Upper Big Blue Natural Resources District, with assistance from JEO Consulting Group, Inc. of Lincoln, NE.

WHEREAS, the purpose of the mitigation plan was to lessen the effects of disasters by increasing the disaster resistance of the Natural Resources District and participating jurisdictions located within the planning boundary by identifying the hazards that affect _____ and prioritize mitigation strategies to reduce potential loss of life and property damage from those hazards, and

WHEREAS, FEMA regulations require documentation that the plan has been formally adopted by the governing body of _____ in the form of a resolution and further requesting approval of the plan at the Federal Level; and

NOW, THEREFORE, the governing body of _____ does herewith adopt the Upper Big Blue Natural Resources District Multi-Jurisdictional Hazard Mitigation Plan Update in its entirety; and

PASSED AND APPROVED this _____ day of _____, 2020.
